I was refused a warrant signing process at the City of Louisville, Ky police court counter about one hour ago.

The clerk (a young negro female) tried to force me to see a Rev. Author Smith, Social Service instead of the warrant signing process. I want both of them investigated and charged with denial of due process. I hereby state.. and furthermore that the information counter at the Police station a young negro female did insist that I return to the point of denial.

She ignored my statement that I wanted to sign a warrant for the people there to declared derelict in their duties for the city of Louisville, Ky and walked away stating that "I told you where to go".

I hereby initiate a Civil Law suit for the failure of the City of Louisville to uphold and enforce the laws of the state of Kentucky.

I am asking for the process to be satisfied, fulfilled and resolved for the entical state of Kentucky's point of law.

I am asking for a sum of 12,00 hundred dollars, \$1200.00 to be awarded to my person for the imposition and time loss/distress to my person.
