Gentlemen:

It has been brought to my attention by a member of DPAC who read the posted AOR that I omitted information regarding the Secretary of the County Committee in my response regarding the overlap between officers of DPAC and the County Committee. I correct my response with respect to C.F.R. 110.3(F) as follows:

C.F.R. 110.3 (F). Whether a sponsoring organization or committee has any members, officers or employees who were members, officers or employees of another sponsoring organization or committee which indicates a formal or ongoing relationship between the sponsoring organizations or committees; . .

Four current members of the County Committee Executive Committee were at one time members of DPAC, including the Chair and Secretary of the County Committee. The Chair resigned his membership in DPAC shortly after being elected to the Chair in 2006. The Secretary of the County Committee was the Secretary of DPAC from early 2006 to early 2007, at which time she allowed her membership lapse.

Sincerely yours,

Diane L. Sipe
DPAC Federal Fund Treasurer
