Dear F.B.I.

I can not see David W. Dennis as a delegate to the Republican National Convention in Kansas City, Mo. David W. Dennis, former Congressman 10th District of Indiana can not represent his district because of his past record. His failure to disclose his expenses in 1974 led to closer examination of his Wattergate spending activities. My own phone call to Columbia, S.C. revealed murder of a southern black congressman candidate by what was considered a political assassin by S.C. police state police. Descriptions of crime reveal Dennis may have committed crime for R or in the area about that time. Dennis stepped down from political candidacy a short time after I turned in this letter to F.B.I. and Republican Party.
