Dear Mr. Noble:

This Complaint, by the National Republican Congressional Committee ("Complainant"), 320 First Street, S.E., Washington, D.C. 20003, against Jon Mills and Jon Mills for Congress (FEC ID # C00128562), 912 N.W. 56th Terrace, Gainesville, FL 32607 is filed with the Federal Election Commission ("FEC") pursuant to 2 U.S.C section 437g(a) of the Federal Election Campaign Act of 1971, as amended ("the Act").

Jon Mills ("Mills"), a candidate for the U.S. House of Representatives from Florida's Sixth Congressional District and Jon Mills for Congress (FEC ID # C00128562), Mills' principal campaign committee ("the Mills Committee") have violated the Act by knowingly and willfully failing to report in a proper manner the receipts of the Mills Committee in violation of 2 U.S.C. section 434(b).

FEDERAL ELECTION COMMISSION

I. FACTS

Mills has filed three Reports of Receipts and Disbursements with the FEC since becoming a Federal candidate on June 6, 1988. The Reports cover activity for the Second Quarter, the Pre-primary, and the Third Quarter. The Reports, however, were prepared in such a manner as to misreported the true identity of some contributors. The Reports also lacked the specificity to identify other contributors in an adequate manner.

Specifically, Mills has reported contributions from certain individuals, yet it appears that these contributions are in fact from Political Action Committees ("PACs"). The misreported contributions are as follows:^{1/}

<u>As Reported by Mills/ As Reported by the PACs</u>	<u>Date</u>	<u>Amount</u>
J. Ron Smith/ ATLA-PAC	7-25-88	\$2,500
David G. Higie/ USXPAC	7-25-88	\$ 250

^{1/} Complainant should state at the outset that the Reports from which this information is taken are hand written and at points are completely illegible; another attempt to hide the identity of the contributors. Therefore, we apologize in advance for any errors in reproducing the information from the Reports.

90040703495

Luther Markward/ American Sugar Beets PAC	8-02-88	\$ 250
Fred McClure/ Eastern PAC	8-09-88	\$ 500
Morris J. Arnitay/ Washington PAC	8-09-88	\$1,000
Gary Perkinson/ Beneficial PAC	8-09-88	\$ 250
Bob Reese/ American Trucking Assoc.	8-09-88	\$ 250
Gary D. Myers/ The Fertilizer Institute	8-09-88	\$ 250

Contributions from PACs were further disguised by Mills through the intermingling of these contributions with contributions from the candidate, political party, and individuals on the same Schedule A.

Additionally, Mills has failed to identify the contributors adequately by not providing the contributor's employment and occupation. In some cases, Mills has disguised the contributors by failing to even list such contributor's address. Other contributors are listed in the conjunctive or disjunctive with other individuals making it extremely difficult to ascertain exactly who made the contribution.

90040703497

Finally, Mills has not only disguised the identity of various contributors, he has failed to report the contributors' year-to-date totals of the amount of contributions or even the election for which the contribution is designated. Such failures to report represent a number of violations of the Act.

II. DISCUSSION

000400703498

The Act requires that each treasurer of a political committee shall file reports of receipts and disbursements in accordance with the Act. (2 U.S.C. section 434(a)(1)). The Act also requires that each report filed shall disclose the identification of each person who makes a contribution and each political committee which makes a contribution. (2 U.S.C. section 434(b)(3)). The identification of individual contributors shall include the individual's name, mailing address, occupation, the name of his or her employer, if any, and the date of receipt and amount of any such contribution. (11 C.F.R. section 104.8).

As noted above, Mills, violated the Act by misreporting certain PAC contributions as individual contributions, thereby failing to disclose the identification

of the actual contributor. Additionally, Mills has violated the Act by failing to list the occupation, employer, even the address for a large number of individual contributors. Mills has also violated the Act by failing to list the year-to-date totals of the contributors or even to which election the contribution was designated. Finally, Mills has violated the identification requirement of the Act by attempting to assign various contributions to more than one contributor through the use of the conjunctive or the disjunctive.

The fundamental purpose of the Act is that candidates seeking election to the highest offices in the United States completely disclose who is supporting their efforts through contributions. By misreporting certain PACs contributions and failing to provide adequate information to identify certain individual contributors, Mills has placed the FEC and the public in the untenable position of having to guess who is supporting his election efforts. Such action represents violations of the Act.

III. CONCLUSION

By knowingly and willfully failing to report in a

00040703499

proper manner the receipts of the Mills Committee, Mills and the Mills Committee have violated the Act.

IV. PRAYER FOR RELIEF

Complainant requests that the FEC investigate these violations and enforce the Federal Election Campaign Act and the Commission's regulations.

Complainant further requests that the FEC seek the maximum fines for each violation as set forth in 2 U.S.C. section 437g, and take all steps necessary, including civil and injunctive action, to prevent respondents from continuing their illegal activity.

V. VERIFICATION

I. SUMMARY OF ALLEGATIONS

A complaint was received from the Executive Director of the National Republican Congressional Committee, alleging that Jon Mills and Jon Mills for Congress ("JMC") knowingly and willfully failed to properly report its receipts. Complainant alleges that reports for the Second Quarter, the Pre-Primary, and the Third Quarter misreported the true identity of some contributors as follows:

1. Reported contributions from certain individuals, however it appears the contributions were from Political Action Committees ("PAC's");
2. Contributions from PAC's were disguised by intermingling with contributions from the candidate, political party, and individuals on the same Schedule A;
3. Failed to identify contributors as to their employer and occupation;

00040703507

4. Disguised contributions by failing to give contributors' addresses;
5. Failed to separately list individual contributors; and
6. Failed to report contributors year-to-date totals.

II. PRELIMINARY LEGAL ANALYSIS

Pursuant to 2 U.S.C. § 434(b)(3) each report under this section shall disclose the identification^{1/} of each person (other than a political committee) who makes a contribution to the reporting committee during the reporting period, whose contribution or contributions have an aggregate amount or value in excess of \$200.00 within the calendar year, or in any lesser amount if the reporting committee should so elect, together with the date and amount of any such contribution.

A preliminary review of the reports filed by JMC with the Commission reveals that various violations of 2 U.S.C. § 434(b) may have occurred as alleged by the complainant. Before this Office makes any recommendation in this matter it appears necessary to await the respondents' response, and a more detailed review of the filed reports.

Dear Mr. Noble:

I am responding to your letter of October 31, 1988 informing me that a complaint had been filed against me pursuant to my duties as treasurer of the Jon Mills for Congress Campaign.

Mr. Noble, let me advise you that I am merely a dentist, not an attorney, or political expert. I agreed to serve as treasurer of this campaign because Mr. Mills is a friend of mine and someone whom I believed in. While I studied the FEC material and attempted to comply with all the regulations, it is not inconceivable that I violated, unknowingly, some technical aspect to the FEC requirements. I was assisted in my efforts to prepare these reports by numerous volunteers, who may have, also unknowingly, erred in some way in the compilation of these reports. I take full responsibility for their actions, but I would emphasize that all of us served in what I believe are the highest traditions of the American political system, that is as unpaid volunteers advancing the cause of a candidate we believed in.

As to the specific items listed in the complaint, it appears to me that we reported these items just exactly as they were listed on the checks. I want to stress that while some checks were clearly labeled "PAC", others were labeled in a manner that made it unclear to the volunteers listing the checks whether it was a PAC or not. To say that such confusion was "knowingly and willfully" an attempt on our part to fail to report in a proper manner is ludicrous.

The charge that we failed to identify the contributors employment and occupation has been previously dealt with by your commission, when we advised you that we had made a "best efforts" attempt to provide that information when we could.

Finally the charge that we did not maintain year-to-date totals for contributors is partially true, but was due to a breakdown in a computer program at the campaign office. I regret that this occurred.

On a personal note, let me advise you that you have no idea how upsetting these charges are to me. After having wrestled for countless hours for months to maintain accurate records and produce these reports, to have some paid Republican Party official criticize my efforts as a volunteer is most offensive to me. I would ask the Commission to dismiss this blatantly political complaint.

Sincerely,

I. GENERATION OF MATTER

A complaint was received from Joseph R. Gaylord, the Executive Director of the National Republican Congressional Committee, alleging that Jon Mills^{2/} and Jon Mills for Congress ("JMC") and its treasurer, knowingly and willfully failed to properly report its receipts. (Attachment 1). On October 31,

^{1/} On March 22, 1989, the Committee's Statement of Organization was amended to name the new treasurer. At the time of notification of the complaint, the previous treasurer, Jay C. Herrington was active, and he responded to the complaint.

^{2/} Jon Mills was a candidate for the U.S. House of Representatives for the 6th District of Florida. He lost the election with 47 percent of the vote.

00040703513

1988, the complainant provided supplemental information regarding the alleged misreported contributions from political committees. (Attachment 2).

II. FACTUAL AND LEGAL ANALYSIS

A. Allegations

Complainant alleged that reports for the Second Quarter, the Pre-Primary period, and the Third Quarter of 1988 misreported the true identity of some contributors as follows:

1. Reported contributions from certain individuals; however, it appears the contributions were from Political Action Committees ("PAC's");
2. Contributions from PAC's were disguised by intermingling with contributions from the candidate, political party, and individuals on the same Schedule A;
3. Failed to identify contributors as to their employer and occupation;
4. Disguised contributions by failing to give contributors' addresses;
5. Failed to separately list individual contributors;
6. Failed to report contributors' year-to-date totals; and
7. Failed to report election designation for contributions.

B. Response To Allegations

By letter dated November 12, 1988 JMC responded to the complaint. (Attachment 3). The past treasurer of JMC, Mr. Herrington, states that he studied the FEC material and attempted to comply with all the regulations. In this effort to comply with the filing requirements, Mr. Herrington asserts that he was assisted by numerous unpaid volunteers. JMC acknowledges

00040703514

that they may have unknowingly violated some technical aspects of the FEC requirements. As to the PAC contributions, Respondents allege that some of the checks were unclear as to whether they were from a PAC or not; therefore, the items were listed exactly as listed on the checks. Regarding failure to identify the contributors as to their occupation and employment, Respondents contend that this issue was previously dealt with when they advised the Commission that "best efforts" were used to provide that information. In the November 12, 1988 response to the complaint, Respondents did not specifically state what was done to obtain the required information; therefore, it was impossible based on that response, to determine whether the best efforts requirements were satisfied. In an earlier letter to the Commission in response to a RFAI from RAD, Respondents asserted that they made a best efforts attempt to obtain the information by circulating the report among staff members. This limited "in-house" inquiry does not appear to have satisfied the requirements of "best efforts".^{3/}

^{3/} Pursuant to 2 U.S.C. § 432(i), when the treasurer of a political committee shows that best efforts have been used to obtain, maintain, and submit the information required to be reported by the Federal Election Campaign Act, any report or any records of such committee shall be considered in compliance with this Act. With regard to the itemization of contributions, the treasurer will not be deemed to have exercised best efforts unless he has made at least one effort per solicitation, either by a written request or by an oral request documented in writing, to obtain the needed information from the contributor. 11 C.F.R. § 104.7(b).

C. Disclosure Reports

The alleged misreported contributions from political committees include:

---	---------	-----------

A review of Respondents 1988 July Quarterly, Pre-Primary and October Quarterly Reports revealed information that corresponded with certain allegations in the complaint.

In their 1988 Pre-Primary Report, Respondents initially disclosed the above contributions. In so reporting, Respondents often placed the name of the committee and the name of the individual in the same box to identify the contributor. In some instances the name of the committee was also identified as the employer, and in other instances there is no reference to a committee either as a contributor or as an employer.

Respondents amended their 1988 Pre-Primary Report in October 1988 in response to a RFAI to clearly identify certain contributions from political committees. Some of the contributions at issue in this matter were included in this revision. The amended report continued to disclose the other contributions at issue here as received from individuals. As discussed below, the amendment does not adequately remedy all of the misreported contributions.

In their amended 1988 Pre-Primary Report, Respondents included a list of "PAC's Contributions"^{4/} that correctly

^{4/} It appears that Respondents amendment to this report with regard to receipts consisted of adding the list of PAC
(continued)

00040703517

identified the contributions from ATLA-PAC, USXPAC, Washington PAC, Gulf Power Employees Committee, and C & S Better Government Committee. Respondents continued to identify the contributions from Bob Reese and John E. Horne as from individuals. A review of information found on the Commission's public record did not reveal any contributions to Respondents from political committees named "American Trucking Association" or "Florida Rural Electric Cooperatives." Nor does it appear that there were any committees registered with the Commission at that time that were affiliated with such named organizations. Thus, there is no information available to this Office to refute Respondents disclosure of these three contributions as from individuals.

The contributions identified in the complaint as from Luther Markwart/American Sugar Beets PAC, Fred McClure/Eastern PAC, Gary Perkinson/Beneficial PAC, Gary D. Myers/The Fertilizer PAC, Wayne W. Stageman/Southland PAC and G.W. Daigie/EMPAC, require further explanation. In their amended report, Respondents did not include these contributions in the list of contributions received from political committees. However, each political

4/ (continuation)

contributions. Respondents did not amend the Schedules A to correspond with such list, but attached it to the previously filed Pre-Primary Report. Respondents also added year-to-date totals for each contributor. It is also noted that, in response to a RFAI, Respondents refunded an apparent corporate contribution. A copy of the refund check was attached to the amended report. Since such transaction is not at issue in the complaint and the apparent corporate contribution has been refunded, this Office makes no recommendation with regard to that contribution.

00040703518

committee named above has disclosed, in their reports filed with the Commission, that they each made a contribution in the amount noted above on a date in close proximity to the reported date of receipt. It appears, therefore, that Respondents have continued to misreport these contributions or have failed to report the contributions from the political committees. This Office has proposed questions to Respondents regarding these contributions.

Respondents' reports also show that the year-to-date totals were not present; however, after receiving a RFAI from RAD Respondents amended their reports to reflect this information and have asserted that a breakdown in a computer program caused the year-to-date totals to be absent.

The filed reports also lacked information as to the employer and occupation of some contributors of amounts of \$200.00 or more. Again, after receiving a RFAI from RAD, Respondents claimed these reports were amended to include the information they had received, and asserted that they had made a "best effort" attempt to get the information required. Respondents also contended to RAD that the July Quarterly report was circulated among the campaign staff and all information obtainable was included in the report.

The reports further show that respondents occasionally listed contributions from married couples in the disjunctive (husband or wife), and at times in the conjunctive (husband and wife). The majority of these joint contributions were in amounts of \$100.00; none were higher than \$500.00.

00040703519

Finally, the reports show that respondents failed to designate the election for each contribution.

D. Statutes And Regulatory Provisions

Pursuant to 2 U.S.C. § 434(b) (3) (A) each report under this section shall disclose the identification^{5/} of each person (other than a political committee) who makes a contribution to the reporting committee during the reporting period, whose contribution or contributions have an aggregate amount or value in excess of \$200.00 within the calendar year, or in any lesser amount if the reporting committee should so elect, together with the date and amount of any such contribution.

Pursuant to 2 U.S.C. § 434(b) (3) (B) each report under this section shall disclose the identification of each political committee which makes a contribution in the reporting period, together with the date and amount of any such contribution.

Pursuant to 11 C.F.R. § 104.3(a) (3) an authorized committee of a candidate for federal office shall report the total amount of receipts received during the reporting period and, except for itemized and unitemized breakdowns, during the calendar year in certain categories. This section further specifies these categories to include the category of contributions from persons

^{5/} The term "identification" means, in the case of any individual, the name, the mailing address, and the occupation of such individual, as well as the name of his or her employer; and in the case of any other person (including a political committee), the full name and address of such person. 2 U.S.C. § 431(13).

00040703520

other than committees, and further, the separate category of contributions from committees.^{6/}

Pursuant to 11 C.F.R. § 104.3(a)(4) the identification of each contributor and the aggregate year-to-date total for each person whose contributions aggregate in excess of \$200 per calendar year and all committees which make contributions to the reporting committee during the reporting period shall be reported.

Respondents' failure to include year-to-date totals on its reports appears to be a violation of 11 C.F.R. § 104.3(a)(4); failure to identify the employer and occupation of contributors of amounts of \$200.00 or more appears to be a violation of 2 U.S.C. § 434(b)(3)(A); failure to properly identify political committees as contributors appears to be a violation of 2 U.S.C. § 434(b)(3)(B); and reporting a husband and wife contribution by the use of disjunctive language, which makes it unclear who made the contribution, appears to be a violation of 2 U.S.C. § 434(b)(3)(A) (See also 11 C.F.R. § 104.8).

A review of reports referred to in the complaint indicates that contributions from PAC's were intermingled with contributions from others on the same schedule and appears to be in violation of 11 C.F.R. § 104.3(a)(3).

^{6/} It is noted that the Campaign Guide for Congressional Candidates and Committees specifically instructs a reporting committee to use a separate Schedule A for each category of itemized receipts. See Campaign Guide at page 25.

During the reporting periods complained about there was a considerable amount of financial activity (July Quarterly, Receipts: \$79,609.78 and Disbursements: \$13,694.90; October Quarterly, Receipts: \$103,008.50 and Disbursements: \$118,909.46; and Pre-Primary, Receipts: \$52,967.11 and Disbursements: \$64,101.79.).

There is nothing in the complaint to corroborate the allegation that Respondents knowingly and willfully failed to properly report its receipts. The legislative history of the 1976 amendments to the Act discuss knowing and willful violations. Congressman Hays noted in his comments during the House debates on the Conference Report that the phrase "knowing and willful" referred to "actions taken with full knowledge of all of the facts and a recognition that the action is prohibited by law." 122 Cong. Rec. H3778 (daily ed. May 3, 1976). The House Report distinguished the phrase to include "violations as to which the Commission has clear and convincing proof that the acts were committed with a knowledge of all the relevant facts and a recognition that the action is prohibited by law." H.R. Rep. No. 94-917, 94th Cong. 2d Sess. 3-4 (1976). Further, in Federal Election Commission v. John A. Dramesi for Congress Committee, 640 F.Sup. 985 (D.N.J. 1986), the Court noted that the knowing and willful standard requires knowledge that one is violating the law. The facts in this matter do not present the clear and convincing proof required for a knowing and willful

00040703522

violation. Consideration should be given to the fact that the treasurer, who filed the reports, does not deny that violations may have unknowingly occurred, but contends that his lack of knowledge as to the requirements of the Act was a contributing factor to any possible violations. Respondents were responsive to requests from RAD, and attempted corrections before any complaint. These facts give evidence that the complained of violations were not knowing and willful.

In light of the above this Office recommends that the Commission find reason to believe that the beforementioned violations occurred, but not in a knowing and willful manner. Furthermore, the complainant's allegation that the candidate Jon Mills was personally involved in the complained of violations is not supported by the complaint or by any information in the possession of the Commission; therefore, this Office also recommends that the Commission find no reason to believe Jon Mills committed any violations as pertain to this complaint.

III. RECOMMENDATIONS

1. Find reason to believe that Jon Mills for Congress and H.A. Geiger, as treasurer, violated 2 U.S.C. §§ 434(b)(3)(A) and 434(b)(3)(B); and 11 C.F.R. §§ 104.3(a)(4) and 104.3(a)(3).
2. Find no reason to believe that Jon Mills personally violated any provisions of the Act or the Commission's Regulations as it pertains to the Complaint filed in this matter under review, and close the file as it pertains to him.

RE: MUR 2753
Jon Mills,
Jon Mills for Congress
Committee and H.A. Geiger,
as treasurer

Dear Mr. Geiger:

On October 31, 1988, the Federal Election Commission notified Jon Mills, and Jon Mills for Congress Committee ("Committee") and its treasurer, of a complaint alleging knowing and willful violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to Respondents at that time.

Upon further review of the allegations contained in the complaint, and information supplied by Respondents, the Commission, on May 24, 1989, found that there is reason to believe the Committee and you, as treasurer, violated 2 U.S.C. §§ 434(b)(3)(A) and 434(b)(3)(B), provisions of the Act and 11 C.F.R. §§ 104.3(a)(3) and 104.3(a)(4) provisions of the Commission's regulations. In addition, the Commission found no reason to believe that Jon Mills was personally involved in any violations of the Act or the Commission's Regulations, as it pertains to the complaint filed in this matter, and closed the file as it pertains to Jon Mills. The Factual and Legal Analysis, which formed a basis for the Commission's findings, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office along with answers to the enclosed questions within 15 days of receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to

H.A. Geiger
Page 2

believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public.

If you have any questions, please contact Phillip L. Wise, the attorney assigned to this matter, at (202) 376-8200.

Dear Mr. Wise:

We are in receipt of your letter of May 30, 1989, and as you know from several conversations with myself and Jon Mills that we are in the process of responding to your agencies requests.

In our attempt to obtain as many statements as possible from all concerned parties I find it necessary to request a 20 day extension to accomplish the task. For instance, one of the people involved in this case is out of the state until June 20, 1989 and several others are unavailable until late June.

We would appreciate your understanding of our position and look forward to your favorable response.

IN RE: MUR 2753
Jon Mills for Congress
Committee and H.A. Geiger,
as Treasurer

Dear Commissioners:

In response to your letter of May 30, 1989, we have enclosed the supporting statements of Sherry Anderson, Dori Corrado, H.A. Geiger, Jay Herrington, JoAnn Klein, Nancy Stevenson, William Sublett and Exhibits 1 through 25, which reconstruct our information gathering and reporting process. Also enclosed are the Answers to the Commission's Interrogatories and the Response to the Request for Production of Documents. Thank you for granting us the extension, through July 6, 1989, in which to make this response.

Based on our responses and the supporting data, I request on behalf of the Jon Mills for Congress Committee that no further action be taken against the Committee or against me as treasurer and request that the complaint be dismissed.

Alternatively, if the complaint is not dismissed, the Committee and I, pursuant to 11 C.F.R. §111.18 (d), desire to enter into negotiations directed toward reaching a pre-probable cause conciliation agreement.

We diligently attempted to locate the information and documents requested by the Commission. In moving our campaign office four times since November and in consolidating our files from the headquarters office, fundraising office and treasurer's records, we apparently misplaced some of our checks as specified in our responses.

We also have made every effort to identify and locate campaign staff and volunteers who could best respond to these questions.

As of this date, we have been unable to obtain a statement from the Campaign Manager, Curt Reilly. We are continuing our efforts to acquire his statement and will submit the statement when obtained.

The drafting of this letter, taking of statements and identification of documents requested was handled by volunteers including Nancy Stevenson, JoAnn Klein, myself and our candidate, Jon Mills.

In summary, the sworn statements of the campaign staff and exhibits show:

1) A process existed for receiving contributions which met the best efforts requirements of 2 U.S.C. § 432(i) and 11 C.F.R. § 103.7(b), including making at least one effort to obtain the required information per contribution.

2) The process was implemented in good faith without willful and wanton misconduct.

3) After the election, the staff worked continuously and in good faith with the FEC to correct all reports and establish a comprehensive record for reporting.

4) All reports have been amended, at this time.

Reporting amendments were required because of computer error and because of human errors in clerical transcription or recording of data. As noted in the FEC letter of May 30, 1989, no effort was made to conceal or withhold information, and there was no willful or wanton misconduct.

Sworn statements, together with the continued intense efforts of the Committee to work with the FEC show a commitment to correct reporting.

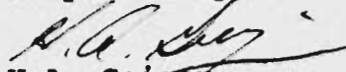

The showing of a "best efforts" process together with submissions of correct, amended reports supports a conclusion by the Commission to take no further action in this matter.

ANSWERS TO INTERROGATORIES
AND RESPONSE TO PRIOR REQUEST
FOR PRODUCTION OF DOCUMENTS

1.(a) In regard to the contributions listed on the amended 1988 Pre-Primary Report filed by the committee as:

Luther Markwart
Fred McClure
Gary Perkinson
Gary D. Myers
Wayne W. Stageman,

each was a contribution by a check that included the name of a political action committee on the check, as follows:

Luther Markwart (Exhibit 4) -- American Sugarbeet Growers Association Political Action Committee. Luther Markwart signed the check and was listed on the information card (Exhibit 4) as donor.

Fred McClure (Exhibit 12) -- Eastern Air Lines PAC. Fred McClure was listed on the information card (Exhibit 12) as donor. No mention of Eastern Air Lines appeared on the information card.

Gary Perkinson (Exhibit 9) -- BEN PAC FEDERAL. Gary Perkinson was listed on the information card (Exhibit 9) as donor. No mention of Beneficial appeared on the information card.

Gary D. Myers (Exhibit 8) -- FERT PAC. Gary D. Myers was listed on the information card (Exhibit 9) as donor.

Wayne W. Stageman (Exhibit 25) -- Southland Employees PAC. Wayne W. Stageman's business card (Exhibit 25) was attached to check.

(b) Apparently in reporting these contributions, the reporting data was taken from the information card or business card, not from the check.

In the matter of and G.W. Daigre, we were unable to locate the check or information card in our various files.

2.(a) The Jon Mills for Congress Committee received contributions from the following political action committees on dates reported on our FEC reports (both the first amended and the second amended versions):

American Association of Sugarbeet Growers PAC (Exhibit 11)	\$250.00	8/2/88
Beneficial Management Corp. and Affiliated Corps. PAC (Exhibit 9)	\$250.00	8/9/88

(b) The committee disclosed receipt of these checks on our first amended 1988 Pre-Primary Report and on our second amended 1988 Pre-Primary Report as follows:

<u>Contribution</u>	<u>1st Am. Report</u> (Exhibit 2)	<u>2nd Am. Report</u> (Exhibit 1)

(c) Each of these contributions relates to those in Question #1 above.

3. The Jon Mills for Congress Committee made at least one effort per check to obtain the required information for reporting purposes (Exhibit 24). Our headquarters staff, office manager, treasurer, and fundraising staff used reporting cards (Exhibit 20, 24), index cards (Exhibit 15), letters (Exhibit 18), information from fundraising committee members (Exhibits 21, 22) and telephone calls (Exhibit 17) in an effort to obtain required information for each check.

The glitch in our computer software caused errors in determining year-to-date totals, causing some technical errors in reporting.

Overall, the Jon Mills for Congress Committee had a process for acquiring required data on each check and used that process.

In the case of the political action committees in question, our original report included the required information but the data appeared in the wrong place on the reporting form; i.e., identifying PACs as employers instead of donors.

We never knowingly or willfully tried to conceal or misrepresent any contribution or data.

When errors were called to our attention, we acted expeditiously to amend our reports, following the same process for acquiring and recording data as that established by the campaign staff.

STATEMENT

When a check came in, we had a check box to place them in. The check was placed there or on my desk. We made a copy for me and for the fundraising staff. I would enter the name into the computer, along with the address. If we did not have this information, we would trace it back to the fundraiser who sought the donation. If we still couldn't get the information, I would call the donor. I made calls all over the state of Florida.

If a corporate check came to me, I would call them and ask if the name on the check was a corporation. If it as, I would send it back and ask for another check. We had a standard letter in our computer that was used in returning corporate checks.

In providing information to the treasurer for the FEC reports, I would take information off the checks and off letters from PACs that accompanied the checks. These letters were kept in a separate box at the campaign headquarters to use in writing thank you letters.

There was a flaw in our computer system, the Campaign Manager Plus. There was a period when I was calling them (the producers of the software) five or six times a day to try and get

00040703537

our records corrected. They admitted that there was a glitch in the system. This glitch caused errors such as omission of data or incorrect entries, i.e., we would sometimes have a person listed as donating several times to the campaign, when in fact, he donated just one time.

We tried to correct the information after the fundraising staff noted errors that appeared on our records. We used interns to input the data but still the system quit working. We finally quit relying on the computer.

Early in the campaign, Jay (Herrington) briefed us about the FEC rules. This briefing included everyone who would be picking up checks. We were told what information was required.

I recall several occasions when Curt (Reilly) call the toll free number for the FEC to ask questions about reporting requirements.

Treasurer March 22, 1989 to present.

STATEMENT

After the Nov. 8, 1988, election I assisted then treasurer Dr. Jay Herrington, Nancy Stevenson, Jon Mills, Billy Sublett, Joe Smith, Jo Ann Klein and Sherry Anderson in compiling financial data so that the Jon Mills for Congress Committee could respond to numerous requests from the F.E.C. All of these requests pertained to previously filed F.E.C. reports. I remember assisting in filing amended reports for at least six previously filed election reports.

The process undertaken in responding to the F.E.C. was extremely involved and arduous. I assisted in going through all records of the committee, which amounted to all copies of checks (contributions) and enhancing a 3 x 5 card catalog of all contributors with all required reporting information. To accomplish this (because alot of required information had been lost due to a computer problem) many phone calls had to be made to fill in missing data. Also, some contributions were found to be corporate by the committee and were returned, along with a few individuals who had exceeded the individual contribution limitation. Also, we compiled all year-to-date totals, names of employers and occupation for those contributors which lacked this information. Corrections on PAC contributions were made for those that had been initially reported as individuals and I believe that we found (and included on our amended reports) several that the F.E.C. had not found. After this process was accomplished, an amended report was typed and sent to the F.E.C. for every report previously filed by the Jon Mills for Congress Committee.

While this effort has been extremely difficult and time consuming, it was made somewhat easier because of the excellent rapport we were able to establish with our report analyst at the F.E.C. In this regard, I want to mention that at our request Jon Mills, Jo Ann Klein and I made an appointment with our report analyst during a planned visit to Washington, D.C. on June 5, 1989. This meeting was set so that we could (in addition to thanking the analyst for her excellent cooperation) proactively discuss closing out the Jon Mill's campaign with the F.E.C. because we wanted to be proactive to ensure a good report.

Everyone associated with this effort felt that it was extremely important that every effort be made to comply with the rules and regulations of the F.E.C. and I feel good that all of our efforts prove our good intentions.

STATEMENT

00040703542
We did have a process. The checks came into the campaign headquarters. They always passed through the campaign headquarters before they came to me. If they came to my office without having gone through the campaign headquarters or if I was given a check at a fundraiser, I sent them to the campaign headquarters because that was our system.

I kept records that were completely independent from the campaign staff's records. They (the campaign staff) would copy the check, categorize it, and make sure it was legal.

By the time the check reached my office, I was responsible for the bookkeeping, making sure the money was accounted for. I worked with a volunteer staff that consisted largely of my wife and the employees in my dental office. If technical errors occurred, it was because our fiscal staff were volunteers; they were all new to this; it was their first exposure to a federal election.

Curt (Reilly) verified the checks. I saw it as Curt's role to determine if a check was a corporate check.

I made sure the money was deposited and accounted for and that

Statement of Jay Collins Herrington, Page 2

we made the proper expenditures.

I kept a ledger in my office as the checks were deposited. I filled out the report listing each check and kept a running total. I balanced the deposits to the FEC reports. The final step for me in filing an FEC report was to add up all the totals and fill in the cover sheets.

In some cases, it was not clear to me who a check came from -- if it was a corporation or labor union or individual. I would call the campaign staff -- Shery Anderson -- and return the check to them for their followup procedure. Despite the structure, there were times when a check reached me that I could recognize as a corporate check. I sent letters and the check to the donor asking for another check. Unfortunately, because my dental office has no copying machine, I do not have copies of these letters. I also placed telephone calls on these checks.

I know the campaign used donor information cards to obtain data required by the FEC. Some of these cards were forwarded to my office, and we used them in compiling the FEC report. Others were retained at the campaign headquarters.

When I completed every FEC report, I had it hand-delivered to Shery at the campaign office for review. By that time, I was comfortable with the accounting of the numbers and had signed the report. The campaign staff was responsible for making a copy of the report, verifying the information, and for mailing it to the FEC.

The reporting periods were not designated on every page of the

00040703542

Statement of Jay Collins Herrington, Page 3

FEC report because I had trouble determining which reporting period the checks should be designated for. I had several discussions with the FEC on this point, in an effort to understand the rules.

We did not report year-to-date totals on every entry because our computer system broke down and failed to merge the numbers to provide this information.

Overall, virtually everyone involved in preparing the FEC reports was a little overwhelmed with the complexity of the regulations. I had been Jon's (Mills) campaign treasurer for ten years in the Legislature, but the requirements were different. It's not that a process wasn't in place; it's just that there were so many requirements. The process was sound; the implementation is where we ran into problems.

We exercised due diligence in securing the full information required. We never knowingly or willfully failed to report any receipts or to provide the information required by law.

Many hours of effort went into correcting errors in our reports once they were pointed out to us, especially in the post-election period.

STATEMENT

My knowledge of the campaign's financial policies and procedures occurred after the November election. At that time, H.A. Geiger, Nancy Stevenson, Jon Mills, Billy Sublett, Joe Smith, Jay Herrington, and I responded to FEC requests for further information on our previously filed reports.

To obtain the information, we went through every check file kept by Jay in the treasurer's file and by Sherry (Anderson) in the campaign headquarters files. We added information as identified and requested, and retyped and refiled the amended reports with the FEC.

In this process, following procedures established during the campaign, we returned corporate checks and checks from individuals who had contributed their legal limits.

We added year-to-date totals, occupations, employers, and reporting periods for every contribution received. We also made corrections on PACs that had been misidentified as individuals.

I believe we filed an amended report for every report filed during the campaign, including a second amended report for the

Pre-Primary report.

After Jay became dental association president, we redesignated H.A. as treasurer and me as assistant treasurer.

On June 5, 1989, Jon Mills and I met with the staff of the Federal Election Commission at their offices in Washington, at our request, to discuss our response to this complaint.

Volunteer (December - present)

During the first two months of the campaign I was in the campaign office on a daily basis. I know a procedure was established to obtain information from each contributor as required. Cards asking for required information from each contributor were printed and available at each fundraiser. An office procedure was established where the Office Manager would obtain by phone through the fundraising office or by contacting the contributor the missing information. The Office Manager tried to do this herself, but I am aware that volunteers were used to assist in this effort. Information would be obtained, entered into the computer, a xerox copy of check would be made, thank you letters sent and original check sent to the Treasurer (not necessarily in that order).

A problem arose when the "glitch" in the computer program caused a jumbling of the information on hand. As an example, when I requested a printout of all volunteers in Citrus county, the information obtained volunteers, contributors and PACs from various parts of the district and DC, not just Citrus County. Contact was made with the computer software company several times by phone and by letter to see if there was a way we could retrieve the information to its original order, but was told "sorry" nothing can be done. This resulted in us doing everything manually from that point on, and attempting to reconstruct the data put into the prior to the "glitch".

During the third month of the campaign I was in the district on a regular basis and lost contact with the day to day business of the campaign office. I assume the same procedures as mentioned above were continued.

After the election I continued with the campaign in closing out the campaign office, etc.

Since that time I have worked with H.A. Geiger, JoAnn Klein, and

Joe Smith in responding to the requests for information by the FEC.
I know every effort has been made to follow FEC regulations.

Role in Campaign: Fundraising Staff

STATEMENT

We had a process for obtaining required information for the fundraising we did. We put 3 x 5 information cards supplied by the campaign staff into all campaign finance committee packets. At the first meeting of the finance committee in each county, we explained the finance kit, including the information cards. We told the fundraising committee members to remember to enclose the cards with any checks they sent to us, so we could document the contributions correctly.

The fundraising staff maintained a computer printout that we used both in checking our money goals and in verifying information. If a check came directly to us, we checked it against the printout. ~~Attached a note to the check with the information on the check. We~~ *attached a note to the check that included the data from our printout. It should be noted that the information on this printout was incomplete when we received it from the computer.* If we received a check in the fundraising office that we did not have the required information for, we would call the finance committee member responsible for the check. If that person did not have the information, we would contact the donor. We do not have telephone logs of these calls because it is not standard practice of Gilliland & Company to log every call we make, but we did make those calls.

If we received a corporate check in the fundraising office, we would directly contact the donor because we knew most of these people. We would send their checks back and they would send us a new check. Following our telephone conversations, the checks would usually cross in the mail.

The failure of our computer system created some problems for the fundraising operation. When we discovered we had problems with the computer, my staff matched our FEC reports against the computer printout and the information cards. We added information that we identified as omitted and sent it to the headquarters staff for correction. (The fundraising staff was located in a separate office from the headquarters staff.)

We were trying to obtain as much information as possible, in order to organize our fundraising according to profession,

Statement from Charles William Sublett III
Page 2

geography, etc. But the computer program and computer malfunction made this difficult.

After we revised the data, the headquarters tried to add the information to the computer. But a glitch in the Campaign Manager Plus program prevented our information from merging properly and much of the data was lost.

As a result, the fundraising staff went to a manual system, using index cards for each donor. We had them identified as PACs and as individuals, again for fundraising purposes. We also maintained a record of the amount of contribution to keep donors at the legal limits.

Our Washington fundraising staff, which did not become involved until September 15, 1988, maintained a computerized list on the Washington computer. PAC checks were mailed directly to the campaign headquarters office, but the fundraising staff received a computer printout of the PAC contributions on a weekly basis.

We made more than a good faith effort to provide the required information. But a lot of people who work on campaigns don't do this for a living like we do.

I also worked with the campaign following the election to correct errors identified by the FEC in the filed reports. I can say without hesitation that the post-election process provided as good a paper trail as I've ever seen in a campaign.

Dear Ms. Tangney:

Enclosed please find a copy of our second amended Pre-Primary Schedule A Report for the Jon Mills for Congress Committee. Until our telephone conversation on June 30, the Committee thought this report had been received by your office several months ago.

You apparently received amended reports we prepared and thought were attached with this report.

This report corrects errors in reporting PAC contributions for this period.

We regret that we were not aware that this report was missing from your files.

Additionally, I have enclosed another (third) amended report to the Pre-Primary report, further clarifying three PAC contributions.

If you have any questions regarding this report, please contact me or H.A. Geiger.

Respectfully,

Dear Mr. Mills

I wish you good luck in your campaign for Congress. Our mutual friend, Fred Fisher, has spoken highly of your integrity and abilities, and has convinced me to support your candidacy. I was also impressed by your stand on the services tax, and your leadership in the House when I had the good fortune of acting as Doctor of the Day for the Florida legislature in May of 1987 and 1988. I want to say thanks for your efforts during those sometimes controversial legislative sessions.

BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of)
) MUR 2753
Jon Mills for Congress and)
H.A. Geiger, as treasurer)

SENSITIVE

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On May 24, 1989, the Commission found reason to believe Jon Mills for Congress and H.A. Geiger, as treasurer, ("the Respondents") violated 2 U.S.C. §§ 434(b)(3)(A) and 434(b)(3)(B) and 11 C.F.R. §§ 104.3(a)(4) and 104.3(a)(3). At that time the Commission also approved interrogatories and request for production of documents to the Respondents, which sought information relating to several reporting problems. Staff of this Office met with John Mills on June 5, 1989.

During this meeting Mr. Mills indicated that the notification with attached interrogatories and request for documents was received on June 4, 1989 and he and the committee would need an extension of time to respond thereto. On June 14, 1989 this Office received the extension request from the Committee's treasurer. This request was granted until July 6, 1989.

II. ANALYSIS

On July 6, 1989, the Respondents submitted their answers to the interrogatories and produced the requested documents along with their statement in response to the Commission's findings. In their letter, the treasurer requests that the Commission take no further action in this matter or, alternatively, enter into preprobable cause conciliation. Attachment 1.

The information provided by the Respondents is voluminous and will require time to review and compare with entries on the Committee's reports and amendments. Therefore, this Office recommends that the Commission decline at this time to enter into preprobable cause conciliation in order to review and analyze this material. Such a review and analysis is also necessary before this Office can make an appropriate recommendation regarding the request to take no further action.

III. RECOMMENDATIONS

1. Decline, at this time, to enter into conciliation with Jon Mills for Congress and H.A. Geiger, as treasurer, prior to a finding of probable cause to believe.
2. Approve the attached letter.

RE: MUR 2753
Jon Mills for Congress
Committee and H.A. Geiger,
as treasurer

Dear Mr. Geiger:

On May 30, 1989, you were notified that the Federal Election Commission found reason to believe that the Committee and its treasurer violated 2 U.S.C. §§ 434(b)(3)(A) and 434(b)(3)(B), and 11 C.F.R. §§ 104.3(a)(3) and 104.3(a)(4). The Commission has considered your request and determined, because of the need to complete the investigation, to decline at this time to enter into conciliation prior to a finding of probable cause to believe.

At such time when the investigation in this matter has been completed, the Commission will reconsider your request to take no action or to enter into conciliation prior to a finding of probable cause to believe.

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter was the result of a complaint filed with the Federal Election Commission ("the Commission") by Joseph R. Gaylord, Executive Director of the National Republican Congressional Committee, alleging that Jon Mills¹ and Jon Mills for Congress and its treasurer, knowingly and willfully failed to properly report its receipts, and misreported contributions from political committees.

On May 24, 1989, the Commission found reason to believe Jon Mills for Congress and H.A. Geiger, as treasurer, ("the Respondents") violated 2 U.S.C. §§ 434(b)(3)(A) and 434(b)(3)(B), and 11 C.F.R. §§ 104.3(a)(3) and 104.3(a)(4). The Commission also approved interrogatories and request for production of documents, which sought information relating to various reporting problems. On July 6, 1989, Respondents submitted their answers to the interrogatories and produced the requested documents along with a statement in response to the Commission's findings. Respondents requested that the Commission take no further action in this matter or,

1. On May 24, 1989, the Commission found no reason to believe that Jon Mills personally violated any provisions of the Act or the Commission's Regulations, and closed this matter as pertains to Mr. Mills.

alternatively, enter into preprobable cause conciliation.
(Attachment 1).

The information provided by Respondents was voluminous and required time to review and compare with entries on the Committee's reports and amendments. Therefore, on July 25, 1989, the Commission declined Respondents' primary and alternative requests, to allow this Office time to complete the necessary investigation.

II. ANALYSIS

A. Allegations

Complainant alleged that reports for the Second Quarter, the Pre-Primary period, and the Third Quarter of 1988 misreported the true identity of some contributions as follows:

1. Reported contributions from certain individuals; however, it appears the contributions were from Political Action Committees ("PACs");

2. Contributions from PACs were disguised by intermingling with contributions from the candidate, political party, and individuals on the same Schedule A;

3. Failed to identify contributors as to their employer and occupation;

4. Disguised contributions by failing to give contributors' addresses;

5. Failed to separately list individual contributors;

6. Failed to report contributors' year-to-date totals; and

7. Failed to report election designation for contributions.

B. Disclosure Reports

The alleged misreported contributions from political committees include:

As Reported by Mills/ As Reported by PACs	Date	Amount
J. Ron Smith/ ATLA-PAC	7-25-88	\$2,500
Davis G. Higie/ USXPAC	7-25-88	\$ 250
Luther Markwart/ American Sugarbeet PAC	8-2-88	\$ 250
Fred McClure/ Eastern PAC	8-9-88	\$ 500
Morris J. Arnitay/ Washington PAC	8-9-88	\$1,000
Gary Perkinson/ Beneficial PAC	8-9-88	\$ 250
Bob Reese/ American Trucking Assoc.	8-9-88	\$ 250
Bob Reese(2nd contribution)/ American Trucking Assoc.	8-17-88	\$ 250
Gary Myers/ The Fertilizer Institute	8-9-88	\$ 250
Wayne W. Stageman/ Southland PAC	8-9-88	\$1,007.11
C. Earl Henderson/ Gulf Power Employees Committee for Gov't	8-17-88	\$ 500
John E. Horne/ Florida Rural Electric Cooperatives	8-17-88	\$1,000
G.W. Daigie/ EMPAC	8-17-88	\$ 250
Fred W. Greer, Jr./ C & S Better Government Committee	8-17-88	\$ 250

A review of Respondents 1988 July Quarterly, Pre-Primary and October Quarterly Reports revealed information that corresponded with certain allegations in the complaint.

In the 1988 Pre-Primary Report, Respondents initially disclosed the above contributions. In so reporting, Respondents often placed the name of the committee and the name of the individual in the same box to identify the contributor. In some instances the name of the committee was also identified as the employer, and in other instances there is no reference to a committee either as a contributor or as an employer.

Respondents amended their 1988 Pre-Primary Report on October 3, 1988, in response to a RFAI to clearly identify certain contributions from political committees. Some of the contributions at issue in this matter were included in this revision. The amended report continued to disclose the other contributions at issue as received from individuals.

In their amended 1988 Pre-Primary Report, Respondents included a list of PAC contributions which correctly identified the contributions from ATLA-PAC, USXPAC, Washington PAC, Gulf Power Employees Committee, and C & S Better Government Committee.

The contributions identified in the complaint as from Luther Markwart/American Sugarbeet PAC, Fred McClure/Eastern PAC, Gary Perkinson/Beneficial PAC, Gary D. Myers/The Fertilizer PAC, Wayne W. Stageman/Southland PAC and G.W. Daigie/EMPAC required further explanation. The Commission authorized the sending of a subpoena and order with interrogatories requesting this information.

Respondents' reports also show that the year-to-date totals were not present; however, after receiving a RFAI from RAD

Respondents amended their 1988 July Quarterly Report (September 7, 1988), 1988 12 Day Pre-Primary (October 10, 1988) and 1988 October Quarterly (March 24, 1989) to reflect this information. Respondents asserted that a breakdown in a computer program caused the year-to-date totals to be absent.

The 1988 July Quarterly, October Quarterly, and 12 Day Pre-Primary Reports lacked information as to the employer and occupation of some contributors of amounts of \$200.00 or more. A RFAI from RAD was received with regard to the 1988 July Quarterly Report. Respondents claimed this report included the information they had received, and asserted that they had made a "best effort"² attempt to get the required information. In response to the RFAI Respondents contended that the July Quarterly report was circulated among the campaign staff and all information obtainable was included in the report. This attempt to obtain required information did not appear to satisfy the "best effort" standard; therefore, interrogatories asking specifically what was done to obtain the required information as to employer and occupation were sent to Respondents.

2. Pursuant to 2 U.S.C. § 432(i). When the treasurer of a political committee shows that best efforts have been used to obtain, maintain, and submit the information required to be reported by the Federal Election Campaign Act, any report or any records of such committee shall be considered in compliance with this Act. With regard to the itemization of contributions, the treasurer will not be deemed to have exercised best efforts unless he has made at least one effort per solicitation, either by a written request or by an oral request documented in writing, to obtain the needed information from the contributor. 11 C.F.R. § 104.7(b).

The reports further show that Respondents occasionally listed contributions from married couples in the disjunctive (husband or wife), and at times in the conjunctive (husband and wife). The majority of these joint contributions were in amounts of \$100.00; none were higher than \$500.00.

Finally, the reports show that Respondents failed to designate the election for any contribution. These reports were amended to include this information.

C. Statutes And Regulatory Provisions.

Pursuant to 2 U.S.C. § 434(b)(3)(A) each report under this section shall disclose the identification of each person (other than a political committee) who makes a contribution to the reporting committee during the reporting period, whose contribution or contributions have an aggregate amount or value in excess of \$200.00 within the calendar year, or in any lesser amount if the reporting committee should so elect, together with the date and amount of any such contribution.

Pursuant to 2 U.S.C. § 434(b)(3)(B) each report under this section shall disclose the identification of each political committee which makes a contribution in the reporting period, together with the date and amount of any such contribution.

Pursuant to 11 C.F.R. § 104.3(a)(3) an authorized committee of a candidate for federal office shall report the total amount of receipts received during the reporting period and, except for itemized and unitemized breakdowns, during the calendar year in certain categories. This section further specifies these categories to include the category of contributions from persons

other than committees. It should be noted that the Campaign Guide for Congressional Candidates and Committees specifically instructs a reporting committee to use a separate Schedule A for each category of itemized receipts. (See, Campaign Guide at page #25).

Pursuant to 11 C.F.R. § 104.3(a)(4), the identification of each contributor and the aggregate year-to-date total for each person whose contributions aggregate in excess of \$200.00 per calendar year and all committees which make contributions to the reporting committee during the reporting period shall be reported.

As stated above, the Commission found reason to believe that Respondents' failure to include year-to-date totals on its reports to be a violation of 11 C.F.R. § 104.3(a)(4); failure to identify the employer and occupation of contributors of amounts of \$200.00 or more to be a violation of 2 U.S.C. § 434(b)(3)(A); failure to properly identify political committees as contributors to be a violation 2 U.S.C. § 434(b)(3)(B); reporting a husband and wife contribution by the use of disjunctive language, which makes it unclear who made the contribution, to be a violation of 2 U.S.C. § 434(b)(3)(A) (see also, 11 C.F.R. § 104.8); and intermingling contributions from PACs with contributions from others on the same schedule to be a violation of 11 C.F.R. § 104.3(a)(3).

D. Response to Interrogatories

Inquiry here was limited to the two issues which needed further clarification: (1) Whether the various reported

contributions were from individuals or PACs: Luther Markwart or American Sugarbeet Growers Association PAC; Fred McClure or Eastern PAC; Gary Perkinson or Beneficial PAC; Gary D. Myers or The Fertilizer PAC; Wayne W. Stageman or Southland PAC; and G.W. Daigie or EMPAC, and (2) Respondents' method of obtaining information about contributors' occupations and employers.

1. PAC Contributions:

Respondents in response to interrogatories stated that the contributions at issue here were from political action committees and not from the individuals whom they had also included in the original reporting. As evidence of this fact respondents in response to request for documents furnished copies of the checks from the PACs, and its amended 1988 12 Day Pre-Primary Report indicating the PACs as the contributor. This latest amendment was filed with the Commission on July 5, 1989. It should be noted that the individuals whose names were originally listed with the contributions were the treasurers of the PACs or were representatives of the different PACs.

2. Occupation and Employer Information:

Respondents stated that in an effort to obtain the "required information" the committee made at least one effort per check. They contend these efforts were made by using reporting cards, index cards, letters, information from fundraising committee members, and telephone calls. As evidence of these efforts to obtain the "required information" the Respondents furnished sample documents of letters and telephone logs. Respondents also furnished affidavits from some of its

fundraisers, who under oath, stated they made telephone calls to obtain the "required information".

The above documents and statements by the fundraisers never specifically indicated that a request was made for the occupation and employer of the contributors. The statements by the fundraisers only said they requested the "required information". No explanation was given as to what information was requested. Nevertheless, a form furnished by the respondents which appears to have accompanied initial solicitations for contributions was given to contributors requesting their names, addresses, occupations, and employers. Respondents contend this form or information card was used throughout the campaign. It is therefore the opinion of this Office that the "best effort" requirement has been fulfilled.

Dear Mr. Geiger:

On May 24, 1989, the Federal Election Commission found reason to believe that the Jon Mills for Congress Committee ("Committee") and you as treasurer violated 2 U.S.C. §§ 434(b)(3)(A) and 434(b)(3)(B), and 11 C.F.R. §§ 104.3(a)(3) and 104.3(a)(4). On July 6, 1989, you submitted a request to enter into conciliation negotiations prior to a finding of probable cause to believe. On July 25, 1989, the Commission considered your request and determined, because of the need to complete the investigation, to decline at that time to enter into conciliation negotiations prior to a finding of probable cause to believe. This investigation has now been completed.

At your request, on December 21, 1989, the Commission determined to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe.

Conciliation Agreement

BEFORE THE FEDERAL ELECTION COMMISSION

and H.A. Geiger, as treasurer)

CONCILIATION AGREEMENT

This matter was initiated by a signed, sworn, and notarized complaint by Joseph R. Gaylord, the Executive Director of the National Republican Congressional Committee. The Federal Election Commission ("Commission") found reason to believe that the Jon Mills for Congress Committee and H.A. Geiger, as treasurer ("Respondents") violated 2 U.S.C. §§ 434(b)(3)(A) and 434(b)(3)(B); and 11 C.F.R. §§ 104.3(a)(4) and 104.3(a)(3).

NOW, THEREFORE, the Commission and the Respondents, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4)(A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. The Jon Mills for Congress Committee is a political committee within the meaning of 2 U.S.C. § 431(4).

5. Respondents' 1988 12 Day Pre-Primary Report intermingled contributions from political action committees with contributions from others. On July 5, 1989, Respondents amended their report to clarify and separate these contributions.

6. Respondents' 1988 July Quarterly, 12 Day Pre-Primary, and October Quarterly Reports all failed to include year-to-date totals for contributors. These reports were amended to include the year-to-date totals as follows: the 1988 July Quarterly amended September 7, 1988, the 12 Day Pre-Primary amended October 3, 1988, and the October Quarterly amended March 24, 1989.

V. 1. Respondents failed to disclose the identification of each political committee making a contribution during the reporting period, in violation of 2 U.S.C. § 434(b)(3)(B).

2. Respondents failed to disclose the identification of each person making a contribution during the reporting period, in violation of 2 U.S.C. § 434(b)(3)(A).

3. Respondents intermingled contributions from political action committees with contributions from others, on the same schedule, in violation of 11 C.F.R. § 104.3(a)(3).

4. Respondents failed to disclose the aggregate year-to-date total for each person whose contributions aggregated in excess of \$200.00 per calendar year and all committees which made contributions to the reporting committee during the reporting period.

5. Respondents' contend the violations were not knowing and willful, and that they undertook efforts to amend their reports to correct the errors.

VI. Respondents will pay a civil penalty to the Federal Election Commission in the amount of Five Hundred dollars (\$500.00), pursuant to 2 U.S.C. § 437g(a)(5)(A).
