BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of )  
Passaic County Democratic ) MUR 1047  
Committee )

CONCILIATION AGREEMENT

33040363354  
The Federal Election Commission (hereinafter the "Commission") initiated this matter pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities and found reason to believe that the Passaic County Democratic Committee ("Respondent" or the "Committee") violated 2 U.S.C. §§ 433, 434, 441a(f), 441b(a) and 11 C.F.R. § 102.6 (presently § 102.5) and § 104.12 (formerly § 104.10 <sup>\*</sup>/).

NOW, THEREFORE, the Commission and Respondent, having duly entered into conciliation pursuant to 2 U.S.C. § 437g(a)(4)(A) do hereby agree as follows:

I. The Commission has jurisdiction over the Respondent and the subject matter of this proceeding.

II. Respondent has had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondent enters voluntarily into this Agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

---

<sup>\*</sup>/ Prior to the 1979 Amendments.

A. Respondent, Passaic County Democratic Committee (the "Committee") is a political committee pursuant to 2 U.S.C. § 431(4).

B. Failure to Register Timely

1. 2 U.S.C. § 433 requires committees which receive contributions or make expenditures in connection with federal elections exceeding \$1,000.00 in a calendar year to register with the Commission 10 days after such receipts or expenditures.

2. The Committee initially registered with the Commission on July 10, 1978.

3. The Committee made expenditures for federal and non-federal primary election expenses aggregating \$8,160.00 in June, 1978 from its Election 1 (18-3584-1) and Regular (10-1620-5) accounts.

4. The 1978 primary ballot included two federal offices as well as other non-Federal offices; accordingly, the expenditures apportioned for federal candidates exceeded \$1,000.00.

5. The Committee should have registered ten days after making these expenditures.

6. The Committee filed a termination report on November 20, 1978.

7. The Committee re-registered with the Commission on August 20, 1980.

33040363355

8. The Committee expended at least \$13,150.00 on May 30 and 31, 1980 for primary election expenses from its Regular (10-1620-5) account.

9. The 1980 ballot included four federal offices as well as other non-federal offices; accordingly the expenditures apportioned for federal elections exceeded \$1,000.00.

10. The Committee should have re-registered ten days after making these expenditures.

C. Failure to Report Receipts and Disbursements

1. 2 U.S.C. § 434 requires political committees to report its total receipts and disbursements.

2. The Committee made expenditures in connection with federal elections from two accounts in 1978, Regular (10-1620-5) and Election 1 (18-3584-1) accounts, and from two accounts in 1980, Regular (10-1620-5) and Election 2 (10-4434-5) accounts.

3. The Committee reported the activity of its Election 1 (18-3504-1) account and its Regular (10-1620-5) account from July 1, 1978 until November 20, 1978, at which time the Committee filed a termination report.

4. The Committee made expenditures in connection with federal elections in June 1978 which were not reported to the Commission.

5. The Committee made expenditures in connection with federal elections in the 1980 primary election

33040363356

from its Regular (10-1620-5) account in May 1980 which were not reported to the Commission.

6. The Committee's reports disclosed payments aggregating \$694.77 for administrative costs related to federal election activities in 1980.

7. Administrative costs attributable to 1980 federal elections were in the amount of \$7,964.41.

8. The Committee should have reported and accounted for the proper amount (\$7,964.41) in its reports for 1980 federal election activities to the Commission.

D. Acceptance and Use of Contributions from Impermissible Sources

1. 2 U.S.C. § 441b(a) makes it unlawful for political committees to accept contributions from corporations or labor organizations in connection with federal elections.

2. In 1978, the Committee received \$4,745.00 from corporations and \$100.00 from labor organizations which were deposited in its Regular (10-1620-5) account and from which expenditures for federal elections were made.

3. In 1980, the Committee received \$2,020.00 from corporations and \$1,300.00 from labor organizations which were deposited in its Regular (10-1620-5) account and from which expenditures for federal elections were made.

33040363357

separate federal campaign committee which shall register as a political committee or establish a single committee with a single account to make contributions to Federal and non-Federal candidates, but only if all contributions received are permissible under the Federal Election Campaign Act (the "Act").

5. The Committee did not establish its accounts pursuant to 11 C.F.R. § 102.6 (presently § 102.5), but rather established numerous accounts from which expenditures for both federal and non-federal election activities were made. These accounts contained funds not permissible under the Act.

6. 11 C.F.R. § 102.6 (presently § 102.5) also prohibits the transferring of monies from an account not specifically designated for federal elections to an account used to finance federal election activities.

7. The Committee transferred monies in 1978 and 1980 from its Regular (10-1620-5) account, which was not specifically designated for federal elections and which contained prohibited contributions, to its Election 1 (18-3584-1) and Election 2 (10-4434-5) accounts from which expenditures for federal elections were made. These transfers are as follows:

13040363358

<u>FROM</u>	<u>TO</u>	<u>AMOUNT</u>	<u>DATE OF TRANSFER</u>

		\$ 1,900.00	11/12/80
	Total:	<u>\$16,730.00</u>	

E. Failure to Disclose Cash on Hand

1. 2 U.S.C. § 434 and 11 C.F.R. § 104.12 require political committees to disclose the source of its cash on hand.

2. The Committee reported a balance of \$2,692.00 as its cash on hand upon registering in 1978.

3. The Committee failed to adequately disclose the origin of this opening balance in its reports.

4. The Committee reported a balance of \$1,619.51 upon its re-registration in 1980.

5. The Committee failed to adequately disclose the source of this opening balance in its reports.

F. Inclusion of Monies from Impermissible Sources within Cash on Hand

1. 11 C.F.R. § 104.12 (formerly § 104.10) makes it unlawful for political committees to include within its cash on hand any contributions from sources prohibited by 2 U.S.C. § 441b.

33040363359

2. The Committee's cash on hand in 1978 and 1980 contained monies from prohibited sources.

G. Acceptance of Excessive Contributions

1. 2 U.S.C. § 441a(f) makes it unlawful for multicandidate political committees to knowingly accept contributions from individuals exceeding an aggregate of \$5,000.00 in any calendar year. (See 2 U.S.C. § 441a(a)).

2. 11 C.F.R. § 100.7(a)(1)(i)(C) states that a loan is a contribution by each endorser or guarantor, and that each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement.

3. The Committee received a \$12,000.00 loan endorsed by Mr. Robert Angele and his wife, Lucy Angele, in its Election 2 (10-4434-5) account on October 17, 1980.

4. The \$12,000.00 loan constitutes a \$6,000.00 contribution from each of the Angeles.

5. Each contribution exceeds the limitations set forth in 2 U.S.C. § 441a(a) by \$1,000.00.

V. Respondent agrees that it violated:

1. 2 U.S.C. § 433 by failing to register timely in 1978 and in 1980.

2. 2 U.S.C. § 434 by failing to report its total receipts and disbursements in 1978 and 1980, including administrative costs in 1980.

13040360

3. 2 U.S.C. § 441b(a) by accepting contributions from corporations and labor organizations in connection with federal elections in 1978 and 1980.

4. 11 C.F.R. § 102.6 (presently § 102.5) by failing to establish committees in accordance with this provision, and by transferring funds from an account not designated for federal election activities and which contained prohibited funds to an account used to finance federal election activities.

5. 11 C.F.R. § 104.12 (formerly § 104.10) by failing to disclose the source of its cash on hand in 1978 and 1980; and by including within its cash on hand monies not permitted by the Act.

6. 2 U.S.C. § 441a(f) by receiving contributions in excess of limitations set forth by 2 U.S.C. § 441a(a).

VI. Respondent will pay a civil penalty to the treasurer of the United States in the amount of one thousand and five hundred dollars (\$1,500.00) pursuant to 2 U.S.C. § 437g(a)(5)(A).

VII. Respondent agrees that it shall not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. § 431, et seq.

VIII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a

13040363361

civil action for relief in the United States District Court for the District of Columbia.

IX. The agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

Re: MUR 1047  
Passaic County Democratic  
Committee

Dear Mr. Geaney:

On August 6, 1981, the Federal Election Commission informed you that it had voted to audit your client, the Passaic County Democratic Committee (the "Committee") pursuant to 2 U.S.C. § 437g(a)(2). By that date, the Commission had found reason to believe that the Passaic County Democratic Committee had violated 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) (presently 11 C.F.R. § 102.5(a)) by transferring funds from a non-federal account which contained corporate monies to its federal account; 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose the source of cash on hand; 2 U.S.C. § 434 by failing to disclose administrative costs in its 1980 reports; and 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a).

Although conciliation proceedings were in progress, the Commission suspended the negotiations until the results from the audit were available.

The audit was completed on January 15, 1982. The audit, however, revealed information which supported additional

findings. Specifically, on May 18, 1982, the Commission found reason to believe that your committee violated 2 U.S.C. § 433 by failing to register timely and 2 U.S.C. § 434 by failing to report receipts and disbursements in 1978 and 1980.

The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you.

The Commission also reminds you that the investigation being conducted is confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

believe that the Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose the source of its cash on hand in 1978 and 1980; 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a); and 2 U.S.C. § 434 by failing to disclose receipts and expenditures for administrative costs in its 1980 reports.

The Commission and the Committee had been engaged in informal conciliation from November 13, 1980 to July 19, 1981, at which time the Commission suspended the conciliation proceedings until the audit results were available. The audit was completed on January 15, 1982. Based on the audit the Office of General Counsel recommends that the Commission make the following new findings.

#### FACTUAL BASIS AND LEGAL ANALYSIS

2 U.S.C. § 433 requires that committees which receive contributions or make expenditures in connection with federal elections exceeding \$1,000.00 in a calendar year must register with the Commission 10 days after such receipts or expenditures. 2 U.S.C. § 434 requires these political committees to file reports with the Commission.

The Committee initially registered with the Commission on July 10, 1978, and reported the activity of its Election 1\* and Regular accounts from July 1, 1978 until its termination on November 30, 1978. However, the audit disclosed that the Committee made expenditures for federal and non-federal primary

\*This is the 18-3584-1 account.

election expenses aggregating \$8,160.00 in June, 1978. Since the primary ballot contained two federal Democratic candidates, the expenditures attributable to federal elections exceeded \$1,000.00. These expenditures were not included in their reports. The Committee therefore should have registered ten days after making these expenditures, and should also have reported these expenditures.

13740363371  
The Committee re-registered with the Commission on August 20, 1980, and reported its Election 2\* account from July 1 through December 31, 1980. However, the audit revealed that the Committee expended at least \$13,150.00 on May 30 and 31, 1980 for 1980 primary election expenses from its Regular account. The 1980 ballot contained four federal Democratic candidates as well as other non-federal candidates. Proper allocation of these expenditures would trigger the Committee's obligation to register 10 days after making these expenditures. Additionally, the Committee should have reported these expenditures and should have reported the financial activity of both accounts.

The Office of General Counsel therefore recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 433 by failing to timely register in 1978 and 1980, 2 U.S.C. § 434 by failing to report receipts and disbursements in 1978 and 1980.

\*This is the 10-4434-5 account.

430403637

The Committee also failed to adequately disclose the source of its cash on hand upon registering in 1980. When questioned about the origin of its \$1,619.57 beginning balance, the Committee explained that this amount was the residual of its 1979 Election account which was transferred to the 1980 Election account. Inasmuch as the last deposit into its 1979 Election account was a \$23,000.00 transfer from its Regular Account which contained corporate and labor monies, the 1980 cash on hand more likely than not contained funds prohibited by 2 U.S.C. § 441b. Therefore, the Office of General Counsel also recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 104.12 by including monies from corporations and labor organizations within its cash on hand in 1978 and 1980.

#### RECOMMENDATIONS

- 1) Find reason to believe that the Passaic County Demcoratic Committee violated 2 U.S.C. § 433 by failing to timely register in 1978 and 1980.
- 2) Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 434 by failing to report receipts and disbursements in 1978 and 1980.

3) Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 104.12 by including monies from corporations and labor organizations within its cash on hand in 1978 and 1980.

Re: MUR 1047  
Passaic County Democratic  
Committee

Dear Mr. Geaney:

On August 6, 1981, the Federal Election Commission informed you that it had voted to audit your client, the Passaic County Democratic Committee (the "Committee") pursuant to 2 U.S.C. § 437g(a)(2). By that date, the Commission had found reason to believe that the Passaic County Democratic Committee had violated 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) (presently 11 C.F.R. § 102.5(a)) by transferring funds from a non-federal account which contained corporate monies to its federal account; 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose the source of cash on hand; 2 U.S.C. § 434 by failing to disclose administrative costs in its 1980 reports; and 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a).

Although conciliation proceedings were in progress, the Commission suspended the negotiations until the results from the audit were available.

The audit was completed on January 15, 1982. The audit, however, revealed information which supported additional

findings. Specifically, on May 18, 1982, the Commission found reason to believe that your committee violated 2 U.S.C. § 433 by failing to register timely and 2 U.S.C. § 434 by failing to report receipts and disbursements in 1978 and 1980.

The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you.

The Commission also reminds you that the investigation being conducted is confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

**GENERAL COUNSEL'S REPORT**

**I. Background**

On July 14, 1981, the Commission voted to audit the Passaic County Democratic Committee (the "Committee") pursuant to 2 U.S.C. § 437g. Prior to the audit, the Commission had found reason to believe that the Committee had violated certain provisions of the Federal Election Campaign Act of 1971, as amended (the "Act"). Specifically, on February 8, 1980, the Commission had found reason to believe that the Committee violated 2 U.S.C. § 433, 11 C.F.R. § 102.6(b) 1/ and 2 U.S.C. § 441b(a) by transferring funds from accounts established for non-federal elections which contained corporate monies to its account designated for federal election activities. Additionally, on July 14, 1981, the Commission found reason to believe that the Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose the source of its cash on hand in 1978 and 1980; 2 U.S.C. § 441a(f) by receiving a contribution

in excess of limitations set forth by 2 U.S.C. § 441a(a); and 2 U.S.C. § 434 by failing to disclose receipts and expenditures for administrative costs in its 1980 reports.

The Commission and the Committee had been engaged in informal conciliation from November 13, 1980 to July 19, 1981, at which time the Commission suspended the conciliation proceedings until the audit results were available. The audit was completed on January 15, 1982. <sup>2/</sup> The Audit Division forwarded a report to this office on March 4, 1982.

This report will analyze the information obtained from the audit regarding the Committee's general financial activities. This report will also discuss information relating to previous reason to believe findings, and will recommend additional reason to believe findings.

## **II. Overview: the Committee's General Financial Activities**

The most notable fact evidenced by the audit is that the Committee is primarily a state and local committee. The audit work papers show that the Committee's financial activities focused on non-federal party elections. In fact, the Committee never made a direct contribution to any federal candidate. The Committee did however pay for billboards and get-out-the-vote

---

<sup>2/</sup> The audit was initially scheduled for early November, however, due to problems of coordination with Committee personnel, the audit had to be rescheduled for December 7, 1981. Moreover, due to further problems of coordination with the Committee, the audit was temporarily suspended from December 14 through January 4, 1982.

activities which indirectly supported certain federal candidates whose names appeared on the billboards or ballots. The Committee was therefore required to allocate to federal elections a weighted portion of these expenditures.

The audit disclosed that the Committee had an aggregate of eight accounts 3/ during the audit period; however, expenditures for federal elections were only made from three of these accounts. 4/ Attached for the Commission's reference is a flow chart illustrating the relationship of these accounts (see Attachment 1).

The total amount expended for federal elections only constituted a small percentage of the Committee's activities. The audit work papers show that from January, 1978 through December, 1981 (hereinafter referred to as the "audit period") 5/ an aggregate of \$52,251.04 was attributable to federal election

---

3/ The Committee had four "Election" accounts, one "Regular" account, and three "Office" accounts. The label "Election" does not necessary refer to an account established for federal elections. This is evident from the fact that certain "Election" accounts were very active in 1979 and 1981 when no expenditures were made for federal elections.

4/ These three accounts were not all active simultaneously. Also, all three accounts were with the same bank. The Committee drew from the Election 1 account in 1978; the Election 2 account in 1980; and the Regular account in 1978 and 1980. The numerics assigned to these accounts are by this office for reference purposes.

5/ All figures and comments relate to the audit period unless otherwise specified.

13040363381

activities, whereas the aggregate amount expended was \$385,009.68. Thus, the amount of the expenditures attributable to federal elections comprise 13.6% 6/ of the Committee's total financial activity. Also, certain federal candidates reimbursed the Committee for expenditures made on their behalf.

Specifically, the principal campaign committee of Congressman Robert A. Roe, repaid the Committee \$10,780.00. Likewise, the Carter-Mondale Re-Election Committee, Inc. repaid the Committee \$1,436.33. The balance of contributions received from federally registered committees was \$2,127.00. 7/

The Committee received an aggregate of \$405,010.00 in all eight of its accounts. Of this amount, \$50,755.00 were verified as corporate contributions; 8/ \$4,870.00 were contributions from labor organizations and local government groups; and \$55,868.01 were contributions from unregistered committees. 9/ As noted,

---

6/ Additionally, this percentage results after using an allocation formula (approved by the Commission in AO 1976-72) which applies proportionately more weight to federal candidates.

7/ These contributions are as follows: \$1,300.00 and \$700.00 from the Women's Division of the Passaic County Democratic Club on October 4, 1978 and October 23, 1979, respectively; and \$127.00 from the New Jersey Democratic State Committee, Federal Election Account, on October 8, 1980.

8/ The Office of General Counsel sent to the New Jersey State Corporate Division a list of all contributing entities in the Committee's ledger which might have been incorporated. The "corporate contributions" referred to in this report are the contributions from those entities the Corporate Division has documented as incorporated.

9/ New Jersey election law permits the receipt and use of all of these contributions for its elections.

13740363389

the Committee only received \$14,370.33 from federally registered committees, of which \$12,216.33 were reimbursed. Thus, the audit work papers demonstrate that the Committee's primary concern was non-federal elections. 10/

### III. Previous Reason to Believe Findings

#### A. Use of Impermissible Funds in connection with Federal Elections

On February 8, 1980, the Commission found reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 433, 11 C.F.R. § 102.6 and 2 U.S.C. § 441b by transferring monies from an account containing corporate contributions to an account from which expenditures for federal elections were made.

2 U.S.C. § 441b(a) prohibits political committees from accepting and using contributions from corporations and labor organizations in connection with federal elections. In order to ensure that political committees do not commingle these prohibited monies with funds permitted for use in federal elections -- especially in states which permit the use of corporate and labor contributions for state and local elections -

---

10/ It should also be noted that had the Committee been knowledgeable of federal election laws and established separate federal and non-federal accounts in accordance with 11 C.F.R. § 102.6, the Committee lawfully could have used corporate and labor contributions to finance those expenditures allocated to state and local candidates in connection with its partisan and get-out-the-vote drives pursuant to AO 1978-10. These drives comprised a good portion of the Committee's activities.

- the Commission's regulations at 11 C.F.R. § 102.6 set forth specific requirements for establishing and maintaining accounts. Namely, this provision states that political committees which finance activities in connection with both federal and non-federal elections shall either establish a separate Federal campaign committee which shall register as a political committee; or establish a single committee with a single account to make contributions to Federal and non-Federal candidates, but only if all contributions received are permissible under the Act.

The Committee failed to comply with either option. Rather, the Committee made expenditures for both federal and non-federal election activities from several accounts which contained monies not permissible under the Act.

The Committee made expenditures for federal and non-federal primary elections in 1978 and 1980 from its Regular Account. This account received \$4,745.00 from corporations and \$100.00 from labor organizations in 1978; and \$2,020.00 from corporations and \$1,300.00 from labor organizations in 1980. The Committee made expenditures for federal and non-federal general election activities from its Election 1 account in 1978, and from its Election 2 account in 1980. Although no prohibited contributions

13740363389

were directly deposited in these Election accounts, the Committee made the following transfers from its Regular Account. 11/

<u>FROM</u>	<u>TO</u>	<u>AMOUNT</u>	<u>DATE OF TRANSFER</u>
Regular	Election 1	<u>\$19,700.00</u>	11/01/78
	Total	\$19,700.00	
Regular	Election 2	\$ 4,000.00	09/10/80
		\$ 8,830.00	10/27/80
		\$ 2,000.00	10/30/80
		<u>\$ 1,900.00</u>	11/12/80
	Total	\$16,730.00	

Inasmuch as the Committee failed to establish and maintain accounts as prescribed by 11 C.F.R. § 102.6, the audit confirms that the Committee violated 11 C.F.R. § 102.6(b) and 2 U.S.C. § 441b by depositing and transferring contributions from corporations and labor organizations into its accounts used to finance federal and non-federal election activities.

**B. Failure to Disclose Cash on Hand**

On July 14, 1981, the Commission found reason to believe that the Committee violated 2 U.S.C. § 434 and 11 C.F.R.

---

11/ The Committee also made other inter-account transfers, however, these transfers were to accounts not involved in financing federal election activities.

§ 104.12 12/ by failing to disclose the source of its cash on hand in 1978 and 1980. The Committee reported a balance of \$2,692.00 as its cash on hand upon registering in 1978. The Committee failed to adequately disclose the origin of this opening balance in its reports. The audit revealed that the cash on hand as of July 1, 1978 consisted of the following:

<u>Amount</u>	<u>Source</u>
\$ 450.00	From individuals
1,500.00	From a registered committee
199.48	Reimbursement
90.76	Residual balance of a 1977 account
<u>451.76</u>	From an unregistered political organization
\$2,692.00 <u>13/</u>	TOTAL

The Committee also failed to adequately disclose the source of its cash on hand upon registering in 1980. 14/ When questioned

---

12/ Formerly 11 C.F.R. § 104.10. This provision requires political committees which have cash on hand at the time of registration to disclose in their reports the source of the cash on hand at registration. The cash on hand balance is assumed to be comprised of those contributions most recently received by the Committee. Further, any contributions not permissible under the Act shall be excluded from funds to be used for Federal elections.

13/ The audit report suggests that the reimbursement, the residual balance of the 1977 account, and the contribution from the unregistered political organization possibly contained funds prohibited by 2 U.S.C. § 441b.

14/ The Committee terminated its 1978 account on November 20, 1978, and registered another account on August 20, 1980.

about the origin of its \$1,619.57 beginning balance, the Committee explained that this amount was the residual of its 1979 Election account which was transferred to the 1980 Election account. Inasmuch as the last deposit into its 1979 Election account was a \$23,000.00 transfer from its Regular Account which contained corporate and labor monies, the 1980 cash on hand apparently contained funds prohibited by 2 U.S.C. § 441b. Therefore, the Office of General Counsel recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 104.12 by including monies from corporations and labor organizations within its cash on hand in 1978 and 1980.

#### C. Receipt of Excessive Contribution

On July 14, 1981, the Commission found reason to believe that the Committee violated 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a). <sup>15/</sup> The Commission based this finding on a report which disclosed a \$12,000.00 loan from the Jefferson National Bank on October 17, 1980, which was endorsed by Robert Angele. Since the Committee's reports only disclosed one person as the endorser, it appeared that the entire amount of the loan may have been a contribution from Mr. Angele.

---

<sup>15/</sup> 2 U.S.C. § 441a(a)(1)(C) prohibits individuals from contributing in excess of \$5,000.00 per calendar year to state party committees. 2 U.S.C. § 441a(f) prohibits committees from receiving contributions in excess of the limitations set forth by 2 U.S.C. § 441a(a).

13740363387

The audit disclosed that the loan was in fact endorsed by Mr. Robert Angele and his wife, Lucy Angele. 16/ The loan was deposited in the Committee's Election 2 account.

11 C.F.R. § 100.7(a)(1)(i)(C) states that a loan is a contribution by each endorser or guarantor, and that each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable. 17/ Accordingly, this loan constitutes a \$6,000.00 contribution from each of the Angeles. Each of these contributions exceeds lawful contribution limitations by \$1,000.00. 18/ The audit therefore confirms this reason to believe finding, however, the audit also reveals that the Committee accepted not one, but rather two excessive contributions.

---

16/ It remains unclear to whom the loan check was made payable, however, bank records show that the loan and interest (\$12,312.00) were repaid by a February 10, 1981 check drawn on the Committee's Election 3 account.

17/ Moreover, (former) 11 C.F.R. § 102.6 sets forth that all contributions deposited into an account from which both federal and non-federal expenditures are made are subject to the contribution limitations of the act regardless of whether such contributions are for use in connection with federal or non-federal elections. Thus, the loan, regardless of whether the Angeles intended it to finance non-federal elections, is subject to the Act's contribution limitations.

18/ The audit report notes that the Audit Division's review of receipts records for the period audited revealed no other contributions from either Robert or Lucy Angele.

**D. Failure to Report Administrative Costs in 1980**

On July 14, 1981, the Commission found reason to believe that the Committee violated 2 U.S.C. § 434 by failing to disclose and allocate expenditures for administrative costs for federal activities in 1980. <sup>19/</sup> The Committee's reports show that the Committee paid \$694.77 in administrative expenses from its Election accounts in 1980 and 1981. The Committee paid \$19,166.60 for administrative expenses from its non-federal accounts in 1980-1981. The auditors have calculated, according to various allocation methods approved by the Commission, that the amount that should have been allocated to federal administrative costs was at least \$7,964.41. The audit therefore confirms the Commission's previous finding regarding this issue.

**IV. Additional Recommended Findings: Failure to Register Timely and Failure to Report Receipts and Disbursements**

2 U.S.C. § 433 requires that committees which receive contributions or make expenditures in connection with federal elections exceeding \$1,000.00 in a calendar year must register with the Commission 10 days after such receipts or expenditures. 2 U.S.C. § 434 requires these political committees to file reports with the Commission.

---

<sup>19/</sup> These expenses were drawn from the Regular Account.

23040353390

The Committee initially registered with the Commission on July 10, 1978, and reported the activity of its Election 1 and Regular accounts from July 1, 1978 until its termination on November 30, 1978. However, the audit disclosed that the Committee made expenditures for federal and non-federal primary election expenses aggregating \$8,160.00 in June, 1978. Since the primary ballot contained two federal Democratic candidates, the expenditures attributable to federal elections exceeded \$1,000.00. These expenditures were not included in their reports. The Committee therefore should have registered ten days after making these expenditures, and should also have reported these expenditures.

The Committee re-registered with the Commission on August 20, 1980, and reported its Election 2 account from July 1 through December 31, 1980. However, the audit revealed that the Committee expended at least \$13,150.00 on May 30 and 31, 1980 for 1980 primary election expenses from its Regular account. The 1980 ballot contained four federal Democratic candidates as well as other non-federal candidates. Proper allocation of these expenditures would trigger the Committee's obligation to register 10 days after making these expenditures. Additionally, the Committee should have reported these expenditures and should have reported the financial activity of both accounts.

The Office of General Counsel therefore recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 433 by failing to timely register in 1978 and 1980, and 2 U.S.C. § 434 by failing to report receipts and disbursements in 1978 and 1980.

The Committee made no expenditures in connection with federal elections in 1979 or 1981. The Committee nevertheless reported receipts and disbursements of three accounts in 1981. The Committee reported all activity from two of these accounts, but only part of one account. (See Attachment 1). However, it is important to point out that the Committee had originally planned to terminate after the elections in 1980, as it did in 1978. The Committee nevertheless has continued in good faith to file reports with the Commission despite the absence of federal activity. The Committee would have terminated but for this investigation. No recommendation is made regarding the Committee's 1981 reports in light of these circumstances.

**V. Procedural Recommendations Made to Committee's Treasurer**

Following consultation with this office, the auditors held an exit conference with the Committee's Treasurer Edward S. Hochman to summarize the audit findings and make procedural recommendations for future activities to prevent any recurrence of the matters noted during this audit.

13040363391

Specifically, the auditors suggested that the Committee establish a new committee, with a new bank account, entitled in such a manner so as to not be confused with the present committee. This will enable the Committee to get involved in the 1982 Federal elections without expending monies from the existent accounts which contain monies prohibited by the Act. The auditors informed Mr. Hochman that funds contained in the present accounts should not be transferred into the new account.

In addition, the auditors informed Mr. Hochman of the requirements related to raising contributions for the Federal account, as well as the prohibitions and limitations on such contributions including the requirements concerning the allocation of administrative expenses. The auditors further advised the Committee that it should continue reporting until the issues addressed in this matter are resolved.

#### VI. Recommendations

Based on the discussion presented above, the Office of General Counsel recommends that the Commission:

- 1) Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 104.12 by including monies from corporations and labor organizations within its cash on hand in 1978 and 1980;

33040363392

2) Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 433 by failing to register timely in 1978 and 1980;

3) Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 434 by failing to report receipts and disbursements in 1978 and 1980;

MEMORANDUM

TO: CHARLES N. STEELE  
GENERAL COUNSEL

THROUGH: B. ALLEN CLUTTER *MAC*  
STAFF DIRECTOR

FROM: BOB COSTA *R/C*

SUBJECT: "AUDIT OF PASSAIC COUNTY  
DEMOCRATIC COMMITTEE

I. Background

Attached for your information are the findings of our audit of the Passaic County Democratic Committee ("PCDC"). On July 14, 1981, the Commission approved the Audit Division's recommendation that "an audit be conducted in order to obtain compliance with the Act, to correct and clarify the public record, and possibly to expedite the resolution of the matters contained in MUR 1047."

The audit was conducted in accordance with Section 437g(a)(2) of Title 2 of the United States Code which provides that when the Commission determines, by an affirmative vote of 4 of its members, that it has reason to believe that a person has committed a violation of the Federal Election Campaign Act of 1971 as amended ("the Act"), the Commission shall make an investigation of such alleged violation, which may include an audit.

The principal officers of the PCDC during the period covered by the audit were Peter J. Cammarano, Treasurer, from July, 1978 to June, 1981 and Edward S. Hochman, Treasurer, from June, 1981 through the present. The PCDC is now located in Clifton, New Jersey.

## II. Overview

The PCDC registered with the Federal Election Commission ("FEC") on July 10, 1978 and filed reports covering activity from July 1, 1978 until its termination on November 20, 1978. During this period the PCDC reported an opening cash balance of \$2,692, total receipts of \$47,155, total expenditures of \$44,964.68, and a closing cash balance of \$4,882.32.

The PCDC again registered with the FEC on August 20, 1980 and filed reports covering activity from July 1, 1980 through July 15, 1981, the final coverage date of the most recent report filed at the time of the audit. During this period the PCDC reported an opening cash balance of \$1,619.51, total receipts of \$50,920.14, total expenditures of \$51,522.96, and a closing cash balance of \$1,016.69.

Although the audit covered the periods which the PCDC reported to the Commission, as discussed above, certain records were reviewed from January 1, 1978 through December 31, 1981. During this period, the Committee maintained the following checking accounts:

<u>Account</u>	<u>Period Open</u>	<u>Apparent Purpose</u>
1. Regular/10-1620-5 1/	1/1/78-6/16/81	To receive contributions and transfers, make administrative and primary election expenditures, as well as transfers to other PCDC accounts.  Activity from 7/1/78 -11/20/78 was reported to FEC.
2. Election/18-3584-1 1/	1/1/78 -6/19/79	To receive contributions and transfers, make election day and general election media expenditures, as well as transfers to other PCDC accounts.  Activity from 7/1/78-11/20/78 was reported to FEC.

<u>Account</u>	<u>Period Open</u>	<u>Apparent Purpose</u>
3. Election/10-4434-5	6/19/79 -6/16/81	Same as 2. except activity from 7/1/80-6/16/81 was reported to FEC.
4. Election/7203383	2/6/81 -6/23/81	Same as 2. except activity from 2/6/81-6/23/81 was <u>partially</u> reported to FEC. <u>2/</u>
5. Election/19-2212-8	6/16/81 -12/31/81 <u>3/</u>	Same as 2. except all activity for the period of audit was reported to FEC.
6. Office/14-3632-2	5/5/80 -3/10/81	To receive contributions and transfers, make general office expenditures, as well as transfers to other PCDC accounts. The activity in this account was not reported to the FEC.

8. Office/19-2207-2	6/16/81 -12/31/81 <u>3/</u>	Same as 6.

See Flowchart at Attachment 1.

The matters noted in findings A, C, D, and E correspond to those matters addressed in MUR 1047. In addition, Findings B and F contain other matters noted during the audit which may warrant inclusion in this MUR.

Should you have any questions, please contact Charlie Hanshaw or Tom Nurthen at extension 3-4155.

- 
- 1/ Account was opened prior to 1/1/78.
  - 2/ See Finding B.
  - 3/ Account remained open subsequent to 12/31/81.

### III. Summary of Findings

#### A. Acceptance of Prohibited Contributions

Section 441b(a) of Title 2, United States Code prohibits any corporation or labor organization from making a contribution in connection with any federal election and prohibits any person from knowingly accepting such a contribution.

Section 102.5(a)(1)(i) and (ii) of Title 11 of the Code of Federal Regulations (former 11 C.F.R. Section 102.6) 4/ requires that each party committee which finances political activity in connection with activity in both federal and non-federal elections shall either: (i) Establish a separate federal account which shall be treated as a separate federal committee and only funds subject to the prohibitions and limitations of the Act shall be deposited in this account. All disbursements in connection with federal activity shall be made from this account and no transfers may be made to such federal account from an account maintained for the purpose of financing activity in connection with non-federal elections, or (ii) Establish a political committee which shall receive only contributions subject to the prohibitions and limitations of the Act, regardless of whether such contributions are for use in connection with federal or non-federal elections.

1. During a review of the receipts records (1/1/78 through 12/31/81), it was determined that the PCDC accepted the following apparent prohibited contributions:

<u>Source</u>	<u>Number of Items</u>	<u>Dollar Amount</u>
Business Entities	205	\$34,070.00
Labor Organizations	11	2,140.00
Unregistered Political Organizations	110	49,514.21
Total	<u>326</u>	<u>\$85,724.21</u>

4/ The term "former" when used in conjunction with a regulation refers to the Commission's regulations in effect prior to the revision made as a result of the 1979 Amendments to the Act (Pub. L. No. 96-187).

With respect to the contributions received from the above business entities, it should be noted that the receipts journal maintained by the PCDC documented 30 of the above contributions totaling \$2,760 as being received from corporations. 5/

It should also be noted that included in the above totals are the following contributions accepted by the PCDC prior to its reporting with the FEC (1/1/78-6/30/78) in 1978 and subsequent to its termination (11/21/78-6/30/80). 6/

<u>Source</u>	<u>Number of Items</u>	<u>Dollar Amount</u>
Business Entities	142	\$20,680.00
Labor Organizations	8	1,500.00
Unregistered	69	32,294.21
Political Organizations	_____	_____
Total	<u>219</u>	<u>\$54,474.21</u>

As requested, workpapers identifying the above entities have been provided to your office for verification purposes, hence, no attempt to verify the status of the above business entities will be undertaken by the Audit Division.

2. Receipt of Transfers from Non-Federal Accounts

During the period subsequent to the PCDC registration with the FEC in August 1980, it received 7 transfers totaling \$27,132.27. 7/ The transfers were made from accounts (non-Federal, non-reporting) maintained by the PCDC.

- 5/ According to PCDC officials, if the contributor's check contained the notation Corp. or Inc., that information was recorded in the receipts journal.
- 6/ The PCDC registered on August 20, 1980 and filed reports commencing July 1, 1980.
- 7/ \$1,147 of this amount was transferred back to the non-Federal account from which it emanated. Further, \$16,730 of these transfers are addressed in MUR 1047.

The accounts from which the transfers emanated contained contributions from business entities, labor organizations, and unregistered political organizations.

Based on the above it is our opinion that the PCDC violated 11 C.F.R. 102.5 (former 11 C.F.R. 102.6), and potentially 2 U.S.C. 441b(a), since it transferred funds from its non-Federal accounts to the Federal accounts and it is apparent that the accounts from which the transfers were made contained funds prohibited by the Act for use in Federal elections.

As addressed in MUR 1047, the Committee effected an inter-account transfer on 11/1/78 in the amount of \$19,700. However, at that time the PCDC maintained two checking accounts and reported the activity from both accounts in its FEC reports. The \$19,700 was not disclosed by the PCDC since the funds flowed from one PCDC account to another PCDC account and as such represents a non-reportable transaction. Therefore, it is our opinion that no violation of former 11 C.F.R. 102.6 occurred with respect to this transfer of funds, since the activity of the account which funded this transfer was reported to the FEC.

It was also noted that the PCDC made another inter-account transfer on 11/1/79 in the amount of \$23,000. However, at the time the transfer occurred, the PCDC was not a registered political committee nor did it conduct any federal activity from these accounts. Therefore, it is our opinion that no violation occurred with respect to the making of this transfer.

B. Misstatement of Reported Receipts and Disbursements

Sections 434(b)(2) and (4) of Title 2 of the United States Code (former 2 U.S.C. 434(b)(8) and (11)) require the disclosure of the total amount of all receipts and disbursements by a political committee.

Section 102.5(a)(1)(i) and (ii) of Title 11 of the Code of Federal Regulations (former 11 C.F.R. Section 102.6) requires that each party committee which finances political activity in connection with activity in both federal and non-federal elections shall either: (i) Establish a separate federal account which shall be treated as a separate federal committee and only funds subject to the prohibitions and limitations of the Act shall be deposited in this account. All disbursements in connection with federal activity shall be made from this account and no transfers may be made to such federal account from an account maintained for the purpose of financing activity in connection with non-federal elections, or (ii) Establish a political committee which shall receive only contributions subject to the prohibitions and limitations of the Act, regardless of whether such contributions are for use in connection with federal or non-federal elections.

The Audit staff determined through the reconciliation of the PCDC bank accounts to its disclosure reports that total reported receipts and disbursements were understated by \$33,045.46 and \$31,063.35 respectively. This misstatement occurred primarily as a result of the PCDC's failure to disclose the following:

	<u>Receipts</u>	<u>Disbursements</u>
1978		\$ 875.00
1980	\$ 2,000.00	2,000.00
1981	<u>31,145.46</u>	<u>28,420.79</u>
	<u>\$33,145.46</u>	<u>\$31,295.79</u>

The PCDC's accountant stated that the unreported receipts and disbursements for 1981 noted above were not disclosed since there was no Federal activity during that period, and that the PCDC remained active only because the matters under review by the Office of General Counsel had not been resolved. The majority of the unreported receipt and expenditure activity in 1981 occurred in account #7203383 (for a description of this account see page 3 of this report). No comment was made with respect to the other misstatements.

The Audit staff concurs with the accountant that there was no Federal activity during 1981. However, it is our opinion that since the PCDC elected to disclose both Federal and non-Federal activity for 1981 up to this time, they should have continued to disclose the activity while the PCDC was reporting with the Commission.

C. Disclosure of Cash on Hand

Section 104.12 of Title 11, Code of Federal Regulations (former 11 C.F.R. Section 104.10) requires political committees which have cash on hand at the time of registration to disclose in their reports the source of the cash on hand at registration. The cash on hand balance is assumed to be comprised of those contributions most recently received by the Committee. Further, any contributions not permissible under the Act shall be excluded from funds to be used for Federal elections.

1. 1978 Cash on Hand

The PCDC reported cash on hand at inception (7/1/78) of \$2,692, but no explanation as to the source of funds was provided. When contacted by the FEC's Reports Analysis Division concerning this omission, the PCDC responded that the opening cash "represented the balance in the general account used to maintain the running of the office. Most of these funds had been collected from sustaining memberships."

The auditors reviewed the bank records from 1/1/78 through 6/30/78 for the two accounts reported by the PCDC. The staff determined that the source of the contributions making up cash on hand as of 7/1/78 consisted of the following:

<u>Amount</u>	<u>Source</u>
\$ 450.00	From individuals
1,500.00	From a registered committee
199.48	Reimbursement 9/
90.76	Residual balance of a 1977 account 9/
<u>451.76</u> 8/	From an unregistered political organization 9/
<u>\$2,692.00</u>	

Furthermore, it should be noted that during the period January 1, 1978 through June 30, 1978, the PCDC received and deposited contributions from unregistered political organizations, labor organizations, and business entities (see Finding A).

2. 1980 Cash on Hand

The PCDC reported cash on hand at inception (7/1/80) of \$1,619.51 and stated that this amount "represents the balance in the 1979 Election account that was transferred to the 1980 Election account."

8/ The actual amount of this receipt was \$750. Since this receipt was the oldest (received prior to other above listed receipts) only \$451.76 was included in order to derive the reported cash on hand amount.

9/ The above categories could possibly contain funds from prohibited sources.

As previously noted, the PCDC terminated reporting to the Commission on November 20, 1978, and subsequently registered again on August 20, 1980. At that time (1980 Committee), the PCDC reported activity from only one account (10-4434-5). In determining the source of the cash on hand reported as of July 1, 1980 (\$1,619.51), the Audit staff noted the last deposit made prior to its registration was in the amount of \$23,000. This deposit consisted of funds transferred from another account (10-1620-5) maintained by PCDC.

It should be noted that the account from which the transfer was made (10-1620-5) contained monies received from unregistered political organizations, labor organizations, and business entities.

The Audit staff is of the opinion that the (reported) cash on hand at the time the PCDC registered in 1978 and 1980 was composed of funds prohibited under the Act.

D. Contributions In Excess of Limitations

Sections 441a(a)(1)(C) and 441a(f) of Title 2 of the United States Code state, in part, that no person shall make contributions to any other political committee in any calendar year which, in the aggregate, exceed \$5,000 and no political committee shall knowingly accept any contribution in violation of this section.

Section 431(8)(A)(i) of Title 2 of the United States Code states, in part, that the term "contribution" includes any loan made by any person for the purpose of influencing any election for Federal office.

The PCDC disclosed a \$12,000 loan on Schedules A and C as being received from a bank on October 17, 1980 and subsequently repaid on February 18, 1981. The PCDC also reported the loan as being co-signed by one individual (Robert Angele). The Audit staff's review of the loan documentation revealed that the loan had actually been made by the bank directly to Mr. and Mrs. Robert Angele and was secured with their certificate of deposit valued at \$100,000.

The Audit staff's review of receipts records for the period audited revealed that Mr. and Mrs. Angele had made no other contributions to the PCDC.

A former PCDC official stated that there was a need for the money and that Mr. Angele, a county committeeman, offered to obtain the loan.

It is our opinion that the loan, during the period outstanding, constituted contributions from both Mr. and Mrs. Angele, each totaling \$6,000, which exceed the limitation at 2 U.S.C. 441a(a) (1) (C).

E. Allocation of Administrative Costs

Section 106.1(e) of Title 11 of the Code of Federal Regulations states, in part, that party committees and other political committees which have established Federal campaign committees pursuant to 11 C.F.R. 102.5 (former 11 C.F.R. 102.6) shall allocate administrative expenses on a reasonable basis between their Federal and non-Federal accounts in proportion to the amount of funds expended on Federal and non-Federal elections, or on another reasonable basis.

1. 1978 Administrative Expenses

The PCDC included in its FEC reports all receipts and expenditures with respect to its Federal and non-Federal activities. Therefore, it is our opinion that allocation of administrative expenses is not required.

2. 1980 and 1981 Administrative Expenses

During the period that the PCDC reported its 1980 and 1981 activities (7/1/80-7/15/81), administrative expenses totaling \$694.77 were paid from the Election accounts (Federal) and included in its FEC reports. However, administrative expenses of \$19,166.60 were paid from the Office accounts (non-Federal), hence, this activity was not included in its FEC reports.

Should the Office of General Counsel deem that, due to the interwoven structure of the bank accounts, the activity from all accounts (both Federal and non-Federal) is required to be reported to the Commission in an amended report, administrative expenses paid from these accounts would not require allocation. However, absent such a determination, the PCDC should determine on a reasonable basis, the amount of administrative expenses allocable to the Federal accounts, and provide work sheets including formulas detailing the allocation. The PCDC should, if necessary, reimburse the non-Federal accounts for the appropriate amount and provide evidence of the reimbursement.

AA-2  
page 11

The Audit Division has copies of disbursements journals detailing expenditures made from each bank account which can be used to determine the reasonableness of any allocation that is made by the PCDC.

F. Registration and Reporting In A Timely Manner

Section 433(a) of Title 2 of the United States Code requires committees which are not authorized committees or separate segregated funds to file a statement of organization within 10 days after becoming a political committee.

Section 434(a) requires each treasurer of a political committee to file reports in accordance with the provisions of this subsection.

1. 1978 Registration/Reporting

The PCDC registered as a political committee on July 10, 1978 and filed reports of receipts and expenditures for the period July 1, 1978 through November 20, 1978, at which time it filed a termination report.

The Audit staff's review of activity prior to registration revealed that at least \$8,160 was expended prior to July 1, 1978 for a telephone deposit and election day monies made in conjunction with the 1978 Primary Election. The ballot contained two Congressional seats as well as non-Federal seats for nomination. These expenditures were not included in reports filed with the Commission.

2. 1980 Registration/Reporting

The PCDC registered as a political committee on August 20, 1980. The initial report filed presented activity beginning on July 1, 1980.

At least \$13,150 was disbursed on May 30 and 31, 1980 for street monies in conjunction with the primary election. The 1980 ballot contained four Federal seats for re-election in addition to the non-Federal seats.

The PCDC officials stated that New Jersey law prohibits the support of candidates in the primary election. Therefore, they felt that the activity was not required to be reported to the Commission.

Att. 2  
page 12

With respect to both the 1978 and 1980 activity, it appears that the PCDC was involved in getting out the vote for the entire Democratic ticket, rather than supporting clearly identified candidates. Since the ballots contained both Federal and non-Federal offices for nomination, the Audit staff applied a formula which proportionately weighs such offices. The application of the formula, when applied to the get-out-the-vote activity in 1978 and 1980, indicates that the portion of the expenditures allocable to Federal offices exceeds the threshold amount (\$1,000) in 2 U.S.C. 431 for determining whether a committee meets the definition of a political committee. Therefore, it is our opinion that this activity (1978 - \$8,160, 1980 - \$13,150) should have been included in the PCDC's reports.

G. Procedural Recommendations Made to PCDC Treasurer

Following consultation with your office, an exit conference was held with PCDC Treasurer Edward S. Hochman to summarize the audit findings and make procedural recommendations for future activities to prevent any recurrence of the matters noted during this audit.

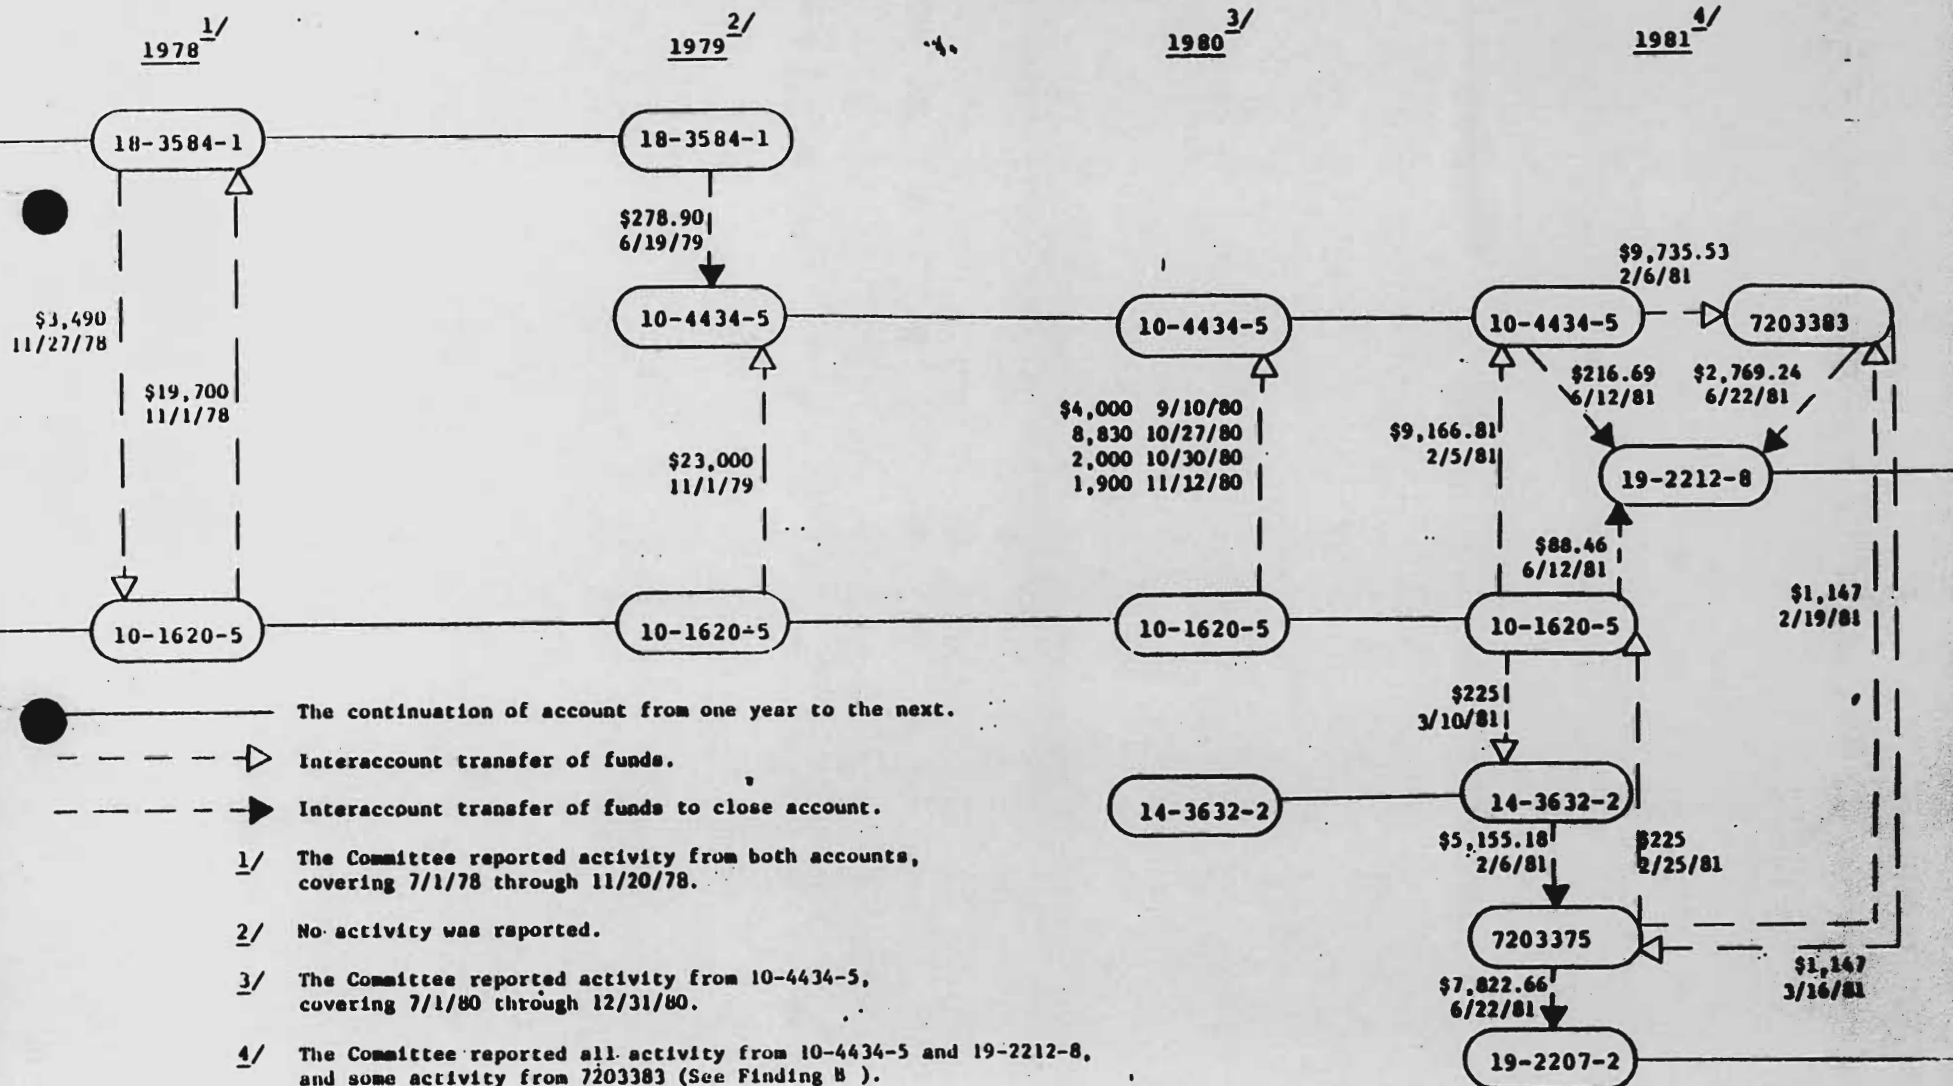

Specifically, we suggested that the PCDC establish a new committee, with a new bank account, entitled in such a manner so as to not be confused with the present committee. This will enable the PCDC to get involved in the 1982 Federal elections without expending monies which are prohibited by the Act. We informed Mr. Hochman that funds contained in the present accounts should not be transferred into the new PCDC committee.

In addition, we informed Mr. Hochman of the requirements related to raising contributions for the Federal account, as well as the prohibitions and limitations on such contributions.

We further advised Mr. Hochman of the requirements concerning the allocation of administrative expenses and suggested various methods which the PCDC should consider when allocating such expenses, and that the present PCDC should continue reporting until the matters addressed in MUR 1047 are resolved.

Re: MUR 1047  
Passaic County Democratic  
Committee

Dear Mr. Geaney:

On August 6, 1981, the Federal Election Commission informed you that it had voted to audit your client, the Passaic County Democratic Committee (the "Committee") pursuant to 2 U.S.C. § 437g(a)(2). By that date, the Commission had found reason to believe that the Passaic County Democratic Committee had violated 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) (presently 11 C.F.R. § 102.5(a)) by transferring funds from a non-federal account which contained corporate monies to its federal account; 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose the source of cash on hand; 2 U.S.C. § 434 by failing to disclose administrative costs in its 1980 reports; and 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a).

Although conciliation proceedings were in progress, the Commission suspended the negotiations until the results from the audit were available.

The audit was completed on January 15, 1982. The audit, however, revealed information which supported additional

Letter to John F. Geaney

findings. Specifically, on May , 1982, the Commission found reason to believe that your committee violated 2 U.S.C. § 433 by failing to register timely and 2 U.S.C. § 434 by failing to report receipts and disbursements in 1978 and 1980.

The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you.

The Commission also reminds you that the investigation being conducted is confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

If you have any questions, please contact Carolyn Weeder, the staff member assigned to this matter at (202) 523-4060.

**SUMMARY OF ALLEGATIONS**

On July 14, 1981, the Commission voted to audit the Passaic County Democratic Committee (the "Committee") pursuant to 2 U.S.C. § 437g. Prior to the audit, the Commission had found reason to believe that the Committee had violated certain provisions of the Federal Election Campaign Act of 1971, as amended (the "Act"). Specifically, on February 8, 1980, the Commission had found reason to believe that the Committee violated 2 U.S.C. § 433, 11 C.F.R. § 102.6(b) \*/ and 2 U.S.C. § 441b(a) by transferring funds from accounts established for non-federal elections which contained corporate monies to its account designated for federal election activities. Additionally, on July 14, 1981, the Commission found reason to

believe that the Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose the source of its cash on hand in 1978 and 1980; 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a); and 2 U.S.C. § 434 by failing to disclose receipts and expenditures for administrative costs in its 1980 reports.

The Commission and the Committee had been engaged in informal conciliation from November 13, 1980 to July 19, 1981, at which time the Commission suspended the conciliation proceedings until the audit results were available. The audit was completed on January 15, 1982. Based on the audit the Office of General Counsel recommends that the Commission make the following new findings.

#### FACTUAL BASIS AND LEGAL ANALYSIS

2 U.S.C. § 433 requires that committees which receive contributions or make expenditures in connection with federal elections exceeding \$1,000.00 in a calendar year must register with the Commission 10 days after such receipts or expenditures. 2 U.S.C. § 434 requires these political committees to file reports with the Commission.

The Committee initially registered with the Commission on July 10, 1978, and reported the activity of its Election 1 and Regular accounts from July 1, 1978 until its termination on November 30, 1978. However, the audit disclosed that the Committee made expenditures for federal and non-federal primary

election expenses aggregating \$8,160.00 in June, 1978. Since the primary ballot contained two federal Democratic candidates, the expenditures attributable to federal elections exceeded \$1,000.00. These expenditures were not included in their reports. The Committee therefore should have registered ten days after making these expenditures, and should also have reported these expenditures.

3 3 7 4 0 3 6 3 4 1 3  
The Committee re-registered with the Commission on August 20, 1980, and reported its Election 2 account from July 1 through December 31, 1980. However, the audit revealed that the Committee expended at least \$13,150.00 on May 30 and 31, 1980 for 1980 primary election expenses from its Regular account. The 1980 ballot contained four federal Democratic candidates as well as other non-federal candidates. Proper allocation of these expenditures would trigger the Committee's obligation to register 10 days after making these expenditures. Additionally, the Committee should have reported these expenditures and should have reported the financial activity of both accounts.

The Office of General Counsel therefore recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 433 by failing to timely register in 1978 and 1980, 2 U.S.C. § 434 by failing to report receipts and disbursements in 1978 and 1980.

33040363114

The Committee also failed to adequately disclose the source of its cash on hand upon registering in 1980. When questioned about the origin of its \$1,619.57 beginning balance, the Committee explained that this amount was the residual of its 1979 Election account which was transferred to the 1980 Election account. Inasmuch as the last deposit into its 1979 Election account was a \$23,000.00 transfer from its Regular Account which contained corporate and labor monies, the 1980 cash on hand more likely than not contained funds prohibited by 2 U.S.C. § 441b. Therefore, the Office of General Counsel also recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 104.12 by including monies from corporations and labor organizations within its cash on hand in 1978 and 1980.

#### RECOMMENDATIONS

- 1) Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 433 by failing to timely register in 1978 and 1980.
- 2) Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 434 by failing to report receipts and disbursements in 1978 and 1980.

3) Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 104.12 by including monies from corporations and labor organizations within its cash on hand in 1978 and 1980.

Dear Ms. Weeder:

General Counsel Steele's letter of August 6, 1981, with attached copy of analysis was received by me through our attorney, John Geaney, Esq.

I was recently elected as County Chairman, and I am therefore unfamiliar with the allegations contained therein. I am, however, certain that any violations of the Federal statutes were unintentional and at most were caused by ignorance of the law. As an attorney, I realize that this is no excuse.

Please remember that any sanction imposed at this time will penalize those who had no input at the time of the alleged violation.

Although we do not welcome an audit because of the expenditure of time that will be involved, we will of course cooperate with your examination of our records.

Sincerely,

*Pat Di Ianni*

Re: MUR 1047  
Passaic County Democratic  
Committee

Dear Mr. Geaney:

On February 8, 1980, the Federal Election Commission found reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b and 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) (presently 11 C.F.R. § 102.5(a)) by transferring funds from a non-federal account which contained corporate monies to its federal account.

On July 14, 1981, the Commission further found reason to believe that your client violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 (formerly 11 C.F.R. § 104.10) by failing to disclose the source of cash on hand; 2 U.S.C. § 434, by failing to disclose administrative costs in its 1980 reports; and 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a). The Commission also voted to conduct an audit of your committee pursuant to 2 U.S.C. § 437g(a)(2).

The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

The Commission acknowledges that conciliation proceedings regarding the findings of February 8, 1980 were attempted, however, the process must be suspended while the Commission investigates the additional findings.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you regarding the additional violations.

Re: MUR 1047  
Passaic County Democratic  
Committee

Dear Mr. Geaney:

On February 8, 1980, the Federal Election Commission found reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b and 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) (presently 11 C.F.R. § 102.5(a)) by transferring funds from a non-federal account which contained corporate monies to its federal account.

On July 14, 1981, the Commission further found reason to believe that your client violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 (formerly 11 C.F.R. § 104.10) by failing to disclose the source of cash on hand; 2 U.S.C. § 434, by failing to disclose administrative costs in its 1980 reports; and 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a). The Commission also voted to conduct an audit of your committee pursuant to 2 U.S.C. § 437g(a)(2).

The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

The Commission acknowledges that conciliation proceedings regarding the findings of February 8, 1980 were attempted, however, the process must be suspended while the Commission investigates the additional findings.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you regarding the additional violations.

SUMMARY OF ALLEGATIONS

Based on information filed with the Federal Election Commission, the Commission alleges that the Passaic County Democratic Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose the source of its cash on hand in 1978 and 1980; 2 U.S.C. § 434 by failing to disclose administrative costs in its 1980 reports; and 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a).

FACTUAL BASIS AND LEGAL ANALYSIS

1. Failure to Disclose Source of Cash on Hand

2 U.S.C. § 434 and 11 C.F.R. § 104.12 require committees to disclose the source of their cash on hand. These provisions also require that the monies in the opening cash balance are permissible under the Act.

Upon registering in 1978, the Committee reported on opening cash balance of \$2,692. The Reports Analysis Division subsequently requested additional information regarding the specific source of the 1978 cash on hand. In response, the Committee stated that the opening cash represented "the balance in a non-federal account used

to maintain the running of the office and that most of these funds has been collected from sustaining members."

Upon registering in 1980, the Committee's July, 1980 report reveals an opening cash balance of \$1,619.51. The Committee indicated that the source of these funds was a "1979 election account." The Committee, however, did not register a "1979 election account" with the Commission. The Committee's reports also reveal that on November 28, 1978, it transferred \$3,490 of its reported \$4,007 ending cash balance to a non-Federal account following termination of its 1978 activities, thereby leaving a balance of \$517 in its 1978 account.

In that the Committee has not adequately disclosed the source of the monies contained in its cash on hand in 1978 and 1980, the Commission has found reason to believe that the Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 (formerly 11 C.F.R. § 104.10).

## 2. Receipt of Excessive Contribution

The Committee's 1980 30 Day Post General Election Report discloses a loan of \$12,000 from the Jefferson National Bank, endorsed by Robert Angele, on October 17, 1980. The Committee repaid the loan on February 18, 1981.

11 C.F.R. § 100.7(a)(1)(i)(C) specifies that a loan is a contribution by each endorser or guarantor, and that each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable.

2 U.S.C. § 441a(a)(1)(C) prohibits individuals from contributing in excess of \$5,000 per calendar year to state party committees. 2 U.S.C. § 441a(f) prohibits committees from receiving contributions in excess of the limitations set forth by 2 U.S.C. § 441a(a).

In that the Committee's reports only disclose one person as the endorser, it appears that the entire amount of the loan may be a contribution from Mr. Angele.

Accordingly, the Commission has found reason to believe that the Committee violated 2 U.S.C. § 441a(f) by accepting a contribution in excess of lawful limitations.

3. Failure to Disclose Administrative Costs

The Committee's 1978 reports disclose expenditures for administrative costs. The Committee's 1980 reports, however, fail to disclose any expenditures or receipts for administrative costs.

2 U.S.C. § 434 requires political committees to disclose administrative costs. In the event that any entity other than the Committee paid or is paying for its administrative costs, the Committee is required to report these payments as contributions in-kind.

Inasmuch as no expenditures or receipts for administrative costs were reported by the Committee in 1980, the Commission has found reason to believe that the Committee violated 2 U.S.C. § 434.

330403636

Recommendations

1. Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose its source of cash on hand in 1978 and 1980.

2. Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a).

3. Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 434 by failing to disclose its administrative costs.

SUMMARY OF ALLEGATIONS

Based on information filed with the Federal Election Commission, the Commission alleges that the Passaic County Democratic Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose the source of its cash on hand in 1978 and 1980; 2 U.S.C. § 434 by failing to disclose administrative costs in its 1980 reports; and 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a).

FACTUAL BASIS AND LEGAL ANALYSIS

1. Failure to Disclose Source of Cash on Hand

2 U.S.C. § 434 and 11 C.F.R. § 104.12 require committees to disclose the source of their cash on hand. These provisions also require that the monies in the opening cash balance are permissible under the Act.

Upon registering in 1978, the Committee reported on opening cash balance of \$2,692. The Reports Analysis Division subsequent-opening cash represented "the balance in a non-federal account used

3304033656

to maintain the running of the office and that most of these funds has been collected from sustaining members."

Upon registering in 1980, the Committee's July, 1980 report reveals an opening cash balance of \$1,619.51. The Committee indicated that the source of these funds was a "1979 election account." The Committee, however, did not register a "1979 election account" with the Commission. The Committee's reports also reveal that on November 28, 1978, it transferred \$3,490 of its reported \$4,007 ending cash balance to a non-Federal account following termination of its 1978 activities, thereby leaving a balance of \$517 in its 1978 account.

In that the Committee has not adequately disclosed the source of the monies contained in its cash on hand in 1978 and 1980, the Commission has found reason to believe that the Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 (formerly 11 C.F.R. § 104.10).

2. Receipt of Excessive Contribution

The Committee's 1980 30 Day Post General Election Report discloses a loan of \$12,000 from the Jefferson National Bank, endorsed by Robert Angele, on October 17, 1980. The Committee repaid the loan on February 18, 1981.

11 C.F.R. § 100.7(a)(1)(i)(C) specifies that a loan is a contribution by each endorser or guarantor, and that each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable.

2 U.S.C. § 441a(a)(1)(C) prohibits individuals from contributing in excess of \$5,000 per calendar year to state party committees. 2 U.S.C. § 441a(f) prohibits committees from receiving contributions in excess of the limitations set forth by 2 U.S.C. § 441a(a).

In that the Committee's reports only disclose one person as the endorser, it appears that the entire amount of the loan may be a contribution from Mr. Angele.

Accordingly, the Commission has found reason to believe that the Committee violated 2 U.S.C. § 441a(f) by accepting a contribution in excess of lawful limitations.

3. Failure to Disclose Administrative Costs

The Committee's 1978 reports disclose expenditures for administrative costs. The Committee's 1980 reports, however, fail to disclose any expenditures or receipts for administrative costs.

2 U.S.C. § 434 requires political committees to disclose administrative costs. In the event that any entity other than the Committee paid or is paying for its administrative costs, the Committee is required to report these payments as contributions in-kind.

Inasmuch as no expenditures or receipts for administrative costs were reported by the Committee in 1980, the Commission has found reason to believe that the Committee violated 2 U.S.C. § 434.

Recommendations

1. Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose its source of cash on hand in 1978 and 1980.

2. Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a).

3. Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 434 by failing to disclose its administrative costs.

MUR 1047

GENERAL COUNSEL'S REPORT

**SENSITIVE**

I. Background

On February 8, 1980, the Commission found reason to believe that the Passaic County Democratic Committee (the "Committee") violated 2 U.S.C. § 441b and 2 U.S.C. § 433, 11 C.F.R. § 102.6(b) (2) (presently 11 C.F.R. § 102.5(a)) by transferring funds from its "operating" or non-federal account which contained corporate monies to its "election" or federal account. On October 27, 1980, Mr. John Geaney, counsel for the Committee requested that the Commission and the Committee enter into pre-probable cause conciliation regarding the violation. Accordingly, the Committee and the Commission commenced conciliation proceedings. Subsequently, however, it was discovered that the Committee's reports disclosed additional transfers of funds from another non-federal account, designated as an "office" account, to the Committee's federal account.

Therefore, on June 16, 1981, the Commission considered a revised conciliation agreement which included provisions regarding the additional transfers. In light of the additional information, the Commission directed the Audit Division to review the Committee's reports and to prepare a memorandum for the Commission's further consideration of this matter. On June 30, 1981, the Commission

33040363662

considered the memorandum submitted by the Audit Division and directed the Office of General Counsel to prepare a General Counsel's Report regarding the issues presented in the memorandum.

Accordingly, the Office of General Counsel presents the following analysis.

## II. Legal Analysis

### 1. Disclosure of Cash on Hand

The Audit memorandum, at page 2, paragraph B.1, suggests that the Committee failed to properly disclose sources of cash on hand upon registering in 1978 and 1980 as required by 2 U.S.C. § 434, 11 C.F.R. § 104.12 (formerly 11 C.F.R. § 104.10), and therefore, the Committee may have violated 2 U.S.C. § 441b in that the cash on hand may have contained prohibited funds.

The memorandum points out that explanations of the source of the cash on hand in 1978 and 1980 provided by the Committee did not verify that the cash on hand contained permissible funds. The memorandum notes that New Jersey state law permits receipt of contributions from corporations and labor organizations for state elections.

In that the Committee has submitted no further information regarding the sources of the cash on hand in 1978 and 1980, the memorandum suggests that the monies in the opening cash balances might have emanated from non-federal accounts which may have contained funds prohibited by 2 U.S.C. § 441b.

Presently, there is an insufficient basis to recommend a finding that the Committee violated 2 U.S.C. § 441b. In order to make a finding it would necessarily be based on a mere suspicion the contributing committees held corporate or union funds because monies were held in their non-federal accounts. The Commission addressed this general circumstance in the consideration of Directive No. 19 (revised September 12, 1980) which was developed to avoid initiation of compliance actions on the mere suspicion of corporate or union funds based on the sole evidence that the funds were held in a state account in a state which allowed corporate and union contributions. In such a situation, pursuant to the Directive, RAD would notify the committee and the committee would be given an opportunity to verify that the contributions contained permissible funds, to refund the contributions, or to transfer contributions containing prohibited funds to a non-federal account without action being taken against it.

However, 2 U.S.C. § 434 and 11 C.F.R. § 104.12 require committees to disclose the source of their cash on hand. These provisions also require that the monies in the opening cash balance are permissible under the Act.

Upon registering in 1978, the Committee reported an opening cash balance of \$2,692. The Reports Analysis Division subsequently requested additional information regarding the specific source of the 1978 cash on hand. In response, the Committee stated that the opening cash represented "the balance in a non-federal account

used to maintain the running of the office and that most of these funds had been collected from sustaining members."

Upon registering in 1980, the Committee's July, 1980 report reveals an opening cash balance of \$1,619.51. The Committee indicated that the source of these funds was a "1979 election account." The Committee, however, did not register a "1979 election account" with the Commission. The Committee's reports also reveal that on November 28, 1978, it transferred \$3,490 of its reported \$4,007 ending cash balance to a non-Federal account following termination of its 1978 activities, thereby leaving a balance of \$517 in its 1978 account.

In that the Committee has not adequately disclosed the source of the monies contained in its cash on hand in 1978 and 1980, the Office of General Counsel recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 (formerly 11 C.F.R. § 104.10).

## 2. Excessive Contribution Received

The Committee's 1980 30 Day Post General Election Report discloses of a loan of \$12,000 from the Jefferson National Bank, endorsed by Robert Angele, on October 17, 1980. The Committee repaid the loan on February 18, 1981.

11 C.F.R. § 100.7(a)(1)(i)(c) specifies that a loan is a contribution by each endorser or guarantor, and that each endorser or guarantor shall be deemed to have contributed that

33740365

portion of the total amount of the loan for which he or she agreed to be liable.

2 U.S.C. § 441a(a)(1)(C) prohibits individuals from contributing in excess of \$5,000 per calendar year to state party committees. 2 U.S.C. § 441a(f) prohibits committees from receiving contributions in excess of the limitations set forth by 2 U.S.C. § 441a(a).

In that the Committee's reports only disclose one person as the endorser, it appears that the entire amount of the loan may be a contribution from Mr. Angele.

The Office of General Counsel therefore recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 441a(f) by accepting a contribution in excess of lawful limitations.<sup>1/</sup>

Prior to making a recommendation as to Mr. Angele, we recommend that we await a response from the Committee, since it has not had the opportunity to address this issue previously.

### 3. Loan from National Bank

The Audit memorandum, at page 4, paragraph B.3, notes that the Committee only reported expenditures \$312.05 for interest on a loan for \$12,000 from the Jefferson National Bank which was made on October 17, 1980 and repaid on February 18, 1981. The memorandum further notes that if no other interest payments were made, the interest rate is calculated to have been 7.8% which

---

<sup>1/</sup> Ordinary procedures would involve sending an RFAI regarding this issue, however, the information available provides a sufficient basis for a reason to believe finding.

appears to be unusually low for a loan secured in this manner. On the basis of this information, the memorandum suggests that the Committee may have violated 2 U.S.C. § 441b(a) by accepting a contribution from a national bank if the bank offered the loan at an interest rate below normal and usual interest rate.

In light of the lack of information available at present, we recommend that this issue be investigated further in relation to the reason to believe finding recommended in the previous section.

#### 4. Contributions from Unregistered Committees and Accounts

The memorandum, at page 4, paragraph B.4, points out that the Committee reported receiving seven contributions totaling \$4,550 from unregistered committees in 1978, and six contributions totaling \$3,800, in 1980. In that New Jersey state law permits receipt of contributions from corporations and labor organizations for state elections, the memorandum suggests that the contributions from the unregistered committees may have contained funds prohibited by 2 U.S.C. § 441b.

As discussed in Section 1 of this report, Commission Directive No. 19 advises that compliance actions should not be initiated with respect to political committees which have received contributions from unregistered committees on the mere suspicion that the unregistered committees held corporate or union monies, provided that it does not appear that the receiving or contributing committees are attempting to circumvent the Act. As noted, the Directive provides alternate means of remedying

4/ The Detailed Summary Page reflects no contributions to federal candidates in 1978 or 1980.

recommend a finding regarding this issue at this time.

#### 6. Disclosure and Allocation of Expenditures

The Committee's reports disclose disbursements totaling \$26,350 for "election day workers" in 1978 and \$24,170 for "election day street money" in 1980.

With respect to the 1978 disbursements, the Reports Analysis Division sent the Committee several RFAs. In response, the Committee stated that it distributed funds for the election day workers via check to municipal leaders who in turn distributed the funds in cash to district workers. No district worker received more than \$100.

The Committee further states that the disbursements made to the various workers were not made on behalf of any clearly identified candidate. The Committee explains that the election day workers were "Democratic Party challengers at the polls and also assisted individuals in getting to and from the poll areas." See Attachments 2 and 3.

As to the 1978 disbursements, the memorandum, at page 5, paragraph B.6, suggests that the Committee is required to disclose the name of each worker to whom disbursements in excess of \$100 were made pursuant to former 2 U.S.C. § 434(b)(9).<sup>5/</sup> The memorandum further suggests that the Committee is required to allocate expenditures made on behalf of more than one

---

<sup>5/</sup> The cites to the former code and regulations are applicable here since this activity took place prior to the 1979 amendments to the Act.

candidate for Federal and non-Federal office among the candidates on a reasonable basis pursuant to 11 C.F.R. § 106, and to report the allocation for each federal candidate.

However, inasmuch as disbursements of less than \$100 need not be itemized pursuant to former 11 C.F.R. § 104.7, the Committee properly reported the disbursements to the municipal leaders.

Furthermore, inasmuch as the Committee contends that the 1978 disbursements were not made on behalf of any clearly identified candidate, 11 C.F.R. § 104.7 and § 106 appear to be inapplicable.

In regard to the \$24,1970 for "election day street money" reported in 1980, the Committee has received no requests for additional information from the Commission. It should be noted, however, that the amount triggering the requirement to disclose the name of persons to whom disbursements are made has been increased to \$200 pursuant to the 1979 amendments to the Act. See 11 C.F.R. § 104.9.

Absent any further information, the Office of General Counsel believes there is an insufficient basis to recommend a finding regarding this issue at this time.

#### 7. Allocation of Administrative Expenses

The memorandum, at page 6, paragraph B.7, notes that the Committee's 1978 reports disclose expenditures for administrative costs and that expenditures for administrative costs fail to appear in the Committee's 1978 reports.

The memorandum therefore suggests that the absence of any payments for administrative costs in the 1980 reports raises a

33040363570

question as to whether the Committee is receiving an in-kind contribution in the form of payment of its administrative expenses by another entity which the Committee has failed to disclose.

Absent any further information, the Office of General Counsel believes that there is an insufficient basis to recommend a finding regarding this issue at this time.

In light of the analysis presented above, the Office of General Counsel comments that the Commission may decide to conduct an audit with regard to investigation of the reason to believe findings pursuant to 2 U.S.C. § 437g(a)(2). However, this office feels that the scope of the audit should be restricted to the investigation of the Commission's findings in light of the language of 2 U.S.C. § 437g(a)(2).

### III. Recommendations

1. Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose its source of cash on hand in 1978 and 1980.

2. Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a).

Re: MUR 1047  
Passaic County Democratic  
Committee

Dear Mr. Geaney:

On February 8, 1980, the Federal Election Commission found reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b and 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) (presently 11 C.F.R. § 102.5(a)) by transferring funds from a non-federal account which contained corporate monies to its federal account.

On July , 1981, the Commission further found reason to believe that your client violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 (formerly 11 C.F.R. § 104.10) by failing to disclose the source of cash on hand and 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a). The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

The Commission acknowledges that conciliation proceedings regarding the findings of February 8, 1980 were attempted, however, the process must be suspended while the Commission investigates the additional findings.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you regarding the additional violations.

SUMMARY OF ALLEGATIONS

Based on information filed with the Federal Election Commission, the Commission alleges that the Passaic County Democratic Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose the source of its cash on hand in 1978 and 1980, and 2 U.S.C. § 441a (f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a).

FACTUAL BASIS AND LEGAL ANALYSIS

1. Failure to Disclose Source of Cash on Hand

2 U.S.C. § 434 and 11 C.F.R. § 104.12 require committees to disclose the source of their cash on hand. These provisions also require that the monies in the opening cash balance are permissible under the Act.

Upon registering in 1978, the Committee reported on opening cash balance of \$2,692. The Reports Analysis Division subsequently requested additional information regarding the specific source of the 1978 cash on hand. In response, the Committee stated that the

Att. 1  
p. 3

opening cash represented "the balance in a non-federal account used to maintain the running of the office and that most of these funds has been collected from sustaining members."

Upon registering in 1980, the Committee's July, 1980 report reveals an opening cash balance of \$1,619.51. The Committee indicated that the source of these funds was a "1979 election account." The Committee, however, did not register a "1979 election account" with the Commission. The Committee's reports also reveal that on November 28, 1978, it transferred \$3,490 of its reported \$4,007 ending cash balance to a non-Federal account following termination of its 1978 activities, thereby leaving a balance of \$517 in its 1978 account.

In that the Committee has not adequately disclosed the source of the monies contained in its cash on hand in 1978 and 1980, the Office of General Counsel recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 (formerly 11 C.F.R. § 104.10).

2. Excessive Contribution Received

The Committee's 1980 30 Day Post General Election Report discloses of a loan of \$12,000 from the Jefferson National Bank, endorsed by Robert Angele, on October 17, 1980. The Committee repaid the loan on February 18, 1981.

11 C.F.R. § 100.7(a)(1)(i)(c) specifies that a loan is a contribution by each endorser or guarantor, and that each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable.

AH.1  
p.4

2 U.S.C. § 441a(a)(1)(C) prohibits individuals from contributing in excess of \$5,000 per calendar year to state party committees. 2 U.S.C. § 441a(f) prohibits committees from receiving contributions in excess of the limitations set forth by 2 U.S.C. § 441a(a).

In that the Committee's reports only disclose one person as the endorser, it appears that the entire amount of the loan may be a contribution from Mr. Angele.

The Office of General Counsel therefore, recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 441a(f) by accepting a contribution in excess of lawful limitations.

Recommendations

1. Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 434, 11 C.F.R. § 104.12 by failing to disclose its source of cash on hand in 1978 and 1980.

2. Find reason to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441a(f) by receiving a contribution in excess of limitations set forth by 2 U.S.C. § 441a(a).

Gentlemen:

In reply to your letter and notice dated August 2, 1979 I am  
supplying the following information:

1. All funds distributed to municipal leaders were distributed by check.
2. All funds distributed to district workers were distributed by cash. Each municipal leader has forwarded a listing of all disbursements to district workers and committee officers and that list is on file with the P.C. Democratic Committee
3. No district worker received in excess of \$100.00 at the time of this distribution.

The disbursements or expenditures made to the various workers were not made on behalf of any clearly identified candidate. The workers were Democratic Party challengers at the polls and also assisted individuals in getting to and from the poll areas.

Very truly yours,

For the period 10/24/78 through 11/20/78

Gentlemen:

The detailed summary of receipts and expenditures has an error of omission, line 14 (b) should be \$2,765 and the total contributions of \$7,415 is correct. All contributions that need to be itemized are itemized.

All amounts listed on Schedule E which represent amounts paid for billboards are allocations to those candidates running for federal office. Those are In-Kind contributions for the benefit of Senator Bill Bradley and Congressman Robert A. Roe. These candidates names appeared on the billboards with state candidates and local candidates and the allocations were made as indicated on the schedule.

"Election Day Workers" expenditures represents monies distributed to various municipal leaders to be further distributed to district workers within their area. These individuals were at the poll areas to assist individuals in getting to and from the poll areas and also to act as challengers.

The \$4,007 that remained on hand on 11/20/78 was returned to the general account and used to maintain the committee office.

MUR 1047

GENERAL COUNSEL'S REPORT

I. Background

This matter involves the Passaic County Democratic Committee's (the "Committee") violation of 2 U.S.C. § 441b(a) and 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) (presently 11 C.F.R. § 102.5(a)) by transferring funds from its "operating" or non-federal account which contained corporate monies to its "election" or federal account. In response to the General Counsel's Brief of October 27, 1980, Mr. John Geaney, counsel for the Committee, requested that the Commission and the Committee enter into informal conciliation.

Consequently, the Commission and the Committee are presently involved in conciliation, however, additional information came to our attention which required clarification. Specifically, reports submitted by the Committee reflected receipts of transfers aggregating \$16,730 from the "Passaic County Democratic Committee" from September, 1980 through November, 1980. A note attached to the reports indicated that the entries represent "the transfer of contributions from candidates that were deposited in the "operating" account rather than the "election" account."

The Office of General Counsel therefore sent Mr. Geaney a letter on March 30, 1981 requesting that he clarify these entries prior to proceeding further in the conciliation of the matter.

## II. Legal Analysis

In a letter of April 13, 1981 to the Commission, respondent's counsel explained that the Committee maintains three accounts, an "office account", an "operating account", and a "campaign" or "election" account. Counsel states that the Committee deposited its corporate checks into its "office account" and deposited checks from individuals and partnerships into its "operating account". Counsel asserts that the transfers questioned in the letter of March 30, 1981 were transfers of funds from the "operating account," which contained no corporate funds, to the "campaign account". Counsel therefore implies that the transfers were not impermissible.

The regulations at 11 C.F.R. § 102.6(b)(2), however, state that no transfers may be made to a federal account from any other account(s) maintained by such organization for the purpose of financing activity in connection with non-federal elections. The purpose of this provision is to prevent the commingling of contributions which may be lawful for state candidates but unlawful for federal candidates.

The Committee did not disclose the names of the individual contributors of the monies transferred. Thus, there is no verification that the monies transferred did not contain contributions prohibited

by the Act. In addition, there is question as to whether any of the contributing partnerships are incorporated.

Re: MUR 1047  
Passaic County Democratic  
Committee

Dear Mr. Geaney:

The Commission received your response to its inquiry of March 30, 1981. In your response, you state that the transfers in question were transfers of funds from the Passaic County Democratic Committee's (the "Committee") "operating account" to its federal or election account. You further indicate that the transferred funds contained no corporate funds in that the "operating account" only contained contributions from individuals and partnerships. On the basis of this fact, you imply that no impermissible activity took place with respect to these transfers.

The Commission, however, directs you to the Code of Federal Regulations at 11 C.F.R. § 102.5(a)(1) (formerly 11 C.F.R. § 102.6(b)(2)) which make it unlawful for any transfers to be made to an account designated for federal elections from any other accounts maintained for the purpose of financing activity in connection with non-federal elections. Therefore, your statement that the "operating account" contained no corporate contributions does not render the transfers as lawful.

Therefore, enclosed for your approval is a conciliation agreement approved by the Commission

Dear Ms. Weeder:

Reference is made to the letter from the Federal Election Commission to me dated March 30, 1981 under the above-captioned number. Please be advised that the Passaic County Democratic Committee has been maintaining three accounts, an office account, an operating account, and a campaign account.

Corporate checks have been deposited in the office account and all individual and partnership checks deposited in the operating account.

The transfer mentioned in your letter was a transfer of funds from the operating account to the campaign account, and therefore no corporate funds were involved in the campaign account.

The source of my information is the auditor for the Passaic County Democratic Committee, Alan Mikola, C.P.A., and if you require a certification or affidavit from him on this matter, kindly advise.

Very truly yours,

JOHN F. GEANEY, JR.

Re: MUR 1047

Dear Mr. Geany:

The Commission received your letter of March 18, 1981 regarding the proposed conciliation agreement approved by the Commission on February 18, 1981. The Office of General Counsel would like to resolve this matter as expeditiously as possible, however, additional information has come to our attention which first requires clarification.

Specifically, reports submitted by the Passaic County Democratic Committee (the "Committee") "Election Account" reflect receipts of transfers aggregating \$16,730 from the "Passaic County Democratic Committee" from September, 1980 through November, 1980. These reports are enclosed for your reference.

A note attached to the reports indicates that the entries represent "the transfer of contributions from candidates that were deposited in the Operating Account (state/local account) rather than the Election or federal account." See page 3 of enclosure.

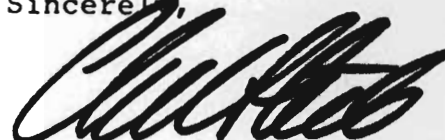

In that this type of transfer is the reason for which the Commission and the Committee are presently in conciliation, the Office of General Counsel finds it necessary that you submit a response clarifying all of these entries prior to proceeding further in the conciliation of this matter. Therefore, your expediency in responding will be appreciated.

SUBJECT: MUR 1047 - Conciliation Agreement

On October 24, 1980, the General Counsel's Office sent a brief to the Passaic County Democratic Committee (the "Committee") notifying it that, based on the factual and legal analysis presented in the General Counsel's brief of October 28, 1980, this office is prepared to recommend that the Commission:

a) find no probable cause to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b(a) by depositing corporate contributions from Marcal Paper Mills, Inc.; Richard A. Alaimo, Associates; Taylor-Cohen-Rudolph-Giaconia, Inc.; and Vornado, Inc., into its account designated for federal elections;

Dear Mr. Cammarano:

On June 16, 1980, the Office of General Counsel notified you in a brief that it is prepared to make certain recommendations to the Federal Election Commission (the "Commission") in regard to this matter.

After further analysis of this matter, the Office of General Counsel is submitting an amended brief which includes a violation of 2 U.S.C. § 441b(a) as the funds which the Passaic County Democratic Committee transferred from its non-federal account to its federal account contained corporate monies.

Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies) stating your position on the issues and replying to the amended brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel.) The General Counsel's amended brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause to believe a violation has occurred.

MUR 1047

GENERAL COUNSEL'S BRIEF

I. Statement of Case

On February 8, 1980, the Commission found reason to believe that the Passaic County Democratic Committee (the "Committee") violated 2 U.S.C. § 441b(a) and 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)<sup>1/</sup> (presently 11 C.F.R. 102.5(a)). The Committee submitted a response on April 18, 1980. An analysis of the submission follows.

II. Legal Analysis

A. Acceptance of Four Corporate Contributions

The Commission questioned four corporate contributions disclosed by the Committee on its 1978 October 10 Quarterly report of receipts and disbursements and requested submission of specific documents regarding these contributions.

In previous correspondence, the Committee contended that it in fact deposited these four contributions into its non-federal account, but mistakenly reported them as having been deposited in its federal account. The Commission requested that the Committee produce copies

<sup>1/</sup> This cite refers to the code of federal regulations prior to the 1979 Amendments.

Attachment 1

of the checks in question as well as verification of their deposit into the non-federal account.

The contributions in question are as follows:

<u>Contributing Corporation</u>	<u>Date</u>	<u>Amount</u>
Marcal Paper Mills, Inc. (Inc. - 02/19/41)	09/21/78	\$200
Richard A. Alaimo, Associates (Inc. - 03/22/67)	09/21/78	600
Taylor-Cohen-Rudolph-Glaconia, Inc. (Inc. - 05/31/66)	09/07/78	1,000
Vornado, Inc. (Inc. - 06/16/65)	09/14/78	200

93740333725  
The Committee submitted the requested documents regarding the contributions. The Committee produced a copy of the front and back of each check which shows the date and amount of each contribution; copies of bank statements for its non-federal and its federal account (called the "Election Account") which reveal the account identification numbers; and copies of deposit slips which verify in which account the Committee deposited the checks.

These documents disclose that the Committee deposited these four corporate contributions into its non-federal account.<sup>2/</sup>

For example, the account number on the deposit slips identifies

---

<sup>2/</sup> Several factors distinguish the non-federal from the federal account: 1) Respondent makes a claim to this effect; 2) The federal account is referred to as the "Election Account," -- one of the bank statements submitted reflects this title thereby identifying the federal account by name; 3) Respondent purports that it deposited the proceeds of the Annual Dinner Dance into its non-federal account -- the account believed to be the non-federal account reflects the deposit of these proceeds.

the account into which the checks were deposited. The number which appears on the deposit slips for the checks in question is the same number as the non-federal account number disclosed by bank statements. Thus, the deposit slips verify that the corporate checks were deposited into the non-federal account.

Moreover, the copies of the checks reveal the date and amount of each contribution. The date and amount for each check corresponds with the respective dates and amounts of deposits recorded on the non-federal account bank statement. Thus, these corresponding entries further support the Committee's contention that it deposited the corporate contributions into the non-federal account rather than into the federal account, as the Committee had initially reported to the Commission in error.

Therefore, in view of the foregoing facts, the Office of General Counsel recommends a finding of no probable cause to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b(a) by accepting corporate contributions from the Marcal Paper Mills, Inc.; Richard A. Alaimo, Associates; Taylor-Cohen-Rudolph-Glaconia, Inc.; and Vornado, Inc.

B. Commingling of Non-Federal and Federal Accounts

The Commission questioned the Committee regarding a transfer of \$19,700 from its non-federal to its federal account in violation of 11 C.F.R. § 102.6(b)(2). Respondent admits to the transfer of such funds both in its September 5, 1979 letter to the Commission and in its recent response to the interrogatories. Further upon the Commission's request, respondent submitted a copy

030403363725

of the November 1, 1978 check for \$19,700 drawn from the non-federal account made to the federal account for deposit. Additionally, respondent submitted the non-federal account bank statement reflecting the withdrawal of the \$19,700 on November 1, 1978. The "Election Account" or the federal account bank statement discloses that this check was deposited on the same date.

2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) states that federal accounts may not receive transfers from an account established for state or non-federal elections. The purpose of this provision is to prevent the commingling of contributions which may be lawful for state candidates but unlawful for federal candidates, such as contributions from corporations. The transfer at issue is an example of such commingling. As evident by the dates of deposit of the four corporate contributions, the non-federal account contained corporate monies at the date of the transfer. Furthermore, the bank statement for the non-federal account submitted by the Committee reflects the receipt of various other corporate contributions. Thus, the Committee used monies from prohibited sources toward federal election activities.

Inasmuch as the non-federal account contained corporate monies, and as the Committee transferred funds from this account to its account designated for federal election activities, the Office of General Counsel recommends a finding of probable cause to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 433, 11 C.F.R. § 102.6(b) (presently 11 C.F.R. § 102.5(a)), and 2 U.S.C. § 441b(a).

33040363727

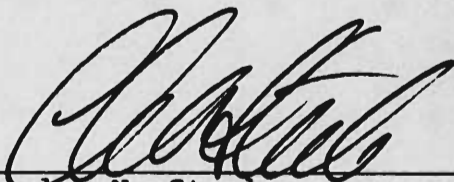

III. General Counsel's Recommendations

A. Find no probable cause to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b(a) by depositing corporate contributions from Marcal Paper Mills, Inc.; Richard A. Alaimo, Associates; Taylor-Cohen-Rudolph-Giaconia, Inc.; and Vornado, Inc., into its account designated for federal elections.

B. Find probable cause to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 433, 11 C.F.R. § 102.6(b) (presently 11 C.F.R. § 102.5(a)), and 2 U.S.C. § 441b(a) by transferring funds from its account established for non-federal elections which contained corporate monies to its account designated for federal election activities.

GENERAL COUNSEL'S BRIEF

I. Statement of Case

On February 8, 1980, the Commission found reason to believe that the Passaic County Democratic Committee ("the Committee") violated 2 U.S.C. § 441b(a) by accepting corporate contributions and 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) 1/ by transferring monies from its non-federal to its federal account. At that time the Commission gave the Committee an opportunity to respond to the allegations and requested that specific documents be produced. The Committee submitted its response to the interrogatories/request for documents on April 18, 1980. An analysis of the submission follows.

II. Legal Analysis

A. ACCEPTANCE OF CORPORATE CONTRIBUTIONS

The Commission questioned four corporate contributions disclosed by the Committee on its 1978 October 10 Quarterly report of receipts and disbursements and requested submission

of specific documents regarding these contributions.

In previous correspondence, the Committee contended that it in fact deposited these four contributions into its non-federal account, but mistakenly reported them as having been deposited in its federal account. The Commission requested that the Committee produce copies of the checks in question as well as verification of their deposit into the non-federal account.

The contributions in question are as follows:

<u>Contributing Corporation</u>	<u>Date</u>	<u>Amount</u>
Marcal Paper Mills, Inc. (Inc.-2/19/41)	9/21/78	\$200
Richard A. Alaimo, Associates (Inc.-3/22/67)	9/21/78	600

Vornado, Inc. (Inc.-6/16/65)	9/14/78	200

The Committee submitted the requested documents regarding the contributions. The Committee produced a copy of the front and back of each check which shows the date and amount of each contribution; copies of bank statements for its non-federal and its federal account (called the "Election Account") which reveal the account identification numbers; and copies of deposit slips which verify in which account the Committee deposited the checks.

These documents disclose that the Committee deposited the corporate contributions into its non-federal account. 2/ For example, the account number on the deposit slips identifies the account into which the checks were deposited. Thus, these corresponding entries further support the Committee's contention that it deposited the corporate contributions into the non-federal account rather than into the federal account, as the Committee had initially reported to the Commission in error.

Therefore, in view of the foregoing facts, the Office of General Counsel recommends a finding of no probable cause to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b(a) by accepting corporate contributions.

Re: MUR 1047

Dear Mr. Cammarano:

On August , 1980, the Commission determined there was probable cause to believe that your committee violated 2 U.S.C. § 433 and 11 C.F.R. § 102.6(b)(2) by transferring funds from its account established for non-federal elections to its account designated for federal election activities. This cite refers to the code of federal regulations prior to the 1979 Amendments.

The Commission has a duty to attempt to correct such violations for a period of thirty to ninety days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. If we are unable to reach an agreement during that period, the Commission may institute civil suit in United States District Court and seek payment of a civil penalty.

We enclose a conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it along with the civil penalty to the Commission within ten days. I will then recommend that the Commission approve the agreement. Please make your check for the civil penalty payable to the U.S. Treasurer.

If you have any questions or suggestions for changes in the enclosed conciliation agreement, please contact Carolyn Weeder, the staff member assigned to this matter, at (202) 523-4529.

INTERIM INVESTIGATIVE REPORT #3

On February 8, 1980, the Commission found reason to believe that the Passaic County Democratic Committee ("the Committee") violated 2 U.S.C. § 441b(a) by accepting corporate contributions and 2 U.S.C. § 433, 11 C.F.R. §102.6(b)(2) 1/ by transferring monies from its non-federal to its federal account. The Committee submitted its response to the reason to believe notification on April 18, 1980.

On June 16, 1980, the Office of General Counsel sent a brief to the Committee with recommendations of no probable cause to believe and probable cause to believe that violations of the Act have been committed. To date, the Committee has not submitted a responsive brief.

The Office of General Counsel is preparing a further report which will be ready for the Commission's review within two weeks.

Re: MUR 1047

Dear Mr. Cammarano:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities and information supplied by your committee, the Federal Election Commission, on February 8, 1980, found reason to believe that your committee violated 2 U.S.C. § 441b(a) and 2 U.S.C. § 433, 11 C.F.R. § 102.6 (b)(2), prior to the 1979 Amendments, and instituted an investigation of this matter.

After considering all the evidence available to the Commission regarding the 2 U.S.C. § 441b(a) violation, the Office of the General Counsel is prepared to recommend that the Commission find no probable cause to believe that a violation has occurred.

However, after considering all the evidence available to the Commission regarding the 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) violation, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

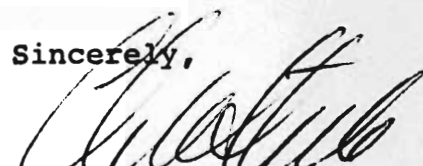

33040363743

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel.) The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause-to believe a violation has occurred.

A finding of probable cause to believe requires that the Office of General Counsel attempt for a period of not less than thirty, but not more than ninety days to settle this matter through a conciliation agreement. This does not preclude settlement of this matter through informal conciliation prior to a finding of probable cause to believe, if you so desire.

Should you have any questions, please contact Carolyn Weeder at 202-523-4529.

MUR 1047

GENERAL COUNSEL'S BRIEF

I. Statement of Case

On February 8, 1980, the Commission found reason to believe that the Passaic County Democratic Committee ("the Committee") violated 2 U.S.C. § 441b(a) by accepting corporate contributions and 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) 1/ by transferring monies from its non-federal to its federal account. At that time the Commission gave the Committee an opportunity to respond to the allegations and requested that specific documents be produced. The Committee submitted its response to the interrogatories/request for documents on April 18, 1980. An analysis of the submission follows.

II. Legal Analysis

A. ACCEPTANCE OF CORPORATE CONTRIBUTIONS

The Commission questioned four corporate contributions disclosed by the Committee on its 1978 October 10 Quarterly report of receipts and disbursements and requested submission

1/ This cite refers to the code of federal regulations prior to the 1979 Amendments.

33040363747

of specific documents regarding these contributions.

In previous correspondence, the Committee contended that it in fact deposited these four contributions into its non-federal account, but mistakenly reported them as having been deposited in its federal account. The Commission requested that the Committee produce copies of the checks in question as well as verification of their deposit into the non-federal account.

The contributions in question are as follows:

<u>Contributing Corporation</u>	<u>Date</u>	<u>Amount</u>
Marcal Paper Mills, Inc. (Inc.-2/19/41)	9/21/78	\$200
Richard A. Alaimo, Associates (Inc.-3/22/67)	9/21/78	600
Taylor-Cohen-Rudolph-Giaconia, Inc. (Inc.-5/31/66)	9/7/78	1,000
Vornado, Inc. (Inc.-6/16/65)	9/14/78	200

The Committee submitted the requested documents regarding the contributions. The Committee produced a copy of the front and back of each check which shows the date and amount of each contribution; copies of bank statements for its non-federal and its federal account (called the "Election Account") which reveal the account identification numbers; and copies of deposit slips which verify in which account the Committee deposited the checks.

13740363743

These documents disclose that the Committee deposited the corporate contributions into its non-federal account. 2/ For example, the account number on the deposit slips identifies the account into which the checks were deposited. The number which appears on the deposit slips for the checks in question is the same number as the non-federal account number disclosed by bank statements. Thus, the deposit slips verify that the corporate checks were deposited into the non-federal account.

Moreover, the copies of the checks reveal the date and amount of each contribution. The date and amount for each check corresponds with the respective dates and amounts of deposits recorded on the non-federal account bank statement. Thus, these corresponding entries further support the Committee's contention that it deposited the corporate contributions into the non-federal account rather than into the federal account, as the Committee had initially reported to the Commission in error.

Therefore, in view of the foregoing facts, the Office of General Counsel recommends a finding of no probable cause to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b(a) by accepting corporate contributions.

---

2/ Several factors distinguish the non-federal from the federal account: 1) Respondent makes a claim to this effect; 2) The federal account is referred to as the "Election Account, -- one of the bank statements submitted reflects this title thereby identifying the federal account by name; 3) Respondent purports that it deposited the proceeds of the Annual Dinner Dance into its non-federal account -- the account believed to be the non-federal account reflects the deposit of these proceeds.

3304363749

B. Commingling of Non-Federal and Federal Accounts

23740363753

The Commission questioned the Committee regarding a transfer of \$19,700 from its non-federal to its federal account in violation of 11 C.F.R. § 102.6(b)(2). Respondent admits to the transfer of such funds both in its September 5, 1979 letter to the Commission and in its recent response to the interrogatories. Further upon the Commission's request, respondent submitted a copy of the November 1, 1978 check for \$19,700 drawn from the non-federal account made to the federal account for deposit. Additionally, respondent submitted the non-federal account bank statement reflecting the withdrawal of the \$19,700 on November 1, 1978. The "Election Account" or the federal account bank statement discloses that this check was deposited on the same date.

2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) states that federal accounts may not receive transfers from an account established for state or non-federal elections. The purpose of this provision is to prevent the commingling of contributions which may be lawful for state candidates but unlawful for federal candidates, such as contributions from corporations. 3/ The transfer at issue is an example of such commingling. As evident by the dates of deposit of the

---

3/ Many states such as New Jersey permit corporations to make contributions in connection with state and local elections.

four corporate contributions, the non-federal account contained corporate monies at the date of the transaction.

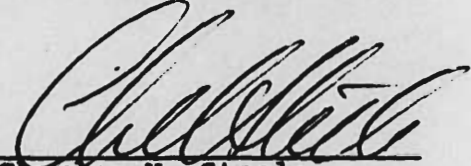

Thus, inasmuch as the Committee transferred funds from its account established for non-federal election activities, to its account designated for federal election activities, the Office of General Counsel recommends a finding of probable cause to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2).

III. General Counsel's  
Recommendations

A. Find no probable cause to believe that the Passaic County Democratic Committee violated 2 U.S.C. § 441b(a) by accepting corporate contributions.

B. Find probable cause to believe that the Passaic County Democratic violated 2 U.S.C. § 433, 11 C.F.R. § 102.6(b)(2) by transferring funds from its account established for non-federal elections to its account designated for federal election activities.

Interim Investigative Report #1

On February 8, 1980, the Commission found reason to believe that the Passaic County Democratic Committee (the "Committee") violated 2 U.S.C. § 441b(a) by accepting corporate contributions and 2 U.S.C. § 433, 11 C.F.R. § 102.6 by commingling its state and federal accounts. At that time, the Commission requested that specific documents be produced by the Committee.

On March 4, 1980, Mr. Peter J. Cammarano, treasurer of the Committee, notified the Commission in writing that submission of the requested documents will be delayed due to the hospitalization of the employee who maintains all such records. The Committee has recently stated that the requested information will be submitted by the week of April 21, 1980. The Office of General Counsel will present a report upon the receipt and review of these submissions.

Re: MUR 1047

Dear Mr. Cammarano:

The Federal Election Commission notified you on July 20, 1979 that your committee may have violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A summary of the possible violations is attached.

Upon further review of the information available to the Commission, the Commission determined, on February 8, 1980, that there is reason to believe that you may have violated 2 U.S.C. § 441b(a) and 2 U.S.C. § 433, 11 C.F.R. § 102.6. Specifically, it appears that your committee accepted corporate contributions in connection with federal elections and transferred funds from the non-federal to the federal account.

Under the Act, you had an opportunity to demonstrate, within 15 days of the initial notification, that no action should be taken against your committee.

Your response to the Commission's initial notification of the possible violation did not provide complete information regarding the matters in question. Please submit answers to the enclosed interrogatories/request for documents within 10 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

Mr. Peter J. Cammarano

In absence of any additional information which demonstrates that no further action should be taken against your committee, the Commission may find probable cause to believe that a violation has occurred, and proceed with formal conciliation. Of course, this does not preclude the settlement of this matter through informal conciliation prior to a finding of probable cause to believe if you so desire.

This matter will remain confidential in accordance with 2 U.S.C. §437g(a)(4)(B) and §437g(a)(12)(A)\* unless you notify the Commission in writing that you wish the matter to be made public.

If you have any questions, please contact Carolyn Weeder, the staff member assigned to this matter at (202) 523-4529.

Sincerely,

Robert O. Tierman

RESPONDENT: Passaic County Democratic Committee

SOURCE OF MUR: I N T E R N A L L Y G E N E R A T E D

BACKGROUND

On October 15, 1979 the Reports Analysis Division referred to the Office of General Counsel the matter in which the Passaic County Democratic Committee may have violated 2 U.S.C. § 441b(a) by accepting corporate contributions in connection with federal elections, and 2 U.S.C. § 433, 11 C.F.R. § 102.6 by transferring monies from its non-federal account to its federal account.

The Passaic County Democratic Committee (the "Committee") reported receiving four corporate contributions in September 1978. A surface violation letter was sent on July 20, 1979 advising the Committee that the Act prohibits a political committee from accepting corporate contributions.

In addition, the Committee later admitted that it transferred \$19,700 from its non-federal account to its federal account.

FACTUAL BASIS AND LEGAL ANALYSIS

Acceptance of Corporate Contributions

2 U.S.C. § 441b(a) makes it unlawful for political committees to accept corporate contributions in connection with federal election activities.

The Committee contends that it mistakenly reported the four corporate contributions as having been deposited into its federal account, and that contrary to the report, it had in fact deposited the corporate contributions into its non-federal account. The four corporate contributions appear on the Committee's 1979 October 10 Quarterly Report of Receipts and Expenditures as follows:

33040363781

<u>Corporation</u>	<u>Date Rec'd</u>	<u>Amount</u>
Taylor Cohen Rudolph Giaconia Co.	09/12/78	\$1,000
Richard A. Alaimo Assoc.	09/26/78	\$ 600
Vornado Co.	09/27/78	\$ 200
Marcal Co.	09/27/78	\$ 200

Additional information is necessary to verify the Committee's contentions. Such verification is attainable through the use of identification numbers for each account and back records of the cancelled checks in question.

The Office of General Counsel therefore recommends finding reason to believe that the Committee may have violated 2 U.S.C. § 441b(a) by accepting corporate contributions and approving and sending the attached letter and interrogatories/request for documents.

#### Commingling of State and Federal Accounts

2 U.S.C. § 433, 11 C.F.R. § 102.6 prohibit the commingling of state and federal funds. Specifically, 11 C.F.R. § 102.6(b) (2) states that federal accounts may not receive transfers from an account established for state or non-federal elections. The purpose of this provision is to prevent the commingling of contributions which may be lawful for state candidates but unlawful for federal candidates. The Committee transferred \$19,700 to its federal account from its non-federal account, thereby unlawfully commingling the two accounts. Accordingly, the Office of General Counsel recommends a finding of reason to believe that the Committee may have violated 2 U.S.C. § 433, 11 C.F.R. § 102.6.

#### COMMISSION'S DETERMINATION

Based on the foregoing analysis, the Federal Election Commission has found:

1. Reason to believe that the Passaic County Democratic Committee may have violated 2 U.S.C. § 441b(a) by accepting corporate contributions.

2. Reason to believe that the Passaic County Democratic Committee may have violated 2 U.S.C. § 433, 11 C.F.R. § 102.6 by commingling its state and federal accounts.

3. The Federal Election Commission has approved the attached letter and interrogatories/request for documents.

GENERATION OF MATTER

BACKGROUND

On October 15, 1979 the Reports Analysis Division referred to the Office of General Counsel the matter in which the Passaic County Democratic Committee may have violated 2 U.S.C. §441b(a) by accepting corporate contributions in connection with federal elections, and 2 U.S.C. §433, 11 C.F.R. §102.6 by transferring monies from its non-federal account to its federal account.

The Passaic County Democratic Committee (the "Committee") reported receiving four corporate contributions in September 1978. A surface violation letter was sent on July 20, 1979 advising the Committee that the Act prohibits a political committee from accepting corporate contributions.

In addition, the Committee later admitted that it transferred \$19,700 from its non-federal account to its federal account.<sup>1/</sup>

ANALYSIS

Acceptance of Corporate Contributions

The Committee contends that it mistakenly reported the four corporate contributions as having been deposited into its federal account, and that contrary to the report, it had in fact deposited the corporate contributions into its non-federal account. The four corporate contributions appear on the Committee's 1979 October 10 Quarterly Report of Receipts and Expenditures as follows:

<sup>1/</sup> See RAD Referral: Committee's Response of September 5, 1978.

3304055379

<u>Corporation</u>	<u>Date Received</u>	<u>Amount</u>
Taylor Cohen Rudolph Giaconia Co.	9/12/78	\$1,000
Richard A. Alaimo Assoc.	9/26/78	\$ 600
Vornado Co.	9/27/78	\$ 200
Marcal Co.	9/27/78	\$ 200

Additional information is necessary to verify the Committee's contentions. Such verification is attainable through the use of identification numbers for each account and bank records of the cancelled checks in question.

Due to the mitigating circumstances that each corporation named above purportedly intended its contribution for the non-federal account, and that the Committee will provide the necessary information to determine these corporation's involvement in this matter, the four corporations need not be contacted at this time.

The Office of General Counsel therefore recommends finding reason to believe that the Committee may have violated 2 U.S.C. §441b(a) by accepting corporate contributions; taking no action at this time with regard to the aforementioned corporations; and approving and sending the attached letter, notification, and interrogatories/request for documents.

#### Commingling of State and Federal Accounts

2 U.S.C. §433, 11 C.F.R. §102.6 prohibits the commingling of state and federal funds. Specifically, 11 C.F.R. §102.6(b)(2) states that federal accounts may not receive transfers from an account established for state or non-federal elections. The purpose of this provision is to prevent the commingling of contributions which may be lawful for state candidates but unlawful for federal candidates. The Committee transferred \$19,700 to its federal account from its non-federal account, thereby unlawfully commingling the two accounts. Accordingly, the Office of General Counsel recommends a finding of reason to believe that the Committee may have violated 2 U.S.C. §433, 11 C.F.R. §102.6.

#### RECOMMENDATIONS

1. Find reason to believe that the Passaic County Democratic Committee may have violated 2 U.S.C. §441b(a) by accepting corporate contributions.
2. Take no action at this time regarding possible 2 U.S.C. §441b(a) violations by Taylor Cohen Rudolph Giaconia Company, Richard A. Alaimo Association, Vornado Company, and Marcal Company.
3. Find reason to believe that the Passaic County Democratic Committee

may have violated 2 U.S.C. §433, 11 C.F.R. §102.6 by commingling its state and federal accounts.

4. Approve and send the attached letter, notification, and interrogatories/request for documents.

RE: Passaic County Democratic Committee  
I.D. # C00099101  
30 Day Post General - Termination  
For the period 10/24/78 through 11/20/78

Gentlemen:

The detailed summary of receipts and expenditures has an error of omission, line 14 (b) should be \$2,765 and the total contributions of \$7,415 is correct. All contributions that need to be itemized are itemized.

All amounts listed on Schedule E which represent amounts paid for billboards are allocations to those candidates running for federal office. Those are In-Kind contributions for the benefit of Senator Bill Bradley and Congressman Robert A. Roe. These candidates names appeared on the billboards with state candidates and local candidates and the allocations were made as indicated on the schedule.

"Election Day Workers" expenditures represents monies distributed to various municipal leaders to be further distributed to district workers within their area. These individuals were at the poll areas to assist individuals in getting to and from the poll areas and also to act as challengers.

The \$4,007 that remained on hand on 11/20/78 was returned to the general account and used to maintain the committee office.

Very truly yours,

Allan Mikola

Dear Mr. Cammarano:

This letter is prompted by the Commission's analysis of disclosure reports undertaken in the normal course of carrying out its supervisory responsibilities under the Federal Election Campaign Act. During review of the October 10 Quarterly Report of Receipts and Expenditures, we noticed entries indicating that you may have accepted contributions from corporations. Corporate contributions are prohibited by the Act, unless made from a separate segregated fund established by the corporations. A copy of that portion of your report is attached for your review and clarification.

If you have accepted prohibited contributions, you must return the full amounts to the donors. The return of the contributions should be reported immediately by letter and should be reflected as contribution refunds on your next report of receipts and expenditures. If you find that the sources of these contributions are permissible under the Federal Election Campaign Act, please submit a statement for the public record which would clarify the sources of the contributions and the exact nature of the accounts upon which the checks were drawn. If the sources of these contributions have been reported incompletely or incorrectly, please amend your original report.

Please notify the Commission within fifteen (15) days from the date of this letter of any determination you make on this matter. Enforcement action may be initiated by the Commission for: failure to respond within fifteen (15) days; failure to refund any impermissible contributions; and/or acceptance of corporate contributions. If you have any questions concerning this matter, please do not hesitate to contact David Greevy (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is (202)357-0023.

Gentlemen:

In reply to your letter dated July 19, 1979 addressed to Peter J. Cammarano, Treasurer of the Passaic County Democratic Committee, I am submitting the following information.

The monies received as indicated on your notice were for payments of tickets to the annual dinner dance, not contributions to the campaign.

If you have any further questions on this matter, please contact me at your convenience.

Called AM this day regarding his letter of 8/2/79. He had been on a four week vacation, and therefore, I could not reach him before.

I stated that the FEC would view purchase of tickets to a fundraising event to be contributions, and that therefore the contributions questioned, if prohibited, should be refunded or transferred to a non-Federal account.

He stated that he believed the committee had segregated accounts in 1978, and that the committee reported the activity of both accounts. He stated further that it may be the case that the questioned contributions were put into the non-Federal account.

He stated that he would check on these matters and get back to us.

Mikola called. He stated that the committee established segregated accounts on 6/8/78. He stated further that the Federal election account was the only account used to influence Federal elections. He stated further that the only funds placed into the account were funds permissible under the Act, i.e. the corporate contributions were placed into the non-Federal(Regular) account.

He then stated that the Regular account transferred \$19,700 to the Federal election account.

He suggested that the committee should have reported only the activity of the Federal account. I stated that with the transfer from the Regular account, the committee was correct in reporting that account's activity as well. I explained why this was the case.

I stated that in light of this inter-committee account transfer, it would appear that the corporate contributions should still be refunded. He said that he would send a letter to us outlining the nature of the accounts, and that we should make a determination at that time.

RE: Passaic County Democratic Committee  
I.D.# 22-1591734

Dear Mr. Greevy:

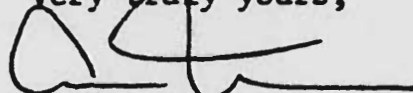

In reply to our recent telephone conversation I am submitting the following information.

On June 8, 1978 the Passaic County Democratic Committee opened a 1978 Election account with a transferring balance of \$90.76 as required by the State of New Jersey. Thereafter, \$5,800 was deposited from contributions by candidates and \$1,450 by sundry contributions. Thereafter, \$19,700 was transferred from the regular account of the Committee.

Disbursements from the 1978 election account were primarily for billboard advertising which totaled an amount that was less than \$4,000, and in excess of \$27,000 for election day workers.

If there are any further questions, please contact me.

Very truly yours,

Allan Mikola

I called Mikola in response to his letter of 9/5/79.

I stated:

It appeared that the committee was correct in reporting the activity of both accounts, because of the transfer of \$19,700 from one account to the account which was used for voter registration and GOTV.

Because of this, it would appear that the contributions specified were prohibited by the Act, and that they therefore should be refunded.

He stated:

There are no funds to make the refunds.

It is very difficult to determine what business contributions are prohibited because NJ law does not require that corporations include "Inc." after their names.

Individuals would not readily contribute at this time to the committee if they knew that the contributions would be used to make refunds.

He asked what should be done. I stated that I did not know what position the Commission would take with respect to the committee's not being able to make the refunds. I suggested that he contact the Commission for guidance, via an AOR.

He stated that he would do so, and that it would be in the mail shortly, with a copy coming to me.

RE: Passaic County Democratic Committee

Gentlemen:

O  
We are writing your office to request an advisory opinion on what was determined to be a prohibited contribution by the Federal Election Commission in their letter dated July 19, 1979.

P  
The committee questioned four amounts received by the Passaic County Democratic Committee from corporate entities. Their findings were correct in the receipt of three checks in the amounts of \$1,000; \$200; and \$200.

Y  
In 1978 the Passaic County Democratic Committee opened a 1978 Election Account. This account was used primarily to pay for billboard advertising and to disperse monies to municipal leaders for further distribution to local election day workers. The deposits in this account were contributions from candidates, transfers from the regular account and several sundry contributions. The contributions in question were all deposited in the committee's regular account. One check was for the purchase of tickets to the annual dinner dance and the other two checks were contributions. The 1978 Election Account was closed after the 1978 election and a small balance was transferred to the regular account. The regular account was used primarily to pay year round office operating expenses and secretarial payroll. The transfers from the regular account to the 1978 election account were primarily for State and Local use. Also there are many corporations in New Jersey that do not designate a corporate structure in the name since the law requiring the use of Inc. or Corp. had not been in existence before the last few years. Attached please find copies of all correspondence.

I believe this letter briefly summarizes the circumstances and problems.

Very truly yours,

Allan Mikola

Dear Mr. Mikola:

This refers to your letter of September 14, 1979, with enclosures, requesting an advisory opinion concerning application of the Federal Election Campaign Act of 1971, as amended ("the Act") and Commission regulations, to corporate contributions received by the Passaic County Democratic Committee.

Under the Act, advisory opinion requests must present issues concerning application of the Act to a specific factual situation. 2 U.S.C. §437f. The Commission recently made a policy decision that factual situations occurring before an opinion request is submitted are not proper subjects for an advisory opinion. These situations will hence be treated according to the Commission's compliance procedures.

Should you have any further questions on the advisory opinion procedure, please contact N. Bradley Litchfield, an Assistant General Counsel on my staff, at 202-523-4039.

Sincerely,

William C. Oldaker  
General Counsel

Called Mikola today.

I told him that we received his AOR, and I told him of Oldaker's letter of 9/19/79. I stated that this was a new policy adopted by the Commission, and that I had not been informed of this new policy, and therefore I incorrectly advised him to submit the request.

He stated that he has heard some rumors of the agency's efficiency.

I told him that for purposes of compliance, it appeared to me that compliance would be served were the prohibited contributions to be refunded. He stated once again that the committee has no funds with which to make the refunds.

He stated also that it was a problem for him because the State laws do not require "Inc." to be placed after an incorporated entity's name. He said this in particular proves to be a problem when the officers of the committee are out of town, and someone who really does not know the law takes care of the depositing of contributions.

He said that at this point, there's really nothing he can do to make the refunds, and that he would prefer that I, if possible, channel the situation to our legal division for their analysis.

Re: MUR 1047

Dear Mr. Cammarano:

The Federal Election Commission notified you on July 20, 1979 that your committee may have violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A summary of the possible violations is attached.

Upon further review of the information available to the Commission, the Commission determined, on , 1980, that there is reason to believe that you may have violated 2 U.S.C. § 441b(a) and 2 U.S.C. § 433, 11 C.F.R. § 102.6. Specifically, it appears that your committee accepted corporate contributions in connection with federal elections and transferred funds from the non-federal to the federal account.

Under the Act, you had an opportunity to demonstrate, within 15 days of the initial notification, that no action should be taken against your committee.

Your response to the Commission's initial notification of the possible violation did not provide complete information regarding the matters in question. Please submit answers to the enclosed interrogatories/request for documents within 10 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

Mr. Peter J. Cammarano

In absence of any additional information which demonstrates that no further action should be taken against your committee, the Commission may find probable cause to believe that a violation has occurred, and proceed with formal conciliation. Of course, this does not preclude the settlement of this matter through informal conciliation prior to a finding of probable cause to believe if you so desire.

This matter will remain confidential in accordance with 2 U.S.C. §437g(a)(4)(B) and §437g(a)(12)(A)\* unless you notify the Commission in writing that you wish the matter to be made public.

If you have any questions, please contact Carolyn Weeder, the staff member assigned to this matter at (202) 523-4529.

Identification No: C0010R738

Reference: 30 Day Post-General Report (10/16/80-11/24/80)

Dear Mr. Zuckerman:

This letter is prompted by the Commission's preliminary review of your 30 Day Post-General Report. The review raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act. An itemization of these areas follows:

-Schedule A of your report (pertinent portion attached) discloses contributions which appear to exceed the limits set forth in 2 U.S.C. 441a. The Act precludes an individual or a political committee, other than a multicandidate committee, from making contributions to a candidate for Federal office in excess of \$1,000 per election. If you have received contributions which exceed the limits, the Commission recommends that you refund to the donors the amounts in excess of \$1,000. (Any refund itemized on Schedule B should be reported on Line 20 of the Detailed Summary Page of your next report.)

-Schedule A of your report (pertinent portion attached) also discloses an apparent contribution from a corporation. You are advised that a contribution from a corporation is prohibited by 2 U.S.C. 441b, unless made from a separate segregated fund established by the corporation. If you have received a corporate contribution, the Commission recommends that you refund the full amount to the donor. (Any refund itemized on Schedule B should be reported on Line 20 of the Detailed Summary Page of your next report.)

If you should find, however, that the receipt in question is not corporate, but is from a partnership, an allocation of the contribution according to either (1) the partners' share of the profits or (2) an agreement among the partners, must be

Arthur M. Zuckerman

provided together with the identification of the partners. 11  
C.F.R. 110.1(e).

If you find that the source of the contribution is  
permissible, or that the above contributions are within the  
limits of 2 U.S.C. 441a and were disclosed incorrectly or  
incompletely on your report, please amend your original report  
with the clarifying information.

Although the Commission may take further legal steps  
concerning the acceptance of a prohibited or excessive  
contribution, your prompt refund of the contributions to the  
donors will be taken into consideration by the Commission.

An amendment to your original report correcting the above problems  
should be filed with the Clerk of the House of Representatives, 1036  
Longworth House Office Building, Washington, DC 20515, within fifteen  
(15) days of the date of this letter. If you need assistance, please  
feel free to contact me on our toll free number, (800) 424-9530. My

Re: 30 Day Post-General Report  
(10/16/80 - 11/24/80)

Dear Miss Kaltenbaugh:

Your letter of July 28, 1981 has been reviewed and we report as follows:

Inadvertently, the contribution of \$1,500 from James C. Luke was accepted. The excess contribution of \$500.00 is being returned to him. A copy of our letter and the check are attached.

Lee Purcell Associates is a partnership. While a corporation was formed in 1977 the partnership did not activate the corporation until 1981. Therefore, the \$600.00 contribution was made by the partnership. A copy of their letter and the check have been forwarded to you.

The Passaic County Democratic Committee allocated to this Committee three pro-rated shares of expenditures. These were entered on our reports as of

10/1/80 (Page 13)	-	\$1,069.62
11/3/80 (Page 17)	-	2,469.62
10/19/80 (Page 18)	-	5,218.96

An analysis of the allocation has been obtained from the Passaic County Democratic Committee. The details follow:

7/24/80 payment to United Advertising	\$ 904.50
8/18/80 payment to Jay Advertising	1,000.00
9/12/80 payment to Jay Advertising	2,648.75
9/17/80 payment to United Advertising	<u>1,407.00</u>

Total	<u>\$5,960.25</u>
-------	-------------------

Pro-rated to Congressman Roe Campaign	<u>\$1,062.62</u>
---------------------------------------	-------------------

277  
2415

81 AUG 24 P 2:06

The second item is composed of the following:

7/24/80 payment to United Advertising	\$ 904.50
8/18/80 payment to Jay Advertising	1,000.00
9/12/80 payment to Jay Advertising	2,648.75
9/17/80 payment to United Advertising	1,407.00
9/24/80 payment to Brownstone for Democratic Dinner	<u>10,170.00</u>

\$16,130.25

Pro-rated to Congressman Roe Campaign \$ 2,469.62

The foregoing reveals that the first four items are identical with the four items listed in the previous allocation. Therefore, at least \$1,062.62 should be deducted from the \$2,469.62.

The third item is detailed as follows:

Van rental	\$ 150.00
Gas	152.00
Caterer	150.00
Spear Press	402.15
General Election Day expense	1,637.16
Organ Rental	100.00
Brochures	3,255.00
Advertising	66.05
Campaign literature	115.54
Street money for Election Day	<u>25,470.00</u>

\$31,497.90

Pro-rated to Congressman Roe Campaign \$ 5,218.96

The allocation of the street money is subject to question since the Congressman's Committee issued 54 checks for \$30.00 each for a total of \$1,620.00 for street money. It is therefor the feeling of the Committee that they should not have been charged with any of the street money distributed by the County organization. The propriety of allocating some of the other listed items to the Congressional Committee is subject to question.

Attention is also called to contributions of \$3,450 to the County by the Congressman's campaign to participate in the general advertising. These payments were made on:

4/22/80	-	Check #1166	-	\$1,500
10/2/80	-	Check #1286	-	1,500
10/27/80	-	Check #1343	-	450

21 AUG 24 P 2: 06

The Congressman's Campaign Committee also purchased \$830.00 of tickets for the Democratic dinner held at the Brownstone on September 24, 1980.

It should also be noted that in the fever of a campaign, the Congressman's Committee accepted and did not analyze the allocations made by the County Committee. However, in our considered judgement the allocations were too heavily weighted against the Congressman's Committee. Also, the Congressman's Committee should be credited with the \$3,450 contributed to the advertising and the \$830.00 contributed to the Brownstone dinner. Also, they should not be charged with any street money and the items duplicated in the first two allocations should be eliminated.

Should you have any further questions, please let me know.

Very truly yours,

ARTHUR ZUCKERMAN, TREASURER  
CAMPAIGN FUND ROE FOR  
CONGRESS

RE: Passaic County Democratic Committee  
I.D. # C00099101  
30 Day Post General - Termination  
For the period 10/24/78 through 11/20/78

Gentlemen:

The detailed summary of receipts and expenditures has an error of omission, line 14 (b) should be \$2,765 and the total contributions of \$7,415 is correct. All contributions that need to be itemized are itemized.

All amounts listed on Schedule E which represent amounts paid for billboards are allocations to those candidates running for federal office. Those are In-Kind contributions for the benefit of Senator Bill Bradley and Congressman Robert A. Roe. These candidates names appeared on the billboards with state candidates and local candidates and the allocations were made as indicated on the schedule.

"Election Day Workers" expenditures represents monies distributed to various municipal leaders to be further distributed to district workers within their area. These individuals were at the poll areas to assist individuals in getting to and from the poll areas and also to act as challengers.

The \$4,007 that remained on hand on 11/20/78 was returned to the general account and used to maintain the committee office.

Very truly yours,

  
Allan Mikola

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

July 19, 1979

Peter J. Cammarano, Treasurer  
Passaic County Democratic Committee  
956 Main Street  
Paterson, New Jersey 07503

Dear Mr. Cammarano:

This letter is prompted by the Commission's analysis of disclosure reports undertaken in the normal course of carrying out its supervisory responsibilities under the Federal Election Campaign Act. During review of the October 10 Quarterly Report of Receipts and Expenditures, we noticed entries indicating that you may have accepted contributions from corporations. Corporate contributions are prohibited by the Act, unless made from a separate segregated fund established by the corporations. A copy of that portion of your report is attached for your review and clarification.

If you have accepted prohibited contributions, you must return the full amounts to the donors. The return of the contributions should be reported immediately by letter and should be reflected as contribution refunds on your next report of receipts and expenditures. If you find that the sources of these contributions are permissible under the Federal Election Campaign Act, please submit a statement for the public record which would clarify the sources of the contributions and the exact nature of the accounts upon which the checks were drawn. If the sources of these contributions have been reported incompletely or incorrectly, please amend your original report.

Please notify the Commission within fifteen (15) days from the date of this letter of any determination you make on this matter. Enforcement action may be initiated by the Commission for: failure to respond within fifteen (15) days; failure to refund any impermissible contributions; and/or acceptance of corporate contributions. If you have any questions concerning this matter, please do not hesitate to contact David Greevy (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is (202)357-0023.

Sincerely,

Orlando B. Potter

Gentlemen:

In reply to your letter dated July 19, 1979 addressed to Peter J. Cammarano, Treasurer of the Passaic County Democratic Committee, I am submitting the following information.

The monies received as indicated on your notice were for payments of tickets to the annual dinner dance, not contributions to the campaign.

If you have any further questions on this matter, please contact me at your convenience.

Very truly yours,

Called AM this day regarding his letter of 8/2/79. He had been on a four week vacation, and therefore, I could not reach him before.

I stated that the FEC would view purchase of tickets to a fundraising event to be contributions, and that therefore the contributions questioned, if prohibited, should be refunded or transferred to a non-Federal account.

He stated that he believed the committee had segregated accounts in 1978, and that the committee reported the activity of both accounts. He stated further that it may be the case that the questioned contributions were put into the non-Federal account.

He stated that he would check on these matters and get back to us.

Mikola called. He stated that the committee established segregated accounts on 6/8/78. He stated further that the Federal election account was the only account used to influence Federal elections. He stated further that the only funds placed into the account were funds permissible under the Act, i.e. the corporate contributions were placed into the non-Federal(Regular) account.

He then stated that the Regular account transferred \$19,700 to the Federal election account.

He suggested that the committee should have reported only the activity of the Federal account. I stated that with the transfer from the Regular account, the committee was correct in reporting that account's activity as well. I explained why this was the case.

I stated that in light of this inter-committee account transfer, it would appear that the corporate contributions should still be refunded. He said that he would send a letter to us outlining the nature of the accounts, and that we should make a determination at that time.

RE: Passaic County Democratic Committee  
I.D.# 22-1591734

Dear Mr. Greevy:

In reply to our recent telephone conversation I am submitting the following information.

On June 8, 1978 the Passaic County Democratic Committee opened a 1978 Election account with a transferring balance of \$90.76 as required by the State of New Jersey. Thereafter, \$5,800 was deposited from contributions by candidates and \$1,450 by sundry contributions. Thereafter, \$19,700 was transferred from the regular account of the Committee.

Disbursements from the 1978 election account were primarily for billboard advertising which totaled an amount that was less than \$4,000, and in excess of \$27,000 for election day workers.

If there are any further questions, please contact me.

Very truly yours,

  
Allan Mikola

I called Mikola in response to his letter of 9/5/79.

I stated:

It appeared that the committee was correct in reporting the activity of both accounts, because of the transfer of \$19,700 from one account to the account which was used for voter registration and GOTV.

Because of this, it would appear that the contributions specified were prohibited by the Act, and that they therefore should be refunded.

He stated:

There are no funds to make the refunds.

It is very difficult to determine what business contributions are prohibited because NJ law does not require that corporations include "Inc." after their names.

Individuals would not readily contribute at this time to the committee if they knew that the contributions would be used to make refunds.

He asked what should be done. I stated that I did not know what position the Commission would take with respect to the committee's not being able to make the refunds. I suggested that he contact the Commission for guidance, via an AOR.

He stated that he would do so, and that it would be in the mail shortly, with a copy coming to me.

RE: Passaic County Democratic Committee

Gentlemen:

We are writing your office to request an advisory opinion on what was determined to be a prohibited contribution by the Federal Election Commission in their letter dated July 19, 1979.

The committee questioned four amounts received by the Passaic County Democratic Committee from corporate entities. Their findings were correct in the receipt of three checks in the amounts of \$1,000; \$200; and \$200.

In 1978 the Passaic County Democratic Committee opened a 1978 Election Account. This account was used primarily to pay for billboard advertising and to disperse monies to municipal leaders for further distribution to local election day workers. The deposits in this account were contributions from candidates, transfers from the regular account and several sundry contributions. The contributions in question were all deposited in the committee's regular account. One check was for the purchase of tickets to the annual dinner dance and the other two checks were contributions. The 1978 Election Account was closed after the 1978 election and a small balance was transferred to the regular account. The regular account was used primarily to pay year round office operating expenses and secretarial payroll. The transfers from the regular account to the 1978 election account were primarily for State and Local use. Also there are many corporations in New Jersey that do not designate a corporate structure in the name since the law requiring the use of Inc. or Corp. had not been in existence before the last few years. Attached please find copies of all correspondence.

I believe this letter briefly summarizes the circumstances and problems.

Very truly yours,

Allan Mikola

Dear Mr. Mikola:

This refers to your letter of September 14, 1979, with enclosures, requesting an advisory opinion concerning application of the Federal Election Campaign Act of 1971, as amended ("the Act") and Commission regulations, to corporate contributions received by the Passaic County Democratic Committee.

Under the Act, advisory opinion requests must present issues concerning application of the Act to a specific factual situation. 2 U.S.C. §437f. The Commission recently made a policy decision that factual situations occurring before an opinion request is submitted are not proper subjects for an advisory opinion. These situations will hence be treated according to the Commission's compliance procedures.

Should you have any further questions on the advisory opinion procedure, please contact N. Bradley Litchfield, an Assistant General Counsel on my staff, at 202-523-4039.

Sincerely,

William C. Oldaker  
General Counsel

Called Mikola today.

I told him that we received his AOR, and I told him of Oldaker's letter of 9/19/79. I stated that this was a new policy adopted by the Commission, and that I had not been informed of this new policy, and therefore I incorrectly advised him to submit the request.

He stated that he has heard some rumors of the agency's efficiency.

I told him that for purposes of compliance, it appeared to me that compliance would be served were the prohibited contributions to be refunded. He stated once again that the committee has no funds with which to make the refunds.

He stated also that it was a problem for him because the State laws do not require "Inc." to be placed after an incorporated entity's name. He said this in particular proves to be a problem when the officers of the committee are out of town, and someone who really does not know the law takes care of the depositing of contributions.

He said that at this point, there's really nothing he can do to make the refunds, and that he would prefer that I, if possible, channel the situation to our legal division for their analysis.
