GENERAL COUNSEL'S REPORT

BACKGROUND

On September 22, 1978, the Reports Analysis Division referred to the Office of the General Counsel the Julian Dixon - Democrat for Congress Committee ("the Committee") for its failure to indicate on its April 10 Quarterly Report the occupation and principal place of business of itemized contributions to the Committee in violation of 2 U.S.C. §434(b)(2).

Prior to the referral and since that time Commission staff members have contacted the Committee in attempts to obtain this information.

On October 26, 1978, the Office of General Counsel submitted a memorandum to the Commission requesting that the Commission issue an Order to the Committee for it to submit the missing information. Since the Committee had also failed to provide this information on its pre-primary report, and since it failed to set out in its pre-primary report how contributions from apparent partnerships were to be attributed among the partners, the proposed order requested this information as well.

While the Commission was considering the proposed order, respondent submitted the information that had been requested.^{1/}

^{1/} The information was date stamped received on October 25th but was received by the OGC staff on October 27th.

The information included the occupations and principal places of business for contributors on the April 10, 1978 and pre-primary reports. The Committee also submitted, with regard to the pre-primary report, a statement indicating whether each contributing entity was a single proprietorship or a partnership, and if a partnership, a statement of how each contribution was attributed to each partner.

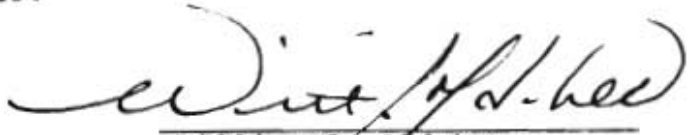

ANALYSIS

An examination of the updated and corrected copies of the April 10, 1978 and pre-primary reports submitted by the Committee indicates that the missing §434(b)(2) information has been supplied. The Committee also provided the necessary statements regarding partnerships, pursuant to the Commission's Regulations, 11 C.F.R. §110.1(e). Therefore, we believe the order approved by the Commission on October 31, 1978 is no longer necessary. In view of this submission, we also think it is appropriate for the Commission to take no further action at this time against the Committee.

RECOMMENDATION

We recommend that the Commission take no further action at this time against Julian Dixon - Democrat for Congress Committee and close the file. Send attached letter.

MEMORANDUM TO: The Commission

FROM: William C. Oldaker
General Counsel *W.C. Oldaker*

SUBJECT: MUR 736 (78)
Julian Dixon - Democrat for Congress Committee
Request for Order

Background

On September 22, 1978, the Reports Analysis Division referred to the office of General Counsel the "Julian Dixon-Democrat for Congress" Committee for its failure to indicate on its April 10 quarterly report the occupation and principal place of business of itemized contributions to the Committee. This is in violation of 2 U.S.C. § 434(b)(2) which requires that each report shall disclose "...the full name and mailing address (occupation and principal place of business, if any) of each person who has made one or more contributions to or for such committee or candidate... within the calendar year in an aggregate amount or value in excess of \$100..."*

PRIOR ATTEMPTS TO OBTAIN INFORMATION

On May 11, 1978, Reports Analysis sent the Committee an RFAI regarding the Committee's failure to include on its April 10 quarterly report the occupation and principal place

* Mr. Dixon won the primary election, receiving 48% of the votes cast or 42,350 votes.

of business of approximately 26 contributors who collectively contributed a total of \$14,045. A reason to believe letter was mailed to respondent Committee on July 7, 1978. No response to these notices was received by the Commission.

On July 27, 1978, Ron Krause of Reports Analysis spoke by phone with Pat Miller of the Committee. However, no response has been received which provides the necessary information.

An RFAI was sent to the Committee on June 27, 1978 regarding the failure of the Committee to include occupation and principal place of business of itemized contributors on the 10 day pre-primary report. The reason to believe letter regarding this report was mailed September 1, 1978. To date, no response to these notices has been received.

On October 16, 1978, the General Counsel's office spoke with Mr. Jan Goren of the Committee. Mr. Goren stated that he had spoken with Ron Krause on October 13, 1978, and assured Krause that he would have the information compiled and mailed to the Commission by October 20, 1978.

As stated previously, this matter was referred to the General Counsel's office because of a continued failure by the Committee to provide §434(b)(2) information on its April 10 quarterly report. The Committee has also not provided this information for contributions on its pre-primary report. In addition, the RFAI that had been sent out by Reports Analysis regarding the pre-primary report notified the Committee of its failure to attribute partnership contributions in accordance

with §110.1(e) of the Regulations. In this report, seven non-corporate entities were listed as contributors of a total of \$2200 without any indication of how the contributions should be attributed if the entities were partnerships.

Although a Committee representative has stated to Commission staff members that the information would be submitted, to date they have not done so and we have no assurance that it will be done. We believe an order should be issued for the omitted §434(b)(2) information on both the April 10 and the pre-primary reports. At the same time, we think the order should demand the inclusion of the §110.1(e) information discussed above, which the Committee has failed to adequately set out in its pre-primary report.

RECOMMENDATION

Issue the attached order and cover letter.

Dear Mr. Henry:

This letter is prompted by our interest in assisting House candidates and committees who wish to comply with the Federal Election Campaign Act, as amended.

The Office of the Clerk, as an informational service, is notifying filers of the errors and omissions found in their preliminary review of documents filed with the Clerk. This letter and attached documentation constitute official notification by the Commission of errors and omissions found, and require a written response.

While we recognize the difficulties you may have experienced in filling out the reporting forms, we must ask that you supply the Clerk of the House's Office of Records and Registration, 1036 Longworth HOB, Washington, D.C. 20515, with the missing information within ten (10) days of receipt of this letter. JULIAN DIXON - DEMOCRAT FOR CONGRESS (CA/28)
REQUEST FOR ADDITIONAL INFORMATION, PAGE 2
April 10 Quarterly Report

You incorrectly report as in-kind contributions a total of \$755 from Mr. Dixon. They are also reported on line 13 of the Summary Page and Schedule C as debts owed by the committee. In-kind contributions are contributions of consumable goods or services, and are reported on both the receipts and expenditures schedules as they are considered equivalent to both receiving contributions of money and making expenditures to obtain the same amount of contributed goods or services. On Schedule B, please show the payee for the \$575 filing fee (i.e., County of Los Angeles) and also the payee for the \$180 for Registrar tapes instead of Mr. Dixon.

On Schedule A, you have identified several contributors simply as "businessman." This is inadequate under Section 100.11 of F.E.C. Regulations, which defines "occupation" as "principal job title or position." The "principal place of business" should include "full name under which the business is conducted." You have supplied only the street addresses for a number of the contributors in this block. Please amend your report to fully and adequately report the occupation and principal place of business for each contributor of over \$100.

Your report does not show aggregate year-to-date amounts of contributions for each contributor on Schedule A. Please amend your report to show these figures, even though they are equal to the contribution for the reporting quarter.

The in-kind contribution from Patricia Miller should be reported on both ~~Schedule A and Schedule B~~ as the full \$1,000. As noted in the paragraph above, an in-kind contribution is considered equal to receiving a contribution of money and making an expenditure for the goods or service. Please amend your report to show a \$1,000 expenditure to Pacific Telephone Company on Schedule B, and add this amount to the total on line 20a of the Detailed Summary, Page 2.

MEMORANDUM: FOR FILES

RE: TELECON

FROM: Pat Miller to Ron Krouse

DATE: 7/27/78

NAME OF COMMITTEE: Julian Dixon For Congress
(213) 295-4226

CA/28

Ms. Miller called re. a letter she received from the Clerk indicating that the committee received contributions in excess of \$1000 on the 30 Day Report. Schedule C showed outstanding debts of \$5,000 and \$30,000 to two separate individuals, and the nature of the obligation was left blank. I told Ms. Miller that she should disclose the nature of the debt. She said that it was for "pure, virgin consulting". She will amend that part of the report.

I also discussed with her the RFAI for the 10 Day Pre-Primary report. She had questions on how to allocate the partnership contributions of her contributors. I read the appropriate reg to her about allocation based on partnership profits or instructions supplied to the committee by the partnership. She seemed confused but will plow through the morass.

I also explained to her that principal place of business should also include the name of the employer. She seemed surprised by this, but will comply.
