Recommendation to Assign

On March 22, 2007, the ADR Office received RAD 07L-08 to review and determine its appropriateness for ADR processing. Based on that review, we determined that the case is appropriate for ADR, and recommend that it be assigned to the ADR Office. The ADR Office Memorandum includes a statement of the issues, a summary and analysis of the case, and a Recommendation. In addition, the Office of General Counsel reviewed the ADR Memorandum, and concurs in the description of the case.

**Summary and Analysis of Case:** Treasurers of political committees are required to report all financial activity, including all receipts, pursuant to the FECA. Respondents filed their 2006 July Quarterly Report on July 15, 2006, followed by an amended 2006 July Quarterly report on August 4, 2006, and a subsequent amended 2006 July Quarterly Report on September 6, 2006. The amended report filed on August 4, 2006 included no changes in the amount of receipts disclosed. The amended report filed on September 6, 2006, however, disclosed additional receipts of \$55,880. Respondents filed a third amended 2006 July Quarterly Report on September 9, 2006, but this amended report did not disclose additional receipts beyond those disclosed on September 6, 2006.

In response to a RFAI sent on October 19, 2006, the Committee contends that there was an error in running the report, which caused the computer application to omit receipts in the database.

**RECOMMENDATION:**

1. **Assign ADR 384/RAD 07L-08 to the ADR Office.**
