II. RELEVANT STATUTE:

2 U.S.C. §441a(f)
2 U.S.C. §441b(a)

III. BACKGROUND:

Receipt of Apparent Excessive and Prohibited Contributions

Bonker for Senate ("the Senate Committee") has accepted and in some instances refunded apparent prohibited and excessive contributions received during the 1987-1988 calendar year totaling \$24,568.79. These contributions were made by a corporation, a partnership, fifty-one (51) individuals, and three (3) political committees. The apparent excessive contributions being referred include contributions designated for the primary election which exceed the primary limit and contributions designated for the general election which were not refunded, reattributed or redesignated within a reasonable time or have not been refunded, reattributed or redesignated. To date, the Senate Committee has refunded \$9,595.90 of the apparent excessive and prohibited contributions.

Some of the apparent excessive and prohibited contributions were the result of a transfer from the Bonker for Congress Committee ("the House Committee"). During 1987, the House Committee received contributions from individuals

^{1/} There were several addresses of record during the election cycle.

91040853420

and political committees designated for the primary and general elections. Upon Congressman Bonker terminating his bid for the House seat to seek nomination for election to the Senate, the House Committee transferred its remaining cash (\$131,374.99) to the Senate Committee. Included in this transfer were \$9,050 in apparent excessive contributions. Of the amount transferred (\$9,050), \$8,050 were contributions designated for the general election.

The 1987-1988 reports for the House and Senate Committees disclose the receipt of contributions designated for the general election totaling \$36,332.50. Congressman Donald L. Bonker lost in the Washington Primary held September 20, 1988 receiving 45% of the vote. According to 11 CFR §110.1(b)(3)(i)(C), since the candidate was not involved in the general election, these contributions should have been either refunded, reattributed or redesignated as set forth in 11 CFR §110.1(b)(5) or 11 CFR §110.1(k)(3). To date, the Senate Committee has refunded \$25,440 in general election contributions.

Presented below is a summary of the apparent excessive and prohibited contributions received, the notices sent, and the responses received. For specific details, please refer to the attached charts and their supporting documents. The charts are an alphabetical listing of all the contributions from the corporation, the partnership, individuals and political committees. Chart A lists all apparent excessive contributions received by the Senate Committee. Chart B lists all apparent excessive and prohibited contributions received by the House Committee, which were later transferred to the Senate Committee.

A. Possible Violations Discovered During Initial Review

1. 1988 July Quarterly Report

Review of the Senate Committee's report discloses the receipt of an apparent excessive contribution for \$355.90 from a non-qualified political committee. A Request for Additional Information ("RFAI") was sent to the Senate Committee on August 23, 1988 (Attachment 2). The RFAI noted on an informational basis the receipt of the apparent excessive contribution and requested that the Senate Committee refund or seek redesignation of the amount in excess of the \$1,000 per primary election limit. In addition the possibility of further Commission action concerning the acceptance of apparent excessive contributions was noted. On September 19, 1988, the Senate Committee responded in a letter (Attachment 3). The letter noted that a refund had been made and provided a copy of the refund check.

2. 1988 October Quarterly Report

Review of the Senate Committee's report discloses the receipt of apparent excessive contributions totaling \$5,715 from eighteen (18) individuals and one (1) partnership. An RFAI was sent to the Senate Committee on February 7, 1989 (Attachment 4). The RFAI noted the receipt of the apparent excessive contributions designated for the primary election and the receipt of contributions designated for the general election. The RFAI stated that as the candidate was defeated in the primary election, the use of general election contributions could possibly result in apparent excessive contributions. The RFAI requested that the Senate Committee refund or seek reattribution of the amounts in excess of the \$1,000 primary limit and refund or seek reattribution or redesignation of the contributions designated for the general election. In addition, the possibility of further Commission action was noted. A Second Notice was sent to the Senate Committee on March 2, 1989 for failure to respond to the RFAI (Attachment 5).

On April 5, 1989, the Senate Committee inadequately responded in a letter (Attachment 6). The letter addressed six (6) of the eighteen (18) individuals as being excessive contributions and noted that the appropriate refunds had been made. The Committee stated that the partnership should have been listed as a political committee and that six (6) individuals had not exceeded the \$1,000 per election limit because they were married. The Committee also noted that they had requested additional information on the remaining six (6) individuals. The Senate Committee failed to address the issue about the contributions received designated for the general election.

On April 19, 1989, a Reports Analysis Division ("RAD") analyst telephoned the Senate Committee to get additional information (Attachment 7). The analyst spoke to Mr. James Caley ("the Accountant") and explained how the response was inadequate. Mr. Caley stated, that as Washington is a community property state, whenever a contribution is given it is considered given by both husband and wife. The analyst explained that Commission regulations considered the contribution given by the person signing the check unless otherwise indicated. Mr. Caley said that he would get additional information to clarify the matter. Mr. Caley called on April 28, 1989 (Attachment 8). He stated that he was sending out an amended report that afternoon.

On May 2, 1989, the Senate Committee responded in a letter (Attachment 9). The letter noted that refunds totaling \$2,120 would be made to five (5) individuals and the

91040353422

partnership. The letter also noted that \$1,500 had been reattributed to a different married couple. In addition, the response included a copy of a letter to be sent to the joint-contributors asking their intentions regarding the original contributions.

On May 11, 1989, the RAD analyst phoned Mr. Caley to inform him that he could not reattribute excessive contributions to other couples (e.g., Charles & Judy Hanke's \$500 excessive contribution attributed to J. Randal & Patricia Jordan) (Attachment 10). Mr. Caley stated that the Jordans had written a \$500 check to the Hanks and that the Senate Committee just changed their report. The RAD analyst informed him that such procedures would not be considered appropriate and that the Senate Committee should rectify the manner immediately. The RAD analyst also asked Mr. Caley if he could provide dates for the refunds noted in his April 28th response. He said he would get all information out as soon as possible.

On May 24, 1989, the Senate Committee responded in a letter (Attachment 11). The letter noted that the previous contribution reattributions would be corrected. In addition the Senate Committee provided copies of signed joint contributor statements, a list of contribution refunds and copies of several refund checks. To date, \$4,240 of the apparent excessive amount (\$5,715) has been refunded.

3. 1988 Year End Report

Review of the Senate Committee's report discloses apparent excessive contributions totaling \$712.50 from three (3) individuals. An RFAI was sent to the Senate Committee on May 2, 1989 (Attachment 12). The RFAI noted on an informational basis the receipt of the apparent excessive contributions and requested that the Senate Committee refund or seek reattribution of the amounts in excess of the \$1,000 primary limit. In addition, the possibility of further Commission action concerning the acceptance of apparent excessive contributions was noted.

On June 5, 1989, the Senate Committee responded inadequately in a letter (Attachment 13). The letter stated that letters of verification of joint-contributors had been sent to the individuals in question and that upon receipt, the Senate Committee would forward signed copies to the Commission. To date, the signed copies have not been received.

4. Amended 1988 October Quarterly and Year End Reports

Review of the Senate Committee's amended reports indicated a possible discrepancy in the contribution receipts and refunds. On July 19, 1989, an RFAI was sent to the Senate Committee (Attachment 14). The RFAI requested that the Senate Committee provide further clarification as to the original contributors and the election designations. On August 8, 1989, the RFAI was returned and remailed to the same address, only this time it was sent in c/o Mr. James Caley.

On August 14, 1989, Mr. Caley called a RAD analyst (Attachment 15). Mr. Caley asked what was needed to respond to the RFAI. The RAD analyst explained how some contributions were reported as from both spouses; however, the refund was reported as disbursed to only one. The RAD analyst also explained that if the election designation was not clearly identified for the contributions reported, (i.e., both primary and general elections are noted on the report) the RAD analyst would assume that the contributions should be divided equally between the elections. Mr. Caley said he would respond. On August 31, 1989, a Second Notice was mailed for failure to respond in writing (Attachment 16).

On September 5, 1989, the Senate Committee filed amended October Quarterly and Year End Reports (Attachment 17). The reports clarified some of the contributor and election designation information.

B. Additional Possible Violations Discovered During the Preparation of the Referral

The review of reports filed by the Senate Committee during the preparation of this referral disclosed the receipt of an additional \$17,785.39 in apparent excessive and prohibited contributions. These contributions were from twenty-nine (29) individuals, one (1) corporation and two (2) political committees. The chart below shows the additional apparent excessive and prohibited amounts discovered for each report filed in 1988:

April Quarterly	--	\$11,780.00
July Quarterly	--	\$ 3,859.77
October Quarterly	--	\$ 2,070.62
Year End	--	\$ 75.00

Of the \$11,780 apparent excessive and prohibited amount disclosed on the April Quarterly Report, \$9,050 was received by the Senate Committee as a transfer from the House Committee. Of the total additional apparent excessive amount

91040853424

(\$17,785.39), \$14,492.50 represents contributions received during the various reporting periods designated for the general election. These general election contributions did not become apparent excessive contributions until Congressman Bonker lost the September 20th Primary election. The Senate Committee has not been notified of these apparent excessive and prohibited contributions. To date, the Senate Committee has refunded the \$5,000 contribution from one of the political committees and the remaining \$12,785.39 has not been refunded, reattributed or redesignated.

IV. OTHER PENDING MATTERS INITIATED BY RAD:

None.

91040853425

The following information should be helpful when reviewing the Charts:

(1) Unless otherwise noted on the House and Senate Committees' reports, single contribution amounts have been split equally between spouses as cited in 11 CFR §110.1(k)(2).

(2) Unless otherwise noted on the House and Senate Committees' reports, single contribution amounts with more than one election designation have been split equally between the elections indicated.

(3) Unless otherwise noted on the House and Senate Committees' reports, unitemized contributions have been designated according to the election designation of the first itemized contribution.

(4) Schedule B of the Senate Committee's reports disclose contribution refunds that have a written designation of general, but also have the primary refund box on the schedule checked for refunds made to Frank L. Cassidy, Mary Lou Cassidy, John B. Dickson, Delores Dickson, Minerva Grover, Robert Grover, Edwin Hayes, Gary E. Jones, Linda Jones, Charles Manke, Helen Sanders, Robert C. Van Siclan and the Law Office of Boogle & Bates Partnership. In all cases, the refunds have been credited to the apparent excessive contributions made.

(5) Schedule B of the Senate Committee's report discloses a contribution refund to MEBA PAC of an apparent general election contribution that has the primary refund box on the schedule checked. This refund has been credited to the apparent excessive contribution made.

(6) Schedule A of the House Committee's 1987 Mid-Year Report discloses an apparent prohibited corporate contribution from Omniservices Inc. An Informational Notice was sent to the House Committee on September 11, 1987 questioning this contribution. The House Committee responded on September 23, 1987 and stated that an individual had given the money to the corporation to give to the House Committee. The House Committee maintained that the contribution was permissible.

(7) Of the total apparent excessive and prohibited amount (\$24,568.79), a total of \$17,785.39 was not identified during normal review but was discovered in the review of all reports during the preparation of this referral. These apparent excessive contributions of which the Senate Committee has not been notified are noted on the charts with an asterisk (*).

Dear Mr. Gayton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Please provide a Schedule D to support the amount reported on Line 10 of the Summary Page.

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limit set forth in the Act. No political committee other than a multicandidate committee may make contributions to a candidate for Federal office in excess of \$1,000 per election. The Capital Savings Political Action Committee did not meet the requirements for multicandidate status as of the date the contribution(s) was made to your committee. The term "contribution" includes any gift, subscription, loan, advance or deposit of money and anything of value made by any person for the purpose of influencing any election for Federal office. (2 U.S.C. §5441a(a) and (f); 11 CFR 110.1(b))

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limit, you should either refund to the donor(s) the amount in excess of \$1,000 or get the donor(s) to redesignate the contribution(s) in writing. All refunds and redesignations must be made within sixty days of the treasurer's receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which they are made. Redesignations are reported as memo entries on

Schedule A of the report covering the period in which the authorization for the redesignation is received (11 CFR 104.8(d)(2) and (4))

Although the Commission may take further legal steps, prompt action by you to refund or seek redesignation of the excessive amount will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Clerk of the House of Representatives, 1036 Longworth House Office Building, Washington, DC 20515 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

Dear Mr. Gayton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule C of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. An individual, including a candidate's spouse, may not make contributions to a candidate for Federal office in excess of \$1,000 per election. If the contributions or loans in question were secured by property based on joint assets, please clarify your report with the following information:

- the name and address of the lending institution
- the interest rate
- whether or not the loan was secured
- the date or amortization schedule
- brief description of the collateral or property used as a basis for the loan
- the owners of the collateral or the property used as a basis for the loan
- the type of ownership of such property (e.g., tenants by the entireties, joint tenants, tenants in common, etc.)
- the percentage of such property owned by each owner
- value of such property
- the names of all signatories on both the security instrument and the commercial note
- the capacity in which each signatory signed (e.g., co-maker, endorser, guarantor)

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limits, you should either refund to the donor the amount in excess of \$1,000 or get the donor to redesignate and/or reattribute the contribution in writing. All refunds, redesignations, and reattributions must be made within sixty days of the treasurer's receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds and repayments are reported on Line 20 or Line 19, respectively, of the Detailed Summary Page and on Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR 100.7, 100.8, 110.1, and 104.8(d)(2), (3) and (4))

Although the Commission may take further legal steps, prompt action by you to refund or seek redesignation and/or reattribution will be taken into consideration.

-Please note that while it is permissible for a person to contribute to a Principle Campaign Committee for the general election prior to the primary election, the recipient committee must employ an acceptable accounting method to distinguish between primary and general election contributions. As the candidate was defeated in the primary, all contributions received for the general election must be returned to the donors. The use of general election contributions to pay primary debts and obligations is prohibited under the Act as such use could result in individuals making contributions with respect to the primary election in excess of the \$1,000 limit. 11 CFR 102.9(e) and 11 CPDR 110.2(a)(2)) Any subsequent report(s) filed with the commission should disclose the refund of all contributions which were designated for the general election.

-Line 17, Column A, of the Detailed Summary Page discloses \$520,613.86 in operating expenditures. The total on the last page of Schedule B supporting this line is \$520,613.86; however, the sum of all entries itemized equals \$320,613.86. Please explain this discrepancy and amend your report(s) accordingly. Please note that the sum of page 15 of 43 equals \$119,678.44.

91040853445
30035942845

-Schedule C of your report fails to include information required by Commission regulations. You must provide the date incurred, the original source and amount of the loan, the due date, the interest rate, the cumulative payment, and the outstanding balance. Further, if there are any endorsers or guarantors, their mailing address along with the name of their employer and occupation must be disclosed. Please amend your report to include due date. (11 CFR 100.7(a)(1) and 104.3(d))

-For future reports, please be advised that you should provide the complete name of any political committee that has contributed to your committee. Reporting only the name of the connected organization is not adequate.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. CONFIDENTIAL
COPY OF THE REPORT

NAME OF THE COMMITTEE: Bonker for Senate

SUBJECT: Request for Additional Information

FEC REP: Pat Sheppard

COMMITTEE REP: James W. Caley (CPA) (206) 695-0065

After reviewing the Committee's April 2nd response, I called the Committee to get additional information. I spoke to Mr. Caley the CPA. I explained how the Commission regarded joint contributions if they were not properly designated. Mr. Caley stated that as Washington is a community property state, whenever a contribution is given to the state or federal candidate it is considered to be a contribution from both spouses. I explained that Commission regulations consider the contribution given by the individual signing the check unless other documentation accompanies the check. Mr. Caley said that he would get the additional information needed and respond as soon as possible.

Attn.: Pat Sheppard, Senior Reports Analyst

Reference: October Quarterly Report (7/01/88- 9/30/88)

Dear Ms. Sheppard:

In my April 1, 1989 letter, I responded to several items that you questioned in your letter dated February 7, 1989. There were several items (listed on page 2) that were not answered in the first letter which I will answer in this letter. Also, as a result of your telephone call on April 19, 1989, I will respond to several additional items you mentioned. These items include the following:

1. Additional information must be obtained which supports the fact that several contributions from married couples were made by each party (i.e. both the husband and wife).
2. Clarify the status of Bogle & Gates as a multicandidate PAC.
3. The error which was made on the Dave and Colette Page in kind contribution must be corrected with supporting schedules.

I will start with the original list and then return to these questions. To avoid confusion between the first letter and this letter, the first page of this letter will be page 44. The last page on the first letter was page 43.

The loan was made by Columbia First Federal Savings & Loan Association (1560 Wilson Boulevard, Arlington, Virginia). The interest rate was 10.0 % per annum. The loan was secured by a home at 4601 Yuma Street, NW, Washington, D.C. The loan had to be paid off within 180 months. The collateralized property is owned jointly by Don and Carolyn Bonker. Each person has a one-half interest in the property. The property has a fair market value of approximately \$ 350,000. Don Bonker signed the agreement as the Borrower. Carolyn Bonker signed the agreement as the Co-Borrower. All of the loan has been repaid except for \$4,000.

A contribution (\$1,000) received from John and Delores Dickson (page 13) has been redesignated to

Don and Kathy Freidland
17521 38th Drive NE
Arlington, Wa. 98223
Employer: Summitt Timber
Prior Cum Contribution: \$1,000.00
Cum Contribution after this change: \$2,000.00

This contribution has been added to the attached FEC Schedule A on Page 48. The remaining balance of the excess contribution (\$ 250.00) will be refunded. This refund will be reflected on the current 6-30-89 FEC report.

A contribution (\$120) received from Robert C. Van Siclen (page 22) has been refunded. This refund will be reflected on the current 6-30-89 FEC report.

A contribution (\$1,250) received from Gary and Linda Jones (page 29) will be refunded. This refund will be reflected on the current 6-30-89 FEC report.

A contribution (\$500) received from Charles and Judy Manke (page 33) has been redesignated to

J. Randal & Patricia Jordon
3306 43rd Place NE
Tacoma, Washington 98442
Employer: Manke Lumber
Prior contribution: \$1,000
Cum Contribution after this change: \$1,500

This contribution has been added to the attached FEC Schedule A on Page 48.

An In Kind contribution (\$832.80) received from Benji and Lois Meyers (page 36) was not originally reported correctly. The contribution reflected the fair market value of ping pong balls which were given to the committee. Unfortunately, the ping pong balls could not be used and were returned. This change is reflected on page 51-55.

I have sent the attached letter (Page 49) to all noted married persons (Page 50) asking that both husband and wife be designated as a contributor. Although I have not received a response from them (i.e. there hasn't been adequate time), it is my understanding from talking to other people in the campaign and my own conversations with many of the contributors that the larger contributions were given on the basis that they were from both parties. The letters will be maintained as

part of the campaign's permanent records. Also, if I don't receive a response within a short period, I will call the people to verify that they received the letter and verbally obtain confirmation of the contribution's status.

I have attempted to reach a representative with the Bogle & Gates PAC but have not succeeded. Since the committee does not have any support for the position that this is a multicandidate campaign, we will refund the excess \$500.00 contribution. This will be reflected on the June 30, 1989 report.

I have attached the summary pages for the contributions from Dave and Colette Page with corrected subtotals which originally listed the in-kind contribution from them. This contribution should not have been listed on the original FEC report. Please see Page 51-55 for the original September Report (the October contribution is on Page 37-38).

I hope this will help answer the questions you asked. If you need additional information, please contact me.

Thank you again for your patience and assistance on this matter.

Sincerely,

James Caley

Dear Mr. and Mrs. Contributor:

Last year, you contributed to the Don Bonker for U.S. Senate Committee. During our year end review process, we noted that the committee did not have documentation that your contribution was made jointly by both of you. The Federal Election Commission requires that a contribution from a married couple must either be a check signed by both parties or have other substantiation that the contribution was from both husband and wife. To assure that our permanent records are complete, please sign the statement at the bottom of this page and return it to me in the enclosed envelope. Thank you for your help.

After receiving the Committee's response, I noticed that there was a misunderstanding in how to reattribute contributions. I called the Committee and asked the CPA if he could provide me with additional information concerning the reattributions. He stated that the Mankes had asked the Jordans to make a contribution to the Bonker campaign committee. Instead of the Jordans writing a check to the Committee and then the Committee writing a check to the Mankes, the Jordans wrote the check to the Mankes and the Committee changed the report. I informed Mr. Caley that this was not an acceptable way to handle reattributions. I explained how and who the funds could be reattributed to; he said that he would correct the error as soon as possible. I also asked if he could provide me with the dates that the refunds noted in his April 28th response were made and for copies of any of the letters that he has received explaining the joint contributions.

Dear Ms. Sheppard:

This letter is in response to our telephone conversation on May 11, 1989. I will respond to the three items we discussed:

1. Explanation of my use of Reattribute
2. List of checks which refunded excess contributions. Also, a copy of available cancelled checks.
3. Copy of mailing return for married individuals

I used the term "reattribution" to mean a situation where several contributors exchanged funds between themselves. I agree with your recommendation that the transaction would be better if we actually refunded the excess with a committee check and then receipted the new contribution as a separate donation. We will follow this procedure should there ever be another similar situation. Also, I have discussed this problem with other committee members. We will refund the affected contributors now. We will ask the new contributors to issue a check to the committee. This should correct the use of "reattribute". The refund checks have been listed on the attached list. Should this be reported on the June 1989 FEC report?

I have attached a list of all the refunds we have processed which includes the refunds in our last letter. Also, I copied all cancelled checks which have been processed through the bank.

I have noted who have returned the response on the letter we sent out to listed married contributors. We are currently following up on the individuals who have not responded. I have attached a copy of the letter we sent or a copy of the response for you records.

Identification Number: C00221770

Reference: Year End Report (10/1/80-12/31/80)

Dear Mr. Gayton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Line 16, Columns A and B, of the Detailed Summary Page does not equal the sum of Lines 11(e), 12, 13(c), 14 and 15. Please amend your report to clarify this apparent discrepancy.

-Your report discloses a negative ending cash balance of \$4,444.20. This suggests that you have overdrawn your account, made a mathematical error, or incurred a debt. If your committee has incurred a debt or obligation, please itemize this debt on Schedule D, show a zero balance on Line 8 of the Summary Page and reflect the amount on Line 10. If the negative ending cash balance is a result of an overdraft, it may constitute a prohibited bank contribution unless it is made on an account subject to automatic overdraft protection with usual and customary interest rates and a definite repayment schedule. 2 U.S.C. §434(b)(8) and 11 CFR 100.7(b)(11)

-Schedule B supporting Line 20(a) discloses a refund to Meba PAC and Seafarers PAC. However, it appears that the receipt of this contribution has not been reported by your committee. Please clarify this matter and amend your reports accordingly.

-You must provide the occupation and name of employer for each contributor required to be itemized on Schedule A. Please amend your report by supplying the omitted information.

With respect to the occupation and name of employer of the contributor, your committee may demonstrate "best

910403534897

efforts" to obtain the required information. This demonstration should describe your committee's procedures for requesting the information. You may also supply a copy of the solicitation. Under 11 CFR 104.7(b), the solicitation shall consist of a clear request for the required information (i.e., name, mailing address, occupation, and name of employer). The request should also inform the contributor that the reporting of such information is required by law. See 11 CFR 104.3(a)(4)(i) and 11 CFR 104.7.

-Expenditures to Visa totalling \$5,652.73 have been disclosed. When itemizing payments made to credit card companies you must list the name and address of the original vendor from which you purchased an item or a service. You should also show the date, the amount, and the purpose of the payment if you have paid more than \$200 this year to the vendor. (11 CFR 104.9)

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. An individual or a political committee other than a qualified multicandidate committee may not make a contribution to a candidate for Federal office in excess of \$1,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office. (2 U.S.C. §5441a(a) and (f); 11 CFR 110.1(b), (e) and (k))

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limits, you should either refund to the donor the amount in excess of \$1,000 or get the donor to redesignate and/or reattribute the contribution in writing. All refunds, redesignations, and reattributions must be made within sixty days of the treasurer's receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR 104.8(d)(2), (3) and (4))

PK

Although the Commission may take further legal steps, prompt action by you to refund or seek redesignation and/or reappropriation of the excessive amount will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2600.

Re: December 31, 1988 Bonker for US Senate FEC Report

Dear Ms. Sheppard:

I am responding to your letter dated May 2, 1989.
I will respond in the order you listed the questions:

1. I have attached a copy of the revised page 1 & 2 which shows the corrected subtotal on page 2 you noted.
2. The negative cash balance has been corrected as noted in item 3. The required totals have also been changed.
3. The Meba PAC contributions were reported on the 1987 Congressional FEC reports as follows:

6/30/87	\$ 3,000
7/20/87	2,000
11/23/87	5,000

The Seafarers PAC refund was an error. This PAC did not contribute over the limit. When the error was discovered, the correction was not entered on our computer system. The check was voided and destroyed. The error has been corrected on the attached schedules. Also, this correction solves the negative cash balance you noted in item one.

4. We have reviewed the contribution list and have entered occupations and the name of employers where possible. Our policy has always been to request the information as you specified in your letter. I have attached an example of one fundraiser which illustrates how we requested the information.
5. I have attached a detailed list of the Visa expenditures you requested.
6. I have sent letters to the individuals listed in your letter who are married and gave joint contributions. I will send signed copies of the response to you as I receive them.

Dear Mr. Gayton:

This letter is prompted by the Commission's review of the committee's responses to several requests for additional information. The review raised questions concerning certain apparent excessive contributions and subsequent refunds. An itemization follows:

-Several of the contributions were listed as coming from husbands and wives, in some cases causing both to apparently exceed the individual contribution limit. In several instances the refunds are reported on Schedule B as being made only to the husband. If this was merely a reporting oversight and the refund was meant for both husband and wife, please clarify. Additionally, several contributions are reported as received for both the primary and general, however; it is not possible to determine which contribution is for which election. Please provide the necessary clarification of these contributions.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 333 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 426-9530. My local number is (202) 376-2480.

DATE: August 14, 1989

NAME OF THE COMMITTEE: Bonker for Senate

SUBJECT: Request for Additional Information

FEC REP: Pat Sheppard

COMMITTEE REP: James W. Caley (CPA) (206) 695-0065

Mr. Caley called to inquire as to what type of information was needed to respond to the Request for Additional Information. I informed him that we were requesting clarification on why the contributions coming in were attributed to the husband and wife, which resulted in both exceeding the \$1,000 primary limit, when the refunds of these apparent excessive contributions were only to one of the spouses. Mr. Caley stated that the refunds were to both spouses and that he would amend the report. I also told Mr. Caley that when a committee checks both election designations and does not indicate which contributions is for which election, the Commission would divide the contributions equally between the election designations. Mr. Caley said that he would amend the report as soon as possible.

Mr. and Mrs. Neal White
6834 N.E. New Brooklyn
Bainbridge Island, Washington 98110

Dear Mr. and Mrs. White:

Last year, you contributed to the Don Bonker for U.S. Senate Committee. During our year end review process, we noted that the committee did not have documentation that your contribution was made jointly by both of you. The Federal Election Commission requires that a contribution from a married couple must either be a check signed by both parties or have other substantiation that the contribution was from both husband and wife. To assure that our permanent records are complete, please sign the statement at the bottom of this page and return it to me in the enclosed envelope. Thank you for your help.

Sincerely,

Jim Caley

INTERNAL REPORTS CHECKED: Referral Materials and Disclosure Documents

FEDERAL AGENCIES CHECKED: NONE

I. GENERATION OF MATTER

the Reports Analysis Division ("RAD") referred the Bonker for Senate Committee and Gary Gayton, as treasurer ("the Senate Committee") to the Office of the General Counsel. The basis for the referral is the Senate Committee's alleged acceptance of excessive and prohibited contributions totaling

2104035381

210403582
\$24,568.79 during the 1987-1988 calendar years.¹ The referral included excessive contributions to either the House or Senate Committees, as well as excessives resulting from contributions given to the House Committee which were then aggregated with later contributions to the Senate Committee (\$5,786.29), and contributions designated for either the House or Senate general election (\$18,282.50), in which the candidate never participated, and which were not refunded, redesignated or reattributed within sixty days as required by Commission regulations.² In addition to these contributions the referral includes one \$500 corporate contribution which was accepted by the House Committee and then purportedly transferred to the Senate Committee.

II. FACTUAL AND LEGAL ANALYSIS

A. The Law

Affiliated committees include all those political committees that are established, financed, maintained, or controlled by the same person or group of persons.

1. Of the total apparent excessive and prohibited amount, \$17,785.39 was not identified during normal review but was discovered in the review of all reports during the RAD preparation of this referral. These apparent excessive contributions, of which the Senate Committee has not been notified, are noted on the referral charts with an asterisk.

2. The referral states that RAD attributed unitemized contributions to the election designation of the first itemized contribution. In this particular instance all six unitemized contributions are reflected on the Committee's reports along with a contribution made prior to the primary, and thus are attributed to the primary. This is consistent with 11 C.F.R. § 110.1(b)(2)(ii) which provides that an unitemized contribution is assumed to be made for the next election for that Federal office after the contribution is made.

2 U.S.C. § 441a(a)(5); 11 C.F.R. §§ 100.5(g)(1) and 110.3(a)(1)(i). Transfers of funds may generally be made without limit on amounts between affiliated committees, whether or not they are political committees, under the Federal Election Act of 1971, as amended ("the Act"). 11 C.F.R.

§ 102.6(a)(1)(i). The Act permits transfers of funds between the principal campaign committees of the same individual who is a candidate for two federal offices, provided the candidate is "not actively seeking" nomination or election to both offices.

2 U.S.C. § 441a(a)(5)(C)(i). Under Commission regulations, a candidate is "not actively seeking" election when the principal campaign committee has filed its termination report with the Commission, or has notified the Commission that the candidate and the authorized committee will make no further expenditure, except to retire debts outstanding at that time.

11 C.F.R. § 110.3(a)(2)(v)(A).

Transfers of funds between affiliated committees may be made only from funds which are permissible under the Act.

11 C.F.R. § 102.6(a)(1)(iv). Pursuant to

2 U.S.C. §§ 441a(a)(1)(A) and (2)(A), contributions to a federal candidate or his authorized political committee are limited to an aggregate of \$1,000 per individual, and \$5,000 for multicandidate committees with respect to any election for Federal office.³ Likewise, no federal candidate or political committee may knowingly accept any contribution in excess of the

3. An election as defined under the Act includes a special, primary, run-off, or general election. 2 U.S.C. § 431(1)(A).

91040353583

91040353584
limitations provided in Section 441a. 2 U.S.C. § 441a(f). Additionally, it is unlawful for any federal candidate or political committee to knowingly accept or receive any contribution from a corporation. 2 U.S.C. § 441b(a). When affiliated committees transfer funds, the recipient must aggregate all contributions made to either committee by the same person or entity within the same election cycle. See Advisory Opinions 1982-1, 1982-52, 1984-38 and 1984-46; Compare Advisory Opinion 1987-12 (no aggregation needed if contributions received in different election cycles and the candidate had not been running for both offices in the previous election cycle). Commission regulations require the committee treasurer to examine all contributions to determine whether they exceed the limitations of the Act, and to refund, redesignate or reattribute excessive contributions within sixty days. 11 C.F.R. § 103.3(b)(3). To ensure that contribution limitations are not exceeded, the contributions making up the transfer are ordinarily reviewed on a "last in, first out" ("LIFO") basis, beginning with the last contribution received and working back until the amount to be transferred is reached. See Advisory Opinion 1982-1.

If a candidate is not running in a general election or runoff election, contributions designated for those elections must be refunded, redesignated or reattributed within sixty days. 11 C.F.R. § 110.1(b)(3)(i)(C); 11 C.F.R. § 110.2(b)(3)(i)(B); Advisory Opinion 1986-17. All redesignations and reattributions must be written and signed by

the contributor. 11 C.F.R. §§ 110.1(b)(5)(i) and (ii); 11 C.F.R. § 110.1(k)(3); 11 C.F.R. § 110.2(b)(5).

Congressman Donald L. Bonker represented the Third District of Washington when on January 15, 1988, he filed a Statement of Candidacy for the 1988 United States Senate. Previously Congressman Bonker had raised funds for his anticipated 1988 re-election bid to the United States House of Representatives. On January 19, 1988, the Bonker for Congress Campaign Committee ("the House Committee"), transferred all of its cash (\$131,374.99) to the newly formed Bonker for Senate Committee ("the Senate Committee"). Subsequently, on April 19, 1988, the House Committee filed its final report requesting termination, which was accepted by the Commission as a valid termination on June 24, 1988. There is no indication that the Commission received notice prior to April 19, 1988, that Representative Bonker and his authorized house committee would be making no further expenditures regarding the House race. See 11 C.F.R. § 110.3(a)(2)(v)(A). It thus appears that Congressman Bonker was actively seeking election to two federal offices on January 19, 1988, when the House Committee made a transfer to the Senate Committee. Accordingly, there is reason to believe that the Bonker for Senate Committee and Gary Gayton, as treasurer, violated 2 U.S.C. § 441a(a)(5)(C)(i) by transferring funds while actively seeking election to two Federal offices.

Excessive Contributions (Primary and General)

As a result of RAD's review of the House and Senate Committee reports filed during 1987 and 1988, \$5,786.29 in contributions was determined to have come from entities which contributed over the \$1,000 per election limit. See Referral Charts. Despite the emphasis on disclosure throughout the Act, the Senate Committee did not file schedules disclosing the specific contributor sources included in the transfer from the House Committee as it was required to do. See 11 C.F.R. 104.3(a)(4)(iii)(A). In subsequent reports the Senate Committee chose to aggregate all 1987 contributions to the House Committee with 1988 contributions to the Senate Committee in determining which contributors crossed the monetary limitations, and thereby how much of such contributions needed to be refunded, reattributed or redesignated. Lacking any schedules disclosing the specific contributor sources of the House Committee transfers, RAD was unable to determine which contributions had actually been transferred and therefore followed the Senate Committee's aggregation approach.⁴ By aggregating all of the 1987 House Committee contributions with 1988 Senate Committee contributions the reports filed by these committees reflect that at least twelve (12) individuals, one (1) political action committee, and one (1) partnership

4. The House Committee received \$149,542 in contributions from July 1, 1987 until December 31, 1987, and transferred \$131,374.99 to the Senate Committee in January of 1988.

910403536

contributed more than the legal limit.⁵

91040853587
In the present matter, the Senate Campaign was unsuccessful in the primary held on September 20, 1988, and therefore did not participate in the general election which followed. Therefore, contributions designated for the general elections should have been refunded, reattributed or redesignated. See 11 C.F.R. § 110.1(b)(3)(i)(C); 11 C.F.R. § 110.1(b)(5) and 11 C.F.R. § 110.1(k)(3). For this referral, a reasonable time was determined to be sixty (60) days starting from the date of the primary election. In forty-one (41) instances RAD referred contributions by individuals due to the fact that they were designated or attributed to the general election, but have not yet been, or were not within a reasonable time, refunded, reattributed or redesignated. In one instance a political action committee contribution was referred because it was designated for the general election and not timely refunded. Such apparent excessive contributions amounted to \$18,282.50. As of the referral date, the Senate Committee had refunded approximately \$9,595.90 of the apparent excessive and prohibited amount.

Based on the foregoing circumstances, the Office of the General Counsel recommends that the Commission find reason to believe that the Bonker for Senate Committee and Gary Gayton, as

5. Included among these excessive contributions are six (6) individual contributions which may not have been part of the funds actually transferred under a strict "LIFO" analysis. This would also apply to the apparent corporate contribution discussed infra at page 8.

treasurer, violated 2 U.S.C. § 441a(f) by accepting the excessive contributions discussed above.

Corporate Contributions

In addition to being unable to directly contribute to a candidate or political committee, see 2 U.S.C. § 441b, a corporation may not serve as a conduit or intermediary to facilitate the making of contributions, such as by providing envelopes addressed to the candidate or committee. See AOs 1987-29, 1986-4, and 1982-2. The corporation's separate segregated fund may however, act as a conduit or intermediary for earmarked contributions. 11 C.F.R. § 114.3(c)(2); AOs 1981-57 and 1981-21. All intermediaries or conduits are required to report the original source of contributions and the intended recipient of the contribution to the Commission and to the intended recipient. 2 U.S.C. § 441a(a)(8).

In its 1987 Mid-Year Report the House Committee reported a \$500 contribution from Omniservices, Inc. A Request for Additional Information was sent to the House Committee regarding this matter and on September 23, 1987, a response was received. In that response, the House Committee explained that an individual had given the amount in question to the corporation with the idea that it would then be given to the House

2104033538

Committee. The House Committee also advised that it would forward a statement to this effect once it was received. However, no further information was ever received concerning this matter and RAD included this contribution as part of the funds transferred to the Senate Committee. Based on the foregoing, this Office recommends that the Commission find reason to believe the Bonker for Senate Committee and Gary Gayton, as treasurer, violated 2 U.S.C. § 441b(a). This Office also recommends that the Commission find reason to believe that Omniservices, Inc. violated 2 U.S.C. § 441b(a).

The factual and legal analysis prepared for the Committee includes as an addendum the chart prepared by RAD which lists those persons who made the excessive or prohibited contributions. The chart also includes the excessive and prohibited contributions of which the Senate Committee has not been previously notified and these are clearly identified with an asterisk (*).

RE: MUR 3063
Bonker For Senate and Gary
Gayton, as treasurer

Dear Mr. Gayton:

On May 22, 1990, the Federal Election Commission found that there is reason to believe Bonker For Senate ("the Committee") and you, as treasurer, violated 2 U.S.C. § 441a(a)(5)(C)(i), 2 U.S.C. § 441a(f), and 2 U.S.C. § 441b(a) provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office along with answers to the enclosed questions within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter.

2104035393

Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

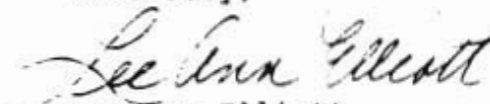

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

I. GENERATION OF MATTER

21040353525

The Reports Analysis Division ("RAD") referred the Bonker for Senate Committee and Gary Gayton, as treasurer ("the Senate Committee") to the Office of the General Counsel. The basis for the referral is the Senate Committee's alleged acceptance of excessive and prohibited contributions totaling \$24,568.79 during the 1987-1988 calendar years. The referral included excessive contributions to either the House or Senate Committees, as well as excessives resulting from contributions given to the House Committee which were then aggregated with later contributions to the Senate Committee (\$5,786.29), and contributions designated for either the House or Senate general election (\$18,282.50), in which the candidate never participated, and which were not refunded, redesignated or reattributed within sixty days as required by Commission regulations. In addition to these contributions the referral includes one \$500 corporate contribution which was accepted by the House Committee and then purportedly transferred to the Senate Committee.

II. FACTUAL AND LEGAL ANALYSIS

A. The Law

Affiliated committees include all those political committees that are established, financed, maintained, or controlled by the same person or group of persons.

2 U.S.C. § 441a(a)(5); 11 C.F.R. §§ 100.5(g)(1) and 110.3(a)(1)(i) [1989]. Transfers of funds may generally be made without limit on amounts between affiliated committees, whether or not they are political committees, under the Federal Election Act of 1971, as amended ("the Act"). 11 C.F.R.

§ 102.6(a)(1)(i). The Act permits transfers of funds between the principal campaign committees of the same individual who is a candidate for two federal offices, provided the candidate is "not actively seeking" nomination or election to both offices.

2 U.S.C. § 441a(a)(5)(C)(i). Under Commission regulations, a candidate is "not actively seeking" election when the principal campaign committee has filed its termination report with the Commission, or has notified the Commission that the candidate and the authorized committee will make no further expenditure, except to retire debts outstanding at that time.

11 C.F.R. § 110.3(a)(2)(v)(A) [1989].

Transfers of funds between affiliated committees may be made only from funds which are permissible under the Act.

11 C.F.R. § 102.6(a)(1)(iv). Pursuant to

2 U.S.C. §§ 441a(a)(1)(A) and (2)(A), contributions to a federal candidate or his authorized political committee are limited to an aggregate of \$1,000 per individual, and \$5,000 for

21040353596

21040353597
multicandidate committees with respect to any election for Federal office.¹ Likewise, no federal candidate or political committee may knowingly accept any contribution in excess of the limitations provided in Section 441a. 2 U.S.C. § 441a(f). Additionally, it is unlawful for any federal candidate or political committee to knowingly accept or receive any contribution from a corporation. 2 U.S.C. § 441b(a). When affiliated committees transfer funds, the recipient must aggregate all contributions made to either committee by the same person or entity within the same election cycle. See Advisory Opinions 1982-1, 1982-52, 1984-38 and 1984-46; Compare Advisory Opinion 1987-12 (no aggregation needed if contributions received in different election cycles and the candidate had not been running for both offices in the previous election cycle). Commission regulations require the committee treasurer to examine all contributions to determine whether they exceed the limitations of the Act, and to refund, redesignate or reattribute excessive contributions within sixty days. 11 C.F.R. § 103.3(b)(3). To ensure that contribution limitations are not exceeded, the contributions making up the transfer are ordinarily reviewed on a "last in, first out" ("LIFO") basis, beginning with the last contribution received and working back until the amount to be transferred is reached. See Advisory Opinion 1982-1.

1. An election as defined under the Act includes a special, primary, run-off, or general election. 2 U.S.C. § 431(1)(A).

If a candidate is not running in a general election or runoff election, contributions designated for those elections must be refunded, redesignated or reattributed within sixty days. 11 C.F.R. § 110.1(b)(3)(i); 11 C.F.R. § 110.2(b)(3)(i); Advisory Opinion 1986-17. All redesignations and reattributions must be written and signed by the contributor. 11 C.F.R. §§ 110.1(b)(5)(i) and (ii); 11 C.F.R. § 110.1(k)(3); 11 C.F.R. § 110.2(b)(5).

B. Factual Analysis

Transfer of Funds while Actively Pursuing Dual Candidacies

21040353528
Congressman Donald L. Bonker represented the Third District of Washington when on January 26, 1988, he filed a Statement of Candidacy for the 1988 United States Senate. Previously Congressman Bonker had raised funds for his anticipated 1988 re-election bid to the United States House of Representatives. On January 19, 1988, the Bonker for Congress Campaign Committee ("the House Committee"), transferred all of its cash (\$131,374.99) to the newly formed Bonker for Senate Committee ("the Senate Committee"). Subsequently, on April 19, 1988, the House Committee filed its final report requesting termination, which was accepted by the Commission as a valid termination on June 24, 1988. There is no indication that the Commission received notice prior to April 19, 1988, that Representative Bonker and his authorized house committee would be making no further expenditures regarding the House race. See 11 C.F.R. § 110.3(a)(2)(v)(A) [1989]. It thus appears that Congressman Bonker was actively seeking election to two federal

offices on January 19, 1988, when the House Committee made a transfer to the Senate Committee. Accordingly, there is reason to believe that the Bonker for Senate Committee and Gary Gayton, as treasurer, violated 2 U.S.C. § 441a(a)(5)(C)(i) by transferring funds while actively seeking election to two Federal offices.

Excessive Contributions (Primary and General)

As a result of RAD's initial review of the House and Senate Committee reports filed during 1987 and 1988, \$5,786.29 in contributions was determined to have come from entities which contributed over the \$1,000 per election limit. Despite the emphasis on disclosure throughout the Act, the Senate Committee did not file schedules disclosing the specific contributor sources included in the transfer from the House Committee as it was required to do. See 11 C.F.R. 104.3(a)(4)(iii)(A). In subsequent reports the Senate Committee chose to aggregate all 1987 contributions to the House Committee with 1988 contributions to the Senate Committee in determining which contributors crossed the monetary limitations, and thereby how much of such contributions needed to be refunded, reattributed or redesignated. Lacking any schedules disclosing the specific contributor sources of the House Committee transfers, RAD was unable to determine which contributions had actually been transferred and therefore followed the Senate Committee's aggregation approach. By aggregating all of the 1987 House Committee contributions with 1988 Senate Committee contributions the reports filed by these committees reflect that at least

21040353529

twelve (12) individuals, one (1) political action committee, and one (1) partnership contributed more than the legal limit.

In the present matter, the Senate Campaign was unsuccessful in the primary held on September 20, 1988, and therefore did not participate in the general election which followed. Therefore, contributions designated for the general elections should have been refunded, reattributed or redesignated. See

11 C.F.R. § 110.1(b)(3)(i); 11 C.F.R. § 110.1(b)(5) and 11 C.F.R. § 110.1(k)(3). For this referral, a reasonable time was determined to be sixty (60) days starting from the date of the primary election. In forty-one (41) instances RAD referred contributions by individuals due to the fact that they were designated or attributed to the general election, but have not yet been, or were not within a reasonable time, refunded, reattributed or redesignated. In one instance a political action committee contribution was referred because it was designated for the general election and not timely refunded. Such apparent excessive contributions amounted to \$18,282.50. As of the referral date, the Senate Committee had refunded approximately \$9,595.90 of the apparent excessive and prohibited amount.

Based on the foregoing circumstances, there is reason to believe that the Bonker for Senate Committee and Gary Gayton, as treasurer, violated 2 U.S.C. § 441a(f) by accepting the excessive contributions discussed above.

Corporate Contributions

In addition to being unable to directly contribute to a

21040353600

candidate or political committee, see 2 U.S.C. § 441b, a corporation may not serve as a conduit or intermediary to facilitate the making of contributions, such as by providing envelopes addressed to the candidate or committee. See AOs 1987-29, 1986-4, and 1982-2. The corporation's separate segregated fund may however, act as a conduit or intermediary for earmarked contributions. 11 C.F.R. § 114.3(c)(2); AOs 1981-57 and 1981-21. All intermediaries or conduits are required to report the original source of contributions and the intended recipient of the contribution to the Commission and to the intended recipient. 2 U.S.C. § 441a(a)(8).

In its 1987 Mid-Year Report the House Committee reported a \$500 contribution from Omniservices, Inc. A Request for Additional Information was sent to the House Committee regarding this matter and on September 23, 1987, a response was received. In that response, the House Committee explained that an individual had given the amount in question to the corporation with the idea that it would then be given to the House Committee. The House Committee also advised that it would forward a statement to this effect once it was received. However, no further information was ever received concerning this matter and RAD included this contribution as part of the funds transferred to the Senate Committee. Based on the foregoing, there is reason to believe the Bonker for Senate Committee and Gary Gayton, as treasurer, violated 2 U.S.C. § 441b(a).

Attention: Thomas Y. Martin

RE: MUR 3063
Omniservices, Inc.

Dear Mr. Martin:

On May 22, 1990, the Federal Election Commission found that there is reason to believe Omniservices, Inc. violated 2 U.S.C. § 441b(a), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against Omniservices, Inc. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against Omniservices, Inc., the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days

A. The Law

21040353608

Pursuant to 2 U.S.C. §§ 441a(a)(1)(A) and (2)(A), contributions to a federal candidate or his authorized political committee are limited to an aggregate of \$1,000 per individual, and \$5,000 for multicandidate committees with respect to any election for Federal office.¹ No federal candidate or political committee may knowingly accept any contribution in excess of the limitations provided in Section 441a. 2 U.S.C. § 441a(f). It is unlawful for any federal candidate or political committee to knowingly accept or receive any contribution from a corporation. 2 U.S.C. § 441b(a). In addition to being unable to directly contribute to a candidate or political committee, a corporation may not serve as a conduit or intermediary to facilitate the making of contributions, such as by providing envelopes addressed to the candidate or committee. See AOs 1987-29, 1986-4, and 1982-2. The corporation's separate segregated fund may however, act as a conduit or intermediary for earmarked contributions. 11 C.F.R. § 114.3(c)(2); AOs 1981-57 and 1981-21. All intermediaries or conduits are

1. An election as defined under the Act includes a special, primary, run-off, or general election. 2 U.S.C. § 431(1)(A).

required to report the original source of contributions and the intended recipient of the contribution to the Commission and to the intended recipient. 2 U.S.C. § 441a(a)(8).

B. Factual Analysis

In its 1987 Mid-Year Report the House Committee reported a \$500 contribution from Omniservices, Inc. A Request for Additional Information was sent to the House Committee regarding this matter and on September 23, 1987, a response was received. That response maintained that an individual had given the amount in question to the corporation to be given to the House Committee. See Attachment I. At the time of its response the House Committee advised that it would forward a statement to this effect once it was received. No further information was received concerning this matter and RAD included this contribution as part of the funds transferred to the Senate Committee.

Therefore, there is reason to believe Omniservices, Inc. violated 2 U.S.C. § 441b(a).

RE: FEC Letter of September 11, 1987
ID# C00054585

On June 17, 1987 we received a check from Omniservices, Inc. for \$500. As is our policy we called and asked if this was a corporation check or a PAC, and we were told by Ron Pherigl that it was not a corporation, even though it said Inc. on the check. Thinking then that it was not a corporation, we deposited the check.

When we received your letter of August 25, 1987, questioning this contribution, we called Omniservices again, and found that the phone line had been disconnected. We then found another phone number where Mr. Pherigl works, but were unable to get an answer until September 17, 1987. Mr. Pherigl told us that he had given Omniservices \$500 personal money to be contributed to the Bonker for Congress Committee. At that time we asked for this statement in writing, and are awaiting its arrival. Under the circumstances, we feel this contribution should have been reported under the individuals contributions, under Ron Pherigl. He works at Applied Computing Technology (phone 703-471-9433).

In examining the copy of the Omniservices check we noticed that it was signed by Mrs. Pherigl.

OMNI SERVICES, INC.

Dear Mr. Brown:

As follow-up to our phone conversation of 6/5/90, OMNI SERVICES, INC. is located in Virginia and did not make a political contribution in 1987 to "Bonker for Congress Committee" in the state of Washington. The individuals named, Mr. and Mrs. Ron Pherigl, have never been associated with our company.

Since we obviously believe that this is a case of mistaken identity, we feel that no further action should be taken against our company.

MARGIE SIKES

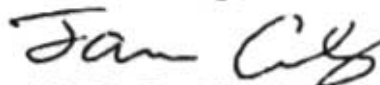

Dear Mr. Brown:

I received your notice MUR #3063 on Monday, June 11. The due date for a response is June 26. I would like to request an extension until July 16.

I am requesting the extension for primarily personal reasons. I am leaving Vancouver for a family trip on June 15. I will not return until June 23. Also, I do not have all the committee records. Some have been stored in Seattle. I believe I will have to go to Seattle to obtain all the records. This will allow the time necessary to complete my review and response.

Thank you for your help in this matter.

Mr. Jim Brown
Federal Elections Commission
Washington, DC 20463

Dear Mr. Brown:

Jim Caley, who served as deputy treasurer in my 1988 Senate campaign, has informed me of your letter and additional request for information and verification of certain items.

We have at all times tried to be diligent in filing the necessary forms and complying with all the requirements.

I must confess to being surprised that now, nearly two years after the election, we have received a twenty-page letter asking for more documentation, with threat of appropriate fines.

I am sure you can appreciate that campaign operations do not continue after defeat of the candidate and such record-keeping and verification 24 months afterwards is extremely difficult. Nonetheless, we will make every effort to comply with everything you have requested.

Mr. Caley received your letter on Monday, June 11th, with demands for a complete response by July 6th. As he mentioned to you, he will be away for a vacation and has requested an extension. Your consideration will be much appreciated.

Also, I would like to designate Mr. Caley to be my representative in working with you and other officials at the FEC.

Should you have questions, please call me (202/778-1019).

Sincerely,

Re: Bonker for U.S. Senate FEC Reports (1987-1988)

Dear Ms. Elliot:

We have completed our review of the questions you raised in your letter dated May 31, 1990. In summary we have found some errors in our reports. Let me summarize them as follows:

1. Transfer of U.S. House Funds To U.S. Senate Committee: In your letter you questioned whether I was a candidate for both the U.S. House of Representatives and the U.S. Senate at one point. As explained in the body of this response, I was never a candidate for both offices at one time. I did go through a short period of "testing the waters", but once I decided to run for the U.S. Senate, I made no expenditures for the House race and all of my effort was focussed on the Senate race. I have included copies of all the expenditures that were reported on my final U.S. House FEC report. There were no other expenses incurred or paid for that effort after my announcement date.
2. Married Couples: Some of the contributions were not reported correctly. In most cases, we failed to report that the contributions were from married couples. The contributors fully intended that we report them as joint contributions, but our records did not show that fact. To correct this problem, I am requesting written confirmation to show these to be joint contributions.

3. Questionable Items: In some cases our records do not agree with the FEC records. These differences have created an apparent problem. However, upon review, I think you will find that our records were correct as originally stated.

4. LIFO: As you requested, we have provided a list of LIFO contributors. We started with the last contribution dated January 19, 1988 (House Account), and then went back to the account for all the contributions that were transferred from my House Committee to my Senate Committee. Some of the items shown as being over the limit should have been included in the House report and not the Senate report. These differences I believe will explain a portion of the items over the limit.

5. Date of Refund: In some cases the committee did not make a refund of contributions within the prescribed time limit. The FEC is correct that we did not make the refunds quick enough.

6. Redesignation of Contributions: There were some contributions that were reported incorrectly on the original reports. I have included corrections of those reports. In general, the corrections will properly state the fact that virtually all of our contributions were for the primary election.

7. Refund Required: There are three contributions that need to be refunded. They are as follows:

Clay Bleck	\$ 50.00
1125 West 2nd	
Spokane, WA 99204	

Daniel Tighe	\$ 500.00
P.O. Box 567	
Montesano, WA 98563	

Antoinette Tighe	\$ 500.00
P.O. Box 567	
Montesano, WA 98563	

In each of these cases the committee simply made an error and missed these three items. I have issued checks and attached a copy of the refund for these items.

Ms. Lee Ann Elliot

Thank you for bringing these items to my attention. It is our firm desire to conform with the law. I recognize that we did make some errors in the way that items were originally reported. Since some of the items that we reported were incorrect it appears to be appropriate that we request to enter into, "pursuing pre-probable cause conciliation."

I want to resolve these problems as efficiently and as quickly as possible. Please let me know if additional information is required.

Sincerely,

Don Bonker

EXPLANATION OF ACTIVITY FROM Jan. 1 to April 15, 1988

Congressman Don Bonker conducted a preliminary review of the 1988 US Senate race for several months in 1987.

During that time, only normal "testing of the waters" activity was conducted. These activities included polling, contacting potential individual and PAC supporters, and state wide visits. On January 19, 1988, Congressman Bonker officially announced his candidacy for the US Senate. At that point, the Senate committee was formed and the proper forms were filed with the Secretary of the Senate. All of the funds were transferred from the House Committee to the Senate Committee. There were no expenses which related to the House Committee after that date. Copies of the expenditures for that period are attached. These payments were reported on the final House Committee Report (also attached). There was never a dual activity by both the Senate and House Committee. Also, there was never a point where Congressman Bonker was seeking both offices at the same time.

During this period, there were a number of contacts with the FEC to verify what the correct procedure should be. James Caley was specifically told that the above procedure was correct and that the declaration of candidacy with the Secretary of the Senate constituted the official notification.

Pacific Northwest Bell

A US WEST COMPANY

Dear Don Bonker for Senate Campaign Committee,

This letter confirms our understanding with Gary Hinkson regarding Pacific Northwest Bell's credit requirement on all services furnished for political purposes.

A cash deposit or irrevocable bank letter of credit is secured from all political candidates, parties or organizations regardless of party affiliation or size of account. The amount of security is based upon an estimated two months' bill and will be held up to 90 days beyond the life of the account. A letter of guarantee is not considered acceptable security.

Additional security will be required if actual charges exceed the estimated level of usage. If required you will be notified of the amount and requested to provide this additional security within seven days. Failure to provide additional security when requested, or failure to pay any charges when due, will result in interruption of your service.

The enclosed Political Accounts Application Form, signed by the officers of your Committee will be required prior to installation of your service.

Advance payment of installation charges in the amount of \$ 236.00 must accompany your deposit and signed forms.

Based upon your estimated usage the amount of deposit or irrevocable bank letter of credit required is \$ 1025.00.

For your convenience, I have enclosed a business card. Please call us with any questions you might have.

Sincerely,

Wally

for Sharon Nelson/Wally Bloomstrom
Political Accounts Representative

EXPLANATION OF COMMITTEE PROCEDURES

The committee received funds and recorded the receipt on the computer system when the deposits were made. Prior to March, 1988, the committee maintained its records on a computer system in Vancouver, Washington. After that time, the system was maintained at the Campaign Headquarters in Seattle, Washington by campaign volunteers. The Seattle software was developed for the committee and was monitored on a daily basis.

At the end of the campaign, the campaign staff reviewed the reports and refunded the amount that was shown in the system. There was an error with this portion of the program which lead to the errors that we have reviewed in this document.

Mr. & Mrs. Bradbury
1017 Minor Unit 302
Seattle, Wa 98104

Dear Mr. & Mrs. Bradbury:

During 1988 you contributed to my campaign for the U.S. Senate. During the review process, we noted that the committee did not have documentation that your contributions were made jointly by both of you. The Federal Election Commission requires that a contribution from a married couple must either be a check signed by both parties or have other substantiation that the contribution was from both husband and wife. To assure that our permanent records are complete, please sign the statement at the bottom of this page and return it to me in the enclosed envelope. Thank you for your help.

Sincerely,

Don Bonker

Dear Mr. & Mrs. Bressler:

During 1988 you contributed to my campaign for the U.S. Senate. During the review process, we noted that the committee did not have documentation that your contributions were made jointly by both of you. The Federal Election Commission requires that a contribution from a married couple must either be a check signed by both parties or have other substantiation that the contribution was from both husband and wife. To assure that our permanent records are complete, please sign the statement at the bottom of this page and return it to me in the enclosed envelope. Thank you for your help.

Sincerely,

Don Bonker

Dear Mr. & Mrs. Epstein:

During 1988 you contributed to my campaign for the U.S. Senate. During the review process, we noted that the committee did not have documentation that your contributions were made jointly by both of you. The Federal Election Commission requires that a contribution from a married couple must either be a check signed by both parties or have other substantiation that the contribution was from both husband and wife. To assure that our permanent records are complete, please sign the statement at the bottom of this page and return it to me in the enclosed envelope. Thank you for your help.

Dear Mr. & Mrs. Sabey:

During 1988 you contributed to my campaign for the U.S. Senate. During the review process, we noted that the committee did not have documentation that your contributions were made jointly by both of you. The Federal Election Commission requires that a contribution from a married couple must either be a check signed by both parties or have other substantiation that the contribution was from both husband and wife. To assure that our permanent records are complete, please sign the statement at the bottom of this page and return it to me in the enclosed envelope. Thank you for your help.

Sincerely,

Don Bonker

Dear Mr. & Mrs. Druckman:

During 1987 you contributed to my campaign for the U.S. Senate. During the review process, we noted that the committee did not have documentation that your contributions were made jointly by both of you. The Federal Election Commission requires that a contribution from a married couple must either be a check signed by both parties or have other substantiation that the contribution was from both husband and wife. To assure that our permanent records are complete, please sign the statement at the bottom of this page and return it to me in the enclosed envelope. Thank you for your help.

Sincerely,

Don Bonker

RE: FEC Letter of September 11, 1987
ID# C00054585

On June 17, 1987 we received a check from Omniservices, Inc. for \$500. As is our policy we called and asked if this was a corporation check or a PAC, and we were told by Ron Pherigl that it was not a corporation, even though it said Inc. on the check. Thinking then that it was not a corporation, we deposited the check.

When we received your letter of August 25, 1987, questioning this contribution, we called Omniservices again, and found that the phone line had been disconnected. We then found another phone number where Mr. Pherigl works, but were unable to get an answer until September 17, 1987. Mr. Pherigl told us that he had given Omniservices \$500 personal money to be contributed to the Bonker for Congress Committee. At that time we asked for this statement in writing, and are awaiting its arrival. Under the circumstances, we feel this contribution should have been reported under the individuals contributions, under Ron Pherigl. He works at Applied Computing Technology (phone 703-471-9433).

In examining the copy of the Omniservices check we noticed that it was signed by Mrs. Pherigl.

Regarding the partnership check from Weadon, Dibble & Rehm, they are equal partners' and each have been given credit for one third of \$500.00 or \$166.67 each.

If you have any further questions on this matter please contact us.

In the Matter of)

and Gary Gayton, as treasurer)	
)	
Omniservices, Inc.)	

GENERAL COUNSEL'S REPORT

I. BACKGROUND

The Commission found reason to believe that the Bonker for Senate Committee and Gary Gayton, as treasurer ("the Senate Committee"), violated various provisions of the Federal Election Campaign Act of 1971, as amended. In particular, the Commission found reason to believe that the Senate Committee had violated 2 U.S.C. § 441a(a)(5)(C)(i) by transferring funds while actively seeking election to two federal offices. The Commission also found reason to believe that the Senate Committee had violated 2 U.S.C. § 441a(f) by accepting excessive contributions and 2 U.S.C. § 441b(a) by accepting a corporate contribution. In addition, the Commission found reason to believe that Omniservices, Inc. violated 2 U.S.C. § 441b(a).

The Senate Committee's response to discovery requests included a request to enter into pre-probable cause conciliation. After a thorough review of the detailed materials submitted by the Senate Committee, this Office is now prepared to recommend that the Commission enter into pre-probable cause conciliation with the Bonker for Senate Committee and Gary Gayton, as treasurer.

II. ANALYSIS

A. Excessive Contributions -- Violations of
2 U.S.C. §§ 441a(f)

91040353865
The Commission found reason to believe that the Senate Committee accepted excessive or prohibited contributions from 56 contributors during the 1987-1988 calendar years. This determination included excessive contributions to either the House or Senate Committees; excessives resulting from contributions given to the House Committee which were then aggregated with later contributions to the Senate Committee; and contributions designated for either the House or Senate general election, in which the candidate never participated. None of these contributions were refunded, redesignated or reattributed within sixty days as required by Commission regulations. See 11 C.F.R. § 103.3(b).

1. Excessive Contributions Resulting from Transfer

As noted in the First General Counsel's Report, the Senate Committee did not file schedules disclosing the specific contributor sources for funds included in the transfer from the House Committee. The Committee simply aggregated all 1987 contributions to the House Committee with 1988 contributions to the Senate Committee.¹ Lacking any schedules disclosing the

1. When affiliated committees transfer funds, the recipient must aggregate all contributions made to either committee by the same person or entity within the same election cycle. To ensure that contribution limitations are not exceeded, the contributions making up the transfer are ordinarily reviewed on a "last in, first out" ("LIFO") basis, beginning with the last contribution received and working back until the amount to be transferred is reached. See Advisory Opinion 1982-1.

specific contributor sources of the House Committee transfers, RAD was unable to determine which contributions had actually been transferred and thus followed the Senate Committee's aggregation approach.

In response to discovery, the Committee identified the source of all funds transferred from the House Committee to the Senate Committee on January 19, 1988. Respondents assert that 8 contributions referred by RAD should not be considered excessive on the grounds that they would not have been transferred under a LIFO analysis. A review of the documentation submitted appears to establish that 6 of those contributions were not part of the funds transferred to the Senate Committee.² With respect to the other two contributions that respondents assert were not transferred under LIFO, Claudia Westbrook's \$250 excessive contribution and Thomas Westbrook's \$250 excessive contribution, the initial reports filed by the House Committee with the Commission show these contributions to have been made after

2. The House Committee received \$149,542 in contributions from July 1, 1987 until December 31, 1987, and transferred \$131,374.99 to the Senate Committee in January of 1988. The six contributions that appear not to have been included in the transfer of funds to the Senate Committee under a LIFO analysis are:

reported in error and should have been reported as joint contributions. In each instance the respondents attached a corrected report page and a letter sent to the contributor requesting them to state that the contribution was made jointly. Respondents' argument is unavailing. Commission regulations state that when it is necessary to reattribute a portion of a contribution that was not clearly ascertainable as a joint contribution from the original negotiable instrument, the treasurer of the recipient committee may ask the contributor whether the contribution was intended to be made jointly. The regulations go on to provide that reattribution of a contribution can only occur upon the treasurer's receipt of a

4. Antoinette Tighe contributed \$2,000 on 12/28/87 to the House Committee, split evenly between the primary and general elections. On two occasions, 9/1/87 and 12/28/87, her husband, Daniel Tighe, contributed \$500 to the House Committee, again split evenly between the primary and general elections. The Committee asserts that all of the Tighes' contributions should have been reported as jointly contributed, resulting in cumulative totals of \$1,500 for each. The Committee thus refunded \$500 to each. However, even if the committee could document the Tighes' reattribution, which it has not done, these contributions would still pose redesignation problems since some were designated for the general election. In particular the House Committee would still need to refund Mrs. Tighe's remaining \$500 general election contribution.

5. In addition to Antoinette Tighe's \$500 contribution that remains designated for the general election, all of the excessive amounts contributed by Stanley Epstein (\$1,000), Phelps Gose (\$250), and E.C. Wineberger (\$1,000), as well as a portion of Karen Wong's excessive contribution (\$100), were designated for the general election. Thus, those amounts must also be redesignated for the primary, or refunded. For this reason the general election portion of those contributions has been included in the general election tallies (See Chart A at Attachment I), and subtracted from the total above

written reattribution of the contribution, which is signed by each contributor, and which indicates the amount to be attributed to each contributor if equal attribution is not intended. Communication with the contributor must also inform the contributor that he or she may request the return of any excessive portion of the contribution if it is not intended to be a joint contribution. 11 C.F.R. § 110.1(k)(3). Furthermore, the Commission regulations indicate that such reattribution should take place within 60 days of the date of the treasurer's receipt of the contribution. 11 C.F.R. § 110.1(k)(3)(ii)(B).

There is no indication that an inspection of the original negotiable instruments would clarify that the contributions denoted above were made jointly. In fact, no photocopies of such negotiable instruments have been submitted. To date, none of the conditions required for reattribution has been met by the Senate Committee. The letters sent out by the Committee do not constitute reattribution; only the signed reattribution of each contributor can accomplish that feat. Additionally, the Senate Committee letters in no way indicate that contributors have any option other than reattribution. Finally, in each instance reattribution is now beyond the 60 day period outlined in the regulations.

21040353370

4. Contributions Accepted for General Election

The Senate Campaign was unsuccessful in the primary held on September 20, 1988, and therefore did not participate in the general election which followed. Therefore, contributions designated for the general election should have been refunded, reattributed or redesignated within 60 days. See 11 C.F.R. § 110.1(b)(3)(i)(C); 11 C.F.R. § 110.1(b)(5) and 11 C.F.R. § 110.1(k)(3); See also AO 1986-17.

RAD referred contributions from thirty-eight (38) contributors due to the fact that their contributions were designated or attributed to the general election, but have not yet been, or were not within a reasonable time, refunded, reattributed or redesignated. In one instance a political action committee contribution was referred because it was designated for the general election and not timely refunded. Such apparent excessive contributions amounted to \$18,282.50.

In response to the reason to believe findings, the Senate Committee admits that 13 contributions made toward the general election, amounting to \$8,390, were not refunded within 60

21040353871

days, but have been subsequently refunded.⁶ The response either fails to appropriately address the other contributions reported as received for the general election or baldly asserts, without any supporting material, that the contributions included in the original RAD referral were actually designated toward the primary election. See Chart A at Attachment 1.

**B. Corporate Contributions -- Violation of
2 U.S.C. § 441b**

In addition to the excessive contributions discussed above, the Commission also found reason to believe that a \$500 corporate contribution was accepted by the House Committee and then purportedly transferred to the Senate Committee in violation of Section 441b(a) of the Act. That contribution was originally reported by the Bonker Committee as having been made by Omniservices, Inc. for its employee, Ron Pherigl.

As a result of this finding, the Commission sent a notification letter to Omni Services, Inc. of Culpeper, Virginia, but that corporation responded that there had never been a Mr. or Mrs. Ron Pherigl associated with the company and that the corporation never made a contribution in 1987 to the Bonker for Congress Committee. A photocopy of the contribution check from Omniservices, Inc. was submitted by the Bonker Committee in its discovery response. That photocopied check denotes a McLean, Virginia address. The Virginia Corporations Division has stated in conversations with this Office that there has not been an Omniservices, Inc. registered anywhere in Virginia in the last ten years. Furthermore, a Bonker Committee

91040353873

letter to the Clerk of the House of Representatives dated September 18, 1987, states that Ron Pherigl informed the Bonker Committee that Omniservices was not a corporation. The photocopy of the Omniservices, Inc. check contains a denotation that it was made for "Applied Computing Tech., Inc. (Pherigl)" and the check is signed by M. Catherine Pherigl. The Virginia Corporations Division indicates that there was an Applied Computing Tech, Inc. registered in Virginia, but that it has been subsequently dissolved and terminated.

In response to discovery requests this Office has learned that this contribution apparently came in the form of a check drawn on an employee drawing account. The check was charged against wages for the year on the employee's annual Internal Revenue Service W-2 form. See Bonker Committee July 16, 1990 Response at F.109. Respondents submit that the contribution was reported as being made from the corporation due to clerical error and should have instead been reported as made by the employee, Mr. Pherigl. While further investigation would be necessary to determine whether the employee account qualifies as a non-refundable drawing account (See Advisory Opinions 1985-12 & 1982-11), the circumstances here warrant taking no further action. Not only are the businesses no longer in existence, but the Bonker Committee's LIFO analysis discloses that the Omniservices/Pherigl contribution was not part of the House Committee transfer to the Senate Committee. Given these facts,

21040353874

as well as the amount involved, this Office recommends that the Commission take no further action regarding the Omniservices/Pherigl contribution.

C. Transfer of Funds while Actively Pursuing Dual Candidacies -- Violation of 2 U.S.C. § 441a(a)(5)(C)(i)

Congressman Bonker challenges the Commission's reason to believe finding that he transferred funds while actively seeking election to two offices although he acknowledges that there was an overlapping "testing the waters" period, during which he was deciding whether to run for the Senate. The Bonker response states that upon announcement of his Senate candidacy all of the proper forms were filed with the Secretary of the Senate, and all House Committee funds, and liabilities, totaling \$787.97, were transferred to the Senate Committee. No further expenditures were incurred or paid by the House Committee.

The Bonker response asserts that during this period the Commission was contacted a number of times in order to determine whether the Committees were following the correct procedures. The Committees' treasurers were allegedly told by unidentified Commission staff that filing the declaration of candidacy with the Secretary of the Senate constituted official notification regarding the termination of the House Committee.

Respondents' arguments are unavailing here. The procedures delineated at 11 C.F.R. § 110.3(a)(2)(v)(A)(1988) require a campaign committee to file a termination report or otherwise

91040353875

notify the Commission that the candidate and the authorized committee will make no further expenditures, except to retire debts outstanding at that time. Only after a report is filed, or written notice is given, can the Commission and the public know of the transferee committee's intent not to raise more cash or to make additional expenditures. In the present matter, these procedures were not followed and the House Committee's termination report was not filed until April 19, 1988, well after the date of the House Committee transfer of funds to the Senate Committee.

III. DISCUSSION OF PRE-PROBABLE CAUSE CONCILIATION

IV. RECOMMENDATIONS

1. Enter into conciliation with the Bonker for Senate Committee and Gary Gayton, as treasurer, prior to a finding of probable cause to believe.

2. Take no further action regarding Omniservices, Inc.

RE: MUR 3063
Bonker for Senate Committee
and Gary Gayton, as treasurer

Dear Mr. Caley:

The Federal Election Commission previously found reason to believe that the Bonker for Senate Committee and Gary Gayton, as treasurer, violated 2 U.S.C. §§ 441a(a)(5)(C)(i), 441a(f) & 441b(a). At your request, on December 18, 1990, the Commission determined to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe.

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If your clients agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible.

If you have any questions or suggestions for changes in the agreement, or if you wish to arrange a meeting in connection with a mutually satisfactory conciliation agreement, please contact Jim Brown, the attorney assigned to this matter, at (202) 376-8200.

Re: MUR 3063
Bonker for Senate Committee

Dear Mr. Brown:

This is in response to your letter of December 28, 1990 concerning reporting requirements on my 1988 Senate race. Hopefully, the enclosed documentation will be sufficient to cover the issues raised in your letter. The three questions that require additional information are provided as follows.

1. Claudia and Thomas Westbrook were not included as part of the carry over from the House to the Senate committee because their contribution was made on July 10 not on July 27 as originally reported. I have attached a copy of their check. Contributions received after July 20, 1987 were transferred to the Senate Committee.
2. There were several contributions that required a statement from the contributor which stated that both the husband and wife jointly contributed to the Committee. Letters have been mailed to the contributors and I am personally contacting each to make sure they return signed statements as soon as possible. Attached is a list of the names and status of their returned statement. I should have replies by February 8, 1991, and will of course promptly forward them to you.
3. There were several contributions which were designated as a general election contribution which should have been designated as a primary election contribution. I understand that the general FEC rule is that a contribution received after the primary election should be reported as a general election contribution unless otherwise designated by the

contributor. Donations received before the primary election are presumed to be for the primary election. We have reviewed the contributions you noted and have attached an analysis sheet to report the results. Also, we attached check copies for a number of the donations. There are no contributions for the general election in this group. The checks which are not enclosed were not available. We have reviewed our records, however, and feel they would be the same as the attached checks and should not have been identified as general election checks.

The reason for the problem is a computer error. During the campaign, we used a program which did not work well. At times, it did not report the election correctly. We tried to manually correct this problem but did not catch all the errors. I hope after reviewing the noted support you will be able to agree that the original reports were incorrect and should have designated the contributions as primary election donations and not general election donations.

If you need any additional information, please contact me. Thank you for your assistance in this matter.

Sincerely,

Dear Mr. & Mrs. Winebarger:

In 1988, you were kind enough to contribute to my campaign for the United States Senate. Recently the Federal Elections Commission has reminded me that, since your check was drawn on a joint account, substantiation is necessary to demonstrate that both husband and wife were actual contributors. At the time, we should have noted that a joint bank account required signatures from both parties, but signing the attached form will be sufficient to keep the record straight. I should add that you retain the option of having your spouse's portion of the check returned.

Again, I want to thank you for supporting my campaign for the U.S. Senate and for cooperating in this matter.

Dear Mr. & Mrs. Sabey:

In 1988, you were kind enough to contribute to my campaign for the United States Senate. Recently the Federal Elections Commission has reminded me that, since your check was drawn on a joint account, substantiation is necessary to demonstrate that both husband and wife were actual contributors. At the time, we should have noted that a joint bank account required signatures from both parties, but signing the attached form will be sufficient to keep the record straight. I should add that you retain the option of having your spouse's portion of the check returned.

Again, I want to thank you for supporting my campaign for the U.S. Senate and for cooperating in this matter.

Sincerely,

Don Bonker

Mr. John Warren McGarry
Chairman
Federal Elections Commission
999 E Street, N.W.
Washington, D.C. 20463

Dear Mr. Chairman:

In a letter dated May 31, 1990, I was informed by the Federal Election Commission that I was in violation of certain statutory provisions in my candidacy for the U.S. Senate in 1988. I was further informed that I had an opportunity to demonstrate that "no action should be taken" against my campaign or, in the absence of presenting evidence to the contrary, the Commission could proceed with conciliation.

I immediately informed the Commission of my interest in pursuing pre-probable cause conciliation and on July 11, 1990 presented full documentation to the FEC covering the specific allegations against my campaign committee. Since then, I have received an extension to enable complete and prompt reporting of outstanding items. On April 5, 1991, I met with Jim Brown.

1. Joint Donors/no documentation. I have obtained signatures on all but two contributors. One was a General Election contribution of \$50 in excess of the allowable amount. The Bonker Committee has sent Mr. David Bradbury a refund check for the \$50.00 (attached). The second, Mr. and Mrs. Winebarger, failed to provide the signatures requested.
2. Contributions incorrectly marked "general". These amounts were within allowable limits, but computer error was responsible for the box on the form being checked "general" instead of "primary". Where possible I have attached check copies to verify the dates, and, at Mr.

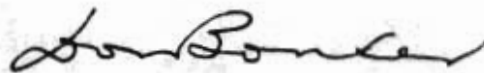

91040353908

5/17/91 25 PM 3:42

Brown's suggestion, I have attached an affidavit to cover the remaining contributors.

3. The most significant violation turned out not to be a violation. It was a MEBA check for \$5,000 on 11/23/88, which was returned on 11/22/88 because it was thought to be in excess of the allowable amount for the primary. However, in checking this with Mr. Brown and his colleague, we discovered that the earlier MEBA contributions of \$3,000 on 6/30/87 and \$2,000 on 7/20/87 both fell within the cutoff for the 1988 election cycle. Technically, the second \$5,000 donation did not need to be returned and in any case there was no violation for that amount.

Sincerely,

Don Bonker

Dear Vic:

In 1988, you were kind enough to contribute to my campaign for the United States Senate. Recently, the Federal Elections Commission has reminded me that, since your check was drawn on a joint account, substantiation is necessary to demonstrate that both husband and wife were actual contributors. At the time, we should have noted that a joint bank account required signatures from both parties, but signing the attached form will be sufficient to keep the record straight. I should add that you retain the option of having your spouse's portion of the check returned.

Again, I want to thank you for supporting my campaign for the U.S. Senate and for cooperating in this matter.

Sincerely,

Don Bonker

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On December 18, 1990, the Commission determined to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe. The Commission had previously found reason to believe that the Bonker for Senate Committee ("the Senate Committee") and Gary Gayton, as treasurer, had violated 2 U.S.C. § 441a(a)(5)(C)(i) by transferring funds while actively seeking election to two federal offices; 2 U.S.C. § 441a(f) by accepting excessive contributions; and 2 U.S.C. § 441b(a) by accepting a corporate contribution. Due to the circumstances discussed in the December 10, 1990 General Counsel's Report, the Commission determined to take no further action regarding the possible 2 U.S.C. § 441b(a) violation.

On three occasions, January 30, 1991, March 4, 1991, and April 19, 1991, respondents provided documentation relating to the violations.

II. DISCUSSION

A. Excessive Contributions -- Violations of 2 U.S.C. §§ 441a(f)

1. Excessives Not Timely Refunded

The Bonker Committee has acknowledged accepting 8 contributions which were in excess of the statutory limits and not refunded within 60 days.¹ Although the Committee eventually refunded the excessive portion of these contributions, this belated remedial action does not vitiate the violation.

1. Acknowledged excessive contributions belatedly refunded:

2. Excessive Contributions Resulting from Transfer

As noted in previous General Counsel's Reports, the Senate Committee did not file schedules disclosing the specific contributor sources for funds included in the transfer from the candidate's prior House Committee. The Committee simply aggregated all 1987 contributions to the House Committee with 1988 contributions to the Senate Committee.² Lacking any schedules disclosing the specific contributor sources of the House Committee transfers, RAD was unable to determine which contributions had actually been transferred and thus followed the Senate Committee's aggregation approach.

In response to discovery, the Committee's July 16, 1990 Response ("Response I") identified the source of all funds transferred from the House Committee to the Senate Committee on January 19, 1988. Utilizing the documentation provided in Response I the Commission determine on December 18, 1990, that six contributions referred by RAD should not have been considered excessive on the grounds that they would not have been transferred under a LIFO analysis.

In the January 30, 1991 Response ("Response II") the Respondents continued to maintain that contributions from Thomas and Claudia Westbrook should not have been included as

2. When affiliated committees transfer funds, the recipient must aggregate all contributions made to either committee by the same person or entity within the same election cycle. To ensure that contribution limitations are not exceeded, the contributions making up the transfer are ordinarily reviewed on a "last in, first out" ("LIFO") basis, beginning with the last contribution received and working back until the amount to be transferred is reached. See Advisory Opinion 1982-1.

21040353920

part of the funds transferred from the House to Senate Committee under a LIFO analysis. In support of that position, the Respondents submitted a \$500 check endorsed with what appears to be the signature of Thomas Westbrook, and which is dated July 10, 1987. Attachment I, page 9. Such check, on its face, pre-dates the July 20, 1987 LIFO cut-off date. Contributions received prior to that date were not transferred to the Senate campaign under a LIFO analysis. Response II also contains photocopies of two checks signed by Claudia Westbrook, each for \$1,000, and each dated June 24, 1988. Attachment I, page 14. These two checks apparently were originally reported by the Senate Committee as a \$1,000 contribution from Claudia Westbrook for the Senate Committee primary and \$500 contributions from Thomas Westbrook for each the Senate Committee Primary and General elections. Commission regulations specify that any negotiable instrument purporting to be made jointly shall include the signature of each contributor on the instrument or in a separate writing. See 11 C.F.R. § 110.1(k). All of the Westbrooks' contribution checks are endorsed by only one of the spouses, and respondents have not produced any separate writing indicating joint contribution. Therefore, the documentation shows that the Senate Committee accepted a \$1,000 excessive contribution from Claudia Westbrook.

3104035321

3. Reattributed Excessives

In certain instances respondents originally maintained that excessive contributions identified by RAD were initially reported in error and should have been reported as joint contributions.

Commission regulations state that when it is necessary to reattribute a portion of a contribution that was not clearly ascertainable as a joint contribution from the original negotiable instrument, the treasurer of the recipient committee may ask the contributor whether the contribution was intended to be made jointly. The regulations go on to provide that reattribution of a contribution can only occur upon the treasurer's receipt of a written reattribution of the contribution, which is signed by each contributor, and which indicates the amount to be attributed to each contributor if equal attribution is not intended. Communication with the contributor must also inform the contributor that he or she may request the return of any excessive portion of the contribution if it is not intended to be a joint contribution.

11 C.F.R. § 110.1(k)(3). Furthermore, the Commission regulations indicate that such reattribution should take place within 60 days of the date of the treasurer's receipt of the contribution. 11 C.F.R. § 110.1(k)(3)(ii)(B).

The Senate Committee has provided untimely written

291040353222

reattributions for \$3,745 in excessive contributions.³ No documentation was provided to substantiate respondents' earlier assertion that the excessive contributions from Richard Bressler of \$422.27 and E.C. Wineberger of \$1,000 were intended to be made jointly with their spouses. Also, in response to the Senate Committee's reattribution request to Mr. James M. North, his wife responded that a \$1,000 contribution was actually from her and that it had been signed Mrs. James M. North. Apparently, the Senate Committee had mistakenly attributed the contribution to Mr. North. Thus, although there was a reporting problem in this situation, there was no \$62.50 excessive contribution accepted from James North.

4. Contributions Accepted for General Election

The Senate Campaign was unsuccessful in the primary held on September 20, 1988, and therefore did not participate in the general election which followed. Contributions designated for the general election in this matter therefore should have been refunded, reattributed or redesignated within the time period of sixty (60) days from the date of the primary election. See 11 C.F.R. § 110.1(b)(3)(i)(C); 11 C.F.R. § 110.1(b)(5) and 11 C.F.R. § 110.1(k)(3); See also AO 1986-17.

In response to the reason to believe findings, the Senate Committee admits that certain contributions made toward the general election, amounting to \$2,390, were not refunded within 60 days, but have been subsequently refunded.⁴ In other instances, the respondents have submitted photocopies of checks showing the contributions were actually made prior to the

primary and reflect no designation that they were intended for the general election. As a result of the meeting with staff of this Office, respondents provided a sworn affidavit from the former candidate in their April 19, 1991 response ("Response IV") stating that the remaining contributors denoted as having made general election contributions on the Senate Committee reports filed with the Commission, actually made such contributions for the primary election. See Chart at Attachment III, page 9. That affidavit states that these designations were made purely due to a computer error.

The same computer error, according to Mr. Bonker, caused a \$5,000 contribution from the multicandidate MEBA political action committee to be mistakenly reported as made for the Senate Committee general election, when it was in fact made for the primary. Having not initially utilized a LIFO analysis, the Senate Committee refunded this contribution unnecessarily, in an effort to comply with the law.

With respect to contributions that were mislabeled due to computer error, the Office of the General Counsel recommends that the Commission find reason to believe that the Bonker for Senate Committee and Gary Gayton, as

91040353925

treasurer, violated 2 U.S.C. § 434(a)(1).

RE: MUR 3063
Bonker for Senate Committee
and Gary Gayton, as treasurer

Dear Mr. Bonker:

This letter is to confirm the Federal Election Commission's receipt of the counter-proposal you submitted in the above matter on April 19, 1991. As a result of information submitted along with that counter-proposal, the Commission hereby informs you that on May 23, 1991, it found that there is reason to believe that the Bonker for Senate Committee and Gary Gayton, as treasurer ("the Committee"), violated 2 U.S.C. § 434(a)(1), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for this Commission finding, is attached for your information.

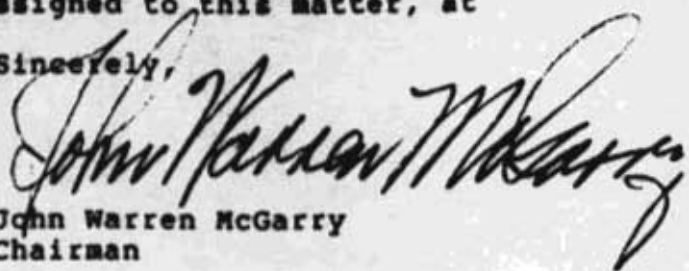

The Commission is still hopeful that this matter can be settled through a conciliation agreement. Insofar as the 30 day period for pre-probable cause conciliation has elapsed, you should respond within five days of your receipt of this notification. If a response is not received within this period, this matter will proceed to the next stage of the enforcement process.

I. GENERATION OF MATTER

The Reports Analysis Division ("RAD") referred the Bonker for Senate Committee and Gary Gayton, as treasurer ("the Senate Committee") to the Office of the General Counsel. One basis for the referral was the Senate Committee's alleged acceptance of contributions designated for the Senate general election, in which the candidate never participated, and which were not refunded, redesignated or reattributed within sixty days as required by Commission regulations.

II. FACTUAL AND LEGAL ANALYSIS

A. The Law

The Federal Election Campaign Act of 1971, as amended ("the Act"), at 2 U.S.C. § 434(a)(1) requires each treasurer of a political committee to file reports accurately reflecting the receipts of that political committee.

B. Factual Analysis

The Senate Committee reports filed with the Commission reflect acceptance of \$14,392.50 in contributions designated for the general election. Such contributions were not refunded, redesignated or reattributed within sixty days as required by Commission regulations. During the investigation into this matter, respondents have submitted the affidavit of the former

210408353931

candidate averring that these contributions were in fact made toward the primary and inadvertently credited toward the general election due to a computer error. Based on the foregoing, there is reason to believe the Bonker for Senate Committee and Gary Gayton, as treasurer, violated 2 U.S.C. § 434(a)(1).

In the Matter of)

Bonker for Senate Committee) MUR 3063

)

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission ("Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found reason to believe that the Bonker for Senate Committee and Gary Gayton, as treasurer, ("Respondents") violated 2 U.S.C. §§ 434(a)(1), 441a(a)(5)(C)(i) and 441a(f).

NOW, THEREFORE, the Commission and the Respondents, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4)(A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

2104035336

1. The Bonker for Senate Committee is a political committee within the meaning of 2 U.S.C. § 431(4).

2. Gary Gayton is the treasurer of the Bonker for Senate Committee.

3. Pursuant to 2 U.S.C. § 434(a)(1), each treasurer of a political committee shall file accurate reports of receipts and disbursements in accordance with the Act.

4. During 1987 and 1988, Respondents accepted \$14,392.50 in contributions which were reported as made toward the Washington senatorial general election. Subsequent investigation reveals that such contributions were erroneously reported for the general election, instead of the primary as appropriate, due to a computer malfunction.

5. Pursuant to 2 U.S.C. § 441a(a)(1), no person shall make contributions to any candidate or his or her authorized political committee with respect to any election for Federal office which, in the aggregate, exceed \$1,000. Pursuant to 2 U.S.C. § 441a(a)(2), no multicandidate political committee shall make contributions to any candidate or his or her authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$5,000. Pursuant to 2 U.S.C. § 441a(f), no candidate or political committee shall knowingly accept any contribution in excess of the limitations imposed by 2 U.S.C. § 441a(a)(1) and (2).

6. Under the Commission's regulations, all contributions which are excessive on their face, or which, when aggregated with contributions from the same contributor, exceed the limits of the

21040353937

Act, must be refunded, reattributed or redesignated within 60 days. 11 C.F.R. § 103.3(b)(3).

7. During 1987 and 1988, Respondents accepted \$10,863.79 in contributions from persons and multicandidate committees which were in excess of the Act's limitations, and were not refunded, reattributed or redesignated within 60 days.

2 U.S.C. § 441a(a)(1) and (2).

8. Pursuant to 2 U.S.C. § 441a(a)(5), the transfer of funds between the principal campaign committee of a candidate seeking election to two Federal offices is permitted provided that such transfer is not made when the candidate is actively seeking election to both such offices. Under the Commission's regulations, a candidate is "not actively seeking" election when the principal campaign committee has filed its termination report with the Commission, or has notified the Commission that the candidate and his or her authorized committee will make no further expenditures, except to retire debts outstanding at the time of the notification. 11 C.F.R. § 110.3(a)(2)(v)(A)(1988).

9. On September 22, 1987, Don Bonker filed a Statement of Candidacy for the House of Representatives and designated the Bonker for Congress Committee (the "House Committee") his authorized committee in that race. On January 26, 1988, Don Bonker filed a Statement of Candidacy for the U.S. Senate race in Washington, and designated the Bonker for Senate Committee (the "Senate Committee") as his authorized committee for that race.

10. On January 19, 1988, the House Committee transferred all of its cash on hand to the newly formed Senate Committee.

21040353238

11. On April 19, 1988, the House Committee filed its final report requesting termination.

V. By erroneously reporting \$14,392.50 in contributions as made toward a general election in which the Senate Committee did not participate, the Respondents violated 2 U.S.C. § 434(a)(1).

VI. By accepting \$10,863.79 in contributions which were in excess of the Act's limitations, the Respondents violated 2 U.S.C. § 441a(f).

VII. By transferring funds between the principal campaign committees of a candidate for two federal offices while such candidate was actively seeking election to both such offices within the meaning of 11 C.F.R. § 110.3(a)(2)(v)(A)(1988), the Respondents made an improper transfer. 2 U.S.C. § 441a(a)(5)(C).

VIII. Respondents will pay a civil penalty to the Federal Election Commission in the amount of one thousand five hundred dollars (\$1,500), pursuant to 2 U.S.C. § 437g(a)(5)(A).

IX. Respondents shall make all refunds, reattributions and redesignations necessary to correct this matter, and shall amend their reports so as to disclose that such actions have been taken.

X. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

XI. This agreement shall become effective as of the date that

21040353939

all parties hereto have executed same and the Commission has approved the entire agreement.

XII. Respondents shall have no more than 30 days from the date this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

XIII. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or oral, made by either party or by agents of either party, that is not contained in this written agreement shall be enforceable.
