GENERAL COUNSEL'S REPORT

SENSITIVE

Background

These matters were generated as the result of information compiled by the Reports Analysis Division (RAD) during the ordinary course of review of Quarterly Reports. As the result of earlier recommendations made directly to the Commission by RAD, the Commission has previously found reason to believe that United for Orange County, the Orange County Democratic Central Committee, the Committee to Re-Elect Patterson, the Hannaford Re-Election Committee, the Mobile Homes PAC, and the Re-Elect Paul Bell Committee violated the Act.

Additionally, the Assemblyman Cordova Committee, Californians for Brown, and the Round Up '78 Committee were referred to OGC for failure to adequately respond to surface violation notifications from RAD.

The specific allegations are discussed separately, by respondent, below.

Orange County Democratic Central Committee
("OCDCC") - MUR 1115

The Commission has found reason to believe that OCDCC violated (a) 2 U.S.C. § 434 by failing to adequately disclose its opening funds and failure to properly disclose the individuals involved in partnership contributions; (b) 2 U.S.C. § 441a(f) by accepting excessive contributions totalling \$8,330 from Californians for Brown '78;

82040341248

and (c) 2 U.S.C. § 441b by accepting contributions from corporations and labor unions.

RAD has also noted that OCDCC has apparently violated:

(a) 2 U.S.C. § 441a by making excessive contributions totalling \$5,000 to the Committee to Re-Elect Patterson to Congress as well as to the Hannaford Re-Election Committee; and (b) 2 U.S.C. § 441a(f) by receiving \$7,876 in excessive contributions from the Re-Elect Paul Bell Committee. (MURS 1115, 1117, 1119, 1121 and 1122 have in common the accounts of the Orange County Democratic State Central Committee).

At the time of the referral, all that was known about OCDCC's financial activity was that OCDCC apparently operated with three accounts - a restricted account containing corporate and union monies, a general account, and the "Chairs Committee" account which was established for purposes of segregating proceeds from fundraisers until all expenses for such events had been paid, at which time any remaining proceeds were placed in the general account. OCDCC's reports to the Commission apparently included the activities of both the general and the restricted accounts. It was not possible to determine the relationships of these accounts to the OCDCC's federal activity. Nor was it ascertained into which account the contributions from Californians for Brown '78, the Re-Elect Paul Bell Committee, and the contributions from an individual contributor, Richard J. O'Neill, were placed.

Therefore, on June 3, 1980, the Commission issued an order to OCDCC to clarify unanswered questions surrounding its financial activities as well as its purported affiliation with the California

92040341249

Democratic State Central Committee - Federal Account ("DSCC - Federal Account"). In light of the fact that DSCC - Federal Account denied affiliation with OCDCC, it was also issued an order concerning the affiliation issue.

In response to the order, DSCC - Federal Candidate Fund reiterated its previous position that it is not affiliated with OCDCC. OCDCC stated that the relationship between the two is contained in the California State Election Code. A review of the State Election Code Articles which outline membership in the State Central Committee and in the County Committees, does not indicate control, overlapping membership or any other indicia of affiliation between the two. Therefore, absent affiliation with DCSS - Federal Candidates Fund, OCDCC has violated 2 U.S.C. § 441a by making excessive contributions of \$5,000 to the Committee to Re-Elect Patterson to Congress and the Hannaford Re-Election Committee.

The Commission has also found reason to believe that OCDCC violated 2 U.S.C. § 441a(f) by accepting excessive contributions totalling \$8,330 from Californians for Brown and \$7,876 from the Re-Elect Bell Committee. While both contributors maintained that their contributions were earmarked for Registration and GOTV activities of OCDCC, it appears from the reports that the subject contributions were co-mingled with the federal monies held in the various accounts of OCDCC. In response to the Commission's Order, OCDCC filed amended reports but still failed to establish whether certain contributions and expenditures were made from the general account or the federal account and failed to provide the dollar amount expended in connection with GOTV activities.

02040341250

As discussed in detail with respect to United for Orange County (see discussion MUR 1116, which follows), the Commission has held in AO 1978-28 that the expenses of a political party organization for GOTV drives in a federal election year are, at least in part, for the purpose of influencing the election of persons to federal office even though the drive is not conducted expressly or exclusively on behalf of federal candidates.

However, because the dollar amount expended in connection with GOTV activities has not been provided, it is impossible to ascertain what portion of the contributions from Brown and Bell were used in connection with federal elections.

The Commission has also found reason to believe that OCDCC violated § 434 for failure to report opening cash on hand and for failure to provide complete partnership itemizations. The amended reports do not provide any information which would negate the Commission's previous finding.

The Commission has previously found reason to believe that OCDCC has accepted corporate and union contributions which have been used in connection with federal elections. Again, OCDCC has not provided any information which refutes the Commission's finding.

OCDCC registered in September 1978 and according to a computer run of the Commission C index, OCDCC expended \$92,648 in connection with 1978 primary elections, \$32,730 in connection with the 1978 general election and additionally expended \$25,000 in 1980. In light of the fact that OCDCC is an ongoing Committee, has repeatedly failed to provide adequate disclosure information

02040341251

to the Commission and because unanswered questions regarding their financial activities remain, especially those questions pertaining to the restricted account, the Office of General Counsel recommends that the Commission refer this committee to the Audit Division for consideration of a 2 U.S.C. § 437g audit within the parameters of the findings previously made in this matter.

It is recommended that the Commission take no further action against DSCC - Federal Candidates Fund for possible violation of 2 U.S.C. § 433 pending an audit of OCDCC.

United for Orange County
MUR 1116

The Commission has found reason to believe that United for Orange County violated (a) § 441a(f) by accepting an excessive contribution totalling \$14,000 from Californians for Brown '78 and (b) § 433 for failure to file a statement of organization.

Conversely, the Commission has found reason to believe that Californians for Brown violated 2 U.S.C. §§ 433, 434, and 441a in connection with making excessive contributions to a political committee while an unregistered committee.

In response to the Commission's findings of reason to believe that this committee may have violated 2 U.S.C. § 433 and § 441a(f), the committee's treasurer informed RAD that United for Orange County filed reports with the Commission by mistake. According to the treasurer, its voter registration activities were conducted exclusively at the state and local levels, particularly in support of Governor Brown's state campaign in 1978.

02040341252

On June 3, 1980, the Commission issued an Order to James Kozik, the committee's treasurer, in connection with its get-out-the-vote ("GOTV") activities. The respondent, through counsel, reiterated its previous position that United for Orange is not a political committee as defined by the Act. Jerry Simmons, counsel to the respondent, maintains that the committee was solely organized to conduct voter registration and GOTV activities in a non-partisan manner and its filing of reports with the Commission was an error by their accountant.

United for Orange spent \$30,794 in connection with voter registration and GOTV activities in 1978.

Pursuant to 2 U.S.C. § 433, a political committee is required to register with the Commission within ten days of becoming a political committee under the Act. A political committee is further required by 2 U.S.C. § 434 to file periodic reports of receipts and expenditures with the Commission.

The Commission has recognized in Advisory Opinion 1978-50 that GOTV and voter registration expenditures are considered administrative expenses and may be allocated in the same manner as administrative expenses. Pursuant to 11 C.F.R. § 106.1(e) party committees and other political committees which have established federal campaign committees shall allocate administrative expenses on a reasonable basis between their federal and non-federal accounts in proportion to the amount of funds expended on federal and non-federal elections, or on another reasonable basis. The Commission has further recognized in Advisory Opinions 1978-50, 1978-28, 1978-102, 1978-10, Re: AOR 1976-72, and its

02040341253

December 1977 guideline, that various methods may be "reasonable" for the allocation of the GOTV expenses of political committees. Additionally, the Commission has held in AO 1978-28 that the expenses of a political party organization for GOTV drives in a federal election year are, at least in part, for the purpose of influencing the election of persons to federal office even though the drive is not conducted expressly or exclusively on behalf of federal candidates. See also AO 1978-50 and AO 1978-10.

It appears that the method of allocation set forth in Advisory Opinion 1978-102 is the method most appropriate for the allocation of the GOTV expenses of the United for Orange during 1978. The Commission determined in AO 1978-102 that a reasonable basis of allocation for GOTV activity is to determine the ratio of the number of federal candidates seeking election in the areas where get-out-the-vote activity is conducted, to the total number of all candidates, federal, state, and local, seeking office in the areas where get-out-the-vote activity is conducted. Thus, the application of this formula to the GOTV activity conducted by United for Orange and the committees to whom United for Orange made transfers in 1978 for GOTV activity results in the determination that an amount of \$3,240 is the amount attributable to federal activity that year.

This figure is derived from information received from the registrar of voters which indicates that the general election ballots in Orange County included a total of thirty-eight democratic candidates, four of which were federal candidates. Counsel for the respondent states that there were also numerous non-partisan

82040341254

city and county races in Orange County in 1978. Thus, total Committee expenditures of \$30,794 divided by the total number of candidates equal \$810 per candidate multiplied by four (the number of democratic federal candidates) equal \$3,240 total federal activity conducted by United for Orange.

In regard to this allocation, it should be noted that if the total number of local candidates were known and the total amount expended on exempted activities were known, the federal allocation would become smaller.

In view of the fact that the federal GOTV activity of United for Orange was only \$3,240 and since United did not engage in any other federal activity during 1978, it is recommended that the Commission take no further action against United for Orange.

It is recommended, however, that the Commission advise United for Orange, through the attached letter, that in the future, it must take care to allocate GOTV activities to federal elections if the activities are conducted in a federal election year or are on behalf of federal candidates.

Californians for Brown
MUR 1117

The Commission has previously advised Californians for Brown '78 that it appeared to have violated 2 U.S.C. §§ 433, 434 and 441a by making excessive contributions totalling \$8,330 to Orange County Democratic Central Committee (1115) and \$14,000 to United for Orange County (1116).

The Brown Committee maintains that the subject contributions to the above committees were expressly intended for voter registration and GOTV activities at the State and local levels.

The Brown Committee has stated that their contributions were misreported as being received in connection with federal elections.

Even though it is not known at this time whether the Brown Committee's contributions were deposited into non-federal accounts, the respondent contends that the subject contributions were earmarked for State and local activity.

Therefore, the intent of the respondent should be considered a mitigating factor and it is recommended that the Commission take no further action against Californians for Brown and close the file.

Committee to Re-Elect Patterson
MUR 1118

and

Hannaford Re-Election Committee
MUR 1120

As previously stated, the Commission has found reason to believe the Orange County Democratic State Central Committee violated 2 U.S.C. § 441a by making excessive contributions totalling \$5,000 to the Committee to Re-Elect Patterson to Congress as well as the Hannaford Re-Election Committee.

Conversely, both the Patterson and Hannaford Committees were found to have violated 2 U.S.C. § 441a(f) by accepting the subject excessive contributions. In light of the fact that both recipient committees were incorrectly advised by the contributor that it was affiliated with the State Central Committee and able to make the excessive contributions, since the contributions were accepted in connection with the 1978 election, and since the respondent committees are now terminated, it is recommended that

62040341256

the Commission take no further action with respect to the § 441a(f) violations and close the files.

Assemblyman Cordova Committee
MUR 1119

The Assemblyman Cordova Committee contributed \$1,365 to the Orange County Democratic Central Committee during 1978.

Since the Committee exceeded \$1,000 in contributions, RAD advised the Committee that it appeared to have violated 2 U.S.C. §§ 433 and 434 for failure to report and register as a political committee with the Commission. No response was ever made by the respondent committee. However, in light of the small amount of the excessive contribution, the fact that it was made in 1978, and because the committee is not likely to again be active in federal elections, it is recommended that the Commission take no further action and close the file.

Re-Elect Paul Bell Committee
MUR 1121

The Re-Elect Paul Bell Committee contributed \$7,876 to the Orange County Democratic Central Committee (OCDCC) in 1978.

Since the Committee exceeded \$1,000 in contributions, RAD advised the Committee that it appeared to have violated 2 U.S.C. § 433 and § 434 for failure to report and register as a political committee with the Commission. On March 20, 1979, the Commission found reason to believe that such violations had been committed.

The Bell Committee then sent a letter to OCDCC requesting a refund of the excessive portion of the contribution. The Bell Committee was advised that OCDCC could not make the requested refund because it was in debt. The Bell Committee then indicated

02040341257

to RAD that it would request an advisory opinion to determine whether a repayment plan with OCDCC would be appropriate to bring the Committee into compliance with the Act. According to Commission records, no AOR was ever submitted by the respondent.

In light of the fact that the subject violation occurred in 1978 and because the respondent is not likely to be involved in federal elections in the future, it is recommended that the Commission take no further action and close the files.

Round Up '78 Committee
(AKA Chairs Committee) - MUR 1122

The Round Up '78 Committee was referred to OGC by RAD for making a contribution of \$5,300 to the Orange County Democratic Central Committee.

Since the Committee exceeded \$1,000 in contributions, RAD advised the committee that it appeared to have violated 2 U.S.C. § 433 and § 434 for failure to report and register as a political committee with the Commission. In response, it was discovered that the Chairs Committee was an account established by the chairman of OCDCC to hold fundraising proceeds until such time as all expenses for the fundraiser had been paid. The balance was then transferred to the OCDCC General Account.

An AOR was submitted by OCDCC concerning the Chairs account but an advisory opinion was not issued because this issue was part of a compliance matter and because the subject transactions had already occurred.

Because the Chairs Committee is actually an account of OCDCC which OGC has recommended be referred to Audit, it is recommended that this matter also be reviewed by Audit at that time.

Mobile Homes PAC
MUR 1123

The Mobile Homes PAC, as an unregistered committee, contributed \$5,000 to United for Orange County (MUR 1116), \$1,000 to Nate Holden Campaign Committee, and \$950 to Roos for Assemblyman Committee.

Since the Committee exceeded \$1,000 in contributions, RAD : advised the committee that it appeared to have violated 2 U.S.C. § 433 and § 434 for failure to report and register as a political committee with the Commission. The Commission, on July 13, 1979, found reason to believe that such violations had been committed. The Committee responded by stating that the subject contributions were expressly earmarked for Voter Registration and GOTV at the state and local levels.

In light of the fact that these contributions were not intended for use in connection with federal elections, the recipient Committees erred, and since the violation is not likely to be repeated in the future, it is recommended that no further action be taken and close the file.

Recommendations

It is recommended that the Commission:

1. MUR 1115 - take no further action against DSCC - Federal Candidates Fund;

02040341259

- 82040341260
4. MUR 1117 - take no further action against Californians for Brown's violations of 2 U.S.C. § 433, § 434 and § 441a and close file;

SENSITIVE

MURs 1115-1123,

INTERIM INVESTIGATIVE REPORT #4

Central to alleged violations in these MURs are the finances of the Orange County Democratic Central Committee (OCDCC) and United for Orange County (UOC), and the relationships, if any, between OCDCC, UOC and the Democratic State Central Committee of California (DSCCC). On May 29, 1980, the Commission voted to defer action pending receipt of information solicited in orders to be sent to the respective treasurers of each of these three organizations. On June 2, 1980, the orders were sent. Those addressed to the treasurers of OCDCC and DSCCC apparently were not received. New orders were sent on July 14, 1980. Responses received to the orders raise the possibility that OCDCC and UOC may not be political committees as defined by 2 U.S.C. §431(4)(c).

Therefore, additional information was requested from the Registrar of Voters (Orange County, California) and has recently been received by the Office of General Counsel. A final

INTERIM INVESTIGATIVE REPORT #3

The operations and finances of the Orange County Democratic Central Committee (OCDCC) are central to the possible violations by other respondent's in these MURs. Upon analysis, the lengthy response of OCDCC to an order from the Commission was inadequate to answer many of the outstanding questions about OCDCC's structure. The Office of General Counsel is developing a further proposed order to be sent to OCDCC to clarify remaining issues.

Dear Ms. Jessie:

On June 11, July 19, and August 3, 1979, your committee was notified that the Commission had found reason to believe that your committee may have violated 2 U.S.C. §§ 441a, 441b and 434. You were given an opportunity to demonstrate that no further action should be taken in this matter.

RE: MUR 1116

Dear Mr. Kozik:

On February 27 and March 30, 1979, your committee was notified that the Commission had found reason to believe that your committee has violated 2 U.S.C. §§ 441a and 433. You were given an opportunity to demonstrate that no further action should be taken in this matter.

The responses received from your committee, including your letter of March 20, 1980, have not provided complete information regarding the activities which may constitute the violations about which the committee has been informed. Therefore the matter has been referred to the Office of General Counsel for further investigation.

The specific matter of concern to the Commission is whether the voter registration and get-out-the-vote activities undertaken by the committee in 1978 benefited candidates for federal office and, if so, how much of the committee's expenditures should be allocated to such federally-related activity. If such an allocation resulted in federally-related expenditures in excess of \$1000, the committee became a political committee for purposes of the Federal Election Campaign Act and thus covered by the registration and reporting requirements and the contribution and expenditure limitations contained therein.

With regard to the above issue, you will find enclosed a set of written questions and requests for documents, plus an Order of the Commission. This Order requires that the requested answers and documents be supplied to the Commission within 10 days of your receipt of the Order.

INTERNAL REPORTS CHECKED: Committee Reports

SUMMARY OF ALLEGATIONS

These matters were generated as the result of information compiled by the Reports Analysis Division during the ordinary course of review of Quarterly Reports submitted by the Orange County Democratic Central Committee (hereinafter "OCDCC"), by the Committee to Re-Elect Patterson, by the Hannaford Re-Election Committee, and by United for Orange County. (See Attachments I-IX.)

Apparent Violations

The Reports Analysis Division has found with regard to the 1978 election cycle

1. that OCDCC violated 2 U.S.C. § 441a by making excessive contributions to the Committee to Re-Elect Patterson to Congress, and to the Hannaford Re-Election Committee and 2 U.S.C. § 441a(f) by receiving excessive contributions from the Re-Elect Paul Bell Committee;
2. that several corporate and union contributions were made to OCDCC in violation of 2 U.S.C. § 441b;

82040341289

2. that several corporate and union contributions were made to OCDCC in violation of 2 U.S.C. § 441b;
3. that an individual contributor violated 2 U.S.C. § 441a by making an excessive contribution to OCDCC;
4. that the Assemblyman Cordova Committee violated 2 U.S.C. §§ 433 and 434 by making a contribution to OCDCC without registering with and reporting to the Commission;
5. and that Californians for Brown '78 violated 2 U.S.C. § 441a, 433 and 434 by making excessive contributions to OCDCC and to United for Orange County and by not registering with and reporting to the Commission.

Earlier RTB Findings

As the result of earlier recommendations made directly to the Commission by the Reports Analysis Division, the Commission has already found reason to believe that OCDCC may have violated

1. 2 U.S.C. § 434 by failing adequately to disclose its opening funds and to disclose properly the individuals involved in partnership contributions;
2. 2 U.S.C. § 441a(f) by accepting excessive contributions from Californians for Brown '78; and
3. 2 U.S.C. § 441b by accepting contributions from corporations and labor unions.

Upon the recommendation of the Reports Analysis Division, the Commission has also found reason to believe

1. that the Democratic State Central Committee of California violated 2 U.S.C. § 433 by failing to report its affiliation with OCDCC;
2. that United for Orange violated 2 U.S.C. § 441a(f) by accepting excessive contributions from Californians for Brown '78;
3. that the Mobile Home Parks PAC violated 2 U.S.C. §§ 433 and 434 by failing to register with and report to the Commission after making contributions to United for Orange County and to two candidates for federal and state office;
4. that the Re-Elect Paul Bell Committee violated 2 U.S.C. §§ 433 and 434 by failing to register with and report to the Commission after making contribution to OCDCC;
5. that Round-Up '78 (now the Chairs Committee) violated 2 U.S.C. §§ 433 and 434 by failing to register with and report to the Commission after making contributions to OCDCC; and

02040341290

6. that the Hannaford Re-Election Committee and the Committee to Re-Elect Patterson violated 2 U.S.C. § 441a(f) by accepting excessive contributions from OCDCC.

FACTUAL AND LEGAL ANALYSIS

0 2 0 4 0 3 4 1 2 9 1
A. MURs 1115, 1117, 1119, 1121 and 1122 have in common the activities and accounts of the Orange County Democratic Central Committee. Although many efforts have been made by the Reports Analysis Division to obtain clear and complete explanations of OCDCC's financial structure and transactions, particularly during 1978, no official, written explanation has been forthcoming. All that is known is that OCDCC has apparently operated with three accounts - a restricted account containing corporate and union monies, a general account, and the "Chairs Committee" account which was established for purposes of segregating proceeds from fundraisers until all expenses for such events had been paid, at which time any remaining proceeds were placed in the general account. OCDCC's reports to the Commission have apparently included the activities of both the general and the restricted accounts. It has not been possible to determine the relationships of these accounts to the OCDCC's federal activity. Nor has it been ascertained into which account the contributions from Californians for Brown '78, the Re-Elect Paul Bell Committee, and the contributions from an individual contributor, Richard J. O'Neill, have been placed.

Californians for Brown '78 insists that its contribution was intended for voter registration/get-out-the-vote activity at the state and local levels. (See Attachment III-b.) However, no information has been supplied in support of an actual division in OCDCC's 1978 activities and accounts between state/local elections and federal elections. In light of the Commission's policy that voter registration/get-out-the-vote activities during a federal election year are to be deemed as having been carried out for purposes of influencing the persons contacted to vote for all candidates of a political party, it can be assumed that a portion of OCDCC's voter registration/get-out-the-vote activities involved federal campaigns. (See AO's 1978-28 and 1978-50).

It is the opinion of the Office of General Counsel that more information is needed from OCDCC before decisions can be made concerning possible violations of the Act by that committee or by Californians for Brown '78, the Assemblyman Cordova Round-Up '78, or by individual, corporate and union contributors. Therefore it is recommended that pursuant to 2 U.S.C. § 437d(a)(1) an order be issued to OCDCC for answers to the questions attached hereto.

B. MURs 1115, 1118 and 1120 involve the acceptance by the Committee to Re-Elect Patterson to Congress and the Hannaford Re-Election Committee of \$5,000 each in contributions from OCDCC in 1978. On February 28, 1979, upon the recommendation

of the Reports Analysis Division, the Commission found reason to believe that violations of 2 U.S.C. § 441a on the parts of these two candidate committees had occurred.

In response to the RTB finding, these committees and OCDCC have all asserted that OCDCC is a multi-candidate committee by virtue of affiliation with the California Democratic Party State Central Committee and therefore qualified to make \$5,000 contributions to federal candidates. OCDCC has submitted an amendment to its statement of organization claiming such affiliation. (See Attachment I-f.) However, differing opinions on this issue have been expressed by the former and present treasurers of OCDCC. (See Attachments I-g, h and i.) The State Central Committee has not replied to inquiries as to its agreement or disagreement with OCDCC's claim. Upon the recommendation of the Reports Analysis Division, the Commission on September 13, 1979, found reason to believe that the Democratic State Central Committee's Federal Candidates Fund has violated 2 U.S.C. § 433.

11 C.F.R. § 110.3(b)(2)(ii) states that

"(a)ll contributions made by the political committees established, financed, maintained, or controlled by a State party committee and by subordinate State party committees shall be presumed to be made by one political committee."

In the present instance it is unclear, absent confirmation by the California Democratic State Central Committee, whether that committee established, maintains, finances or controls OCDCC. The reports filed by OCDCC do not itemize transfers from the state committee. Therefore, it is the opinion of the Office of General Counsel that additional information is needed before decisions can be made concerning the disposition of MURs 1118 and 1120. It is recommended that any order issued to OCDCC for further information include questions related to that committee's relationship to the California Democratic Party-State Central Committee. Such questions are included in the proposed inquiry attached hereto. It is also recommended that, pursuant to 2 U.S.C. § 437d(a)(1), an order be issued to the California State Central Committee for answers to questions concerning that committee's relationship with OCDCC.

C. MURs 1116 and 1123 involve the activities of United for Orange County, a political committee allegedly unaffiliated with the Orange County Democratic Central Committee. In response to the Commission's findings of reason to believe that this committee may have violated 2 U.S.C. §§ 433 and 441a(f), the committee's treasurer has informed the Reports Analysis Division that United for Orange County filed reports with the Commission by mistake. According to the treasurer, its voter registration activities were conducted exclusively at the state and local levels, particularly in support of Governor Brown's state campaign in 1978. Later, in a telegram dated May 21, 1979, and a letter dated March 20, 1980, the treasurer repeated this assertion. He has stated that the Committee's reports are being amended; but no such amendments have been received by the Commission. (See Attachments II-b, c and d.)

02040341292

Again, it is the opinion of the Office of General Counsel that additional information is needed concerning the accounts and activities of United for Orange County before decisions can be made concerning possible violations of the Act by this committee, by Mobile Park Homes PAC, by Californians for Brown '78, and by OGDCC. Therefore, the Office of General Counsel recommends that, pursuant to 2 U.S.C. § 437d(a)(1), an order be issued to United for Orange County for answers to the questions attached hereto.

Recommendation

1. Defer action pending receipt of information solicited in the attached Orders.

2. Approve and send the attached Orders and letters.

Dear Mr. Krause:

Please be advised that at all times during 1978, the Orange County Democratic Central Committee was affiliated with the California Democratic Party - State Central Committee.

This affiliation proscribes to all of the precepts of the election code of California.

Please consider this letter as an amendment to the Statement of Organization filed by me on behalf of the Democratic Party of Orange County.

PERSON SPOKEN TO: Jackie Davis

FEC'R: Dennis Stolaruk

SUBJECT: Allocated problems

Ms. Davis called with several questions about SV's that were sent, specifically the M letters. She knew nothing about limitations on the Act & Ryan as a whole. She said that she has gotten calls from newspapers about the M letters, and that she was not informed by the FEC of these violations. I explained that the FEC sends the M letters only to the contributing committees. I also explained the \$1,000 threshold as well as the prohibition against corp. & labor contributions. She said that the Committee has a "restricted" account in which they put corporate contributions. She said that this account is not used for Federal activity because it has "dirty" money in it. I asked why the Cmte. is reporting these receipts if in fact the \$1,000 was not received by the Fed. acct. She paused and said that she thinks that the Cmte. is reporting the activity in both accounts, but that she was not totally sure because an accounting firm files out the reports. I requested that she familiarize herself with the Cmte.'s bookkeeping system and find out exactly what the Cmte. has been reporting to the FEC. I explained that the more she knows, and is able to relate to me, the better able I will be to respond.

Committee: I said that she call back once she
has all of the information together.

Mr. Jessie was very easy to talk with, and she was
sincere in her assertions that she wanted to comply w/ the
law. I also believe that she was totally ignorant of the
law, and its limitations & prohibitions - she honestly did
not know.

She also asked me about affiliation. She said that
by statute, they are affiliated with the California Dem.
State Central Cmte (non-registered), and they don't
transfer funds, or consult with them about cmte. operations -
they are independent of them. I said that I didn't know.
I thought they were affiliated by our shared definition. I asked
her, however, about their relationship to United for Oranges. She
said that they were totally separate & distinct entities &
they are not involved at all in their operations.

Mr. Adler called me in response to 3S.VI/78-39 which dealt with 2 \$5000 contributions to Patterson & Hanford. Orange County was notified that, since they had not yet acquired multi-candidate status, they could not contribute in excess of \$1,000 per candidate, per election.

Mr. Adler told me that they are affiliated with the D.S.C.C. Federal Candidates Fund in Beverly Hills, but that he neglected to claim affiliation on the Contee's Statement of Organization. He said that he contacted the State Central Contee. prior to transferring the money to the candidates, and they informed him that they had not contributed any money to the candidates. Adler surmised that by virtue of affiliation the 2 committees had a joint limitation.

I told him that Orange County and the State Central Contee. had to amend their Statements of Organization to claim mutual affiliation. Once we receive this documentation, we can resolve the

I called Mrs. Jessie to alert her to the fact that we sent her a letter (no one was at the office to sign for certified mail.) She said she'd check into it.

J.J. asked me if I had spoken w/Howard Adler & whether I had sent him form 3's. I said yes on both counts. She asked me whether the Hanningford-Patterson matter had been resolved. I ~~told her the~~ reiterated the conversation Adler & I had (see Telecon 5/1). J.J. said that it was very odd that Adler said that Orange County & the State Cent. Cmte. were affiliated. She had asked him that question before and he stated that they were NOT affiliated. Then J.J. asked me whether they were affiliated. I said that I couldn't answer that question and advised her to consult with the other members of the Committee.

I contacted Mr. Kosik today to speak with him about the SV's that were sent and why they were not responded to.

Mr. Kosik said that the letters were just forwarded to him last night from the Santa Ana address, and that he has contacted Jules Glazer's accounting firm to "clean up" the reports.

Briefly, Mr. Kosik said that United for Orange was registered with the Commission erroneously, because the voter registration activity that was conducted was exclusively for state/local activity (particularly for Gov. Brown). He said that he has records to prove it.

I asked that he forward a letter to the FEC in the interim, stating that the center is working toward responding to the SV's. I gave Mr. Kosik my phone number & he said that he would give it to Mr. Glazer, since he will be working with the reports. A letter is forthcoming.

Dear Mr. Haselhorst:

Please be advised that United For Orange County has not operated as a state campaign committee since November 1978. United For Orange County was permanently terminated in November 1978.

Also be advised that United For Orange County was a State Committee and in no way conducted any activity that would require filing with the F.E.C. In 1978, our accountant made a mistake and filed with the F.E.C. Since 1978, I have written over 12 letters explaining this, hopefully this letter will be the last.

CALIFORNIANS BROWN '78

May 30, 1979

Ms. Linda Stolaruk
Federal Elections Commission
1325 K Street, NW
Washington, DC 20463

RE: 3SVI/78-65

Dear Ms. Stolaruk:

Regarding the letter from Orlando B. Potter dated December 26, 1978, I wish to restate that Californians for Brown '78 is not a political committee under federal law, per Ms. Fox's telephone conversation with Chadwick R. Gore in January, 1979.

Jim Kossack of the United for Orange County and the Orange County Democratic Central Committee indicated to me that the people preparing the reports did not know of the requirements concerning segregating income related to federal vs. local elections. He also indicated that amendments will be filed on both these reports to correct this. He emphasized that none of the money expended by our committee was used in any manner for any federal campaign.

The amounts expended by Californians for Brown '78 were intended for, and used for, expenses regarding registration of voters and a "get out the vote" campaign, and both efforts were directed toward state and local candidates. Therefore, Californians for Brown '78 is not liable for filing reports under the Federal Elections Commission.

If you have any further questions, I would be happy to help you.

Sincerely,

MARK ROBERT LUBOW
Treasurer

RE: MUR 1115

Dear Ms. Jessie:

On June 11, July 19, and August 3, 1979, your committee was notified that the Commission had found reason to believe that your committee may have violated 2 U.S.C. §§ 441a, 441b and 434. You were given an opportunity to demonstrate that no further action should be taken in this matter.

In addition, on August 14, and October 16, 1979, your committee was informed that additional apparent violations of the Federal Election Campaign Act had been discovered during reviews of the committee's October 10, 10 Day Pre-General and Year End reports for 1978.

The responses received from the committee have not provided complete information or explanations regarding the possible violations of which the committee has been informed. Therefore, the matter has been referred to the Office of General Counsel for investigation.

You will find enclosed a set of written questions and requests for documents plus an Order of the Commission. The Order requires that the requested answers and documents be supplied to the Commission within 10 days of your receipt of the Order.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B)(i) and § 437g(a)(12)(A) unless you notify the Commission in writing that you wish the investigation to be made public.

RE: MUR 1116

Dear Mr. Kozik:

On February 27 and March 30, 1979, your committee was notified that the Commission had found reason to believe that your committee has violated 2 U.S.C. §§ 441a and 433. You were given an opportunity to demonstrate that no further action should be taken in this matter.

The responses received from your committee, including your letter of March 20, 1980, have not provided complete information regarding the activities which may constitute the violations about which the committee has been informed. Therefore the matter has been referred to the Office of General Counsel for further investigation.

The specific matter of concern to the Commission is whether the voter registration and get-out-the-vote activities undertaken by the committee in 1978 benefited candidates for federal office and, if so, how much of the committee's expenditures should be allocated to such federally-related activity. If such an allocation resulted in federally-related expenditures in excess of \$1000, the committee became a political committee for purposes of the Federal Election Campaign Act and thus covered by the registration and reporting requirements and the contribution and expenditure limitations contained therein.

With regard to the above issue, you will find enclosed a set of written questions and requests for documents, plus an Order of the Commission. This Order requires that the requested answers and documents be supplied to the Commission within 10 days of your receipt of the Order.

COMMITTEE: Orange County Dem. Central Committee

PERSON SPOKEN TO: Jackie Jessie (714) 632-0710

FEC'R: Disc. Volante

SUBJECT: Reporting receipts from fundraisers

Jackie called this afternoon & wanted to know how to report the receipts of a fundraising committee called the Chair's Committee. Apparently, this is ~~the~~ a fundraising com. for the Central Committee, is not registered, and contains prohibited funds. Jackie said that it used to be called the "78 Round-up Committee". At that point, I recalled that I had submitted an M letter to the Committee, for contributions over \$1,000 to Orange County during a previous reporting period. Jackie said that the committee transferred \$5,000 to Orange County from this recent fundraiser. This complicates the situation a great deal, so I told Jackie that I would call her back tomorrow with more information, but told her that the Committee would probably have to end up registering.

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

May 23, 1979

Mr. William J. Thom
Treasurer
Round-Up '78 Committee
822 North Broadway
Santa Ana, California 92701

Dear Mr. Thom:

This letter is prompted by the Commission's interest in assisting committees who wish to comply with the Federal Election Campaign Act. Our review of the receipts reported by the Orange County Democratic Central Committee indicates that your organization may have made contributions which total in excess of \$1,000 during the calendar year. Enclosed is a copy(s) of the report(s) in which your contribution(s) is listed.

The Act defines "political committee" to mean any organization, or other group of persons which receives contributions or makes expenditures (which includes contributions to Federal candidates and committees supporting Federal candidates), aggregating in excess of \$1,000 during a calendar year. It would appear that your organization may qualify as a "political committee" subject to registration, reporting, and contribution limitation requirements of the Act.

If you agree that your organization is a political committee, please submit a Statement of Organization on FEC Form 1, in accordance with 2 U.S.C. 433. In addition, your committee will be required to file disclosure reports in accordance with 2 U.S.C. 434 on FEC Form 3.

If you agree that your organization has made contributions or expenditures which qualify you as a "political committee", but you do not wish to be considered as a "political committee", you must request refund(s) from the candidate(s) and/or political committee(s) to which you have contributed. As an alternative, political committees to which you made contributions may transfer all or part of the contributions to accounts which are not used to influence Federal elections. Refunds or transfers must be made in such amounts that the total remaining contributions made by you do not exceed \$1,000 during a calendar year.

If you believe that your organization is not a political committee, or that the Commission is otherwise in error, please submit a statement which would clarify this matter for the public record. We have also enclosed relevant informational materials and forms for the registration of and reporting by the political committee. Please examine the enclosed materials.

Various

Jackie called this afternoon about some reporting problems she had in filling out the Q2. First, however, we spoke about the Committee's accounts. She told me that the "restricted" account has closed out ~~the~~ its money, but is now being used to collect individual contributions that will then be disbursed to state/local ~~and~~ candidates. Since this account is depleted once the money is initially received, it does not really act as the Committee's main source of financial support. That activity is actually conducted from the "general" account. Jackie said that she was going over the Q2, and came across something that might pose a problem. Orange County DCC participated in a fundraiser which was sponsored by the Chair's Committee (formerly known as the Round-Up committee, which received an M letter in 1978 for excessive contributions to OCDCC). All of the proceeds and expenditures pertaining to the fundraiser was first deposited into the Chair's Committee's account. The Chair's Committee transferred \$5,300 to OCDCC, all of which was immediately forwarded to various debtors. ~~in~~ The money, however, first went into OCDCC's general account. Jackie wanted to know how to avoid possible problems with the FEC regarding this transfer of money. I asked her what sort of money the fundraiser brought in. Jackie stated that it was predominantly corporate union money. I told her that the only possible way that she could avoid problems was by refunding the total amount. She said that this was impossible, because the money was already spent, and because the OCDCC was already in great debt. She was curious to know why this money would be of concern to the FEC, since OCDCC is not currently involved in federal elections. I explained that, since the committee registered with the FEC, ~~that~~ we must follow the premise that they will be federally active, and that the committee will abide by the FECA. She did not understand this. I recommended that she request an AO if she wants a more concise, direct answer. I was unable to lend any greater clarification regarding this matter. She also mentioned that Howard Adler, Ben Adler and the State accountants were meeting in Los Angeles today to work on OCDCC's 1978 reports.

September 10, 1979

Dear Mr. Tiernan,

Enclosed you will find the first and second quarterly reports for 1979, of the Orange County Democratic Central Committee. In order to avoid some of the same problems encountered with the 1978, reports of the OCDCC, I am acting on the advice of Ms. Lisa Stolaruk and requesting an Advisory Opinion from the Commissioners.

An explanation of the OCDCC's checking accounts and activities is as follows:

As a result of large outstanding debt, no monies have been received from or contributed to any Federal Candidate or C Committee. The indebtedness occurred because all efforts and monies were concentrated on the 1978, elections and all other debts incurred by the OCDCC were left unpaid. The OCDCC was not aware of this until the new officers were elected. Since January 1979, all OCDCC efforts and monies have been directed toward retiring our obligations.

Checking Accounts:

Restricted Account Temporarily Inactive for this period.
General Account All checks drawn against this account were used to retire debts, or housekeeping.
The Chair's Committee The account was established by Mr. W. J. Thom, OCDCC Chairman, in order to keep funds from fundraisers separate until all expenses for such events were paid. Then the balance was transferred to OCDCC General Account. I have drawn the checks.

In the opinion of the Commissioners--

1. Should the Chair's Committee be dissolved in order to avoid further complications?
2. Should all monies contributed by Corporations, Unions and others so restricted be deposited only in the restricted account and that account reported to the Commission even though no Federal Candidate or Committee made or received no contributions?
3. All other monies would be deposited in the General Account and that account fully reported to the FEC?
4. No report would be needed if the OCDCC neither received nor contributed to a Federal Candidate or Committee?

I am aware that, while trying to keep everyone happy, I may have created some problems. I hope that the Commission will be able and willing to help with the solution.

I apologize for the lateness of the reports, but have been physically unable to complete them. Mr. Ben Adler, our former accountant, kindly came to my assistance and prepared the reports. I am sure you will find the actual accounting accurate.

Sincerely,

Jacqueline A. Jessie
