Re: MUR 973

Dear Mr. Allen:

This is in reference to a contribution of \$125 which was reported as having been received by the Lindy Boggs Campaign Committee on 2 March 1978 from your union local.

On June 4, 1979 the Commission determined to take no further action against Local #141 in connection with this contribution. Section 441b(a) of the Federal Election Campaign Act of 1971, as amended prohibits contributions by unions. While this contribution appeared to be in violation of the Act, the Commission made the determination to take no further action based on the fact that the Lindy Boggs Campaign Committee promptly refunded the illegal contribution.

However, you should be aware that the Commission notified all candidates and committees in August, 1978 that in the future, civil penalties would be assessed against the contributors and recipients of corporate and labor union contributions in addition to the requirement that such contributions be refunded.

Should you have any questions, please contact Ms. Miriam Aguiar, the attorney assigned to this matter at (202) 523-4057.

Sincerely,

William C. Oldaker,

GENERATION OF MATTER

On 11 May 1979, the Reports Analysis Division referred this matter involving the apparent acceptance of a union contribution to the Office of General Counsel. (See Attachment #1.)

EVIDENCE

A review of the 1978 reports filed by the Lindy Boggs Campaign Committee disclosed receipt of \$125 on 2 March 1978 from the United Slate, Tile and Composition Roofers Local #141, which violated 2 U.S.C. §441b. The Commission notified the Committee of the apparent violation by letter dated 1 March 1979. The Committee submitted an adequate response on 16 March 1979, stating that the contribution was refunded on 8 March 1979.

PRELIMINARY LEGAL ANALYSIS

The contribution in question was made and accepted prior to August, 1978 when the Commission notified candidates and committees that the acceptance of §441b contributions might result in the imposition of civil penalties. Since the recipient Committee promptly responded to the Commission's notification by refunding the contribution, we think the file should be closed and no further action taken against the respondents.

In connection with this closing, we recommend that letters of admonition be sent to the Committee and Local #141, for the contributor has not received notification from the Commission as to the illegal nature of the contribution.

Dear Mr. Kohlmeier:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, as amended. During review of the April 10 Amended Report of Receipts and Expenditures, we noticed an entry indicating that you may have accepted a contribution from a union. Union contributions are prohibited by the Act, unless the contribution is made by a separate segregated fund established by the union. A copy of that portion of your report is attached for your review and clarification.

The Commission recommends that if you have accepted a prohibited contribution that you return the full amount to the donor. The return of the contribution should be reported immediately by letter and should be reflected as a contribution refund on your next report of receipts and expenditures. If the identification of the source of this contribution is incomplete or incorrect on the original report, please submit a statement which would clarify this particular matter for the public record. You may do so by amending your original report by letter.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on this matter. If you have any questions concerning this matter, please do not hesitate to contact Susan Kaltenbaugh (800) 424-9550, our Reports Analyst assigned to you. Our local telephone number is 503-4172.

RE:

4Sv1/79-8SK

Dear Ms. Kaltenbaugh:

This is in reply to Mr. Orlando B. Potter's letter of March 1, 1979, and other correspondence I have received from the Commission requesting further information.

The United Tile and Composition Roofers Local Number 141 has checked their records and found that they sent us a union check, which we have refunded, as per the attached letter.

A check of the records of Construction and General Laborers Union Local Number 689 shows that the check came from their C.O.P.E. and was inadvertently listed by us as from the union, instead of its C.O.P.E.

The donation from Coleman, Dutrey, Thomson, Meyer & Jurisich for \$500 was from Mr. James J. Coleman, Sr., attorney, in accordance with his letter, a copy of which is attached. The check for \$250 from Mullins & Prichard Oil was a contribution from Mr. James D. Mullins, oil producer. The one for \$125 from Duke & Porterie was from Mr. Louis Porterie, attorney.

One of our previous reports shows in error a check from the University of New Orleans for \$250. Actually, this check came from Dr. Jerome Dickhaus, Vice Chancellor of the University, from Les Aimes de Radio Publique. Since it was received by a University check, it was inadvertently recorded as from the school, instead of the agency. (See attached letter.)

The \$1,000 check received from Lemle, Kelleher, Kohlmeyer & Matthews is from all partners of the firm; and they refuse to break it down, as per their attached letter.

There was a fund raising activity sponsored for Mrs. Boggs by her Campaign Committee on Friday, February 10, 1978, at 7:00 p.m. at the New Orleans Hilton Hotel in New Orleans, Louisiana. Ticket price was \$125 per person. The purpose of the party was to raise funds for Mrs. Boggs' upcoming election. The total gross proceeds of this event were \$50,545.00. These receipts are itemized by donors in these reports. Schedule D is enclosed.

One of our previous reports shows in error a campaign receipt from George P. Ballum. This is incorrect. It should read \$625 from Mr. Ballum, who is an attorney, and \$625 from his client, Dr. Margit Zoller, 4524 Marque Drive, New Orleans, a physician.

Also enclosed herewith are new reports which have been prepared for us under the supervision of Arthur Andersen & Co., Certified Public Accountants, and which correct the mathematical errors in our previous reports. Please accept these as amendments to previous reports submitted by me.

I believe this covers all of your questions, except that after a diligent study, including many, many long distance telephone calls, I have been unable to find the occupation of three donors. I trust, however, that with all this information, you will now be able to advise me that our records are in order.

Dear Mr. Allen:

Reference is made to the telephone call from my office with regard to the check for \$125 you sent to the Lindy Boggs Campaign Committee for a ticket to the fund raising activity in her honor in February of 1978.

The Federal Election Commission has called to our attention, as a result of an audit which they conducted, that we accepted a check of your union for this amount, which is a violation of the law. In order to correct that violation, I enclose herewith the Campaign Committee's check for \$125 payable to your union.

I deeply apologize for any inconvenience that this may cause you and want to assure you that I am particularly embarrassed over my failure to take note of the check upon its receipt by me. By copy of this letter, Mrs. Boggs is being informed of the matter; and she fully understands what happened.

RE: MUR 973

Dear Mr. Kohlmeier:

On 1979, the Commission determined to take no further action against your Committee in connection with your acceptance of a \$125 contribution from the United Slate, Tile and Composition Roofers, Local #141 which appeared to be in violation of 2 U.S.C. §441b(a). The Commission made this determination based on the fact that your Committee promptly refunded the illegal contribution.

The Commission notified all candidates and committees in August, 1978 that in the future, civil penalties would be assessed against the contributors and recipients of corporate and labor union contributions in addition to the requirement that such contributions be refunded.

Should you have any questions, please contact Ms. Miriam Aguiar, the attorney assigned to this matter, at 202-523-4057.

Dear Mr. Allen:

This is in reference to a contribution of \$125 which was reported as having been received by the Lindy Boggs Campaign Committee on 2 March 1978 from your union local.

On 1979 the Commission determined to take no further action against Local #141 in connection with this contribution. Section 441b(a) of the Federal Election Campaign Act of 1971, as amended prohibits contributions by unions. While this contribution appeared to be in violation of the Act, the Commission made the determination to take no further action based on the fact that the Lindy Boggs Campaign Committee promptly refunded the illegal contribution.

However, you should be aware that the Commission notified all candidates and committees in August, 1978 that in the future, civil penalties would be assessed against the contributors and recipients of corporate and labor union contributions in addition to the requirement that such contributions be refunded.

Should you have any questions, please contact Ms. Miriam Aguiar, the attorney assigned to this matter at (202)523-4057.

Sincerely,

William C. Oldaker,
General Counsel

Herman S. Kohlmeier
Lindy Bongs Campaign Committee
Suite 111
One Shell Square
New Orleans, LA 70139

Dear Mr. Kohlmeier:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, as amended. During review of the April 10 Amended Report of Receipts and Expenditures, we noticed an entry indicating that you may have accepted a contribution from a union. Union contributions are prohibited by the Act, unless the contribution is made by a separate segregated fund established by the union. A copy of that portion of your report is attached for your review and clarification.

The Commission recommends that if you have accepted a prohibited contribution that you return the full amount to the donor. The return of the contribution should be reported immediately by letter and should be reflected as a contribution refund on your next report of receipts and expenditures. If the identification of the source of this contribution is incomplete or incorrect on the original report, please submit a statement which would clarify this particular matter for the public record. You may do so by amending your original report by letter.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on this matter. If you have any questions concerning this matter, please do not hesitate to contact Susan Kaltenbaugh (202) 424-9530, our Reports Analyst assigned to you. Our local telephone number is 523-4172.

Sincerely,

RE:

45v1/79-8SK

Dear Ms. Kaltenbaugh:

This is in reply to Mr. Orlando B. Potter's letter of March 1, 1979, and other correspondence I have received from the Commission requesting further information.

The United Tile and Composition Roofers Local Number 141 has checked their records and found that they sent us a union check, which we have refunded, as per the attached letter.

A check of the records of Construction and General Laborers Union Local Number 689 shows that the check came from their C.O.P.E. and was inadvertently listed by us as from the union, instead of its C.O.P.E.

The donation from Coleman, Dutrey, Thomson, Meyer & Jurisich for \$500 was from Mr. James J. Coleman, Sr., attorney, in accordance with his letter, a copy of which is attached. The check for \$250 from Mullins & Prichard Oil was a contribution from Mr. James D. Mullins, oil producer. The one for \$225 from Duke & Porterie was from Mr. Louis Porterie, attorney.

One of our previous reports shows in error a check from the University of New Orleans for \$250. Actually, this check came from Dr. Jerome Dickhaus, Vice Chancellor of the University, from Les Aimes de Radio Publique. Since it was received by a University check, it was inadvertently recorded as from the school, instead of the agency. (See attached letter.)

The \$1,000 check received from Lemle, Kelleher, Kohlmeyer & Matthews is from all partners of the firm; and they refuse to break it down, as per their attached letter.

There was a fund raising activity sponsored for Mrs. Boggs by her Campaign Committee on Friday, February 10, 1978, at 7:00 p.m. at the New Orleans Hilton Hotel in New Orleans, Louisiana. Ticket price was \$125 per person. The purpose of the party was to raise funds for Mrs. Boggs' upcoming election. The total gross proceeds of this event were \$50,545.00. These receipts are itemized by donors in these reports. Schedule D is enclosed.

One of our previous reports shows in error a campaign receipt from George P. Ballum. This is incorrect. It should read \$625 from Mr. Ballum, who is an attorney, and \$625 from his client, Dr. Margit Zoller, 4524 Marque Drive, New Orleans, a physician.

Also enclosed herewith are new reports which have been prepared for us under the supervision of Arthur Andersen & Co., Certified Public Accountants, and which correct the mathematical errors in our previous reports. Please accept these as amendments to previous reports submitted by me.

I believe this covers all of your questions, except that after a diligent study, including many, many long distance telephone calls, I have been unable to find the occupation of three donors. I trust, however, that with all this information, you will now be able to advise me that our records are in order.

Sincerely,

Dear Mr. Allen:

Reference is made to the telephone call from my office with regard to the check for \$125 you sent to the Lindy Boggs Campaign Committee for a ticket to the fund raising activity in her honor in February of 1978.

The Federal Election Commission has called to our attention, as a result of an audit which they conducted, that we accepted a check of your union for this amount, which is a violation of the law. In order to correct that violation, I enclose herewith the Campaign Committee's check for \$125 payable to your union.

I deeply apologize for any inconvenience that this may cause you and want to assure you that I am particularly embarrassed over my failure to take note of the check upon its receipt by me. By copy of this letter, Mrs. Boggs is being informed of the matter; and she fully understands what happened.

Sincerely,
