Re: AOR 1975-80

Honorable J. Kenneth Robinson
U.S. House of Representatives
Washington, D. C. 20515

Dear Mr. Robinson:

This is in response to your request for an advisory opinion concerning an offer of payment for the cost of an advisory group luncheon held in your congressional district.

As a result of a recent telephone conversation between Mr. Chris Mathisen of your staff and Scott Thomas of the General Counsel's Office, it is my understanding that the factual situation presented by your request has not and will not occur during your present declared candidacy and that, consequently, you no longer desire an advisory opinion concerning this matter. Therefore, no further action appears to be necessary regarding your request.

Thank you for your cooperation and understanding of the circumstances which precluded our issuance of an advisory opinion.

Sincerely yours,

151

N. Bradley Litchfield
Assistant General Counsel
