RECEIVED  
OFFICE OF THE  
GENERAL COUNSEL

Gentlemen:

I am herewith filing a complaint against the following committees and individuals for what I believe may be violations of various sections of the Federal Election Campaign Act, as amended.

1. Friends of Mike Antonovich (Federal Election Commission I.D. #C0016344)
2. Friends of Mike Antonovich (California I.D. #742787)
3. Antonovich For Senate Exploratory Committee (Federal Election Commission I.D. #C00198846)
4. Antonovich Birthday Committee (California I.D. #850962)
5. Michael D. Antonovich
6. Joseph Crail
7. Roland E. Smith

While the details of this complaint are extremely complex and will be outlined in detail, the complaint deals with two basic violations: (A) Money raised for non-Federal races being used for a Federal campaign and (B) part, if not all, of the funds involved in any proposed transfer of funds from non-Federal to Federal committees is illegal under the F.E.C.A.

**AN EARLY AND EXPEDITED RESOLUTION OF THIS COMPLAINT IS ESSENTIAL TO INSURE A FAIR PRIMARY ELECTION FOR UNITED STATES SENATE IN CALIFORNIA. IF THE VIOLATIONS HEREIN ALLEGED ARE ALLOWED TO STAND, THERE WILL BE NO ADEQUATE REMEDY AS THE PARTIES COMMITTING THESE VIOLATIONS ALREADY WILL HAVE REAPED THE BENEFITS FROM THE EXPENDITURE OF ILLEGALLY RECEIVED FUNDS. THE SCOPE OF THE VIOLATIONS IS DRAMATIC, INVOLVING HUNDREDS OF THOUSANDS OF DOLLARS.**

The parties named above may have violated the Federal Election Campaign Act, as amended, hereinafter referred to as "The Act" in two major areas:

A. Summary

1. Improper Solicitation of funds. Large amounts of money have been solicited and received from donors who were led to believe that they were making contributions to committees which are ineligible to provide financial support for a Federal election. Such funds have been or will be transferred to a committee registered with the Secretary of the United States Senate for use in support of Michael D. Antonovich's candidacy for the United States Senate in violation of the law.

2. Improper Use of Funds. Expenditures have been made, or are planned, on behalf of Michael Antonovich's Senate candidacy using money or in-kind contributions which are prohibited by The Act from being spent to influence the results of a Federal election.

B. Remedy

1. Investigation and Audit. An immediate investigation and audit of the receipts and expenditures of the committees involved in these violations, followed by quick action by the Commission, is essential. Until such an audit and investigation are completed, I am asking the Federal Election Commission (hereinafter The Commission) to prohibit the Antonovich For Senate Exploratory Committee from receiving any contributions or making any expenditures.

2. Quick Action Essential. These violations involve potentially hundreds of thousands of dollars of funds raised by committees controlled by Michael Antonovich. If allowed to stand, they could seriously affect the Republican Primary election to be held June 3, 1986 for United States Senate in California.

If the Commission does not act quickly, the other candidates in this campaign will suffer irreparable harms to their campaigns. Once money is spent illegally on behalf of Mr. Antonovich, any subsequent action by the Commission will be too late to deny him the benefits he will have received from these illegal expenditures.

Mr. Antonovich, himself, would be best served by early and expeditious action by the Commission. If the Commission waits until Mr. Antonovich has spent, potentially, the hundreds of thousands of dollars which I believe have been or are about to be illegally transferred, it could cause harms to all the parties without the opportunity to redress.

C. Four Committees

**THERE ARE FOUR COMMITTEES INVOLVED IN THE VIOLATIONS  
OUTLINED IN THIS COMPLAINT.**

The following committees are involved in the violations of the Act outlined in this complaint. They are briefly identified and discussed below:

1. Friends of Mike Antonovich (California I.D. #742787) [hereinafter STATE FRIENDS] which is a committee formed to further Mr. Antonovich's political activities within the state. He currently serves as a Los Angeles County Supervisor and, at this time, this is his principal campaign committee for that office.

2. An identically named committee, Friends of Mike Antonovich (Federal I.D. #C0016344) [hereinafter FEDERAL FRIENDS PAC] which is a multi-candidate committee formed in 1982 with no affiliated committees. The Commission has previously questioned FEDERAL FRIENDS PAC concerning its lack of overhead expenses. Both STATE FRIENDS and FEDERAL FRIENDS PAC have the same treasurer and accounts at the same bank

3. The Antonovich Birthday Committee (California I.D. #850962) [hereinafter STATE BIRTHDAY COMMITTEE] which, apparently, was formed for one fundraising event held in August, 1985.

4. The Antonovich For Senate Exploratory Committee (Federal I.D. #C00198846) [hereinafter FEDERAL EXPLORATORY COMMITTEE] which has presumably been formed as the principal campaign committee for a campaign for United States Senate in California in 1986.

D. Violations

**THE ACT REQUIRES THAT DONORS TO FEDERAL ELECTIONS BE INFORMED THAT THEIR CONTRIBUTIONS WILL BE USED TO AFFECT THE OUTCOME OF A FEDERAL ELECTION. IT FURTHER PROHIBITS FEDERAL COMMITTEES FROM SOLICITING, ACCEPTING, OR EXPENDING FUNDS RAISED IN VIOLATION OF THIS REQUIREMENT.**

I believe that the violations of the Act outlined below may have occurred in most of the private fundraising activities of the four above named committees controlled by Mr. Antonovich. I have chosen, however, to limit my specific comments to the public fundraising activities conducted by Mr. Antonovich.

1

1. State Friends for Supervisor fundraisers. On May 12, 1983 and March 22, 1985, as examples of numerous fundraising events during the past three years, \$500 per plate fundraising dinners were held by STATE FRIENDS for Supervisor Michael Antonovich at the Century Plaza Hotel in Los Angeles. (Copies of the invitations are attached as Exhibits 1 and 2). The invitations clearly state that the dinners were held under the auspices of STATE FRIENDS; that checks were made payable to STATE FRIENDS followed by the California identification number of that committee; and that "personal, partnership, and corporate checks [were] all acceptable." The solicitation also contains the typical "boiler plate" used by California political fundraising committees and familiar to most of the major donors who actually attended the dinner.

The invitations for these dinners did not in any manner inform prospective donors that any of the proceeds from the dinner solicitation would be used to support Michael Antonovich, or any other candidate in a Federal election. The solicitation for the dinners and all other solicitations for STATE FRIENDS or STATE BIRTHDAY COMMITTEE, which I have been able to locate, makes no mention whatsoever of a Federal election or Mr. Antonovich's possible candidacy for any Federal office.

As a result of the Act, regulations have been promulgated by the Commission. 11 C.F.R., Chapter 1 (January 1, 1985 edition) clearly states that all contributions to a Federal committee must meet three tests. All contributions must be: "(i) Contributions designated for the Federal account; (ii) Contributions that result from a solicitation which expressly states that the contribution will be used in connection with a Federal election; and, (iii) Contributions from contributors who are informed that all contributions are subject to the prohibitions and limitations of the Act."

2. Federal fundraising tests failed. All three tests must be met before contributions can be received by a Federal political committee. The solicitations for the May 12, 1983 and March 22, 1985 dinners sponsored by STATE FRIENDS, as examples of numerous other events, meets none of them. In addition, until October 15, 1985 there was not a committee in existence which could have legally accepted contributions on behalf of Mr. Antonovich's candidacy for a Federal office.

3. State and Federal Committees have similar contribution dates. The Commission will note that the STATE FRIENDS filings with the Los Angeles County Registrar-Recorder for the period March 18, 1983 through May 21, 1983 (Exhibit 3) and for the period May 22, 1983 through June 30, 1983 (Exhibit 4) bear identical contribution dates, in many cases, to the contribution dates found in FEDERAL FRIENDS PAC filings with the Federal Election Commission for

37040650649

1

the period January 1, 1983 through June 30, 1983 (Exhibit 5).

The Commission will also note that the same circumstances exist in the STATE FRIENDS filings with the Los Angeles County Registrar-Recorder of January 1, 1985 through March 17, 1985 (Exhibit 6) and March 18, 1985 through May 18, 1985 (Exhibit 7) and the FEDERAL FRIENDS PAC filings with the Federal Election Commission of January 1, 1985 through March 31, 1985 (Exhibit 8) and April 1, 1985 through June 30, 1985 (Exhibit 9)

4. Use of tainted money for Federal purpose. These filings of both STATE FRIENDS and FEDERAL FRIENDS PAC demonstrate conclusively that the proceeds from the dinner, including contributions raised by the dinner from individual, non-corporate donors were deposited directly into the account(s) of FEDERAL FRIENDS PAC. Since the solicitations for the dinners did not comply with 11 C.F.R., Chapter 1, no funds raised at these dinners can be placed in a committee intended to influence the results of a Federal election.

Mr. Antonovich has been quoted in the press recently (Exhibit 10) that he has several hundred thousand dollars which are in his State of California Committees which are available for his use in seeking the Republican nomination for the U.S. Senate. The only possible sources of these funds are either STATE FRIENDS or STATE BIRTHDAY COMMITTEE. Since all funds for these committees do not comply with the provisions of the Act, the proposed transfers must be prohibited.

The Act prohibits all corporate, union, government contractor and certain other contributions to Federal campaigns. In states, such as California, where such contributions are permitted, exceptional care must be exercised by candidates who may wish to use money raised by their committees for a Federal election. Mr. Antonovich's committees may not have followed the available procedures or the requirements of the Act.

I believe funds solicited by STATE FRIENDS or STATE BIRTHDAY COMMITTEE have been commingled with prohibited corporate contributions and are so tainted that they may not be used in Mr. Antonovich's Senate campaign. In addition to the failure to inform any individual contributors to STATE FRIENDS or STATE BIRTHDAY COMMITTEE that funds solicited by these committees would be used for a Federal election, the committees may have committed the following violations of the Act which I will discuss in greater detail in the following sections.

#### E. Specific Violations

97040650650

1. The Friends of Mike Antonovich (Federal I.D. #C0016344) may have violated §441b, §441c, §441e, §441f and §441g of 2 U.S.C. by soliciting funds for this committee with corporate, labor union and other prohibited funds.

37040650651

The Friends of Mike Antonovich was organized on October 19, 1982 and December 3, 1982 although it had been collecting monies since October 15, 1982. It has the same name, same treasurer, same bank and same principal as the "Friends of Mike Antonovich" (California identification #742787). In reality, the donors to the Federal committee were giving money to an event sponsored by the state committee and didn't know they were giving money to a Federal committee. In fact on June 11, 1984 and December 5, 1984 (letters enclosed as Exhibits #11 and #12) the Commission requested of the Friends of Mike Antonovich (Federal I.D. #C0016344) clarifications of spending and questioned why no administrative expenses were included in the reports. The July 24, 1984 response by Mr. Roland Smith (Exhibit #13) only referred to accounting expenses. However, Mr. Antonovich, in his position as a Los Angeles County Supervisor, raises the bulk of his funds at fundraising dinners. The invitations for and the expenses of these dinners have been exclusively paid for by the state committee (Samples enclosed as Exhibits #1 and #2) without any allocation to the Federal Committee. A short check of the dates of the contributions on the examples of state reports (enclosed as Exhibits #3, #4, #6 and #7) and examples of Federal reports (enclosed as Exhibits #5, #8 and #9) will show that the bulk of all funds received on both sets of reports were received within a few days of each other and not spread out over a period of time.

2. The Friends of Mike Antonovich (Federal I.D. #C0016344), based upon the allegations contained in #1 above, may have violated §431(7), §432(e)(5) and §433(b)(2) of 2 U.S.C. by not indicating on the Statements of Organization filed on October 19, 1982 and December 3, 1982 (Exhibit #14) that the Friends of Mike Antonovich (California Identification #742787) was and is a "connected organization."

It is clear that since no funds were expended by the Federal committee for solicitation of funds, those funds had to come from the activities of the state committee. Therefore, it should have been reported as a connected organization.

3. The Friends of Mike Antonovich (Federal I.D. #C0016344) violates §432(e)(4) of 2 U.S.C. by containing the name of a candidate in the name of the committee.

1

With the filing of the F.E.C. Form #1 with the Secretary of the United States Senate (Exhibit #15), Michael D. Antonovich became a candidate for the purposes of the Act. However, at the time the committee was organized in 1982, Antonovich had already indicated that he would be a candidate for re-election to his seat on the Los Angeles Board of Supervisors. In any case, the name of the committee must now be changed.

**4. The Friends of Mike Antonovich (Federal I.D. #C0016344) has violated §441(a)(7) of 2 U.S.C. for not reporting contributions to a non-Federal Committee that were intended for use in a Federal committee.**

I am preparing to file a complaint with the California Fair Political Practices Commission alleging a violation of the Fair Political Practices Act in California which prohibits placing funds collected for one committee into another committee. Additionally, with the exception of the reporting periods of 9/18/82 through 10/16/82 (Exhibit #16), in the case of the state committee, and 10/14/82 through 11/22/82 (Exhibit #17), in the case of the Federal committee, there was no attempt to report the contributors on the state committee as well. While the non-reporting of the donations to the state committee is a state matter, the instance of failure to double report is a matter for Commission inquiry. The subterfuge of giving both committees the identical name should not be lost on the Commission.

**5. The Friends of Mike Antonovich (Federal I.D. #C0016344) has violated 11 C.F.R. §102.5(2)(i), (ii) and (iii)(b) by placing in that committee contributions that were not designated for the Federal account.**

As I have noted above, the contributors whose contributions wound up in the Friends of Mike Antonovich (Federal I.D. #C0016344) were solicited by the Friends of Mike Antonovich (California I.D. #742787). Consequently, the contributions could not have been designated for the Federal committee.

**6. The Friends of Mike Antonovich (C0016344) has potentially violated §441a(a)(1), §441a(a)(3), §441b(a), §441c, §441e and §441g of 2 U.S.C. by possibly allowing prohibited contributions to that committee.**

Because the donors did not know their contributions were being credited to a Federal committee, the donations could have unwittingly exposed the donors to violations of the Act by exceeding their maximum contribution to this

87040350652

1

candidate or by exceeding the annual aggregate maximum or the contributions could have come from a foreign national, corporation, labor union, national bank or defense contractor. In letters on June 6 and June 11, 1984 (Exhibits #11 and #12) the Commission questioned certain contributions which turned out to be impermissible under Federal campaign law. How many of the individuals named in the Federal Friends of Mike Antonovich are, in reality, professional corporations, national banks, foreign nationals or defense contractors?

**7. The Antonovich For Senate Exploratory Committee (Federal I.D. #C00198846) has potentially violated or is preparing to violate §432(e)(3)(A) and §441a(a)(2)(C) of 2 U.S.C. by transferring funds in excess of \$5,000 from a non-affiliated multi-candidate committee.**

In the F.E.C. Form #1 filed on October 15, 1985 (Exhibit #14) with the Secretary of the United States Senate, the Antonovich For Senate Exploratory Committee lists two affiliated committees -- Friends of Mike Antonovich and Antonovich Birthday Committee. If the Friends of Mike Antonovich referred to in the F.E.C. Form #1 refers to the Federal committee, I would refer the Commission back to that committee's statement of organization filed on December 3, 1982 (Exhibit #15) refers to that committee as a multi-candidate committee. Therefore, he could transfer only \$5,000 from that committee to the Senate exploratory committee.

**8. The Antonovich For Senate Exploratory Committee (Federal I.D. # C00198846) has potentially violated, or is preparing to violate, 11 C.F.R., §113.3(b) by attempting to transfer funds from an account to which funds were not donated for a Federal office.**

If either the Friends of Mike Antonovich (California I.D. #742787) or the Antonovich Birthday Committee (California I.D. #850962) had set up separate accounts to hold non-prohibited funds, those funds were donated to him for a local office, not a Federal one, and are therefore prohibited.

**9. The Antonovich For Senate Exploratory Committee (Federal I.D. #C00198846) has potentially violated, or is preparing to violate, the Act by transferring funds that do not legally exist.**

If the Friends of Mike Antonovich referred to in the F.E.C. Form #1 (Exhibit #14) refers to the state committee, an analysis of his contributions and expenditures through

97040650653

June 30, 1985 (Exhibit #18) shows that using the required F.I.F.O. method of accounting, he has no funds that can be transferred.

**10. The Antonovich For Senate Exploratory Committee (Federal I.D. #C00198846)) and/or the Friends of Mike Antonovich (Federal I.D. #C0016344) have potentially violated or are preparing to violate the Act by transferring funds that may have been commingled with prohibited funds.**

Even if, arguendo, there were funds available for transfer from the Friends of Mike Antonovich (Ca. Identification #742787) or from the Antonovich Birthday Committee (California I.D. #850962), these funds may have been commingled in a bank account which also contains prohibited funds. As the Commission will note, there are a total of four committees under the control of Mr. Antonovich. All four of these committees have the same bank. If the two non-Federal committees did not segregate their funds into separate bank accounts, and used the required F.I.F.O. accounting to apportion the expenses of those committees, then any funds that would be transferred from the state committees to either of the Federal committees would be tainted by being mixed with prohibited funds.

With the exception of the Senate Exploratory Committee all of Mr. Antonovich's committees have a single treasurer and all four committees use the same bank. (A) Have separate accounts been established: for prohibited and non-prohibited funds in the Friends of Mike Antonovich (California I.D. #742787) and when were the separate accounts established? (B) Have separate accounts been established for the Antonovich Birthday Committee (California I.D. #850962) and when were they established? (C) Were the funds credited to the Friends of Mike Antonovich Federal Committee (Federal I.D. #C0016344) ever placed in a bank account which contained prohibited funds and later transferred to the Federal committee?

**11. The Antonovich For Senate Exploratory Committee (Federal I.D. #C00198846) has potentially violated or is preparing to violate §441(b), §441(c), §441(e), §441(f) and §441(g) of 2 U.S.C. by transferring funds from the Antonovich Birthday Committee (California I.D. #850962) that were solicited with corporate, labor union and other prohibited funds.**

The Antonovich Birthday Committee is a California committee that has not yet filed a report. However, it appears it was formed for a single fundraising event in August, 1985. The funds were solicited using corporate,

union and other prohibited funds. And while the solicitation (Exhibit #19) indicated personal funds were preferred, it allowed corporate contributions. Were any of these funds commingled in a single bank account? Were the expenses of the committee paid proportionately between prohibited and non-prohibited funds?

F. Conclusion

Because I believe that funds which are prohibited have been or will be shortly transferred into the Antonovich For Senate Exploratory Committee and because the amount of the funds could be in the hundreds of thousands of dollars, I request an expedited review of this matter by the Commission and until such time as that review is completed a prohibition on the soliciting of funds or disbursement of funds by the Antonovich For Senate Exploratory Committee (Federal I.D. #C00198846).

Because this action is being filed in pro per I beg the indulgence of the Commission for any inaccuracies in citations. However, I believe the facts speak for themselves.

Sincerely,

*Bobbi Fiedler*

Dear Mr. Smith:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report does not disclose any payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, rent, utilities, telephone service, office equipment and supplies. Any such payments to a person aggregating in excess of \$200 in a calendar year must be disclosed on Schedule B, supporting Line 19 of the Detailed Summary Page. (2 U.S.C. 434(b)(5)) In addition, if expenses have been incurred but not paid in a reporting period, the activity should be disclosed as a debt on Schedule D, if the obligation is \$500 or more, or outstanding for sixty (60) days or more. (11 CFR 104.11)

If these expenses are being paid by a connected organization, your Statement of Organization must be amended to reflect this relationship. (2 U.S.C. 433(b)(2))

If your committee has used corporate or labor facilities (e.g., telephones or photocopiers), payment must be made within a commercially reasonable time in the amount of the normal and usual rental charge. (11 CFR 114.9(d)) These payments should be disclosed on Schedule B, supporting Line 19 of the Detailed Summary Page, as discussed above.

Finally, any good or service provided to the committee by an individual, except volunteer activity (i.e., a

1 EXH 11

person's time), would be considered an in-kind contribution from that individual, and would be subject to the disclosure requirements of 2 U.S.C. 434(b)(3) and 11 CFR 104.13.

Please provide clarification regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission regulations.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 523-4048.

-Please provide a Schedule B to support the entry of \$550 reported on Line 28 of the Detailed Summary Page. Each transfer-out to an unaffiliated committee must be itemized on Schedule B, Exhibit 1 of the amount transferred. 2 U.S.C. §436(b)(3)(A)(i).

Gentlemen:

Re: Friends of Mike Antonovich  
ID# C00163444  
Year End Report: December 31, 1983

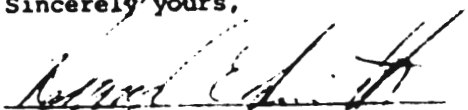

Your letter of June 11, 1984 expresses a curiosity about administrative expenses for the Federal Committee known as Friends of Mike Antonovich.

Friends of Mike Antonovich is a committee that is primarily a California committee under the rules of the Fair Political Practices Commission of the State of California. Since more than 90% of this firm's activity is related to matters involved with the State Committee, no attempt was made to allocate our accounting fees to the Federal Committee.

In the future, we will be keeping track of our services by distinguishing between the Federal and State portions of the Committee. However, a vast majority of the fees will be paid by the State Committee since Mr. Antonovich is a local office holder as a Supervisor of Los Angeles County and, accordingly, most of the activity in his campaign committee will be related to the state portion.

If you have any additional questions, please contact me.

Sincerely yours,

  
Roland E. Smith, Treasurer

TO WHOM IT MAY CONCERN:

My name is Stephen R. Frank and I live at 8744 Gothic Avenue, Sepulveda, California 91343. My phone number is 818-893-7705. By profession I am a political consultant.

In August, 1985, I received an invitation to an Antonovich Birthday Party fund raiser. It was the most unusual that I have ever received. The return "device" said they preferred personal checks, but that corporate checks were acceptable. The committee sponsoring the event was the Antonovich Birthday Committee.

Sincerely,

RE: MUR 2132

66 FEB 21 1986  
P 3: 03

Dear Ms. Reilly:

This letter is to confirm our conversation of February 18, 1986 regarding the date which the response is due to your office in the abovementioned MUR.

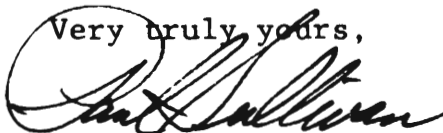

On February 14, 1986, Respondents requested that our office review the complaint in this matter and file a response on their behalf. At that time, they indicated to me the complaint was received by regular mail on February 11, 1986. Thus, the response would be due on February 26, 1986.

You indicated during yesterday's conversation the response would be due no later than February 19, 1986 absent a request for an extension of time.

Due to the apparent complexity of this matter and the dispute as to the date the complaint was received by Respondents, I would request Respondents be granted an extension of time to file their response. On their behalf, I would request a fifteen (15) day extension, thus requiring the response to be filed no later than Friday, March 7, 1986.

I would request a written confirmation of this extension. Your cooperation in this matter is greatly appreciated.

Very truly yours,

Paul E. Sullivan

**Generation of the Matter**

The Office of the General Counsel received a complaint on January 22, 1986 from Representative Bobbi Fiedler.

**Summary of Allegations**

The complaint alleges numerous violations of the Act by Michael Antonovich; The Friends of Michael Antonovich and Roland Smith, as treasurer, (a federal political committee); The Friends of Michael Antonovich (a California state committee); The Antonovich Birthday Committee (a California state committee); and The Antonovich for Senate Committee and Joseph Crail, as treasurer. All of these persons were duly notified. On February 19, 1986 this Office received a notarized amendment to the complaint. This amendment alleges violations of the Act by The Antonovich Transfer Committee and Scott B. McKenzie, as treasurer; and the Antonovich Birthday Committee and Allen E. Brandstater, as

treasurer, (a federal political committee). Notifications to these persons were made in hand to their counsel at a February 20, 1986 meeting.

Because all of the respondents must be afforded the statutorily mandated 15 days to respond to the amended complaint, this Office is unable to make recommendations to the Commission at this time. Upon receiving responses to the amended complaint, this Office will report to the Commission with appropriate recommendations.

Dear Mr. Crail:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Aggregate year-to-date totals for each itemization on Schedule A should reflect activity for the calendar year beginning January 1, 1985. The aggregate year-to-date totals on certain entries of your report seem to indicate that there were additional contributions that should have been itemized. When contributions from an individual exceed \$200 in a calendar year, each subsequent contribution from that individual in that year must be itemized regardless of the amount. Further, an individual or a political committee other than a multicandidate committee may not make contributions to a candidate for Federal office in excess of \$1,000 per election. (2 U.S.C. §§441a(a) and (f))

The Commission notes your intention to refund the excessive contributions. Although the Commission may take further legal steps concerning the acceptance of excessive contributions, your action in refunding the excessive amounts will be taken into consideration.

-You must provide the occupation and name of employer for each contributor required to be itemized on Schedule A. Please amend your report by supplying the omitted information.

With respect to the occupation and name of employer of the contributor, your committee may demonstrate "best efforts" to obtain the required information. This demonstration should describe your committee's procedures for requesting the information. You may

87040650340

also supply a copy of the solicitation and a statement that all solicitations request the required information. See 11 CFR 104.3(a)(4)(i) and 11 CFR 104.7.

An amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. Dear Mr. Brandstater:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-On Schedule A supporting Line 15 of the Detailed Summary Page, you disclose \$42,230 in receipts from corporations. 11 CFR 102.17(c)(3)(i) states that if one or more participants of a joint fundraiser can lawfully accept contributions that are prohibited under the Act, the joint fundraiser participants should either establish a second depository account for contributions received from prohibited sources or forward such contributions directly to the non-federal participant. Please clarify whether you did, in fact, establish a separate depository.

Additionally, please amend your report to delete these prohibited contributions from the Detailed Summary Page. These prohibited funds should be reported as memo entries on Schedule A. 11 CFR 102.17(c)(8)

Should prohibited contributions have been deposited into your joint fundraising account, the Commission recommends that you refund the full amount to the donors in accordance with 11 CFR 103.3(b). If you choose to transfer the fund to an account not used to influence federal elections, the Commission advises that you inform the contributor(s) of you intent and provide the contributor(s) with the option of receiving a refund. Please inform the Commission immediately in writing and provide a photocopy of your check for the refund or transfer-out. In addition, the disbursement should appear on Schedule B supporting Line 26(a) or 27 of your next report.

Although the Commission may take further legal steps concerning the acceptance of a prohibited contribution, prompt action by your committee to refund or transfer-out the amount will be taken into consideration.

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) from an organization(s) which is not a political committee registered with the Commission. Under 11 CFR 102.5(b), organizations which are not political committees under the Act must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

Please clarify whether the contribution(s) received from the referenced organization(s) is permissible, as required by 11 CFR 102.5(a). To the extent that your committee has received funds which are not permissible, the Commission recommends that you refund the impermissible amount(s) to the donor(s) in accordance with 11 CFR 103.3(b). If you choose to transfer the funds to an account not used to influence federal elections, the Commission advises that you inform the contributor(s) of your intent and provide the contributor(s) with the option of receiving a refund. Please inform the Commission in writing and provide a photocopy of your check(s) for the refund(s) or transfer(s)-out. Contributions which are refunded should be disclosed on Schedule B for Line 26a of your next report; those which are transferred-out should be disclosed on Schedule B for Line 20 or Line 27, as appropriate.

An amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

FEDERAL ELECTION COMMISSION

WASHINGTON, D.C. 20463

Roland E. Smith, Treasurer  
Friends of Mike Antonovich-State  
Political Action Committee  
425 East Colorado Boulevard, #780  
Glendale, CA 91205

Dear Mr. Smith:

This letter is prompted by the Commission's interest in assisting committees which may be subject to the registration and reporting requirements of the Federal Election Campaign Act (the Act) but are not registered with the Commission.

The Act defines a "political committee" to include any committee, club, association, or other group of persons which receives contributions aggregating in excess of \$1,000 during a calendar year or which makes expenditures aggregating in excess of \$1,000 during a calendar year (for the purpose of influencing any election for Federal office). 2 U.S.C. §431(4).

In addition, the Act precludes a political committee from making a contribution to a candidate to Federal office in excess of \$1,000 per election, until it becomes a multicandidate committee. The term "multicandidate committee" means a political committee which has been registered with the Commission, Clerk of the House or Secretary of the Senate for at least six months; has received contributions for Federal elections from more than 50 persons; and (except for any State political party organization) has made contributions to five or more Federal candidates. 2 U.S.C. §441a(a)(4) and 11 CFR 100.5(e)(3).

A review of the receipts reported by the Antonovich Transfer Committee indicates that your organization may have made an excessive contribution to a Federal candidate for the 1985 election. This activity may qualify your organization as a "political committee" subject to the registration, reporting and other requirements of the Act. A copy of the receipt schedule(s) which lists your organization's contribution(s) is enclosed for your review.

In order to be in compliance with the Act, your organization must either:

- 1) submit a Statement of Organization, file disclosure reports on FEC Form 3X, and obtain a contribution refund of the amount in excess of the limitations (relevant informational materials and forms enclosed; or

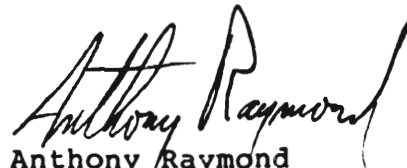

- 2) receive a full contribution refund or direct the recipient committee(s) to transfer the funds to an account not used to influence Federal elections.

The second alternative noted above should be followed if your organization does not wish to register and file disclosure reports, or if the contributions or expenditures by your organization were from an account containing corporate or union funds.

If you believe that your organization is not a political committee, has not made excessive contributions to a Federal candidate, or the Commission is otherwise in error, please submit documentation which will clarify this matter. Although the Commission may take further legal steps concerning this matter, your prompt action will be taken into consideration.

Please notify the Commission within fifteen (15) days from the date on this letter of your decision on this matter. If you have any questions, please contact me on the agency's toll-free number, (800) 424-9530. My local number is (202) 376-2480.

Dear Mr. Smith:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your committee has been identified as a joint fundraiser participant by the Antonovich Birthday Committee. Please amend your statement of organization to reflect the Antonovich Birthday Committee as an affiliated committee and to identify the separate depository account(s). 11 CFR 102.17(c)(3)

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. The Act precludes a multicandidate committee from making a contribution to a candidate for Federal office in excess of \$5,000 per election. (2 U.S.C. §441a(a)) If you have made an excessive contribution, the Commission recommends that you notify the recipient and request a refund of the amount in excess of \$5,000. Please inform the Commission immediately in writing and provide a photocopy of your refund request sent to the recipient. In addition, any refund should appear on a supporting Schedule A for Line 16 of your next report.

If the contribution(s) in question was incorrectly reported and/or you have additional information, you may wish to submit documentation for the public record.

Although the Commission may take further legal steps concerning the excessive contribution(s), your prompt action in obtaining a refund of the excessive amount will be taken into consideration.

An amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. MUR 2132

INTRODUCTION

This document is filed with the Federal Election Commission (Commission or FEC) pursuant to 2 USC 437g(a)(1) on behalf of all of the aforementioned respondents (Respondents) in response to the complaint and amended complaint filed by Ms. Feidler (Complainant).

FACTS

The complaint in this matter sets out a wide variety of alleged violations against the Respondents. Overlying these numerous allegations, are the activities of no less than six (6) political committees consisting of federal and state committees stretching over a five (5) year period of time. Prior to responding to the alleged violations, it may be of assistance to review the status of the various respondent committees, individuals and their interrelationships.

8704050359  
Mr. Antonovich (Antonovich) is presently a Supervisor for the County of Los Angeles, California, elected to that office for a four year term in November, 1980 and again in 1984. He is primarily responsible for the establishment and control of Friends of Mike Antonovich State and Federal committees, Antonovich Exploratory Committee, Antonovich Birthday Committee State and Federal and the Antonovich Transfer Committee.

8704050359  
Friends of Mike Antonovich State Committee (FMA-S). This committee is registered with the California Secretary of States Office as a "control" committee of Supervisor Antonovich. It is through this committee Mr. Antonovich raised contributions and made disbursements for his campaign activities for Supervisor. Respondent Roland E. Smith is the Treasurer of FMA-S.

8704050860  
Friends of Mike Antonovich Federal Committee (FMA-F). This is a federal nonconnected, qualified multi-candidate political committee registered with the Commission on October 21, 1982. FMA-F has filed a termination report with the Commission as part of its 1985 year end report. Mr. Antonovich formed this committee in order to support candidates for federal office. Mr. Roland E. Smith was Treasurer of FMA-F during the time of its existence.

Antonovich Birthday Committee, Federal (ABC-F). This is a fundraising representative for a joint fundraising activity established pursuant to 11 CFR 102.17(b). ABC-F, acted as a fundraising representative for one event entitled, "An International Night and Birthday Salute to Supervisor Michael D. Antonovich". The event was held August 29, 1985. Mr. Allen E. Bradstater was Treasurer of this committee.

Antonovich Birthday Committee, State (ABC-S). This is the state arm of the joint fundraising event referred to above. California law requires that any committee, which receives funds in excess of \$500 during a calendar year, register as a political committee. (See California Government Code Section 84101). Mr. Allen E. Bradstater served as Treasurer of this committee.

Antonovich for Senate Exploratory Committee (AEC). Mr. Antonovich made a decision to "test the waters" for the Republican nomination for the United States Senate. Pursuant to

11 CFR 100.7(b)(1) and 100.8(b)(1), Mr. Antonovich commenced fundraising and expenditure activities for testing the waters. Though not required under the Federal Election Campaign Act of 1971, as amended (FECA), Antonovich elected to register this organization as an exploratory committee and place on the public file its Statement of Organization in October, 1985. Mr. Joe Crail served as Treasurer of AEC. At the time, Mr. Antonovich made his decision to seek the nomination, AEC was converted into the principal campaign committee of Mr. Antonovich.

Antonovich for Senate Committee (ASC). On January 8, 1986, Mr. Antonovich filed a Statement of Organization for his U.S. Senate principal campaign committee. Mr. Joe Crail is the Treasurer of ASC. This committee is not a named respondent in this matter and is referred to only for information purposes.

Antonovich Transfer Committee (ATC). The ATC registered with the Commission on January 6, 1986, as an affiliated committee of ASC and FMA. When FMA-S segregated contributions which were subsequently transferred to ASC, these segregated funds were put into separate account entitled ATC. As will be discussed below, ATC was required to file a Statement of Organization with the Commission since it transferred in excess of \$1,000. This committee served solely as a transfer agent for the funds. Mr. Scott Mackenzie is treasurer of ATC.

Mr. Antonovich has served in elective office for over fifteen (15) years including six (6) years as a California State Assemblyman and six (6) years as Los Angeles County Supervisor. In addition, he was appointed as Chairman of the California Republican Party in February, 1985. From these various positions he has actively raised funds throughout the years for both state and federal committees.

In 1986, numerous federal and state elective offices are up for election. Given Mr. Antonovich's credentials and background, referred to above, he is a prime choice as a Republican candidate for any number of these offices. Contrary to complaintants statement, the California Government Code does not prohibit transfer of funds from one candidate's committee to another. Therefore, the funds raised by FMA-S could have been used for Mr. Antonovich's reelection as Supervisor, election to a statewide California office or a federal office.

#### BIRTHDAY EVENT

It appears from the complaint, a major source of concern regarding the raising of funds and the transfer of funds centers around the aforementioned joint fundraising Birthday event held on August 29, 1985. This event benefited both FMA-S and FMA-F. A decision was made to form a separate committee for compliances with the joint fundraising regulations (102.17). Thus, ABC-F was registered with the Commission.

8704050863

The invitation (hereinafter invitation) sent to potential contributors stated that this event was a joint fundraising event for both state and federal political committees. (See Attachment C). As is detailed in the ABC-F and ABC-S disclosure reports, the event raised a gross of \$95,380.95. Total expenses amounted to \$17,063.81 leaving net proceeds of \$78,317.13. Pursuant to the joint fundraising agreement entered into between the two political committees, both committees incurred 50% of the expenses thereby leaving them each a net of \$39,158.57. ABC transferred this amount of FMA-S and FMA-F. Only funds permissible under the FECA were transferred to FMA-F. (See Attached Mackenzie Affidavit, (Mac. Aff.), paragraph 4 and tab 7 of Supp. Info.).

#### FUNDS TRANSFERRED TO ASC

The second major issue in the complaint appears to be the funds which were received by the Antonovich Senate Committee (ASC) as a result of transfers.

The original source of all funds transferred to ASC were from sources which would be permitted to make contributions subject to the individual limits and prohibitions of the FECA. No corporate, labor organization, federal contractor, or foreign national funds were transferred to the best of the knowledge of those responsible for conducting accounting and transfers. (Mac. Aff., paragraph 8).

3704050354

An audit of FMA-S funds was conducted using a LIFO accounting method to determine the contributions comprising the FMA-S cash on hand as of October 31, 1985. Of these contributions, a total of \$218,825.00 was determined to be permissible funds under the FECA. These funds were transferred to ATC. (Mac. Aff., Paragraph 5).

In light of the fact that more than \$1,000 was being transferred to a federal committee, the entity transferring the money would be required to file a statement of organization as a federal committee. Pursuant to this requirement, ATC was established to act as the account into which the funds to be transferred were segregated and transferred to the AES and ASC. All contributors making up the amount transferred were itemized by ATC. In turn, AEC and ASC reported the funds being transferred in from ATC and itemized them as a memo entry. Thus, all funds received by AEC or ASC were from original sources which would be entitled to contribute the amount transferred under the FECA, and they were properly itemized. (Mac. Aff., paragraph 8).

All contributions transferred were applied to the contributors 1986 ASC limits. In addition, separate accounts have been established by ASC for primary and general contributions and reported as such by ASC. (Mac. Aff., paragraph 7).

## ARGUMENTS

### I

The funds transferred by a candidates state committee to his federal principal campaign committee is permissible under the FECA.

The principal issue of the complaint appears to lie in the allegation that FMA-S funds were illegally solicited, commingled and transferred to ATC. Respondents submit that there is no factual basis in the complaint upon which this allegation may be supported.

The Commission regulations permit transfers of funds without limit on the amount between affiliated committees regardless of whether they are committees under the FECA. [11 CFR 102.6(a)(1)(i)]. As noted in the facts above, Mr. Antonovich established and controlled all of the respondent committees. As such, those committees including FMA-S and ATC and ASC were affiliated committees. [11 CFR 100.5(g)(2)] The Commission has specifically addressed the issue which presents itself here regarding the transfer of funds in a state candidates committee to that same individual's federal candidate committee.

In Advisory Opinion 1985-2 and 1982-52, the Commission specifically held that for purposes of transferring funds between the state and federal candidate committees, the two entities were

considered to be affiliated and as such transfers in unlimited amounts could be made from the state committee to the federal committee. Therefore, pursuant to the regulations and the aforementioned Advisory Opinions, the allegation that a transfer of funds between FMA-S and ATC/ASC are per se illegal, has no basis. The Commission should find no reason to believe and dismiss this allegation in the complaint.

The complaint also alleges that by virtue of transferring the funds from FMA-S to ATC, the funds transferred were commingled with prohibited funds while in FMA-S accounts and therefore, they were illegally transferred.

The California law does not prohibit corporate contributions nor does it limit the amount a person may contribute. (See California Government Code, 84200, et. seq.). Therefore, FMA-S contained such funds at the time of the transfer. However, the Advisory Opinions referred to above, recognize the fact that the funds to be transferred will be commingled with funds prohibited under the FECA. It is for that very fact the Commission required the segregation of the permissible funds from the prohibited funds prior to the transfer. Thus, the complaint states no basis upon which a violation for commingling of funds can be found. The Commission should find no reason to believe and dismiss this allegation.

Similarly, there is no basis for the allegation that since the funds transferred to the ASC were not solicited under the FECA requirements they were improperly received by ASC.

87040537  
The FEC regulations speak only in terms of soliciting contributions for federal candidates. It does not mandate that all funds used by the candidates committee be solicited under the FECA. Again, the Commission's Advisory Opinions recognize this fact when they permitted the funds originally solicited by a state candidate committee and presumably under the solicitation guideline of that particular state to be transferred to the federal authorized committee. (A.O., 1982-2, 1985-2, 1984-46). Compare to 1984-31 which involved transfers from a state to a federal corporate separate segregated fund.

In the case of Mr. Antonovich, many of those funds transferred to the ASC were received by FMA-S several years earlier. At the time that the funds were solicited, they were solicited under the requirements of the California Government Code since they were raised to support a county candidate. The FEC regulations and Advisory Opinions which have addressed the transfer of funds from a state to a federal candidates committee have never required retroactive notification to the contributors of the funds which are transferred. The Respondents have satisfied the itemization requirement for those funds transferred in order for there to be full disclosure of the original source of the funds. Therefore, the complaintants allegation that the

87040650858

funds transferred were not properly solicited is without foundation and the Commission should find no RTB and dismiss this allegation.

The transfer of funds from FMA-S to ATC began on November 1, 1985. A review of the FMA-S cash on hand (COH) at that time revealed \$218,285.00 could be transferred to ATC under the limits and prohibitions of the FECA.

In preparation for filing this response, the LIFO accounting method was employed to double check the funds transferred. Using the LIFO system to determine which contributions made up the FMA-S COH on October 31, 1985, it revealed permissible FECA funds to be \$218,285.00 out of a total COH of \$645,359.16. A detailed break down of these figures are included in the Mackenzie Supp. Info. attached hereon. (See Mac. Aff. 6).

The Respondents followed the Commission guidelines for determining the universe of funds available to be transferred and from that universe the sub-group which constituted permissible FECA funds which could be transferred to ATC. FMA-S and ATC followed the Commissions procedures and transferred only funds permissible under the FECA. Therefore, Respondents submit the Commission should find no reason to believe and dismiss the various allegations which refer to the transfer of funds to ATC.

II

THE ANTONOVICH BIRTHDAY COMMITTEE (ABC) WAS A  
JOINT FUNDRAISING REPRESENTATIVE AND THEREFORE  
ENTITLED TO TRANSFER FUNDS TO FMA-S AND FMA-F

The fundraising activities by ABC, including the solicitation of contributions, the expenses incurred by soliciting the funds and the ultimate transfer of the funds appeared to be the second principal issue which is referred to throughout the numerous allegations of the complaint.

ABC was established and registered with the Commission in order to conduct a single joint fundraising event between FMA-S and FMA-F. The event was entitled, "An International Night and Birthday Salute to Supervisor Michael D. Antonovich" and was held on August 29, 1985. (See attachment C).

The FEC regulations require a "fundraising representative" to be designated whenever a joint fundraising event is held. This fundraising representative may be a political committee already registered with the FEC or the participants may establish a new federally registered political committee to act as the fundraising representative for the event [11 CFR 102.17(b)].

The latter method was used by respondents in this case. ABC-F registered with the Commission and ABC-S was established and registered under provisions of the California Government Code which require any state political committee which receives in

excess of \$500 in a calendar year to register as a political committee [California Government Code Section 84101].

FMA-S and FMA-F drafted a joint fundraising agreement setting forth the terms of the joint fundraising event and indicating that the proceeds and the expenditures would be allocated between the committees on a 50/50 basis. ABC was also designated as the committee which would act on behalf of FMA-S and FMA-F for purposes of conducting the joint fundraising activities; in other words the joint fundraising representative. (See Attachment D).

As the ABC-F report discloses, a total of \$95,380.95 was raised. After an accounting of the expenses was completed, total expenses were shown to be \$17,063.81. This left net proceeds of \$78,317.13 to divide on the preestablished 50/50 basis. A total of \$39,158.57 was transferred to FMA-S and FMA-F on November 1, 1985. (Mac. Aff., paragraph 4 and Supp. Info.).

This transaction was properly disclosed by ABC-F as a transfer of funds. Proper itemization of the contributors was also set forth in the ABC-F Year End Report. The individual in charge of accounting of ABC was aware that no prohibited funds comprising the net proceeds could be transferred to FMA-F. An accounting of the funds transferred to FMA-F shows that to the best of the accountants knowledge at the time of the transfer, none of these proceeds were made up of prohibited or excessive

contributions prohibited with respect to the FECA (Mac. Aff., paragraph 4). Respondents submit the numerous allegations about impermissible solicitation and transfer of the ABC funds have no basis and the Commission should find no reason to believe and dismiss these allegations.

8 7 0 4 0 5 0 8 7 1  
The allegation contained in the complaint which states a violation occurred as a result of the fact that ABC encouraged contributions to come from individuals rather than corporations is likewise not a violation of any provision of the FECA. When joint fundraising activities occur between federal committees and state committees in which corporate monies are permitted for the state committee, often times a large percentage of the contributions will in fact be from corporations. To be assured that sufficient funds are available to lawfully split between the federal and the state committees, contributors are often encouraged to write personal rather than corporate checks. The personal checks may be attributed to the state or federal committee. However, when the large majority of the funds are from corporate sources, the federal committee will be denied its allocable share of the proceeds. (Mac. Aff., paragraph 5). Thus, there is nothing out of the ordinary nor any type of violation of the FECA by encouraging personal checks in joint fundraising activities. The Commission should find no reason to believe and dismiss this allegation.

8704050372

Lastly, the complaintant appears to allege that funds were transferred by the Birthday Committee into FMA-F without demonstrating a proper amount of fundraising costs. As is noted above, and as required by the FECA, the expenses for conducting the fundraising activity were paid for by ABC and allocated on a 50/50 basis between FMA-S and FMA-F proceeds prior to the time of the transfer. It is the ABC-F report which contains the fundraising expenses for the FMA-F funds, not the FMA-F report.

As demonstrated by the facts and legal arguments above, ABC made a great efforts to comply with the provisions of the joint fundraising regulations set forth at 102.17. Proper notice was given indicating that it was a joint fundraising event for a state and a federal committee. The contributions and the expenses were split on a 50/50 basis per the committee's agreement prior to conducting the joint fundraising activity. FMA-S and FMA-F also established ABC to act as a joint fundraising representative. An accounting of the joint fundraising proceeds was conducted by ABC-F and the accountant, Mr. Mackenzie, has attested to the fact to the best of his knowledge that the contributions transferred to FMA-F originated from sources which were permissible under the FECA. Therefore, respondents submit the allegations in the complaint which are tied to the activities of the ABC should be dismissed with a no reason to believe finding.

III

FMA-S IS NOT THE CONNECTED ORGANIZATION OF FMA-F  
THUS THERE EXISTED NO REQUIREMENT THAT FMA-S BE  
LISTED ON THE STATEMENT OF ORGANIZATION AS SUCH AN ENTITY

The complaintant alleges that FMA-S serves as the connected organization of FMA-F and the Statement of Organization failed to indicate it as such an organization.

8704050373  
The complaint appears to misunderstand the distinction between a connected organization and an affiliated committee. By its very nature, FMA-S is not able to serve as a connected organization for a federal committee [11 CFR 100.6(a)]. FMA-F, however, listed FMA-S as an affiliated committee on their FEC Statement of Organization. They interpreted that affiliation requirement to pertain to all committees under the control of Mr. Antonovich regardless of whether they were federal or state committees. Though nothing required FMA-F to register FMA-S as an affiliated committee, there is no violation of the FECA which results by virtue of doing so.

Therefore, the allegation FMA-S was the connected organization of FMA-F should be dismissed with a no reason to believe finding.

IV

COMPLAINANT HAS FAILED TO ALLEGE ANY FACTS  
THAT WOULD REQUIRE EXTRAORDINARY ACTION BY  
THE COMMISSION IN THE FORM OF AN  
EXPEDITED INVESTIGATION OR AUDIT

As set out above, the complaint alleges numerous violations of the Act, however, the vast majority of these may be dismissed due to the fact that ABC was a joint fundraising event and the transfers to which the complainant objects from FMA-S were from permissible original sources. Mr. Smith, the Treasurer for FMA-S, FMA-F, and ABC is a certified public accountant practicing in California. Mr. Mackenzie is also a certified public accountant who has had extensive practice in the area of matters dealing with the FECA. Great care was given by both of these individual's to properly itemize and disclose all activities and transfers by the respective committees named as respondents herein.

Respondents contend therefore, that the activities of the respondent committees, though quite numerous and apparently confusing to the complainant were properly accounted and disclosed on the committees respective state or federal disclosure report.

Given the detail with which various records were maintained, and publicly disclosed, assuming arguendo that the Commission found reason to believe on any of the allegations contained in

the complaint, such allegations fail to mandate the extraordinary action requested by complaintant.

V

THE COMPLAINT FAILS TO ALLEGES A VIOLATION BY  
THE INDIVIDUAL RESPONDENTS AND THEREFORE THEY  
SHOULD BE DISMISSED

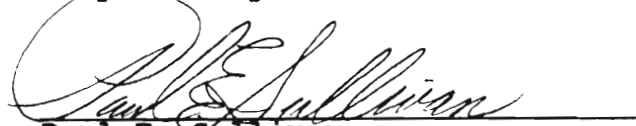

The complaint names Michael D. Antonovich, Joseph Crail and Roland E. Smith as Respondents within their individual capacities. The complaint, however, fails to allege any facts or legal basis upon which to make any finding these individual violated the FECA. Since no basis is alleged nor does any exist against these individuals, the Commission should find no reason to believe and close the case as it pertains to them.

VI

CONCLUSION

For the facts and legal reasons set forth above, respondents pray that the Commission find no reason to believe on any of the allegations contained in the complaint and close the file.

Respectfully submitted,

AFFIDAVIT OF SCOTT B. MACKENZIE

RE: MUR 2132

I am Scott B. Mackenzie, and I have personal knowledge of the information presented below herein.

1. I am a certified public accountant and head of Mackenzie and Company which provides fundraising consultation and accounting services for political committees.

2. I am presently the treasurer of the Antonovich Transfer Committee (ATC), a federally registered political committee and the assistant treasurer of the Antonovich for Senate Committee (ASC), the principal campaign committee of Michael D. Antonovich.

3. I have also served as the accountant for the Antonovich Birthday Committee (ABC), a joint fundraising committee between Friends of Mike Antonovich State (FMA-S) and Friends of Mike Antonovich Federal (FMA-F).

4. In regard to ABC activities, FMA-S and FMA-F entered into an agreement prior to the Birthday Committee fundraising event and agreed to split all proceeds and expenses on a 50/50

87040650877

8 7 0 9 5 0 3 7 3  
basis. I had personally prepared the bank reconciliation statement dated 10/31/85. A copy is contained in the document entitled, Friends of Mike Antonovich, MUR 2132 Supplementary Information (Supp. Info.), a copy of which is attached hereto and fully incorporated herein. I also prepared a contributor list which identifies each contribution and the source of each contribution and this information is set out in the Supp. Info. at tab number 9. I personally reviewed the funds which ABC transferred to FMA-F and to the best of my knowledge at the time of the transfer no funds which are prohibited or in excess of the limits of the Federal Election Campaign Act of 1971 as amended (FECA) were transferred to FMA-F.

5. From the fundraising consultant perspective, it is more beneficial to encourage individual contributions when conducting joint fundraising events. Too often when corporate funds are permitted there are insufficient FECA funds available to give the federal committee its allocable share. In the case of ABC-S, all of its share of the gross proceeds was comprised of corporate contributions but for \$4,175 of individual contributions.

6. With regard to the FMA-S transfer to ATC, I personally reviewed those funds comprising the FMA-S cash on hand on October 31, 1985 and from those contributions determined which could be transferred to ATC. I have since rechecked those figures and per the Commission's requirement used the LIFO accounting system to determine which contributions constituted COH on October 31,

1985. I determined \$218,285.00 of the COH could be transferred to ATC as permissible FECA funds.

7. The Antonovich Transfer Committee, of which I am treasurer, was established in order to be the account in which the permissible funds to be transferred from FMA-S were to be segregated. I determined that the account into which the transferrable funds were segregated would have to register as a political committee under the FECA and file a Statement of Organization since it was to transfer in excess of \$1,000 to the ASC. ATC filed a Statement of Organization with the Commission and is presently an existing political committee. No contributions were solicited by this committee nor were any expenditures made by this committee. Its purpose was merely to serve as the transferring agent of funds to the ASC.

8. I have reviewed all of the funds which ASC received as a result of transfers from ATC. To the best of my knowledge, the funds which ASC received from ATC were comprised of monies, the original source of which would be permitted to contribute to political committees under the FECA. All of the monies transferred to ASC were properly itemized on the ATC and the ASC reports and were attributed to the original contributors 1986 contribution limit to ASC. Separate accounts have been established by ASC for primary and general contributions. In some instances, when funds were transferred which FMA-S received prior to Mr. Antonovich's last election in November of 1984,

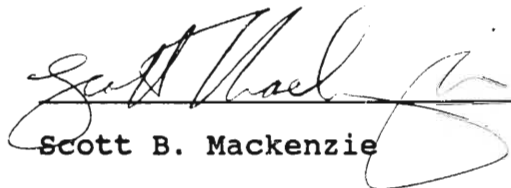

these funds were still attributed to the original contributors ASC limits rather than declared as Antonovich excess campaign funds and transferred without being subject to the 1986 limits.

9. In summary, the various committees which are respondents in MUR 2132 and whose funds I have indicated above herein as having been reviewed and which ultimately were transferred to ASC, were comprised of funds whose original contributors were not sources which would be prohibited nor in amounts excess of the limits under the FECA. Full disclosure was made of all these original contributors for purposes of full disclosure and to comply with the letter and the spirit of the FECA.

I swear that the preceding information is true and correct to the best of my knowledge.

FRIENDS OF MIKE ANTONOVICH  
STATE COMMITTEE

BACKGROUND INFORMATION

Friends of Mike Antonovich is the Principal Campaign Committee of Supervisor Michael Antonovich. This committee was utilized by Mike Antonovich in his Re-election Campaign for L.A. County Supervisor in 1984.

All activity of Friends of Mike Antonovich is disclosed as required by the State of California.

SOLICITATION OF FUNDS

Friends of Mike Antonovich raised the funds required to re-elect Supervisor Antonovich in 1984. The funds raised were deposited into accounts for the purpose of re-electing the Supervisor.

A number of fundraising techniques were utilized to raise money during the election year. During the off-years, funds were raised primarily through annual fundraising events. For instance, an annual barbecue and a dinner honoring Supervisor Antonovich's birthday were primary sources of funds.

TRANSFER OF FUNDS

Upon completion of an audit of the cash-on-hand and the receipt of funds from the Birthday Committee, only those funds meeting the prohibitions and limitations of the Act were transferred to the Antonovich Transfer Committee.

FRIENDS OF MIKE ANTONOVICH  
STATE COMMITTEE  
AUDIT PROCEDURES

STEP-BY-STEP PROCEDURES

1. Using a cut-off date of 10/31/85, Mackenzie & Company verified a cash-on-hand figure of \$645,359.16. See Bank Reconciliation at Tab 3.
2. Copies of all committee deposits (bank ticket and copies of checks) and bank statements were reviewed.
3. Starting with the last deposit made to the account and moving back in time, the deposits were assigned batch numbers. Batch numbers were assigned to distinguish which account funds were deposited to as follows:
  - 1000 series = Valley National Checking
  - 2000 series = Mitsui Checking
  - 3000 series = Mitsui Special Checking
  - 4000 series = Investment Account
4. All deposits were tracked to the bank statements, with the batch number being written on the bank statement along side the entry to verify that no deposits were omitted nor counted twice.
5. In order to determine our cut-off point, a batch log was created starting with the most recent deposit and adding each previous batch until the total amount of the batches equaled the cash-on-hand figure. (see Tab 4)
6. The last batch included (batch #1038, deposited on 8/27/84) totaled \$10,475.00, however we could only include \$9,333.21 in our total. Therefore, the last two contributions (sequence #27 & 28) were excluded and sequence #26, a contribution for \$1,000 was reduced by \$766.79 thus bringing the total batches included in the cash-on-hand to \$645,359.16.
7. A 100% audit of the checks within the batches was conducted. The checks were then assigned source codes.
8. The source codes were designed as a three digit, alpha-numerical code signifying the following:

Source code format: Numeric 1/ Numeric 2/ Alpha

<u>Numeric 1</u> (bank account)	<u>Numeric 2</u> (year deposited)	<u>Alpha</u> (source of funds)
1 = Valley National	4 - 1984	B - Business
2 = Mitsui Checking	5 - 1985	C - Corporate
3 = Mitsui Special		I - Individual
4 = Investment Account		J - Joint account
		K - Cash
		P - Partnership
		R - Political

23  
x2

9. The contributions were keypunched onto our computer system. The following information was captured:

- (a) name of contributor
- (b) salutation
- (c) contributor's address
- (d) date of deposit
- (e) amount of contributor
- (f) batch and sequence number
- (g) source code

10. The information was printed out in batch and sequence order. Batch totals were verified and the information was edited for accuracy.

11. A second report was then printed by source code. This print-out was used to segregate contributions by source of funding.

12. Once the audit was completed, the acceptable contributors to the State Committee were merged with the contributors to the Senate Committee. The computer unduped and aggregated the contributors and printed the file.

13. An audit of the print-out was then undertaken to undupe the file by hand and to eliminate contributions which in the aggregate exceeded the federal limits.

14. At the conclusion of this process, the transferable funds were moved to the Transfer Committee and those funds which did not meet the limits and prohibitions of the Act remained in the State Committee.

## ANTONOVICH BIRTHDAY COMMITTEE

### BACKGROUND INFORMATION

The Antonovich Birthday Committee was established as a joint fundraising committee for the purpose of raising funds which would be divided within Friends of Mike Antonovich. The intention was to divide the proceeds whereby funds meeting the prohibitions and limitations of the Act would be deposited into the federal account and those funds prohibited under the Act would be deposited into the state account.

The intended distribution was an equal 50-50 split, therefore contributors were encouraged to make personal contributions, where in the past corporate contributions dominated. By establishing a joint fundraising committee, Friends of Mike Antonovich could more easily allocate the cost of funds to each account.

### SOLICITATION OF FUNDS

Invitations were mailed to supporters of Supervisor Antonovich requesting that they join in honoring Mike Antonovich's birthday. A notice to contributors was enclosed with the invitation stating that this was a joint fundraising event; the funds would be allocated between the state and federal accounts; the contributor could designate which account his contribution was intended for; and the allocation formula was subject to change if a 50-50 split could not be achieved. (see Tab 6)

A response device accompanied the invitation and notice to contributor, requesting the contributor's name, address, phone number, occupation and name of employer.

### TRANSFER OF FUNDS

Upon receipt of all contributions to the Birthday Committee and payment of all related expenses, an audit of the committee was undertaken. In accordance with the agreed upon allocation formula, the net proceeds were distributed in an equal 50-50 split, to the Friends of Mike Antonovich State and Federal Accounts.

**ANTONOVICH BIRTHDAY COMMITTEE  
JOINT FUNDRAISING COMMITTEE  
AUDIT PROCEDURES**

**STEP-BY-STEP PROCEDURES**

1. Using a cut-off date of 10/31/85, Mackenzie & Company verified a cash-on-hand figure of \$78,317.14. See Bank Reconciliation at Tab 7.
2. Copies of all committee deposits (bank ticket and copies of checks) and bank statements were reviewed.
3. Starting with the first deposit made to the account (8/8/85) and moving forward in time, the deposits were assigned batch numbers.
4. All deposits were tracked to the bank statements, with the batch number being written on the bank statement along side the entry to verify that no deposits were omitted nor counted twice.
5. A batch log (cash receipts journal) was created and tied into the bank reconciliation. (see Tab 8)
6. An Audit of the checks within the batches was conducted. The checks were then assigned source codes.
7. The source codes were designed as a three digit, alpha-numerical code signifying the following:

Source code format: Numeric 1/ Numeric 2/ Alpha

<u>Numeric 1</u> (bank account)	<u>Numeric 2</u> (year deposited)	<u>Alpha</u> (source of funds)
5 = Valley National Bank # 311	5 - 1985	B - Business C - Corporate I - Individual J - Joint account K - Cash P - Partnership R - Political

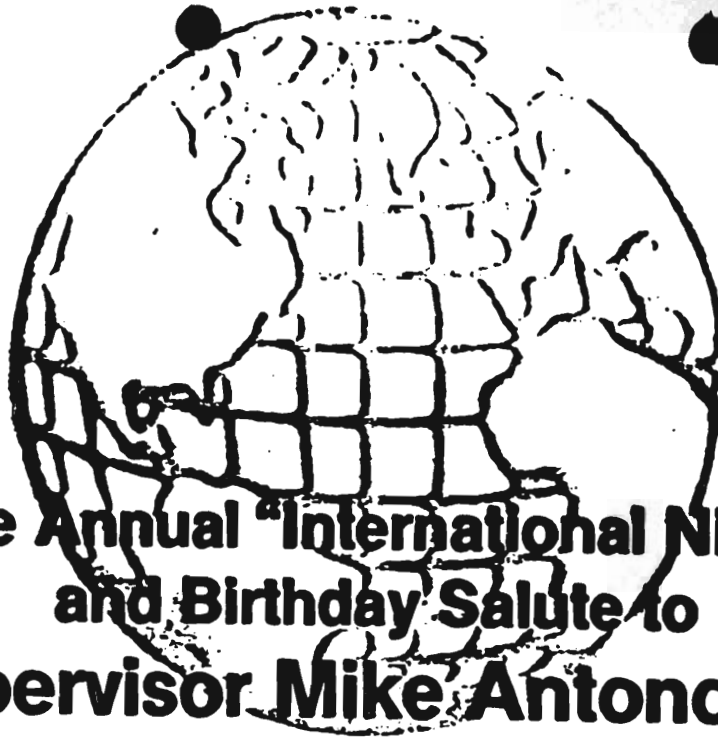

8. The contributions were keypunched onto our computer system. The following information was captured:
  - (a) name of contributor
  - (b) salutation
  - (c) contributor's address
  - (d) date of deposit
  - (e) amount of contributor
  - (f) batch and sequence number
  - (g) source code

9. The information was printed out in batch and sequence order. Batch totals were verified and the information was edited for accuracy.
10. A second report was then printed by source code. This print-out was used to segregate contributions by source of funding.
11. The contributions were allocated as follows:
  - All contributions which did not meet the prohibitions and limitations of the Act were allocated to the state account.
  - The remaining contributions were divided in such a way as to achieve an equal division between the committees. (see Tab 9)
12. The net proceeds were then distributed equally between Friends of Mike Antonovich - State and Federal Accounts.

## ANTONOVICH TRANSFER COMMITTEE

### BACKGROUND INFORMATION

The Antonovich Transfer Committee was established to act as the conduit account for all funds being transferred to the Senate Committee from the Friends of Mike Antonovich (both Federal and State Accounts). When the proper amount of funds transferable from Friends of Mike Antonovich was ascertained, these funds were transferred to the Antonovich Transfer Committee. The Year-end Disclosure Report itemized such funds as required by the Act and Regulations, and reported the transfer of funds to Antonovich for Senate as a transfer between affiliated committees.

### SOLICITATION OF FUNDS

Funds deposited into the Antonovich Transfer Committee represent only those funds transferred between affiliated committees. No solicitations for contributions were made to the Transfer Committee.

### TRANSFER OF FUNDS

Funds received by The Friends of Mike Antonovich were subsequently reported and transferred to Antonovich for Senate.

This Joint Fundraising Agreement made and entered into as of the day of \_\_\_\_\_, 1985, by and between Friends of Mike Antonovich, a federally registered political committee, (hereinafter referred to as "Federal Committee") and Friends of Mike Antonovich, a political committee registered in the state of California, (hereinafter referred to as "State Committee").

1. In accordance with Federal and California State Election Laws, FEDERAL COMMITTEE and STATE COMMITTEE hereby agree to form the Birthday and Barbecue Joint Fundraising Committee (hereinafter referred to as "Joint Committee").

ALLOCATION FORMULA

It is the intention of the two committees to share in the receipts and expenditures equally. In order to achieve this 50-50 split, the following allocation will be applied:

- (1) Designated contributions (which are within the contributors limit) will be allocated first;
- (2) Contributions from individuals which may not be accepted by the Federal Committee (due to Federal contribution limitations) will be allocated to the State Committee;
- (3) Contributions from sources prohibited under the Federal Election Campaign Act, but permissible under state law will be allocated to the State Committee; and
- (4) The remaining contributions (i.e. individual contributions which fall within the Federal limitations) will be divided in a manner which achieves, or most nearly achieves a 50-50 split of all Joint Committee contributions.

The following example will illustrate the allocation of funds:

	<u>Joint Committee</u>	<u>Federal Committee</u>	<u>State Committee</u>
(1) Designated Contributions	\$ 5,000	\$ 3,000	\$ 2,000
(2) Limitation Problems	5,000	- 0 -	5,000
(3) Prohibited Sources	10,000	- 0 -	10,000
(4) Federally Acceptable	<u>30,000</u>	<u>22,000</u>	<u>8,000</u>
TOTALS	<u>\$50,000</u>	<u>\$25,000</u>	<u>\$25,000</u>

Reference: Year End Report (10/1/85-12/31/85)

Dear Mr. MacKenzie:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses contributions which appear to exceed the limits set forth in the Act. A multicandidate committee may not make a contribution to a candidate for Federal office in excess of \$5,000 per election. If you have received an excessive contribution, the Commission recommends that you refund to the donor the amount in excess of \$5,000 per election. The Commission should be notified in writing if a refund is necessary. In addition, any refund should appear on Line 20(c) of the Detailed Summary Page and Schedule B of your next report. (2 U.S.C. §441a(a) and (f))

If the contributions in question were incompletely or incorrectly reported, you may wish to submit documentation for the public record. Please amend your report with the clarifying information.

Although the Commission may take further legal steps concerning the acceptance of excessive contributions, prompt action by you to refund the excessive amounts will be taken into consideration.

-On Schedule A of this report, you have not itemized all of the necessary contributor information. You must provide the Election Designation for each itemized receipt.

-You must provide the occupation and name of employer for each contributor required to be itemized on Schedule A. Please amend your report by supplying the omitted information.

With respect to the occupation and name of employer of the contributor, your committee may demonstrate "best efforts" to obtain the required information. This demonstration should describe your committee's procedures for requesting the information. You may also supply a copy of the solicitation and a statement that all solicitations request the required information. See 11 CFR 104.3(a)(4)(i) and 11 CFR 104.7.

An amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

Office of General Counsel

Washington, D.C. 20463

Gentlemen:

As the Commission is aware, this campaign has previously complained about what, we believe to be, attempts on the part of Michael D. Antonovich to use funds for a Federal race which are prohibited under the F.E.C.A. (MUR 2132)

Now, recent news reports (enclosure) have indicated yet another instance in which he is attempting to place himself before the voters using prohibited funds. Our committee would, therefore, like to amend its complaint to add the following which we believe to be true:

1. Michael D. Antonovich is in violation of Section 441b(a) of the Act for taking prohibited contributions.
2. The Friends of Mike Antonovich (California I.D. #742787) and/or The Antonovich Birthday Committee (California I.D. #850962) are funneling prohibited contributions through Californians For Justice In The Courts (no California I.D. available) for the purpose of furthering his campaign for Federal office.
3. Californians For Justice In The Courts (no California I.D. available) is giving prohibited contributions to Michael D. Antonovich for the purpose of furthering his campaign for Federal office.

The Commission may be interested to know that this activity is considered a "use" by a candidate under the Communications Act. While, the two agencies regulate different activities, we feel that since this activity requires the stations involved to provide equal opportunity, that Mr. Antonovich's appearance is, indeed, as a candidate.

The fact that he is discussing an issue that would not normally be addressed in a Federal election should not deter the Commission from taking prompt action. The re-confirmation of California Chief Justice Rose Bird and three other Associate Justices of the Supreme Court is a central campaign issue of virtually every contested race at every level in California.

Federal Election Commission  
Page 2

It is a central question asked by the press of every candidate, Federal or non-Federal. The incumbent Senator seeking re-election has discussed the issue at length. In fact, one of the other Republican candidates has already run commercials, paid for with U.S. Senate campaign funds, using the Rose Bird re-confirmation as its central theme

Therefore, we believe that Michael D. Antonovich is using funds from the Friends of Mike Antonovich (California I.D. #742787) and/or The Antonovich Birthday Committee (California I.D. #850962) for the furtherance of his campaign for United States Senate in violation of the Act.

Californians For Justice In The Courts (no California I.D. available), the committee purchasing the spots, is controlled by the very consulting firm that Mr. Antonovich has employed in his Senate race. Therefore, this purchase of time cannot, under any stretch of the imagination, be viewed as an independent effort.

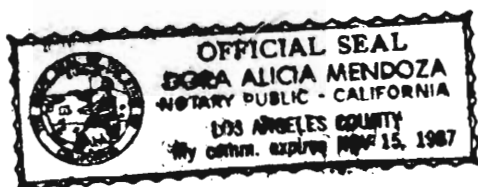

We would like the Commission to take prompt action to halt what, we believe, to be the use of prohibited funds, funnelled through another committee controlled by the consulting firm under the employ of Mr. Antonovich.

Sincerely,

# GOP Candidate to Appear in New Anti-Bird Group's TV Ads

By Larry Liebert  
Political Correspondent

## Los Angeles

Yet another committee opposed to Rose Bird has been started, and Republican U.S. Senate candidate Mike Antonovich is going on television as its first spokesman.

Californians for Justice in the Courts was put together by political consultants Sal Russo and Doug Watts, former aides to Governor Deukmejian who are now running the Senate primary campaign of

Los Angeles County Supervisor Antonovich.

Antonovich is the star of a television commercial, set to debut today in several small cities, that will urge defeat of state Supreme Court Chief Justice Bird in the November election.

Despite Antonovich's role, Russo denied that the organization is a vehicle to promote Antonovich's candidacy. "Why not use your friends instead of your enemies?" he asked.

Russo acknowledged that some

of the money to pay for the group's commercials will probably come from Antonovich's political treasury. The candidate has raised more than \$450,000 that he cannot spend directly on his Senate campaign because it came from corporations or in donations larger than the \$1000 legal limit for Senate candidates.

Steve Glazer, speaking for Bird's campaign committee, said Antonovich's new anti-Bird commercial has "everything to do with his thirst for political power and nothing to do with the competence or integrity of the chief justice."

A source close to the new anti-Bird committee said it hopes to attract contributions from agribusiness and corporate interests disenchanted with the high overhead operations of several existing anti-Bird organizations.

"There's dissatisfaction that other committees are eating up money," the source said.

Antonovich is not the only Republican Senate candidate taking to the airwaves this week.

Bruce Herschensohn, Antonovich's rival as the most conservative

of the many Republican Senate contenders, yesterday began a \$150,000 campaign of radio commercials.

Herschensohn's managers said that the commercials will run only in Southern California, even though the former Los Angeles television commentator is unknown in the northern part of the state.

"We're going to take the cream first, and then we'll go back to the tougher part," said Herschensohn manager Bay Buchanan Jackson. She said the candidate's commercials in Northern California may

not begin until May.

The candidate was not on hand when his commercials were unveiled here yesterday. His managers let slip almost in passing that he left yesterday on a one-week fact-finding trip to the Philippines.

Herschensohn is the only one of the Senate candidates who has said he is "skeptical" of new Philippine President Corazon Aquino. He has said she captured her job through a "revolution" and may not be a reliable U.S. ally.

INTRODUCTION

The Office of the General Counsel received a complaint on January 22, 1986 from Representative Bobbi Fiedler. Additionally, on February 14, 1986, this complaint was amended naming new respondents. All respondents requested and received a 15 day extension of time in which to respond. A response for all respondents was timely filed on March 21, 1986.

On April 1, 1986 this Office received a letter signed by Ms. Judy Ridgway, of Rep. Fiedler's campaign, purporting to amend the complaint in MUR 2132. Because Ms. Ridgway is not the complainant in MUR 2132, her letter cannot be considered an amendment. As Ms. Ridgway's letter meets the requirements for a

29a

87040550945

complaint, it has been assigned a MUR number and notification letters were mailed to the Antonovich Birthday State Committee; the Friends of Mike Antonovich State Committee; Michael D. Antonovich; and Californians for Justice in the Courts.

The allegations in these two cases arise out of the candidate's uses of state and federal committees. Because most of the respondents are included in both MURs and because the responses to this second complaint will presumably parallel responses in MUR 2132, this Office is awaiting further responses in MUR 2161 before proceeding with recommendations in MUR 2132. Upon receipt of these responses this Office will report to the Commission on both MURs with appropriate recommendations.

Gentlemen:

In January of this year I filed with you a lengthy complaint which you have designated MUR 2132. While I realize that the issues raised are extremely complex, any action the Commission might take to correct his violations of the Act must come soon or they will be rendered meaningless.

As you know, we are less than six weeks away from the election and funds may be spent that can never be recovered and damage will be done that cannot be redressed.

Therefore, I ask that the Commission take whatever steps are necessary to expedite its review of this matter. Thank you for your attention to this problem.

INTRODUCTION

This document is filed with the Federal Election Commission (FEC/Commission), pursuant to 2 USC 437g(a)(1), in response to the Complaint filed by Ms. Judy Ridgway (Complainant), against the following persons: Californians for Justice in the Courts, Friends of Michael D. Antonovich, The Antonovich Birthday Committee, Michael D. Antonovich, collectively referred to herein as Respondents.

The Complainant refers to MUR 2132 and to the fact that this latest documents is "an amendment" to the previous MUR. However, the Complainant is a different individual, and therefore, the Commission has elected to treat this matter as a new action rather than a new amendment.

Because of the overlapping parties, Respondents presume that the Commission will merge this matter with MUR 2132 at a subsequent date. However, for the record it should be noted in this MUR that Michael D. Antonovich is presently a supervisor for the County of Los Angeles and presently seeking the Republican nomination for the United States Senate. The Friends of Michael D. Antonovich is a political committee registered in the State of California and serves as the principal campaign committee for Mr. Antonovich's supervisors campaign. The Antonovich Birthday Committee is also a state committee registered in the State of California and served as a committee for a joint fundraising event held by Mr. Antonovich in 1985. The new entity to these proceedings is the Californians for Justice in the Courts

(hereinafter CJC), a political committee properly registered in the State of California. This committee is a non-controlled committee whose stated purpose is the opposition to the reconfirmation to Chief Justice Rose Bird of the California Supreme Court.

#### FACTS

The tenure of Chief Justice Bird on the California Supreme Court has been one of great controversy from 1978 when she last stood for reconfirmation through the 1982 and 1984 elections, up until 1986 when she once again stands for reconfirmation in the State of California. The proponents and opponents of Justice Bird have conducted a long and emotional public battle for many years. It is an issue like any other emotional issues on which both public and private citizens have taken a strong stand. The Complainant has even noted this fact as part of her complaint. (See Complaint of Ridgway and attached newspaper articles).

CJC requested Mr. Antonovich to appear in one of its television advertisements which were aired between March 24 and April 6, 1986. Though Mr. Antonovich is presently a candidate for the Republican nomination for the United States Senate in California, he is also at present one of the supervisors for Los Angeles County, a former Assemblyman, the immediate past Chairman of the California Republican State Party, and a long time opponent of Justice Bird.

Given Mr. Antonovich's prominence in the California community, it is not unreasonable that CJC would select him as one of their spokesmen for this issue.

Contrary to any of the assumptions which may be derived by the allegations of the Complaint, CJC paid for all production costs and the air time for airing the Antonovich advertisement spot in question, (hereinafter the spot) (see Affidavit of Lisa Campodonico, hereinafter Affidavit).

As will be discussed below, this matter turns on the text of the advertisement that was aired. The full text of the spot was as follows:

VISUAL: Head shot of Michael Antonovich  
IN SET: Identifying him as Los Angeles County  
Supervisor  
AUDIO: Antonovich speaking

"Rose Bird says she only seek justice. You decide.

A young San Diego woman was kidnapped, stabbed, partially dismembered -- and finally decapitated.

Rose Bird voted against the death penalty - because the intent to kill was not established. "The victim might have been killed accidentally", she said.

I'm Mike Antonovich. And I too only seek justice. Join me in defeating Rose Bird. and justice will be served.

PAID FOR BY CALIFORNIANS FOR JUSTICE IN THE COURTS. Pat Pilas, Treasurer (Aff: Paragraph 3).

Based upon this text and the fact CJC paid for the entire spot, the Complainant alleges Mr. Antonovich and CJC violated 2 USC 441b(a) by "... giving prohibited contributions to Michael D. Antonovich for purposes of furthering his campaign for federal office."

Respondents submit that there is no basis whatsoever for this Complaint in light of the fact that this spot was not to influence the election of Mr. Antonovich, but rather to advocate the defeat of Justice Bird. In light of the fact the spot was not to influence the election of Mr. Antonovich, it was therefore, not subject to the jurisdiction of the Federal Election Campaign Act of 1971, as amended (FECA), and, thus, the source of the funds used to produce and pay for the air time of the spot is an issue immaterial to the determination of the Commission.

#### ARGUMENTS

##### I

Neither Mr. Antonovich nor any federal committee authorized by him has received any funds either permissible or prohibited by the FECA from CJC.

Contrary to the apparent allegations of the Complaint, CJC has not given, contributed, or transferred any money to Mr. Antonovich personally nor to any federal committee authorized by Mr. Antonovich. In addition, the Complainant fails to allege any facts, either directly in the complaint or indirectly through the attached newspaper article upon which such an allegation could be made.

A review of the respective committee reports will demonstrate that CJC has not transferred monies to either the Antonovich for Senate Committee (ASC), nor the Antonovich Transfer Committee.

Therefore, Respondents submit that the Commission should find no reason to believe that Michael D. Antonovich nor any

8704050953

federal committee authorized by him received prohibited FEC funds from CJC in regard to any of the matters raised by the Complainant in this MUR.

## II

CJC has made no in-kind contribution to Antonovich for Senate Committee, nor to Mr. Antonovich to benefit his election to the United States Senate.

By incorporating the text of the newspaper article on March 23, 1986, into the vague allegations of the Complaint, it appears that the principal allegation of the Complainant is the CJC advertisement referred to in the newspaper article was produced to influence the nomination of Mr. Antonovich as the Republican nominee for the United States Senate, and thus, CJC made a prohibited in-kind contribution to ASC.

As a preface, Respondents acknowledge the funds used by CJC contained monies which would be excessive or prohibited under the FECA; i.e., corporate contributions. However, as the Commission is well aware, the California Government Code which regulates campaign contributions to state committees, neither prohibits corporate contributions nor limits the amount of contributions which an individual or committee may receive or contribute. Respondents submit the source of funds used to produce the air time for the spot is immaterial until such time as it is determined the expenditures for the spot are considered an in-kind contribution. As will be presented below, the spot is not an in-kind contribution, and thus, the source of the funds used to pay for the spot is an immaterial issue.

The Commission has addressed this type of issue on numerous occasions through their advisory opinions. In those opinions, the Commission has set forth a standard which is determinative of whether activities of an individual or committee would be considered to be an in-kind contribution to a candidate for federal office.

In Advisory Opinion 1982-56, an opinion which is directly on point with this MUR, Congressman Jacobs was permitted to appear and be identified in a county prosecutors television campaign advertisement. Mr. Jacobs was identified as "Congressman Andy Jacobs" and endorsed the county prosecutor's election. It should be noted that the county prosecutors campaign paid for spot and in Indiana, where the election was taking place, corporate contributions were permitted to be made to state candidates.

Though Congressman Jacobs was a candidate for reelection at the time the spot aired, the Commission held that his mere appearance and identification as a Congressman in the spot paid for by the county prosecutor's campaign committee, did not cause an in-kind contribution to his reelection committee for Congress.

37040650354

The Commission has previously recognized that although media or other public appearance by candidates may benefit their election campaigns, the person defraying the cost of such an appearance will not be deemed to have made a contribution in-kind to the candidate absent an indication that such payments are made to influence the candidates election to federal office. (See A.O. 82-56)

Thus, the Commission recognized that a candidate's mere appearance in a public advertisement was insufficient to cause it to be automatically classified as an in-kind contribution by the sponsor of the advertisement. The advertisement must be "made to influence the candidates election to federal office."

In recognition of the difficulty of attempting to determine which activity is conducted to influence an election and which is intended to advocate other issues, the Commission has long espoused a two prong objective standard. This standard is:

1. Does the activity advocate the election of the individual or the defeat of his/her opponent? or
2. Does it solicit funds to his/her campaign?

In the aforementioned Jacobs Opinion (A.O. 82-56), the Commission once again used this standard to determine if the Jacobs appearance would be an in-kind contribution. In holding that it failed to reach the status of an in-kind contribution, the Commission stated,

Moreover, the content of the advertisement does not reflect an intent to influence Congressman Jacob's reelection. The advertisement identifies the Congressman only as "Congressman Andy Jacobs". It contains no mention of his candidacy, does not advocate his election or the defeat of his opponent and contains no solicitation of funds to his campaign. (emphasis added) (See also, A.O. 1978-88).

Also, the Commission has often used an expressed advocacy standard. For example, an Advisory Opinion 1977-54, Congressman Newt Gingrich, a candidate for reelection to Congress was permitted to act as chairman of a group who denounced relinquishing control of the Panama Canal. As chairman of this group, his photograph and name were prominently used on newsletters, mailings, radio and television advertisement and other publicity devices, some of which carried into his congressional district.

87040650955

In ruling that Congressman Gingrich could continue as chairman within the capacity described above, the Commission used the two prong standard and found:

1. There was no expressed advocacy in any materials for his election,

2. There was no solicitation of funds for his campaign.

This two prong test using the expressed advocacy or contribution of solicitation test has been employed by the Commission and numerous advisory opinions. See A.O. 1984-17, 1981-37, 1978-15, 1977-42, 1978-88.

The Commission has also employed it in determining the distinction between a corporation's grassroots lobbying and an attempt to influence an election. (See MUR 1807).

Applying this two prong standard to the facts in this MUR, it is clear that the CJC spot fails to meet either one of the two prong test which would cause it to be an in-kind contribution.

The insert identifying Mr. Antonovich as a Los Angeles County Supervisor was specifically permitted in the Jacobs opinion. In the audio portion, Mr. Antonovich merely identifies himself by name. There is no advocacy, let alone expressed advocacy for his election as a U.S. Senate candidate, nor is there any solicitation of funds whatsoever in the spot.

Respondents submit that by the Commission's standard, one long used in these type of matters, the CJC spot is clearly not for purposes of influencing the election of Mr. Antonovich. Rather, it is a person of notoriety in the political arena who is speaking his mind as an individual not a candidate on an important and emotional issue. There is no basis either factually or legally to bootstrap this type of speech into an in-kind contribution by CJC to the Antonovich for Senate Committee.

### III

The fact that the appearance constitutes a "use" for FCC purposes is irrelevant for FEC determination in this matter.

The Complainant argues that Mr. Antonovich's appearance in this spot constitutes a "use" under Section 315 of the Communications Act of 1934, and therefore, Mr. Antonovich is appearing in the capacity of a candidate for FECA purposes.

There is no legal basis whatsoever for that type of analogy. The Federal Communications Act and the FECA maintain different definitions for a "candidate". (Compare Section 315 of the Communications Act of 1974 and Section 431(2) of the FECA).

Secondly, any image of a candidate or the use of a candidate's voice, if identifiable, constitutes a "use" under the Federal Communications Act which would trigger an opposing candidates equal opportunities. Thus, if an actor becomes a legally qualified candidate for public office, his appearances in movies which are televised during the campaign, will constitute a "use" entitled his opponent to equal opportunity. See Adrian Weiss (Ronald Reagan Films), 58 FCC 2d 342 (1976), reviewed denied, 58 FCC 2d 1389 (1976): Pat Paulsen, 33 FCC 2d 297 (1972), affirmed FCC 2d 835 (1972), affirmed sub nom, Paulsen v. FCC, 491 F.2d 887 (9th Cir., 1974).

Therefore, the appearance by Mr. Antonovich in the spot did constitute a "use" and permitted Ms. Fiedler to request equal opportunities from the stations airing the spot. In fact, Ms. Fiedler did make application for equal opportunity with numerous stations airing the spot.

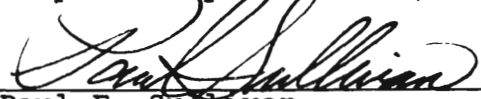

Unlike the FCC, the FECA recognizes that not all activities by an individual candidate are conducted in connection with the candidate's election (see A.O.'s cited in Section II).

Respondents submit that due to the respectively unique definitions and implications of being classified as a candidate under the FCC and the FECA, the argument that Mr. Antonovich is treated like a candidate for equal opportunities under the FCC would cause him to be a candidate under the FECA and therefore, considered as receiving an in-kind contribution from CJC has no legal basis in the FECA. If one were to carry that argument forward, each time one of the movies of the an actor-become-candidate was aired, the T.V. station would be making an in-kind contribution either to the candidate or to the candidate's opponent (depending on the quality of the movie). Such is not the case under the FECA and such an argument has no place in this MUR.

#### CONCLUSION

For the reasons set forth above, Respondents request the Commission find no reason to believe on any of the allegations set forth in the Complaint in this MUR and close the file.

Respectfully Submitted,

## Bird Opposed By Many Judges In Write-In Poll

*San Francisco Chronicle, June 2, 1986*

By Susan Milstein  
and William Carlsen

Almost two-thirds of California judges responding to a Chronicle survey oppose the confirmation of Chief Justice Rose Bird in next November's election.

In a survey sent to the state's 751 appellate and Superior Court trial judges, 24 percent responded to questions concerning how they plan to vote on the retention of Bird and five associate state Supreme Court justices whose names will appear on the November ballot.

The 213 judges who responded indicated that they oppose Bird's retention by nearly 2 to 1. They also opposed the retention of Justice Cruz Reynoso but supported Jus-

ices Stanley Mosk, Joseph Grodin, Malcolm Lucas and Edward Panelli.

Although there is no way of knowing whether the survey reflects the views of the entire state judiciary, responses were received from judges representing a geographic cross section of the state, and from both urban and rural counties.

The results are surprising in light of the chief justice's assertions that the effort to oust her is an attack on the independence of the judiciary. Clearly, not all judges see it that way.

Bird, who must win majority support from voters to stay on the bench, has been marked for ouster by several well-financed conservative groups, who are also working for the ouster of Reynoso, Grodin and Mosk.

Lucas and Panelli, who were recently appointed to the court by Governor Deukmejian, must also stand for confirmation. They have attracted no organized opposition.

Justice Allen Broussard is the only member of the court who will not stand for confirmation in November.

The opposition campaigns have brought charges and countercharges tinged with emotion. One group that has not yet publicly voiced its views on the retention election controversy has been the judiciary, whose members, perhaps more than anyone else, are most familiar with the court's work.

The Chronicle survey provides the first glimpse of how many of the state's judges view Bird and the controversial decisions of the Supreme Court.

"The chief justice is an embarrassment to the entire judicial system," wrote one trial court judge. "Her decisions are not based on law nor justice, but only on her personal political philosophy."

# The Rose Bird Court

## PRO: It must be independent, free of political pressures

by Steven Denton

As the irresponsible harangues from prosecutors mount against Chief Justice Bird and Justices Grodin and Reynoso, it is increasingly important that members of the legal community respond loudly and clearly with the facts.

San Diego Trial Lawyers Association is comprised of attorneys involved in all areas of litigation. Prosecutors such as Michael Bradbury, whose comments about the Supreme Court appeared in *The Union* on June 26, constitute a mere fraction of the thousands of lawyers in California.

State Attorney General John Van de Kamp points out specific cases — which we as voters cannot ignore — where these State Supreme Court justices upheld California's .10 drunk-driving standard, affirmed

limits on the amount of fees an attorney may obtain in a medical malpractice action and ruled that landlords may not refuse to rent apartments to families with minor children.

This court's concern for the average citizen brought about the decision that collection agencies cannot gouge individuals for fees they did not earn, that a hard-working employee who can perform his job adequately cannot be fired simply because he has high blood pressure, that all of us have the right to collect signatures on petitions in public shopping malls and that someone who is forced to leave work to care for sick family members should receive unemployment compensation.

In calling for the defeat of these three justices, Gov. Deukmejian

cited 31 "anti-business" decisions, including these opinions. He urged that his ability to make two or three appointments could turn the tide for the big business community. Crime is down, the prisons are full and the California Supreme Court affirms 97 percent of the convictions it reviews.

It is clear that the court's concern for the rights of working people, families, accident victims and consumers — and not its record on criminal cases — is the real reason why Justices Bird, Grodin and Reynoso are under attack.

Mr. Bradbury's misrepresentations, however, must be answered. For example, the Chief Justice did not "invent a new requirement for

### Commentary

the death-penalty law" as he asserts. On the contrary, the United States Supreme Court in *Edmunds* required an intent to kill for imposition of the death penalty in some, if not all cases.

In order to save the death-penalty law, our State Supreme Court in the *Carlos* decision simply read into the statute an element which the federal court ruled must be present. In fact, the *Carlos* opinion left us with a tougher death-penalty law than the one written by the governor in 1977.

Representatives of the district attorney's association such as Bradbury claim the Chief Justice and Justices Grodin and Reynoso are predisposed to vote against the death penalty. Stripped of their rhe-

toric about fair and impartial justice, these prosecutors are really suggesting the ends justify the means.

It is not the fact of bias that disturbs them. Rather, it is their belief the bias does not operate in favor of the results they want. Where they decide execution is the right result, these prosecutors are more than willing to have the justices of the Supreme Court ignore the rules of evidence, not to mention the guarantees of the state and federal constitutions.

This is indeed a court that has followed the rule of the Constitution. Adhering to the people's mandate which passed Proposition 8, the California Supreme Court recently upheld maximum mandatory sentences in serious felony cases and removed the exclusionary rule from state law.

As lawyers we have a tremendous stake in the confirmation process. There is no more helpless feeling than walking into a courtroom believing that, for reasons that have nothing to do with the evidence or the law, the deck is stacked against you. Political considerations have on occasion brought about a miscarriage of justice at trial.

However, we have always been able to count upon the independence and integrity of the appellate courts. The duty of the Supreme Court is to stand squarely behind the Constitution. We cannot allow the hysteria generated by the likes of Michael Bradbury to jeopardize the cornerstone of our free society.

# CON: But it usurps powers of Legislature and the people

By Howard Jarvis

The battle to confirm or deny confirmation for Chief Justice of the California Supreme Court Rose Bird and Justices Cruz Reynoso, Joseph Grodin and Stanley Mosk for 12 more years as Supreme Court Justices is now under way.

Already the politicians and defense lawyers who favor these 12-year confirmations are claiming the NO confirmation forces are only a small group of disgruntled agitators who are conducting a "mean" and "cruel" campaign for irresponsible reasons.

The facts submitted here prove beyond question such claims are false.

Those supporting NO confirmation votes include many judges now sitting, as well as many others who have retired.

Even at this early date, 23 California senators and assemblymen, 25 city supervisors, 21 county sheriffs, 18 city-council representatives, 64 city mayors, and 170 chiefs of police have stated publicly their support for NO confirmation votes.

In response to a questionnaire from the Californians to Defeat Rose Bird Committee, asking the question "Should four members of

the State Supreme Court be confirmed for new 12-year terms or not?" 32,003 replies were received. Only 2 percent said YES, but 98 percent said NO. New answers still coming in reflect the same percentage of YES and NO votes.

In a recent meeting, the California District Attorneys Association voted 94 percent for a NO confirmation of Chief Justice Bird. Justice Reynoso received a NO confirmation of 81.4 percent and Justice Grodin (running for a four-year term), a 63.1 percent NO confirmation vote.

These facts establish that the NO confirmation campaign is not a partisan campaign at all, because it is widely supported by Democrats, Republicans, independents and a mixture of liberal and conservative viewpoints.

Supporting the YES confirmation vote is an organization of criminal-lawyer lawyers who, according to press reports, are contributing heavily. These are lawyers who defend criminals for money.

There are two sides of the law involved in the NO confirmation decision. First, the civil side, having to do with the passage of legislation by legislators, and constitutional

amendments, which are passed by the vote of the people. Example: California court decisions of Proposition 13, voted into the Constitution in 1978, by the people.

On the other side are the criminal-case decisions made by the Supreme Court. These decisions affect the victims of crime as well as the criminals who commit felonies — including murderers who have been found guilty by unanimous jury votes following their criminal trials.

State Attorney General John Van de Kamp recently said, "Supreme Court decisions in murder cases are so conflicting that prosecutors in murder cases are completely in the dark on what the law is."

Before any person can be a judge he (or she) must take an oath to protect and defend the federal and state constitutions. Many judges across our country, because of their personal, social or political beliefs, have expanded their constitutional authority to subvert constitutional provisions by counterfeiting the long-established definitions of the words in our language.

These are attempts to usurp both powers of legislatures and the people, and to reduce the protections

our federal and state constitutions guarantee to maintain our freedom.

Thomas Jefferson, who wrote the Declaration of Independence, a great part of our federal Constitution, and was the third President of the United States, wrote in 1820, "To permit judges to be the ultimate arbiters of all constitutional questions is a dangerous doctrine. I know of no safe depository of the ultimate powers of society but the people themselves."

California is a good example of how right Jefferson was about many judges.

Section 1 of Article 1, of the California Constitution reads: "(Unalienable rights) The people are by nature free and independent and have unalienable rights. Among these are enjoying and defending life and liberty, acquiring, possessing and protecting property, and pursuing and obtaining safety, happiness, and privacy."

The California State Supreme Court has ruled otherwise in many decisions — one being *Carman vs. Alvord* — to expand the ability of local governments to raise property taxes in violation of the provisions of Proposition 13, voted into the Constitution by the people in 1978.

This *Carman vs. Alvord* decision also violates Article II, Section 1 of the California State Constitution, which reads: "PURPOSE OF GOVERNMENTS. Section 1. All political power is inherent in the people. Government is instituted for their protection, security, and benefit. And they have the right to alter or reform it when the public good may require."

The only power given all California State Judges and the State Supreme Court is in Section 1, Article VI which reads, "The judicial power of this state is vested in the Supreme Court, Superior Court, Municipal Court, and Justice Courts. All except Justice Courts are courts of record."

Article 3, Section 3 of the State Constitution reads, "The powers of state government are legislative, executive and judicial. Persons charged with the exercise of one power may not exercise either of the others except as permitted by this Constitution."

No such other added powers to the courts have ever been granted by the State Constitution, the people, or the executive branch or legislative branch of California government.

From the beginning of our American government, it has been constitutionally illegal to enact or enforce "ex post facto" laws. *Ex post facto* means any legal act any person commits, which was legal when done, cannot be held liable under new laws or court decisions that are enacted at some later date.

This same court control has been written in Article 2, Section 10 of the California Constitution, which reads: "An initiative or referendum approved by a majority of votes thereon takes effect the day after it passes unless the measure provides otherwise."

In the case of *Armstrong vs. San Mateo County*, the Bird court let stand — and refused to hear — an appeal regarding an appellate-court decision on Proposition 13 which violated the Federal and California Constitutions, costing the California taxpayers \$1.3 billion.

Court decisions, violative of Supreme Constitutional law, are compelling reasons Chief Justice Bird and Justices Reynoso, Grodin and Mosk should not be confirmed for terms of 12 more years.

## Drive to Recall Chief Justice Bird Halted

### Leader Says Group Can't Get Enough Signatures by Deadline

By PHILIP HAGER, Times Staff Writer

SAN FRANCISCO—The leader of a group seeking to recall California Chief Justice Rose Elizabeth Bird said Friday that the campaign has been halted, at least for now.

Tony Rackaukas, executive director of the Recall Rose Bird Alliance, said the group had decided that it would not be able to gather the required 731,244 signatures on recall petitions by March 3, the filing deadline for the recall campaign.

Rackaukas, a deputy district attorney in Orange County, said a court fight over the Alliance's attempt to use nonprofit, bulk-rate mail permits had prevented the group from going ahead with its plan for large mailings this month.

"At this point, it's clear we would not be able to gather all the signatures by March 3," Rackaukas said.

"So rather than proceed with what would be a waste of time, talent and money, we're going to tell all those who supported us what the situation is and leave it up to them what we do in the future."

"If we get sufficient responses so that we have enough money, we'll file for another recall campaign," he said. "Otherwise, we'll abandon the recall."

Several attempts have been made by various organizations to force a recall election of the chief justice but none as yet has succeeded. In the current campaign, about 160,000 signatures had been collected, its leaders said.

If no recall election is held, Bird will not be on the ballot until 1986, when she next faces periodic voter review. At that time, voters will decide whether she would serve an-

other 12-year term on the court.

Last fall, two groups working with the Alliance, Friends of Freedom and the California Tax Reduction Movement, sent out 300,000 recall petitions at nonprofit group rates, saving the campaign an estimated \$15,000 in mailing costs. Organizers had hoped to send out as many as a million more petitions later in the campaign.

But opponents challenged the mailings and in November obtained a preliminary injunction from a federal court in Sacramento barring the recall groups from using the low-rate mailing permits.

"That was the key to the whole thing," Rackaukas said. "The difference between the low rate and the regular rate is a nickel a letter. That really kicks the price up."

electorate. "Hopefully, I must say that type of campaign is a passing phase in California."

Kaus said of the vote: "It indicates to me that when people with huge campaign chests can campaign against you by name, they have lots of time to campaign, and we have to work, nine to midnight, seven days a week to get our job done, when we have no voice and we have no money to make ourselves heard, that the 'no' vote is going to be substantial."

#### None Campaigned

None of the justices themselves campaigned, citing judicial canons that discourage political activity.

Broussard called the campaign "an unusual and unprecedented phenomenon." As long as such campaigns are well organized and financed, he said, "the vote will always be relatively close whatever the issues or the accusations."

Harriet Katz, representing Citizens for a Responsible Judiciary, supporting confirmation of all four justices, said she thought that the vote indicated that a recall movement against Bird "won't succeed and would be a waste of time, energy and money." She noted that Atty. Gen. George Deukmejian, the governor-elect, had previously indicated that he will not support a recall.

Hazel Richardson, a leader of Californians for Judicial Reform, a group opposing Brown's appointees, pointed to the large "no" vote and predicted that similar efforts would be made in 1986 when Bird is scheduled to be on the ballot.

No justice on the state Supreme Court or state Court of Appeal has been defeated at the polls since 1834, when, in an effort to take the judiciary out of partisan politics, the law was changed so that appellate judges ran in uncontested elections, subject only vote of "yes" or "no" on their retention in office.

Under the state Constitution, state appellate court justices are appointed by the governor to 12-year terms. First, they are subject to confirmation by the state Judicial Appointments Commission—made up of the chief justice, attorney general and senior presiding appellate justice. Then they go before the voters at the next gubernatorial election and again at the conclusion of each 12-year term.

In 1978, Bird, under attack by conservatives, won confirmation with 51.7% of the vote. Richardson got 72.5% of the vote, Justice Frank C. Newman 65.3% and the late Justice Wiley W. Manuel, the court's first black, 51.5%. That same year, Reynoso, seeking confirmation on the state Court of Appeal, received 59% of the vote.

This year the three Brown appointees on the court—Kaus, Broussard and Reynoso—drew heavy opposition from Republican leaders and conservatives. Most of their fire was trained on the generally liberal record of the court itself and on the governor, whom they accused of creating a court dominated by activists insensitive to public opinion.

The critics assailed the court's recent rulings that struck down parts of the state death penalty law; limit-

ed the scope of Proposition 13, the property tax relief initiative of 1978, and upheld the use of the Democratic controversial legislative redistricting plan in the local elections over objections by Republicans.

Ironically, none of the three justices under attack have been on the court long enough to establish conservative records as "liberals" or "conservatives." Kaus and Broussard took office in July, 1981, while Reynoso went on in March, 1982. And sometimes they have voted in a way that pleased conservatives. Kaus, for example, voted against the Democrats' reapportionment plan, as well as dissenting in one of two rulings that limited Proposition 13.

#### Lawyers Support

The justices received widespread support from some prominent lawyers and local bar groups. Two organizations were formed to campaign in behalf of all four justices, including Richardson, who faced no organized opposition.

Defenders of the justices said that court critics were out to "politicize the judiciary" and that the independence of the courts would be undermined if judges were pressured to decide cases on the basis of perceived popular will.

Bird supported retention of all four justices. She was quoted in speeches that Broussard, a black, and Reynoso, a Latino, were encountering racial prejudice. Kaus, a native of Austria, might have been under attack because he was "foreign born," Bird said.

# Justices Survive Ouster Effort; Bird Recall Campaign Encouraged

By PHILIP HAGER, Times Staff Writer

While all four state Supreme Court justices on Tuesday ~~lost their confirmation, the relatively narrow~~ victories of the three judges who survived an unprecedented, Republican-led challenge have given new encouragement to leaders of a campaign to recall Chief Justice Rose Elizabeth Bird.

Justices Otto M. Kaus, Allen E. Broussard and Cruz Reynoso—all appointees of Gov. Edmund G. Brown Jr. and targets of an attack on "Jerry's Judges"—were retained in office. So was Justice Frank K. Richardson, an appointee of then Gov. Ronald Reagan who faced no organized opposition.

Richardson won handily, receiving a 76% "yes" vote. But Kaus and Broussard won only 58% approval and Reynoso 53% approval, the lowest approval margins with one exception, since 1934, when appellate justices began running in nonpartisan, uncontested elections. Only Bird herself won with a lower margin, squeaking by with less than 52% of the vote in 1978. No appellate justice has been denied confirmation.

"The results are a very strong indication that if we can get Chief Justice Bird on the ballot again, she is going to lose," said Tony Rackauckas, director of the Recall Rose Bird Alliance in Sacramento. "The voters decided to give the new Brown appointees a chance, but I don't see that happening with Rose Bird. She's been there since 1977 and her record is clear."

The newly reorganized recall campaign has until March 3 to obtain 731,244 petition signatures. Once the signatures are certified, a recall election must be scheduled within 60 to 80 days.

The justices on Tuesday's ballot and their supporters expressed gratification with their confirmations, by whatever margins.

In Sacramento, Bird said the vote "reflects the public's will to maintain a fair and impartial judiciary." She declined to speculate about what the results might mean for a recall campaign. The three justices under challenge said they felt that a sizeable "no" vote was inevitable, in view of the organized campaign against them.

Court observers—including friend and foe of Bird—note the sizable victory of Richardson, a judicial conservative and frequent dissenter on the liberal-dominated

## 'Rose Bird is a symbol of the court and easy to attack.'

ed court, as well as the strong showings of some conservative members of the state Court of Appeal who also were on the ballot.

All of the state's 36 appellate justices were retained in office—most by the comfortable, two-thirds or more majorities they have won in the recent past. Two well-known conservatives—Los Angeles Appellate Justices Mildred Lillie and Lynn (Buck) Compton—won 3 to 1. One liberal, Appellate Justice Coleman Blease of Sacramento, a onetime attorney for the American Civil Liberties Union, faced no organized opposition but won just 58% approval.

Fred J. Hiestand, a Sacramento attorney and spokesman for the Committee for Order and Justice, one of the groups favoring retention of all four Supreme Court justices, attributed the relatively high "no" vote to the public's concern over crime—a concern intensified by the themes of individual conservative candidates. "If you're a voter, and you've been told crime is rampant, it's easy to make the court the whipping boy," he said.

Hiestand also expressed concern over the recall campaign. "I regret it and I fear it, but I think the results will fuel the recall," he said. "Rose Bird is a symbol of the court and easy to attack as one of 'Jerry's Judges.'"

Frederic Stoliz, a UC Berkeley law professor and author of a recent book on the court and a critic of Bird, said he was surprised at how far Richardson outdistanced the other three justices on the ballot. The results, he said, suggested that conservatives would continue their attacks on the court in an effort to unseat Bird. If she is not recalled, the chief justice will be on the ballot facing confirmation in 1986.

"If she had been on the ballot this year, in view of the results I believe she would have lost," Stoliz said. "And she might very well lose in 1986."

Meeting briefly with reporters in Sacramento Wednesday morning, Bird said she thought the vote "simply reflects the fact that when you have opposition the vote will be a closer one."

Reynoso said the anti-court campaign, the first of its kind in the state, "adds an element of confusion" to the

## JUSTICE BIRD DEFENDS RECORD

Continued from First Page

Ms. Bird imposed two conditions on the interview—that she not be asked about specific cases before the court and that she not be asked to respond directly to charges made against her by either of the two conservative groups seeking her ouster.

Most polls show Ms. Bird holding a fragile lead.

She is on the ballot for voter confirmation of her appointment last year by Gov. Brown. To remain on the bench, she must receive a majority vote. Since 1934, Supreme Court elections in California have been uncontested.

The KQED interview was the first lengthy public interview Ms. Bird has granted since the campaign against her got under way last summer. She did appear briefly on KNBC in Los Angeles Thursday.

Meanwhile, one of her colleagues on the Supreme Court, Associate Justice Stanley Mosk, denied Friday reports he turned down a California Trial Lawyers Assn. award because of its endorsement of Ms. Bird.

In a terse, two-paragraph statement issued through the court's public information officer, Patrick J. Clark, Mosk said:

"The obvious fact that California

Trial Lawyers Assn. communications are politically controversial is the very reason I declined its award.

"I wrote no letter to CTLA and did not authorize anyone to write on my behalf. I did not indicate to CTLA or to any other group how I intend to vote on any issue next Tuesday."

The Times reported Friday that a letter written by CTLA President Ralph D. Drayton indicated that Mosk, who was appointed to the court in 1964 by Gov. Brown's father, Edmund G. Brown Sr., might vote against the chief justice Tuesday.

There was no reference to any letter written by Mosk.

Drayton's letter, leaked to reporters, related a conversation he reportedly had with Mosk in which the associate justice was asked if he would accept the lawyers' Appellate Judge of the Year award.

Mosk, according to Drayton, turned down the award by saying he was "unhappy" with the association's involvement in the pro-Bird campaign and labeling as "blatant nonsense" the idea that attack on Ms. Bird was an attack on the court in general.

The associate justice is known to have privately resented Ms. Bird's appointment, but he and other jus-

tices have maintained a public image of cordiality with her.

In still another development involving the chief justice, a former chief justice, Phil S. Gibson, gave her a strong endorsement Friday, saying she was "eminently qualified."

Gibson, who retired in 1964, said her decisions "have been within the mainstream of the court and at no time has she rendered a decision which has reflected any partisan political viewpoint."

### DEFENDS SELF

## Justice Bird Speaks Out on Ouster Bid

BY WILLIAM ENDICOTT

Times Staff Writer

SAN FRANCISCO—Supreme Court Chief Justice Rose Elizabeth Bird declared Friday that "special interests" have decided "it may be easier to conquer" the judiciary than the legislative and executive branches of government.

That, she said, is one of the reasons she is the target of a campaign to unseat her in next Tuesday's election.

"Some of the special interests have perceived that in fact if you're able to pour enough money into a judicial race you may in fact be able to influence that (race)," she said.

Ms. Bird, who has consistently said it would be "inappropriate" to speak out in her own defense, spoke out in her own defense in an interview with public television station KQED here.

She blamed much of the ouster effort against her on the "uniqueness of the fact" she is the first female Supreme Court justice.

"When you're the first of either your race or your sex . . . in any position, two things really apply to you and that is that you are under a microscope and you are allowed no margin for error," she said.

She agreed to the interview, she said, because voters are faced with a "difficult choice on very little information" and she was persuaded that "perhaps they simply ought to have an opportunity to see the person, who they are, listen to them speak, and if I can do that for them I felt perhaps I owed that to them."

But she claimed she was "not campaigning for this office and I'm not today asking anyone to vote for me." She also refused to speculate on the outcome of Tuesday's vote, saying it was "in the laps of the gods and the people."

KQED producer Andrew Ross said Ms. Bird imposed two conditions on the interview—that she not be asked about specific cases before the court and that she not be asked to respond directly to charges made against her by either of the two conservative groups seeking her ouster.

Most polls show Ms. Bird holding a fragile lead.

She is on the ballot for voter confirmation of her appointment last

## Vote on Chief Justice Viewed as Test of Public Discontent With System

BY WILLIAM ENDICOTT  
Times Staff Writer

SAN FRANCISCO—For many years, judges in California were insulated from the political process, even though they appeared regularly on the ballot for voter ratification. The fact of incumbency was enough to assure reelection.

"The bottom of the ballot and the lack of controversy was once adequate protection for incumbent judges," Preble Stolz of UC Berkeley's School of Law said in a recent report.

But not any more.

Voters now are showing no hesitancy in ousting unpopular judges, largely because a generation of judicial activism has focused unusual public attention on the judicial system and produced a corresponding decline in its prestige.

Eleven municipal court judges were defeated in the June primary election and 10 others were forced into general election runoffs. Five superior court judges were ousted and four others face runoffs.

But just how serious public discontent is with the judiciary will get its ultimate test Tuesday when Rose Elizabeth Bird, 42, chief justice of the California Supreme Court, faces voters in one of the most unusual political contests in the

Chief Justice Rose Bird

nation this year.

Ms. Bird has been the target of two well-orchestrated campaigns by conservative groups whose complaints against her range from charges that she is soft on crime to suggestions that she is an inept administrator of the state court system.

Her presence on the ballot is for voter confirmation of her appointment 20 months ago by

her friend and political ally, Gov. Brown. Only a yes or no vote can be cast. Supreme Court justices in California have not run in contested elections since 1934.

The most recent Los Angeles Times poll showed 39% of the voters in favor of retaining her with 34% opposed and 27% undecided. This was a slight change in her favor over a late September poll but it still showed the outcome in the hands of the undecided.

However, the poll also showed that voters who back Brown also support her overwhelmingly, indicating that how well he does Tuesday could have a direct bearing on how well she does.

Ironically, the much-vaunted conservative campaigns against her, according to the poll, have not yet materialized to any great extent, the conservative vote being anti-Bird but not monolithic, and balanced by her liberal support.

Her supporters claim the campaigns against the chief justice, the first woman in California history to hold that position, represent an unprecedented assault on judicial independence and an attempt to politicize the state's highest court. That argument, however, is vulnerable to countercharges that her very appointment by Brown, a fellow Democrat, was a political act.

Her fortunes have been so inexorably linked with the political fortunes of the governor that in that respect, at least, the court was undisputedly "politicized" from the day she assumed the job.

Please Turn to Page 7, Col. 1

## CHIEF JUSTICE CONFIRMATION

Continued from First Page

But one outgrowth of the effort to depose her may be a move to remove Supreme Court justices entirely from the elective process and design a system similar to the federal method in which Presidents appoint U.S. Supreme Court justices for life, subject to Senate confirmation.

UC Berkeley's Stolz said if California wants to continue "protecting" its judges, "new strategies will have to be developed."

In the meantime, however, the current system has put Ms. Bird on the ballot, and there is nothing in the state Constitution that says her removal must be for cause. No one need prove incompetence, dishonesty or malfeasance.

Of the two campaigns mounted against her, the most vigorous has been conducted by ultraconservative Sen. H. L. Richardson's Law and Order Campaign Committee, which has framed its attack around Supreme Court decisions in controversial rape and Los Angeles school busing cases.

Dramatizations of those two cases implying Ms. Bird was soft on rape and instrumental in court-ordered busing for integration in Los Angeles schools were filmed for anti-Bird

television spots. But they never got on the air in most parts of the state after Bird supporters complained they were "inflammatory and apparently inaccurate."

In the last few weeks, Richardson has depended almost entirely on a heavy direct-mail campaign.

The other anti-Bird group is a Sacramento-based "No On Bird Committee" which has made the chief justice's judicial competence—or lack of it—and administrative abilities—or lack of them—the centerpieces of its criticism.

But the committee has drawn much of its support from farmers still displeased with the role she played in drafting the state's farm labor law when she was in Brown's cabinet as his secretary of agriculture and services.

Mary Nimmo, campaign coordinator for the committee, said her group also has drawn anonymous support from lawyers and other judges. "There's a great fear of getting on Rose's enemy list," she said, explaining why they have not wanted to be identified.

Through most of the campaign, Ms. Bird left any defense to three attorney-dominated groups that formed in

her behalf. She had said that it would be "inappropriate" to publicly defend herself or to campaign for herself.

However, she did allow herself to be interviewed on television at least twice late last week. She blamed much of the attempt to oust her on the fact that she is the first female Supreme Court justice.

The efforts of the pro-Bird groups, according to Los Angeles attorney Jonathan Marks, have been to "assert that judges ought to be free to decide cases on the basis of law rather than on the basis of being obligated to, or subject to the pressure of, any special interests, any philosophical viewpoint."

Re: MUR 2132

Dear Representative Fiedler:

87040550953  
The Office of the General Counsel is in receipt of your recent letter requesting the Commission take whatever steps are necessary to expeditiously resolve the complaint you filed in the above-captioned matter. As Lois Lerner of this office explained in your May 7, 1986 telephone conversation, each time a complaint or an amendment to a complaint is filed, the Commission must notify all named respondents and afford them a statutorily-mandated 15 day response period. See 2 U.S.C. § 437g(a). Because two complaints and one amendment were filed with regard to this matter, the respondents were given three opportunities to respond to the various allegations. The most recent complaint was filed on April 1, 1986.

Because you are not a respondent in this matter, the confidentiality provisions of the FECA preclude disclosure to you of the progress of any investigation that the Commission may determine to conduct. See 2 U.S.C. § 437g(a)(12)(A). You will, however, be notified at the time the file in this matter is closed. In the meantime, if we can be of further assistance, please do not hesitate to contact Ms. Lerner at (202) 376-8200.

I trust this resolves your questions in these matters.

Sincerely,

Dear Mr. Crail:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses contributions which appear to exceed the limits set forth in the Act. No political committee other than a multicandidate committee may make contributions to a candidate for Federal office in excess of \$1,000 per election. The Kilroy Industries Political Action Committee and Browning Ferris Industries Political Action Committee did not meet the requirements for multicandidate status as of the date the contribution(s) was made to your committee. If you have received a contribution which exceeds the limits, the Commission recommends that you refund to the donor the amount in excess of \$1,000. The Commission should be notified in writing if a refund is necessary. In addition, any refund should appear on Line 20 of the Detailed Summary Page and Schedule B of your next report. (2 U.S.C. §§441a(a) and (f))

The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office.

If the contributions in question were incompletely or incorrectly reported, you may wish to submit documentation for the public record. Please amend your report with the clarifying information.

Although the Commission may take further steps concerning the acceptance of excessive contributions, prompt action by you to refund the excessive amounts will be taken into consideration.

-You must provide the occupation and name of employer for each contributor required to be itemized on Schedule A. Please amend your report by supplying the omitted information.

With respect to the occupation and name of employer of the contributor, your committee may demonstrate "best efforts" to obtain the required information. This demonstration should describe your committee's procedures for requesting the information. You may also supply a copy of the solicitation and a statement that all solicitations request the required information. See 11 CFR 104.3(a)(4)(i) and 11 CFR 104.7.

An amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. **SENSITIVE**

GENERAL COUNSEL'S REPORT

INTRODUCTION

8704050997  
This matter arises from a complaint filed on January 22, 1986 by Representative Bobbi Fiedler. The complaint alleged numerous violations of the Act by her opponent Michael Antonovich; The Friends of Michael Antonovich (a federal multicandidate political committee) and Roland Smith, as treasurer, ("Federal Friends"); The Friends of Michael Antonovich (a California state committee) ("State Friends"); The Antonovich Birthday Committee (a California state committee) ("Birthday Committee"); and The Antonovich for Senate Committee and Joseph Crail, as treasurer ("Senate Committee"). All of these respondents were duly notified. On February 19, 1986 this Office received a notarized amendment to the complaint. This amendment alleged violations of the Act by the Antonovich Transfer Committee and Scott B. McKenzie, as treasurer ("Transfer Committee"); and the Antonovich Birthday Committee (a federal political committee) and Allen E. Brandstater, as treasurer, ("Birthday Committee"). Notification to these respondents was

made to their counsel at a February 20, 1986 meeting. All respondents were afforded an additional 15 days to respond to this amendment. Finally, on April 1, 1986, the Office of the General Counsel received a letter from Ms. Judy Ridgway, purporting to amend the complainant in MUR 2132. Because Ms. Ridgway was not the complainant in that MUR, her letter could not be considered an amendment. Her letter met the qualifications for a complaint, and was thus assigned MUR number 2161. Because these complaints appear to encompass related allegations and parties, this Office recommends merging the MURs. Each complaint is discussed separately below.

#### MUR 2132

This matter raises issues regarding the relationship between a candidate's authorized committees and a multicandidate committee with which the candidate has a special relationship.<sup>1/</sup> Specifically, the complaint appears to allege that the committees controlled by Mr. Antonovich impermissibly transferred joint fundraising proceeds and other, impermissible funds through a series of federal and state committees to the Senate Committee, thus violating 2 U.S.C. §§ 441b(a), 441a(a), and 441a(f).

#### **I. The Respondents and Their Relationships**

A review of statements of organizations on file at the Commission and the California state reports reveal the following

<sup>1/</sup> The initial complaint in this matter contains eleven separate allegations, with each citing numerous sections of the Act. It is apparent that many of these alleged violations are not raised by the facts therein. Therefore, this Office will focus on the appropriate statutory sections implicated by the factual scenario presented in complaint.

set of relationships asserted by the respondents at the time the complaint was filed.

COMMITTEE NAME	REPORTED STATUS	AFFILIATED COMMITTEES REPORTED
1. Senate Committee	PCC	a. Friends of Mike Antonovich b. Transfer Committee c. Birthday Committee
2. Exploratory Committee	authorized, not a PCC	a. Friends of Mike Antonovich b. Antonovich Birthday Committee
3. Federal Friends	supports/opposes more than 1 candidate	none listed
4. State Friends	[California State organization]	
5. Birthday Committee <sup>2/</sup> (Federal)	[not indicated other than joint fundraising committee]	a. Friends of Mike Antonovich b. Senate Exploratory
6. Birthday Committee (State)	[California State Organization]	
7. The Transfer Committee	authorized, not a PCC	a. Antonovich for Senate b. Friends of Mike Antonovich

On April 1, 1986 and April 22, 1986 respondents amended some of these Statements of Organization, asserting the following relationships:

COMMITTEE NAME	REPORTED STATUS	AFFILIATED COMMITTEES REPORTED
1. Senate Committee (amended 4/1/86)	None	a. Antonovich Transfer Committee b. Antonovich Birthday Committee
Senate Committee (amended 4/22/86)	PCC	a. Friends of Mike Antonovich b. Antonovich Transfer Committee c. Antonovich Birthday Committee

<sup>2/</sup> An earlier Statement of Organization of the Birthday Committee listed Federal Friends and State Friends under the heading of connected or affiliated committees, with their relationships noted as "Participants In Joint Fundraising Committee."

COMMITTEE NAME	REPORTED STATUS	AFFILIATED COMMITTEES REPORTED
2. Birthday Committee	None	a. Friends of Mike Antonvich b. Antonovich for Senate c. Antonovich Transfer Committee

3704050200  
Four points are important to an understanding of the allegations. First, the complaint correctly treats the Antonovich Exploratory Committee and the Antonovich for Senate Committee as the same entity, but incorrectly names the former as a respondent. In fact, on January 8, 1986 the Antonovich Exploratory Committee (a testing the waters committee formed on October 22, 1985) amended its Statement of Organization to change its name to the Antonovich for Senate Committee. Under the Regulations the Senate Committee is the receipt of all the funds held by the former Exploratory Committee. See 11 C.F.R. § 100.7(b)(1). Consequently, the Antonovich for Senate Committee rather than the Antonovich Exploratory Committee is the proper respondent.<sup>3/</sup> Throughout the remainder of this report, the candidate's principal campaign committee for federal office will be referred to as the Senate Committee.

Second, the response states that State Friends was a "control" committee of the candidate, and was used by him for his own state election activity. The Transfer Committee is said to be a committee established by State Friends in order to separate

---

<sup>3/</sup> In light of this analysis, Respondents' assertion that the Senate Committee is not a respondent is in error.

impermissible funds from those funds permissible under the Act. As discussed later, it appears State Friends, the Transfer Committee and the Senate Committee are affiliated because they were established maintained and controlled by same person. Thus, transfers between them are analyzed pursuant to 11 C.F.R. § 102.6.

Third, the complaint names both a State Birthday Committee and a Federal Birthday Committee. Respondents assert that the Federal Birthday Committee was the joint fundraising representative for an event conducted by State Friends and Federal Friends. MUR 2132 Response at 3. According to respondents, the State Birthday Committee "is the State arm of the joint fundraising" event conducted by State and Federal Friends. Id. A "state arm" was required because, pursuant to California law, any political committee receiving \$500 must register on the state level. Id. The reports filed by State Birthday Committee and Federal Birthday Committee contain identical information -- i.e. the same amounts of contributions and disbursements with virtually identical itemization.<sup>4/</sup> Moreover, the same person is listed as the treasurer for these two committees. Both committees' reports note approximately

---

<sup>4/</sup> Minor discrepancies do appear. For example, State Birthday Committee reports receiving \$94,680 in contributions, while Federal Birthday Committee reports receiving \$95,380.95. Similarly, State Birthday reported expenditures of \$95,342, while Federal Birthday reported disbursements of \$95,380.94. Moreover, State Birthday reports include a "miscellaneous adjustment to cash of \$662" and end with cash on hand balance of zero, while Federal Birthday reports show a one cent cash on hand figure at the close of the reporting period.

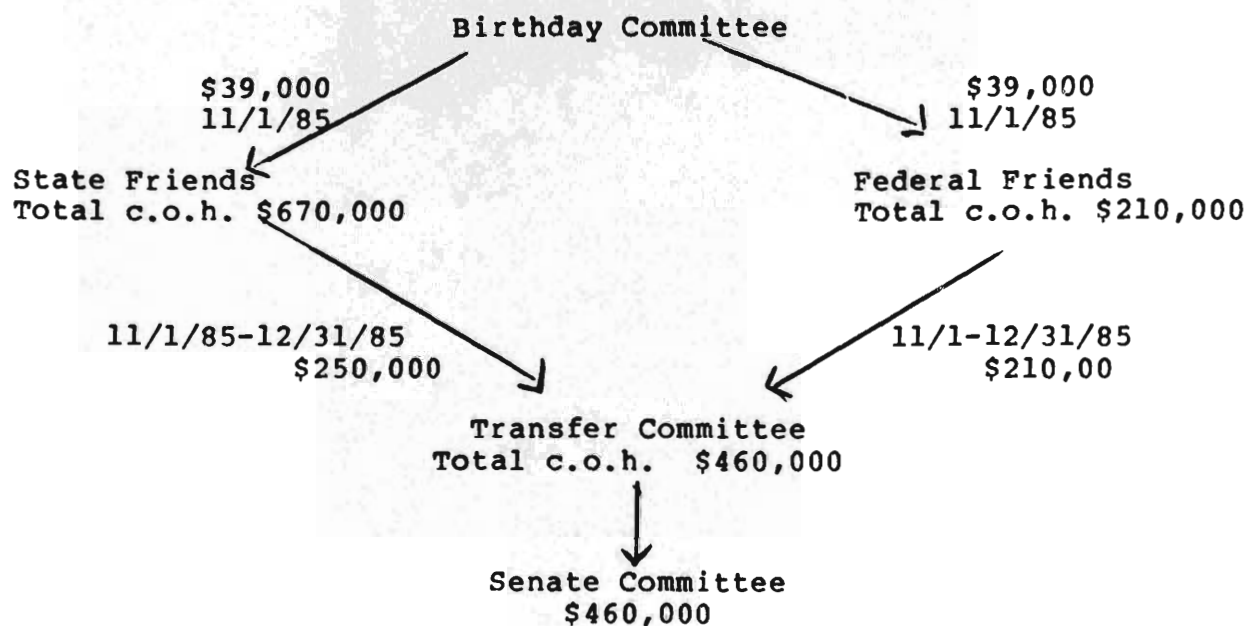

the same total amount received from the fundraising event, approximately the same total disbursements out (including transfers to State and Federal Friends) and both end the reporting period with no cash on hand. Thus it appears that there is but one fundraising entity filing both state and federal reports. Accordingly, for the purpose of this report, the fundraising entity will be referred to as "the Birthday Committee."

Fourth, the Transfer Committee's Statement of Organization lists this committee as an authorized committee of the candidate, but not a principle campaign committee. The candidate, however, has not authorized this Committee in writing pursuant to 2 U.S.C. § 432(e)(1).

## II. The Transactions Between the Committees

A review of the 1985 Year-End Reports of the Senate Committee, Federal Friends, the Birthday Committee, State Friends and the Transfer Committee reveal interwoven transactions whereby funds were passed to the Senate Committee from all the other committees. This began with a joint fundraising event held by State Friends and Federal Friends using the Birthday Committee as the fundraising representative. The Birthday Committee transferred the joint fundraising proceeds to State and Federal Friends on November 1, 1985. Subsequently, State and Federal Friends made transfers to the Transfer Committee, which, in turn,

transferred all of its funds to the Senate Committee. These transactions are detailed in the following chart and further described below.<sup>5/</sup>

87040650995

The Birthday Committee's 1985 Year-End Reports (federal and California reports) state that it was the joint fundraising representative of State Friends and Federal Friends. The Birthday Committee's reports indicate a zero cash on hand balance at the start of the reporting period. The Birthday Committee's sole activity was the joint fundraising event for which it received approximately \$95,000, raising approximately \$78,000 after payment of operating expenses. According to reports filed with the Commission, these receipts included individual and corporate

<sup>5/</sup> There are minor discrepancies regarding the dates and amounts transferred. For the purpose of this overview, only approximate numbers are used.

contributions, all of which were itemized. The Birthday Committee then passed this money to Federal Friends (\$39,158.57) and State Friends (\$39,158.56), ending the reporting period with a one cent cash balance.<sup>6/</sup> The Birthday Committee's 1986 April Quarterly and Pre-Primary Reports continue to report a one cent cash on hand balance without any reported activity.

The 1985 Year-End Report of Federal Friends shows a \$39,158 transfer-in figure from the Birthday Committee. In addition to this transfer-in, Federal Friends also reported approximately \$175,000 in cash on hand at the start of the reporting period. During the reporting period, Federal Friends passed this entire sum (approximately \$210,000) to the Antonovich Transfer Committee. Thus depleting its cash on hand, Federal Friends filed a termination report with the Commission.

The California report for State Friends, spanning October 20, 1985 through December 31, 1985, indicates State Friends began this reporting period with approximately \$630,000 as its cash on hand figure<sup>7/</sup>. During this period it reported receiving a "miscellaneous adjustment to cash" through a "transfer of funds" in the amount of \$39,159 from the Birthday Committee. State Friends further reported two transfers out of approximately

---

<sup>6/</sup> As discussed further at pages 11-12, it appears the Birthday Committee did not comply with the Commission's joint fundraising regulations.

<sup>7/</sup> This Office notes, but cannot explain, \$458,570.15 in "internal transfers" made within State Friends prior to its qualification as a political committee. See MUR 2132 Response at Attachment 3 (Cash on Hand Itemization).

\$250,000 to the Transfer Committee.<sup>8/</sup> State Friends ended this reporting period with approximately \$420,000 as its cash on hand figure.

The Transfer Committee's 1985 Year-End Report shows a zero cash on hand balance at the start of the reporting period. The Committee's total receipts (approximately \$460,000) came from State Friends and Federal Friends between November 1, 1985 and December 31, 1985. This entire amount was then reported as transferred to the Senate Committee between November 1 and December 31, 1985, leaving the Transfer Committee with a zero cash on hand balance at the close of the reporting period.

The Transfer Committee's 1986 April Quarterly Report notes that it received \$2,000 from the Senate Committee during this period. The Transfer Committee indicates it passed \$2,000 to the Friends of Mike Antonovich (presumably State Friends as Federal Friends had terminated). Its 1986 Pre-Primary Report notes only \$500 in activity with a \$500 transfer in from the Senate Committee which was transferred out to State Friends.

The Senate Committee's 1985 Year-End Report notes the receipt of approximately \$460,000 from the Transfer Committee during this period. Additionally, the Senate Committee received contributions from unrelated sources totalling approximately \$150,000. Its 1986 April Quarterly report lists approximately \$356,000 in contributions, with no additional funds transferred in from the other respondents.

---

<sup>8/</sup> This report appears to omit a transfer of approximately \$40,000 on December 31, 1985, reported by the Transfer Committee as being received from State Friends.

**FACTUAL AND LEGAL ANALYSIS IN MUR 2132**

**1. The Naming of Federal Friends**

Pursuant to 2 U.S.C. § 432(e)(3)(A), no political committee that supports or has supported more than one candidate may be designated as an authorized committee of a candidate.

Pursuant to 2 U.S.C. § 432(e)(4), the title of each authorized committee must contain the name of the candidate. Furthermore, no political committee which is not an authorized committee shall include the name of any candidate in its name.

8704055090  
The full name of Federal Friends is Friends of Michael Antonovich. The committee is a qualified multicandidate committee which, pursuant to 2 U.S.C. § 432(e)(3)(A), cannot be an authorized committee. At the time Federal Friends came into existence, Mr. Antonovich was not a candidate under the Act. Consequently, it was not improper at that time for Federal Friends to use his name. The Senate Committee registered as Mr. Antonovich's principle campaign committee on January 8, 1986, after which Federal Friends could no longer use his name in its title. Federal Friends remained in existence until the filing of its 1985 Year-End report, received by the Commission on February 7, 1986. Although Federal Friends has filed for termination, it was required to change its name on the date the Senate Committee registered. This Office recommends, therefore, that the Commission find reason to believe that Federal Friends violated 2 U.S.C. § 432(e)(4).

**2. Transfers to State and Federal Friends from the Birthday Committee**

Pursuant to 11 C.F.R. § 102.17(a)(1)(i), political committees engaging in joint fundraising must establish a separate committee or choose one of the participants to act as the fundraising representative. A political committee may engage in joint fundraising with an organization which is not a political committee.

Pursuant to 11 C.F.R. § 102.17(c)(3), participants in a joint fundraising effort or the fundraising representative must establish a separate depository account to be used solely for the receipt and disbursement of the joint fundraiser proceeds. Only funds permissible under the limitations (2 U.S.C. § 441a) and prohibitions (2 U.S.C. § 441b) of the Act can be deposited into the joint fundraiser account. If one of the participants can lawfully accept impermissible funds, then the joint fundraising representative must either forward the impermissible funds directly to the non-federal participants or establish a second depository account for funds from prohibited sources.

In response to the complaint, Respondents assert the transfers of joint fundraising proceeds from the Birthday Committee to State Friends and Federal Friends were permissible under the Act. They argue that State Friends and Federal Friends conducted joint fundraising and the Birthday Committee registered with the Commission as their joint fundraising representative pursuant to 11 C.F.R. § 102.17. Moreover, they argue that the fundraising proceeds were split equally between State and Federal Friends and that only permissible funds were given to Federal

Friends. Respondents offer detailed procedures of the segregation of permissible and impermissible funds, as well as an affidavit from the Committees' accountant attesting that only permissible funds were transferred to Federal Friends. A further review of the responses and reports indicates, however, that the committees did not fully comply with the joint fundraising regulations.

8704050003  
The response to MUR 2132, at Exhibit 5 indicates the Birthday Committee held the entire \$95,000 raised by the joint fundraiser in its account prior to distribution to Federal and State Friends. The reports on file with the Commission and the state of California also show that the Birthday Committee received this amount. Moreover, the response and the reports indicate that the \$95,000 contained funds from prohibited sources. Thus, because the Birthday Committee accepted these prohibited funds (rather than passing them directly to State Friends) it was required to establish a second depository account for the impermissible funds. It appears the Birthday Committee did not do so. The Response in MUR 2132 notes only one account for the The Birthday Committee. Moreover, the response's listing of the contributor split indicates all deposits were made into the same account. Id., at Exhibits 5 and 9.9/ It appears,

9/ The receipts from the fundraiser were deposited in batches. The committees state that they reviewed the checks within a batch to determine whether they were permissible. Because the Birthday Committee's response notes that checks from the same batch (i.e. the same deposit) contained both permissible and impermissible funds, it appears that all funds were deposited in the same account with segregation of permissible funds occurring at a later date. See response at Exhibit 5.

therefore, that there is reason to believe the Birthday Committee violated 2 U.S.C. § 441b(a). Additionally, this Office recommends that the Commission find that there is reason to believe the Birthday Committee, State Friends and Federal Friends violated 11 C.F.R. § 102.17(c)(3).

**3. Transfers from State and Federal Friends to the Transfer Committee and from the Transfer Committee to the Senate Committee.**

Pursuant to 2 U.S.C. § 441a(a)(5) and 11 C.F.R. § 100.5(g)(2) all committees established, maintained or controlled by the same person are affiliated and share a single contribution limitation. Transfers of funds permissible under the Act can be made without limit on amount between affiliated committees, whether or not they are political committees. 11 C.F.R. § 102.6. Such transfers, however, count against the thresholds of the Act for determining whether a committee must register and report. A committee qualifying as a political committee must file a Statement of Organization within 10 days of such qualification. 2 U.S.C. § 433(a). When a candidate's state committee qualifies as a political committee by transferring more than \$1000 to his or her federal committee, the state committee must file an initial report with the Commission itemizing all permissible funds transferred. See 11 C.F.R. § 104.12. See also A.O. 1982-52

Pursuant to 2 U.S.C. § 441a(a)(1)(A), no person shall make contributions to a candidate and his authorized committees that exceed \$1000 per election. Moreover, no person shall make contributions to any other political committee that exceed \$5000 per year. 2 U.S.C. § 441a(a)(1)(C). Additionally, no multicandidate

committee may make contributions to a candidate and his authorized committees that exceed \$5000 per election, or to any other political committee that exceed \$5000 per year. 2 U.S.C. § 441a(2)(A). The Act also prohibits corporations from making contributions in connection with a federal election. 2 U.S.C. § 441b(a).

Pursuant to 2 U.S.C. § 432(e)(3)(A) no political committee that supports or has supported more than one candidate may be designated as an authorized committee of a candidate.

As previously noted, the Transfer Committee's Statement of Organization lists that committee as affiliated with both the Senate Committee and Friends of Mike Antonovich. Respondents argue that because the Transfer Committee is affiliated with State and Federal Friends, as well as the Senate Committee, the transfers made among these committees were permissible pursuant to 11 C.F.R. § 102.6

According to the response, the Transfer Committee is an account of State Friends that came into existence when State Friends sought to transfer funds to the Senate Committee. Response at 4. All State Friends' permissible funds were put into this account and subsequently transferred to its affiliated committee, the Senate Committee.<sup>10/</sup> The Transfer Committee then

---

<sup>10/</sup> Respondents assert that the Transfer Committee served solely as a transfer agent for the State Friends funds being transferred to the Senate Committee. Response at 4. However, the Transfer Committee also received approximately \$210,000 from Federal Friends and subsequently transferred these funds to the Senate Committee.

8704051001

registered and reported with the Commission in order to comply with the Act's registration and reporting requirements. A detailed accounting of the funds transferred and a sworn affidavit from the committees' accountant indicate all funds transferred by State Friends were permissible. Although not the usual method of complying with the registration and reporting requirements of a transferring committee, the establishment of the Transfer Committee for this purpose does not in and of itself appear to create a problem. Accordingly, this Office recommends that the Commission find no reason to believe that State Friends violated 2 U.S.C. § 441b and 11 C.F.R. § 102.6(a) in connection with these transfers.

The Transfer Committee's receipt of \$210,000 from Federal Friends, a multicandidate committee, and subsequent transfer of that amount to the Senate Committee, however, does create a problem. In the past, when examining transactions between a candidate's principal campaign committee ("PCC") and a multicandidate committee with which the candidate has a special relationship, the Commission has found the contribution limits of 2 U.S.C. § 441a apply. The Commission first faced the issue in MUR 950. In that MUR the Commission found probable cause to believe that the candidate's PCC accepted excessive in-kind contributions from a multicandidate committee with which the candidate had an active relationship. At the reason to believe stage of the proceedings, the General Counsel's Report presented

the Commission with alternative theories of violations. One theory was that the multicandidate committee and the PCC were affiliated, and thus could make transfers (in that case in-kind) to one another without limitation. The Commission rejected this approach, and instead imposed the contribution limitations contained in 2 U.S.C. § 441a(a) to the transactions between the committees.

3704051002  
The Commission made a similar determination in MUR 1741. In discussing the relationship between a PCC and a multicandidate committee with which the candidate had a special relationship, the General Counsel's Report to the Commission expressly relied upon the analysis used in MUR 950. It analyzed the relationship between the two committees and recommended the Commission find reason to believe excessive in-kind contributions had flowed from one committee to the other. The Commission approved the General Counsel's recommendations concerning the excessive contributions.

8  
In MUR 1870 the Commission rejected the theory contained in the General Counsel's Report that the candidate's PCC was affiliated with a multicandidate committee with which the candidate had a special relationship. Although the Commission did not state that a PCC and a multicandidate committee could never be affiliated, the Commission indicated that the more

appropriate analysis was the contribution analysis of MUR 950.<sup>11/</sup> Upon determining that the multicandidate committee had not performed any services for the PCC, the Commission found no reason to believe the committees violated 2 U.S.C. §§ 441a(a) and 441a(f) and closed the file.

In sum, although the Commission has never explicitly stated that a PCC and a multicandidate committee cannot be affiliated, its practice is to apply the contribution limits of 2 U.S.C. § 441a to transactions between such organizations.<sup>12/</sup>

This same type analysis should be applied to the present situation. Based on past Commission action, the \$5000 contribution limit is applicable to direct transactions between Federal Friends and the Senate Committee. Respondents should not be permitted to skirt that limitation simply by conducting

---

<sup>11/</sup> Prior to his involvement with the multicandidate committee, the candidate in MUR 1870 requested an advisory opinion concerning that involvement. In that A.O., the Commission indicated that his involvement would not alter the usual limits on contributions to and by the multicandidate committee assuming the multicandidate committee was not affiliated with the candidate's PCC. This opinion, therefore, implies that affiliation between a multicandidate committee and a PCC might be possible. See A.O. 1978-12.

<sup>12/</sup> In at least one instance the Commission has permitted a PCC and a multicandidate committee to raise affiliation as an affirmative defense. See MUR 459. This matter was brought to the Commissions' attention in MUR 950, but the Commission still chose to apply the contribution limits to the transactions between the committees involved.

the transaction indirectly through the Transfer Committee. Although not designated as such, the Transfer Committee acts as a PCC for the candidate. It is the candidate's committee, and its sole purpose is to obtain and transfer funds for the candidates' campaign. In fact, it exists only to support that campaign. Consequently, by transferring \$210,000 to the Transfer Committee, Federal Friends was, in essence, transferring those funds to the Senate Committee. Furthermore, because the Transfer Committee and the Senate Committee appear to be affiliated, they share a common contribution limit. Thus, contributions to the Transfer Committee are considered contributions to the Senate Committee for limitation purposes. Based on the forgoing, therefore, this Office recommends the Commission find reason to believe that Federal Friends violated 2 U.S.C. § 441a(2)(A) and that the Transfer Committee and the Senate Committee violated 2 U.S.C. § 441a(f).

MUR 2161

On April 1, 1986 the Office of the General Counsel received a letter styled as an amendment to MUR 2132 from Ms. Judy Ridgway of the Bobbi Fiedler for Congress Committee. As previously noted, because Ms. Ridgway did not sign the complaint in MUR 2132, she could not file an amendment to it, so her letter was treated as a new complaint (MUR 2161). Nevertheless, MUR 2161 attempts to amend MUR 2132, names some of the same respondents as named in MUR 2132, and parallels some of

the allegations regarding acceptance of prohibited and excessive contributions. Accordingly, this Office recommends that the Commission merge MUR 2161 with MUR 2132.

**Allegations in MUR 2161**

The basis of the allegations is a TV commercial narrated by Mr. Antonovich that advocates the defeat of a California State Supreme Court judge ("the Ad"). The Ad is said to be funded by Californians for Justice in the Courts, ("Californians for Justice"), a California state organization allegedly controlled by political consultants also employed by the Senate Committee. See Complaint at 3. Moreover, Californians for Justice is said to have received contributions from either State Friends or the State Birthday Committee.

Although not clearly stated, the complaint appears to allege that State Friends and the Birthday Committee made contributions of prohibited funds to Californians for Justice and that these funds were used to pay for the Ad in which the candidate appeared. Thus, the complaint alleges State Friends, the Birthday Committee and the candidate violated 2 U.S.C. § 441b(a).<sup>13/</sup>

---

<sup>13/</sup> The allegation that the Ad is a "use" within the meaning of the Communications Act is outside the jurisdiction of the Commission and thus not addressed in this report.

**FACTUAL AND LEGAL ANALYSIS IN MUR 2161**

Responding to the complaint, respondents assert that the Ad was not made to influence Mr. Antonovich's election to federal office. MUR 2161 Response at 4-6. Additionally, respondents deny that Californians for Justice made any contributions Mr. Antonovich or any committees authorized by him. Id. at 3-4.

1. The Ad

Respondents have provided an affidavit stating the full and complete text of the ad is as follows:

VISUAL: Head shot of Michael Antonovich  
Inset identifies Mr. Antonovich as a LA County Supervisor

AUDIO: Michael Antonovich speaking  
"Rose Bird says she only seeks justice. You decide.

A young San Diego woman was kidnapped, stabbed, partially dismembered -- and finally decapitated.

Rose Bird voted against the death penalty--because the intent to kill was not established. "The victim might have been killed accidentally", she said.

I'm Mike Antonovich. And I too only seek justice. Join me in defeating Rose Bird. And justice will be served.

VISUAL: PAID FOR BY CALIFORNIANS FOR JUSTICE IN THE COURTS.  
PAT PILAS TREASURER.

As demonstrated above, the Ad addresses only the reconfirmation of a state judge, identifies Mr. Antonovich only as a Los Angeles County Supervisor and not as a candidate for federal office, and urges voters to join with Mr. Antonovich "in defeating Rose Bird" - a state elected official. Respondents

further assert that Mr. Antonovich is merely "a person of notarity in the political arena who is speaking his mind as an individual and not as a candidate." MUR 2161 response at 6. Accordingly, respondents argue that Mr. Antonovich's activities in the Ad are not subject to the Act.

Bolstering respondents argument is a Commission advisory opinion permitting a candidate to appear on an Ad endorsing a state candidate. In A.O. 1982-56, the Commission determined that a Congressman could endorse a candidate for state office without accepting an in-kind contribution provided that the activity did not advocate the election of the federal candidate or the defeat of his or her opponent; nor solicit funds for the federal candidate's campaign. The Commission has used a similar standard in other instances where a candidate made media appearances in activities purportedly unrelated to his or her campaign. See, e.g., A.O.s 1981-37, and 1977-42.

In the instant case, the text of the Ad did not advocate the election or defeat of a candidate for federal office. Moreover, Mr. Antonovich did not urge voters to vote for him in the primary election. In fact, Mr. Antovich's candidacy was not even mentioned. Additionally, voters were not solicited for contributions to any federal committees or on behalf of any federal candidates. Accordingly, it appears that Mr.

Antonovich's appearance on the Ad did not violated the Act, and that the funding of the Ad is not subject to the prohibitions and limitations of the Act.<sup>14/</sup>

**2. The Possibility of Other Contributions**

Respondents also have submitted sworn statements denying that Californians for Justice made any contributions to the Senate Committee or its alleged authorized committee, the Transfer Committee. MUR 2161 Response at 3. Neither the Senate Committee and Transfer Committee reports show any contributions from Californians for Justice. Therefore, Californians for Justice and State Friends do not appear to have made, and the Senate Committee does not appear to have accepted, prohibited contributions.

Because the Ad's contents reveal it is not in connection with a federal election, and because no prohibited contributions occurred, this Office recommends that the Commission find no reason to believe that Californians for Justice violated 2 U.S.C. § 441b(a) and close the file with respect to this respondent. Additionally, this Office recommends that the Commission find no reason to believe the Friends of Mike Antonovich (State), the

---

<sup>14/</sup> In light of the fact that the Ad does not involve any federal activity, allegations regarding the relationship of consultants for the Senate Committee with California for Justice are without merit.

Anotonvich Birthday Committee and Allen E. Brandstater, as treasurer, and the Antonovich for Senate Committee and Joseph Crail, as treasurer violated 2 U.S.C. § 441b(a) with regard to the Ad. Finally, the Office of the General Counsel recommends that the Commission find no reason to believe Michael D. Antonovich violated 2 U.S.C. § 441b(a), and close the file with respect to him.

Dear Mr. Sullivan:

The Federal Election Commission notified your clients on January 22, 1986, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your clients at that time. Your clients were further notified on February 20, 1986 of an amendment to this complaint. Additionally, some of your clients were notified on April 10, 1986 of an additional complaint alleging other violations of the Act.

Upon further review of the allegations contained in the complaints, and information supplied by your clients, the Commission, on July 22, 1986, determined that there is reason to believe that a number of violations of the Act have occurred. The Commission's findings focus on the state and federal activity conducted by your clients, which appears to be the genesis of the allegations. Because of the similarity of respondents and allegations, the Commission determined to merge MUR 2132 with MUR 2161. In the future, therefore, these matters will be referred to as MUR 2161.

A. Findings Relating to transfers between Committees

The Commission determined that there is reason to believe the Friends of Mike Antonovich and Roland Smith, as treasurer, ("Federal Friends") violated 2 U.S.C. § 441a(a)(2)(A) by contributing in excess of \$5,000 per election to the Antonovich for Senate Committee ("the Senate Committee").<sup>1/</sup> The Commission also found that there is reason to believe that the Senate Committee and Joseph Crail, as treasurer, and the Antonovich Transfer Committee and Scott B. McKenzie, as treasurer, ("Transfer Committee") violated 2 U.S.C. § 441a(f) in connection with these transfers. The Commission further determined that there is no reason to believe that the Friends of Mike Antonovich ("State Friends") violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.6(a).

B. Reporting Violations

Additionally, the Commission found that there is reason to believe that Federal Friends and its treasurer violated 2 U.S.C. § 432(e)(4) by using a candidate's name in its title. The Commission determined to take no further action regarding this violation.

C. Joint Fundraising Violations

The Commission also determined that there is reason to believe State Friends, Federal Friends, and the Antonovich Birthday Committee and Allen E. Brandstater, as treasurer, ("the Birthday Committee") all violated 11 C.F.R. § 102.17(c)(3). Underlying these findings were indications from the Committees' bank records that the Birthday Committee failed either to establish a separate depository account for non-permissible funds or to pass such funds directly to State Friends. The Commission also found reason to believe that the Birthday Committee violated 2 U.S.C. § 441b(a) by accepting these funds. After considering the circumstances in this matter, however, the Commission

<sup>1/</sup>The Senate Committee, as the successor of the Senate Exploratory Committee, was a named respondent in this matter.

determined to take no further action regarding these particular violations by State Friends, Federal Friends, and the Birthday Committee and closed the file with respect to these findings.

D. Findings Related to California Television Political Ads

The Commission also found that there is no reason to believe that Michael D. Antonovich, Californians for Justice in the Courts, the Senate Committee, the Birthday Committee and State Friends violated 2 U.S.C. § 441b(a) with regard to allegations concerning a California television ad in which the candidate appeared. The Commission closed the file regarding Californians for Justice in the Courts and Michael D. Antonovich.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, requests for pre-probable cause conciliation will not be entertained after briefs on probable cause have been mailed to the respondents.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of General Counsel is not authorized to give extensions beyond 20 days.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that your clients wish the matter to be made public.

If you have any questions, please contact Patty Reilly, the attorney assigned to this matter, at (202) 376-8200.

Sincerely,

Enclosures  
Procedures

DESCRIPTION OF PRELIMINARY PROCEDURES  
FOR PROCESSING COMPLAINTS FILED WITH THE  
FEDERAL ELECTION COMMISSION

Complaints filed with the Federal Election Commission shall be referred to the Enforcement Division of the Office of General Counsel, where they are assigned a MUR (Matter Under Review) number and assigned to a staff member. Within 5 days of receipt of a complaint, the Commission shall notify, in writing, the respondent listed in the complaint that the complaint has been filed and shall include with such notification a copy of the complaint. Simultaneously, the complainant shall be notified that the complaint has been received and will be acted upon. The respondent(s) shall then have 15 days to demonstrate, in writing, that no action should be taken against him/her in response to the complaint.

At the end of the 15 days, the Office of General Counsel shall report to the Commission making a recommendation(s) based upon a preliminary legal and factual analysis of the complaint and any submission made by the respondent(s). A copy of respondent's submission shall be attached to the Office of General Counsel's report and forwarded to the Commission. This initial report shall recommend either: (a). that the Commission find reason to believe that the complaint sets forth a possible violation of the Federal Election Campaign Act (FECA) and that the Commission will conduct an investigation of the matter; or (b). that the Commission finds no reason to believe that the complaint sets forth a possible violation of the Federal Election Campaign Act (FECA) and, accordingly, that the Commission close the file on the matter.

If, by any affirmative vote of four (4) Commissioners, the Commission decides that it has reason to believe that a person has committed or is about to commit a violation of the Federal Election Campaign Act (FECA), the Office of General Counsel shall open an investigation into the matter. During the investigation, the Commission shall have the power to subpoena documents, to subpoena individuals to appear for deposition, and to order answers to interrogatives. The respondent(s) may be contacted more than once by the Commission during its investigation.

If, during this period of investigation, the respondent(s) indicate a desire to enter into conciliation, the Office of General Counsel staff may begin the conciliation process prior to a finding of probable cause to believe a violation has been committed. Conciliation is an informal method of conference and persuasion to endeavor to correct or prevent a violation of the Federal Election Campaign Act (FECA). Most often, the result of conciliation is an agreement signed by the Commission and the respondent(s). The Conciliation Agreement must be adopted by four votes of the Commission before it becomes final. After signature by the Commission and the respondent(s), the Commission shall make public the Conciliation Agreement.

3704061002  
[If the investigation warrants], and no conciliation agreement is entered into prior to a probable cause to believe finding, the General Counsel must notify the respondent(s) of this intent to proceed to a vote on probable cause to believe that a violation of the Federal Election Campaign Act (FECA) has been committed or is about to be committed. Included with the notification to the respondent(s) shall be a brief setting forth the position of the General Counsel on the legal and factual issues of the case. Within 15 days of receipt of such brief, the respondent(s) may submit a brief posing the position of the respondent(s) and replying to the brief of the General Counsel. Both briefs will then be filed with the Commission Secretary and will be considered by the Commission. Thereafter, if the Commission determines by an affirmative vote of four (4) Commissioners, that there is probable cause to believe that a violation of the FECA has been committed or is about to be committed conciliation must be undertaken for a period of at least 30 days but not more than 90 days. If the Commission is unable to correct or prevent any violation of the FECA through conciliation the Office of General Counsel may recommend that the Commission file a civil suit against the respondent(s) to enforce the Federal Election Campaign Act (FECA). Thereafter, the Commission may, upon an affirmative vote of four (4) Commissioners, institute civil action for relief in the District Court of the United States.

MUR 21 SEP 24 A10:33

**GENERAL COUNSEL'S REPORT**

**I. BACKGROUND**

On July 22, 1986 the Commission found reason to believe the Friends of Mike Antonovich and Roland Smith, as treasurer ("Federal Friends") violated 2 U.S.C. § 441a(a)(2)(A) by contributing approximately \$206,000 to both the Antonovich Transfer Committee and Scott B. McKenzie, as treasurer ("the Transfer Committee") and the Antonovich for Senate Committee and Joseph Crail, as treasurer ("the Senate Committee"). Also on that date, the Commission found reason to believe the Transfer Committee and the Senate Committee violated 2 U.S.C. § 441a(f) by accepting this excessive contribution from Federal Friends. Responding to the Commission's reason to believe notification, respondents do not dispute the Commission's findings. Instead, respondents request pre-probable cause conciliation. This Office recommends that the Commission grant this request.

**II. LEGAL ANALYSIS**

The Act limits multicandidate committees to contributing \$5,000 per election to an authorized committee of a candidate. 2 U.S.C. §441a(a)(2)(A). Affiliated political committees share

a common contribution limitation. 2 U.S.C. § 441a(a)(5). Moreover, pursuant to 2 U.S.C. § 441a(f), political committees may not accept contributions exceeding the Act's limitations. Thus, affiliated political committees authorized by a candidate may accept only \$5,000 in contributions, per election, from a multicandidate committee.

In the instant case, Federal Friends, a multicandidate committee, could lawfully contribute up to \$5,000 per election to the Senate Committee. By contributing approximately \$206,000 to the Transfer Committee, an affiliated committee of the Senate Committee, Federal Friends violated 2 U.S.C. § 441a(a)(2)(A). Moreover, the Senate and Transfer Committees violated 2 U.S.C. § 441a(f) by accepting this excessive contribution.

Dear Mr. Sullivan:

On July 22, 1986, the Commission found reason to believe that the Friends of Mike Antonovich and Roland Smith, as treasurer violated 2 U.S.C. § 441a(a)(2)(A). Additionally, on that day the Commission found reason to believe the Antonovich for Senate Committee and Joseph Crail, as treasurer, and the Antonovich Transfer Committee and Scott B. McKenzie, as treasurer, violated 2 U.S.C. § 441a(f). At your request, the Commission determined on October 9, 1986, to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe.

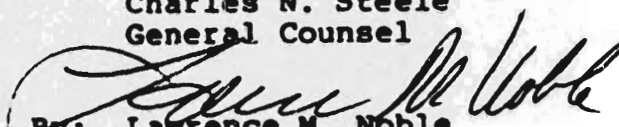

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If your clients agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible. Dear Mr. Crail:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

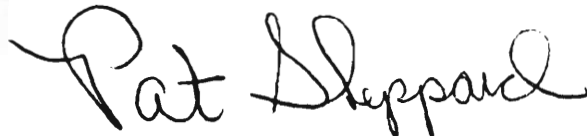

-Reports on file with the Commission indicate that your committee has accepted \$78,913.86 in contributions designated for the general election. While it is permissible for a person to contribute to a Principle Campaign Committee for the general election prior to the primary election, the recipient committee must employ an acceptable accounting method to distinguish between primary and general election contributions. As the candidate was defeated in the Primary, all contributions received for the general election must be returned to the donors. The use of general election contributions to pay primary debts and obligations is prohibited under the Act as such use could result in individuals making contributions with respect to the primary election in excess of the \$1,000 limit. (11 CFR 102.9(e) and 11 CFR 110.1(a)(2)) Any subsequent report(s) filed with the Commission should disclose the refund of all contributions which were designated for the general election.

-When a committee reports receiving a loan from the candidate, it is necessary to clarify whether or not the candidate used his/her personal funds or borrowed the money from a lending institution, or any other source. If the candidate borrowed funds from a lending institution or any other source, please provide the name of the lending institution and the complete terms of the loan. If the loan(s) was from personal funds, please acknowledge that fact in an amendment to this report. Further, it is important to note that

"personal funds" is strictly defined by Commission regulations and may be found in 11 CFR 110.10. (11 CFR 100.7(a)(1) and 104.3(d))

An amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. On January 20, 1986 I filed with you a lengthy, well-documented complaint against Michael D. Antonovich, his four campaign committees and his two treasurers. At that time, I pointed out that an expedited review was needed to avoid tainted funds from being used in the June 3, 1986 primary for United States Senate.

RE: MUR 2161 (formerly MUR 2132)

Dear Ms. Fiedler:

This is in response to your letter dated March 23, 1987, in which you request information pertaining to a complaint you filed on January 20, 1986, with the Federal Election Commission. The Office of the General Counsel has also received a prior letter from you dated April 22, 1986, that made a similar inquiry.

As stated in our May 19, 1986 response to your prior inquiry, the Federal Election Campaign Act of 1971, as amended ("the Act") prohibits any person from making public the fact of any notification or investigation by the Commission, prior to closing the file in the matter, unless the party being investigated has agreed in writing that the matter be made public. See 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A). Because there have been no written agreements that the matter be made public, we are not in a position to release any information at this time. The Office of the General Counsel will notify you as soon as the Commission takes final action on your complaint.

FEDERAL ELECTION COMMISSION

In the Matter of )  
Antonovich Birthday Committee and )  
Allen E. Brandstater, as treasurer ) MUR 2161  
Friends of Mike Antonovich (Federal) )  
and Roland Smith, as treasurer )  
Friends of Mike Antonovich (State) )

STATEMENT OF REASONS

In MUR 2161 we adopted all the reason to believe recommendations of the General Counsel, but we also decided to close the file with respect to a possible violation of 2 U.S.C. § 432(e)(4) by Friends of Mike Antonovich (Federal) and Roland Smith, as treasurer ("Federal Friends"). We also voted to take no further action and closed the file with respect to findings of possible joint fundraising violations. Thus, we found reason to believe the Birthday Committee and Alan Brandstater, as treasurer, violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.17(c)(3) and closed the file with respect to these findings. Additionally, we found reason to believe Federal Friends and the Friends of Mike Antonovich (State) each violated 11 C.F.R. § 102.17(c)(3), and closed the file with respect to these findings.

After adopting the General Counsel's recommendations to find reason to believe, we exercised our discretion and weighed the "many variables" regarding the proper ordering of our priorities

49

and the allocation of our resources. See Heckler v. Chaney, 470 U.S. 821, 105 S.Ct. 1649, 1656 (1985). On the basis of the information available to us with respect to these respondents, it appeared that the name of Federal Friends contained the name of a candidate for only a short period until Federal Friends sought to terminate. Additionally, possible joint fundraising violations by Federal Friends, State Friends, and the Birthday Committee appeared to stem from the Birthday Committee's failure to establish a second depository account for impermissible funds. It appeared, however, that these committees had attempted to meet the Regulations' joint fundraising requirements and the failure to establish a second depository account was an oversight by the Committee. Accordingly, we concluded that the nature of these apparent violations did not warrant further investigation.

MEMORANDUM

TO: LARRY NOBLE

FROM: MARJORIE W. EMMONS  
COMMISSION SECRETARY

SUBJECT: STATEMENT OF REASONS: MUR 2161

*MWE*

Transmitted herewith is the completed Statement of  
Reasons for MUR 2161.

87040651060

FEDERAL ELECTION COMMISSION

In the Matter of )  
Antonovich Birthday Committee and )  
Allen E. Brandstater, as treasurer ) MUR 2161  
Friends of Mike Antonovich (Federal) and )  
Roland Smith, as treasurer )  
Friends of Mike Antonovich (State) )

STATEMENT OF REASONS

On July 22, 1986, the Federal Election Commission adopted all the reason to believe recommendations of the Office of the General Counsel in MUR 2161, but also decided to take no further action and close the file as to a possible violation of 2 U.S.C. §432 (e)(4) by the Friends of Mike Antonovich (Federal) and Roland Smith, as treasurer, to take no further action and close the file as to a possible violation of 2 U.S.C. §441b(a) and 11 C.F.R. §102.17(c)(3) by the Antonovich Birthday Committee and Alan Brandstater, as treasurer, and to take no further action and close the file as to a possible violation of 11 C.F.R. §102.17(c)(3) by the Friends of Mike Antonovich (Federal) and Roland Smith, as treasurer, and by the Friends of Mike Antonovich (State).

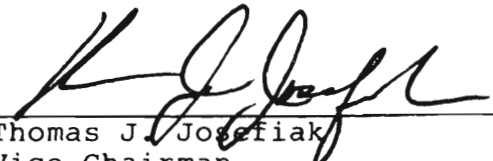

The Commission concluded that the name of the Friends of Mike Antonovich (Federal) contained the name of a candidate for federal office for only a brief period of time prior to a request by that committee to terminate. The Commission also concluded that the three committees had apparently attempted to comply with the requirements of the Commission's regulations regarding joint

fundraising and that the failure to establish a second depository account for impermissible funds was an oversight.

Therefore, upon considering the proper ordering of Commission priorities and resources, see Heckler v. Chaney, 470 U.S. 821 (1985), the Commission concluded that no further inquiry or action was warranted as to these apparent violations.

Reference: Year End Report (10/1/86-12/31/86)

Dear Mr. Crail:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses contributions which appear to exceed the limits set forth in the Act. No political committee other than a multicandidate committee may make contributions to a candidate for Federal office in excess of \$1,000 per election. The Friends of Dronenburg PAC did not meet the requirements for multicandidate status as of the date the contribution(s) was made to your committee. If you have received a contribution which exceeds the limits, the Commission recommends that you refund to the donor the amount in excess of \$1,000. The Commission should be notified in writing if a refund is necessary. In addition, any refund should appear on Line 20 of the Detailed Summary Page and Schedule B of your next report. (2 U.S.C. §§441a(a) and (f))

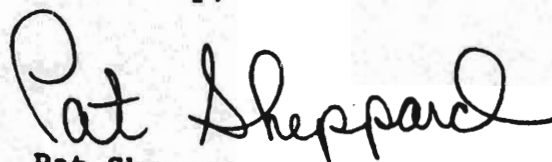

The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office.

If the contributions in question were incompletely or incorrectly reported, you may wish to submit documentation for the public record. Please amend your report with the clarifying information.

Although the Commission may take further steps concerning the acceptance of excessive contributions, prompt action by you to refund the excessive amounts will be taken into consideration.

An amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

RE: MUR 2161

Dear Ms. Ridgway:

This is in reference to the complaint you filed with the Federal Election Commission on April 1, 1986. Because the Commission had received another complaint numbered MUR 2132 that alleged similar violations of the Act by some of the respondents named in your complaint, the Commission, on July 22, 1986, determined to merge the other matter into MUR 2161. Also on that date, the Commission made a number of findings as detailed below.

**Findings Relating to Transfers Between Committees**

The Commission determined that there was reason to believe the Friends of Mike Antonovich and Roland Smith as treasurer, ("Federal Friends") violated 2 U.S.C. § 441a(a)(2)(A) by contributing in excess of \$5,000 per election to the Antonovich for Senate Committee ("the Senate Committee").<sup>1/</sup> The Commission also found that there was reason to believe that the Senate Committee and Joseph Crail, as treasurer, and the Antonovich Transfer Committee and Scott B. Mackenzie, as treasurer, ("Transfer Committee") violated 2 U.S.C. § 441a(f) in connection with these contributions. The Commission further determined that there was no reason to believe that the Friends of Mike Antonovich ("State Friends") violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.6(a).

**Reporting Violations**

Additionally, the Commission found that there was reason to believe that Federal Friends and its treasurer violated 2 U.S.C. § 432(e)(4) by using a candidate's name in its title. The

<sup>1/</sup> The Senate Committee, as the successor of the Senate Exploratory Committee, was a named respondent in this matter.

Commission determined to take no further action regarding this violation.

#### Joint Fundraising Violations

9 7 0 4 0 5 1 0 7 5  
The Commission also determined that there was reason to believe State Friends, Federal Friends, and the Antonovich Birthday Committee and Allen E. Brandstater, as treasurer, ("the Birthday Committee") all violated 11 C.F.R. § 102.17(c)(3). Underlying these findings were indications from the Committee's bank records that the Birthday Committee failed either to establish a separate depository account for non-permissible funds or to pass such funds directly to State Friends. The Commission also found reason to believe that the Birthday Committee violated 2 U.S.C. § 441b(a) by accepting these funds. After considering the circumstances in this matter, however, the Commission determined to take no further action regarding these particular violations by State Friends, Federal Friends, and the Birthday Committee and on July 22, 1986, closed the file with respect to these findings.

#### Findings Related to California Television Political Ads

The Commission found that there was no reason to believe that Michael D. Antonovich, Californians for Justice in the Courts, the Senate Committee, the Birthday Committee and State Friends violated 2 U.S.C. § 441b(a) with regard to allegations concerning a California television ad in which the candidate appeared. The Commission closed the file regarding Californians for Justice in the Courts and Michael D. Antonovich on July 22, 1986.

Enclosed please find the General Counsel's Report signed July 11, 1986, in which the Office of the General Counsel made its reason to believe recommendations to the Commission in this matter. Also enclosed please find a Statement of Reasons adopted by the Commission explaining its July 22, 1986, determinations to close the file as to the Birthday Committee and State Friends, and to take no further action regarding Federal Friends' possible violations of 11 C.F.R. § 102.17(c)(3) and 2 U.S.C. § 432(e)(4). This document will become part of the public record in MUR 2161.

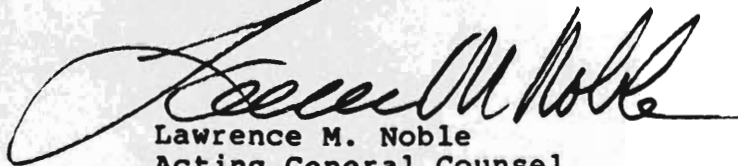

The Commission conducted an investigation regarding the other violations in this matter. On May 18, 1987, a conciliation agreement signed by the other respondents' counsel was accepted by the Commission. Accordingly, the Commission closed its file in this matter on May 18, 1987. A copy of this agreement is also enclosed for your information.

The Commission also found that there was no reason to believe that Michael D. Antonovich, Californians for Justice in the Courts, the Senate Committee, the Birthday Committee and State Friends violated 2 U.S.C. § 441b(a) with regard to allegations concerning a California television ad in which the candidate appeared. The Commission closed the file regarding Californians for Justice in the Courts and Michael D. Antonovich on July 22, 1986.

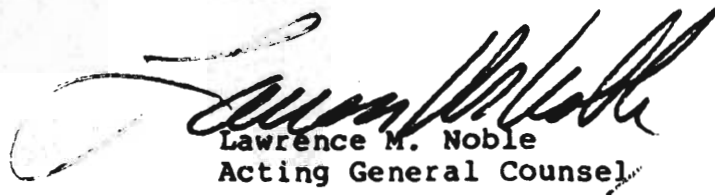

Enclosed please find the General Counsel's Report signed July 11, 1986, in which the Office of the General Counsel made its reason to believe recommendations to the Commission in this matter. Also enclosed please find a Statement of Reasons adopted by the Commission explaining its July 22, 1986, determinations to close the file as to the Birthday Committee and State Friends, and to take no further action regarding Federal Friends' possible violations of 11 C.F.R. § 102.17(c)(3) and 2 U.S.C. § 432(e)(4). These documents will become part of the public record in MUR 2161.

Honorable Bobbi Fiedler

The Commission conducted an investigation regarding the other violations in this matter. On May 18, 1987, a conciliation agreement signed by the other respondents' counsel was accepted by the Commission. Accordingly, the Commission closed its file in this matter on May 18, 1987. CONCILIATION AGREEMENT

9704051081  
This matter was initiated by signed, sworn, and notarized complaints by Bobbi Fielder and Judy Ridgway. The Commission found reason to believe that the Friends of Mike Antonovich and Roland Smith, as treasurer, ("Federal Friends") violated 2 U.S.C. § 441a(a)(2)(A). RE: MUR 2161

Dear Mr. Noble:

Pursuant to your notice dated May 21, 1987 that the abovementioned matter has been settled through the conciliation process, I wish this letter to be placed on the public record.

I believe it is very important that a more extensive set of facts be placed on the record in order to clarify the basis upon which the transactions involved in this MUR occurred.

In 1982, I had a question as to whether or not campaign contributions could be raised and set aside for use in a potential future federal candidacy. In an attempt to be certain of the procedures to be followed, I sought professional advice. If permissible I also wanted to know the particular requirements for compliance with the Federal Election Campaign Act of 1971, as amended (FECA).

I was informed that I could establish a separate federal committee and deposit funds permissible under the limits and prohibitions of the FECA. In view of the fact that I planned, and in fact did establish and control this federal committee (Federal Friends), I was informed that under the FECA it would be considered to be affiliated with whatever federal campaign committee I established at a future date. 11 CFR 100.5(g) As an affiliated committee, I was also advised that there would be available, an unlimited transfer of funds from the Federal Friends to my campaign committee. 11 CFR 110.3(a)(1) Therefore, whatever monies were raised by Federal Friends could be directly transferred to the campaign committee.

It was never my desire to specifically establish a federal committee. Rather it was to merely secure funds for a potential future federal candidacy, to be used in the event I decided to seek a federal nomination.

It was based upon this advice which I received that caused me to have Federal Friends registered and file reports as a federal committee. Though not specified on its Statement of Organization, Federal Friends was considered by us to be a committee to support a single candidate, (namely Mike Antonovich) if and when I became a federal candidate.

A review of the facts in this case demonstrated Federal Friends adhered to the requirements of a candidate committee rather than those of a multicandidate committee. Specifically, the name of Mike Antonovich was used in the title of Federal Friends; contributions from individuals were limited to an one thousand dollar (\$1,000.00) aggregate for the life of the committee rather than five thousand dollars (\$5,000.00) per calendar year permitted for a multi-candidate PAC; contributions to federal candidates since 1982, consisted of contributions which did not exceed \$1,000 per candidate over the life of Federal Friends though, as a federal PAC it could have contributed up to \$5,000 per election. In summary, on the advice received, I established Federal Friends, however, I considered and treated the committee to be a de facto candidate committee.

The reason for subscribing to the candidate committee limits was the understanding that at a subsequent time Friends would become an affiliated committee on my candidate committee and any money transferred would be required to comply with the limits of the candidate committee rather than the larger limits of a multicandidate committee.

The contributions which were transferred from Federal Friends to the Transfer Committee and then on to the Senate Committee were itemized by the Transfer Committee and attributed to those individuals' limits for the Senate Committee. Thus, the Antonovich Senate Committee made full itemized disclosure of each individual's contribution which made up the two hundred six thousand two hundred dollar (\$206,200) transfer.

#### Affiliated Committees

The legal basis upon which this activity was undertaken was that Federal Friends and Senate Committee were in fact affiliated pursuant to 11 CFR 110.3.

As noted above, I had established and controlled Federal Friends and by its very definition, I also established and controlled the authorized committee for Senate campaign; the Senate Committee. It was our belief that the committees were, thus, affiliated pursuant to 11 CFR 100.5(g)(2). That section states:

Noble Letter  
June 10, 1987  
Page three

"All committees (including a separate segregated fund, see 11 CFR 114) established, financed, maintained, or controlled by the same group of persons, including any parent, subsidiary, branch, division, department, or local unit thereof, are affiliated."

The fact I was the sole person to establish and control Federal Friends, it would be per se affiliated with the Senate Committee based upon the criteria of the regulation set out above. Typically, prior to the time one becomes a candidate, he/she will resign or relinquish control of the non-connected committee. Here, however, I remained in control simultaneously with the establishment and operation of the Senate Committee. As such I had no choice but to deem the two committee affiliated, which I in fact did.

It is important to note, this action was not a post-transfer concept developed by Federal Friends. At the time, I registered my Senate Exploratory Committee with the Federal Election Commission, I indicated on the Statement of Organization that Federal Friends was in fact an affiliated committee.

#### Authorized Committee

I was advised that Federal Friends was eligible to be designated as an authorized committee at the time my Exploratory Committee was established. As an authorized committee, it was thus an affiliated committee of the Exploratory Committee, and eligible to make unlimited transfers to the Exploratory Committee, pursuant to 11 CFR 110.3 [see 11 CFR 100.5(f)(1)].

A review of the applicable California campaign financing statutes indicates that Federal Friends would not have been prohibited from transferring the two hundred six thousand two hundred dollars (\$206,200.00) directly from Federal Friends to State Friends Committee. The transfer of those funds would likewise not be a prohibition under the requirements of the FECA. Thus, had Federal Friends transferred the funds to State Friends, State Friends could in turn have transferred the funds to the Transfer Committee using the approved L.I.F.O. accounting method which the Commission requires when transferring from a state campaign committee to a federal campaign committee. (See Advisory Opinions 1982-2, 1985-2). Had the funds been transferred from Federal Friends to State Friends, then on to the Transfer Committee on the same day, all of the two hundred six

Noble Letter  
June 10, 1987  
Page four

thousand dollars would have been considered the last funds in and, thus, the funds eligible to be transferred. Since all the monies comprising the two hundred six thousand two hundred dollars (\$206,200.00) were funds within the limits and prohibitions of the FECA as noted above, the entire two hundred six thousand two hundred dollars (\$206,200.00) could then in turn have been transferred that same day to the Antonovich Transfer Committee.

The disclosure of the individuals who comprise the contributions being transferred would have been required to be itemized on the Transfer Committee's report and attributed to the contributor's limits for the Senate campaign. However, as noted above, such disclosure and attribution to the Senate limits was in fact done by the Antonovich Committee when it received the transfer of funds from the Federal Friends Committee.

In summary several points establish our good faith effort to comply with the letter and spirit of the FECA.

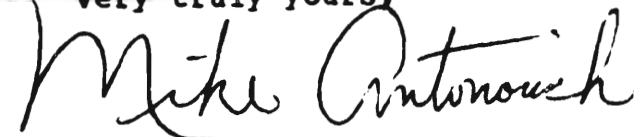

- 1) The Antonovich Exploratory Committee properly named the Federal Friends as an authorized committee at the time it registered. Again, this evidenced the fact it was the Respondent's belief that naming Federal Friends as an authorized committee, and, therefore, an affiliated committee was permissible and was in compliance with the FECA.
- 2) The funds comprising those transferred from Federal Friends were all permissible within the limits and prohibitions of the FECA.
- 3) The monies transferred were attributed to the respective contributor's limits for the Senate Campaign. Thus, the Senate Committee received no additional benefit from the contributors.
- 4) Federal Friends and the Senate Committee made full and timely disclosure of the funds transferred and itemized all contributions which comprised the monies transferred. Thus, those reviewing the Senate Committee's reports were given notice of all contributors' identify.
- 5) The transfer of the funds occurred within the first several days of the Senate Committee being formed. Therefore, there was no last minute insertion of the funds. It was our belief that the funds were properly tranferred and were done so with full disclosure and in compliance with the FECA.

Noble Letter  
June 10, 1987  
Page five

Given these factors, it is clear the Antonovich Senate Committee and Federal Friends, always acted in good faith, attempted vigorously to comply with the full and timely disclosure of all their actions involved.

Given the apparent confusion which exist regarding this issue, I would suggest the Commission amend the relevant sections of the Federal Election regulations to clarify this point for the gourps relying on the regulations.

Very truly yours,

Michael D. Antonovich

thousand dollars would have been considered the last funds in and, thus, the funds eligible to be transferred. Since all the monies comprising the two hundred six thousand two hundred dollars (\$206,200.00) were funds within the limits and prohibitions of the FECA as noted above, the entire two hundred six thousand two hundred dollars (\$206,200.00) could then in turn have been transferred that same day to the Antonovich Transfer Committee.

The disclosure of the individuals who comprise the contributions being transferred would have been required to be itemized on the Transfer Committee's report and attributed to the contributor's limits for the Senate campaign. However, as noted above, such disclosure and attribution to the Senate limits was in fact done by the Antonovich Committee when it received the transfer of funds from the Federal Friends Committee.

In summary several points establish our good faith effort to comply with the letter and spirit of the FECA.

- 1) The Antonovich Exploratory Committee properly named the Federal Friends as an authorized committee at the time it registered. Again, this evidenced the fact it was the Respondent's belief that naming Federal Friends as an authorized committee, and, therefore, an affiliated committee was permissible and was in compliance with the FECA.
- 2) The funds comprising those transferred from Federal Friends were all permissible within the limits and prohibitions of the FECA.
- 3) The monies transferred were attributed to the respective contributor's limits for the Senate Campaign. Thus, the Senate Committee received no additional benefit from the contributors.
- 4) Federal Friends and the Senate Committee made full and timely disclosure of the funds transferred and itemized all contributions which comprised the monies transferred. Thus, those reviewing the Senate Committee's reports were given notice of all contributors' identify.
- 5) The transfer of the funds occurred within the first several days of the Senate Committee being formed. Therefore, there was no last minute insertion of the funds. It was our belief that the funds were properly transferred and were done so with full disclosure and in compliance with the FECA.

Given these factors, it is clear the Antonovich Senate Committee and Federal Friends, always acted in good faith, attempted vigorously to comply with the full and timely disclosure of all their actions involved.

Given the apparent confusion which exist regarding this issue, I would suggest the Commission amend the relevant sections of the Federal Election regulations to clarify this point for the gourps relying on the regulations.

Very truly yours,

Michael D. Antonovich
