Enclosures

5. As indicated by the Committee's own verified campaign finance statements filed with the Michigan Department of State, the Committee made the following direct contributions in connection with federal elections during calendar year 2000:

<u>Exhibit No.</u>	<u>Date</u>	<u>Candidate</u>	<u>Amount</u>
2	April 17, 2000	Rivers for Congress	\$500.00
2	April 17, 2000	Byrum for Congress	\$500.00
		<b>TOTAL</b>	<b>\$1,000.00</b>

6. As indicated by the Committee's own verified campaign finance statements filed with the Michigan Department of State (see Exhibit 3 attached hereto), during calendar year 2000, the Committee made expenditures totaling \$3,667.50 (referred to by the Committee as "exempt federal expenditures") on behalf of the following federal candidate committees: Byrum for Congress, Rivers for Congress, Gore for President, Lieberman for Vice President, Stabenow for United States Senate.

7. As indicated by the Committee's own verified campaign finance statements filed with the Michigan Department of State, on or about August 21, 2000, the Committee made an expenditure of \$2,000 for "campaign office rent", the purpose of which was to benefit the "Entire Democratic Ticket." See Exhibit 4 attached hereto.

8. As indicated by the Committee's own verified campaign finance statements filed with the Michigan Department of State, from on or about November 4, 2000 through November 7, 2000, the Committee made \$8,295 in expenditures for various activities: literature drop, poll workers, and get-out-the-vote. See Exhibit 5 attached hereto. Upon information and belief, these activities benefitted federal candidates.

9. Accordingly, during calendar year 2000, the Committee spent more than \$1,000 in contributions and other expenditures in connection with federal elections.

10. As indicated on page 3 of the Campaign Guide for Political Party Committees (August 1996), published by the Federal Election Commission, on some date in calendar year 2000, the Committee had 10 days to file with the Federal Election Commission FEC Form 1 and register as a political committee. See 11 C.F.R. § 100.5(c) and 11 C.F.R. § 102.1(d).

11. Upon information and belief, to date, the Committee has failed to register with the Federal Election Commission as a political committee.

### **REQUEST FOR RELIEF**

Further, the undersigned respectfully requests that the Federal Election Commission conduct a thorough review of the Committee's records, and the records of Rivers for Congress and Byrum for Congress, in order to determine whether the contributions made to Rivers for Congress and Byrum for Congress were derived from permissible sources pursuant to the Federal Election Campaign Act.

Further, the undersigned respectfully requests that the Federal Election Commission conduct a thorough review of the Committee's records and the records of Rivers for Congress and Byrum for Congress, in order to discover further violations of the Federal Election Campaign Act and the regulations of the Federal Election Commission.
