Re: MUP. 1634

Dear Mr. Halloran:

This is in reference to the complaint you filed with the Commission on February 24, 1984, concerning Mr. Clay Claiborne and the Black Silent Majority Committee.

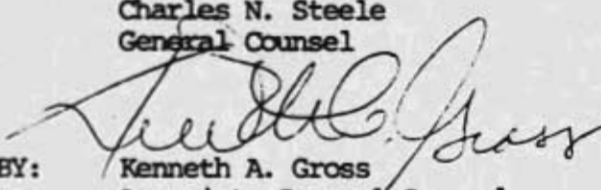

The Commission determined there was reason to believe that the Black Silent Majority Committee and Mr. Clay Claiborne violated 2 U.S.C. § 438a(4), a provision of the Federal Election Campaign Act of 1971, as amended and conducted an investigation into this matter. On December 12, 1984, a conciliation agreement signed by the respondents was accepted by the Commission, thereby concluding this matter. A copy of this agreement is enclosed for your information.

The file number in this matter is MUR 1634. If you have any questions, please contact Paul Reyes, the staff member assigned to this matter at (202) 523-4000.

BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of )  
 ) MUR 1634  
Black Silent Majority )  
Committee, )  
Clay Claiborne, National )  
Director )

CONCILIATION AGREEMENT

This matter was initiated by a signed, sworn, and notarized complaint by the National Republican Congressional Committee (hereinafter "NRCC"). The Commission found reason to believe that the Black Silent Majority Committee (hereinafter "BSMC") and Clay Claiborne, National Director, (hereinafter collectively referred to as "Respondents") violated 2 U.S.C. § 438(a)(4) by using names on file with the Commission and an investigation was conducted.

NOW, THEREFORE, the Commission and Respondents, having participated in informal methods of conciliation, prior to a finding a probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents, and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4)(A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

35040510770

1. Respondent, Black Silent Majority Committee is not a political committee within the meaning of 2 U.S.C. § 431(4). BSMC is an unincorporated organization located at 2714 West Avenue, San Antonio, Texas, 78201.

2. Respondent, Clay Claiborne, is the National Director for the Black Silent Majority Committee.

3. At all times relevant to this matter, Mr. Clay Claiborne has been solely responsible for the day-to-day operation and management of the Black Silent Majority Committee.

4. Section 438(a)(4) of Title 2, United States Code, provides that any information copied from reports or statements filed pursuant to the Federal Election Campaign Act of 1971, as amended, may not be sold or used by any person for the purpose of soliciting contributions or for commercial purposes, with limited exceptions not herein relevant.

5. At all times relevant to this matter, Mr. Clay Claiborne and the Black Silent Majority Committee published a newspaper called "The Black American Truth Journal."

6. During the years 1982 and 1983 the respondents purchased lists of names from a list broker, Preferred Lists, Inc., for the purpose of soliciting persons on those lists for funds to support the publication of the Black American Truth Journal.

7. Respondents did not copy the names obtained from said list broker into their general mail list of names.

8. Respondents received the aforementioned lists of

35040510771

names in the form of labels which were placed on solicitation envelopes and mailed out during the course of 1982 and 1983.

9. In or about January 1984 respondents mailed out a solicitation for funds in support of the Black American Truth Journal which contained three fictitious names of individuals which were filed in reports with the Federal Election Commission by the National Republican Congressional Committee.

10. Respondents have said that they have no knowledge of how or when the aforesaid fictitious names were acquired by them.

11. Respondents were informed by the National Republican Congressional Committee in October 1983 that the list used by respondents for solicitation purposes contained names filed by the NRCC pursuant to 2 U.S.C. § 438(a)(4); at which time the NRCC requested a copy of the respondents' mailing list for inspection purposes.

12. Respondents did not provide their mailing list to the NRCC.

13. Respondents took no steps to ensure that lists acquired or otherwise used by them were free of names of individuals obtained from reports on file with the Federal Election Commission pursuant to the Federal Election Campaign Act of 1971, as amended.

14. The three fictitious names created and used by the NRCC could only have come from reports filed pursuant to the Federal Election Campaign Act of 1971, as amended.

3 5 0 4 0 5 1 0 7 7 2

WHEREFORE, the Commission and respondents agree:

V. By soliciting contributions for a commercial purpose from three pseudonyms on file with the Federal Election Commission, the Black Silent Majority Committee and Clay Claiborne violated 2 U.S.C. § 438(a)(4).

VI. Respondents will pay a civil penalty to the Treasurer of the United States in the amount of one thousand dollars (\$1,000), pursuant to 2 U.S.C. § 437g(a)(5)(A).

VII. Respondents agree that they shall not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. § 431, et seq.

VIII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

IX. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

X. Respondents shall have no more than thirty (30) days from the date this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

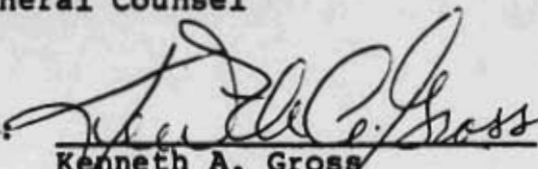

XI. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or oral, made by either party or by agents of either party, that is not contained in this written agreement shall be valid.

**GENERAL COUNSEL'S REPORT**

**I. BACKGROUND**

On February 24, 1984, the Commission received the complaint in this matter from the National Republican Congressional Committee ("NRCC"). The complaint alleged that the Black Silent Majority Committee ("BSMC") and Clay Claiborne, as National Director, violated 2 U.S.C. § 438(a)(4) by mailing letters soliciting contributions from a list which contains fictitious NRCC contributors and which could only be obtained from the financial reports filed by the NRCC with the Commission.

On May 14, 1984, the Commission found reason to believe that the BSMC and Clay Claiborne, as National Director, violated 2 U.S.C. § 438(a)(4). Following notification of the Commission's determination, the BSMC and Mr. Claiborne obtained counsel to represent them in this matter. A fifteen day extension of time in which to file a response to the Commission's determination was granted by the Commission, making the response due on June 15, 1984. Prior to filing a response, respondent requested a meeting with this Office to discuss this matter; a meeting was held on June 5, 1984.

As reported to the Commission on July 18, 1984, this Office believed that it was agreed at the meeting, that

35040510793

Mr. Claiborne would provide information relating to commercial mailing lists that he had used to make BSMC mailings. However, since none of the records informally requested were forthcoming, on July 31, 1984, the Commission issued a subpoena and order to answer interrogatories to Mr. Claiborne and the BSMC. On August 28, 1984, pursuant to the commission's subpoena and questions, respondents' documents and answers were received by the Commission.

At this time the General Counsel's Office has completed review of records and answers submitted. Based on the analysis below, this Office recommends that the Commission

## II. LEGAL ANALYSIS

Section 438(a)(4) of Title 2, United States Code, and Section 104.15 of Title 11, Code of Federal Regulations, provide that any information copied from reports or statements filed with the Commission may not be sold or used by any person for the purpose of soliciting contributions or for any commercial purposes, other than using the name and address of any political committee to solicit contributions from such committee.

Section 438(a)(4) and 11 C.F.R. § 104.3(e) further provide that a political committee may submit to the Commission ten pseudonyms on each report filed in order to protect against illegal use of names and addresses of contributors.

35040519799

The complaint and accompanying exhibits demonstrate that certain pseudonyms listed on letters submitted by the NRCC pursuant to 2 U.S.C. § 438(a)(4) and 11 C.F.R. § 104.3(e) received mailings from Mr. Claiborne and the Black Silent Majority Committee. Respondents concede that they sent letters to these fictitious names asking for contributions to support the publication of The Black American Truth Journal, a self described newspaper covering political issues of particular concern to black Americans.

In response to the Commission's interrogatories, Mr. Claiborne states that he believes that the names "...had come from FEC Reports. They were acquired after August 1, 1983, but I do not know who inserted these names into our system or how it was done...However, since I am the Director of BSMC, I must personally take responsibility on behalf of BSMC for these names appearing on our list."

Investigation by this Office discloses that Mr. Claiborne and the BSMC were informed by the NRCC in October of 1983 that they were using NRCC names which could only have come from records filed by the NRCC under the Federal Election Campaign Act. At that time, the NRCC requested that the BSMC provide the NRCC with a copy of its mailing list for comparison with that of the NRCC. The BSMC did not send its list to the NRCC because the BSMC considered the request to be unfair. According to respondent a previous working relationship between the NRCC, and the BSMC allowed the use of the NRCC mailing list up until 1975 by BSMC.

35040510800

Documents produced by respondents reveal that the BSMC has acquired seven sets of mailing labels since February, 1982, from Preferred Lists, Inc. The lists acquired contained from 5,000 to 10,000 names of persons identified with various conservative causes or issues. The lists cost from \$50 to \$78 each. A review of invoice copies and check copies provided pursuant to subpoena, as well as a chronological listing of the filing of NRCC pseudonyms and the acquisition of mailing lists from Preferred Lists, Inc. leads this Office to believe that the names used by the BSMC in its mailings probably came from the lists the BSMC acquired from Preferred. Further supporting this belief is the fact that one of the pseudonyms involved in this matter

. Apparently, some pseudonyms were acquired by certain portions of the mailing list trade and successfully disseminated.

35040510801

In this matter, Mr. Claiborne states that the NRCC informed him in October 1983 that he had used the NRCC list names to solicit contributions.

3 5 0 4 0 5 1 0 8 0 0 0  
This Office, however, believes that in the circumstances of this matter, knowledge of alleged illegal names in mailing lists used by BSMC imposed a further obligation on the BSMC to "clean-up" its own mailing list if appropriate, or take steps to ensure that it did not otherwise use a list containing illegally obtained names. In mitigation of this violation, the BSMC has said to this Office that it did not copy lists of names purchased into its general mailing list. The names purchased from Preferred Lists, Inc., were in the form of ready-to-go labels which were glued to envelopes and mailed. In response to the complaint in this matter, Mr. Claiborne stated that the BSMC has deleted any names from unidentifiable sources in its general mailing list back through August 1983. A review of the pseudonym file maintained in RAD confirms that a copy of the BSMC mailing list provided to the Commission (dated August 10, 1982), does not contain any pseudonyms filed by any person under 2 U.S.C. § 438(a)(4).

An invoice from Preferred indicates that on or about July 4, 1983, the BSMC purchased a list called American Security Council Exchange from Preferred. That list contained 10,000 names. Another invoice indicates that earlier in December 1982, the BSMC

purchased the following lists of names: Best Conservative Working Names, EPACO Best Conservatives, and EPACO Hotline. These later lists contained a total of twenty thousand names. This Office believes that it is likely that the NRCC pseudonyms were contained on one or more of the above four lists.

"Requests for Documents and Materials"  
and "Interrogatories."

1. See attached Exhibit "A". Also copies of all checks issued by Black Silent Majority Committee since 1980 will be sent under separate cover.
2. None from American Security Council, Inc.
3. None.
4. See Exhibits "B" and "C", in two volumes, which are "electronic data that relate, refer and pertain to the identification of mail lists used by the BSMC."
5. See Exhibit "A".
6. See material marked Exhibit "E".
7. See Exhibit "F" and "G" which are fairly representative of the packages mailed since August 1, 1983. We do not keep an accurate record of componets mailed from time to time due to quantities printed according to money available for printing.

35040510806

8. See attached letter dated March 15, 1984 from Mr. Claiborne to Mr. Reyes marked Exhibit "H". In fact, as stated therein, BSMC had deleted and destroyed all names on its roster received since August 1, 1983. None of the three names involved appeared prior to August 1, 1983.

This is all of the information I was able to find concerning the Black Silent Majority orders of the past. On the orders that the invoices are in storage, I have enclosed copies of the purchase orders. The cost is circled on each and if there is a difference on the final cost, it should be minimal.

Please call me if I can be of further help.

**BIOGRAPHICAL INFORMATION ON CLAY CLAIBORNE  
AND  
BACKGROUND DATA ON THE BLACK SILENT MAJORITY COMMITTEE**

Clay Claiborne of Washington, D.C., is Founder and National Director of the Black Silent Majority Committee, a nationwide patriotic and educational organization established on July 4, 1970 in the nation's capital.

The Black Silent Majority Committee's goals, simply stated, are to further the cause of brotherhood and racial harmony, to repudiate destructive radical militancy and civil disorder, to help halt polarization between black and white Americans, and to deter criminal acts of violence perpetrated by so-called black "revolutionaries." The Black Silent Majority is anti-communist, anti-separatist, and pro-America.

To help achieve its goals, the Black Silent Majority Committee has undertaken several national projects, most notably the CRUSADE FOR BLACK PATRIOTISM, a city-to-city tour which has visited most U.S. urban areas. This Crusade and Mr. Claiborne received one of the nation's most prestigious awards, the 1972 Principal Americana Award (George Washington Honor Medal) from the national Freedoms Foundation at Valley Forge, Pa.

**OTHER ACTIVITIES of the Black Silent Majority have included:**

- A youth tour of big cities.
- Publication of the group's "National Crusader" newspaper to carry a build-don't-burn message into black communities, and to counter the divisive, hate-filled propaganda with which black readers are deluged in dozens of self-styled "Third World" or "black liberation" newspapers.
- Issuance of statements and press releases on police killings, rioting, crime and other issues of concern.
- On-going encouragement of the nation's news media to give more coverage to the positive nature of the black experience in America, to give more balanced attention to black values and aspirations, and to refrain from overblown, sensational coverage of black militants who do not represent grassroots black thinking.
- Protest against the \$10,000 grant made by the Presbyterian Church Council to defend Angela Davis.
- Appearances by Mr. Claiborne and other Black Silent Majority speakers on local and network broadcasts.
- Urging better-known, "moderate" black leaders and groups to take unequivocal stands against militant violence.

CLAY CLAIBORNE was publisher of two weekly newspapers in Atlantic City, N. J., before he established the Black Silent Majority Committee. The newspapers were "The Crusader," a black-oriented publication and "Le Castor," a French-language publication for approximately 300,000 French Canadian tourists who visit the Atlantic coast area each summer.

Some other highlights of Mr. Claiborne's professional and civic career have included:

- Nation's first black news broadcaster (at Radio Station WFPG on the world-famous Steel Pier in Atlantic City).
- First exclusive news interview with the nation's original black fighter pilots during World War II for the Afro-American newspaper chain.
- Last known in-depth news interview with the late Dr. George Washington Carver.

### EXCERPTS FROM REAGAN'S SPEECH TO BLACK AUDIENCE AT SHOREHAM HOTEL

Special to The New York Times

WASHINGTON, Sept. 15 — Following are excerpts from the text of a speech prepared for delivery by President Reagan to the National Black Republican Council today:

Our economic hardship is not some kind of mysterious malaise, suffered by people who have suddenly lost their vitality. The problem is that the liberal economic policies that dominated America for too long just didn't work. It was not that those in power lacked good intentions. In fact, most of the compassionate rhetoric I mentioned a moment ago was not about accomplishments, it was about the wonderful intentions of costly liberal programs. Well, too often the programs didn't do what they were supposed to, and, in many cases, made things worse.

The record is there for all to see.

#### 'Federal Budget Tripled'

By the end of the decade, the situation seemed out of control. At a time when defense spending was decreasing in real dollars, the Federal budget tripled.

To pay for all this spending, the tax load increased till it was breaking the backs of working people, destroying incentive and siphoning off resources needed in the private sector to provide new jobs and opportunity. Inflation had jumped to double-digit levels, unemployment was climbing, and interest rates shot through the roof, reaching 21.5 percent shortly before we took office.

Perhaps the saddest part of the whole story is that much of this Federal spending was done in the name of helping those it hurt the most — the disadvantaged. The result of all that big spending and taxing is that today those at the lower end of the economic

And our critics to the contrary, the poor and disadvantaged are better off today than if we had allowed runaway Government spending, interest rates and inflation to continue ravaging the American economy.

A family of four, for example, on a fixed income of \$15,000 would today be \$833 poorer, that much weaker in purchasing power, if we had not brought inflation down as far as we have from the double-digit rates we inherited. A similar family living at the poverty level would be \$472 poorer if inflation had continued at the 12.4 percent rate.

## EXCERPTS FROM REAGAN'S SPEECH TO BLACK AUDIENCE AT SHOREHAM HOTEL

Special to The New York Times

WASHINGTON, Sept. 15 — Following are excerpts from the text of a speech prepared for delivery by President Reagan to the National Black Republican Council today:

Our economic hardship is not some kind of mysterious malaise, suffered by people who have suddenly lost their vitality. The problem is that the liberal economic policies that dominated America for too long just didn't work. It was not that those in power lacked good intentions. In fact, most of the compassionate rhetoric I mentioned a moment ago was not about accomplishments, it was about the wonderful intentions of costly liberal programs. Well, too often the programs didn't do what they were supposed to, and, in many cases, made things worse.

The record is there for all to see. This country entered the 1960's having made tremendous strides in reducing poverty. From 1949 until just before the Great Society burst upon the scene in 1964, the percentage of American families living in poverty fell dramatically: from nearly 33 percent to only 18 percent.

True, the number of blacks living in poverty was still disproportionately high, but tremendous progress had been made.

With the coming of the Great Society, Government began eating away at the underpinnings of the private enterprise system. The big taxers and big spenders in the Congress had started a binge that would slowly change the nature of our society, and even worse, it threatened the character of our people.

### 'Federal Budget Tripled'

By the end of the decade, the situation seemed out of control. At a time when defense spending was decreasing in real dollars, the Federal budget tripled.

To pay for all this spending, the tax load increased till it was breaking the backs of working people, destroying incentive and siphoning off resources needed in the private sector to provide new jobs and opportunity. Inflation had jumped to double-digit levels, unemployment was climbing, and interest rates shot through the roof, reaching 21.5 percent shortly before we took office.

Perhaps the saddest part of the whole story is that much of this Federal spending was done in the name of helping those it hurt the most — the disadvantaged. The result of all that big spending and taxing is that today those at the lower end of the economic ladder are the hardest hit of all. The decrease in poverty I referred to earlier started in the 1950's. By the time the full weight of Great Society programs was felt, economic progress for America's poor had come to a tragic halt. By 1980, the trend had reversed itself and even more people, including more blacks, were living in poverty than in 1969.

### 'Would Be Better Off'

It's ironic that if the economic expansion and low inflation of the year prior to the Great Society had been maintained, black families and all Americans would be appreciably better off today. In fact, if we had just maintained the progress made from 1950 through 1963, black family income in 1980 would have been nearly \$3,000 higher than it was after 15 years

of Great Society programs.

And our critics to the contrary, the poor and disadvantaged are better off today than if we had allowed runaway Government spending, interest rates and inflation to continue ravaging the American economy.

A family of four, for example, on a fixed income of \$15,000 would today be \$833 poorer, that much weaker in purchasing power, if we had not brought inflation down as far as we have from the double-digit rates we inherited. A similar family living at the poverty level would be \$472 poorer if inflation had continued at the 12.4 percent rate.

### 'We Must Remain Firm'

When one considers that the poor spend most of their family budgets on necessities, food, shelter and clothing, leaving few ways to cut back to beat inflation, the importance of solving inflation is better understood. We must remain firm and not be lured again into inflation spending patterns.

But let's be frank, the lives of those in the lower income levels are not what we'd like them to be. Some critics, especially in a political season, seem to forget that this Administration did not create the problem. The poverty and unemployment of today is an outgrowth of the policies and problems of the late 1960's and the 1970's. Our program has just gone on line and, if the current indicators are any suggestion, it is beginning to work.

Perhaps unintentionally, many Government programs have been designed not to create social mobility and help the needy along their way, but instead, to foster a state of dependency.

# OVERFLOW CROWDS AT LARGEST BLACK REPUBLICAN PRESIDENTIAL DINNER

Press coverage for Black Presidential Dinner was tremendous. All major news media saw the President greeted by more than 2,000 Blacks who paid \$150.00 each for dinner tickets.

Mrs. Nancy Reagan thanks Clay Claiborne of Black Silent Majority Committee for toast to her.

## A TOUGH SPEECH BY REAGAN, A SHOCK TO NEWS MEDIA, DEMOCRATS, NAACP, JESSE JACKSON AND ALL OF THE LIBERALS WHO SAID THE PRESIDENT HAD NO BLACK SUPPORT

**WARM AND FRIENDLY RECEPTION** greeted President Reagan at Black Conservative Presidential Dinner. Contrary to Liberal mythology, masses of blacks nationwide support Reagan efforts to save America. Until now, they have received little nationwide-media attention.

**SMILING PRESIDENT and FIRST LADY** joined Mr. and Mrs. Clay Claiborne and youngest son, Chris, following Reagan's historic speech to overflow black audience. Tremendous Black enthusiasm at Presidential Dinner reflects widespread national black support for Reagan's policies. Vice-President Bush also spoke at two-day conclave.

Dear Clay:

Let me thank you again for the wonderful help that your committee gave the Mid-term Convention Dinner, honoring the President and Mrs. Reagan in 1982.

For your information Clay, I am calling on you to perform again in our effort to honor Vice-President and Mrs. Bush. Can you raise enough money for two hundred (200) tables? This would be wonderful and would prove more than ever that Black Americans support the Reagan Administration. I am depending on you and ask that you give it your fullest cooperation.

Time is of the essence as the date is June 1, 1984 and the dinner will be held at the Shoreham Hotel in Washington, D.C.

## MID YEAR REPORT

Dear Fellow (White or Black) American:

**URGENT!!!**

How long will the friends of President Reagan stand by, and let him "take it on the chin" from black Democrats — with their vicious, UNFAIR attacks on the issue of RACE?

As the President undergoes daily — and politically lethal — character assassination as "racist," "insensitive" and "against the blacks," shaking OUR heads sadly is not enough!

7 And if anything will pull the rug out from under Ronald Reagan —  
4 and America — to make him just another one-term president, it will be:  
8 the all-out, rich-against-poor and black-against-white "smear cam-  
0 paign" the Democrats are using to STIR UP RACIAL MINORITIES be-  
0 tween now and the 1984 election.

1 The President IS concerned. And last May he wrote me a personal  
5 letter, encouraging our Black Silent Majority Conservative effort to  
0 keep going.

4 I HAVE NOT YET ANSWERED THE PRESIDENT'S LETTER, be-  
0 cause I want to "test the waters" — and see how many OTHER friends  
5 of the President will HELP us! That's why I'm writing to you...

3 I would like to TELL PRESIDENT REAGAN that you will join us  
in putting a NEW FACE on the Administration's racial image. We must  
galvanize, encourage and INCREASE the GRASSROOTS BLACK  
REAGAN SUPPORT THAT ALREADY EXISTS. Properly done, it will  
rock the Liberals back on their heels — and create a virtual guarantee  
of success in 1984!

Here's our opening strategy — and why we need your help:

To take some measure of existing black support, we recently put  
\$28,000 into a NATIONAL BLACK PRESIDENTIAL DINNER in  
Washington, D.C., with President and Mrs. Reagan as Honored Guests  
— of an overwhelmingly all-black audience!

The Black Presidential Dinner was triumphantly successful,  
beyond even OUR wildest dreams, because more than TWO THOU-  
SAND blacks turned out from ALL OVER AMERICA, to CHEER the  
President and his policies! The President was visibly, deeply moved.

**WE HAVE PRODUCED THE AFFAIR ON VIDEOTAPE! - the President's eye-opening speech, the testimonies of support from blacks in all walks of life, the cheering and ovations - ALL on video tape and READY for NATIONWIDE TELEVISION BROADCAST!**

**Our challenge NOW is to raise enough money to buy good (and expensive) television time, to get this program SEEN BY EVERY BLACK VOTER IN AMERICA!**

**If YOU could see our program (called "An Evening With President and Mrs. Reagan in Black America!") you would understand WHY it needs to be seen by the widest possible audience - and why it could be the Political Salvation for Conservatives next year!**

**Please let me tell the President you'll help us. Let's give America's black citizens something ELSE to look at besides the angry faces of Andrew Young, Ben Hooks, and Jesse Jackson who tear the President down, but OFFER nothing constructive. Let's "Push The Positive!"**

**Won't you help us now, in this CRASH PRIORITY EFFORT? To aid this work, those who can send only \$500 or less will help us; those who can send \$1,000 or \$2,000 or \$5,000 will help keep the campaign ALIVE; but those who can send more, much more, should please do it.**

**If you can send at least \$500 toward this tell-it-like-it-is Project, we will be happy to send a copy of our complete, historical Presidential Gala on videotape to you - or TO ANY GROUP YOU DESIGNATE. (Please let us know if you need "Betamax" or "VHS")**

**Your contribution, no matter how small (or large) is needed, wanted and is VITAL to SUCCESS.**

**Please make your check to the BLACK SILENT MAJORITY COMMITTEE (BSMC), and send it in the postage free envelope. Do it today, while you're thinking about it. I am sure that you'll be making a strong investment in a greater America.**

**Sincerely,**

*Clay Claiborne*  
**Clay Claiborne**  
**National Director**

**P.S. I am happy to tell you that a contribution to this Special Effort does NOT fall into the category of a "Political" contribution, and is NOT subject to campaign limitations and restrictions. We hope that will make a big difference in your generous response. Thanks!**

Re: MUR 1634

Dear Mr. Reyes:

This is a reply to Mr. Kenneth A. Gross, Associate General Counsel's letter of February 29, 1984 to me and the Black Silent Majority Committee.

In 1970, the National Republican Congressional Committee, provided "seed" money for the creation and organization of The Black Silent Majority Committee. ( I shall refer to the Committee as "BSMC").

During the years from 1970 to 1975, the BSMC with the consent and approval of the NRCC used for solicitation of contributions the active names of contributors to the NRCC. Naturally, during those years our list of contributors was almost identical. In fact it would be safe to say that our list was a duplication, but with less names than the NRCC list.

After Mr. Wyatt A. Stewart, III became Finance Director of the NRCC the practice of using NRCC's list was ended.

Since that time the BSMC has solicited its names for contributors, new contributors, from our original list of contributors.

The above reads a bit complicated, but in fact we have over the years requested contributors to send in names of persons whom they think would support our work. (Please see items marked "A" and "B" herewith.) Item "A" consist of names sent to us from unidentified sources. Item "B" consist of names sent to us from identified sources, please read each side of the return blank.

As long ago as October 1983, Mr. Wyatt A. Stewart, III informed me and the BSMC that we were using his names, and requested that we send to him our entire list, for comparison. Mr. Stewart, eight - years - ago, knew that the BSMC and NRCC were using identical names, and we consider his request unfair. This along with his previous criticism of our contributions from our PAC (Black Voters For A Republican Congress) to candidates for election to the Congress, which included his own chairman Congressman Guy Vander Jagt. In short, our relationship with Mr. Stewart, has been negative.

The BSMC never violated any sections of the Federal Election Campaign Act of 1971,

EXHIBIT "H"

35040510850

as amended ("the Act").

It is our belief that the BSMC, by its method of soliciting names has unknowingly placed itself into a position to be made a set-up for a fight between the RNCC and BSMC.

As for relief to the RNCC, if acceptable to them, the BSMC will drop from its mailing list all names added to our list since August 1983. It follows that the RNCC made its first charge of FEC violations to BSMC in October 1983. We would do this and never again use names from an unidentified source.

As for the designation of counsel, the BSMC is of the opinion that it does not need counsel representation for the present. Should need for counsel develop in the future the BSMC, will advise the FEC accordingly.

Cordially yours,

Black Silent Majority Committee

MUR 1634

**SENSITIVE**

GENERAL COUNSEL'S REPORT

Background

On February 28, 1984, the National Republican Congressional Committee (the "NRCC") filed a complaint alleging that the Black Silent Majority Committee (the "BSMC") and Mr. Clay Claiborne, as National Director, had solicited contributions from pseudonyms filed by the NRCC pursuant to 2 U.S.C. § 438(a)(4). On May 14, 1984, the Commission found reason to believe that respondents had violated 2 U.S.C. § 438(a)(4). During a meeting in June with the respondent and his counsel, this Office believed that it was agreed that respondent would provide information concerning commercial mail lists he had used in the past and other related records. Respondents' counsel was contacted further in early July by staff to inquire about these materials. To date none have been supplied. These records are needed to determine the source of the pseudonyms complained about; e.g., were these acquired by the BSMC as a result of purchasing, renting or trading commercial lists or through Commission records.

RE: MUR 1634  
Clay Claiborne; The Black  
Silent Majority Committee

Dear Mr. Claiborne:

The Federal Election Commission notified you and the Black Silent Majority Committee ("the Committee") on February 29, 1984, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time.

Upon further review of the allegations contained in the complaint, and information supplied by you, the Commission, on May 14, 1984, determined that there is reason to believe that the Committee and you have violated 2 U.S.C. § 438a(4), a provision of the Act. Specifically, it appears that you have used information copied from reports filed under the Act impermissibly for commercial purposes.

Your response to the Commission's initial notification of this complaint did not provide complete information regarding the matter in question. You may submit any factual or legal materials that you believe are relevant to the Commission's analysis of this matter. Please file any such response within ten days of your receipt of this notification.

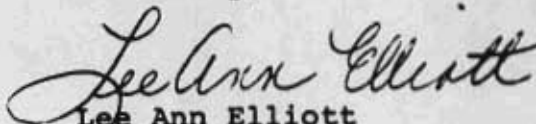

The Office of General Counsel would like to settle this matter through conciliation prior to a finding of probable cause. However, in the absence of any information which demonstrates that no further action should be taken against you and the Committee, the Office of General Counsel must proceed to the next compliance stage as noted on page 2, paragraph 2, of the enclosed procedures.

SUMMARY OF ALLEGATIONS

On February 28, 1984, the National Republican Congressional Committee ("NRCC") filed a complaint against Mr. Clay Claiborne and The Black Silent Majority Committee ("BSMC"). The NRCC alleges that Mr. Claiborne and the BSMC are violating 2 U.S.C. § 438(a)(4) by mailing letters soliciting contributions from a list which contains fictitious NRCC contributors and which could only have been obtained from the financial reports filed by the NRCC with the Commission.

FACTUAL AND LEGAL ANALYSIS

Section 438(a)(4) of Title 2, United States Code, and 11 C.F.R. § 104.15 provide that any information copied from reports or statements filed with the Commission may not be sold

35040510893

or used by any person for the purpose of soliciting contributions or for any commercial purposes, other than using the name and address of any political committee to solicit contributions from such committee.

Section 438(a)(4) and 11 C.F.R. § 104.3(e) further provide that a political committee may submit ten pseudonyms on each report filed in order to protect against the illegal use of names and addresses of contributors. A list of such pseudonyms must be sent to the Commission.

3 5 0 4 0 5 1 0 8 8 2  
The factual basis of the NRCC's complaint is that in 1981 and 1982 it submitted three letters to the FEC, pursuant to 11 C.F.R. § 104.15 and 11 C.F.R. § 104.3(e), each bearing a list of pseudonyms contained in three separate reports filed under the requirements of the Act. The complaint contends, and exhibits submitted demonstrate, that pseudonyms listed on each of those letters received mailings from Mr. Clay Claiborne and the BSMC. Complainant alleges that the BSMC mailings solicited contributions apparently within the meaning of 11 C.F.R. § 104.15(b), i.e., any type of contribution, such as political or charitable contributions.

The Finance Director of the NRCC, Mr. Wyatt A. Stewart, III, states in an affidavit submitted with the complaint that the fictitious names and addresses which appear on the 1982 NRCC Post General Election Report, 1982 2nd Quarter Contributions Committee Report, and 1981 Mid-Year Contributions Report would not be used or disclosed except as they appear on FEC Reports. Further, he maintains that the combination of these wholly fictitious names and addresses were devised exclusively for the NRCC.

Reports on file at the Commission indicate that the BSMC is the connected organization for a qualified party related committee recently renamed the National Black Conservative Republican Campaign Committee.<sup>1/</sup> The BSMC is self-described throughout the literature submitted with the NRCC complaint as an "educational" organization. Its mailings are apparently directed at collecting money to pay for the printing, transportation and distribution of The Black American Truth Journal ("the Journal"). The Journal is self-styled as a newspaper which "...covers everything: Reaganomics, taxes, civil rights, minority business, the works." The direct mail pieces included with the complaint explain that the "...entire program of the [BSMC] for this crucial election year . . . boils down to . . . truth. We are setting out now, to tell Black America the truth about what President Reagan and the Conservatives have accomplished. . . ."

Some of these direct mail pieces also requested that persons indicate to what purpose their "contribution" should be put. The two choices were: "1) send a Group of Black Americans across the nation to speak out ... and, 2) ...publish ... the Journal. . . ." No mention is made in any of the mailings of the BSMC-supported political committee.

This Office believes that sufficient evidence exists to infer that the direct mail pieces involved in this matter were intended to seek donations for support of the Journal. Commission

---

<sup>1/</sup> At the end of 1983, this party committee was named Blacks for Reagan and a Republican Victory. The recent name change occurred following notification that the Act prohibits non-candidate committees from using the names of candidates in their committee names.

regulations at 11 C.F.R. § 104.15 do not define the phrase "commercial purpose". The Commission, however, has considered this phrase in Advisory Opinion 1981-38 in which it found that a national newsletter could use the names of candidates, campaign workers and consultants on file -- but not contributors -- to solicit information on campaigns and build a subscription list. Although that newsletter intended to utilize the information for story purposes and for soliciting subscriptions, its use of information disclosed on FEC reports was deemed permissible because the newsletter did not use information about individual contributors. The BSMC effort is, however, distinguishable from that described in AO 1981-38. The BSMC's solicitation efforts are directed at supporting the Journal, and the complaint alleges that the BSMC has impermissibly used contributor information in FEC reports to do so.

On February 29, 1984, Mr. Claiborne and the BSMC were mailed the Commission notification of complaint letter. Mr. Claiborne's written response was received at the Commission March 19, 1984. (See Attachment 1).

The response states that the NRCC list and the BSMC mailing list will inevitably be the same because each had virtually the same list from 1970 to 1975. The response asserts that from 1970 to 1975 the BSMC used the NRCC list of active contributors as a solicitation base for the BSMC with the consent of the NRCC. Mr. Claiborne proposes that "if acceptable to the NRCC [BSMC] will drop from its mailing list all names added to [its] list

since August 1983. . . . We would do this and never again use names from an unidentified source." The significance of an August 1983 cutoff date is not clear from the response.

Mr. Claiborne's response has failed to demonstrate how the BSMC obtained any of the specific pseudonyms contained in NRCC reports and listed in the complaint. The copies of solicitation letters from the BSMC addressed to these specific pseudonyms demonstrate that BSMC solicited those names for donations to the Journal on at least three occasions. In light of these facts, the Office of General Counsel recommends that the Commission find reason to believe the BSMC has violated 2 U.S.C. § 438a(4) by using for commercial purposes names of contributors taken from reports submitted to the Commission.

RECOMMENDATIONS

1. Find reason to believe that the Black Silent Majority Committee and Mr. Clay Claiborne, National Director, have violated Section 438a(4) of the Federal Election Campaign Act of 1971, as amended, by using names of contributors contained in reports on file with the Commission for a commercial purpose.
2. Approve the attached letter for the respondent.

Re: MUR 1634

Dear Mr. Reyes:

This is a reply to Mr. Kenneth A. Gross, Associate General Counsel's letter of February 29, 1984 to me and the Black Silent Majority Committee.

In 1970, the National Republican Congressional Committee, provided "seed" money for the creation and organization of The Black Silent Majority Committee. (I shall refer to the Committee as "BSMC").

During the years from 1970 to 1975, the BSMC with the consent and approval of the NRCC used for solicitation of contributions the active names of contributors to the NRCC. Naturally, during those years our list of contributors was almost identical. In fact it would be safe to say that our list was a duplication, but with less names than the NRCC list.

After Mr. Wyatt A. Stewart, III became Finance Director of the NRCC the practice of using NRCC's list was ended.

Since that time the BSMC has solicited its names for contributors, new contributors, from our original list of contributors.

The above reads a bit complicated, but in fact we have over the years requested contributors to send in names of persons whom they think would support our work. (Please see items marked "A" and "B" herewith). Item "A" consist of names sent to us from unidentified sources. Item "B" consist of names sent to us from identified sources, please read each side of the return blank.

As long ago as October 1983, Mr. Wyatt A. Stewart, III informed me and the BSMC that we were using his names, and requested that we send to him our entire list, for comparison. Mr. Stewart, eight - years - ago, knew that the BSMC and NRCC were using identical names, and we consider his request unfair. This along with his previous criticism of our contributions from our PAC (Black Voters For A Republican Congress) to candidates for election to the Congress, which included his own chairman Congressman Guy Vander Jagt. In short, our relationship with Mr. Stewart, has been negative.

The BSMC never violated any sections of the Federal Election Campaign Act of 1971,

*Attachment 1 (1)*

35040510893

as amended ("the Act").

It is our belief that the BSMC, by its method of soliciting names has unknowingly placed itself into a position to be made a set-up for a fight between the NRCC and BSMC.

As for relief to the NRCC, if acceptable to them, the BSMC will drop from its mailing list all names added to our list since August 1983; it follows that the NRCC made its first charge of FEC violations to BSMC in October 1983. We would do this and never again use names from an unidentified source.

As for the designation of counsel, the BSMC is of the opinion that it does not need counsel representation for the present. Should need for counsel develop in the future the BSMC, will advise the FEC accordingly.

Cordially yours,  
Black Silent Majority Committee

Dear CLAY,

YES, let's STOP Andy Young and his Radicals from STAMPED-ING AMERICA. I'm happy to LEARN about the more than 2000 Black Americans that gave President Reagan a standing OVATION. I approve your idea of using these Americans in a national effort to build SUPPORT FOR THE PRESIDENT AND THE NATION, in Black America!

The TV program needs more and larger audiences! Maybe then the News Media will NOT slant the news, and, report the truth! The President did, in fact, dine with a large group of friendly Blacks. For this reason I send to you my contribution and may GOD BLESS OUR EFFORTS.

Dear CLAY:

Yes, evil will succeed when good citizens remain silent! For this reason I join your efforts to back the President's "New Beginning" and support you against Andy Young, Jesse Jackson, Ben Hooks of the NAACP and all of those liberals who fight what you and the President stand for.

For twelve years you have carried on your work for God and Country, and Television and Radio is the best method of getting to millions of more people, for this reason I send my contribution and may GOD BLESS our EFFORTS.

Dear CLAY,

YES, let's STOP Andy Young and his Radicals from STAMPED-ING AMERICA. I'm happy to LEARN about the more than 2000 Black Americans that gave President Reagan a standing OVATION. I approve your idea of using these Americans in a national effort to build SUPPORT FOR THE PRESIDENT AND THE NATION, in Black America!

The TV program needs more and larger audiences! Maybe then the News Media will NOT slant the news, and, report the truth! The President did, in fact, dine with a large group of friendly Blacks. For this reason I send to you my contribution and may GOD BLESS OUR EFFORTS.

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

Mr. Clay Claiborne  
National Director  
Black Silent Majority Committee  
P.O. Box 5519  
San Antonio, Texas 78201

RE: MUR 1634  
Clay Claiborne; The Black  
Silent Majority Committee

Dear Mr. Claiborne:

The Federal Election Commission notified you and the Black Silent Majority Committee ("the Committee") on February 29, 1984, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time.

Upon further review of the allegations contained in the complaint, and information supplied by you, the Commission, on , 1984, determined that there is reason to believe that the Committee and you have violated 2 U.S.C. § 438a(4), a provision of the Act. Specifically, it appears that you have used information copied from reports filed under the Act impermissibly for commercial purposes.

Your response to the Commission's initial notification of this complaint did not provide complete information regarding the matter in question. You may submit any factual or legal materials that you believe are relevant to the Commission's analysis of this matter. Please file any such response within ten days of your receipt of this notification.

The Office of General Counsel would like to settle this matter through conciliation prior to a finding of probable cause. However, in the absence of any information which demonstrates that no further action should be taken against you and the Committee, the Office of General Counsel must proceed to the next compliance stage as noted on page 2, paragraph 2, of the enclosed procedures.

Mr. Clay Claiborne

This matter will remain confidential in accordance with  
2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the  
Commission in writing that you wish the matter to be made public.

If you have any questions, please contact Paul Reyes, the

MUR 1634  
Reyes

March 15, 1984

Mr. Paul Reyes  
Paralegal  
Federal Elections Commission  
Washington, D.C. 20463

Re: MUR 1634

Dear Mr. Reyes:

This is a reply to Mr. Kenneth A. Gross, Associate General Counsel's letter of February 29, 1984 to me and the Black Silent Majority Committee.

In 1970, the National Republican Congressional Committee, provided "seed" money for the creation and organization of The Black Silent Majority Committee. ( I shall refer to the Committee as "BSMC").

During the years from 1970 to 1975, the BSMC with the consent and approval of the NRCC used for solicitation of contributions the active names of contributors to the NRCC. Naturally, during those years our list of contributors was almost identical. In fact it would be safe to say that our list was a duplication, but with less names than the NRCC list.

After Mr. Wyatt A. Stewart, III became Finance Director of the NRCC the practice of using NRCC's list was ended.

Since that time the BSMC has solicited its names for contributors, new contributors, from our original list of contributors.

The above reads a bit complicated, but in fact we have over the years requested contributors to send in names of persons whom they think would support our work. (Please see items marked "A" and "B" herewith). Item "A" consist of names sent to us from unidentified sources. Item "B" consist of names sent to us from identified sources, please read each side of the return blank.

As long ago as October 1983, Mr. Wyatt A. Stewart, III informed me and the BSMC that we were using his names, and requested that we send to him our entire list, for comparison. Mr. Stewart, eight - years - ago, knew that the BSMC and NRCC were using identical names, and we consider his request unfair. This along with his previous criticism of our contributions from our PAC (Black Voters For A Republican Congress) to candidates for election to the Congress, which included his own chairman Congressman Guy Vander Jagt. In short, our relationship with Mr. Stewart, has been negative.

The BSMC never violated any sections of the Federal Election Campaign Act of 1971,

95040510924

1984 MAR 19 P 1:31

as amended ("the Act").

It is our belief that the BSMC, by its method of soliciting names has unknowingly placed itself into a position to be made a set-up for a fight between the NRCC and BSMC.

As for relief to the NRCC, if acceptable to them, the BSMC will drop from its mailing list all names added to our list since August 1983; it follows that the NRCC made its first charge of FEC violations to BSMC in October 1983. We would do this and never again use names from an unidentified source.

As for the designation of counsel, the BSMC is of the opinion that it does not need counsel representation for the present. Should need for counsel develop in the future the BSMC, will advise the FEC accordingly.

Cordially yours,  
Black Silent Majority Committee

Dear CLAY,

YES, let's STOP Andy Young and his Radicals from STAMPED-ING AMERICA. I'm happy to LEARN about the more than 2000 Black Americans that gave President Reagan a standing OVATION. I approve your idea of using these Americans in a national effort to build SUPPORT FOR THE PRESIDENT AND THE NATION, in Black America!

The TV program needs more and larger audiences! Maybe then the News Media will NOT slant the news, and, report the truth! The President did, in fact, dine with a large group of friendly Blacks. For this reason I send to you my contribution and may GOD BLESS OUR EFFORTS.

# START THE NEW YEAR WITH FAITH IN GOD AND AMERICA FOR 1983!

Dear CLAY:

Yes, evil will succeed when good citizens remain silent! For this reason I join your efforts to back the President's "New Beginning" and support you against Andy Young, Jesse Jackson, Ben Hooks of the NAACP and all of those liberals who fight what you and the President stand for.

For twelve years you have carried on your work for God and Country, and Television and Radio is the best method of getting to millions of more people, for this reason I send my contribution and may GOD BLESS our EFFORTS.

Dear CLAY,

YES, let's STOP Andy Young and his Radicals from STAMPED-ING AMERICA. I'm happy to LEARN about the more than 2000 Black Americans that gave President Reagan a standing OVATION. I approve your idea of using these Americans in a national effort to build SUPPORT FOR THE PRESIDENT AND THE NATION, in Black America!

The TV program needs more and larger audiences! Maybe then the News Media will NOT slant the news, and, report the truth! The President did, in fact, dine with a large group of friendly Blacks. For this reason I send to you my contribution and may GOD BLESS OUR EFFORTS.

In the matter of:

2. VIOLATION:

2.01 Mr. Clay Claiborne and The Black Silent Majority Committee are violating 2 U.S.C. §438(a) (4) which states that information contained in Federal Election Commission reports "may not be sold or used by any other person for the purpose of soliciting contributions or for commercial purposes ...." This provision centers "on protecting the privacy of the 'very public spirited citizens' who make contributions to campaigns." Advisory Opinion 1980-78, Federal Election Campaign Financing Guide (CCH) ¶ 5530 (August 12, 1980)

2.02 Mr. Clay Claiborne and The Black Silent Majority Committee mailed solicitation letters to NRCC contributors. Affidavit of Wyatt A. Stewart III, ¶ 3. The names and addresses of those solicited could only have been improperly obtained from reports filed with the Federal Election Commission. Affidavit of Wyatt A. Stewart III, ¶ 4. Mr. Clay Claiborne and The Black Majority Committee improperly compiled the list of names and addresses from NRCC reports on file with the the FEC, which were then used for solicitation purposes. 3. PRAYER FOR RELIEF:

3.01 The NRCC requests that the Federal Election Commission investigate this violation and enforce §438 (a) (4) and thereby protect the privacy of NRCC contributors.

3.03 Finally, it is requested that the Commission refer the violation to the Attorney General pursuant to 2 U.S.C. §437g (D), should they determine that there was a knowing and willful violation of the Act.

4. VERIFICATION:

AFFIDAVIT OF WYATT A. STEWART, III

Wyatt A. Stewart, III for his affidavit deposes and says:

1. I have personal knowledge of the facts contained herein and am competent to testify thereto.

2. I am the Finance Director of the National Republican Congressional Committee ("NRCC") and have responsibility for its fundraising activities. I also have responsibility for obtaining and preserving the records of NRCC contributors on behalf of NRCC's treasurer.

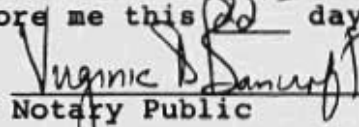

3. On February 9, 1984, it came to my attention that three letters were sent from Mr. Clay Claiborne and The Black Silent Majority Committee to fictitious contributors to the NRCC.

4. I have reason to believe, and took steps to ensure, that the fictitious names and addresses which appear on the 1982 Post General Election Report, 1982 2nd Quarter Contributions Committee Report and 1981 Mid-Year Contributions Committee Report would not be used or disclosed by NRCC except as they appear on FEC Reports. Further, I maintain that the combination of these wholly fictitious names and addresses were devised exclusively for the NRCC.

5. On the basis of this information and on the basis of my knowledge and experience in political fundraising, I am certain that the names and addresses obtained by Mr. Claiborne, and subsequently used for solicitation purposes, are being used and will be used in the future for the purpose of soliciting contributions.

Our destiny is at hand.  
The time has come  
for all unashamed  
patriots of the land to  
come forth in unison,  
proclaiming loudly of the  
rich heritage of the  
republic; to defend it,  
to preserve it. We cannot  
each do everything, but  
we can each do some-  
thing; for each has  
influence for good, and  
all that is needed for evil  
to succeed is for the  
good to remain silent.

Dear Fellow (Black or White) American:

Aren't YOU Fed Up, with the FAKE CANDIDATE JESSE JACKSON, and DISGUSTED and TIRED of the OUTRIGHT LIES that President Reagan is "ONLY FOR THE RICH" and "AGAINST THE BLACKS" and "RACIST?"

I KNOW that I am!! And I know that these CYNICAL LIES, repeated daily by the NEWS MEDIA, by LIBERAL POLITICIANS and by JESSE JACKSON'S RADICAL BLACK Coalition WILL SPELL BIG TROUBLE for PRESIDENT REAGAN and ALL CONSERVATIVE CANDIDATES this year!!!

PLEASE NOTICE! I did NOT say, "COULD" or "MIGHT" SPELL TROUBLE! I deliberately said "WILL" — because in traveling the nation, I SEE the AWFUL DAMAGE that HAS ALREADY BEEN DONE!

I have concluded that the ENTIRE PROGRAM of the Black Silent Majority Committee for this CRUCIAL ELECTION YEAR — everything! — boils down to just one word: TRUTH!!

WE ARE SETTING OUT NOW, to TELL BLACK AMERICA the TRUTH about what President Reagan and the Conservatives have accomplished — and are still accomplishing for ALL Americans!

Black America is COVERED OVER with a WEB OF LIBERAL LIES about the PRESIDENT! So... TO SLASH RIGHT THROUGH these LIES, our Committee has taken the lead in bring out an "ATOMIC TRUTH BOMB" against the Democrats!

It's our SENSATIONAL, POWERFUL, EYE-OPENING NEWSPAPER called: "THE BLACK AMERICAN TRUTH JOURNAL!" I've enclosed a copy, and I hope you'll look through it, because it's FULL OF POLITICAL SURPRISES!

This hard-hitting "TRUTH JOURNAL" is illustrated and EASY TO READ! It tells the WHOLE STORY about how President Reagan has actually been a good FRIEND to Blacks!

(OVER PLEASE)

"O'er the land  
of the free..."

3 5 0 4 0 5 1 0 9 7

The "TRUTH JOURNAL" COVERS EVERYTHING: Reaganomics, Taxes, Civil Rights, Minority Business, THE WORKS!! I'll bet that even CONSERVATIVES don't know that President Reagan has more blacks on the White House staff than ANY PRESIDENT ever had before — or that MR. REAGAN fought PERSONALLY to get Joe Louis buried at Arlington National Cemetery!

It's all in our Black AMERICAN TRUTH JOURNAL!

There are more than TWELVE MILLION black voters in America! So the TOTAL NEED is to get one copy of the TRUTH JOURNAL into the hands of EVERY BLACK VOTER IN AMERICA!!

We need your immediate and urgent help to pay for PRINTING, TRANSPORTING and DISTRIBUTION ALL OVER THE NATION!

We KNOW that this kind of project WORKS! It worked twice when we did it for Republicans in 1968 and 1972, and picked up nearly THIRTY PER CENT of the Black vote!!

(We DIDN'T do it in 1976, and President Ford LOST to JIMMY CARTER, by a heartbreaking small percentage — of black votes! We don't want that to happen in 1984!)

So won't you help? PLEASE help us START THE NEW YEAR RIGHT! For \$25 we can distribute 100 TRUTH JOURNALS. For \$50 we can distribute 250. For \$100 we can distribute 600! But please know that whatever contribution you can make, no matter how small, will help us to TELL THE TRUTH!

PLEASE make your check out to the Black Silent Majority Committee (BSMC) and send it in the postage-free envelope. Do it today, while you're thinking about it. I am sure that you will be putting "insurance" on every dime you invest in the WHITE Conservative efforts! THIS is the direction where PRESIDENT REAGAN needs help the MOST!

Cordially yours

*Clay Claiborne*

CLAY CLAIBORNE

P.S.

JESSE JACKSON must be revealed to every black America as the "GREATEST FAKER" on race relations in the Twentieth Century. Jesse Jackson plans to register millions of new black voters and encourage them to vote for the Democratic nominee. Speaking of slavery, this is a new kind of political bondage! You and I must not let Jesse Jackson carry out his plans. WE MUST TELL IT LIKE IT IS; and expose Jesse Jackson's political hocus-pocus! We will get the job done if you will give us the funds to do it. I know that our white AND black united effort will save the election for the greatest President of the Twentieth Century, President Ronald Reagan. With God's help and our courageous contributions Ronald Reagan will be REELECTED President of the United States of America in 1984.

# Syrians paid part of tab for Jackson

WASHINGTON (UPI) — The Syrian government paid some of the expenses of Jesse Jackson's entourage during the Democratic presidential candidate's successful mission to free captured Navy flier Lt. Robert O. Goodman Jr. last week, it was reported last night.

The Washington Post said members of Jackson's delegation and officials at the Damascus Hotel where the Jackson group stayed confirmed Syria picked up part of their tab.

Two hours before Jackson left Damascus with Goodman, the comptroller of the Sheraton Damascus told the Post that the Syrian Foreign Ministry had agreed to pay all costs billed to Jackson's room during his stay.

The hotel said Jackson's bill was 6,612 Syrian pounds — about \$1,140 — which "is being charged to the Foreign Ministry."

**JESSE JACKSON**

Ran up hotel bill

The U.S. government provided air transportation back to the United States.

WAS JESSE JACKSON'S PLAN WORKED  
OUT IN ADVANCE????

Why Did Jesse Let Syria Pay His Bill????

Remember The \$10,000 Jesse Got From Libya's  
Khadafy During The Carter Years????

If It Wasn't POLITICS, Why Did Over 400  
Political Managers On Jesse Jackson's Team  
Get Orders To Come To Washington For  
The Homecoming????

HEY'S OUR  
FRIENDS!

"Come on Jesse, Who paid the Bill?"

**Yes Clay**

I join YOUR EFFORTS, to get the TRUTH to the Black Voters! I believe your statement that JESSE JACKSON, will NOT be elected President. When you get Black Americans to SEE CLEARLY THE ISSUE is not JESSE JACKSON, BUT A SAFE AMERICA you'll do a GREAT SERVICE for all Americans. For this reason I send my contribution! May God Bless our EFFORTS!

# What about President Reagan and Black America?

PRESIDENT RONALD REAGAN

Washington, D.C. — A small handful of "black spokesmen" — made prominent by the news media — is freezing blacks out of participation in national leadership by creating an "us-against-them" mentality with regard to the Reagan Administration.

It is time for Black America to see through this hocus-pocus! President Reagan has honestly sought to include blacks in federal policy decisions, and to consider their needs. Support exists in nearly every black community for many of the President's programs.

But, the news media keeps on turning to the same few "black leaders" who say that all black Americans are automatically "anti-Reagan." Their knee-jerk opposition to any Reagan proposal pits black America, unnecessarily, against the sweeping national trend toward smaller government, tax reform, fiscal responsibility, a stronger foreign policy and an improved national defense. They want to keep Black America "on the outside looking in." *Continued on Page 2, Col. 1*

## Cutting Inflation

The greatest boost to all Americans provided by the Reagan Administration is its tremendous cut in INFLATION. Black families, like all American families, are getting more for their dollars. Courageous and determined efforts by President Reagan have brought inflation under control, directly benefitting all Americans. The record is so good that Democrats don't call it REAGANOMICS anymore!

## Don't Argue With Your Neighbor About Ronald Reagan!

In the Black Communities across America, perhaps the fastest way to create an ARGUMENT is to say something good about President Reagan.

### WHY AN ARGUMENT?

In modern Black America our greatest attribute is the ability to think for ourselves! Former President Jimmy Carter was the first to charge that the election of President Reagan would pit "race against race." But in the years since Mr. Reagan's administration began, nothing like Mr. Carter's dark predictions has come true. Blacks have NOT been against Whites; Jews have not been against Gentiles, no race has been "against" another race, as Mr. Carter predicted.

Other charges made against Mr. Reagan can be traced to "media Black leaders" who have a vested financial or political INTEREST in tearing the President down. Jesse Jackson received millions Mr. Carter, as did Mrs. Andrew Young,

and a host of others. All of this money from black and white taxpayers was supposed to advance, help or improve life for Black Americans! Did it help you? Did dollars help any black that you know? Think about it. Why an argument on the Reagan administration programs? Being Black is a poor excuse for an argument! Think About It!

The fact is: Jesse Jackson and the others screaming against Mr. Reagan are all Democrats! They seek publicity by knocking the Reagan Administration without suggesting anything close to creditable alternatives.

If they cannot, or will not, deal honestly with the President's initiatives for good, they are not honestly speaking for or to, Black Americans. Read this publi-

## A Fact You Should Know

Stephanie L. Miller a former California reporter is the youngest woman nominated for the position of assistant secretary of the Department of Health and Human Services.

She will be, by virtue of the president's nomination the youngest sub-Cabinet secretary.

BLACK DEMOTED BY CARTER BECOMES REAGAN'S AMBASSADOR!

# What about President Reagan

Continued from page 1)

Blacks, along with other Americans, stand to benefit from continuing Mr. Reagan's programs. But this viewpoint receives little attention in the media. Instead, highly partisan blacks are allowed to carry out a daily "hatchet job" on the Reagan administration. They do this via television, radio and newspapers.

Unchecked, these circumstances will bring about an unprecedented, vicious, black-against-white presidential election in 1984 — a campaign not of issues, but of race. Black Americans ought not, cannot let, this happen!

Media Black leadership seems to thrive by narrowly criticizing every Republican president, regardless of the record. President Eisenhower was given this severe black treatment, yet he integrated the nation's capital, sent the 101st Airborne into Little Rock to integrate the public schools, and passed the first civil rights law in seventy years in 1957.

President Nixon and Ford, both Republicans, got no "good words" from black leadership. Yet during their administrations the Air Force got its first black 4-star general, and black generals and admirals were appointed in all branches of the Armed Forces.

They killed segregation in the Armed Forces, a "sore spot" with black military personnel for a hundred years, yet, these presidents did not get any praise or thanks from black leaders! More blacks found employment during the Nixon-Ford years and black businesses increased 300% under the SBA (8a) program.

President Ronald Reagan, who owes no political favors to blacks because of their "non-support" in this 1980 campaign gets no word of praise for his sincere efforts to advance black Americans. President Eisenhower appointed the first black to the White House staff and President Reagan has appointed six (6) blacks to top positions on his White House staff.

President Nixon made direct federal grants to the United Negro College Fund, a policy which continued under the Ford Administration. These history making events, which greatly enhanced black progress, are ignored by black "leaders" Most notable is Benjamin Hooks of the NAACP. Mr. Hooks, a Nixon appointee, became the first black FCC commissioner which put Hooks into the national spotlight. His thanks is to "poor mouth" Republican Presidents.

## Don't Argue

Continued from Page One . . .

cation! See for yourself the fallacies in their case against the President!

These false leaders are trying to "broker" or "auction off" all black voters in the 1984 elections to Democrats. They display a plantation mentality which cannot meet the challenges of today. Here's what they are preaching to Black Americans:

*"Ignore our need to be productive, resourceful and creative. Disregard the fact that Black self-respect and dignity have been trampled in the dust by the worn-out, 'I-love-the-blacks' liberal rhetoric. Just keep shovelling out more and more of those big do-nothing government dollars. Gimme more barrels o' tax money and we'll keep on delivering the Blacks to the democrats!"*

Don't argue with your neighbor about Ronald Reagan, but think of your self-respect. See the challenges of the future as they affect all of America and remember America is Our (Your) Country too!

## Employment Is Now Up

More Americans are working now than ever before during the last 6 years. Daily, more jobs are created, and more blacks are finding employment. Although many young blacks are still seeking employment, and will receive help, the total black workforce is larger than it was in 1980.

**"Ye Shall Know the Truth  
- the Truth Shall Make You Free"**

## Fair Housing

Investigations by the Reagan Administration have created a record number of court cases on fair housing. And the President is asking the Congress for a New and Tougher Fair Housing Laws!

## CIVIL RIGHTS

CIVIL RIGHTS ENFORCEMENT, the issue that touches the heartstrings of Black Americans, has not slackened under the President's leadership. The un-reported truth is that, in 1982, under President Reagan, the U.S. Justice

Department filed more civil rights cases in a single year than under any other president, Democrat or Republican. This forthright action by the President continues. Check the RECORD. Black "leaders" who rail against the Administration are compromising the truth for personal and political gain.

**REAGAN!** First President To Sign National H

## \$ VALUE IS UP ...

Americans are getting more for their dollars because interest rates are down. During the Carter years interest payments, always a source of concern to Blacks, kept many people from owning new homes and new automobiles. (Remember those 18% to 20% deals! They're gone now!) Fact is that interest rates have been lowered considerably during the years that Ronald Reagan has directed our revitalized economy from the White House.

## Voter Protection

Under President Reagan, Voting Rights Laws were renewed with a longer extension than ever before in the history of the United States. There has been too little reported or said, but President Reagan, dropped the previous 10-year extension plan, and had Voting Rights for blacks extended for 25-years!

Never before have so many blacks been elected to so many political offices.

Voting Rights has made this possible, and Voter Protection is backed 100% by the Reagan Administration, which has opposed 'bogus redistricting and sent Federal officials to monitor racially tense elections.

## A Black Woman In The White House

The highest ranking Black woman in the White House, Trudi M. Morrison, associate director of the Office of Public Liaison for President Reagan is directing a 50 states project to help identify state laws which gender discriminatory.

Ms. Morrison, holder of many educational degrees, is cited by the president for her outstanding performance.

One of the presidential staff's hardest and most dedicated workers she is covering the major cities in America.

**\$29,000,000**

Meharry Medical College at Nashville, Tenn., which has produced more than 85% of the nation's black doctors, was aided by the Reagan Administration with a bonanza write-off of its \$29,000,000.00 debt!

This is one of the many "never reported" contributions which President Reagan has made to Black America. For many years Meharry was the only medical school open to blacks. Today, Meharry educates more black doctors than all other schools in America.

## Highway Improvement

For the first time Black Contractors will get a fair share of the billion dollar highway improvement and construction program, thanks to President Reagan!

Over 5 billion dollars has been set aside for minority businesses in national highway construction guarantees over the next four years. Under the program blacks are no longer restricted to being common laborers in our massive highway repairs and construction programs, but, are given federal contracts. This is free enterprise and self-help. This is the Reagan Administrations' way of getting things done!

## Increased Minority Business

Millions of Dollars for Black Businesses! The federal program of letting contracts to black and minority businesses has been enlarged and made more easily accessible under the Reagan Administration. Virtually stopped by earlier Democrat "red tape," the program has been helped and inspired by President Reagan.

All over the United States, Black business are on the upswing! Inner cities will receive major help under the President's proposed Enterprise Zones, a plan to rebuild the cities. The plan has been enacted by several states, but delayed nationally by a stalling Democrat Congress. In a second term, President Reagan is sure to push through the Enterprise Zone legislation Black America needs.

**Law For A Black American-Dr. King Honored!**

## Famous Heros

When former boxing champion Joe Louis died President Reagan, personally requested and got the Congress to grant special permission for Joe Louis to be buried in Arlington National Cemetery. Because of this presidential action Champion Joe Louis rests near the Nation's Capitol, among other great heroes of our America.

## Demoted by Carter

During the Carter years Terence Todman was removed as the first Black assistant secretary of state for Latin America.

Under President Reagan this popular and courageous Black diplomat was made Ambassador to Denmark. This is one of the many highly significant positions given to Blacks by President Reagan.

Ambassador Todman's place in the nation's international program is important because Denmark is virtually a totally white nation.

## Reagan Gives \$25 Million

*Dr. Frederick Patterson  
Honored at The White House*

In an event not reported in nearly all the nation's media, President Ronald Reagan, marked the celebration of "Black College Day" by signing legislation which added an additional \$25 million funding to black colleges.

The president honored 80-year-old Dr. Frederick D. Patterson, former head of Tuskegee Institute and founder of the United Negro College Fund. Dr. Patterson retired after serving TI for over 30-years. The reception was attended by more than 100 Black College heads.

This extra money increases the Reagan Administration funding for black colleges by about 12% more than the Fund ever got from previous administration.

However the combined outlay by the Administration under the President's guidelines to 27 federal agencies passed the \$625 million mark.

This is the kind of treatment President Reagan is enhancing the growth of Black Colleges with. Yet, the President Gets No Credit from Black leaders.

Black colleges educate the majority of lawyers, physicians and over half of the Black business executives in major American corporations

## Black Americans in The White House

Here's an interesting bit of information that has never hit the news media or been reported by Black "leaders".

President Reagan has six blacks on his top White House Staff!

This means that President Reagan has twice as many blacks in key positions at the White House as any president before him. Republicans made international news when President Eisenhower appointed E. Fredric Morrow as the first black American to the White House staff.

Presidents who followed Eisenhower continued appointing blacks to their staff, but none have included blacks to the extent that President Reagan has. His black appointees to top level White House positions — more than ever before — are: Melvin Bradley, Assistant to the President; George Armstrong, Assistant Director of Presidential Personnel; Trudi Morrison and John Tiller, Special Assistants to the President for Public Liaison; William Keys, Policy Advisor; and Wendell Gunn, Special Assistant to the President.

No Democrat or Republican President has shown as much confidence in the abilities of Black Americans as President Reagan has!

Our destiny is at hand.  
The time has come  
for all unashamed  
patriots of the land to  
come forth in unison,  
proclaiming loudly of the  
rich heritage of the  
republic; to defend it,  
to preserve it. We cannot  
each do everything, but  
we can each do some-  
thing; for each has  
influence for good, and  
all that is needed for evil  
to succeed is for the  
good to remain silent.

Dear Fellow (Black or White) American:

Aren't YOU Fed Up, with the FAKE CANDIDATE JESSE JACKSON, and DISGUSTED and TIRED of the OUTRIGHT LIES that President Reagan is "ONLY FOR THE RICH" and "AGAINST THE BLACKS" and "RACIST?"

I KNOW that I am!! And I know that these CYNICAL LIES, repeated daily by the NEWS MEDIA, by LIBERAL POLITICIANS and by JESSE JACKSON'S RADICAL BLACK Coalition WILL SPELL BIG TROUBLE for PRESIDENT REAGAN and ALL CONSERVATIVE CANDIDATES this year!!!

PLEASE NOTICE! I did NOT say, "COULD" or "MIGHT" SPELL TROUBLE! I deliberately said "WILL" — because in traveling the nation, I SEE the AWFUL DAMAGE that HAS ALREADY BEEN DONE!

I have concluded that the ENTIRE PROGRAM of the Black Silent Majority Committee for this CRUCIAL ELECTION YEAR — everything! — boils down to just one word: TRUTH!!

WE ARE SETTING OUT NOW, to TELL BLACK AMERICA the TRUTH about what President Reagan and the Conservatives have accomplished — and are still accomplishing for ALL Americans!

Black America is COVERED OVER with a WEB OF LIBERAL LIES about the PRESIDENT! So... TO SLASH RIGHT THROUGH these LIES, our Committee has taken the lead in bring out an "ATOMIC TRUTH BOMB" against the Democrats!

It's our SENSATIONAL, POWERFUL, EYE-OPENING NEWSPAPER called: "THE BLACK AMERICAN TRUTH JOURNAL!" I've enclosed a copy, and I hope you'll look through it, because it's FULL OF POLITICAL SURPRISES!

This hard-hitting "TRUTH JOURNAL" is illustrated and EASY TO READ! It tells the WHOLE STORY about how President Reagan has actually been a good FRIEND to Blacks!

(OVER PLEASE)

"O'er the land  
of the free..."

The "TRUTH JOURNAL" COVERS EVERYTHING: Reaganomics, Taxes, Civil Rights, Minority Business, THE WORKS!! I'll bet that even CONSERVATIVES don't know that President Reagan has more blacks on the White House staff than ANY PRESIDENT ever had before — or that MR. REAGAN fought PERSONALLY to get Joe Louis buried at Arlington National Cemetery!

It's all in our Black AMERICAN TRUTH JOURNAL!

There are more than TWELVE MILLION black voters in America! So the TOTAL NEED is to get one copy of the TRUTH JOURNAL into the hands of EVERY BLACK VOTER IN AMERICA!!

We need your immediate and urgent help to pay for PRINTING, TRANSPORTING and DISTRIBUTION ALL OVER THE NATION!

We KNOW that this kind of project WORKS! It worked twice when we did it for Republicans in 1968 and 1972, and picked up nearly THIRTY PER CENT of the Black vote!!

(We DIDN'T do it in 1976, and President Ford LOST to JIMMY CARTER, by a heartbreaking small percentage — of black votes! We don't want that to happen in 1984!)

So won't you help? PLEASE help us START THE NEW YEAR RIGHT! For \$25 we can distribute 100 TRUTH JOURNALS. For \$50 we can distribute 250. For \$100 we can distribute 600! But please know that whatever contribution you can make, no matter how small, will help us to TELL THE TRUTH!

PLEASE make your check out to the Black Silent Majority Committee (BSMC) and send it in the postage-free envelope. Do it today, while you're thinking about it. I am sure that you will be putting "insurance" on every dime you invest in the WHITE Conservative efforts! THIS is the direction where PRESIDENT REAGAN needs help the MOST!

Cordially yours

P.S.

JESSE JACKSON must be revealed to every black America as the "GREATEST FAKER" on race relations in the Twentieth Century. Jesse Jackson plans to register millions of new black voters and encourage them to vote for the Democratic nominee. Speaking of slavery, this is a new kind of political bondage! You and I must not let Jesse Jackson carry out his plans. WE MUST TELL IT LIKE IT IS; and expose Jesse Jackson's political hocus-pocus! We will get the job done if you will give us the funds to do it. I know that our white AND black united effort will save the election for the greatest President of the Twentieth Century, President Ronald Reagan. With God's help and our courageous contributions Ronald Reagan will be REELECTED President of the United States of America in 1984.

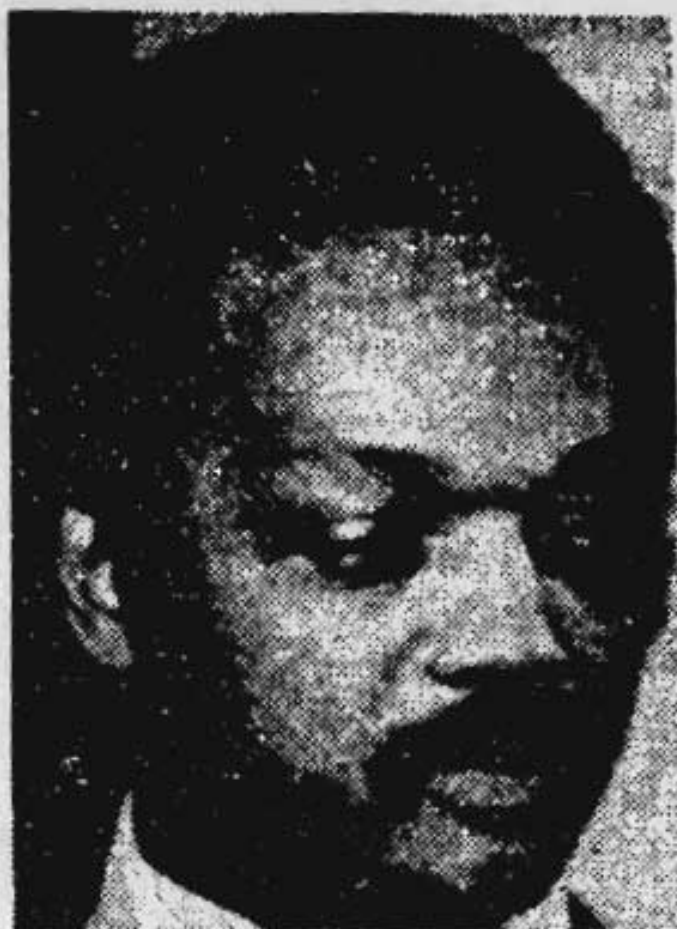

# Syrians paid part of tab for Jackson

WASHINGTON (UPI) — The Syrian government paid some of the expenses of Jesse Jackson's entourage during the Democratic presidential candidate's successful mission to free captured Navy aviator Lt. Robert O. Goodman Jr. last week, it was reported last night.

The Washington Post said members of Jackson's delegation and officials at the Damascus hotel where the Jackson group stayed confirmed Syria picked up part of their tab.

Two hours before Jackson left Damascus with Goodman, the comptroller of the Sheraton Damascus told the Post that the Syrian Foreign Ministry had agreed to pay all costs billed to Jackson's room during his stay.

The hotel said Jackson's bill was 6,612 Syrian pounds — about \$1,140 — which "is being charged to the Foreign Ministry."

# What about President Reagan and Black America?

Washington, D.C. — A small handful of "black spokesmen" — made prominent by the news media — is freezing blacks out of participation in national leadership by creating an "us-against-them" mentality with regard to the Reagan Administration.

It is time for Black America to see through this hocus-pocus! President Reagan has honestly sought to include blacks in federal policy decisions, and to consider their needs. Support exists in nearly every black community for many of the President's programs.

But, the news media keeps on turning to the same few "black leaders" who say that all black Americans are automatically "anti-Reagan." Their knee-jerk opposition to any Reagan proposal pits black America, unnecessarily, against the sweeping national trend toward smaller government, tax reform, fiscal responsibility, a stronger foreign policy and an improved national defense. They want to keep Black America "on the outside looking in." Continued on Page 2, Col. 1

## Cutting Inflation

The greatest boost to all Americans provided by the Reagan Administration is its tremendous cut in INFLATION. Black families, like all American families, are getting more for their dollars. Courageous and determined efforts by President Reagan have brought inflation under control, directly benefitting all Americans. The record is so good that Democrats don't call it REAGANOMICS anymore!

## Don't Argue With Your Neighbor About Ronald Reagan!

In the Black Communities across America, perhaps the fastest way to create an ARGUMENT is to say something good about President Reagan.

### WHY AN ARGUMENT?

In modern Black America our greatest attribute is the ability to think for ourselves! Former President Jimmy Carter was the first to charge that the election of President Reagan would pit "race against race." But in the years since Mr. Reagan's administration began, nothing like Mr. Carter's dark predictions has come true. Blacks have NOT been against Whites; Jews have not been against Gentiles, no race has been "against" another race, as Mr. Carter predicted.

Other charges made against Mr. Reagan can be traced to "media Black leaders" who have a vested financial or political INTEREST in tearing the President down. Jesse Jackson received millions Mr. Carter, as did Mrs. Andrew Young,

and a host of others. All of this money from black and white taxpayers was supposed to advance, help or improve life for Black Americans! Did it help you? Did dollars help any black that you know? Think about it. Why an argument on the Reagan administration programs? Being Black is a poor excuse for an argument! Think About It!

The fact is: Jesse Jackson and the others screaming against Mr. Reagan are all Democrats! They seek publicity by knocking the Reagan Administration without suggesting anything close to creditable alternatives.

If they cannot, or will not, deal honestly with the President's initiatives for good, they are not honestly speaking for or to, Black Americans. Read this publi-

## A Fact You Should Know

Stephanie L. Miller a former California reporter is the youngest woman nominated for the position of assistant secretary of the Department of Health and Human Services.

She will be, by virtue of the president's nomination the youngest sub-Cabinet secretary.

# What about President Reagan

Continued from page 1)

Blacks, along with other Americans, stand to benefit from continuing Mr. Reagan's programs. But this viewpoint receives little attention in the media. Instead, highly partisan blacks are allowed to carry out a daily "hatchet job" on the Reagan administration. They do this via television, radio and newspapers.

Unchecked, these circumstances will bring about an unprecedented, vicious, black-against-white presidential election in 1984 — a campaign not of issues, but of race. Black Americans ought not, cannot let, this happen!

Media Black leadership seems to thrive by narrowly criticizing every Republican president, regardless of the record. President Eisenhower was given this severe black treatment, yet he integrated the nation's capital, sent the 101st Airborne into Little Rock to integrate the public schools, and passed the first civil rights law in seventy years in 1957.

President Nixon and Ford, both Republicans, got no "good words" from black leadership. Yet during their administrations the Air Force got its first black 4-star general, and black generals and admirals were appointed in all branches of the Armed Forces.

They killed segregation in the Armed Forces, a "sore spot" with black military personnel for a hundred years, yet, these presidents did not get any praise or thanks from black leaders! More blacks found employment during the Nixon-Ford years and black businesses increased 300% under the SBA (8a) program.

President Ronald Reagan, who owes no political favors to blacks because of their "non-support" in this 1980 campaign gets no word of praise for his sincere efforts to advance black Americans. President Eisenhower appointed the first black to the White House staff and President Reagan has appointed six (6) blacks to top positions on his White House staff.

President Nixon made direct federal grants to the United Negro College Fund, a policy which continued under the Ford Administration. These history making events, which greatly enhanced black progress, are ignored by black "leaders." Most notable is Benjamin Hooks of the NAACP. Mr. Hooks, a Nixon appointee, became the first black FCC commissioner which put Hooks into the national spotlight. His thanks is to "poor mouth" Republican Presidents.

## Don't Argue

Continued from Page One...

cation! See for yourself the fallacies in their case against the President!

These false leaders are trying to "broker" or "auction off" all black voters in the 1984 elections to Democrats. They display a plantation mentality which cannot meet the challenges of today. Here's what they are preaching to Black Americans:

*"Ignore our need to be productive, resourceful and creative. Disregard the fact that Black self-respect and dignity have been trampled in the dust by the worn-out, 'I-love-the-blacks' liberal rhetoric. Just keep shovelling out more and more of those big do-nothing government dollars. Gimme more barrels o' tax money and we'll keep on delivering the Blacks to the democrats!"*

Don't argue with your neighbor about Ronald Reagan, but think of your self-respect. See the challenges of the future as they affect all of America and remember America is Our (Your) Country oo!

## Employment Is Now Up

More Americans are working now than ever before during the last 6 years. Daily, more jobs are created, and more blacks are finding employment. Although many young blacks are still seeking employment, and will receive help, the total black workforce is larger than it was in 1980.

**"Ye Shall Know the Truth  
- the Truth Shall Make You Free"**

## Fair Housing

Investigations by the Reagan Administration have created a record number of court cases on fair housing. And the President is asking the Congress for a New and Tougher Fair Housing Laws!

## CIVIL RIGHTS

CIVIL RIGHTS ENFORCEMENT, the issue that touches the heartstrings of Black Americans, has not slackened under the President's leadership. The un-reported truth is that, in 1982, under President Reagan, the U.S. Justice

Department filed more civil rights cases in a single year than under any other president, Democrat or Republican. This forthright action by the President continues. Check the RECORD. Black "leaders" who rail against the Administration are compromising the truth for personal and political gain.

# Lower Taxes For All

**REDUCTION OF TAXES** — President Reagan has given all American workers more dollars in take home pay in more than 6 years. President Reagan has put more money in your pockets. Indeed Black Americans realize, as all people do, that wages are neither black or white — but GREEN! The Reagan Tax Plan means more take-home pay at the end of your work week.

# REAGAN! First President To Sign National H

## \$ VALUE IS UP ...

Americans are getting more for their dollars because interest rates are down. During the Carter years interest payments, always a source of concern to Blacks, kept many people from owning new homes and new automobiles. (Remember those 18% to 20% deals! They're gone now!) Fact is that interest rates have been lowered considerable during the years that Ronald Reagan has directed our revitalized economy from the White House.

## Voter Protection

Under President Reagan, Voting Rights Laws were renewed with a longer extension that ever before in the history of the United States. There has been too little reported or said, but President Reagan, dropped the previous 10-year extension plan, and had Voting Rights for blacks extended for 25-years!

Never before have so many blacks been elected to so many political offices.

Voting Rights has made this possible, and Voter Protection is backed 100% by the Reagan Administration, which has opposed 'bogus redistricting and sent federal officials to monitor racially tense elections.

## A Black Woman In The White House

The highest ranking Black woman in the White House, Trudi M. Morrison, associate director of the Office of Public Liaison for President Reagan is directing a 50 states project to help identify state laws which gender discriminatory.

Ms. Morrison, holder of many educational degrees, is cited by the president for her outstanding performance.

One of the presidential staff's hardest and most dedicated workers she is covering the major cities in America.

**\$29,000,000**

Meharry Medical College at Nashville, Tenn., which has produced more than 85% of the nation's black doctors, was aided by the Reagan Administration with a bonanza write-off of it's \$29,000,000.00 debt!

This is one of the many "never reported" contributions which President Reagan has made to Black America. For many years Meharry was the only medical school open to blacks. Today, Meharry educates more black doctors than all other schools in America.

## Highway Improvement

For the first time Black Contractors will get a fair share of the billion dollar highway improvement and construction program, thanks to President Reagan!

Over 5 billion dollars has been set aside for minority businesses in national highway construction guarantees over the next four years. Under the program blacks are no longer restricted to being common laborers in our massive highway repairs and construction programs, but, are given federal contracts. This is free enterprise and self-help. This is the Reagan Administration's way of getting things done!

## Increased Minority Business

Millions of Dollars for Black Businesses! The federal program of letting contracts to black and minority businesses has been enlarged and made more easily accessible under the Reagan Administration. Virtually stopped by earlier Democrat "red tape," the program has been helped and inspired by President Reagan.

All over the United States, Black business are on the upswing! Inner cities will receive major help under the President's proposed Enterprise Zones, a plan to rebuild the cities. The plan has been enacted by several states, but delayed nationally by a stalling Democrat Congress. In a second term, President Reagan is sure to push through the Enterprise Zone legislation Black America needs.

## Famous Heros

When former boxing champion Joe Louis died President Reagan, personally requested and got the Congress to grant special permission for Joe Louis to be buried in Arlington National Cemetery. Because of this presidential action Champion Joe Louis rests near the Nation's Capitol, among other great heroes of our America.

## Demoted by Carter

During the Carter years Terence Todman was removed as the first Black assistant secretary of state for Latin America.

Under President Reagan this popular and courageous Black diplomat was made Ambassador to Denmark. This is one of the many highly significant positions given to Blacks by President Reagan.

Ambassador Todman's place in the nation's international program is important because Denmark is virtually a totally white nation.

## Reagan Gives \$25 Million

*Dr. Frederick Patterson Honored at The White House*

In an event not reported in nearly all the nation's media, President Ronald Reagan, marked the celebration of "Black College Day" by signing legislation which added an additional \$25 million funding to black colleges.

The president honored 80-year-old Dr. Frederick D. Patterson, former head of Tuskegee Institute and founder of the United Negro College Fund. Dr. Patterson retired after serving TI for over 30-years. The reception was attended by more than 100 Black College heads.

This extra money increases the Reagan Administration funding for black colleges by about 12% more than the Fund ever got from previous administration.

However the combined outlay by the Administration under the President's guidelines to 27 federal agencies passed the \$625 million mark.

This is the kind of treatment President Reagan is enhancing the growth of Black Colleges with. Yet, the President Gets No Credit from Black leaders.

Black colleges educate the majority of lawyers, physicians and over half of the Black business executives in major American corporations

## Black Americans in The White House

Here's an interesting bit of information that has never hit the news media or been reported by Black "leaders".

President Reagan has six blacks on his top White House Staff!

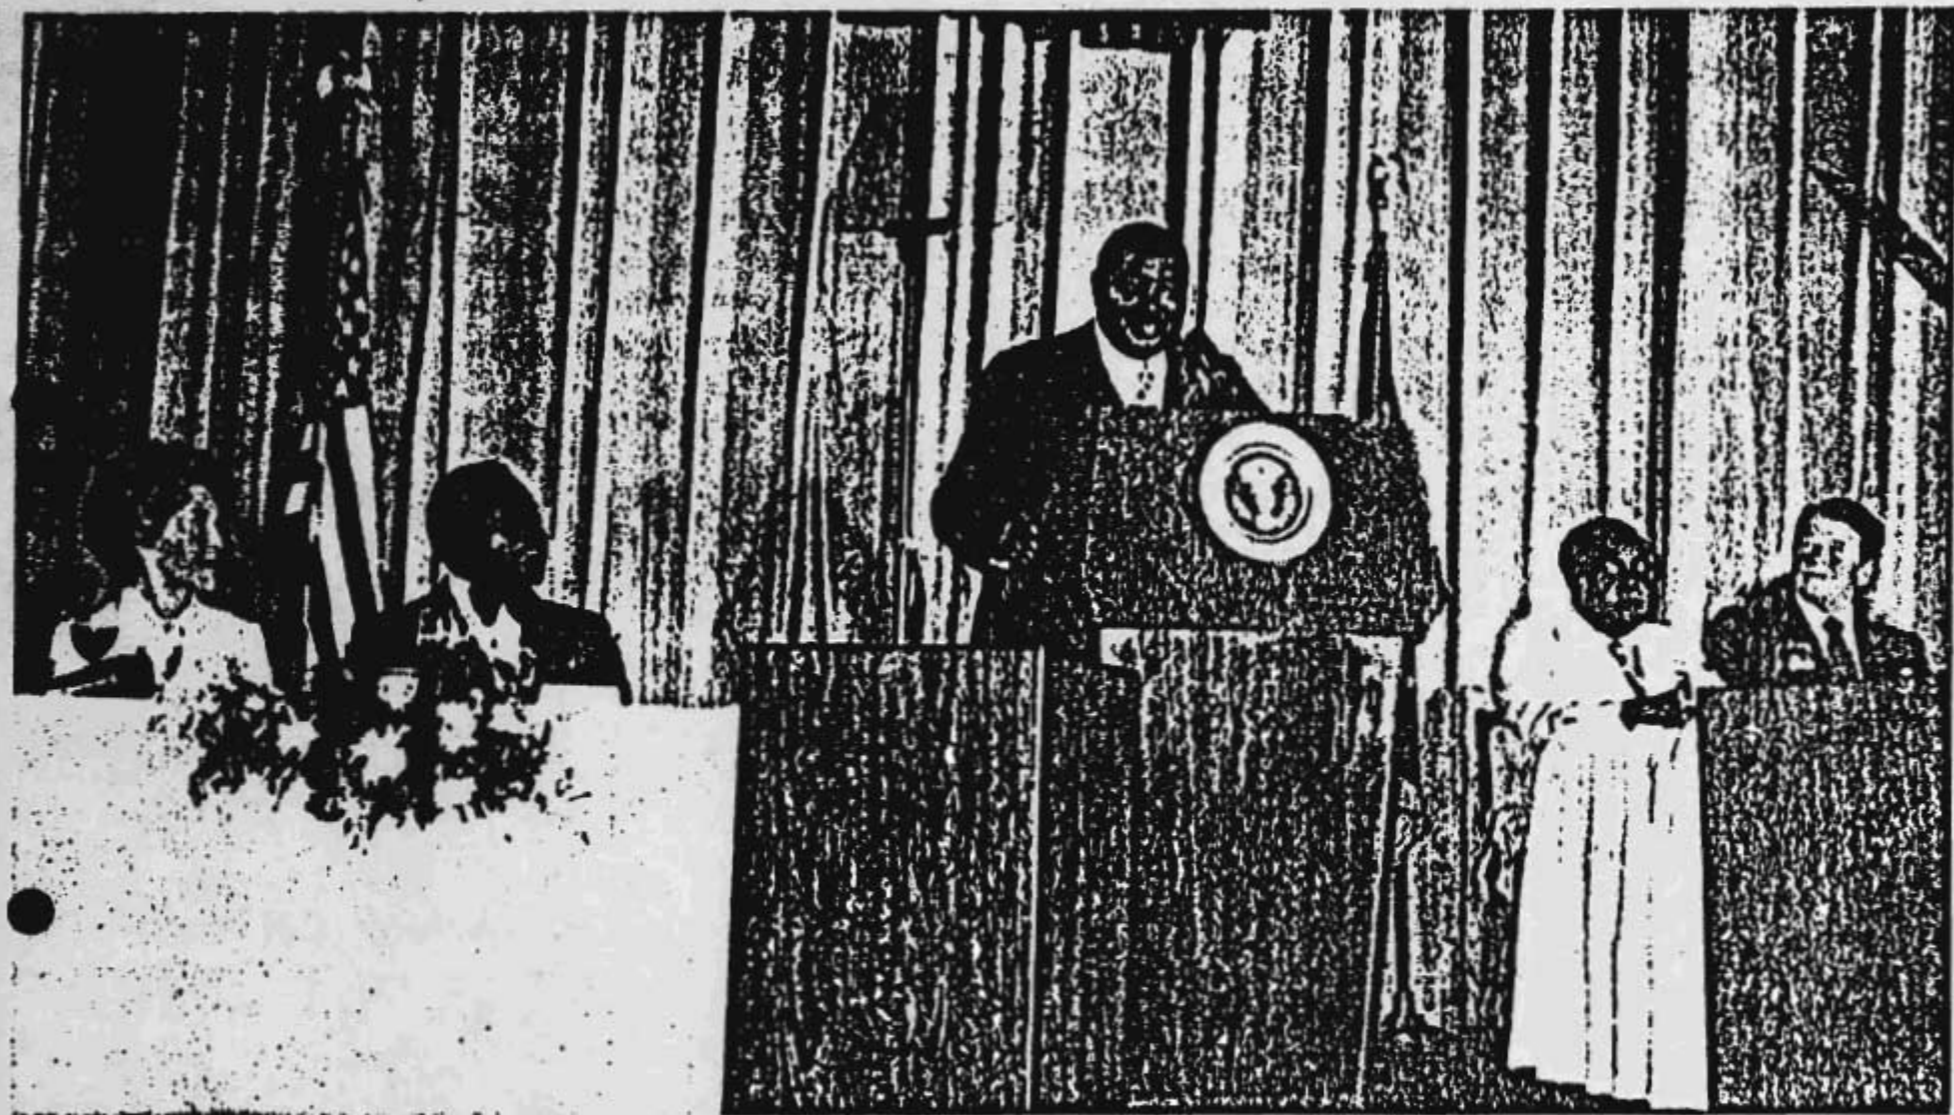

This means that President Reagan has twice as many blacks in key positions at the White House as any president before him. Republicans made international news when President Eisenhower appointed E. Fredric Morrow as the first black American to the White House staff.

Presidents who followed Eisenhower continued appointing blacks to their staff, but none have included blacks to the extent that President Reagan has. His black appointees to top level White House positions — more than ever before — are: Melvin Bradley, Assistant to the President; George Armstrong, Assistant Director of Presidential Personnel; Trudi Morrison and John Tiller, Special Assistants to the President for Public Liason; William Keys, Policy Advisor; and Wendell Gunn, Special Assistant to the President.

No Democrat or Republican President has shown as much confidence in the abilities of Black Americans as President Reagan has!

# Clay Claiborne Honored

**SALUTE TO FIRST FAMILY—**President and Mrs. Reagan listen attentively to Black Silent Majority's national director Clay Claiborne as he praised the President for his great work and Mrs. Nancy Reagan for enhancing the prestige of America's First Lady. all that is needed for evil  
to succeed is for the  
good to remain silent.

# Syrians paid part of tab for Jackson

WASHINGTON (UPI) — The Syrian government paid some of the expenses of Jesse Jackson's entourage during the Democratic presidential candidate's successful mission to free captured Navy flier Lt. Robert O. Goodman Jr. last week, it was reported last night.

The Washington Post said members of Jackson's delegation and officials at the Damascus Hotel where the Jackson group stayed confirmed Syria picked up part of their tab.

Two hours before Jackson left Damascus with Goodman, the comptroller of the Sheraton Damascus told the Post that the Syrian Foreign Ministry had agreed to pay all costs billed to Jackson's room during his stay.

The hotel said Jackson's bill was 6,612 Syrian pounds — about \$1,140 — which "is being charged to the Foreign Ministry."

# What about President Reagan and Black America?

PRESIDENT RONALD REAGAN

Washington, D.C. — A small handful of "black spokesmen" — made prominent by the news media — is freezing blacks out of participation in national leadership by creating an "us-against-them" mentality with regard to the Reagan Administration.

It is time for Black America to see through this hocus-pocus! President Reagan has honestly sought to include blacks in federal policy decisions, and to consider their needs. Support exists in nearly every black community for many of the President's programs.

But, the news media keeps on turning to the same few "black leaders" who say that all black Americans are automatically "anti-Reagan." Their knee-jerk opposition to any Reagan proposal pits black America, unnecessarily, against the sweeping national trend toward smaller government, tax reform, fiscal responsibility, a stronger foreign policy and an improved national defense. They want to keep Black America "on the outside looking in."

Continued on Page 2, Col. 1

## Cutting Inflation

The greatest boost to all Americans provided by the Reagan Administration is its tremendous cut in INFLATION. Black families, like all American families, are getting more for their dollars. Courageous and determined efforts by President Reagan have brought inflation under control, directly benefitting all Americans. The record is so good that Democrats don't call it REAGANOMICS anymore!

## Don't Argue With Your Neighbor About Ronald Reagan!

In the Black Communities across America, perhaps the fastest way to create an ARGUMENT is to say something good about President Reagan.

### WHY AN ARGUMENT?

In modern Black America our greatest attribute is the ability to think for ourselves! Former President Jimmy Carter was the first to charge that the election of President Reagan would pit "race against race." But in the years since Mr. Reagan's administration began, nothing like Mr. Carter's dark predictions has come true. Blacks have NOT been against Whites; Jews have not been against Gentiles, no race has been "against" another race, as Mr. Carter predicted.

Other charges made against Mr. Reagan can be traced to "media Black leaders" who have a vested financial or political INTEREST in tearing the President down. Jesse Jackson received millions Mr. Carter did Mrs. Andrew Young,

and a host of others. All of this money from black and white taxpayers was supposed to advance, help or improve life for Black Americans! Did it help you? Did dollars help any black that you know? Think about it. Why an argument on the Reagan administration programs? Being Black is a poor excuse for an argument! Think About It!

The fact is: Jesse Jackson and the others screaming against Mr. Reagan are all Democrats! They seek publicity by knocking the Reagan Administration without suggesting anything close to creditable alternatives.

If they cannot, or will not, deal honestly with the President's initiatives for good, they are not honestly speaking for or to, Black Americans. Read this publication.

## A Fact You Should Know

Stephanie L. Miller a former California reporter is the youngest woman nominated for the position of assistant secretary of the Department of Health and Human Services.

She will be, by virtue of the president's nomination the youngest sub-Cabinet secretary.

# What about President Reagan

Continued from page 1)

Blacks, along with other Americans, stand to benefit from continuing Mr. Reagan's programs. But this viewpoint receives little attention in the media. Instead, highly partisan blacks are allowed to carry out a daily "hatchet job" on the Reagan administration. They do this via television, radio and newspapers.

Unchecked, these circumstances will bring about an unprecedented, vicious, black-against-white presidential election in 1984 — a campaign not of issues, but of race. Black Americans ought not, cannot let, this happen!

Media Black leadership seems to thrive by narrowly criticizing every Republican president, regardless of the record. President Eisenhower was given this severe black treatment, yet he integrated the nation's capital, sent the 101st Airborne into Little Rock to integrate the public schools, and passed the first civil rights law in seventy years in 1957.

President Nixon and Ford, both Republicans, got no "good words" from black leadership. Yet during their administrations the Air Force got its first black 4-star general, and black generals and admirals were appointed in all branches of the Armed Forces.

They killed segregation in the Armed Forces, a "sore spot" with black military personnel for a hundred years, yet, these presidents did not get any praise or thanks from black leaders! More blacks found employment during the Nixon-Ford years and black businesses increased 300% under the SBA (8a) program.

President Ronald Reagan, who owes no political favors to blacks because of their "non-support" in this 1980 campaign gets no word of praise for his sincere efforts to advance black Americans. President Eisenhower appointed the first black to the White House staff and President Reagan has appointed six (6) blacks to top positions on his White House staff.

President Nixon made direct federal grants to the United Negro College Fund, a policy which continued under the Ford Administration. These history making events, which greatly enhanced black progress, are ignored by black "leaders" Most notable is Benjamin Hooks of the NAACP. Mr. Hooks, a Nixon appointee, became the first black FCC commissioner which put Hooks into the national spotlight. His thinks is to "poor mouth" Republican Presidents.

## Don't Argue

Continued from Page One...

cation! See for yourself the fallacies in their case against the President!

These false leaders are trying to "broker" or "auction off" all black voters in the 1984 elections to Democrats. They display a plantation mentality which cannot meet the challenges of today. Here's what they are preaching to Black Americans:

"Ignore our need to be productive, resourceful and creative. Disregard the fact that Black self-respect and dignity have been trampled in the dust by the worn-out, "I-love-the-blacks" liberal rhetoric. Just keep shovelling out more and more of those big do-nothing government dollars. Gimme more barrels o' tax money and we'll keep on delivering the Blacks to the democrats!"

Don't argue with your neighbor about Ronald Reagan, but think of your self-respect. See the challenges of the future as they affect all of America and remember America is Our (Your) Country too!

## Employment Is Now Up

More Americans are working now than ever before during the last 6 years. Daily, more jobs are created, and more blacks are finding employment. Although many young blacks are still seeking employment, and will receive help, the total black workforce is larger than it was in 1980.

**"Ye Shall Know the Truth  
- the Truth Shall Make You Free"**

## Lower Taxes For All

...more money to take home... more to spend on your family... get that extra money for your pockets. Indeed Black Americans need this, as all people do, that extra money. Neither black or white - but GREED. The Reagan Tax Plan means more "take home pay" at the end of your work week.

## Fair Housing

Investigations by the Reagan Administration have created a record number of court cases on fair housing. And the President is asking the Congress for New and Tougher Fair Housing Laws!

## CIVIL RIGHTS

CIVIL RIGHTS ENFORCEMENT, the issue that touches the heartstrings of Black Americans, has not slackened under the President's leadership. The un-reported truth is that, in 1982, under President Reagan, the U.S. Justice

Department filed more civil rights cases in a single year than under any other president, Democrat or Republican. The forthright action by the President continues. Check the RECORD. Black "leaders" who rail against the Administration are compromising the truth for personal and political gain.

**REAGAN! First President To Sign National**

## \$ VALUE IS UP...

Americans are getting more for their dollars because interest rates are down. During the Carter years interest payments, always a source of concern to Blacks, kept many people from owning new homes and new automobiles. (Remember those 18% to 20% deals! They're gone now!) Fact is that interest rates have been lowered considerably during the years that Ronald Reagan has directed our revitalized economy from the White House.

## Voter Protection

Under President Reagan, Voting Rights Laws were renewed with a longer extension than ever before in the history of the United States. There has been too little reported or said, but President Reagan, dropped the previous 10-year extension plan, and had Voting Rights for blacks extended for 25-years!

Never before have so many blacks been elected to so many political offices.

Voting Rights has made this possible, and Voter Protection is backed 100% by the Reagan Administration, which has opposed 'bogus' redistricting and sent federal officials to monitor racially tense elections.

## A Black Woman In The White House

The highest ranking Black woman in the White House, Trudi M. Morrison, associate director of the Office of Public Liaison for President Reagan is directing a 50 states project to help identify state laws which render discriminatory.

Ms. Morrison, holder of many educational degrees, is cited by the president for her outstanding performance.

One of the presidential staff's hardest and most dedicated workers she is covering the major cities in America.

**\$29,000,000**

Meharry Medical College at Nashville, Tenn., which has produced more than 85% of the nation's black doctors, was aided by the Reagan Administration with a bonanza write-off of its \$29,000,000.00 debt!

This is one of the many "never reported" contributions which President Reagan has made to Black America. For many years Meharry was the only medical school open to blacks. Today, Meharry educates more black doctors than all other schools in America.

## Highway Improvement

For the first time Black Contractors will get a fair share of the billion dollar highway improvement and construction program, thanks to President Reagan!

Over 5 billion dollars has been set aside for minority businesses in national highway construction guarantees over the next four years. Under the program blacks are no longer restricted to being common laborers in our massive highway repairs and construction programs, but, are given federal contracts. This is free enterprise and self-help. This is the Reagan Administration's way of getting things done!

## Increased Minority Business

Millions of Dollars for Black Businesses! The federal program of letting contracts to black and minority businesses has been enlarged and made more easily accessible under the Reagan Administration. Virtually stopped by earlier Democrat "red tape," the program has been helped and inspired by President Reagan.

All over the United States, Black business are on the upswing! Inner cities will receive major help under the President's proposed Enterprise Zones, a plan to rebuild the cities. The plan has been enacted by several states, but delayed nationally by a stalling Democrat Congress. In a second term, President Reagan is sure to push through the Enterprise Zone legislation Black America needs.

## Famous Heros

When former boxing champion Joe Louis died President Reagan, personally requested and got the Congress to grant special permission for Joe Louis to be buried in Arlington National Cemetery. Because of this presidential action Champion Joe Louis rests near the Nation's Capitol, among other great heroes of our America.

## Demoted by Carter

During the Carter years Terence Todman was removed as the first Black assistant secretary of state for Latin America.

Under President Reagan this popular and courageous Black diplomat was made Ambassador to Denmark. This is one of the many highly significant positions given to Blacks by President Reagan.

Ambassador Todman's place in the nation's international program is important because Denmark is virtually a totally white nation.

## Reagan Gives \$25 Million

*Dr. Frederick Patterson Honored at The White House*

In an event not reported in nearly all the nation's media, President Ronald Reagan, marked the celebration of "Black College Day" by signing legislation which added an additional \$25 million funding to black colleges.

The president honored 80-year-old Dr. Frederick D. Patterson, former head of Tuskegee Institute and founder of the United Negro College Fund. Dr. Patterson retired after serving TI for over 30-years. The reception was attended by more than 100 Black College heads.

This extra money increases the Reagan Administration funding for black colleges by about 12% more than the Fund ever got from previous administration.

However the combined outlay by the Administration under the President's guidelines to 27 federal agencies passed the \$625 million mark.

This is the kind of treatment President Reagan is enhancing the growth of Black Colleges with. Yet, the President Gets No Credit from Black leaders.

Black colleges educate the majority of lawyers, physicians and over half of the Black business executives in major American corporations

## Black Americans in The White House

Here's an interesting bit of information that has never hit the news media or been reported by Black "leaders".

President Reagan has six blacks on his top White House Staff!

This means that President Reagan has twice as many blacks in key positions at the White House as any president before him. Republicans made international news when President Eisenhower appointed E. Fredric Morrow as the first black American to the White House staff.

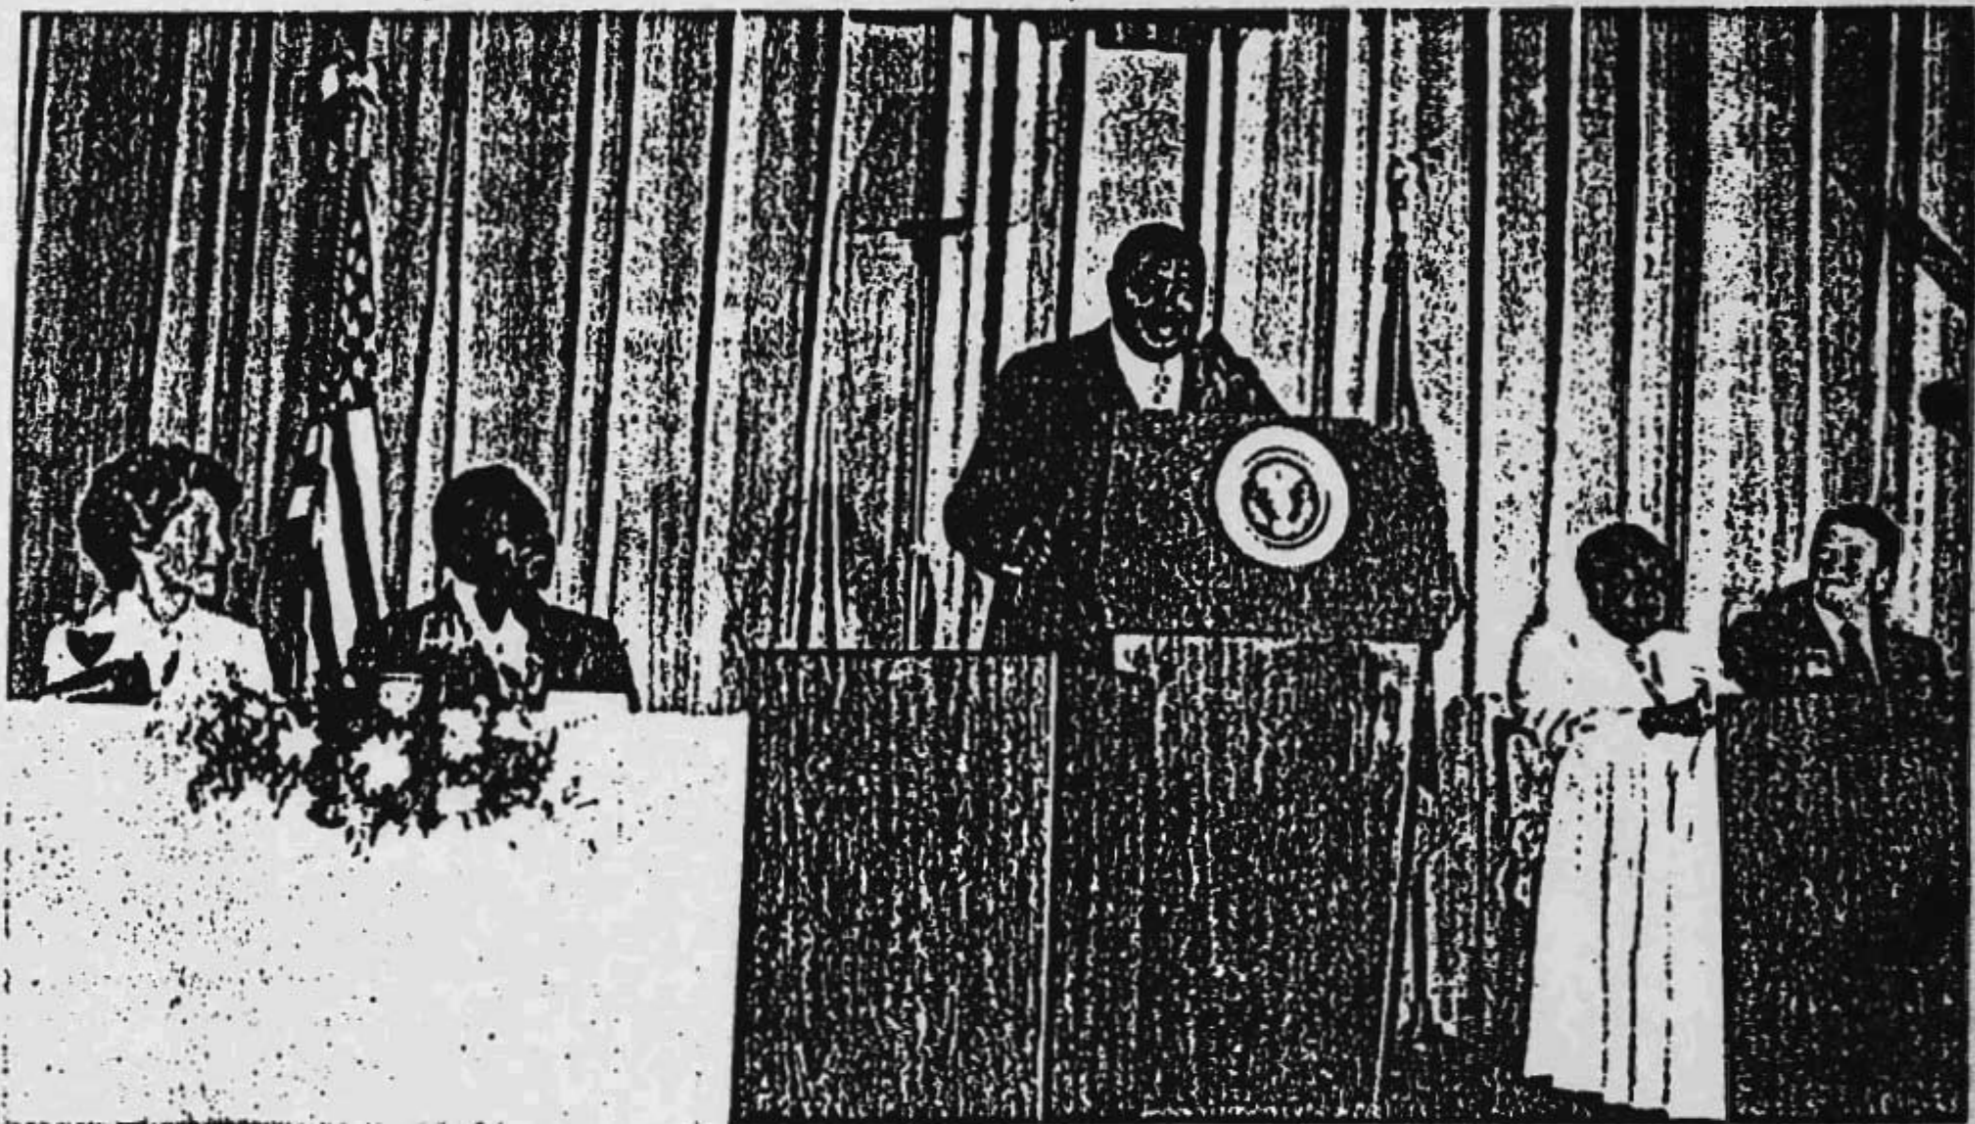

Presidents who followed Eisenhower continued appointing blacks to their staff, but none have included blacks to the extent that President Reagan has. His black appointees to top level White House positions — more than ever before — are: Melvin Bradley, Assistant to the President; George Armstrong, Assistant Director of Presidential Personnel; Trudi Morrison and John Tiller, Special Assistants to the President for Public Liaison; William Keys, Policy Advisor; and Wendell Gunn, Special Assistant to the President.

No Democrat or Republican President has shown as much confidence in the abilities of Black Americans as President Reagan has!
