Dear Mr. Steele:

I am writing this letter as an additional formal Complaint to the Federal Election Commission (hereinafter referred to as the Commission) regarding certain actions taken by various Committees and individuals discussed below. This Complaint is directed not just at Committees and their Treasurers; it is also specifically intended to act as a Complaint against individuals other than Committee Treasurers whom I believe have participated in actions which I believe constitute violations, inter alia of Federal Campaign laws which fall within your jurisdiction. Since I believe the actions I will discuss below also constitute possible violations of other laws outside the jurisdiction of the Commission, I am also directing copies of this Complaint to the United States Attorneys for the Districts of Columbia, and of Nevada. This Complaint is not a supplement to my prior Complaints.

In essence, this Complaint is directed at a series of transfers of funds from the Republican Senatorial Campaign Committee (hereinafter the RSCC) and/or, on information and belief, directly or indirectly through the RSCC from the Republican National Committee (hereinafter the RNC) to the Santini for Senate Committee (hereinafter the Santini Committee) commencing in March, 1986. Those transfers were, in part at least, reported to the Committee as donations from individuals for which the RSCC acted only as a proper "conduit."

Charles Steele, Esq.

On information and belief, the funds represented by those transfers were obtained by the RSCC and/or the RNC from individuals in several States through solicitations directed through the United States Mail and through interstate wire and telephonic communications. Those funds were sent to the RSCC and/or the RNC through the United States Mail in envelopes provided by the RSCC and/or the RNC and were disbursed to the Santini Committee through the use of wire fund transfers, as well as through the use of the United States Mail. The Reports listing those transfers as "conducted funds" were transmitted to the Commission through the United States Mail.

It is my understanding that in order to act as a proper conduit the RSCC could not exercise direction or control over the choice of the intended recipient of the contribution, and that if such direction or control was exercised by the RSCC, the contribution would be considered to have been made both by the original contributor and by the RSCC, 11 CFR 110.6(d). I believe, however, that in spite of that requirement, the RSCC did obtain funds in excess of seven hundred thousand dollars (\$700,000.00) from individual contributors in several States, in the manner discussed above, and that the RSCC, rather than those individual contributors, in fact determined that the Santini Committee would be the recipient of those contributions.

Although numerous infusions of allegedly "conducted" funds to the Santini Committee from the RSCC took place during the period between March and October, 1986, the best example of the clear violation of the prohibition against exercise of direction or control by the RSCC is demonstrated in the first infusion of cash into the Santini Committee from the RSCC in March, 1986.

According to the Schedule A filed by the Santini Committee with its Form 3 Report of April 15, 1986, the Santini Committee received some nineteen thousand and twelve dollars (\$19,012.00) in conducted

from California, a \$15.00 contribution from Washington, a \$10.00 contribution from Pennsylvania, a \$10.00 contribution from North Carolina, a \$15.00 contribution from Colorado, a \$10.00 contribution from Connecticut, a \$30.00 contribution from Maine, a \$30.00 contribution from Arizona, a \$10.00 contribution from New Jersey, a \$15.00 contribution from Texas, and a \$60.00 contribution from Missouri. Each of those contributions was, according to the print-out, received by the RSCC on March 25, 1986.

According to the Santini Committee's Form A, and the print-out, those contributions were conduited through the RSCC, and the RSCC did not exercise direction or control in the allocation of those funds to the Santini Committee. Mr. Santini announced his candidacy on the afternoon of March 24, 1986. Accordingly, for the RSCC to receive those funds by March 25th, it would have had to contact contributors in at least seventeen States by a very expeditious means, and those contributors would have had to wire or at least express mail those funds, in order for the RSCC to have received them by midnight on March 25, 1986.

It is difficult to believe that contributors of sums of \$60.00 or less in seventeen States would have resorted to such expensive means of transportation in order to deliver relatively small sums to the RSCC for later delivery to Mr. Santini.

Rather, I believe that the sums shown in the print-out represent contributions received by the RSCC from its normal direct mail fundraising procedures, and over which the RSCC exercised direction and control in directing those funds to the Santini Committee. I also believe, that it is possible some of those funds represent contributions solicited by the RNC and transferred from the RNC to the RSCC for the purpose of contributing those sums to the Santini Committee.

Charles Steele, Esq.

More importantly, on information and belief, the RSCC, its Treasurer, and the members of the Committee, including its Chairman, as well as the Santini Committee, its Treasurer, and James D. Santini knew, directed, intended and agreed that the fund transfers above discussed would not be accurately reported to the Commission, and that the United States Mail, and interstate wire communications would be used in a continuing fashion for the purpose of violating reporting requirements and contribution limits imposed by Title 2 of the United States Code.

Those offenses against the United States continued in the additional allegedly conducted contributions reflected in later Reports filed by the Santini Committee with the Commission.

The actions of the various individuals and Committees discussed above constitute violations of 18 U.S. Code Section 1343 (wire fraud) and 18 U.S. Code Section 1341 (mail fraud) by making use of the United States Mail and of interstate wire communications, on the part of the Santini Committee to obtain money by false pretenses, and on the part of the other persons and entities named herein to assist the Santini Committee to obtain money by false pretenses, in violation of federal law, to wit, Title 2 of the United States Code, as well as aiding and abetting in violation of 18 U.S.C. Section 2(b).

The agreements and acts in furtherance of those agreements necessarily involved in the commission of the above discussed offenses by those individuals and entities constitute a violation of 18 U.S.C. Section 371 (criminal conspiracy).

The actions discussed above constitute "racketeering activity" pursuant to 18 U.S.C. Section 1961, and the pattern of activity in which the above discussed individuals caused the above discussed

entities to engage over the course of several months constitutes the existence of a criminal organization engaged in a pattern of racketeering activity in violation of 18 U.S.C. Section 1961 et seq, and specifically, 18 U.S.C. Sections 1962(c) and (d), (RICO violations).

I believe that the information provided herein demonstrates a prima facie case of criminal activity, as well as a pattern of serious, continuing, and intentional violations of federal election laws.

Accordingly, I hereby request that you make inquiry regarding the above-stated violations in the following manner:

a) I request that you subpoena and depose the following individuals and entities:

- 1) James Santini
- 2) Robert L. Seale
- 3) J. Glen Sanford
- 4) Frank Fahrenkopf
- 5) Custodian of Records for:
 - i) Santini for Senate Campaign
 - ii) National Republican Senatorial Campaign Committee
 - iii) Republican National Committee
 - iv) Banks where the above entities maintain accounts
 - v) Persons or entities engaged in fund-raising for the above referenced organizations

In deposing those individuals and entities, I request that you make inquiry regarding all payments and communications, and documentation regarding such payments and communications relating to the fund raising and disbursement discussed in this Complaint.

b) I also request that you propound Requests for Production of Documents to the above named persons and entities who have been named as Defendants herein, seeking production of the above discussed documents.

If I may provide any further information or be of any assistance in your investigation, please do not hesitate to contact me. Would you be so kind as to send me a file stamped copy of this Complaint, after it has been filed.
