Re: MUR 1172

Dear Ms. Mosquera:

On May 29, 1980, the Commission found reason to believe that your committee violated § 433 and § 434 of the Federal Election Campaign Act of 1971, as amended ("the Act"). However, after considering the circumstances of this matter, the Commission has determined to take no further action and close its file in this matter. This matter will be made part of the public record within 30 days. Should you wish to submit any materials to appear on the public record, please do so within 10 days.

The Commission reminds you that your failure to register and file reports nevertheless is a violation of 2 U.S.C. § 433 and § 434 and you should take immediate steps to insure that this activity does not occur in the future.

A report on the Commission's finding is attached for your information.

SOURCE OF MUR: I N T E R N A L L Y G E N E R A T E D

BACKGROUND

On February 14, 1980, the Reports Analysis Division forwarded the attached referral to the Office of the General Counsel. The referral alleged that: (1) The Public Affairs Council (NFFE) violated 2 U.S.C. § 433 by failing to file a statement of organization with the Commission within ten days after its establishment. (2) The Public Affairs Council (NFFE) violated 2 U.S.C. § 434 by failing to file timely reports of receipts and disbursements.

FACTUAL BASIS AND LEGAL ANALYSIS

The Public Affairs Council (NFFE) was established in March 1972. It received initial voluntary contributions from members of its connected organization, the National Federation of Federal Employees in April, 1972. Although its early activities were informal and financial records are sketchy, it is apparent that the committee made contributions to political committees in excess of \$1,000 in 1974, 1976 and 1977. However, the committee did not file a statement of organization or reports of receipts and disbursements until June 30, 1978. This report covered only the period of April 1 to June 30, 1978. In response to requests for additional information from the Reports Analysis Division, the committee submitted comprehensive yearly reports for 1972 - 1977. Furthermore, the committee submitted a written explanation for the delay in complying with the registration and reporting requirements attributing it to inaccurate legal advice received from its former Executive Director.

By failing to file a statement of organization within 10 days of organization, the Public Affairs Council (NFFE) has violated the registration requirements of 2 U.S.C. § 433. Furthermore, the Public Affairs Council (NFFE) has violated 2 U.S.C. § 434 by failing to file timely reports of receipts and disbursements.

Based on the foregoing analysis, the Federal Election Commission has found:

Reason to believe that the Public Affairs Council has violated 2 U.S.C. §433 and §434 and voted to close the file in this matter.

SUMMARY OF ALLEGATIONS

On February 14, 1980, the Reports Analysis Division forwarded the attached referral to the Office of the General Counsel. The referral alleged that: (1) The Public Affairs Council (NFFE) violated 2 U.S.C. §433 by failing to file a statement of organization within ten days after its establishment and (2) it violated 2 U.S.C. §434 by failing to file timely reports of receipts and disbursements.

FACTUAL BASIS AND LEGAL ANALYSIS

The Public Affairs Council (NFFE) was established in March 1972 and received initial voluntary contributions from members of its connected organization, the National Federation of Federal Employees in April, 1972. Although its early activities were informal and financial records are sketchy, the committee exceeded the \$1,000 contribution/expenditure threshold of 2 U.S.C. §433 (formerly §303(a) of the FECA of 1971) in 1972 and should have registered as a political committee at that time. The committee's approximate financial activity prior to its registration was as follows:

	<u>Receipts</u>	<u>Expenditures</u>
1972	\$ 2446	\$ 706
1973	703	828
1974	2116	1525
1975	2320	1040
1976	2370	2000
1977	3934	4126

The committee did not file a statement of organization or reports of receipts and disbursements until June 30, 1978. This report covered only the period of April 1 to June 30, 1978. In response to requests for additional information from the Reports Analysis Division, the committee submitted comprehensive yearly reports for 1972 - 1977. Furthermore, the committee submitted a written explanation for the delay in complying with the registration and reporting requirements attributing it to inaccurate legal advice received from its former Executive Director.

While the Public Affairs Council (NFFE) has violated the registration requirements of 2 U.S.C. §433 and 2 U.S.C. §434 by failing to file timely reports of receipts and disbursements, the Office of General Counsel recommends that the Commission take no action in light of the fact that voluntary compliance has been achieved.

RECOMMENDATIONS

1. Find reason to believe that the Public Affairs Council violated 2 U.S.C. §433 and §434.
2. Take no action against the Public Affairs Council and close the file.

George Tilton, Att.

(Committee Contact)

DATE/TIME: 6-22-79

IN REFERENCE TO: RFAIs of 6-21-79

PHONE NUMBER: 862-4430

REMARKS:

RFAIs were sent on both the initial Statement of Organization and the committee's first report (July 10 Quarterly-78) regarding late registration and initial cash on hand.

Mr. Tilton stated that the committee had been concerned about its registration and had both contacted someone at the Commission and a former employee of the Commission. He could not remember the name of the person contacted at the Commission. He did not volunteer the name of the former employee and the analyst did not ask for the name. 6

Mr. Tilton stated that the committee had actually been in existence for a number of years. However, it was very small and had no intention of receiving or expending funds in excess of \$1,000. Then in September or October of 1976 a new president was elected by the National Federation of Federal Employees and the course of the committee was changed. It was then decided that the committee should expand its role. (It should be noted that the new President did not assume his office until about 1-1-77. Mr. Tilton was advised that the specific dates of the election and taking of office may be included in the official response as appropriate.) He did not clarify why the committee waited more than a year after this initial decision to register.

Concerning the initial cash on hand, he stated that the committee records prior to the calendar year 1978 were very poor. He doubted that they would be of any assistance. He further stated that the funds were probably raised by mass collections at the organization's conventions.

Analyst explained that the Commission was concerned that proper disclosure was made as per 2 U.S.C. 434 and that not of the funds violated any of the prohibitions under 2 U.S.C. 441b.

He was advised that the committee should provide disclosure as far back as 1-1-77 (the date the new President took office) if possible and that the committee would have to clarify the sources of any initial cash on hand. Several times he expressed his doubt of committee's ability to provide the sources, but stated that they would make their "best effort".

He said that the committee would respond as soon as possible. He stated that 15 days may not be long enough. Analyst advised that a telecon would be placed in the committee's file.

OVER

Mr. Tilton was further advised that although the committee may wish him to handle its response that the treasurer should sign all communications.

OF THE
NATIONAL FEDERATION OF FEDERAL EMPLOYEES

79 JUL 2 AM 9:46

Orlando B. Potter
Staff Director
Federal Election Commission
Washington, D.C. 20463

Dear Mr. Potter:

This will respond to your letters of June 21, 1979. In the first letter you advise us that "Section 102.1(a) of the Commission's Regulations requires each political committee to register within ten days after its organization, or within ten days after the date on which the committee has information which causes it to anticipate receiving contributions or making expenditures exceeding \$1,000 in a calendar year for Federal candidates. Please explain your committee's late registration."

The Public Affairs Council (PAC) of the NFFE was apparently first organized in 1971. However, I did not begin my association with the NFFE until 1975 and did not assume any official PAC-related responsibilities until April 1978. Consequently, I am unable to say with any degree of certainty what happened prior to that time. I have, however, attempted to reconstruct the events as they were prior to my assumption of the position of Secretary-Treasurer.

As indicated, the PAC was started in 1971. It was a very small and financially insignificant operation. The decision-making apparatus was not clearly defined and we have identified at least three persons who shared the record-keeping functions, located in two separate areas. Two of those three people no longer work for NFFE and the third exercised rather minor duties such as making deposits and writing checks. She has no real knowledge of PAC or its operation. Of the remaining two people, one is quite ill and the other lives in Missouri. (Again, I note the three people we have identified as working on PAC matters do not constitute an all-inclusive list. We believe that perhaps two or three other people also worked on PAC-related matters.) The diffusion of authority and function has created some difficulty in reconstructing events. However, we believe that prior to 1978 it is most unlikely that PAC ever received or made expenditures exceeding \$1,000 in a calendar year.

FEDERAL ELECTION
COMMISSION, 1979

PAC, as mentioned earlier, was a very small operation. Essentially, all contributions were obtained at union conventions, seminars or workshops. Quite literally, someone would "pass the hat" for PAC. Other sources of revenue included the proceeds from such things as bake sales and small individual contributions. We estimate the average donation per person was less than \$5.00. Expenditures also were relatively small. Honorariums and political fundraisers accounted for the majority of all expenditures, although occasional donations were made to non-profit, non-partisan organizations such as the league of women voters. Since the PAC did not anticipate either receiving or expending \$1,000 in any one year, no registration was deemed necessary.

79031300017
In 1976 the NFFE elected a new national president, James M. Peirce, who assumed office November 1976. Towards the end of 1977 Mr. Peirce directed a review of the PAC organization. He determined PAC should be restructured and revitalized into a more efficient and effective operation. He wished to expand considerably the activities of PAC, both in terms of contributions received and expenditures made. By the end of 1977 and early 1978 the rate of contributions and expenditures had increased and it was felt necessary to register the PAC. At this point it was discovered that the original charter for PAC, as well as other necessary documents, could not be found. It is believed they were inadvertently discarded when NFFE moved to its present location. Although we knew that PAC was a duly-authorized and legally proper part of the NFFE, we were in the strange position of being unable to prove our existence. Since the President of the NFFE did not have the constitutional authority to correct this situation, it was necessary to wait until the National Executive Council could consider the situation. On March 20, 1978 the Executive Council reaffirmed, ratified and reestablished the PAC, giving it a new charter.

At this point it was obvious to us that registration was required. However, we were operating on what we later learned was a misapplication of the rules. We withheld the registration until June 30, 1978, the date for the covering period of April 1, 1978 through June 20, 1978. We had, in other words, deliberately filed our initial registration to coincide with our first report of receipts and expenditures on Form 3 as, at the time, we were under the impression this was acceptable.

During this period of time, representatives of NFFE visited the FEC on several occasions and had several telephone conversations with staff members of the FED. These visitations and conversations were for the purpose of clarifying and understanding our status and filing responsibilities. We received considerable advice and assistance including the advice that since it appeared there was no apparent requirement to file prior to 1978, we should merely file for the next full period.

June 27, 1979

Pursuant to this advice we filed for the period 4/1/78 to 6/30/78 as our initial filing. Additionally, and in order to make full disclosure of our prior transactions, we prepared and attached a list of expenditures and receipts for the period from 1/1/78 to 3/15/78 (no expenditures or expenditures occurred 3/16 to 3/30). This list was, or should have been, attached to our Statement of Organization, Form 1. An additional copy is now enclosed for your perusal. The significance of this statement will be explained below.

In your second letter also dated June 21, 1979, you state that "Section 104.10 of the Commission's Regulations requires committees that have cash on hand at the time of registration to disclose the source(s) of those funds. Please clarify the source(s) of the \$3,665.21 on Line 6 and the \$1,616.81 on Line 7 of the Summary Page."

As I indicated in previous paragraphs, the PAC was started in 1971. The \$3,665.21 mentioned on line 6 represents an accumulation of funds dating back to 1971. It represents an excess, since 1971, of receipts over expenditures.

The sum of \$1,616.81 found on line 7 was derived by subtracting the expenditures made in the period 1/1/78 to 3/15/78 from the accumulation of funds on hand. These expenditures were fully explained in the statement mentioned above that was attached to our Form 1.

I wish to state on behalf of the members of PAC that although we may not have been within the letter of the law insofar as filing is concerned, we were clearly within the spirit of the law. There was and is no intent to disregard the law. Prior to receiving your letters we voluntarily made full disclosure of our situation to employees of the FEC. We believe we have taken every reasonable step to comply with both the spirit and the letter of the law.

During a conversation between Mr. Wade McArthur of your staff and Mr. George Tilton of our staff, the suggestion was made that the FEC might require us to either file for all previous periods or prohibit us from using the \$3665.21 mentioned in your letter. Under the circumstances we do not believe either possibility is appropriate. The prohibition of the use of the \$3665.21 would, we feel, be particularly unfair. The money was collected in the strictest compliance with the law. Expenditures made from 1971 to 1978 were also in compliance with the law. Since it is our belief that prior to 1978 we were not required to register, we think it would be unfair to deprive us of the use of the money. At the very most, we may have been out of compliance for a matter of months and any non-compliance was swiftly corrected and was based on a misunderstanding of the law.

The second alternative would be unduly burdensome. It would require us to reconstruct old records prior to my assumption of responsibilities and, since it does not appear we were required to file prior to 1978, it would also be something of a wasted effort. In this connection, however, I wish to make it clear that my statement that we were not required to file prior to 1978 is not based on an audit of the PAC's financial records. Rather, it is based on a quick perusal of those records and the statement of an old NFFE employee that since the PAC had always had very limited financial resources, expenditures were always kept below \$1,000 per year in order to avoid the burden of filing. He also states that in that period he believes PAC never collected more than \$1,000 in any one year.

Based on the foregoing and on behalf of the PAC, I am requesting you accept this explanation, and that the FEC not impose any penalties.

Sincerely,

Deanna Mosquera
Secretary-Treasurer
NFFE Public Affairs Council

MR. Raymond called this date to request an extension of the due date for the above RFAI. Analyst explained that we do not have any provision for extensions. However, analyst suggested that he send in a statement explaining any delay. Analyst advised that the response should be submitted as soon as possible. 10

He stated that Mr. Tilton, the committee attorney with whom I previously spoke was no longer in their employment. Then he stated that Mr. Tilton was on indefinite sick leave.

Mr. Raymond asked when the Act went into effect, he wanted to know how far back he had to report. Analyst advised that even before the Commission candidates/committees were reporting with GAO. Analyst suggested that the committee determine when it first qualified as a committee and report from that time. Analyst further advised that an audit of the committee was a possibility so that the committee should be as diligent as possible.

Analyst asked that they call the Commission should other questions arise.

REMARKS:

Mr. Raymond came into the office this date to discuss the committees reporting obligations.

Cmte History: The committee first registered with the Commission during 6/78. The committee was sent RFAIs to clarify the initial cash-on-hand, and activity prior to registration. The committee responded with a report disclosing activity from 1-1-78. An attached statement indicated little activity prior to 1-1-78. However, an examination of the G index revealed activity in excess of \$1,000 during 1977. A second RFAI was sent inquiring as to the activity prior to 1-1-78. It was in response to this RFAI that Mr. Raymond requested a meeting with the analysts.

Mr. Raymond indicated that the committee had been in existence since 4/72. However, the committee did not support candidates for Federal office in excess of \$1,000 in any given year until 10/74. He offered no explanation as to the committee's failure to register. However, he indicated that it was not the committee intent to evade the law. He further indicated that the committee supports only Federal Candidates. The National Federation of Federal Employees pays for all overhead. Mr. Raymond indicated that the committee would provide reports back to 1972. Analyst advised that Comprehensive Reports for each year, rather than Quarterly Reports would suffice. Analyst further advised that all information requested on the forms should be provided and that when the information can not be reconstructed it should be explained.

The committee receives only small individual contributions. However, at times in the past there have been mass collections at seminars and conventions. A National Vice President would the remitt to the PAC a personal check for the amount collected. Analyst advised that all such receipts should be remitted to the PAC directly (within 10 Days) and that any cash collected should be sent in the form of a money order for the entire amount collected, with an addendum as to the source. The cost incurred in the transmission of these funds could then be reimbursed by the PAC or the Union (subject to the limitations of the Act).

Mr. Raymond was very cooperative and indicated that the committee wanted to provide the Commission with all the information required.

MEMORANDUM:

TO: THE FILE 1979-80

COMMITTEE: PUBLIC AFFAIRS COUNCIL

DATE: 8/14/79

RE: MEETING WITH MR. GENE RAYMOND, ASSISTANT SECRETARY TREASURER

ANALYSTS PRESENT: BEVERLY BROWN, REPORTS ANALYST

WADE MCARTHUR, COMPLIANCE ANALYST

BACKGROUND: The above committee has been in existence since 1971, however, the committee did not register or submit disclosure documents until 1978. Through some investigation during the normal course of review, it was discovered that the committee should have been registered as early as 1972 as receipts and expenditures exceeded \$1000 - expenditures made with the intention to influence federal elections. The committee was requested to submit comprehensive amendments based on the requirements of the ACT and former action taken against the B.of L.E. in a recent MUR. 12

TODAY: Mr. Gene Raymond requested to meet and discuss disclosure reports prepared for 1972 through 1977. The following comments were made in regard to the reports reviewed:

- 1) Where information is omitted, the committee should provide an explanation for its omission.
- 2) The committee should prepare a letter clearly identifying the reasons for their late registration and reporting. This letter should be signed by the treasurer but may also be signed by the Chairman and Assistant Secretary.
- 3) An amended Statement of Organization should be submitted to disclose Gene Raymond as the assistant treasurer and designated agent. Statements of organizations will not require amending for the sole purpose of bringing its candidate support lists up to date. Future reporting of transfers out to candidates and candidate committees should disclose the office sought, district and state of each candidate.
- 4) Future reporting of transfers out to candidates and candidate committees should disclose the election for which the transfer was made.
NOTE: Mr. Raymond stated that often candidates do not inform the committee of the election designation. In these instances, the committee lists "other" as the election designation.

DISCUSSION OF OTHER MATTERS PERTAINING TO THIS COMMITTEE:

- 1) This committee has reached a multicandidate status based on the following:
 - a) committee has received contributions from more than 50 contributors
 - b) committee has supported more than 5 candidates for federal office
 - c) committee has been in existence (since registration) for more than 6 monthsMr. Raymond stated that their attorney informed that that they may never contribute in excess of \$1000 to candidates per election. We informed him that having reached multicandidate status, the committee may now contribute up to \$5000 per candidate, per election.
- 2) The committee publishes a magazine to which non-members subscribe. Mr. Raymond was informed that the magazine should not contain any printing which would give the appearance of a solicitation. Only members and their families may be solicited. AO's will be sent regarding this matter.

Mr. Raymond admitted that in past practices the committee magazines did contain solicitation notices.

- 3) Mr. Raymond was informed that if persons outside their class are present at meetings, they must be asked to leave when the committee solicits individuals present at the meeting.
- 4) Mr. Raymond was informed that secretaries, attorneys etc, who are not members of the union, may not be solicited by the committee.
- 5) Asked if retired contributors were members of the union, Mr. Raymond stated that they were.

In closing, Mr. Raymond stated that amended reports would be sent ASAP and that he would inform committee officials of our conversation.

Mr. Wade McArthur

Washington, D.C. 20463

Dear Mr. McArthur:

Reference is made to receipt of Mr. Orlando Potter's letter of July 26, 1979 addressed to PAC's Treasurer, Ms. Deanna J. Mosquera, regarding expenditures in excess of \$1000.00 for calendar year 1977 contrary to Ms. Mosquera's letter of June 27, 1979. It is my understanding that NFFE's Executive Director, Gene Raymond, has been in contact with you by phone on several occasions, and met with you and Ms. Beverly Brown on Wednesday, August 8, and Tuesday, August 14, in an attempt to resolve the discrepancies you have brought to our attention.

In responding to the above referenced letter from your office, I think it is appropriate that you be provided information regarding the Public Affairs Council of the National Federation of Federal Employees. A history of the formation and actions of the PAC follows:

In late 1971 or early 1972, this Federation's former President, Dr. Nathan T. Wolkomir, conceived the idea of establishing the "Public Affairs Council." Discussion was held at the March 1972 Executive Council meeting concerning its establishment, structure, goals and functions; and thus the NFFE PAC came into being. A xerox copy of a portion of Page 1 of the April 10, 1972 issue of our national newspaper THE FEDERAL EMPLOYEE is enclosed for your information. That issuance was the first notification to NFFE's general membership of the establishment and purposes of our Public Affairs Council.

Initial voluntary contributions from NFFE members began in April 1972. In the first year of its existence, the NFFE PAC received \$2446.20 and expended a total of \$700.00 to eight political campaign committees. The financial records of the PAC for 1972 are,

at best, very limited with regard to specific information as to the number of contributions received, the addresses of the contributors, their principal place of business, and occupation. Also, information regarding the political committees which the PAC donated to is sketchy; the only information available is the name of the committee, the amount and date of the contribution and the check number.

A comprehensive yearly reports for calendar years 1972, 1973, 1974, 1975, 1976 and 1977 are enclosed with this letter. The data supplied on the Form 3s is all that is available from our existing records. You and/or staff members of the Federal Election Committee are welcome to review the records and/or make copies of them to verify the enclosed Form 3s, or for other purposes you may deem appropriate.

The operation of the PAC was, at best, very informal during the early days and the books, financial records and other related material were shuffled from one individual to another, based strictly upon workload at the time.

In September 1976, I was elected National President of the NFFE to succeed Dr. Wolkomir, officially assuming those duties on November 1, 1976. In mid-1977, I assigned Mr. Tilton, the Federation's Associate General Counsel, serving also as the PAC's Executive Director, to investigate the general requirements of the mechanism which this Federation could utilize to operate a PAC. It was more than a year later, in March of 1978, that I discussed the NFFE Public Affairs Council with the elected Executive Council members. The Executive Council at that time formally chartered the National Federation of Federal Employees' Public Affairs Council. A copy of my memorandum of May 4, 1978, which affirmed ratification by the Executive Council of the PAC and granted a charter to the PAC on March 20, 1978 is enclosed for your information.

It was subsequent to that action that I tasked Mr. Tilton to ascertain all specific pertinent data with regard to the operation, reporting requirements and restrictions of a Public Affairs Council.

In June of 1978, Mr. Tilton made contact with a representative of the Federal Election Commission. Several telephone calls were made, as well as, I am informed, visits to the FEC's office. On one occasion, the Federation's Executive Director, Gene Raymond, serving also as a member of the NFFE PAC, accompanied Mr. Tilton to the FEC office and discussed the initial reports required to be filed. Both Mr. Tilton and Mr. Raymond met with a representative of the FEC sometime in late June 1978; although Mr. Raymond

70901311344861

Aug. 15, 1979

cannot recall the name of the individual they met with, nor can he find any written memo in his records regarding the representative's name, he does recall that they met on either the fourth or fifth floor of the building, that upon getting out of the elevator they walked toward the right, went through a set of double doors, turned left and then right. The individual's office was straight ahead toward the back of the building. Outside his office was a supply of FEC forms, guides, and other related material. At this meeting both Mr. Raymond and Mr. Tilton discussed the NFFE PAC's situation with FEC's representative and asked about reporting requirements. Both of the NFFE representatives were advised that they should begin filing the FEC Form 3 and an initial FEC Form 1 immediately, and that the initial report should be filed for the period 4-1-78 through 6-30-78. It was at this time that Mr. Raymond assisted our PAC Secretary-Treasurer, Deanna J. Mosquera, in completing the necessary forms, and we filed our first report with the Federal Election Commission.

Additional reports have been filed in a timely manner according to our records, except the 10-day pre-general election report, of which we were unaware.

Our records reflect the following regarding filing of the FEC Form 3s:

First report for the period 4-1-78 thru 6-30-78, filed 7-3-78;
Second report for the period 7-1-78 thru 9-30-78, filed 10-2-78;
Third report for the period 10-1-78 thru 10-23-78, filed 10-31-78;
Fourth report for the period 11-7-78 thru 11-27-78, filed 12-5-78;
Fifth report for the period 11-28-78 thru 12-31-78, filed 1-5-79;
Sixth report for the period 1-1-79 thru 3-31-79, filed 4-2-79; and
Seventh report for the period 4-1-79 thru 6-30-79, filed 7-3-79.

On Monday, June 25, 1979, Ms. Mosquera received Mr. Potter's two letters of June 21, 1979, questioning both the source of PAC's starting balance of \$3665.21, its late registration, and the reason/s therefor.

Ms. Mosquera immediately took the two letters to Mr. Tilton as the Federation's Associate General Counsel, and asked that he contact the FEC for more information. Her rationale was that he was an attorney and thus most capable of ascertaining the requirements of the law. Mr. Tilton was hired in June 1972 and had, except for the PAC's first three months, been fully involved in its affairs and should have been the best equipped to answer the letters. Finally, since he had talked to and met with representatives of FEC before, he would be the employee with the most expertise to handle this matter.

Thus, after contact with your office, Mr. Tilton authored the letter for Ms. Mosquera. She signed it without any reservations because of the reasons cited above. It should be pointed out at this point that Ms. Mosquera, as this Federation's Executive Secretary, was assigned the task of our PAC's Secretary-Treasurer on May 4, 1978, and had her first contact with the NFFE's PAC at

7 9 0 3 1 3 4 4 8 6 2

Aug. 15, 1979

that time.

The next contact with your office was on Tuesday, July 3, when you advised Mr. Tilton of your need for a report for the period 1-1-78 thru 3-31-78. As you will recall, in filing that form all subsequent reports filed for that year were incorrect, and an amended page 2 of the FEC Form 3 was submitted with the report for the period 1-1-78 thru 3-31-78, along with a cover letter explaining this action.

With regard to that report, and as pointed out to Mr. Raymond by Ms. Brown at the meeting on Tuesday, August 14, the Calendar Year-to-Date figures in Column B on both pages 1 and 2 were incorrectly entered. Additionally, in reviewing the forms upon return to the office, Mr. Raymond found that itemized expenditures on lines 20a and 22a had been put on the same Schedule B. Thus, please find enclosed an entirely amended report for the period in question.

The most recent written communication from your office, dated July 26, 1979, when received by Ms. Mosquera, was given to the Federation's Executive Director and member of NFFE's PAC, Mr. Gene Raymond. Ms. Mosquera was quite concerned that after continued communications to and from your office the discrepancies had not been resolved, even though Mr. Tilton had assured her everything was now in order. Mr. Raymond, in turn, advised me of the latest written communication. After considerable discussion on the matter with Mr. Tilton and Mr. Raymond, I tasked Mr. Raymond with the responsibility of contacting your office promptly in an effort to resolve the outstanding issues. I might add at this point that Mr. Tilton is no longer in our employ.

Mr. Raymond has, I have been informed, communicated with you via telephone and met with both you and Ms. Brown on two occasions in an attempt to resolve this vexing matter. He has made an extensive review of the PAC's financial records and his findings are shown on the enclosed six (6) comprehensive annual reports. As was stated earlier, all records are available for your review at your discretion, should you so desire.

Mr. Raymond has provided Ms. Mosquera as much information as is available from our existing records. As stated earlier, the past records of the PAC are basically non-existent except for the old bank book and ledger books listing names of contributors and names of those committees to which the PAC donated.

Summarily, I feel that this entire problem was caused by inappropriate information being given to NFFE's representatives in June 1978; further compounded by our ignorance of the law and its requirements, and by negligence and inattention on the part of one of our former employees. Based on the facts and explanation as expressed in this letter, the attached reports, and our earnest desire for strict compliance with the law, it is my hope that the FEC will see fit to pardon this PAC's

79031344863

Aug. 15, 1979

previous negligence and not impose any penalties.

I assure you that this PAC will, in the future, strictly adhere to the provisions of the law, and thus avoid any further disharmony with your office.

In closing I would like to convey my personal appreciation to both you and Ms. Brown for your understanding, cooperation and assistance in resolving these issues.

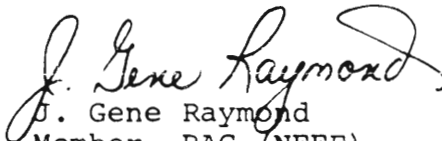

Please feel free to contact Mr. Raymond at 862-4440 should you have any questions about the enclosed reports.

Voluntary Contributions Needed**NFFE LAUNCHES PUBLIC AFFAIRS COUNCIL IN MAJOR NEW ACTION MOVE**

In a major move of far-reaching importance, the Executive Council at its recent Washington meeting authorized establishment of the "NFFE Public Affairs Council."

Its purposes are to promote Federal employee voter education in various practical ways, to advance the program of the NFFE, and to give a further dimension to the union's sustained Truth Campaign.

The Executive Council stated that, in strict conformity to the law, the special functions of the new NFFE Public Affairs Council would be financed entirely by voluntary contributions. No union dues funds will be expended for these special purposes.

In authorizing establishment of "NFFE-PAC," the Executive Council declared:

"The need for the kind of activity envisioned for the new NFFE Public Affairs Council has become increasingly and urgently evident in recent years and very much intensified in recent months.

"It will be the purpose of the PAC to urge all Federal employees to register and vote in national and

local elections. They are entitled to know where the candidates stand on issues of vital concern to them and their families and to the integrity of the Federal civil service merit system. It will be a function of the PAC to assist in getting these positions on the record. Moreover, the PAC will by its nature be able to give some tangible expression of support to those whose views and positions on these issues are constructive and in the public interest.

"Voter education plus action, on a continuing basis, will be a prime function of PAC. At the same time, PAC will give a new and still broader dimension to the NFFE's widely acclaimed and highly successful Truth Campaign . . . expansion urgently indicated by the concerted assaults being leveled at the career Federal service, its employees, and vital public service functions by various special interest groups.

"Activities of PAC will be financed wholly by voluntary contributions, in strict conformity with the law, and no union dues or other funds will be made available to the Public Affairs Council by the NFFE.

"Obviously, the extent and effectiveness of the new PAC's program will depend upon the interest in it as will be indicated by our members worldwide and by the degree in which that interest is reflected in contributions to launch and carry on its activities from year to year.

"The Executive Council has authorized this action following many months of consideration of all of the many factors involved and the critical nature of the situation confronting Federal employees, their families, and the public service as a whole. This is a constructive, forward looking action response . . . demanded by circumstances in which Federal employees find themselves through no fault of their own.

"While authorization of PAC is strongly symbolic, it is much more than that, in view of the long record of public service of the NFFE, the pioneer among all Federal employee unions. It is an ACTION RESPONSE which will be carried out conscientiously, vigorously, and in the best tradition of participatory American democracy."

CERTIFIED MAIL
RETURN RECEIPT REQUESTED

Deanna J. Mosquera
1016 16th Street, N.W.
Washington, D.C. 20515

Re: MUR 1172

Dear Ms. Mosquera:

The Federal Election Commission has previously notified you that your committee may have violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). Specifically, 2 U.S.C. §433 and §434 for failure to register and file as a political committee.

The Commission on May , 1980 found reason to believe violations of §433 and §434 had been committed but determined that substantial compliance had been achieved with respect to those violations. Accordingly, the Commission voted to take no action and terminate its inquiry into the above matter. This matter will become part of the public record within 30 days.

If you have any questions, please contact Kim Bright, the staff member assigned to this matter at 202-523-4039.

Sincerely,

Charles N. Steele
General Counsel

DATE/TIME: 6-22-79

IN REFERENCE TO: RFAIs of 6-21-79

PHONE NUMBER: 862-4430

REMARKS:

RFAIs were sent on both the initial Statement of Organization and the committee's first report (July 10 Quarterly-78) regarding late registration and initial cash on hand.

Mr. Tilton stated that the committee had been concerned about its registration and had both contacted someone at the Commission and a former employee of the Commission. He could not remember the name of the person contacted at the Commission. He did not volunteer the name of the former employee and the analyst did not ask for the name. 6

Mr. Tilton stated that the committee had actually been in existence for a number of years. However, it was very small and had no intention of receiving or expending funds in excess of \$1,000. Then in September or October of 1976 a new president was elected by the National Federation of Federal Employees and the course of the committee was changed. It was then decided that the committee should expand its role. (It should be noted that the new President did not assume his office until about 1-1-77. Mr. Tilton was advised that the specific dates of the election and taking of office may be included in the official response as appropriate.) He did not clarify why the committee waited more than a year after this initial decision to register.

Concerning the initial cash on hand, he stated that the committee records prior to the calendar year 1978 were very poor. He doubted that they would be of any assistance. He further stated that the funds were probably raised by mass collections at the organization's conventions.

Analyst explained that the Commission was concerned that proper disclosure was made as per 2 U.S.C. 434 and that not of the funds violated any of the prohibitions under 2 U.S.C. 441b.

He was advised that the committee should provide disclosure as far back as 1-1-77 (the date the new President took office) if possible and that the committee would have to clarify the sources of any initial cash on hand. Several times he expressed his doubt of committees ability to provide the sources, but stated that they would make their "best effort".

He said that the committee would respond as soon as possible. He stated that 15 days may not be long enough. Analyst advised that a telecon would be placed in the committee's file.

OVER

Mr. Tilton was further advised that although the committee may wish him to handle its response that the treasurer should sign all communications.

COMMISSION

OF THE
NATIONAL FEDERATION OF FEDERAL EMPLOYEES

'79 JUL 2 AM 9:46 Washington, D.C. 20036

June 27, 1979

Orlando B. Potter
Staff Director
Federal Election Commission
Washington, D.C. 20463

Dear Mr. Potter:

This will respond to your letters of June 21, 1979. In the first letter you advise us that "Section 102.1(a) of the Commission's Regulations requires each political committee to register within ten days after its organization, or within ten days after the date on which the committee has information which causes it to anticipate receiving contributions or making expenditures exceeding \$1,000 in a calendar year for Federal candidates. Please explain your committee's late registration."

The Public Affairs Council (PAC) of the NFFE was apparently first organized in 1971. However, I did not begin my association with the NFFE until 1975 and did not assume any official PAC-related responsibilities until April 1978. Consequently, I am unable to say with any degree of certainty what happened prior to that time. I have, however, attempted to reconstruct the events as they were prior to my assumption of the position of Secretary-Treasurer.

As indicated, the PAC was started in 1971. It was a very small and financially insignificant operation. The decision-making apparatus was not clearly defined and we have identified at least three persons who shared the record-keeping functions, located in two separate areas. Two of those three people no longer work for NFFE and the third exercised rather minor duties such as making deposits and writing checks. She has no real knowledge of PAC or its operation. Of the remaining two people, one is quite ill and the other lives in Missouri. (Again, I note the three people we have identified as working on PAC matters do not constitute an all-inclusive list. We believe that perhaps two or three other people also worked on PAC-related matters.) The diffusion of authority and function has created some difficulty in reconstructing events. However, we believe that prior to 1978 it is most unlikely that PAC ever received or made expenditures exceeding \$1,000 in a calendar year.

RECEIVED
LOCAL ELECTION
COMMISSION, 1979

79 JUL 2 AM 9:45
PAC, as mentioned earlier, was a very small operation. Essentially, all contributions were obtained at union conventions, seminars or workshops. Quite literally, someone would "pass the hat" for PAC. Other sources of revenue included the proceeds from such things as bake sales and small individual contributions. We estimate the average donation per person was less than \$5.00. Expenditures also were relatively small. Honorariums and political fundraisers accounted for the majority of all expenditures, although occasional donations were made to non-profit, non-partisan organizations such as the league of women voters. Since the PAC did not anticipate either receiving or expending \$1,000 in any one year, no registration was deemed necessary.

79031300017
In 1976 the NFFE elected a new national president, James M. Peirce, who assumed office November 1976. Towards the end of 1977 Mr. Peirce directed a review of the PAC organization. He determined PAC should be restructured and revitalized into a more efficient and effective operation. He wished to expand considerably the activities of PAC, both in terms of contributions received and expenditures made. By the end of 1977 and early 1978 the rate of contributions and expenditures had increased and it was felt necessary to register the PAC. At this point it was discovered that the original charter for PAC, as well as other necessary documents, could not be found. It is believed they were inadvertently discarded when NFFE moved to its present location. Although we knew that PAC was a duly-authorized and legally proper part of the NFFE, we were in the strange position of being unable to prove our existence. Since the President of the NFFE did not have the constitutional authority to correct this situation, it was necessary to wait until the National Executive Council could consider the situation. On March 20, 1978 the Executive Council reaffirmed, ratified and reestablished the PAC, giving it a new charter.

At this point it was obvious to us that registration was required. However, we were operating on what we later learned was a misapplication of the rules. We withheld the registration until June 30, 1978, the date for the covering period of April 1, 1978 through June 20, 1978. We had, in other words, deliberately filed our initial registration to coincide with our first report of receipts and expenditures on Form 3 as, at the time, we were under the impression this was acceptable.

During this period of time, representatives of NFFE visited the FEC on several occasions and had several telephone conversations with staff members of the FED. These visitations and conversations were for the purpose of clarifying and understanding our status and filing responsibilities. We received considerable advice and assistance including the advice that since it appeared there was no apparent requirement to file prior to 1978, we should merely file for the next full period.

June 27, 1979

Pursuant to this advice we filed for the period 4/1/78 to 6/30/78 as our initial filing. Additionally, and in order to make full disclosure of our prior transactions, we prepared and attached a list of expenditures and receipts for the period from 1/1/78 to 3/15/78 (no expenditures or expenditures occurred 3/16 to 3/30). This list was, or should have been, attached to our Statement of Organization, Form 1. An additional copy is now enclosed for your perusal. The significance of this statement will be explained below.

In your second letter also dated June 21, 1979, you state that "Section 104.10 of the Commission's Regulations requires committees that have cash on hand at the time of registration to disclose the source(s) of those funds. Please clarify the source(s) of the \$3,665.21 on Line 6 and the \$1,616.81 on Line 7 of the Summary Page."

As I indicated in previous paragraphs, the PAC was started in 1971. The \$3,665.21 mentioned on line 6 represents an accumulation of funds dating back to 1971. It represents an excess, since 1971, of receipts over expenditures.

The sum of \$1,616.81 found on line 7 was derived by subtracting the expenditures made in the period 1/1/78 to 3/15/78 from the accumulation of funds on hand. These expenditures were fully explained in the statement mentioned above that was attached to our Form 1.

I wish to state on behalf of the members of PAC that although we may not have been within the letter of the law insofar as filing is concerned, we were clearly within the spirit of the law. There was and is no intent to disregard the law. Prior to receiving your letters we voluntarily made full disclosure of our situation to employees of the FEC. We believe we have taken every reasonable step to comply with both the spirit and the letter of the law.

During a conversation between Mr. Wade McArthur of your staff and Mr. George Tilton of our staff, the suggestion was made that the FEC might require us to either file for all previous periods or prohibit us from using the \$3665.21 mentioned in your letter. Under the circumstances we do not believe either possibility is appropriate. The prohibition of the use of the \$3665.21 would, we feel, be particularly unfair. The money was collected in the strictest compliance with the law. Expenditures made from 1971 to 1978 were also in compliance with the law. Since it is our belief that prior to 1978 we were not required to register, we think it would be unfair to deprive us of the use of the money. At the very most, we may have been out of compliance for a matter of months and any non-compliance was swiftly corrected and was based on a misunderstanding of the law.

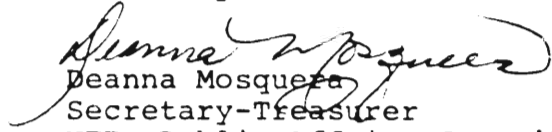

7 9 0 3 1 3 0 0 1 8

June 27, 1979

The second alternative would be unduly burdensome. It would require us to reconstruct old records prior to my assumption of responsibilities and, since it does not appear we were required to file prior to 1978, it would also be something of a wasted effort. In this connection, however, I wish to make it clear that my statement that we were not required to file prior to 1978 is not based on an audit of the PAC's financial records. Rather, it is based on a quick perusal of those records and the statement of an old NFFE employee that since the PAC had always had very limited financial resources, expenditures were always kept below \$1,000 per year in order to avoid the burden of filing. He also states that in that period he believes PAC never collected more than \$1,000 in any one year.

Based on the foregoing and on behalf of the PAC, I am requesting you accept this explanation, and that the FEC not impose any penalties.

Sincerely,

Deanna Mosquera
Secretary-Treasurer
NFFE Public Affairs Council

REMARKS:

MR. Raymond called this date to request an extension of the due date for the above RFAI. Analyst explained that we do not have any provision for extensions. However, analyst suggested that he send in a statement explaining any delay. Analyst advised that the response should be submitted as soon as possible. 10

He stated that Mr. Tilton, the committee attorney with whom I previously spoke was no longer in their employment. Then he stated that Mr. Tilton was on indefinite sick leave.

Mr. Raymond asked when the Act went into effect, he wanted to know how far back he had to report. Analyst advised that even before the Commission candidates/committees were reporting with GAO. Analyst suggested that the committee determine when it first qualified as a committee and report from that time. Analyst further advised that an audit of the committee was a possibility so that the committee should be as diligent as possible.

Analyst asked that they call the Commission should other questions arise.

REMARKS:

Mr. Raymond came into the office this date to discuss the committees reporting obligations.

Cmte History: The committee first registered with the Commission during 6/78. The committee was sent RFAIs to clarify the initial cash-on-hand, and activity prior to registration. The committee responded with a report disclosing activity from 1-1-78. An attached statement indicated little activity prior to 1-1-78. However, an examination of the G index revealed activity in excess of \$1,000 during 1977. A second RFAI was sent inquiring as to the activity prior to 1-1-78. It was in response to this RFAI that Mr. Raymond requested a meeting with the analysts.

Mr. Raymond indicated that the committee had been in existence since 4/72. However, the committee did not support candidates for Federal office in excess of \$1,000 in any given year until 10/74. He offered no explanation as to the committee's failure to register. However, he indicated that it was not the committee intent to evade the law. He further indicated that the committee supports only Federal Candidates. The National Federation of Federal Employees pays for all overhead. Mr. Raymond indicated that the committee would provide reports back to 1972. Analyst advised that Comprehensive Reports for each year, rather than Quarterly Reports would suffice. Analyst further advised that all information requested on the forms should be provided and that when the information can not be reconstructed it should be explained.

The committee receives only small individual contributions. However, at times in the past there have been mass collections at seminars and conventions. A National Vice President would the remitt to the PAC a personal check for the amount collected. Analyst advised that all such receipts should be remitted to the PAC directly (within 10 Days) and that any cash collected should be sent in the form of a money order for the entire amount collected, with an addendum as to the source. The cost incurred in the transmission of these funds could then be reimbursed by the PAC or the Union (subject to the limitations of the Act).

Mr. Raymond was very cooperative and indicated that the committee wanted to provide the Commission with all the information required.

MEMORANDUM:

TO: THE FILE 1979-80

COMMITTEE: PUBLIC AFFAIRS COUNCIL

DATE: 8/14/79

RE: MEETING WITH MR. GENE RAYMOND, ASSISTANT SECRETARY TREASURER

ANALYSTS PRESENT: BEVERLY BROWN, REPORTS ANALYST
WADE MCARTHUR, COMPLIANCE ANALYST

BACKGROUND: The above committee has been in existence since 1971, however, the committee did not register or submit disclosure documents until 1978. Through some investigation during the normal course of review, it was discovered that the committee should have been registered as early as 1972 as receipts and expenditures exceeded \$1000 - expenditures made with the intention to influence federal elections. The committee was requested to submit comprehensive amendments based on the requirements of the ACT and former action taken against the B.of L.E. in a recent MUR. 12

TODAY: Mr. Gene Raymond requested to meet and discuss disclosure reports prepared for 1972 through 1977. The following comments were made in regard to the reports reviewed:

- 1) Where information is omitted, the committee should provide an explanation for its omission.
- 2) The committee should prepare a letter clearly identifying the reasons for their late registration and reporting. This letter should be signed by the treasurer but may also be signed by the Chairman and Assistant Secretary.
- 3) An amended Statement of Organization should be submitted to disclose Gene Raymond as the assistant treasurer and designated agent. Statements of organizations will not require amending for the sole purpose of bringing its candidate support lists up to date. Future reporting of transfers out to candidates and candidate committees should disclose the office sought, district and state of each candidate.
- 4) Future reporting of transfers out to candidates and candidate committees should disclose the election for which the transfer was made.

NOTE: Mr. Raymond stated that often candidates do not inform the committee of the election designation. In these instances, the committee lists "other" as the election designation.

DISCUSSION OF OTHER MATTERS PERTAINING TO THIS COMMITTEE:

- 1) This committee has reached a multicandidate status based on the following:
 - a) committee has received contributions from more than 50 contributors
 - b) committee has supported more than 5 candidates for federal office
 - c) committee has been in existence (since registration) for more than 6 monthsMr. Raymond stated that their attorney informed that that they may never contribute in excess of \$1000 to candidates per election. We informed him that having reached multicandidate status, the committee may now contribute up to \$5000 per candidate, per election.
- 2) The committee publishes a magazine to which non-members subscribe. Mr. Raymond was informed that the magazine should not contain any printing which would give the appearance of a solicitation. Only members and their families may be solicited. AO's will be sent regarding this matter.

Mr. Raymond admitted that in past practices the committee magazines did contain solicitation notices.

- 3) Mr. Raymond was informed that if persons outside their class are present at meetings, they must be asked to leave when the committee solicits individuals present at the meeting.
- 4) Mr. Raymond was informed that secretaries, attorneys etc, who are not members of the union, may not be solicited by the committee.
- 5) Asked if retired contributors were members of the union, Mr. Raymond stated that they were.

In closing, Mr. Raymond stated that amended reports would be sent ASAP and that he would inform committee officials of our conversation.

Dear Mr. McArthur:

Reference is made to receipt of Mr. Orlando Potter's letter of July 26, 1979 addressed to PAC's Treasurer, Ms. Deanna J. Mosquera, regarding expenditures in excess of \$1000.00 for calendar year 1977 contrary to Ms. Mosquera's letter of June 27, 1979. It is my understanding that NFFE's Executive Director, Gene Raymond, has been in contact with you by phone on several occasions, and met with you and Ms. Beverly Brown on Wednesday, August 8, and Tuesday, August 14, in an attempt to resolve the discrepancies you have brought to our attention.

In responding to the above referenced letter from your office, I think it is appropriate that you be provided information regarding the Public Affairs Council of the National Federation of Federal Employees. A history of the formation and actions of the PAC follows:

In late 1971 or early 1972, this Federation's former President, Dr. Nathan T. Wolkomir, conceived the idea of establishing the "Public Affairs Council." Discussion was held at the March 1972 Executive Council meeting concerning its establishment, structure, goals and functions; and thus the NFFE PAC came into being. A xerox copy of a portion of Page 1 of the April 10, 1972 issue of our national newspaper THE FEDERAL EMPLOYEE is enclosed for your information. That issuance was the first notification to NFFE's general membership of the establishment and purposes of our Public Affairs Council.

Initial voluntary contributions from NFFE members began in April 1972. In the first year of its existence, the NFFE PAC received \$2446.20 and expended a total of \$700.00 to eight political campaign committees. The financial records of the PAC for 1972 are,

79031344860

Aug. 15, 1979

at best, very limited with regard to specific information as to the number of contributions received, the addresses of the contributors, their principal place of business, and occupation. Also, information regarding the political committees which the PAC donated to is sketchy; the only information available is the name of the committee, the amount and date of the contribution and the check number.

A comprehensive yearly reports for calendar years 1972, 1973, 1974, 1975, 1976 and 1977 are enclosed with this letter. The data supplied on the Form 3s is all that is available from our existing records. You and/or staff members of the Federal Election Committee are welcome to review the records and/or make copies of them to verify the enclosed Form 3s, or for other purposes you may deem appropriate.

The operation of the PAC was, at best, very informal during the early days and the books, financial records and other related material were shuffled from one individual to another, based strictly upon workload at the time.

In September 1976, I was elected National President of the NFFE to succeed Dr. Wolkomir, officially assuming those duties on November 1, 1976. In mid-1977, I assigned Mr. Tilton, the Federation's Associate General Counsel, serving also as the PAC's Executive Director, to investigate the general requirements of the mechanism which this Federation could utilize to operate a PAC. It was more than a year later, in March of 1978, that I discussed the NFFE Public Affairs Council with the elected Executive Council members. The Executive Council at that time formally chartered the National Federation of Federal Employees' Public Affairs Council. A copy of my memorandum of May 4, 1978, which affirmed ratification by the Executive Council of the PAC and granted a charter to the PAC on March 20, 1978, is enclosed for your information.

It was subsequent to that action that I tasked Mr. Tilton to ascertain all specific pertinent data with regard to the operation, reporting requirements and restrictions of a Public Affairs Council.

In June of 1978, Mr. Tilton made contact with a representative of the Federal Election Commission. Several telephone calls were made, as well as, I am informed, visits to the FEC's office. On one occasion, the Federation's Executive Director, Gene Raymond, serving also as a member of the NFFE PAC, accompanied Mr. Tilton to the FEC office and discussed the initial reports required to be filed. Both Mr. Tilton and Mr. Raymond met with a representative of the FEC sometime in late June 1978; although Mr. Raymond

79031344861

Aug. 15, 1979

cannot recall the name of the individual they met with, nor can he find any written memo in his records regarding the representative's name, he does recall that they met on either the fourth or fifth floor of the building, that upon getting out of the elevator they walked toward the right, went through a set of double doors, turned left and then right. The individual's office was straight ahead toward the back of the building. Outside his office was a supply of FEC forms, guides, and other related material. At this meeting both Mr. Raymond and Mr. Tilton discussed the NFFE PAC's situation with FEC's representative and asked about reporting requirements. Both of the NFFE representatives were advised that they should begin filing the FEC Form 3 and an initial FEC Form 1 immediately, and that the initial report should be filed for the period 4-1-78 through 6-30-78. It was at this time that Mr. Raymond assisted our PAC Secretary-Treasurer, Deanna J. Mosquera, in completing the necessary forms, and we filed our first report with the Federal Election Commission.

Additional reports have been filed in a timely manner according to our records, except the 10-day pre-general election report, of which we were unaware.

Our records reflect the following regarding filing of the FEC Form 3s:

First report for the period 4-1-78 thru 6-30-78, filed 7-3-78;
Second report for the period 7-1-78 thru 9-30-78, filed 10-2-78;
Third report for the period 10-1-78 thru 10-23-78, filed 10-31-78;
Fourth report for the period 11-7-78 thru 11-27-78, filed 12-5-78;
Fifth report for the period 11-28-78 thru 12-31-78, filed 1-5-79;
Sixth report for the period 1-1-79 thru 3-31-79, filed 4-2-79; and
Seventh report for the period 4-1-79 thru 6-30-79, filed 7-3-79.

On Monday, June 25, 1979, Ms. Mosquera received Mr. Potter's two letters of June 21, 1979, questioning both the source of PAC's starting balance of \$3665.21, its late registration, and the reason/s therefor.

Ms. Mosquera immediately took the two letters to Mr. Tilton as the Federation's Associate General Counsel, and asked that he contact the FEC for more information. Her rationale was that he was an attorney and thus most capable of ascertaining the requirements of the law. Mr. Tilton was hired in June 1972 and had, except for the PAC's first three months, been fully involved in its affairs and should have been the best equipped to answer the letters. Finally, since he had talked to and met with representatives of FEC before, he would be the employee with the most expertise to handle this matter.

Thus, after contact with your office, Mr. Tilton authored the letter for Ms. Mosquera. She signed it without any reservations because of the reasons cited above. It should be pointed out at this point that Ms. Mosquera, as this Federation's Executive Secretary, was assigned the task of our PAC's Secretary-Treasurer on May 4, 1978, and had her first contact with the NFFE's PAC at

7 9 0 3 1 3 4 4 8 6 2

Aug. 15, 1979

that time.

The next contact with your office was on Tuesday, July 3, when you advised Mr. Tilton of your need for a report for the period 1-1-78 thru 3-31-78. As you will recall, in filing that form all subsequent reports filed for that year were incorrect, and an amended page 2 of the FEC Form 3 was submitted with the report for the period 1-1-78 thru 3-31-78, along with a cover letter explaining this action.

With regard to that report, and as pointed out to Mr. Raymond by Ms. Brown at the meeting on Tuesday, August 14, the Calendar Year-to-Date figures in Column B on both pages 1 and 2 were incorrectly entered. Additionally, in reviewing the forms upon return to the office, Mr. Raymond found that itemized expenditures on lines 20a and 22a had been put on the same Schedule B. Thus, please find enclosed an entirely amended report for the period in question.

The most recent written communication from your office, dated July 26, 1979, when received by Ms. Mosquera, was given to the Federation's Executive Director and member of NFFE's PAC, Mr. Gene Raymond. Ms. Mosquera was quite concerned that after continued communications to and from your office the discrepancies had not been resolved, even though Mr. Tilton had assured her everything was now in order. Mr. Raymond, in turn, advised me of the latest written communication. After considerable discussion on the matter with Mr. Tilton and Mr. Raymond, I tasked Mr. Raymond with the responsibility of contacting your office promptly in an effort to resolve the outstanding issues. I might add at this point that Mr. Tilton is no longer in our employ.

Mr. Raymond has, I have been informed, communicated with you via telephone and met with both you and Ms. Brown on two occasions in an attempt to resolve this vexing matter. He has made an extensive review of the PAC's financial records and his findings are shown on the enclosed six (6) comprehensive annual reports. As was stated earlier, all records are available for your review at your discretion, should you so desire.

Mr. Raymond has provided Ms. Mosquera as much information as is available from our existing records. As stated earlier, the past records of the PAC are basically non-existent except for the old bank book and ledger books listing names of contributors and names of those committees to which the PAC donated.

Summarily, I feel that this entire problem was caused by inappropriate information being given to NFFE's representatives in June 1978; further compounded by our ignorance of the law and its requirements, and by negligence and inattention on the part of one of our former employees. Based on the facts and explanation as expressed in this letter, the attached reports, and our earnest desire for strict compliance with the law, it is my hope that the FEC will see fit to pardon this PAC's

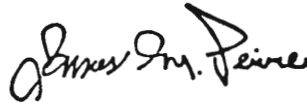

Aug. 15, 1979

previous negligence and not impose any penalties.

I assure you that this PAC will, in the future, strictly adhere to the provisions of the law, and thus avoid any further disharmony with your office.

In closing I would like to convey my personal appreciation to both you and Ms. Brown for your understanding, cooperation and assistance in resolving these issues.

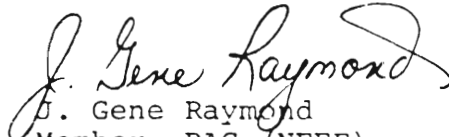

Please feel free to contact Mr. Raymond at 862-4440 should you have any questions about the enclosed reports.

Voluntary Contributions Needed**NFFE LAUNCHES PUBLIC AFFAIRS COUNCIL IN MAJOR NEW ACTION MOVE**

In a major move of far-reaching importance, the Executive Council at its recent Washington meeting authorized establishment of the "NFFE Public Affairs Council."

Its purposes are to promote Federal employee voter education in various practical ways, to advance the program of the NFFE, and to give a further dimension to the union's sustained Truth Campaign.

The Executive Council stated that, in strict conformity to the law, the special functions of the new NFFE Public Affairs Council would be financed entirely by voluntary contributions. No union dues funds will be expended for these special purposes.

In authorizing establishment of "NFFE-PAC," the Executive Council declared:

"The need for the kind of activity envisioned for the new NFFE Public Affairs Council has become increasingly and urgently evident in recent years and very much intensified in recent months.

"It will be the purpose of the PAC to urge all Federal employees to register and vote in national and

local elections. They are entitled to know where the candidates stand on issues of vital concern to them and their families and to the integrity of the Federal civil service merit system. It will be a function of the PAC to assist in getting those positions on the record. Moreover, the PAC will by its nature be able to give some tangible expression of support to those whose views and positions on these issues are constructive and in the public interest.

"Voter education plus action, on a continuing basis, will be a prime function of PAC. At the same time, PAC will give a new and still broader dimension to the NFFE's widely acclaimed and highly successful Truth Campaign . . . expansion urgently indicated by the concerted assaults being leveled at the career Federal service, its employees, and vital public service functions by various special interest groups.

"Activities of PAC will be financed wholly by voluntary contributions, in strict conformity with the law, and no union dues or other funds will be made available to the Public Affairs Council by the NFFE.

"Obviously, the extent and effectiveness of the new PAC's program will depend upon the interest in it as will be indicated by our members worldwide and by the degree in which that interest is reflected in contributions to launch and carry on its activities from year to year.

"The Executive Council has authorized this action following many months of consideration of all of the many factors involved and the critical nature of the situation confronting Federal employees, their families, and the public service as a whole. This is a constructive, forward looking action response . . . demanded by circumstances in which Federal employees find themselves through no fault of their own.

"While authorization of PAC is strongly symbolic, it is much more than that, in view of the long record of public service of the NFFE, the pioneer among all Federal employee unions. It is an ACTION RESPONSE which will be carried out conscientiously, vigorously, and in the best tradition of participatory American democracy."
