Dear Mr. Tauber:

On , 1985, the Commission determined that there is probable cause to believe that your clients violated 2 U.S.C. §§ 433(a) and 434(a), provisions of the Federal Election Campaign Act of 1971, as amended, in connection with a failure to register and report after making contributions and expenditures totalling in excess of \$1,000.

The Commission has a duty to attempt to correct such violations for a period of thirty to ninety days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. If we are unable to reach an agreement during that period, the Commission may institute civil suit in United States District Court and seek payment of a civil penalty.

We enclose a conciliation agreement that this Office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it along with the civil penalty to the Commission within ten days. I will then recommend that the Commission approve the agreement. Please have the check for the civil penalty made payable to the U.S. Treasurer.

**EXECUTIVE SESSION**

GENERAL COUNSEL'S REPORT

JUL 30 1985

**I. BACKGROUND**

On March 12, 1984, the Office of the General Counsel received a complaint filed by Peter J. Visclosky, a Democratic primary candidate from the First District of Indiana, against the Crawford for Congress Committee ("the federal committee"), the principal campaign committee of his primary opponent, Jack F. Crawford. The complaint stated allegations pertaining to transfers of funds from Citizens for Crawford ("the state committee"), Mr. Crawford's state campaign committee for election to the office of Lake County Attorney to the federal committee. An amended complaint, received on March 23, 1984, alleged that the federal committee failed to state on campaign billboards that the billboards were paid for by the federal committee. On July 31, 1984, the Commission found reason to believe that the state committee and Ann Crawford, as its treasurer, violated 2 U.S.C. § 433(a) and 434(a) for failure to register within ten days and report, after making over \$1,000 in expenditures for Mr. Crawford's Congressional campaign. The Commission also found reason to believe that the state committee and Mrs. Crawford, as its treasurer, and the federal committee and Mr. Curosh, as its treasurer, violated 2 U.S.C. § 441a and 441b(a) in connection

8504050697

with the possible transfer and receipt of excessive individual contributions and commingled corporate and labor funds. The Commission also found reason to believe that the federal committee and Joseph L. Curosh, as treasurer, violated 2 U.S.C. § 441d(a)(1) in connection with the failure to state that the committee had paid for the billboards.

After the receipt of responses from both committees, this Office, on February 20, 1985, sent briefs to counsel for the state committee and to the treasurer of the federal committee. These briefs stated that this Office was prepared to recommend that the Commission take no further action with respect to the 2 U.S.C. §§ 441a and 441b allegations. The brief sent to the state committee, however, stated that the General Counsel was prepared to recommend a finding of probable cause to believe that Citizens for Crawford and Ann J. Crawford, as its treasurer, violated 2 U.S.C. §§ 433(a) and 434(a) in connection with the failure to register and report after making over \$1,000 in expenditures. The brief sent to the federal committee stated that the General Counsel was prepared to recommend a finding of probable cause to believe that Crawford for Congress and Joseph L. Curosh, as treasurer, violated 2 U.S.C. § 441d(a)(1) in connection with the failures to include disclaimers on Crawford for Congress billboards.

On March 8, 1985, this Office received a letter and an affidavit from Mr. Curosh. The letter requested pre-probable cause conciliation but also enclosed an affidavit explaining the

reason for omissions of the disclaimer required by 2 U.S.C. § 441d(a). Mr. Curosh stated that, pursuant to these instructions, a campaign worker placed an order for the billboard and requested the disclaimer; that prior to the erection of the billboards, there was a strike at the company contacted; that the amount of billboard time was reduced because of the strike and the company provided the campaign with additional billboard space in lieu of a refund; that the additional space required a second printing which mistakenly deleted the disclaimer; that Mr. Curosh did not hear of this omission until he received the amended complaint; and that, after learning of the problem, "efforts were made immediately to put disclaimers on all billboards which did not have them."

On April 2, 1985, this Office received a reply from counsel for the state committee and its treasurer. Counsel requested pre-probable cause conciliation but also enclosed a brief. Counsel explained that the \$4,613.74 in expenditures were made out of state committee funds "when the candidate began to explore the feasibility of a Congressional Campaign (sic)." Prior to the expenditure of \$5,000, Mr. Crawford's Statement of Candidacy and the federal committee's Statement of Organization were filed. Counsel further stated that the expenditures were reported on the federal committee's 1983 Year End report and the "appropriate State Report (sic)." Counsel stated that the federal report "treated the above expenditures as being made by the Federal Committee (sic) and the source of the funds being a transfer from

the State Committee (sic)." Counsel maintains that these activities constituted compliance with the Act by the state committee.

On May 8, 1985, the Commission approved entering into pre-probable cause conciliation with both the state and federal committees.

**II. LEGAL ANALYSIS**

36040560702

Based on the foregoing analysis, the Office of the General Counsel recommends that the Commission find probable cause to believe that the federal committee and Ann Crawford, as its treasurer violated 2 U.S.C. §§ 433(a) and 434(a).

GENERAL COUNSEL'S REPORT

**SENSITIVE**

I. BACKGROUND

On March 12, 1984, the Office of the General Counsel received a complaint filed by Peter J. Visclosky, a Democratic primary candidate from the First District of Indiana against the Crawford for Congress Committee, the principal campaign committee of his primary opponent, Jack F. Crawford.

The complaint first stated that Crawford for Congress ("the federal committee") failed to itemize \$25,188.74 in transfers from Citizens for Crawford ("the state committee"), Mr. Crawford's campaign committee for the post of Lake County Attorney, to the federal committee. The complaint stated that this failure was based upon the federal committee's desire to cover up the presence of corporate, labor organization, and excessive contributions within the transfers. The complaint stated that "the candidate tried to pick and choose transferred contributions when the proper and logical method to be used is "last in - first out." Such a failure to itemize would be a violation of 2 U.S.C. § 434(b)(3).

The complaint alleged that under last in - first out analysis, some of the monies transferred were from improper sources and that, therefore, violations of 2 U.S.C. §§ 441a and 441b resulted.

36040707

The complaint also referred to specific disbursements by the state committee and alleged that these disbursements were actually made in furtherance of Mr. Crawford's federal candidacy. The disbursements were for Christmas cards sent by the Crawford family, for a picnic fundraiser held by the state committee, for a fundraiser held one month prior to Mr. Crawford's announcement of his candidacy, and numerous other "political expenditures."

Subsequent to the complaint, the federal committee on March 23, 1984, sent a complete itemization of the funds it asserts were used for the expenditures and transfers.

In response to the complaint, both the state committee treasurer and the federal committee treasurer claimed that the expenditures and transfers totalling \$33,613.74 did not contain any commingled money from corporate, labor organization or excessive contributions. Both treasurers acknowledged that transfer of \$20,000 was made on July 29, 1983, and a transfer of \$9,000 was made on September 6, 1983. They further pointed out that the sum of \$4,613.74 was reported to the Commission to reflect the expenditures made by the state committee on behalf of Mr. Crawford's Congressional candidacy. The treasurer of the state committee also responded directly to allegations pertaining to expenditures other than the \$4,613.74. She specifically defended each set of expenditures as being unrelated to Mr. Crawford's Congressional campaign. She also disclosed that the expenditures for the 1983 picnic were \$3,473.03, not \$2,991.79.

05040500710

Based upon a reivew of the reports enclosed with the complaint and a review of the responses to the complaint, the Commission, on July 31, 1984, found reason to believe that Citizens for Crawford and its treasurer, Ann Crawford, violated 2 U.S.C. §§ 433(a) and 434(a) for failure to register within ten days and report, after making over \$1,000 in expenditures for Mr. Crawford's Congressional campaign. The Commission also found reason to believe that Citizens for Crawford and Ann Crawford, as treasurer, violated 2 U.S.C. § 441b(a) in connection with the possible acceptance of commingled corporate or labor funds.

35040530711  
A response was received from the treasurer of the federal committee on August 27, 1984. Mr. Curosh maintained in a sworn to, notarized affidavit that the funds transferred from "the prior State Campaign Committee were transferred under the 'Last in-First out' manner as required with contributions which were not permissible being excluded from the transfer." Mr. Curosh stated that the complainant misinterpreted the law by alleging that, in a transfer, impermissible funds cannot be bypassed. Mr. Curosh maintained that he received instructions for the transfer of funds from an individual at the Commission whose name he did not record.

On September 24, 1984, this Office received a response from counsel for Citizens for Crawford. This response included a copy of each annual report filed with the Indiana State Election Board by the committee since 1978, including a revised 1983 report with appropriate arithmetical corrections. Counsel also enclosed a

copy of an invitation and a ticket to a fundraiser held almost every year since 1978, including 1983, by Mr. Crawford. Also enclosed was an affidavit from Ann Crawford maintaining that the 1983 picnic held by the state committee was not related to Mr. Crawford's Congressional campaign.

On February 20, 1985, this Office sent briefs to counsel for the state committee and the treasurer of the federal committee. With respect to the allegations of the use of improper contributions, this Office used a last in-first out analysis and reviewed contributions received by the state committee as far back as 1981. Using a worst-case analysis for all contributions from businesses, i.e., assuming that all the businesses were incorporated, and adding the labor organization contributions and the excessive contributions, the briefs stated that the General Counsel was prepared to recommend that the Commission take no further action with respect to the 2 U.S.C. §§ 441a and 441b allegations. The brief sent to the state committee, however, stated that the General Counsel was prepared to recommend a finding of probable cause to believe that Citizens for Crawford and Ann J. Crawford, as its treasurer, violated 2 U.S.C. §§ 433(a) and 434(a) in connection with the failure to register and report after making over \$1,000 in expenditures. The brief sent to the federal committee stated that the General Counsel was prepared to recommend a finding of probable cause to believe that Crawford for Congress and Joseph L. Curosh, as treasurer, violated 2 U.S.C. § 441d(a)(1) in connection with the failures to include a disclaimer on Crawford for Congress billboards.

06040300712

On March 8, 1985, this Office received a letter and an affidavit from Mr. Curosh. The letter requested pre-probable cause conciliation but also enclosed an affidavit explaining the reason for omissions of the disclaimer required by 2 U.S.C. § 441d(a). Mr. Curosh states that, pursuant to these instructions, a campaign worker placed an order for the billboard and requested the disclaimer; that prior to the erection of the billboards, there was a strike at the company contacted; that the amount of billboard time was reduced because of the strike and the company provided the campaign with additional billboard space in lieu of a printing; that the additional space required a second printing which mistakenly deleted the disclaimer; that Mr. Curosh did not hear of this omission until he received the amended complaint; and that, after learning of the problem, "efforts were made immediately to put disclaimers on all billboards which did not have them."

On April 2, 1985, this Office received a reply from counsel for the state committee and its treasurer. Counsel requested pre-probable cause conciliation but also enclosed a brief. Counsel explains that the \$4,613.74 in expenditures were made out of state committee funds "when the candidate began to explore the feasibility of a Congressional Campaign (sic)." Prior to the expenditure of \$5,000, Mr. Crawford's Statement of Candidacy and the federal committee's Statement of Organization were filed. Counsel further states that the expenditures were reported on the federal committee's 1983 Year End report and the "appropriate

35040500713

State Report (sic)." Counsel states that the federal report "treated the above expenditures as being made by the Federal Committee (sic) and the source of the funds being a transfer from the State Committee (sic)." Counsel maintains that these activities constituted compliance with the Act by the state committee.

Re: MUR 1643  
Crawford for Congress Committee

Dear Sir:

This letter is written in response to the brief of the General Counsel with reference to the above complaint concerning the Office of the General Counsel's recommendation that the Commission find probable cause to believe that U.S.C. § 441d (a)(1) was violated by the Crawford for Congress Campaign Committee and myself as Treasurer of said Campaign Committee.

I have attached to this letter, in place of a brief, an Affidavit setting forth the underlying facts concerning the alleged violation. It is my position that although the disclaimers were not placed on all billboards as alleged, that said violation did not occur due to the fact that the disclaimers were not printed by mistake, which could not be attributed to either myself as Treasurer, or to the Committee. Furthermore, I submit to you that upon learning of the missing disclaimers, every effort was made to immediately put disclaimers on the affected billboards.

I direct your attention to the attached Affidavit and my position concerning this matter.

Thank you for any consideration you may give us on this matter.

Comes now JOSEPH L. CUROSH, after first being duly sworn upon his oath and deposes and says that, to the best of his knowledge and belief, the following is true:

1. That Joseph L. Curosh is the Treasurer of the political campaign committee, Crawford for Congress;

2. That this Affidavit is made in response to the general counsel's brief concerning MUR 1643;

3. That the printing for the billboards for the Crawford for Congress campaign, which was the subject matter of this complaint, was done with two separate printings;

4. That the campaign worker in charge of the billboards was instructed by the Affiant, prior to the printing of the billboards, that the disclaimer was required and necessary;

5. That the campaign worker properly placed the first order and requested that the disclaimer be placed on the billboard material, and it was;

6. That prior to the billboards being put up, the company with whom the Committee contracted with for the billboard space had a labor dispute with its employees which resulted in a strike. This strike delayed the putting up of the billboards;

1- p. 3 of 5

7. Due to the fact that the amount of the billboard time contracted for was reduced by the strike and the fact that the company would not refund the payment for the billboards, an agreement was reached between the campaign committee and the billboard company that provided for additional billboard space in lieu of a refund;

8. This additional billboard space required a second printing of the billboard material and it was on this printing that the disclaimer was mistakenly deleted;

9. All the billboards were posted and it was not until the Affiant received this complaint from the FEC did he learn that some of the billboards did not contain the disclaimer;

10. After learning of the problem concerning the disclaimer, efforts were made immediately to put disclaimers on all billboards which did not have them;

11. The missing disclaimers were the result of a mistake in printing and it was not the intention at any time of the Treasurer or the Committee to put up billboards without the disclaimer, but rather it was the intention, at all times, of the Committee, to put up billboards with a disclaimer;

1 - p. 4 of 5

12. This position is further supported by the fact that the disclaimer was present, to the best of my knowledge and belief, on all other campaign material.

## RESPONDENT'S BRIEF

### I. STATEMENT OF THE CASE:

The General Counsel for the Federal Election Commission advised Citizens for Crawford Committee and Ann J. Crawford as Treasurer, by letter dated February 20, 1985, that he is prepared to recommend that the Federal Election Commission find probable cause to believe that a violation of 2 U.S.C. §§ 433(a) and 434(a) has occurred. The General Counsel's Brief, Page 6, Line 15, of Legal Analysis states, "Moreover, because Citizens for Crawford made expenditures on behalf of Crawford Congressional Campaign which exceeded \$1,000 as of July 7, 1983, it became a political committee under the Act and was required to register as of July 17, 1983."

The Citizens for Crawford Committee did, in fact, make expenditures on the dates as stated in the General Counsel's Brief and, furthermore, reported such expenditures on the State Report for the appropriate period. In addition, these expenditures were also reported as itemized disbursements in the Federal Report for the year ending December 31, 1983 in the amount of \$4,613.74 on Line #12, Pages 1 through 3, under the heading, "Initial Disbursements made by Citizens for Crawford." Also, that amount was shown

2 -p. 2 of 5

in itemized receipts as a transfer from the State Committee to Crawford for Congress Committee on Schedule A - Transfers From Other Authorized Committees, Page 1, Line #12. In addition, the underlying complaint alleged that certain expenditures by the State Committee for a 1983 picnic at Wicker Park, which totaled \$3,473.03, were made in furtherance of the Congressional Campaign. This expenditure will be addressed later in the Brief.

II. LEGAL ANALYSIS:

(a) Initial Expenditure.

9 5 0 4 0 5 6 0 7 2 3  
Federal Election Commission regulations provide that an individual becomes a candidate for federal office (U.S. Congress) and thus triggers registration and reporting obligations under the Act when his or her campaign exceeds \$5,000 in either contributions or expenditures. See 11 C.F.R. § 100.3(a)(1) through (4). Accordingly, when the candidate began to explore the feasibility of a Congressional Campaign, certain expenditures were made out of the Citizens for Crawford funds in the amount of \$4,613.74. These expenditures were made prior to the candidate's filing of his Statement of Candidacy.

Prior to the expenditure of \$5,000 as provided for in the Act, the Statement of Candidacy and Statement of Organization forming the Crawford for Congress Committee were filed as required. In addition, the expenditures of \$4,613.74 were reported in itemized

35040724  
form in both the appropriate State Report and the Crawford for Congress Report filed with the FEC for the period ending December 31, 1983. The Crawford for Congress Report (Federal Report) filed with the FEC for this period treated the above expenditures as being made by the Federal Committee and the source of the funds being a transfer from the State Committee. Furthermore, all of these particular expenditures and the source of these funds were itemized in the Federal Report for the period ending December 31, 1983. Both the State Committee and the Federal Committee attempted to comply with the Act and, in fact, it is our position that the State Committee complied with the Act in reporting the above expenditures.

(b) Citizens for Crawford Picnic.

On September 10, 1983, Citizens for Crawford Committee sponsored a free picnic at Wicker Park in Highland, Indiana. This was the 5th Annual Picnic of this nature and format which has been paid for and sponsored by the Citizens for Crawford Committee.

Following are the dates of the picnics:

1. September 10, 1983
2. September 11, 1982
3. August 29, 1981  
(1980 - no picnic)
4. September 8, 1979
5. Fall of 1978

The intention of this picnic was simply to continue the

36040360725

practice of providing this annual activity for our friends. (Please note that Jack F. Crawford was unopposed both in the Primary and General Elections which were held in May and November, 1982, respectively. Accordingly, Mr. Crawford has not been in a contested election since 1978). Further, year in and year out, the Citizens for Crawford Committee has sponsored this picnic during five of the last six years while there has been no political contest. In addition, the practice of this annual picnic was again continued on September 8, 1984. Please note that this is subsequent to the congressional election and again during a period when Mr. Crawford was not a candidate for any office whatsoever. It is therefore submitted that the picnic on September 10, 1983 was not sponsored in order to further Mr. Crawford's Federal Election Campaign, but merely the continuance of an annual practice.

III. CONCLUSION:

It is the position of the Respondent that the Citizens for Crawford Committee (State Committee) complied with the Federal Election Campaign Act of 1971, as amended, and was not required to register under the Act as suggested by the General Counsel.

## II. LEGAL ANALYSIS:

### (a) Initial Expenditure.

Federal Election Commission regulations provide that an individual becomes a candidate for federal office (U.S. Congress) and thus triggers registration and reporting obligations under the Act when his or her campaign exceeds \$5,000 in either contributions or expenditures. Federal Election Commission regulations provide that an individual becomes a candidate for federal office (U.S. Congress) and thus triggers registration and reporting obligations under the Act when his or her campaign exceeds \$5,000 in either contributions or expenditures. See 11 C.F.R. § 100.3(a)(1) through (4). Accordingly, when the candidate began to explore the feasibility of a Congressional Campaign, certain expenditures were made out of the Citizens for Crawford funds in the amount of \$4,613.74. These expenditures were made prior to the candidate's filing of his Statement of Candidacy.

Prior to the expenditure of \$5,000 as provided for in the Act, the Statement of Candidacy and Statement of Organization forming the Crawford for Congress Committee were filed as required. In addition, the expenditures of \$4,613.74 were reported in itemized

3 6 0 4 0 7 3 5  
form in both the appropriate State Report and the Crawford for Congress Report filed with the FEC for the period ending December 31, 1983. The Crawford for Congress Report (Federal Report) filed with the FEC for this period treated the above expenditures as being made by the Federal Committee and the source of the funds being a transfer from the State Committee. Furthermore, all of these particular expenditures and the source of these funds were itemized in the Federal Report for the period ending December 31, 1983. Both the State Committee and the Federal Committee attempted to comply with the Act and, in fact, it is our position that the State Committee complied with the Act in reporting the above expenditures.

(b) Citizens for Crawford Picnic.

On September 10, 1983, Citizens for Crawford Committee sponsored a free picnic at Wicker Park in Highland, Indiana. This was the 5th Annual Picnic of this nature and format which has been paid for and sponsored by the Citizens for Crawford Committee.

Following are the dates of the picnics:

1. September 10, 1983
2. September 11, 1982
3. August 29, 1981  
(1980 - no picnic)
4. September 8, 1979
5. Fall of 1978

The intention of this picnic was simply to continue the

3604050730  
practice of providing this annual activity for our friends.  
(Please note that Jack F. Crawford was unopposed both in the  
Primary and General Elections which were held in May and November,  
1982, respectively. Accordingly, Mr. Crawford has not been in a  
contested election since 1978). Further, year in and year out,  
the Citizens for Crawford Committee has sponsored this picnic  
during five of the last six years while there has been no political  
contest. In addition, the practice of this annual picnic was  
again continued on September 8, 1984. Please note that this is  
subsequent to the congressional election and again during a period  
when Mr. Crawford was not a candidate for any office whatsoever.  
It is therefore submitted that the picnic on September 10, 1983  
was not sponsored in order to further Mr. Crawford's Federal  
Election Campaign, but merely the continuance of an annual practice.

III. CONCLUSION:

It is the position of the Respondent that the Citizens for  
Crawford Committee (State Committee) complied with the Federal  
Election Campaign Act of 1971, as amended, and was not required to  
register under the Act as suggested by the General Counsel.

## RESPONDENT'S BRIEF

I. STATEMENT OF THE CASE:

The General Counsel for the Federal Election Commission advised Citizens for Crawford Committee and Ann J. Crawford as Treasurer, by letter dated February 20, 1985, that he is prepared to recommend that the Federal Election Commission find probable cause to believe that a violation of 2 U.S.C. §§ 433(a) and 434(a) has occurred. The General Counsel's Brief, Page 6, Line 15, of Legal Analysis states, "Moreover, because Citizens for Crawford made expenditures on behalf of Crawford Congressional Campaign which exceeded \$1,000 as of July 7, 1983, it became a political committee under the Act and was required to register as of July 17, 1983."

The Citizens for Crawford Committee did, in fact, make expenditures on the dates as stated in the General Counsel's Brief and, furthermore, reported such expenditures on the State Report for the appropriate period. In addition, these expenditures were also reported as itemized disbursements in the Federal Report for the year ending December 31, 1983 in the amount of \$4,613.74 on Line #12, Pages 1 through 3, under the heading, "Initial Disbursements made by Citizens for Crawford." Also, that amount was shown

in itemized receipts as a transfer from the State Committee to Crawford for Congress Committee on Schedule A - Transfers From Other Authorized Committees, Page 1, Line #12. In addition, the underlying complaint alleged that certain expenditures by the State Committee for a 1983 picnic at Wicker Park, which totaled \$3,473.03, were made in furtherance of the Congressional Campaign. This expenditure will be addressed later in the Brief.

## II. LEGAL ANALYSIS:

### (a) Initial Expenditure.

8 5 0 4 0 7 3  
Federal Election Commission regulations provide that an individual becomes a candidate for federal office (U.S. Congress) and thus triggers registration and reporting obligations under the Act when his or her campaign exceeds \$5,000 in either contributions or expenditures. See 11 C.F.R. § 100.3(a)(1) through (4). Accordingly, when the candidate began to explore the feasibility of a Congressional Campaign, certain expenditures were made out of the Citizens for Crawford funds in the amount of \$4,613.74. These expenditures were made prior to the candidate's filing of his Statement of Candidacy.

Prior to the expenditure of \$5,000 as provided for in the Act, the Statement of Candidacy and Statement of Organization forming the Crawford for Congress Committee were filed as required. In addition, the expenditures of \$4,613.74 were reported in itemized

The Crawford for Congress Report (Federal Report) filed with the FEC for this period treated the above expenditures as being made by the Federal Committee and the source of the funds being a transfer from the State Committee. Furthermore, all of these particular expenditures and the source of these funds were itemized in the Federal Report for the period ending December 31, 1983. Both the State Committee and the Federal Committee attempted to comply with the Act and, in fact, it is our position that the State Committee complied with the Act in reporting the above expenditures.

The intention of this picnic was simply to continue the

(Please note that Jack F. Crawford was unopposed both in the  
Primary and General Elections which were held in May and November,

Re: MUR 1643  
Crawford for Congress Committee

Dear Sir:

This letter is written in response to the brief of the General Counsel with reference to the above complaint concerning the Office of the General Counsel's recommendation that the Commission find probable cause to believe that U.S.C. § 441d (a)(1) was violated by the Crawford for Congress Campaign Committee and myself as Treasurer of said Campaign Committee.

I have attached to this letter, in place of a brief, an Affidavit setting forth the underlying facts concerning the alleged violation. It is my position that although the disclaimers were not placed on all billboards as alleged, that said violation did not occur due to the fact that the disclaimers were not printed by mistake, which could not be attributed to either myself as Treasurer, or to the Committee. Furthermore, I submit to you that upon learning of the missing disclaimers, every effort was made to immediately put disclaimers on the affected billboards.

I direct your attention to the attached Affidavit and my position concerning this matter.

Thank you for any consideration you may give us on this matter.

Yours very truly,

Comes now JOSEPH L. CUROSH, after first being duly sworn upon his oath and deposes and says that, to the best of his knowledge and belief, the following is true:

1. That Joseph L. Curosh is the Treasurer of the political campaign committee, Crawford for Congress;

2. That this Affidavit is made in response to the general counsel's brief concerning MUR 1643;

3. That the printing for the billboards for the Crawford for Congress campaign, which was the subject matter of this complaint, was done with two separate printings;

4. That the campaign worker in charge of the billboards was instructed by the Affiant, prior to the printing of the billboards, that the disclaimer was required and necessary;

5. That the campaign worker properly placed the first order and requested that the disclaimer be placed on the billboard material, and it was;

6. That prior to the billboards being put up, the company with whom the Committee contracted with for the billboard space had a labor dispute with its employees which resulted in a strike. This strike delayed the putting up of the billboards;

36040560746

7. Due to the fact that the amount of the billboard time contracted for was reduced by the strike and the fact that the company would not refund the payment for the billboards, an agreement was reached between the campaign committee and the billboard company that provided for additional billboard space in lieu of a refund;

8. This additional billboard space required a second printing of the billboard material and it was on this printing that the disclaimer was mistakenly deleted;

9. All the billboards were posted and it was not until the Affiant received this complaint from the FEC did he learn that some of the billboards did not contain the disclaimer;

10. After learning of the problem concerning the disclaimer, efforts were made immediately to put disclaimers on all billboards which did not have them;

11. The missing disclaimers were the result of a mistake in printing and it was not the intention at any time of the Treasurer or the Committee to put up billboards without the disclaimer, but rather it was the intention, at all times, of the Committee, to put up billboards with a disclaimer;

86040500717

12. This position is further supported by the fact that the disclaimer was present, to the best of my knowledge and belief, on all other campaign material.

## GENERAL COUNSEL'S BRIEF

## I. STATEMENT OF THE CASE

On March 12, 1984, the Office of the General Counsel received a complaint filed by Peter J. Visclosky, a Democratic primary candidate from the First District of Indiana against the Crawford for Congress Committee, the principal campaign committee of his primary opponent, Jack F. Crawford.

The complaint first stated that Crawford for Congress ("the federal committee") failed to itemize \$25,188.74 in transfers from Citizens for Crawford ("the state committee"), Mr. Crawford's campaign committee for the post of Lake County Attorney, to the federal committee. The complaint stated that this failure was based upon the federal committee's desire to cover up the presence of corporate, labor organization, and excessive contributions within the transfers. The complaint stated that "the candidate tried to pick and choose transferred contributions when the proper and logical method to be used is "last in - first out." Such a failure to itemize would be a violation of 2 U.S.C. § 434(b)(3).

The complaint alleged that a review of the enclosed report of the state committee reveals that "Mr. Crawford had to transfer the proceeds of corporate contributions made to his state committee," i.e. that under last in - first out analysis, corporate contributions were commingled in the transfer. Mr.

Attachment 1- p. 1 of 13

Visclosky listed twenty-seven corporations which contributed a total of \$3,550 to the state committee during the months of June and July of 1983. In addition, he listed twenty-two other businesses "which also appear to be corporate entities" whose contributions during these two months totalled \$2,850.

The complainant further claimed that, under last in - first out analysis, two contributions to the state committee from labor organizations totalling \$300 were commingled with the federal committee's funds.

36040100758  
The complainant also alleged that a review of the state committee report and the federal committee report reveals excessive individual contributions to the federal committee. Complainant alleged that under last in - first out analysis, the federal committee received \$1,250 originally contributed to the state committee and that the federal committee accepted an additional \$850 contribution from the same contributor. The complainant referred to four other respondents, each of whom gave a sum of \$1,000 or less to each committee but whose aggregate contributions to both committees totalled more than \$1,000.

The complaint proceeded to state that, one and one-half months after he announced his candidacy for Congress, Mr. Crawford held a large outdoor picnic at a local park. According to the complaint, the pavilion at the park was covered with a large "Crawford for Congress" banner. The complaint stated that the disbursements for this picnic, totalling \$2,991.79,

were made by the state committee. Complainant stated that if this was a contribution, it exceeded the 2 U.S.C. § 441a limits and, if it was a transfer, it may have resulted in a commingling of federal committee funds with funds from an unlawful source.

The complainant also alleged that Christmas cards mailed by the candidate in December 1983, entailing a postage disbursement of \$760 reported by the state committee, constituted a contribution or transfer from the state to the federal committee and was never deposited as such. The complainant cited the fact that the return address on the Christmas cards was the federal committee's address as evidence that the cards were sent in furtherance of the Congressional candidacy.

The complainant claimed that, after Mr. Crawford announced his Congressional candidacy on July 22, 1983, his state committee made numerous other "political expenditures" and, therefore, these expenditures were made in furtherance of his federal candidacy. These additional expenditures totalled \$22,482.16.

The complainant also claimed that a fundraiser held one month prior to Mr. Crawford's announcement of his candidacy for Congress, but approximately eight months after Mr. Crawford "had been intimating to the public" that he would run for Congress, appears to have been held "solely for Mr. Crawford's Congressional campaign."

Subsequent to the complaint, the federal committee, on March 23, sent a complete itemization of the funds they allegedly used for the expenditures and transfers.

1- p. 3 of 13

9504010759

3 5 0 4 0 : 5 0 7 6 0

In response to the complaint, both the state committee treasurer and the federal committee treasurer claimed that the expenditures and transfers totalling \$33,613.74 did not contain any commingled money from corporate, labor organization or excessive contributions. Both treasurers acknowledged that a transfer of \$20,000 was made on July 29, 1983, and a transfer of \$9,000 was made on September 6, 1983. They further pointed out that the sum of \$4,613.74 was reported to the Commission to reflect the expenditures made by the state committee on behalf of Mr. Crawford's Congressional candidacy. The treasurer of the state committee also responded directly to allegations pertaining to expenditures other than the \$4,613.74. She specifically defended each set of expenditures as being unrelated to Mr. Crawford's Congressssional campaign. She also disclosed that the expenditures for the 1983 picnic were \$3,473.03, not \$2,991.79.

Based upon a review of the reports enclosed with the complaint and a review of the responses to the complaint, the Commission, on July 31, 1984, found reason to believe that Citizens for Crawford and its treasurer, Ann Crawford, violated 2 U.S.C. §§ 433(a) and 434(a) for failure to register within ten days and report, after making over \$1,000 in expenditures for Mr. Crawford's Congresssional campaign. The Commission also found reason to believe that Citizens for Crawford and Ann Crawford, as treasurer, violated 2 U.S.C. § 441b(a) in connection with the possible acceptance of commingled corporate or labor funds.

1-p. 4 of 13

95040380761

A response was received from the treasurer of the federal committee on August 27, 1984. Mr. Curosh maintained in a sworn to, notarized affidavit that the funds transferred from "the prior State Campaign Committee were transferred under the 'Last in-First out' manner as required with contributions which were not permissible being excluded from the transfer." Mr. Curosh stated that the complainant misinterpreted the law by alleging that, in a transfer, impermissible funds cannot be bypassed. Mr. Curosh maintained that he received instructions for the transfer of funds from an individual at the Commission whose name he did not record.

On September 24, 1984, this Office received a response from counsel for Citizens for Crawford. This response included a copy of each annual report filed with the Indiana State Election Board by the committee since 1978, including a revised 1983 report with appropriate arithmetical corrections. Counsel also enclosed a copy of an invitation and a ticket to a fundraiser held almost every year since 1978, including 1983, by Mr. Crawford. Also enclosed was an affidavit from Ann Crawford maintaining that the 1983 picnic held by the state committee was not related to Mr. Crawford's Congressional campaign.

Despite Mrs. Crawford's claims as to the 1983 picnic at a local park, a review of the invitation to the picnic indicates that a major purpose of the event was the furtherance of Mr. Crawford's Congressional candidacy. The invitation stated that,

1 - p. 5 of 13

at the picnic, information would be provided on the "upcoming" Congressional campaign and that a voter registration booth would be "available."

## II. LEGAL ANALYSIS

Commission regulations provide that transfers of funds, such as the \$20,000 and the \$9,000, may be made without limit between "affiliated" committees. See 11 C.F.R. § 102.6(a). Included within the definition of affiliated committees are political committees that are established, financed, maintained, or controlled by the same person or group of persons. See 2 U.S.C. § 441a(a)(5) and 11 C.F.R. § 100.5(g)(2). Moreover, Commission regulations recognize that two committees may be considered to be "affiliated" even though one of them is not a political committee under the Act. See 11 C.F.R. § 102.6(a). Because Citizens for Crawford and Crawford for Congress were established, maintained and controlled by the same person they would be deemed affiliated committees under the Act and Crawford for Congress was required to report funds received from Citizens for Crawford as transfers from that committee. Moreover, because Citizens for Crawford made expenditures on behalf of Crawford's Congressional Campaign which exceeded \$1,000 as of July 7, 1983, it became a political committee under the Act and was required to register as of July 17, 1983. See 2 U.S.C. §§ 431(4) and 433(a). It also was required to report as a political committee in accordance with 2 U.S.C. § 434(a), disclosing on its first report the source of the funds then in its accounts. The General Counsel, therefore, recommends that the Commission find probable cause to believe

1 - p. 6 of 13

86040762

that Citizens for Crawford violated 2 U.S.C. §§ 433(a) and 434(a).

Allegations were made with respect to expenditures by the Citizens for Crawford which complainants allege were, in reality, for Mr. Crawford's federal campaign. Other than the expenditures for the 1983 picnic at Wicker Park, which totalled \$3,473.03 it appears from the past reports of the state committee that the expenditures were not out of the ordinary for his state office campaigns. Any such reporting omissions, however, would be subsumed under the § 434(a) recommendation already made by this Office.

For purposes of the transfers, the funds in the state committee's account at the time of each transfer would be assumed to be composed of those contributions most recently received by the state committee, and the state committee would have to itemize in accordance with 2 U.S.C. § 434(b). See 11 C.F.R. § 104.12. The state committee would also be required to exclude any contributions not permissible under the Act from those funds proposed to be transferred to the federal committee.

Accordingly, in order to determine whether the state committee transferred any impermissible funds, the state committee's cash on hand at the time of transfer to the federal committee must be ascertained. Amounts from the contributions comprising the cash-on-hand (i.e., the most recent contributions) that were corporate or union are subtracted from the cash-

1- p. 7 of 13

860407663

on-hand figure. The resulting amount is further reduced by the amount of excessive individual contributions made to the state committee. See AO 1982-52. In determining the existence of violations as to individual contributions, the contributions to the two committees are aggregated for each individual because they were made within the same election cycle. See AO 1978-19.

Because the cash-on-hand is reviewed on a last in-first out basis, the 1983 contributions are reviewed first. As illustrated below, the contributions received by the Committee in 1983 contained insufficient permissible funds to cover all the transfers made. Consequently, this Office also reviewed the 1981 and 1982 contributions that made up the cash-on-hand balance at the beginning of 1983.

According to the 1983 report of Citizens for Crawford sent to us by that committee, the committee had \$32,631 cash-on-hand at the beginning of 1983. From that point until the end of July, 1983, it received \$49,725, including \$5,775 in unitemized contributions. Expenditures by the state committee up until that point totalled \$15,018.61 1/ leaving a cash-on-hand total on July 29, 1983, the date of the \$20,000 transfer, of \$67,337.39. Accounting for the corporate and union contributions, including questionably corporate contributions, involves subtracting \$7,050 2/ leaving \$60,687.39.

---

1/ These expenditures included \$3,116.80 of the \$4,613.74 in expenditures by the state committee on behalf of the federal committee.

2/ This includes \$500 in corporate money discovered in a review of the 1983 state committee reports but not listed by the complainant.

For 1983 contributions by individuals, the treasurer of the federal committee asserts that the state committee excised more than the excessive amounts from the combined contributions to both committees. After reviewing the figures in the complaint, the responses, and the reports of the state committee and federal committee, it appears that in order to ensure that none of the 1983 individual contributors to both committees contributed in excess of \$1,000 to Crawford's Congressional candidacy, the state committee excised \$1,900 bringing the cash-on-hand total of transferable money on July 29 to \$58,487.39, including \$5,775 in unitemized contributions. To determine the amount of impermissible money in the unitemized figure of \$5,775, this Office prorated, i.e., took the percentage of corporate and union contributions in the 1983 contribution figure and multiplied the \$5,775 by that percentage. As a result, another \$1,039.44 was deducted from the transferable total, leaving \$57,449.39 in seemingly permissible funds when the July 29 \$20,000 transfer was made.

According to the 1983 state report, no further contributions were received, but \$13,485.80 in expenditures were made prior to September 6, 1983, the date of the \$9,000 transfer. The state committee, therefore, still retained \$23,963.59 of apparently transferable money in its treasury at the time that it made the \$9,000 transfer to the federal committee leaving an apparent margin for \$14,963.59 in permissible funds.

1- p. 9 of 13

Although it appears that there was a \$37,449.39 margin of permissible funds at the time of the July 29 transfer and a \$14,963.59 margin at the time of the September 6 transfer, neither of those figures reflect additional impermissible funds contained in the \$32,631 cash-on-hand that was carried over from contributions received in 1981 and 1982.

Because of these 1981 and 1982 contributions, further analysis is needed. There is some difficulty in reviewing those contributions. First, the 1982 contributions contain \$200 of unitemized contributions. Second, although the 1981 contributions are itemized, they are undated. Consequently, it is impossible to determine which 1981 contributions were contained in the \$32,631 cash-on-hand figure. This Office, therefore, determined the percentage of impermissible funds (\$30,858.82) contained in the total contributions received in 1981 and 1982 (\$87,920) and applied the percentage to the \$32,631 cash-on-hand figure. Based on that percentage, there were \$11,453.07 in impermissible funds contained in the \$32,631. When that amount is subtracted from the margins at the time of the July 29 and September 6 transfers, it appears the Committee had remaining permissible funds over the amounts transferred, \$25,996.32 and \$3,510.52 respectively.

Although the calculations made appear to place the committees within the margin for permissible funds, some of those calculations are based on prorated rather than actual figures. In addition the margin is not a large one. Because of this

1-p. 10 of 13

36040100766

absence of certainty concerning the transferred funds, the Office of the General Counsel cannot recommend a no probable cause to believe finding with respect to the §§ 441b(a) and 441a(f) allegations, but, instead, recommends that the Commission take no further action with respect to the allegations.

### III. RECOMMENDATIONS

1. Find probable cause to believe that Citizens for Crawford and Ann Crawford, as its treasurer, violated 2 U.S.C. §§ 433(a) and 434(a).
2. Take no further action with respect to the allegation that Citizens for Crawford and Ann Crawford, as its treasurer, violated 2 U.S.C. §§ 441b(a).

Re: MUR 1643  
Citizens for Crawford

Dear Mr. Tauber:

Based on a complaint filed with the Commission on March 12, 1984, and information supplied by your clients the Commission determined on July 31, 1984, that there was reason to believe that Citizens for Crawford and Ann J. Crawford, as treasurer, had violated 2 U.S.C. §§ 433(a), 434(a), and 441b(a), provisions of the Federal Election Campaign Act of 1971, as amended ("the Act") and instituted an investigation of this matter.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation of 2 U.S.C. §§ 433(a) and 434(a) has occurred. This Office is also recommending that the Commission take no further action with respect to the § 441b(a) allegation.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies if possible) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel, if possible.) The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause to believe a violation has occurred.

If you are unable to file a responsive brief within 15 days, you may submit a written request to the Commission for an extension of time in which to file a brief. The Commission will not grant any extensions beyond 20 days.

Joseph L. Curosh, Treasurer )

GENERAL COUNSEL'S BRIEF

I. STATEMENT OF THE CASE

On March 12, 1984, the Office of the General Counsel received a complaint filed by Peter J. Visclosky, a Democratic primary candidate from the First District of Indiana against the Crawford for Congress Committee, the principal campaign committee of his primary opponent, Jack F. Crawford.

The complaint first stated that Crawford for Congress ("the federal committee") failed to itemize \$25,188.74 in transfers from Citizens for Crawford ("the state committee"), Mr. Crawford's campaign committee for the post of Lake County Attorney, to the federal committee. The complaint stated that this failure was based upon the federal committee's desire to cover up the presence of corporate, labor organization, and excessive contributions within the transfers. The complaint stated that "the candidate tried to pick and choose transferred contributions when the proper and logical method to be used is "last in - first out." Such a failure to itemize would be a violation of 2 U.S.C. § 434(b)(3).

The complaint alleged that a review of the enclosed report of the state committee reveals that "Mr. Crawford had to transfer the proceeds of corporate contributions made to his state committee," i.e. that under last in - first out analysis, corporate contributions were commingled in the transfer. Mr.

Attachment 2 - p. 1 of 13

36040770

Visclosky listed twenty-seven corporations which contributed a total of \$3,550 to the state committee during the months of June and July of 1983. In addition, he listed twenty-two other businesses "which also appear to be corporate entities" whose contributions during these two months totalled \$2,850.

The complainant further claimed that, under last in - first out analysis, two contributions to the state committee from labor organizations totalling \$300 were commingled with the federal committee's funds.

The complainant also alleged that a review of the state committee report and the federal committee report reveals excessive individual contributions to the federal committee. Complainant alleged that under last in - first out analysis, the federal committee received \$1,250 originally contributed to the state committee and that the federal committee accepted an additional \$850 contribution from the same contributor. The complainant referred to four other respondents each of whom gave a sum of \$1,000 or less to each committee but whose aggregate contributions to both committees totalled more than \$1,000.

The complaint proceeded to state that, one and one-half months after he announced his candidacy for Congress, Mr. Crawford held a large outdoor picnic at a local park. According to the complaint, the pavilion at the park was covered with a large "Crawford for Congress" banner. The complaint stated that the disbursements for this picnic, totalling \$2,991.79,

2 - p. 2 of 13

were made by the state committee. Complainant stated that if this was a contribution, it exceeded the 2 U.S.C. § 441a limits and, if it was a transfer, it may have resulted in a commingling of federal committee funds with funds from an unlawful source.

The complainant also alleged that Christmas cards mailed by the candidate in December 1983, entailing a postage disbursement of \$760 reported by the state committee, constituted a contribution or transfer from the state to the federal committee and was never deposited as such. The complainant cited the fact that the return address on the Christmas cards was the federal committee's address as evidence that the cards were sent in furtherance of the Congressional candidacy.

The complainant claimed that, after Mr. Crawford announced his Congressional candidacy on July 22, 1983, his state committee made numerous other "political expenditures" and, therefore, these expenditures were made in furtherance of his federal candidacy. These additional expenditures totalled \$22,482.16.

The complainant also claimed that a fundraiser held one month prior to Mr. Crawford's announcement of his candidacy for Congress, but approximately eight months after Mr. Crawford "had been intimating to the public" that he would run for Congress, appears to have been held "solely for Mr. Crawford's Congressional campaign."

2 - p. 3 of 13

35040500772

In a supplement to the complaint received on March 23, 1984, Mr. Visclosky enclosed a photograph of a federal committee billboard featuring a picture of Mr. Crawford and the words "Crawford for Congress." The complainant points out that the billboard did not contain the proper disclaimer as required in 2 U.S.C. § 441d.

Subsequent to the complaint, the federal committee, on March 23, sent a complete itemization of the funds they allegedly used for the expenditures and transfers.

In response to the complaint, both the state committee treasurer and the federal committee treasurer claimed that the expenditures and transfers totalling \$33,613.74 did not contain any commingled money from corporate, labor organization or excessive contributions. Both treasurers acknowledged that a transfer of \$20,000 was made on July 29, 1983, and a transfer of \$9,000 was made on September 6, 1983. They further pointed out that the sum of \$4,613.74 was reported to the Commission to reflect the expenditures made by the state committee on behalf of Mr. Crawford's Congressional candidacy. The treasurer of the state committee also responded directly to allegations pertaining to expenditures other than the \$4,613.74. She specifically defended each set of expenditures as being unrelated to Mr. Crawford's Congressssional campaign. She also disclosed that the expenditures for the 1983 picnic were \$3,473.03, not \$2,991.79.

Based upon a review of the reports enclosed with the complaint and a review of the responses to the complaint, the

2-p. 4 of 13

8504050772

Commission, on July 31, 1984, found reason to believe that Crawford for Congress and Joseph Curosh, as treasurer, violated 2 U.S.C. § 441b(a) in connection with the possible acceptance of commingled corporate or labor funds, 2 U.S.C. § 441a(f) in connection with the possible acceptance of commingled excessive individual contributions, and 2 U.S.C. § 441d(a)(1) for the failure to place a disclaimer on a campaign billboard.

36040:00774  
A response was received from Mr. Curosh on August 27, 1984, Mr. Curosh maintained in a sworn to, notarized affidavit that the funds transferred from "the prior State Campaign Committee were transferred under the 'Last in-First out' manner as required with contributions which were not permissible being excluded from the transfer." Mr. Curosh stated that the complainant misinterpreted the law by alleging that, in a transfer, impermissible funds cannot be bypassed. Mr. Curosh maintained that he received instructions for the transfer of funds from an individual at the Commission whose name he did not record. He also stated that the § 441d violation resulted from a mistake by a printer on each of two printings.

On September 24, 1984, this Office received a response from counsel for Citizens for Crawford. This response included a copy of each annual report filed with the Indiana State Election Board by the committee since 1978, including a revised 1983 report with appropriate arithmetical corrections. Counsel also enclosed a copy of an invitation and a ticket to a fundraiser held almost every year since 1978, including 1983, by Mr. Crawford. Also

2-p. 5 of 13

enclosed was an affidavit from Ann Crawford maintaining that the 1983 picnic held by the state committee was not related to Mr. Crawford's Congressional campaign.

## II. LEGAL ANALYSIS

For purposes of the transfers, the funds in the state committee's account at the time of each transfer would be assumed to be composed of those contributions most recently received by the state committee, and the state committee would have to itemize in accordance with 2 U.S.C. § 434(b). See 11 C.F.R. § 104.12. The state committee would also be required to exclude any contributions not permissible under the Act from those funds proposed to be transferred to the federal committee.

Accordingly, in order to determine whether the state committee transferred any impermissible funds, the state committee's cash on hand at the time of transfer to the federal committee must be ascertained. Amounts from the contributions comprising the cash-on-hand (i.e., the most recent contributions) that were corporate or union are subtracted from the cash-on-hand figure. The resulting amount is further reduced by the amount of excessive individual contributions made to the state committee. See AO 1982-52. In determining the existence of violations as to individual contributions, the contributions to the two committees are aggregated for each individual because they were made within the same election cycle. See AO 1978-19.

2-p.6 of 13

36040500775

Because the cash-on-hand is reviewed on a last in-first out basis, the 1983 contributions are reviewed first. As illustrated below, the contributions received by the Committee in 1983 contained insufficient permissible funds to cover all the transfers made. Consequently, this Office also reviewed the 1981 and 1982 contributions that made up the cash-on-hand balance at the beginning of 1983.

35040300770  
According to the 1983 report of Citizens for Crawford sent to us by that committee, the committee had \$32,631 cash-on-hand at the beginning of 1983. From that point until the end of July, 1983, it received \$49,725, including \$5,775 in unitemized contributions. For 1983 contributions by individuals, the treasurer of the federal committee asserts that the state committee excised more than the excessive amounts from the combined contributions to both committees. After reviewing the figures in the complaint, the responses, and the reports of the state committee and federal committee, it appears that in order

to ensure that none of the 1983 individual contributors to both committees contributed in excess of \$1,000 to Crawford's Congressional candidacy, the state committee excised \$1,900 bringing the cash-on-hand total of transferable money on July 29 to \$58,487.39, including \$5,775 in unitemized contributions. To determine the amount of impermissible money in the unitemized figure of \$5,775, this Office prorated, i.e., took the percentage of corporate and union contributions in the 1983 contribution figure and multiplied the \$5,775 by that percentage. As a result, another \$1,039.44 was deducted from the transferable total, leaving \$57,449.39 in seemingly permissible funds when the July 29 \$20,000 transfer was made.

The state committee, therefore, still retained \$23,963.59 of apparently transferable money in its treasury at the time that it made the \$9,000 transfer to the federal committee leaving an apparent margin for \$14,963.59 in permissible funds.

Although it appears that there was a \$37,449.39 margin of permissible funds at the time of the July 29 transfer and a \$14,963.59 margin at the time of the September 6 transfer, neither of those figures reflect additional impermissible funds contained in the \$32,631 cash-on-hand that was carried over from contributions received in 1981 and 1982.

2-p. 8 of 13

95040100777

Because of these 1981 and 1982 contributions, further analysis is needed. There is some difficulty in reviewing those contributions. First, the 1982 contributions contain \$200 in unitemized contributions. Second, although the 1981 contributions are itemized, they are undated. Consequently, it is impossible to determine which 1981 contributions were contained in the \$32,631 cash-on-hand figure. This Office, therefore, determined the percentage of impermissible funds (\$30,858.82) contained in the total contributions received in 1981 and 1982 (\$87,920) and applied the percentage to the \$32,631 cash-on-hand figure. Based on that percentage, there were \$11,453.07 in impermissible funds contained in the \$32,631. When that amount is subtracted from the margins at the time of the July 29 and September 6 transfers, it appears the Committee had remaining permissible funds over the amounts transferred, \$25,996.32 and \$3,510.52 respectively.

Although the calculations made appear to place the committees within the margin for permissible funds, some of those calculations are based on prorated rather than actual figures. In addition the margin is not a large one. Because of this absence of certainty concerning the transferred funds, the Office of the General Counsel cannot recommend a no probable cause to believe finding with respect to the §§ 441b(a) and 441a(f) allegations, but, instead, recommends that the Commission take no

2-p. 9 of 13

further action with respect to the allegations. 3/

Section 441d(a)(1) of Title 2 states that when a person makes an expenditure for the purpose of financing communications expressly advocating the election or defeat of a clearly identified candidate, such communication, if paid for and authorized by a candidate's authorized political committee, shall clearly state that the communication has been paid for by such committee. According to the responses of Mr. Curosh to the complaint and to the reason to believe notification, there is no dispute that the appropriate disclaimers did not appear on the federal committee's billboards. The General Counsel, therefore, recommends that the Commission find probable cause to believe that Crawford for Congress and Joseph L. Curosh, as its treasurer, violated 2 U.S.C. § 441d(a)(1).

### III. RECOMMENDATIONS

1. Find probable cause to believe that Crawford for Congress and Joseph L. Curosh, as its treasurer, violated 2 U.S.C. § 441d(a)(1).

2. Take no further action with respect to the allegation that Crawford for Congress and Joseph L. Curosh, as its treasurer, violated 2 U.S.C. § 441b(a).

Crawford for Congress

Dear Mr. Curosh:

Based on a complaint filed with the Commission on March 12, 1984, and information supplied by you the Commission determined on July 31, 1984, that there was reason to believe that Crawford for Congress and you, as treasurer, had violated 2 U.S.C. §§ 441b(a), 441a(f), and 441d(a)(1), provisions of the Federal Election Campaign Act of 1971, as amended ("the Act") and instituted an investigation of this matter.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation of 2 U.S.C. § 441d(a)(1) has occurred. This Office is also recommending that the Commission take no further action with respect to the §§ 441b(a) and 441a(f) allegations.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies if possible) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel, if possible.) Re: MUR 1643

Dear Mr. Levin:

Following up our telephone conversation of January 7, 1985, please be advised that based upon our information and belief, the businesses listed as contributors in the Citizens for Crawford reports of 1981, 1982, and 1983 are correctly identified in those reports as corporations and those that are not corporations. For example, if the abbreviation "Inc." or "Corp." is indicated after the business' name, then you can be assured that these businesses are corporations. On the other hand, if there is not a corporate identification after the business name, then it is our information and belief that these businesses are not corporations.

We have attempted to confirm our understanding of these matters for you in this letter, but would also indicate that we have not performed a specific checking with the Secretary of State on each one of these businesses. I trust that this awesome task is not required.

If there is any further information you desire on this matter, please do not hesitate to contact me.

Very truly yours,

Attn: Ms. Lee Ann Elliot, Chairman

Dear Ms. Elliot:

Please allow this letter to serve to respond to your correspondence dated August 9, 1984.

Pursuant to your request, we are enclosing herewith a copy of each annual report filed with the Indiana State Election Board by Citizens for Crawford since 1978, including the 1983 report with appropriate recording and arithmetical corrections. Furthermore, we are also enclosing herewith a copy of the invitation to the September, 1983 picnic at Wicker Park and a copy of a ticket to the picnic. I am also providing you with copies of invitations for the picnic in 1979, 1981, and 1982, as well as a copy of the invitation and ticket to the 1984 picnic which will be held on September 8, 1984.

Additionally, I am enclosing herewith an affidavit executed by Ann J. Crawford, Treasurer of Citizens for Crawford, providing you with information concerning the September, 1983 picnic.

We trust that the enclosed information will aid you in your investigation of this matter. Obviously, we do not believe that Ann J. Crawford, as Treasurer of Citizens for Crawford, has violated any sections of the Federal Election Campaign Act of 1971. We have reviewed the complaint previously filed by Mr. Visclosky and we did make every attempt to respond to those allegations in our April 6, 1984 letter. We will be happy to specifically address ourselves and provide explanations

Dear Friends:

On Saturday, September 10, 1983, we will be holding our sixth "Citizens for Crawford" picnic and we would like you to attend. The festivities will be held at Wicker Park, Indianapolis Blvd. and Ridge Rd., Highland, Indiana, from 1:00 to 5:00 P.M.

Enclosed is one ticket for yourself and your family. Additional tickets may be obtained from Joe Matonovich (738-9055), Jean Carson (932-0450) or Alice Nichols (883-3425).

If the weather cooperates, you should be guaranteed a wonderful time. Food and beverages will be provided. There will be games for the kids, so bring them along. Legal bingo will be held at the west pavillion, and of course, everything is free.

Live entertainment, both amateur and professional, will be featured. Don't miss the adult games (that's the amateur entertainment) - many fine prizes will be awarded.

Please show your admission ticket when entering the park for free parking. Also, sign the ticket, with a name, address and telephone number and deposit it at the registration desk to be eligible to win a door prize (winner need not be present).

This picnic is an opportunity to thank you for the wonderful support you have given me in past campaigns. Also, this will be a special event. Information will be provided on the upcoming campaign for U.S. Congress, a contest that concerns us all. Please note that a voter's registration booth will be available.

I hope you can share this special time with us on September 10th.

Sincerely,

*Jack, Ann, John + Pat.*

Dear Friends:

On Saturday, September 8, 1984, we will be holding our seventh annual "Citizens for Crawford" picnic and we would like you to attend. The festivities will be held at Wicker Park, Indianapolis Blvd. and Ridge Rd., Highland, Ind., from 1:00 to 5:00 P.M. Enclosed is one ticket for you and your family.

Food and beverages will be provided. There will be games and prizes for the kids, so bring them along. Door prizes and games will also be provided for adults.

This picnic is free and is intended to thank you for your continued support. Things did not turn out as I had planned in the last election, but your help made this loss a little easier to bear. Good friends are hard to find and I will always treasure our association.

Please show your admission ticket when entering the park for free parking. Also sign the ticket with a name, address and telephone number and deposit it at the registration desk to be eligible to win a door prize (winner need not be present).

We hope to see you on September 8th.

Dear Friends:

On Saturday, September 8, 1979, "Citizens for Crawford" will sponsor a special "Thank-you" picnic for all those persons who helped us win the Prosecutor's race in 1978. We would like you and your family to attend and spend part of the day with us.

The picnic will be held at Wicker Park in Highland, Indiana, intersection of Highway U.S. 6 (Ridge Road) and Route 41 (Indianapolis Blvd.). The time is 1:00 P.M. to 5:00 P.M.

Refreshments will be provided. There will be bingo with free prizes. The park amusement area will be available for the children and there will be games for kids and adults.

For those of you who missed it last year (and apparently everybody did), I will be entertaining once again with a short banjo concert. Also, Jack Junior will give a brief political speech (very brief-he's only five months old).

We're looking forward to talking with you on September 8th!

Very truly yours,

*Jack, Ann & John*

Dear Friends:

On Saturday, August 29, 1981, we will be holding our fourth (4th) "Citizens for Crawford" Picnic and we would like you to attend. The festivities will be held at Wicker Park, Indianapolis Boulevard and Ridge Road, Highland, Indiana, from 1:00 p.m. to 5:00 p.m.

Enclosed is one ticket for yourself and your family. Additional tickets may be obtained from Joe Matonovich - 738-9055, Jean Carson - 932-0450, or Cleveland Rouster - 883-7827.

Our picnics are always gala affairs. Food and beverages will be provided. There will be games, prizes and rides for the kids, so bring them along. Legal bingo will be held at the West pavilion, and of course, everything is free.

Entertainment, as usual, will be outstanding. Although Frank Sinatra and Barry Manilow cancelled out at the last minute, my sons John (age 2½) and Patrick (age 6 months) have promised to perform (what, I don't know).

This picnic is a chance to thank you for the fine support you have lent me in past endeavors and to ask for your continued assistance in the future. Also, it is an opportunity for you to enjoy a day with the finest people in the world, the "Citizens for Crawford."

Some say our organization works political "miracles". I'm not certain about that, but I am sure we know how to have a good time!

See you on the 29th.

Sincerely,

August 12, 1982

Dear Friends:

On Saturday, September 11, 1982, we will be holding our fifth (5th) "Citizens for Crawford" Picnic and we would like you to attend. The festivities will be held at Wicker Park, Indianapolis Blvd. and Ridge Rd., Highland, Indiana, from 1:00 P.M. to 5:00 P.M.

Enclosed is one ticket for yourself and your family. Additional tickets may be obtained from Joe Matonovich - 738-9055, Jean Carson - 932-0450, or Cleveland Rouster - 883-7827.

If the weather cooperates, you should be guaranteed a wonderful time. Food and beverages will be provided. There will be games and rides for the kids, so bring them along. Legal bingo will be held at the west pavilion, and of course, everything is free.

Once again, the planning committee has had a few minor problems with entertainment. At the last minute, Diana Ross and Barbara Streisand were forced to cancel their plans for a joint concert. However, John and Patrick Crawford have agreed to donate their time and substitute with a joint rendition of the "Sesame Street" song.

This picnic is a chance to thank you for the fine support you have lent me in past endeavors. As you know, I am a candidate for reelection in November and I would hope that this affair could serve as a "kick-off" to the fall campaign.

Hope to see you on the 11th.

Sincerely,

Jack, Ann, John and  
Patrick Crawford

Dear Mr. Levin:

Confirming our telephone conversation of August 19, 1984, this letter will serve to advise that I am the attorney for Ann J. Crawford, Treasurer of Citizens for Crawford, and will serve to represent her regarding the alleged violations of certain sections of the Federal Election Campaign Act of 1971. I have received the correspondence dated August 9, 1984, from the Federal Election Commission directed to the attention of Ann J. Crawford. I would like an extension until September 5, 1984. By that date, I will forward to your attention the information requested. I trust this request for extension of time will not cause any inconvenience to you in your investigation of this matter.

Thank you for your anticipated cooperation.

AFFIDAVIT

Comes now the affiant herein, Joseph L. Curosh, and first being duly sworn upon his oath, deposes and says:

1. That I am the Treasurer of the campaign committee entitled Crawford for Congress Campaign Committee which was duly registered with the Federal Election Commission.

2. That a transfer of funds totaling Twenty-nine Thousand and 00/100 Dollars (\$29,000.00) in cash was made from the candidate's State Campaign Committee to the principal Federal Campaign Committee, Crawford for Congress Campaign Committee. This transfer was accomplished by means of two separate transfers consisting of Twenty Thousand and 00/100 Dollars (\$20,000.00) on July 29, 1983, and a Nine Thousand and 00/100 (\$9,000.00) on September 6, 1983. In addition, the sum of Four Thousand Six Hundred Thirteen and 74/100 Dollars (\$4,613.74) was reported as a transfer on the F.E.C. Report for the period ending December 31, 1983, to reflect the expenditures made by the State Campaign Committee which were congressional campaign expenditures in nature. These expenditures were listed on the F.E.C. Report and also treated as a transfer of funds from the State Campaign Committee to the Principal Federal Campaign Committee. Accordingly, the F.E.C. Report for the period ending December 31, 1983, showed a total amount of Thirty-Four Thousand Six-Hundred Thirteen and 74/100 Dollars (\$34,613.74) transferred from the State Campaign Committee to the Principal Federal Campaign Committee.

3. That the above funds which were transferred from the prior State Campaign Committee were transferred under the "Last in - First out" manner as required with contributions which

were not permissible being excluded from the transfer (i.e impermissible funds which were co-mingled in the State Campaign Committee funds with permissible funds were excluded from the transfer and left in the State Campaign Committee.

4. That the complainant misinterpreted the law with regard to the transfer of funds in which he alleges in his complaint that impermisssible funds cannot be by-passed but must necessarily be improperly transferred.

5. Prior to transferring the funds from the State Campaign Committee to the Federal Campaign Committee, I telephoned the Federal Election Commission and spoke with a representative of the F.E.C. about how the transfer could be accomplished. I did not record the name of the individual, however, the telephone number was 1-800-424-9630 and I tried to follow his advice.

6. The printing for the billboards for the Crawford for Congress campaign was done through two separate orders with the same printing company. I instructed the person who ordered this printing that the disclaimer was necessary. The campaign worker placed the first order and properly requested that the disclaimers be printed on the billboard advertising and it was. A second printing was later required and, through a mistake in communication, the disclaimer was not printed. I was not aware of this situation until it was brought to my attention by means of this complaint.

Re: MUR 1643

Dear Ms. Crawford:

36040709.2.5  
The Federal Election Commission notified you on March 19, 1984, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time. We acknowledge receipt of your explanation of this matter which was dated April 6, 1984.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on July 31, 1984, made a number of determinations. The Commission found reason to believe that Citizens for Crawford and you, acting as its treasurer, violated 2 U.S.C. §§ 433(a) and 434(a) by failing to register and report after expending \$1,000 for Mr. Crawford's Congressional campaign by July 7, 1984. The Commission also found reason to believe that your committee and you, as its treasurer, violated 2 U.S.C. § 441b(a) in connection with the expenditure of funds for Mr. Crawford's Congressional campaign and transfers to Crawford for Congress. This section prohibits the making of corporate and labor organization contributions in connection with a federal election. It appears that expenditures and transfers by your committee may have originated from corporation or labor organization contributions.

This Office has enclosed a request for documents addressed to you. (Included in this request for documents is a request for your committee's 1983 report. Appropriate recording and arithmetical corrections would assist the Commission in its analysis of the transfers made by your committee). In addition, you may submit any factual and legal materials which you believe are relevant to the Commission's analysis of this matter. Please submit all materials within ten days of your receipt of this notification. All responses and materials should be submitted under oath.

Letter to Ann J. Crawford  
Page 2

The Office of General Counsel would like to settle this matter through conciliation prior to a finding of probable cause; however, in the absence of any information which demonstrates that no further action should be taken against the committee and you, as treasurer, the Office of General Counsel must proceed to the next compliance stage as noted on page 2, paragraph 2 of the enclosed procedures.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public. If you have any questions, please contact Jonathan Levin, the attorney assigned to this matter, at (202) 523-4000.

Sincerely,

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

Ann J. Crawford, Treasurer  
Citizens for Crawford  
6547 Marshall Avenue  
Hammond, Indiana 46323

Re: MUR 1643

*JS 8/7/84*

Dear Ms. Crawford:

The Federal Election Commission notified you on March 19, 1984, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time. We acknowledge receipt of your explanation of this matter which was dated April 6, 1984.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on July 31, 1984, made a number of determinations. The Commission found reason to believe that Citizens for Crawford and you, acting as its treasurer, violated 2 U.S.C. §§ 433(a) and 434(a) by failing to register and report after expending \$1,000 for Mr. Crawford's Congressional campaign by July 7, 1984. The Commission also found reason to believe that your committee and you, as its treasurer, violated 2 U.S.C. § 441b(a) in connection with the expenditure of funds for Mr. Crawford's Congressional campaign and transfers to Crawford for Congress. This section prohibits the making of corporate and labor organization contributions in connection with a federal election. It appears that expenditures and transfers by your committee may have originated from corporation or labor organization contributions.

This Office has enclosed a request for documents addressed to you. (Included in this request for documents is a request for your committee's 1983 report. Appropriate recording and arithmetical corrections would assist the Commission in its analysis of the transfers made by your committee). In addition, you may submit any factual and legal materials which you believe are relevant to the Commission's analysis of this matter. Please submit all materials within ten days of your receipt of this notification. All responses and materials should be submitted under oath.

Letter to Ann J. Crawford  
Page 2

The Office of General Counsel would like to settle this matter through conciliation prior to a finding of probable cause; however, in the absence of any information which demonstrates that no further action should be taken against the committee and you, as treasurer, the Office of General Counsel must proceed to the next compliance stage as noted on page 2, paragraph 2 of the enclosed procedures.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public. If you have any questions, please contact Jonathan Levin, the attorney assigned to this matter, at (202) 523-4000.

Sincerely,

JI 8/7/84

Re: MUR 1643

Dear Mr. Curosh:

The Federal Election Commission notified you on March 19, 1984, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time. We acknowledge receipt of your explanation of this matter which was dated April 18, 1984.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on July 31, 1984, made a number of determinations. The Commission found reason to believe that Crawford for Congress and you, as its treasurer, violated 2 U.S.C. §§ 441b(a) and 441a(f) in connection with the transfers from Citizens for Crawford. The former section prohibits the acceptance of corporate and labor organization contributions in connection with a federal election. The latter section prohibits a political committee from receiving a contribution in excess of the limits of § 441a(a)(1)(A), i.e., the \$1,000 limit on contributions by a person to a candidate or his committee. Furthermore, the Commission found reason to believe that Crawford for Congress and you, as its treasurer, violated 2 U.S.C. § 441d(a)(1) in connection with the omission of a disclaimer from a billboard.

You may submit any factual and legal materials which you believe are relevant to the Commission's analysis of this matter. Please submit all materials within ten days of your receipt of this notification. All responses and materials should be submitted under oath.

**SUMMARY OF ALLEGATIONS**

This matter involves a complaint pertaining to transfers totalling \$33,613.74 from Citizens for Crawford ("the state committee"), the campaign committee of Jack F. Crawford for Lake County Attorney, to Crawford for Congress, Mr. Crawford's federal campaign committee ("the federal committee"). The allegations include a failure to itemize \$25,188.74 of the transfers, and the presence of corporate, labor organization, and excessive contributions in the transfers. The complaint also alleges that the state committee bore certain expenses of the federal

committee including payments for a fundraiser, a picnic, and Christmas cards. Complainants also filed an amendment alleging that the federal committee erected a billboard which did not display a notice of the source of its funding.

### **FACTUAL AND LEGAL ANALYSIS**

#### **A. FACTS**

On March 12, 1984, the Office of the General Counsel received a complaint filed by Peter J. Visclosky, a Democratic primary candidate from the First District of Indiana against the Crawford for Congress Committee, the principal campaign committee of his primary opponent, Jack F. Crawford.

The complaint first states that the federal committee failed to itemize \$25,188.74 in transfers from the state committee to the federal committee and that this failure was based upon the federal committee's desire to cover up the presence of corporate, labor organization, and excessive contributions within the transfers. The complaint states that "the candidate tried to pick and choose transferred contributions when the proper and logical method to be used is "last in - first out." Such a failure to itemize would be a violation of 2 U.S.C. § 434(b)(3).

The complaint alleges that a review of the enclosed report of the state committee reveals that "Mr. Crawford had to transfer the proceeds of corporate contributions made to his state committee," i.e. that under last in - first out analysis, corporate contributions were commingled in the transfer. Mr.

86040730380

Visclosky lists twenty-seven corporations which contributed a total of \$3,550 to the state committee during the months of June and July of 1983. In addition, he listed twenty-two other businesses "which also appear to be corporate entities" whose contributions during these two months totalled \$2,850.

The complainant also alleges that a review of the state committee report and the federal committee report reveals excessive individual contributions to the federal committee. Complainant alleges that under last in - first out analysis, the federal committee received \$1,250 originally contributed to the state committee and that the federal committee accepted an additional \$850 contribution from the same contributor. The complainant refers to four other respondents who each gave a sum less than or equal to \$1,000 to each committee but whose total contributions to both committees totalled more than \$1,000.

The complainant further claims that, under last in - first out analysis, two contributions to the state committee from labor organizations totalling \$300 were commingled.

The complaint proceeds to state that, one and one-half months after he announced for Congress, Mr. Crawford held a large outdoor picnic at a local park. According to the complaint, the pavilion at the park was covered with a large "Crawford for Congress" banner. The complaint states that the disbursements

for this picnic, totalling \$2,991.79 were made by the state committee. Complainant states that if this was a contribution, it exceeded the § 441a limits and, if it was a transfer, it may have resulted in a commingling of funds from an unlawful source.

The complainant also alleges that Christmas cards mailed by the candidate in December 1983, entailing a postage disbursement of \$760 reported by the state committee constituted a contribution or transfer from the state to the federal committee and was never deposited as such. The complainant cites the fact that the return address on the Christmas cards was the federal committee's address.

The complainant claims that, after Mr. Crawford announced his Congressional candidacy on July 22, 1983, his state committee made numerous "political expenditures" and that, therefore, these expenditures were made in furtherance of his federal candidacy. These expenditures totalled \$22,482.16.

The complainant also claims that a fundraiser held one month prior to Mr. Crawford's announcement for Congress, but approximately eight months after Mr. Crawford "had been intimating to the public" that he would run for Congress, appears to have been held "solely for Mr. Crawford's Congressional campaign."

In an amendment received on March 23, 1984, Mr. Visclosky enclosed a photograph of a federal committee billboard with a picture of Mr. Crawford and the words "Crawford for Congress." The complainant points out that the billboard did not contain a

notice of the source of the funding as required in 2 U.S.C. § 441d.

B. RESPONSE AND ANALYSIS

In response, both the state committee treasurer and the federal committee treasurer claimed that the transfers totalling \$33,613.74 did not contain any commingled money from corporate, labor organization or excessive contributions. Both treasurers acknowledged that a transfer of \$20,000 was made on July 29, 1983, and a transfer of \$9,000 was made on September 6, 1983. They further pointed out that the sum of \$4,613.74 was reported to the Commission to reflect the expenditures made by the state committee on behalf of Mr. Crawford's Congressional candidacy. (See Attachments 1 and 2).

The allegation concerning the federal committee's failure to properly itemize transfers from the state committee raises two issues: 1) the registration and reporting requirements of the state committee, and 2) the commingling of impermissible contributions with permissible contributions.

1. Registration and Reporting Requirements of the State Committee

With respect to the first issue, Commission regulations provide that transfers of funds, such as the \$20,000 and the \$9,000, may be made without limit between "affiliated" committees. See 11 C.F.R. § 102.6(a). Included within the definition of affiliated committees are political committees that are established, financed, maintained, or controlled by the same person or group of persons. See 2 U.S.C. § 441a(a)(5) and

11 C.F.R. § 100.5(g)(2). Moreover, Commission regulations recognize that two committees may be considered to be "affiliated" even though one of them is not a political committee under the Act. See 11 C.F.R. § 102.6(a). Because Citizens for Crawford and Crawford for Congress were established, maintained and controlled by the same person they would be deemed affiliated committees under the Act and Crawford for Congress was required to report funds received from Citizens for Crawford as transfers from that committee. Moreover, because Citizens for Crawford made expenditures on behalf of Crawford's Congressional Campaign which exceeded \$1,000 as of July 7, 1983, it became a political committee under the Act and was required to register as of July 17, 1983. See 2 U.S.C. §§ 431(4) and 433(a). It would also be required to report as a political committee in accordance with 2 U.S.C. § 434(a), disclosing on its first report the source of the funds then in its accounts.

The General Counsel, therefore, recommends that the Commission find reason to believe that Citizens for Crawford violated 2 U.S.C. §§ 433(a) and 434(a).

In addition, as an affiliated committee of Crawford for Congress, Citizens for Crawford should have been listed as an affiliated committee on the federal committee's statement of organization in accordance with 2 U.S.C. § 433(b)(2). This has not been done. The Office of General Counsel, therefore, recommends that the Commission find reason to believe that the

Crawford for Congress Committee violated 2 U.S.C. § 433(b)(2). The complainant erroneously alleges that it was the federal committee's responsibility to itemize the amounts transferred from the state committee to the federal committee. The complainant, however, was correct in asserting that contributions to the state committee which were not itemized should have been itemized. The basis for the allegation appears to be the 1983 Year End report filed by the federal committees which states that \$8,425 of the amount transferred from the state committee was itemized and \$25,188.74 was unitemized. 1/ Nine days after the complaint was filed, however, the federal committee filed an amended Year End report. That report not only itemized the amounts itemized in the original report, but also itemized an additional \$24,988.74. Of these newly itemized amounts, \$10,125 consisted of contributions to the state committee by persons whose aggregate contributions were in excess of \$200. Such contributions must be itemized by the state committee under 2 U.S.C. § 434(b)(3). Since a violation of this section would be subsumed under a § 434(a) violation, no finding by the Commission is necessary.

2. Commingling of Impermissible Contributions with Permissible Contributions

The funds in the state committee's account at the time of each transfer would be assumed to be composed of those contributions most recently received by the state committee, and

---

1/ Although the committee reported a total of \$8,425 in itemized amounts, that figure was incorrect. This Office added the pertinent figures and found that the actual total of itemized amounts is \$8,625.

the state committee would have to itemize in accordance with 2 U.S.C. § 434(b). See 11 C.F.R. § 104.12. The state committee would also be required to exclude any contributions not permissible under the Act from those funds proposed to be transferred to the federal committee.

Based on the above analysis, in order to determine whether the state committee transferred any impermissible funds, the second issue, the state committee's cash on hand at the time of transfer to the federal committee must be ascertained. Amounts from the contributions comprising the cash-on-hand (i.e., the most recent contributions) that were corporate or union are then subtracted from the cash-on-hand figure. The resulting amount must be further reduced by the amount of excessive individual contributions made to the state committee. See AO 1982-52. In determining the existence of violations as to individual contributions, the contributions to the two committees are aggregated for each individual because they were made within the same election cycle. See AO 1978-19.

According to the 1983 report of the state committee 2/ submitted as an exhibit by the complainant, the state committee had \$32,631 cash-on-hand at the beginning of the year. From the beginning of the year until the end of July 1983, it received

---

2/ According to the Indiana Election Code, political committees are required to file reports annually. Indiana Code § 3-4-6-5.

269407  
\$43,050. 3/ Expenditures by the state committee up until that point totalled \$15,018.61 4/ leaving a cash-on-hand total on July 29 of \$60,662.39. Assuming that all of the businesses listed by the complainant were incorporated, -- the worst case for the respondents -- the state committee received \$6,400 in corporate contributions. In addition, the state committee received \$300 in labor organization contributions. Once these amounts are subtracted out, this brings the cash-on-hand total down to \$53,962.39. As for contributions by individuals, the treasurer of the federal committee asserts that the state committee excised more than the excessive amounts from the combined contributions to both committees. After reviewing the figures in the complaint, the responses, and the reports of the state committee and federal committee, it appears that in order to ensure that none of the individual contributions to both committees contributed in excess of \$1,000 to Crawford's

---

3/ This figure is the bottom line total submitted by the state committee on its 1983 annual report. A review of this report indicates that there were a number of recording and arithmetical errors and that the actual figure may have been as high as \$46,575. Until this office can ascertain the actual total of receipts by the state committee, however, we will use the figure submitted on the state committee's report we have attached.

4/ These expenditures included \$3,116.80 of the \$4,613.74 in expenditures by the state committee on behalf of the federal committee.

Congressional candidacy, the state committee excised \$2,900 5/ bringing the cash-on-hand total of transferable money on July 29 to \$51,062.39. This total is well above the \$20,000 transferred to the federal committee.

According to the report submitted by the complainant, no further contributions were received but \$13,485.80 in expenditures were made prior to September 6, 1983. 6/ The state committee, therefore, still retained \$17,576.59 of apparently transferable money in its treasury at the time that it made the \$9,000 transfer to the federal committee.

There are still a number of problems in determining whether or not all of the funds transferred to the federal committee were permissible funds.

First, the method by which this Office calculated the cash-on-hand total at the time the transfers were made included adding in the state committee's cash-on-hand total on January 1, 1983 which was not itemized. This total, however, may have also included some funds that could not be transferred to a federal committee because they may have been impermissible as corporate, union, or excessive funds. The transferrable totals for the

---

5/ This is another worst case figure. The federal committee treasurer claims that Nick Morfas gave \$1,250 to the state committee of which only \$600 was transferred to the federal committee. The state committee report also includes a \$1,000 loan from Morfas. Although Indiana law includes loans within the definition of contributions, this Office is unable to discern from the documents before it whether or not this figure was in addition to the \$1,250 or part of it. For purposes of this analysis, this Office assumed the former.

6/ These expenditures included \$1,096.94 of the \$4,613.74 in expenditures made by the state committee on behalf of the federal committee.

July 29 and September 6 transfers may, therefore, have to be altered. Although it appears that the \$31,173 margin between the permissible transferrable amount and the amount transferred is enough of a margin to eliminate impermissible contributions in the July 29 transfer, there may be a different determination with respect to the September 6 transfer.

The second problem pertains to the fact that, of the amount reported on the federal committee's report as being transferred to it by the state committee, \$1,950 was received from campaign committees of state and local candidates. Some of the contributions from these committees may have originated from impermissible sources.

The third problem involves the subsequent allegations concerning state committee disbursements. If some or all of the disbursements referred to in these allegations are determined to be expenditures for Mr. Crawford's Congressional candidacy, then a further calculation will have to be made in order to determine whether the state committee had sufficient "clean" funds to make these disbursements as well as the transfers.

Section 441b(a) of Title 2 prohibits the making of corporate and labor organization contributions in connection with an election to federal office and also prohibits the acceptance of such contributions. Section 441a(a)(1)(A) prohibits a person

from making a contribution in excess of \$1,000 and § 441a(f) prohibits acceptance of such contributions. Section 104.12 of 11 C.F.R. requires a committee to "exclude from funds to be used for federal elections any contributions not permissible under the Act." From the facts presented, it appears that Citizens for Crawford may have expended and transferred funds for use in a federal election which were not permissible under 2 U.S.C. § 441b(a) and 441a(a)(1)(A). It also appears that Crawford for Congress may have accepted funds to be used for a federal election which were not permissible under 2 U.S.C. §§ 441b(a) and 441a(f). The Office of General Counsel, therefore, recommends that the Commission find reason to believe that Citizens for Crawford violated 2 U.S.C. §§ 441b(a) and 441a(a)(1)(A) and that Crawford for Congress violated 2 U.S.C. §§ 441b(a) and 441a(f).

C. Subsequent Disbursements by the State Committee

The complainant makes a number of other allegations pertaining to activities of the state committee for which disbursements were made. If any of the disbursements was a payment "for the purpose of influencing any election for federal office," then such a disbursement would be an expenditure under 2 U.S.C. § 431(9)(A) and reportable by the state committee under 2 U.S.C. § 434(b)(4)(A). There will be no recommendation as to the reporting of any expenditures because reporting omissions would be subsumed by the recommendation made with respect to 2 U.S.C. § 434(a). As mentioned above, a resolution of the nature of these disbursements is also important in order

to determine whether or not the state committee expended funds from impermissible sources or out of excessive individual contributions in violation of 2 U.S.C. §§ 441b(a) and 441a(a)(1)(A).

As to the allegation pertaining to the picnic held by Mr. Crawford, the treasurer of Citizens for Crawford admits that a large sign reading, "Crawford for Congress" was placed on the roof of the park pavilion at a picnic for Crawford held on September 10, 1983. The treasurer states, however, that the state committee had sponsored this picnic for five out of the last six years, that Mr. Crawford's 1982 local election race was uncontested, that he had not been in a contested election since 1978, and that the intention of the picnic "was simply to continue the practice of providing this annual activity for our friends." 7/

The state committee points out that this picnic has been held for five of the six previous years, three of them in non-election years. Mr. Crawford's announced Congressional candidacy and a prominent display promoting his candidacy appear to alter the nature of the event. The 1983 picnic appears to be in furtherance of Mr. Crawford's Congressional candidacy.

---

7/ The state committee treasurer also listed the disbursements made by the committee. It appears that the complaint omitted two vendors and that the disbursements totalled \$3,473.03.

With respect to the allegation that Citizens for Crawford expended \$760 for Christmas cards in December 1983, the state committee treasurer stated that the mailing of the cards has been part of an annual practice of the committee since its inception. In her response, the treasurer attached a card and pointed out that there was no political message on the card or the envelope. She acknowledges that the return address on the envelope is the federal committee's address, but notes that the committee's name does not appear on the card or envelope. The use of the federal committee's address during Mr. Crawford's Congressional candidacy raises questions as to the purpose of this particular disbursement.

With respect to the allegation that the state committee made numerous political expenditures following the announcement of the Congressional candidacy and that a fundraiser held one month prior to the announcement was for the Congressional campaign, the state committee responded by listing various disbursements and, in most cases, discussing their purpose. These disbursements included: 1) \$1,598.19 in state committee expenditures which were reported as state committee disbursements for Crawford on the federal committee's Year End Report; 2) \$300 in expenditures reported on the state committee's Year End report as "annual dues" owed by the state committee to various organizations; 3) \$568.68 for flowers for "the sick and funerals" which are funded by an ongoing account maintained by the state committee

with a local florist; 4) \$350 for a float decoration for a parade in which Mr. Crawford, "in his capacity as a public official," appears annually; and 5) four miscellaneous disbursements. Also included were \$2,779.03 in contributions by the state committee to "various committees and groups", which according to the state committee treasurer, were made "due to the fact that Jack Crawford at this time was a public official and, as such, is continuously being requested to contribute to various groups and organizations." The treasurer states that "[t]his can be verified simply by looking through his State Report for 1983 and seeing the disbursements which are made almost on a continuous basis throughout the year." The list reveals that a vast majority of the disbursements were for state or local candidate or party committees. With the exception of the first set of disbursements, none of the above-listed disbursements appeared on the federal committee report.

With respect to the fundraiser dinner held one month prior to the announcement, the state committee lists the expenditures incurred, but the only defense made for these disbursements was that they were made for a dinner held prior to the announcement.

A number of these disbursements warrant scrutiny in order to determine whether they were really expenditures on behalf of the federal candidate required to be reported under 2 U.S.C. § 434(b) (4) (A). Although the fundraiser was held one month prior to Mr. Crawford's announcement, the state committee had already been

making expenditures on behalf of the Congressional candidacy as early as April 14, 1983. Two of the miscellaneous disbursements were not explained sufficiently to warrant their exclusion as federal expenditures. The many disbursements to state or local candidate or party committees warrant a comparison with disbursements during years when Mr. Crawford was not a candidate for Congress. Based on the foregoing analysis, it appears that some of these expenditures may have been for Mr. Crawford's federal candidacy.

These allegations warrant further inquiry by the Commission. Without a resolution of the nature of the above-described expenditures, the Commission cannot determine the extent of the use by the state committee of any impermissible funds. The General Counsel, therefore, recommends that the Commission approve the questions attached to the letters to be sent to the treasurers of the respondent committees in order to determine the full extent of the apparent §§ 441a and 441b violations.

D. Failure to Print Notice of Source of Funding

With respect to the final allegation, the treasurer of the federal committee admits that, despite his instructions, the disclaimer was not printed on the billboard, and he did not become aware of this until he received the complaint. Section 441d(a)(1) requires a communication paid for and authorized by a candidate's committee to state clearly that the communication has been paid for by the committee. The General Counsel, therefore, recommends that the Commission find reason to believe that Crawford for Congress violated 2 U.S.C. § 441d(a)(1).

MUR 1643  
Levin

April 6, 1984

Mr. Kenneth A. Gross  
Associate General Counsel  
Federal Election Commission  
Washington, D.C. 20463

Re: MUR 1643

Dear Mr. Gross:

This letter is written in response to your letter of March 19, 1984, advising me that the Federal Election Commission had received a complaint alleging violations of the Federal Election Campaign Act of 1971. I have read the complaint, which you enclosed, and will respond to the portions thereof which apply to my particular committee.

First of all, be advised that I am the Treasurer of Citizens for Crawford Campaign Committee, which is Jack F. Crawford's state campaign committee, and, as such, has been in existence for approximately five years. Attached to the complaint was a copy of the Citizens for Crawford Campaign Report for the year ending 1983, which was filed on January 17, 1984. I will refer to this report in this response.

I. TRANSFER OF FUNDS TO CRAWFORD FOR CONGRESS COMMITTEE:

To date, a total of \$33,613.74 has been reported as being transferred from the Citizens for Crawford Committee (State) to Crawford for Congress Committee. Of these funds, two separate transfers were made consisting of a \$20,000.00 cash transfer on July 29, 1983, and a \$9,000.00 cash transfer on September 6, 1983. In addition, a further sum in the amount of \$4,613.74 was reported on the FEC Report for the year ending 1983 which reflects expenditures made by the Citizens for Crawford Committee which were considered congressional expenditures in nature. Accordingly, our State Report reflects the total \$29,000.00 transferred and individually lists the expenditures which amount to \$4,613.74. This is our explanation why the State Report shows \$29,000.00 being transferred inasmuch as that reflects the actual cash transfer.

II. CITIZENS FOR CRAWFORD PICNIC: (Answer to Rhetorical Paragraph No. 8 of Complaint.)

On September 10, 1983, Citizens for Crawford Committee sponsored a free picnic at Wicker Park in Highland, Indiana. This was the 5th Annual Picnic of this nature and format which has been paid for and sponsored by the Citizens for Crawford Committee. The following are the dates of the picnics:

1. September 10, 1983
2. September 11, 1982
3. August 29, 1981  
(1980 - no picnic)
4. September 8, 1979
5. Fall of 1978

The intention of this picnic was simply to continue the practice of providing this annual activity for our friends. (Please note that Jack F. Crawford was unopposed both in the Primary and General Elections which were held in May and November, 1982, respectively. Accordingly, Mr. Crawford has not been in a contested election since 1978.) Further, year in and year out, the Citizens for Crawford Committee has sponsored this picnic during five of the last six years while there has been no political contest.

Please be advised that a large sign reading, "Crawford for Congress" was placed on the roof of the pavilion at Wicker Park. The intention of the picnic, however, was merely to continue our practice.

The following is a list of disbursements for this picnic which were paid by the Citizens for Crawford Committee:

9/7	Delaney Printing (Picnic Tickets)	\$ 345.64
9/13	Lewis Insurance - Liability Insurance	135.60
10/4	Rick Mylnarski - Band	250.00
10/4	Pepsi Cola	609.10
10/4	Calumet Breweries	151.20
10/4	Pauline Capps - Popcorn & Snowcone Machines	363.16
10/13	Rocky's Supermarket	1,082.38
10/13	Condes Catering	535.95

III. CHRISTMAS CARDS: (Answer to Rhetorical Paragraph No. 9  
of Complaint.)

In early December, 1983, Christmas cards were mailed by bulk rate to a list of friends developed over the years. The mailing of Christmas cards was the continuation of an annual practice paid by the Citizens for Crawford Committee since its inception. I have attached one of the Christmas cards with accompanying envelopes used in our mailing in December of 1983 for your inspection. As you will see, no political messages or advertisements were placed on either the card or envelope. In addition, the card and envelope were the only items sent. The postage for the mailing of these cards by bulk rate was reported on the State Report, dated December 12, 1983, in the amount of . . . . . \$ 760.00

Reference is made in the complaint to the return address printed on the envelope. Please note that no names or other information is printed other than the address. It was our position that the mailing of these Christmas cards to our friends, which includes precinct committee people, was not in furtherance of the congressional campaign.

IV. EXPENDITURES BY THE CITIZENS FOR CRAWFORD COMMITTEE (STATE) AFTER JACK F. CRAWFORD ANNOUNCED HIS CANDIDACY FOR CONGRESS: (Answer to Rhetorical Paragraph No. 10 of Complaint.)

Subsequent to the announcement of Jack F. Crawford's Candidacy for Congress, certain expenditures totaling \$23,007.61 were made by the Citizens for Crawford Campaign Committee. These expenditures will be grouped and explained as follows:

(a) Picnic Expenditures:

Picnic expenditures in the amount of \$3,473.03 have been explained in Paragraph II of this letter.

(b) Christmas Cards:

\$760.00 was paid for the Christmas card postage which was explained in Paragraph III above.

(d) Expenditures by Citizens for Crawford Committee Listed on the 1983 Year-End FEC Report as Disbursements by Citizens for Crawford Committee in Furtherance of the Congressional Campaign:

The following is a list of expenditures made by the State Committee which were reported as such on the FEC Report for the year-end 1983:

7/27	Freddie's Steak House/Dinner Expense	\$ 101.25

*10/3	Mayor Williams Re-election Committee	<u>400.00</u>
Total:		\$1,598.19

\*This contribution, dated October 3, 1983, for Mayor Williams Re-election, in the amount of \$400.00, was listed in this group and not with the following contributions group due to the fact that this contribution was made in the

hopes that it would further Jack F. Crawford's congressional effort.

(e) Dues for Community Organizations:

The following expenditures by the Citizens for Crawford Committee were incurred for annual dues to the respective organizations:

11/3	Calumet Forum, Inc. (non-profit organization)	\$ 100.00
11/3	Pirates, Inc. (charitable organization)	100.00
11/3	Big Brothers/Big Sisters (charitable organization)	<u>100.00</u>
Total:		\$300.00

(f) Contributions:

Subsequent to the announcement by Jack F. Crawford for Congress, a total of \$2,779.03 of expenditures were made by the Citizens for Crawford Committee in the form of contributions to various committees and groups. These contributions were made by the State Committee due to the fact that Jack Crawford at this time was a public official and, as such, is continuously being requested to contribute to various groups and organizations. This can be verified simply by looking through his State Report for 1983 and seeing the disbursements which are made almost on a continuous basis throughout the year. These expenditures were incurred arising out of Mr. Crawford's present position as a public official and not in the furtherance of his congressional campaign. Following is a detailed list of these expenditures:

Re: MUR 1643  
Crawford for Congress Committee  
FEC #106518

Dear Sir:

I am writing in response to the above matter concerning certain allegations made to the FEC by Mr. Peter J. Visclosky about the Crawford for Congress Committee.

I. RESPONSE TO PARAGRAPHS 4, 5, 6 AND 7 OF COMPLAINT:

A transfer totaling \$29,000.00 was made between the candidate's previous State campaign committee to the principal Federal campaign committee, Crawford for Congress Committee. This was accomplished with two separate transfers consisting of \$20,000.00 on July 29, 1983, and a \$9,000.00 transfer on September 6, 1983. In addition, the sum of \$4,613.74 was reported on the FEC Report to reflect the expenditures made by the State campaign committee which were congressional expenditures in nature. These expenditures were listed on the FEC Report and treated as a transfer of funds from the State campaign committee to the principal Federal campaign committee. Accordingly, our FEC Report showed a total amount of \$34,613.74 transferred from the State campaign committee to the principal Federal campaign committee.

In addition, be advised that a detailed list of the source of the said \$34,613.74 was filed with our amended FEC Report for the period ending December 31, 1983. Some confusion arose as to the FEC requirements in reporting these transfers due to the fact that in the Federal Election Commission Guide For Congressional Candidates and Committees, dated September 1982, in the third column, page 4, under the heading, Transfers Among Authorized Committees, states:

Attachment 2 - p. 1 of 5

Mr. Kenneth A. Gross  
Page Two  
April 18, 1984

"Transfers between a candidate's previous campaign committee and his/her currently registered political committee, 110.3(a)(2)(iv). If the previous campaign was for a State or local office, the original donors of transferred contributions exceeding \$200 must be identified and their contributions fully itemized on the first report filed after the transfer. It is assumed that the last contributions received by the State or local campaign committee are those transferred to the current Federal campaign committee. The Federal campaign committee may not, however, accept any funds which would be unlawful under the Act. 104.12.

The funds which were transferred from the prior State campaign committee were, in fact, transferred under the "last in-first out" manner as required, however, contributions which were not permissible under the Act, were excluded from the transfer. For example, impermissible funds which were co-mingled in the State campaign committee were bypassed and left in the State campaign committee. See detailed list of source of funds filed with the amended FEC Report on or about March 21, 1984.

With further reference to the transfer of funds, the Complainant fails to set forth in his Complaint a violation and it is my position that the transfer of funds from the prior State campaign committee to the principal Federal campaign committee was in compliance with the Act.

On page 3 of the Complaint, Mr. Visclosky sets forth a list of corporations which contributed to the State campaign committee. None of the funds contributed by these corporations were transferred to the principal Federal campaign committee, but were excluded and left in the State campaign committee account.

On page 4, Mr. Visclosky again sets forth a list of contributors which he speculates might be corporations. Your attention is directed to our detailed list of the source of the funds transferred. Again, the funds which were impermissible were excluded from the transfer of funds to the principal Federal campaign committee.

2-p. 2 of 5

Mr. Kenneth A. Gross  
Page Three  
April 18, 1984

Mr. Visclosky's allegations are based on the theory that in the event any of the funds in a State committee are from impermissible sources, that said funds must necessarily be included in the transfer. To carry his argument to an extreme, in the event the last contribution received by a State committee was from a corporation, then no transfer of any funds could be made. This is incorrect. The corporate funds are excluded from the transfer and the permissible funds are moved into the principal Federal campaign committee.

With regard to the allegations contained in paragraph 6 concerning the contributions by Nick Morfas, Richard Philpot, Ken Nowak, Finis Coulis and Ronald Borsits, I direct your attention to our detailed summary of the transferred funds. Note that the following amounts were transferred for the above individuals:

Ronald Borsits	\$300.00
Finis Coulis	300.00
Richard Philpot	-0-
Kenneth Nowak	500.00
Nick Morfas	600.00

In addition, the above individuals contributed the following amounts to the principal Federal campaign committee:

Ronald Borsits	\$500.00
Finis Coulis	250.00
Richard Philpot	1,000.00
Kenneth Nowak	250.00
Nick Morfas	250.00

Please note that no funds contributed by Richard Philpot were transferred from the State committee. In addition, only \$600.00 of the contributions to the State committee by Nick Morfas were transferred and not the entire \$1,250.00 as alleged.

Please note the Complainant misread our FEC Report and double added the transferred monies attributed to Ken Nowak, Finis Coulis, Nick Morfas and Ronald Borsits. The transferred monies were also recorded as a "memo" entry and credited to the "year to date" entry on Line 11a.

2-p.3 of 5

Mr. Kenneth A. Gross  
Page Four  
April 18, 1984

Therefore, these contributions appeared on the transferred list and as a memo entry on the 11a portion of the report. Also, please note that on the amended report for the period ending December 31, 1983, I deleted the memo entry. The correct contributions for the above individuals are as follows:

Nick Morfas:

Transferred from State committee	\$	600.00
Contributed to Congressional Committee		250.00
Ronald Borsits:	"	300.00
		500.00
Finis Coulis:	"	300.00
		250.00
Richard Philpot:	"	-0-
		1,000.00
Kenneth Nowak	"	500.00
		250.00

With regard to the allegations in paragraph 7, the contributions to the State committee by the International Brotherhood of Boilermakers, Local 374, Hammond, Indiana, and U.S. Steelworkers were excluded from the transferred funds.

II. RESPONSE TO PARAGRAPHS 8, 9 AND 10 OF COMPLAINT:

With reference to the allegations in paragraphs 8, 9 and 10, the expenditures by the State committee were not reported as transfers since it was felt that those expenditures were not in furtherance of the congressional campaign. The treasurer of the State committee submitted an explanation of these expenditures.

III. RESPONSE TO AMENDMENT NO 1 OF COMPLAINT:

The printing for the billboards for the Crawford for Congress campaign was done through two separate orders with the printing company. Be further advised that I instructed our people who ordered the printing that the disclaimer was necessary. The campaign worker who placed the first order properly requested that the disclaimer be printed on the billboard advertising and it was. A second printing was required and, through a mistake, the disclaimer was not printed. I was not aware of this situation until it was brought to my attention by means of this complaint.

Very truly yours,

Crawford for Congress Committee

Re: MUR 1643

Dear Ms. Crawford:

The Federal Election Commission notified you on March 19, 1984, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time. We acknowledge receipt of your explanation of this matter which was dated April 6, 1984.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on , 1984, made a number of determinations. The Commission found reason to believe that Citizens for Crawford and you, acting as its treasurer, violated 2 U.S.C. §§ 433(a) and 434(a) by failing to register and report after expending \$1,000 for Mr. Crawford's Congressional campaign by July 7, 1984. The Commission also found reason to believe that your committee and you, as its treasurer, violated 2 U.S.C. §§ 441b(a) and 441a(a) (1)(A) in connection with the expenditure of funds for Mr. Crawford's Congressional campaign and transfers to Crawford for Congress. The former section prohibits the making of corporate and labor organization contributions in connection with a federal election and the later section places a \$1,000 limit on contributions by a person to a candidate or his committee. It appears that expenditures and transfers by your committee may have originated from corporation or labor organization contributions and from excessive contributions.

This Office has enclosed interrogatories and a request for documents addressed to you. (Included in this request for documents is a request for your committee's 1983 report. Appropriate recording and arithmetical corrections would assist the Commission in its analysis of the transfers made by your committee). In addition, you may submit any factual and legal materials which you believe are relevant to the Commission's analysis of this matter. Please submit all responses and materials within ten days of your receipt of this notification. All responses should be submitted under oath.

The Office of General Counsel would like to settle this matter through conciliation prior to a finding of probable cause; however, in the absence of any information which demonstrates that no further action should be taken against the committee and you, as treasurer, the Office of General Counsel must proceed to the next compliance stage as noted on page 2, paragraph 2 of the enclosed procedures.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public. MUR 1643  
Lewin

April 6, 1984

Mr. Kenneth A. Gross  
Associate General Counsel  
Federal Election Commission  
Washington, D.C. 20463

Re: MUR 1643

Dear Mr. Gross:

This letter is written in response to your letter of March 19, 1984, advising me that the Federal Election Commission had received a complaint alleging violations of the Federal Election Campaign Act of 1971. I have read the complaint, which you enclosed, and will respond to the portions thereof which apply to my particular committee.

First of all, be advised that I am the Treasurer of Citizens for Crawford Campaign Committee, which is Jack F. Crawford's state campaign committee, and, as such, has been in existence for approximately five years. Attached to the complaint was a copy of the Citizens for Crawford Campaign Report for the year ending 1983, which was filed on January 17, 1984. I will refer to this report in this response.

I. TRANSFER OF FUNDS TO CRAWFORD FOR CONGRESS COMMITTEE:

To date, a total of \$33,613.74 has been reported as being transferred from the Citizens for Crawford Committee (State) to Crawford for Congress Committee. Of these funds, two separate transfers were made consisting of a \$20,000.00 cash transfer on July 29, 1983, and a \$9,000.00 cash transfer on September 6, 1983. In addition, a further sum in the amount of \$4,613.74 was reported on the FEC Report for the year ending 1983 which reflects expenditures made by the Citizens for Crawford Committee which were considered congressional expenditures in nature. Accordingly, our State Report reflects the total \$29,000.00 transferred and individually lists the expenditures which amount to \$4,613.74. This is our explanation why the State Report shows \$29,000.00 being transferred inasmuch as that reflects the actual cash transfer.

II. CITIZENS FOR CRAWFORD PICNIC: (Answer to Rhetorical Paragraph No. 8 of Complaint.)

On September 10, 1983, Citizens for Crawford Committee sponsored a free picnic at Wicker Park in Highland, Indiana. This was the 5th Annual Picnic of this nature and format which has been paid for and sponsored by the Citizens for Crawford Committee. The following are the dates of the picnics:

1. September 10, 1983
2. September 11, 1982
3. August 29, 1981  
(1980 - no picnic)
4. September 8, 1979
5. Fall of 1978

The intention of this picnic was simply to continue the practice of providing this annual activity for our friends. (Please note that Jack F. Crawford was unopposed both in the Primary and General Elections which were held in May and November, 1982, respectively. Accordingly, Mr. Crawford has not been in a contested election since 1978.) Further, year in and year out, the Citizens for Crawford Committee has sponsored this picnic during five of the last six years while there has been no political contest.

Please be advised that a large sign reading, "Crawford for Congress" was placed on the roof of the pavilion at Wicker Park. The intention of the picnic, however, was merely to continue our practice.

The following is a list of disbursements for this picnic which were paid by the Citizens for Crawford Committee:

9/7	Delaney Printing (Picnic Tickets)	\$ 345.64
9/13	Lewis Insurance - Liability Insurance	135.60
10/4	Rick Mylnarski - Band	250.00
10/4	Pepsi Cola	609.10
10/4	Calumet Breweries	151.20

III. CHRISTMAS CARDS: (Answer to Rhetorical Paragraph No. 9 of Complaint.)

In early December, 1983, Christmas cards were mailed by bulk rate to a list of friends developed over the years. The mailing of Christmas cards was the continuation of an annual practice paid by the Citizens for Crawford Committee since its inception. I have attached one of the Christmas cards with accompanying envelopes used in our mailing in December of 1983 for your inspection. As you will see, no political messages or advertisements were placed on either the card or envelope. In addition, the card and envelope were the only items sent. The postage for the mailing of these cards by bulk rate was reported on the State Report, dated December 12, 1983, in the amount of . . . . . \$ 760.00

Reference is made in the complaint to the return address printed on the envelope. Please note that no names or other information is printed other than the address. It was our position that the mailing of these Christmas cards to our friends, which includes precinct committee people, was not in furtherance of the congressional campaign.

IV. EXPENDITURES BY THE CITIZENS FOR CRAWFORD COMMITTEE (STATE) AFTER JACK F. CRAWFORD ANNOUNCED HIS CANDIDACY FOR CONGRESS: (Answer to Rhetorical Paragraph No. 10 of Complaint.)

Subsequent to the announcement of Jack F. Crawford's Candidacy for Congress, certain expenditures totaling \$23,007.61 were made by the Citizens for Crawford Campaign Committee. These expenditures will be grouped and explained as follows:

(a) Picnic Expenditures:

Picnic expenditures in the amount of \$3,473.03 have been explained in Paragraph II of this letter.

(b) Christmas Cards:

\$760.00 was paid for the Christmas card postage which was explained in Paragraph III above.

(c) Fundraiser:

The following expenditures were made for outstanding bills arising from the fundraiser held by the Citizens for Crawford Committee on June 23, 1983. These expenditures were incurred either on June 23rd, or prior to this date, and were, accordingly, paid by the Citizens for Crawford Committee as follows:

8/5/83	Yolanda Sue Catering	\$ 6,736.00
8/5/83	Dick Judson Orchestra	1,265.00
8/9/83	Delaney Printing (Tickets)	323.61
8/11/83	Wicker Park Social Center	2,626.62
8/11/83	Brum's Bloomin Barn	<u>659.50</u>
Total:		\$11,610.73

(d) Expenditures by Citizens for Crawford Committee  
Listed on the 1983 Year-End FEC Report as  
Disbursements by Citizens for Crawford Committee  
in Furtherance of the Congressional Campaign:

The following is a list of expenditures made by the State Committee which were reported as such on the FEC Report for the year-end 1983:

7/27	Freddie's Steak House/Dinner Expense	\$ 101.25
8/5	Western Union/Telegrams	525.45
8/9	Senate House Caucus / Seminar for Candidates	200.00

8/28	U.S. Post Office/Postage	220.78
*10/3	Mayor Williams Re-election Committee	<u>400.00</u>
Total:		\$1,598.19

\*This contribution, dated October 3, 1983, for Mayor Williams Re-election, in the amount of \$400.00, was listed in this group and not with the following contributions group due to the fact that this contribution was made in the

hopes that it would further Jack F. Crawford's congressional effort.

(e) Dues for Community Organizations:

The following expenditures by the Citizens for Crawford Committee were incurred for annual dues to the respective organizations:

11/3	Calumet Forum, Inc. (non-profit organization)	\$ 100.00
11/3	Pirates, Inc. (charitable organization)	100.00
11/3	Big Brothers/Big Sisters (charitable organization)	<u>100.00</u>
Total:		\$300.00

(f) Contributions:

Subsequent to the announcement by Jack F. Crawford for Congress, a total of \$2,779.03 of expenditures were made by the Citizens for Crawford Committee in the form of contributions to various committees and groups. These contributions were made by the State Committee due to the fact that Jack Crawford at this time was a public official and, as such, is continuously being requested to contribute to various groups and organizations. This can be verified simply by looking through his State Report for 1983 and seeing the disbursements which are made almost on a continuous basis throughout the year. These expenditures were incurred arising out of Mr. Crawford's present position as a public official and not in the furtherance of his congressional campaign. Following is a detailed list of these expenditures:

Re: MUR 1643  
Crawford for Congress Committee  
FEC #106518

Dear Sir:

I am writing in response to the above matter concerning certain allegations made to the FEC by Mr. Peter J. Visclosky about the Crawford for Congress Committee.

I. RESPONSE TO PARAGRAPHS 4, 5, 6 AND 7 OF COMPLAINT:

A transfer totaling \$29,000.00 was made between the candidate's previous State campaign committee to the principal Federal campaign committee, Crawford for Congress Committee. This was accomplished with two separate transfers consisting of \$20,000.00 on July 29, 1983, and a \$9,000.00 transfer on September 6, 1983. In addition, the sum of \$4,613.74 was reported on the FEC Report to reflect the expenditures made by the State campaign committee which were congressional expenditures in nature. These expenditures were listed on the FEC Report and treated as a transfer of funds from the State campaign committee to the principal Federal campaign committee. Accordingly, our FEC Report showed a total amount of \$34,613.74 transferred from the State campaign committee to the principal Federal campaign committee.

In addition, be advised that a detailed list of the source of the said \$34,613.74 was filed with our amended FEC Report for the period ending December 31, 1983. Some confusion arose as to the FEC requirements in reporting these transfers due to the fact that in the Federal Election Commission Guide For Congressional Candidates and Committees, dated September 1982, in the third column, page 4, under the heading, Transfers Among Authorized Committees, states:

Mr. Kenneth A. Gross  
Page Two  
April 18, 1984

"Transfers between a candidate's previous campaign committee and his/her currently registered political committee, 110.3(a)(2)(iv). If the previous campaign was for a State or local office, the original donors of transferred contributions exceeding \$200 must be identified and their contributions fully itemized on the first report filed after the transfer. It is assumed that the last contributions received by the State or local campaign committee are those transferred to the current Federal campaign committee. The Federal campaign committee may not, however, accept any funds which would be unlawful under the Act. 104.12.

The funds which were transferred from the prior State campaign committee were, in fact, transferred under the "last in-first out" manner as required, however, contributions which were not permissible under the Act, were excluded from the transfer. For example, impermissible funds which were co-mingled in the State campaign committee were bypassed and left in the State campaign committee. See detailed list of source of funds filed with the amended FEC Report on or about March 21, 1984.

With further reference to the transfer of funds, the Complainant fails to set forth in his Complaint a violation and it is my position that the transfer of funds from the prior State campaign committee to the principal Federal campaign committee was in compliance with the Act.

On page 3 of the Complaint, Mr. Visclosky sets forth a list of corporations which contributed to the State campaign committee. None of the funds contributed by these corporations were transferred to the principal Federal campaign committee, but were excluded and left in the State campaign committee account.

On page 4, Mr. Visclosky again sets forth a list of contributors which he speculates might be corporations. Your attention is directed to our detailed list of the source of the funds transferred. Again, the funds which were impermissible were excluded from the transfer of funds to the principal Federal campaign committee.

Mr. Kenneth A. Gross  
Page Three  
April 18, 1984

Mr. Visclosky's allegations are based on the theory that in the event any of the funds in a State committee are from impermissible sources, that said funds must necessarily be included in the transfer. To carry his argument to an extreme, in the event the last contribution received by a State committee was from a corporation, then no transfer of any funds could be made. This is incorrect. The corporate funds are excluded from the transfer and the permissible funds are moved into the principal Federal campaign committee.

With regard to the allegations contained in paragraph 6 concerning the contributions by Nick Morfas, Richard Philpot, Ken Nowak, Finis Coulis and Ronald Borsits, I direct your attention to our detailed summary of the transferred funds. Note that the following amounts were transferred for the above individuals:

Ronald Borsits	\$300.00
Finis Coulis	300.00
Richard Philpot	-0-
Kenneth Nowak	500.00
Nick Morfas	600.00

In addition, the above individuals contributed the following amounts to the principal Federal campaign committee:

Ronald Borsits	\$500.00
Finis Coulis	250.00
Richard Philpot	1,000.00
Kenneth Nowak	250.00
Nick Morfas	250.00

Please note that no funds contributed by Richard Philpot were transferred from the State committee. In addition, only \$600.00 of the contributions to the State committee by Nick Morfas were transferred and not the entire \$1,250.00 as alleged.

Please note the Complainant misread our FEC Report and double added the transferred monies attributed to Ken Nowak, Finis Coulis, Nick Morfas and Ronald Borsits. The transferred monies were also recorded as a "memo" entry and credited to the "year to date" entry on Line 11a.

06040561036

Mr. Kenneth A. Gross  
Page Four  
April 18, 1984

Therefore, these contributions appeared on the transferred list and as a memo entry on the 11a portion of the report. Also, please note that on the amended report for the period ending December 31, 1983, I deleted the memo entry. The correct contributions for the above individuals are as follows:

Nick Morfas:

Transferred from State committee	\$	600.00
Contributed to Congressional Committee		250.00
Ronald Borsits:	"	300.00
		500.00
Finis Coulis:	"	300.00
		250.00
Richard Philpot:	"	-0-
		1,000.00
Kenneth Nowak	"	500.00
		250.00

With regard to the allegations in paragraph 7, the contributions to the State committee by the International Brotherhood of Boilermakers, Local 374, Hammond, Indiana, and U.S. Steelworkers were excluded from the transferred funds.

II. RESPONSE TO PARAGRAPHS 8, 9 AND 10 OF COMPLAINT:

With reference to the allegations in paragraphs 8, 9 and 10, the expenditures by the State committee were not reported as transfers since it was felt that those expenditures were not in furtherance of the congressional campaign. The treasurer of the State committee submitted an explanation of these expenditures.

III. RESPONSE TO AMENDMENT NO 1 OF COMPLAINT:

The printing for the billboards for the Crawford for Congress campaign was done through two separate orders with the printing company. Be further advised that I instructed our people who ordered the printing that the disclaimer was necessary. The campaign worker who placed the first order properly requested that the disclaimer be printed on the billboard advertising and it was. A second printing was required and, through a mistake, the disclaimer was not printed. I was not aware of this situation until it was brought to my attention by means of this complaint.

CRAWFORD FOR CONGRESS COMMITTEE

FEC I.D. No: 106518

1305 Cleveland Avenue

Whiting, IN 46394

FEC FORM 3 dated 01/31/84 and received on 02/03/84

VERIFIED COMPLAINT

Comes now Peter J. Visclosky and by way of complaint pursuant to 2 USC § 437g against the Crawford For Congress Committee and its report dated January 31, 1984, states and alleges as follows:

1.) Your complainant is a candidate in the Democratic primary election for the office of U.S. Representative from the First District of Indiana on May 8, 1984.

2.) That the Crawford For Congress Committee is the duly organized and authorized committee for Jack F. Crawford, who is also a candidate in the same primary election.

3.) Your complainant is asking the commission to investigate the following charges with respect to candidate Crawford and his campaign committee.

4.) Failure to itemize \$25,188.74 in transferred contributions from the candidate's state committee to his congressional committee. The reason for this failure will become obvious as the Commission reads further in the Complaint. Also, the candidate tried to pick

35040561065

and choose transferred contributions when the proper and logical method to be used is "Last in - First out".

5.) Corporate contributions received by the Crawford For Congress Committee in violation of 2 USC § 441b. In order for the Commission to discover these contributions it is necessary to review the report filed by the Crawford For Congress Committee wherein it shows the receipt of a transfer of funds from the candidate's state committee, "Citizens For Crawford," in the total sum of \$33,613.74. For purposes of review, we are enclosing a copy of the candidate's state committee report filed on January 17, 1984 in the Lake County, Indiana Clerk's Office, (Exhibit "A") which reflects that only \$29,000 was transferred to Crawford For Congress. The Crawford For Congress report, however, only undertakes to itemize \$8,425 to show the Commission the sources of the \$33,613.74 received by transfer. Thus, Crawford For Congress fails to provide the Commission with the necessary information to determine the legality of \$25,188.74 transferred.

A review of the state committee's report will affirmatively show that Mr. Crawford had to transfer the proceeds of corporate contributions made to his state committee. Since the FEC assumes that the last contributions received by the state committee are the first to be transferred to the congressional committee, (See copy of 1980 Federal Election Guide enclosed Exhibit "B"), one necessarily finds that corporate contributions were commingled in the transfer. During June and July of 1983

(which are the last receipts listed for Mr. Crawford's state committee) the state committee report shows the following corporate contributors included in a total of \$32,450 contributed to the state committee during those 2 months:

- a. Hamca Inc.
- b. Riss Sales
- c. Furnace Services, Inc.
- d. Gary Transfer Company, Inc.
- e. Graddick & Harris, P.C.
- f. Strack & Van Til
- g. Hannah's Home Center
- h. Jacobsen's
- i. Wiseway Food Centers
- j. Bell Parts Supply Inc.
- k. Luke's Market Basket Inc.
- l. Pyramid Alarm Inc.
- m. Smith Motors Inc.
- n. Arnold J's Inc.
- o. Costas Food of Lowell, Inc.
- p. Farve Corp.
- q. Roth & Pinkerton, P.C.
- r. Hamca Inc.
- s. Standard Tobacco Company Inc.
- t. Lake Material Service, Inc.
- u. Wilco Food Stores
- v. Highland Lumber & Supply, Inc.
- w. Griffith Ready Mixed Concrete Inc.
- x. Ribordy Drugs Inc.
- y. Trim-a-seal of Indiana Inc.
- z. P.E. Inc.
- aa. Hammond Yellow & Checker Cab Inc.

In addition to these there are numerous other contributors during the same period of time which also appear to be corporate entities:

- a. Hickory Ridge Lakes Phase II
- b. Able Real Estate
- c. United Cable Television
- d. Biegel's Carb. Service
- e. Beautyguard Bldg. Prod.
- f. Haluska Trucking
- g. Rob's Body Shop
- h. The Wood Shed
- i. Bert's Towing
- j. Steel City Vendors
- k. Pavement Restoration of Indiana
- l. Ensing's Supermarket
- m. Home Lumber Co.
- n. Delaney Printing
- o. Active Sign Co.
- p. Baker Estates
- q. Largus Printers
- r. Paul J. Giorgi (a professional corp.)
- s. Certified Super Markets
- t. Baum's Natural Foods
- u. Kiernisa Building
- v. Quarterback Club

6.) Individual contributions received by the Crawford For Congress Committee in excess of the \$1000 limitation in violation of 2 USC § 441a. The same procedure used in 5 supra to discover the illegal corporate contributions must also be employed to, in part, discover the illegal individual contributions in excess

of \$1,000. Mr. Crawford accepted certain contributions from individuals to his state committee and then transferred those to his congressional committee as part of the \$33,613.74 transferred. One of those transferred contributions from Nick Morfas was for \$1,250 which exceeded the federal limitation. In addition, Mr. Crawford then accepted an additional \$850 from Nick Morfas contributed to the congressional committee directly.

Other individual contributors had contributions transferred to the congressional committee by Mr. Crawford, and then gave additional amounts directly to the congressional committee which then put each individual over the federal limit of \$1,000:

- a. Richard Philpot
  - 1.) \$500 transferred from state committee
  - 2.) \$1000 given to congressional committee
- b. Ken Nowak
  - 1.) \$500 transferred from state committee
  - 2.) \$750 given to congressional committee
- c. Finis Coulis
  - 1.) \$700 transferred from state committee
  - 2.) \$550 given to congressional committee
- d. Ronald Borsits
  - 1.) \$300 transferred from state committee
  - 2.) \$800 given to congressional committee

7.) Possible violation of 2 USC § 441b, by Crawford For Congress accepting (by transfer) illegal contributions from labor unions. Again, the Commission must look behind the transfer of funds made by Mr. Crawford's state committee to his congressional

committee. Among the last contributors (in July '83) to the state committee were International Brotherhood of Boilermakers, Local 374, Hammond, Indiana and U.S. Steelworkers. Necessarily under the Commission's rules, these contributions must have been among the first transferred to the congressional committee.

8.) Failure to list contributions (transfers) from the state committee to the congressional committee in violation of 2 USC 421a(7)(B)(i).

In September of 1983, approximately 1½ months after Mr. Crawford announced for Congress and filed his committee registration papers with this Commission, Mr. Crawford organized and held a huge outdoor picnic at a local government owned park. The pavillion at the park was covered with a large banner reading: "Crawford For Congress." Clearly, the picnic was held to promote Mr. Crawford's quest for Congress.

However all disbursements for this picnic were paid by the state committee and not the congressional committee (see state report):

a. Rick Mylnarski (10/4/83)	\$ 250.00
b. Pepsi Cola Co. (10/4/83)	609.10
c. Calumet Breweries (10/4/83)	151.20
d. Pauline Capps (10/4/83)	363.16
e. Rocky's Super Market (10/4/83)	1,082.38
f. Condes Catering (10/4/84)	<u>535.95</u>
TOTAL:	\$2,991.79

86040501072

If this was a contribution, then it exceeded the \$1,000 limit. If it was a transfer, then the candidate needs to further itemize the source of contributions making up this total to be sure none of the money is from unlawful sources as set forth above. Once again, any such itemization under the F.E.C. procedure will show violations of the law.

9.) Possible violation of 2 USC § 441a(7)(B)(i) for failure to list contribution (transfer) from state committee to congressional committee.

The candidate mailed Christmas cards to the precinct committee people in the First Congressional District in December 1983. The cards bore the return address for the Crawford For Congress Committee, which is not the candidate's home or office address and is not the candidate's state committee address. The state report reflects a postage expense on 12/12/83 for \$760.00 which is close in time to the mailing of the Christmas cards.

10.) Possible violation of 2 USC § 441a for failure to list contributions (transfers) from state committee to congressional committee.

Although the candidate had just begun serving the first year of a four year term as prosecuting attorney, and his state committee report shows under office sought on page 1 "DNA", and further, although the candidate did announce for Congress on July 22, 1983, the candidate made numerous political expenditures out of his state committee fund following his congressional announcement. It is reasonable to presume that these expenditures

were made to promote and benefit Mr. Crawford's quest for the congressional seat. These expenditures total \$22,482.16.

11.) In June 1983, Mr. Crawford held a \$50 per person fundraiser and raised over \$40,000. At the time the candidate was less than 6 months into his four year term of state office (prosecuting attorney of Lake County). One month later, Mr. Crawford announced for U.S. Congress, something he had been intimating to the public since the Fall of 1982. It would appear that the June 1983 fundraiser was held to obtain funds solely for Mr. Crawford's congressional campaign and therefore the sources and uses should be scrutinized under the Federal Election Campaign Act 2 USC § 431 et seq.

12.) In early May 1983, your affiant was reliably informed that Mr. Crawford knew he would have trouble with the F.E.C. over contributions.

WHEREFORE, your complainant respectfully prays that the Federal Election Commission investigate the above and foregoing and take any and all actions necessary and proper under the laws and for all further relief.

## INTRODUCTION

The Federal Election Campaign Act (the Act) requires political committees which support candidates for Federal office to register and disclose their campaign receipts and disbursements and to abide by certain contribution limits and prohibitions. To help candidates and committees comply with the Act, the Federal Election Commission (FEC) has prepared this Guide to focus exclusively on those requirements affecting candidates for the U.S. House and Senate, their official campaign committees and any other authorized committees. The information presented here is based on the Act and FEC Regulations.<sup>1</sup>

Matters of immediate concern to candidates and their campaign committees are contained within the main body of the Guide. Supplemental information is contained in the

<sup>1</sup> Citations appearing in this Guide refer to sections of the FEC Regulations, as revised on April 1, 1980. See 11 CFR Parts 100 through 115. This edition supersedes the *Campaign Guide for Congressional Candidates and Their Committees* published in February 1973.

as contributions if compensated by the regular employer of the individual performing the services. 100.7(b)(14).

## 2. Transfers Among Authorized Committees of the Same Candidate

Transfers of funds among committees authorized by the same candidate do not count as contributions and are not limited. 102.6(a). The following transactions are considered transfers:

- Transfers among committees authorized by the candidate for the same election. 110.3(a)(2)(i).
- The transfer of unused primary funds (if any) from the primary campaign committee to the general election campaign committee. 110.3(a)(2)(ii).
- Transfers between a candidate's previous campaign committee and his/her currently registered political committee. 110.3(a)(2)(iv). If the previous campaign was for a State or local office, the original donors of transferred contributions exceeding \$200 must be identified and their contributions fully itemized on the first report filed after the transfer. It is assumed that the last contributions received by the State or local campaign committee are those transferred to the current Federal campaign committee. The Federal campaign committee may not, however, accept any funds which would be unlawful under the Act. 104.12.

## 3. Transfer of Joint Fundraising Receipts

If a joint fundraiser is held by several committees, the transfer to a committee of the portion of funds collected for that committee is not a contribution. 102.6 and 110.3(a)(2)(i).

## 4. Bank Loans

A bank<sup>\*</sup> loan is not a contribution by the bank to the candidate's authorized committee if the loan is made according to applicable banking laws and in the ordinary course of business, i.e., if it:

- Bears the bank's usual and customary interest rate for the category of loan involved;
- Is made on a basis which assures repayment;
- Is evidenced by a written instrument; and
- Is subject to a due date or amortization schedule. 100.7(b)(11).

# III. DISTINCTION BETWEEN EXPENDITURES AND OTHER DISBURSEMENTS

## A. CAMPAIGN EXPENDITURES

A campaign expenditure is a purchase or payment made, or the consumption of anything of value, by an authorized committee of a candidate

or by an authorized agent of the committee (including the candidate) to influence the candidate's nomination or election to Federal office. 100.8(a)(1). Expenditures must be reported by the candidate's authorized committees. Certain types of disbursements, detailed below in Section B, are not considered expenditures but, nevertheless, are reportable.

## 1. Operating Expenses

Payments for operating expenses, such as staff salaries, rent, travel, advertising, phones, office supplies and equipment, fundraising, legal or accounting services, etc., are expenditures.

## 2. Written Agreement to Make Expenditure

A written agreement to make an expenditure is considered an expenditure. 100.8(a)(2).

## 3. In-Kind Contributions Received

An in-kind contribution received by the committee is reported by the committee as both a contribution and an expenditure. 104.13.

## 4. Personal Funds of Candidates

A campaign expenditure made by a candidate from *personal funds*<sup>\*</sup> is considered an in-kind contribution and reported as both a contribution and an expenditure. 110.10. NOTE: Candidates may make unlimited expenditures from personal funds.

# B. OTHER REPORTABLE DISBURSEMENTS

Listed below are other types of *disbursements*<sup>\*</sup> that are not considered campaign expenditures but, nevertheless, must be reported by the candidate's authorized committee.

## 1. Legal and Accounting Services

Legal and accounting services rendered to a candidate's authorized committee solely to ensure compliance with the Act are not campaign expenditures if the person paying for the services is the regular employer of the individual performing the service. 100.8(b)(15).

## 2. Loans to Others

Loans to other candidates or committees made by the candidate or his/her authorized committees are not considered expenditures.

## 3. Loan Repayments

Repayments of loans owed to another person (including to the candidate) are not considered expenditures. 100.8(a)(1)(ii).

## 4. Contributions by the Committee

Contributions to another candidate or political committee are not considered expenditures.

CRAWFORD FOR CONGRESS COMMITTEE

1205 Cleveland Avenue

FEC FORM 3 dated 01/31/84 and received on 02/03/84

Comes now Peter J. Visclosky and by way of complaint pursuant to 2 USC § 437g against the Crawford For Congress Committee and its report dated January 31, 1984, states and alleges as follows:

2.) That the Crawford For Congress Committee is the duly organized and authorized committee for Jack F. Crawford, who is also a candidate in the same primary election.

3.) Your complainant is asking the commission to investigate the following charges with respect to candidate Crawford and his campaign committee.

4.) Failure to itemize \$25,188.74 in transferred contributions from the candidate's state committee to his congressional committee. The reason for this failure will become obvious as the Commission reads further in the Complaint. Also, the candidate tried to pick

and choose transferred contributions when the proper and logical method to be used is "Last in - First out".

5.) Corporate contributions received by the Crawford For Congress Committee in violation of 2 USC § 441b. In order for the Commission to discover these contributions it is necessary to review the report filed by the Crawford For Congress Committee wherein it shows the receipt of a transfer of funds from the candidate's state committee, "Citizens For Crawford," in the total sum of \$33,613.74. For purposes of review, we are enclosing a copy of the candidate's state committee report filed on January 17, 1984 in the Lake County, Indiana Clerk's Office, (Exhibit "A") which reflects that only \$29,000 was transferred to Crawford For Congress. The Crawford For Congress report, however, only undertakes to itemize \$8,425 to show the Commission the sources of the \$33,613.74 received by transfer. Thus, Crawford For Congress fails to provide the Commission with the necessary information to determine the legality of \$25,188.74 transferred.

A review of the state committee's report will affirmatively show that Mr. Crawford had to transfer the proceeds of corporate contributions made to his state committee. Since the FEC assumes that the last contributions received by the state committee are the first to be transferred to the congressional committee, (See copy of 1980 Federal Election Guide enclosed Exhibit "B"), one necessarily finds that corporate contributions were commingled in the transfer. During June and July of 1983

(which are the last receipts listed for Mr. Crawford's state committee) the state committee report shows the following corporate contributors included in a total of \$32,450 contributed to the state committee during those 2 months:

- a. Hamca Inc.
- b. Riss Sales
- c. Furnace Services, Inc.
- d. Gary Transfer Company, Inc.
- e. Graddick & Harris, P.C.
- f. Strack & Van Til
- g. Hannah's Home Center
- h. Jacobsen's
- i. Wiseway Food Centers
- j. Bell Parts Supply Inc.
- k. Luke's Market Basket Inc.
- l. Pyramid Alarm Inc.
- m. Smith Motors Inc.
- n. Arnold J's Inc.
- o. Costas Food of Lowell, Inc.
- p. Farve Corp.
- q. Roth & Pinkerton, P.C.
- r. Hamca Inc.
- s. Standard Tobacco Company Inc.
- t. Lake Material Service, Inc.
- u. Wilco Food Stores
- v. Highland Lumber & Supply, Inc.
- w. Griffith Ready Mixed Concrete Inc.
- x. Ribordy Drugs Inc.
- y. Trim-a-seal of Indiana Inc.
- z. P.E. Inc.
- aa. Hammond Yellow & Checker Cab Inc.

In addition to these there are numerous other contributors during the same period of time which also appear to be corporate entities:

- a. Hickory Ridge Lakes Phase II
- b. Able Real Estate
- c. United Cable Television
- d. Biegel's Carb. Service
- e. Beautyguard Bldg. Prod.
- f. Haluska Trucking
- g. Rob's Body Shop
- h. The Wood Shed
- i. Bert's Towing
- j. Steel City Vendors
- k. Pavement Restoration of Indiana
- l. Ensing's Supermarket
- m. Home Lumber Co.
- n. Delaney Printing
- o. Active Sign Co.
- p. Baker Estates
- q. Largus Printers
- r. Paul J. Giorgi (a professional corp.)
- s. Certified Super Markets
- t. Baum's Natural Foods
- u. Kiernisa Building
- v. Quarterback Club

6.) Individual contributions received by the Crawford For Congress Committee in excess of the \$1000 limitation in violation of 2 USC § 441a. The same procedure used in 5 supra to discover the illegal corporate contributions must also be employed to, in part, discover the illegal individual contributions in excess

of \$1,000. Mr. Crawford accepted certain contributions from individuals to his state committee and then transferred those to his congressional committee as part of the \$33,613.74 transferred. One of those transferred contributions from Nick Morfas was for \$1,250 which exceeded the federal limitation. In addition, Mr. Crawford then accepted an additional \$850 from Nick Morfas contributed to the congressional committee directly.

Other individual contributors had contributions transferred to the congressional committee by Mr. Crawford, and then gave additional amounts directly to the congressional committee which then put each individual over the federal limit of \$1,000:

- a. Richard Philpot
  - 1.) \$500 transferred from state committee
  - 2.) \$1000 given to congressional committee
- b. Ken Nowak
  - 1.) \$500 transferred from state committee
  - 2.) \$750 given to congressional committee
- c. Finis Coulis
  - 1.) \$700 transferred from state committee
  - 2.) \$550 given to congressional committee
- d. Ronald Borsits
  - 1.) \$300 transferred from state committee
  - 2.) \$800 given to congressional committee

7.) Possible violation of 2 USC § 441b, by Crawford For Congress accepting (by transfer) illegal contributions from labor unions. Again, the Commission must look behind the transfer of funds made by Mr. Crawford's state committee to his congressional

committee. Among the last contributors (in July '83) to the state committee were International Brotherhood of Boilermakers, Local 374, Hammond, Indiana and U.S. Steelworkers. Necessarily under the Commission's rules, these contributions must have been among the first transferred to the congressional committee.

8.) Failure to list contributions (transfers) from the state committee to the congressional committee in violation of 2 USC 421a(7)(B)(i).

In September of 1983, approximately 1½ months after Mr. Crawford announced for Congress and filed his committee registration papers with this Commission, Mr. Crawford organized and held a huge outdoor picnic at a local government owned park. The pavillion at the park was covered with a large banner reading: "Crawford For Congress." Clearly, the picnic was held to promote Mr. Crawford's quest for Congress.

However all disbursements for this picnic were paid by the state committee and not the congressional committee (see state report):

a. Rick Mylnarski (10/4/83)	\$ 250.00
b. Pepsi Cola Co. (10/4/83)	609.10
c. Calumet Breweries (10/4/83)	151.20
d. Pauline Capps (10/4/83)	363.16
e. Rocky's Super Market (10/4/83)	1,082.38
f. Condes Catering (10/4/84)	<u>535.95</u>
TOTAL:	\$2,991.79

If this was a contribution, then it exceeded the \$1,000 limit. If it was a transfer, then the candidate needs to further itemize the source of contributions making up this total to be sure none of the money is from unlawful sources as set forth above. Once again, any such itemization under the F.E.C. procedure will show violations of the law.

9.) Possible violation of 2 USC § 441a(7)(B)(i) for failure to list contribution (transfer) from state committee to congressional committee.

The candidate mailed Christmas cards to the precinct committee people in the First Congressional District in December 1983. The cards bore the return address for the Crawford For Congress Committee, which is not the candidate's home or office address and is not the candidate's state committee address. The state report reflects a postage expense on 12/12/83 for \$760.00 which is close in time to the mailing of the Christmas cards.

10.) Possible violation of 2 USC § 441a for failure to list contributions (transfers) from state committee to congressional committee.

Although the candidate had just begun serving the first year of a four year term as prosecuting attorney, and his state committee report shows under office sought on page 1 "DNA", and further, although the candidate did announce for Congress on July 22, 1983, the candidate made numerous political expenditures out of his state committee fund following his congressional announcement. It is reasonable to presume that these expenditures

25040501127

were made to promote and benefit Mr. Crawford's quest for the congressional seat. These expenditures total \$22,482.16.

11.) In June 1983, Mr. Crawford held a \$50 per person fundraiser and raised over \$40,000. At the time the candidate was less than 6 months into his four year term of state office (prosecuting attorney of Lake County). One month later, Mr. Crawford announced for U.S. Congress, something he had been intimating to the public since the Fall of 1982. It would appear that the June 1983 fundraiser was held to obtain funds solely for Mr. Crawford's congressional campaign and therefore the sources and uses should be scrutinized under the Federal Election Campaign Act 2 USC § 431 et seq.

12.) In early May 1983, your affiant was reliably informed that Mr. Crawford knew he would have trouble with the F.E.C. over contributions.

WHEREFORE, your complainant respectfully prays that the Federal Election Commission investigate the above and foregoing and take any and all actions necessary and proper under the laws and for all further relief.

## INTRODUCTION

The Federal Election Campaign Act (the Act) requires political committees which support candidates for Federal office to register and disclose their campaign receipts and disbursements and to abide by certain contribution limits and prohibitions. To help candidates and committees comply with the Act, the Federal Election Commission (FEC) has prepared this Guide to focus exclusively on those requirements affecting candidates for the U.S. House and Senate, their principal campaign committees and any other authorized committees. The information presented here is based on the Act and FEC Regulations.<sup>1</sup>

Matters of immediate concern to candidates and their campaign committees are contained within the main body of the Guide. Supplemental information is contained in the

<sup>1</sup> Citations appearing in this Guide refer to sections of the FEC Regulations, as revised on April 1, 1980. See 11 CFR Parts 100 through 110. This edition supersedes the *Campaign Guide for Congressional Candidates and Their Committees* published in February 1978.

as contributions if compensated by the regular employer of the individual performing the services. 100.7(b)(14).

## 2. Transfers Among Authorized Committees of the Same Candidate

Transfers of funds among committees authorized by the same candidate do not count as contributions and are not limited. 102.6(a). The following transactions are considered transfers:

- Transfers among committees authorized by the candidate for the same election. 110.3(a)(2)(i).
- The transfer of unused primary funds (if any) from the primary campaign committee to the general election campaign committee. 110.3(a)(2)(ii).
- Transfers between a candidate's previous campaign committee and his/her currently registered political committee. 110.3(a)(2)(iv). If the previous campaign was for a State or local office, the original donors of transferred contributions exceeding \$200 must be identified and their contributions fully itemized on the first report filed after the transfer. It is assumed that the last contributions received by the State or local campaign committee are those transferred to the current Federal campaign committee. The Federal campaign committee may not, however, accept any funds which would be unlawful under the Act. 104.12.

## 3. Transfer of Joint Fundraising Receipts

If a joint fundraiser is held by several committees, the transfer to a committee of the portion of funds collected for that committee is not a contribution. 102.6 and 110.3(a)(2)(i).

## 4. Bank Loans

A bank<sup>\*</sup> loan is not a contribution by the bank to the candidate's authorized committee if the loan is made according to applicable banking laws and in the ordinary course of business, i.e., if it:

- Bears the bank's usual and customary interest rate for the category of loan involved;
- Is made on a basis which assures repayment;
- Is evidenced by a written instrument; and
- Is subject to a due date or amortization schedule. 100.7(b)(11).

# III. DISTINCTION BETWEEN EXPENDITURES AND OTHER DISBURSEMENTS

## A. CAMPAIGN EXPENDITURES

A campaign expenditure is a purchase or payment made, or the consumption of anything of value, by an authorized committee of a candidate

or by an authorized agent of the committee (including the candidate) to influence the candidate's nomination or election to Federal office. 100.8(a)(1). Expenditures must be reported by the candidate's authorized committees. Certain types of disbursements, detailed below in Section B, are not considered expenditures but, nevertheless, are reportable.

## 1. Operating Expenses

Payments for operating expenses, such as staff salaries, rent, travel, advertising, phones, office supplies and equipment, fundraising, legal or accounting services, etc., are expenditures.

## 2. Written Agreement to Make Expenditure

A written agreement to make an expenditure is considered an expenditure. 100.8(a)(2).

## 3. In-Kind Contributions Received

An in-kind contribution received by the committee is reported by the committee as both a contribution and an expenditure. 104.13.

## 4. Personal Funds of Candidates

A campaign expenditure made by a candidate from *personal funds*<sup>\*</sup> is considered an in-kind contribution and reported as both a contribution and an expenditure. 110.10. NOTE: Candidates may make unlimited expenditures from personal funds.

# B. OTHER REPORTABLE DISBURSEMENTS

Listed below are other types of *disbursements*<sup>\*</sup> that are not considered campaign expenditures but, nevertheless, must be reported by the candidate's authorized committee.

## 1. Legal and Accounting Services

Legal and accounting services rendered to a candidate's authorized committee solely to ensure compliance with the Act are not campaign expenditures if the person paying for the services is the regular employer of the individual performing the service. 100.8(b)(15).

## 2. Loans to Others

Loans to other candidates or committees made by the candidate or his/her authorized committees are not considered expenditures.

## 3. Loan Repayments

Repayments of loans owed to another person (including to the candidate) are not considered expenditures. 100.8(a)(1)(ii).

## 4. Contributions by the Committee

Contributions to another candidate or political committee are not considered expenditures.
