Re: AOR 1979-4

Dear Mr. Connery:

This will confirm that we have closed our file on the subject advisory opinion request as explained in my letter of June 6, 1979. In the absence of the additional information requested by my letter of February 5, 1979, the request does not present a specific factual situation which is necessary for the issuance of an advisory opinion under 2 U.S.C. §437f.

Sincerely yours,

William C. Oldaker
General Counsel
