**RE: MUR 6833**

To Whom it May Concern:

This is in response to your letter dated June 3, 2014. Your office has documents and affidavits from the candidate and Rachelle Marks, treasurer of the campaign. I adopt and concur in the allegations therein made.

This was sent to you in a letter dated May 20, 2014 which should be in your files. For ready reference I enclose copies of such documents. As stated, the invitation was prepared, produced, and distributed by people not involved in the campaign. It had the required campaign limits, but failed to have the paid for declaration. I decided to send the invitation by social media and cropped the invitation so that the words would be larger and easier to read. Unfortunately, the contribution limitations portion was left out. I was totally unaware that it was required in the method by which it was sent and assure you it was an innocent mistake. As the prior documents state, we have an attorney and CPA firm advising us and we will carefully check with both before sending out any other materials.
