SUBJECT: ADR 450 Missouri Democratic State Committee and Rod Anderson,  
Treasurer, Recommendation to Approve Settlement Agreement

**RESOLUTION TERMS:** Establish a tracking system for responding to RFAs;  
hire a campaign finance specialist to review reports  
before they are filed; attend FEC training in 2008  
election cycle.

Attached for your review is a signed negotiated ADR Settlement Agreement pertaining to  
**ADR 450 (RAD 08L-11)**. This case was received by the ADR Office on February 25,  
2008 and was assigned on February 28, 2008.

**SUMMARY:** The Reports Analysis Division referred the Respondents (or "the  
Committee") for cumulative errors during the 2006 election cycle. These errors  
included mathematical discrepancies, excessive, impermissible and/or prohibited  
contributions, a failure to disclose all disbursements, missing information relating  
to joint fundraisers, and problems relating to allocable expenses, Levin funds, and  
federal election activity.

Respondents contend that in response to MUR 5611 and Commission audits, they  
began implementing new financial procedures and activities designed to ensure  
compliance. The bulk of the activity leading to this referral occurred prior to the  
new procedures being implemented.
