Dear Madame Chairman:

MUR 3582

RECEIVED
FEDERAL ELECTION COMMISSION
OFFICE OF THE CLERK
92 AUG 17 AM 9:19

This letter constitutes a formal, sworn complaint pursuant to 2 U.S.C. 437 g(a) of the Federal Election Campaign Act (the "Act") and provisions of the Commission's regulations, and sets forth reasons to believe that numerous violations of the Act have been committed by the Carol Moseley Braun for U.S. Senate Committee (the "Braun Campaign"), a committee registered with the Federal Election Commission.

First, the Braun Campaign's 1992 first quarter report of Itemized Disbursements ("FEC report"), a copy which is attached, reflects that the campaign is in violation of the Act for failure to report payroll tax expenditures under the obligation to report "all disbursements" as required by 2 U.S.C. 434 (b)(4) and 11 C.F.R. 104.3 (b). Expenditures for payroll taxes are operating expenditures which are subject to the reporting requirement provisions referenced above.

However, the Braun Campaign reports reflect no disclosure of such expenditures. The reason for this is because the Braun Campaign is circumventing the reporting requirements of the Act by categorizing campaign staff salaries as "consultants' fees" as evidenced by its FEC report.

The Braun Campaign's FEC report categorizes salaries as consultant fees for the following personnel under the description "Purpose of Disbursement":

Alton Miller	Anita Bonds
Augustus Fordham	Barbara Samuels
Beverly Prather	Bruce Fisher
Chris Long	David Gullo
Desiree Tate	Helene Colvin
Jamillah Muhommed	Janice Bell
Joan Shaw	Kgosie Matthews
L'Tanya Peques	Peter McLennon
Rae Lewis	Ralph Goodpasteur

However, a document on file with the Commission labeled "Primary Expenditures-Checks By Sequential Listing From February 27, 1992 to March 31, 1992" (copy attached) contradicts the "consultant fee" description on the FEC report in that it lists the same expenditures for many of the same personnel as for "salary."

As the Commission may know, typically a campaign reflects and reports its disbursements for payroll taxes (i.e., withholding and employer's and employee's share of FICA) as a payment to a financial institution showing a description of "payroll taxes" or "payroll deposit."

In the Braun Campaign FEC report there is no reported expenditure for "payroll taxes," "payroll deposit," or the like. The round dollar amounts listed in the expenditure column is further evidence that payroll taxes are not being paid nor reported.

Copies of the attached Chicago Tribune newspaper article and the Chicago Sun-Times article, both dated Tuesday, June 30, 1992, in fact confirm that at least Sydney Faye Petrizzi (traveling aide) and Kgosie Matthews (campaign manager) are campaign staff (i.e., employees) being treated and described as "consultants" for reporting purposes (see e.g., FEC pages 22-23 of 44 and 36-37 of 44).

In short, the Braun Campaign's treatment of campaign salaries, notwithstanding the fact it evades the obligation to provide for payroll taxes pursuant to the Internal Revenue Code and regulations, circumvents the reporting requirements of the Act referenced previously. This practice continues on the subsequent FEC report.

Second, the Braun Campaign's FEC report reflects that the campaign is in violation of the Act for failure to report the "address" in connection with the "expenditure" made as required by 2 U.S.C. 434(b)(5)&(6) and 11 C.F.R. 104.3 (b)(4).

A survey of the Braun Campaign's FEC report reflects that the following expenditures list no related address:

14. Cari Davis	9 of 44	29. L'Tanya Peques	24 of 44
15. Carolyn Bay	11 of 44	30. Motorola	27 of 44

The list of those payees without addresses continues throughout the report. The above listing of omissions is merely illustrative of the violation.

Third, the Braun Campaign's FEC report reflects that the campaign is in violation of the Act for failure to sufficiently describe the purpose of certain expenditures as required by 11 C.F.R. 104.3(b)(4)(i).

For example, at pages 10 and 11 of 44 of the report, expenditures made to the candidate herself "Carol Moseley Braun" have "campaign expense - CMB" as their description of purpose. The Commission regulations expressly state at 11 C.F.R. 104.3 (b)(4)(i)(A) that "statements or descriptions such as...election day expenses, other expenses, expenses, expense reimbursements..." do not meet the necessary requirements for reporting the purpose of an expenditure. All expenses related to a campaign are by their very nature campaign expenses, and therefore, the description "campaign expense" falls within the list of inadequate descriptions expressed in the above-referenced regulation.

Fourth, the Braun Campaign's FEC report reflects that the campaign is in violation of the Act for failing to report certain expenditures within their appropriate reporting period as generally required by 2 U.S.C. 434 and 11 C.F.R. 104.3.

For example, the following expenditures reflect dates which are not within the first quarter reporting period for which the attached FEC report covers:

		<u>Page</u>
1. 36 West Randolph Building	(11/26/91)	1 of 44
2. AAA Rental Systems	(11/19/91)	1 of 44

15. Quick Cross	(12/09/91)	29 of 44
16. Ralph Goodpasteur	(12/20/91)	30 of 44

The list of expenditures reported in the wrong period continues throughout the report. The above listing is merely illustrative of the violation.

Fifth, the Braun Campaign's 1992 second quarter report of Itemized Receipts (also referred to as "FEC report"), a copy which is attached, reflects that the campaign is in violation of the Act by taking excessive contributions from numerous political committees. The Act and related regulations provide that a multicandidate political committee may contribute a maximum of \$5,000 per election to a candidate for federal office 2 U.S.C. 441 a(a)(2); 11 C.F.R. 110.2 (b)(1).

However, the Braun Campaign's FEC report reflects that numerous PAC contributions in the amount of \$5,000 designated as "Primary" are in fact general election contributions since the corresponding date of the contribution on the FEC report is post Illinois March primary. This when combined with a \$5,000 contribution from the same PAC designated as "General" constitutes an excessive, and therefore, unlawful contribution for the general election.

For example, the following PAC contributions are designated as "Primary" even though the contribution date is past the March primary.

	<u>Amount</u>	<u>Date</u>	<u>YTD</u>	<u>Page</u>
1. ALPA PAC	\$5,000	6/30/92	10,000	1
2. Am. Fed. of State, County	5,000	6/01/92	10,000	2
3. Am. Fed. of Teachers	5,000	4/16/92	10,000	3
4. Am. Nurses Assoc.	1,000	6/30/92	1,000	3
5. Assoc. of Flight Attendants	5,000	6/30/92	5,000	6
6. Committee on Letter Carriers	5,000	6/30/92	5,000	10
7. Committee on Pol. Education	5,000	5/05/92	10,000	10
8. Drive Political Refund	10,000	5/12/92	10,000	13
9. Fifth Horseman	5,000	6/30/92	10,000	17

The above list of unlawful contributions is merely illustrative. Other examples continue with Fund for a Democratic Majority (p. 18), Illinois Education Assn. - NEA (affiliated with NEA) (p. 20), Machinists Non-Part. Pol. League (p. 23), Multi-Issue PAC (p. 24), NEA PAC (p. 27), SEIU Cope (p. 32), Sierra Club (p. 33), United Food (p. 38), United Mine and Workers (p. 38).

Incidentally, there is nothing in the Braun FEC reports to indicate that the campaign had net debts outstanding on the primary date. The Braun Campaign merely seeks to unlawfully capitalize on missed contribution opportunities.

Sixth, the Democratic Party of Illinois recently ran a radio ad (copy of actual script attached) that advocated the election of Carol Moseley Braun for federal office without the requisite disclaimer.

The Act and regulations require that a communication that advocates the election of a clearly identified candidate for federal office must properly disclaim that the communication was authorized by that candidate's committee but paid for by someone else when this is the case. 2 U.S.C. 441 d(a)(2); 11 C.F.R. 110.11 (a)(1)(ii). The referenced radio script evidences this was not done.

Finally, the Braun Campaign is in violation of the Act and regulations for taking an excessive, and therefore, unlawful contribution from the Citizens for Braun committee, a campaign committee of Carol Moseley Braun apparently formed under state law.

According to a Chicago Tribune newspaper article and a Chicago Sun-Times newspaper article, both dated August 2, 1992 (copies attached), Carol Moseley Braun has borrowed \$10,000 from her Cook County recorder of deeds campaign committee to pay for "personal expenses and office equipment."

In the Sun-Times article, Braun's press secretary, David Eichenbaum, said Braun used the loan to replace her home computer and buy a fax machine and cellular phones to help her stay in contact with her family because now she is often away from her family.

Upon investigation, the FEC is likely to find that the purchase of a fax machine, cellular phones and a computer is to aid her campaign for senate. One does not need this barrage of technology to communicate with one's family. Based on information and belief, as well as the evidence presented, the "personal loan" is nothing more than a means of subsidizing Braun's senate campaign, and nothing more than a circumvention of the Act's contribution limits.

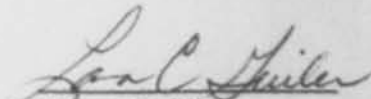

In this respect, violations of the act have occurred since under the Act a contribution is anything of value. The most Citizens for Braun, a non-federal committee, could contribute is \$1,000 since it is not a multi-candidate political committee as that term is defined under the Act. See 2 U.S.C. 441a(a); 11 C.F.R. 110.1 (a).

Based on the information set forth above, the evidence in the attached copy of the Braun Campaign's FEC reports, and the consistent pattern of disregard for the disclosure requirements of the Act, I ask that the Commission's Office of General Counsel expeditiously review this complaint and determine that it satisfies the criteria for opening a Matter Under Review into the alleged violations of the Act and Commission regulations.

Sincerely,

Jay Velasquez

Braun's assistant resigns, denying she leaked news

By Frank James

Carol Moseley Braun's campaign for the U.S. Senate has been hit by another round of staff departures, including the person who had been one of her closest aides during the primary and general campaigns.

Sydney Faye-Petrizzi, who had been Braun's assistant almost since she announced her candidacy last fall, said she quit after Braun accused her of leaking news items to reporters, which Faye-Petrizzi denied.

And Kay Clement, a longtime friend, has left the campaign's steering committee.

Clement said she left partly because of the "disruption" caused by departures such as Faye-Petrizzi's and the recent exit of Braun finance director Jan Hensley, who joined the campaign after the candidate beat Sen. Alan J. Dixon in the March 17 Democratic primary.

Braun, who would be the first African-American woman elected to the Senate, faces Republican Richard Williamson in the November general election.

Faye-Petrizzi said Braun called her last week and accused her of being the source of a news report critical

of Kgosie Matthews, Braun's controversial campaign manager.

Faye-Petrizzi said Braun told her she knew she had leaked the item. Faye-Petrizzi denied it.

After Braun told her aide that she'd be fired if there were another leak, Faye-Petrizzi quit.

"She broke my heart with this conversation," Faye-Petrizzi said. "You can't be with someone day in and day out and have them think that about you. I felt I had no other way to go."

Clement, a campaign volunteer, said she left partly due to the confusion demonstrated by the other departures. "And a campaign can always use some new blood," she said.

Braun's spokesman, David Eichenbaum, refused to discuss specifics about the departures. But he denied that they meant the campaign was in disarray.

"They've all contributed valuable services to the campaign," he said. "Carol and the rest of the campaign appreciate their efforts and we're sorry to see them go."

Several top aides left the campaign before the primary, citing problems with Matthews.

Braun's Staff Again Hit by Resignations

By Lynn Sweet

Political Writer

Carol Moseley Braun's Democratic U.S. Senate campaign has been rocked with three key resignations, her spokesman confirmed Monday, following an earlier resignation by the campaign's finance director.

Sydney Faye-Petrizzi, Braun's traveling aide on the campaign trail, resigned on Saturday after Braun accused her on Friday of "disloyalty" and of leaking information to the press.

The chairman of Braun's steering committee, Kay Clement, resigned, as did Clement's son, Adam, one of the people authorized to write checks for the campaign. Last week, campaign finance director Jan Hensley quit, reportedly over internal disputes about who was going to call the shots in fund-raising.

"It's a campaign," said Braun's press secretary David Eichenbaum. "People come and go." He declined to discuss the reasons for the departures.

A few weeks before the March primary, Braun's campaign was hit with three key resignations by staff members who said they could not work under campaign chief Kgosie Matthews. Braun has stood steadfastly by Matthews.

"I'm unhappy, sad and kind of heartbroken," said Faye-Petrizzi. She left her job as Midwest adver-

tising director for Mirabella Magazine to help Braun launch her campaign last October, working without pay for weeks. Faye-Petrizzi denied leaking any information.

Matthews was trying to determine the source of an item that appeared in Michael Sneed's Sun-Times column on Friday. A memo was posted in Braun's headquarters asking for suggestions, and someone wrote, said Sneed, "Please fire Kgosie Matthews."

On Friday, Braun called Faye-Petrizzi from California, where she was raising funds with the assistance of California House Speaker Willie Brown.

"Carol called me on the telephone and accused me of disloyalty ... of being a continuous leak to the press. ... She wasn't specific," Faye-Petrizzi said. "I resigned to her answering machine on Saturday."

Braun never returned her calls, she said.

Clement, an unpaid volunteer, said she resigned Monday "mainly because I needed time for myself." Clement was part of a group of Hyde Park independent activists who recruited Braun to run for state representative in 1978, starting her political career.

Eichenbaum confirmed that Adam Clement, who also was a volunteer, also resigned Monday from the campaign.

DRAFT RADIO AD - CHICAGO - DEMOCRATIC PARTY

"TOUCH"

VOICE: (Male)

George Bush and Rich Williamson.

They have a lot in common.

Both want our vote.

One from Kennebunkport, one from Kenilworth.

Both for the wealthy. Both long-time Washington insiders.

And both of them out of touch with Illinois.

Out of touch with middle class and working families.

Out of touch with families trying to send their kids to college.

Out of touch with people trying to pay for health care.

Out of touch with you and me.

In the 1980s, the Republicans asked us if we were better off.

George Bush...we're not better off.

We've lost our jobs.

We've watched the costs of education
and health care skyrocket.

And we're fed up with your politics as usual in Washington.

It's time for a change.

This time, we're voting for Bill Clinton,

Carol Moseley Braun and the Democratic ticket.

Democrats put people first.

Paid for by the Democratic Party of Illinois.

Braun borrows \$10,000 for personal expenses

Democratic U.S. Senate hopeful Carol Moseley Braun has borrowed \$10,000 from her Citizens for Braun campaign fund to pay for personal expenses and office equipment, her press secretary said Saturday.

Braun took the \$10,000 as a personal loan and agreed to pay back the money with 10 percent interest, said David Eichenbaum, her campaign press secretary.

Illinois law allows candidates to use money that is raised for political campaigns for personal expenses. Braun borrowed the funds in February and released the information on campaign finance reports.

Although the money does not have to be repaid, Eichenbaum said Braun expects to pay it off.

"The money is to be paid back very shortly, probably sometime this year," Eichenbaum said.

"It's something that's perfectly proper," he added.

Braun, the Cook County recorder of deeds, faces Republican candidate Rich Williamson in the Nov. 3 general election.

Carol Moseley Braun expects to pay off the \$10,000 loan this year, her press secretary says.

Eichenbaum stressed that Braun places a priority on keeping her supporters and the public informed about her campaign finances.

Braun Abided By Law in Taking Loan, Aide Says

By Mark Brown
and Chuck Neubauer
Staff Writers

A spokesman for Democratic Senate nominee Carol Moseley Braun reiterated that a \$10,000 personal loan she took earlier this year from one of her campaign funds was all aboveboard.

"She has gone above what the law requires, and she always has," David Eichenbaum, Braun's press secretary, said Saturday.

The Feb. 4 loan was reported on disclosure reports filed Friday covering the first six months of 1992.

Under Illinois law, political candidates have been allowed to spend campaign funds in any manner they choose. But the practice of converting donations to personal use has been controversial because of the potential ethical conflicts involved in pocketing money from campaign contributors.

The Internal Revenue Service requires politicians to pay taxes on campaign funds converted to personal use. Loans are not taxable if repaid with interest within a specified time.

Eichenbaum said Braun's expenses are greater because she often is away from her family. Braun is a single mother with a 14-year-old son and a mother in a nursing home, he said. To help her stay in contact with her family, Braun used the loan to replace her home computer and buy a fax machine and cellular phones. Eichenbaum said.

He said Braun signed a promissory note agreeing to repay her Citizens for Braun committee at 10 percent interest. He did not know the term of the loan but said it would be repaid shortly.

"There's really nothing extraordinary here," he said. "Everything

here is completely up front."

Braun is one of the least wealthy major politicians on the local scene. She is paid \$50,000 a year as Cook County recorder of deeds.

She also reported receiving \$8,947 last year, after deductions, from gross income of \$19,201 for serving "of counsel" to the law firm of Jones Ware & Grenard.

Braun defeated Sen. Alan J. Dixon (D-Ill.) in a three-way primary race and now faces Republican lawyer Rich Williamson in the general election.

Another politician who lent himself campaign funds, Attorney General Roland W. Burris, repaid the money with interest after coming under public criticism, according to his latest filing.

Burris, who previously had reported borrowing \$28,200 to pay into the state pension fund to increase his future retirement benefits, paid back \$32,543.

Another politician who has taken campaign funds for personal use, Senate President Philip J. Rock (D-Onk Park), reported that he paid himself \$20,000 in the last six months for "services."

A spokesman for Rock said the senator pays himself a "stipend" to make up for the amount of time he spends on political and government business because it cuts into his private law practice.

In another campaign finance development, James R. Elliott, a suburban businessman who pleaded guilty to federal bank fraud charges in the mid-1980s, donated \$10,000 to Gov. Edgar and \$5,000 to Cook County State's Attorney Jack O'Malley.

Officials of O'Malley's campaign said they would return the Elliott donation.

An Edgar spokesman said Edgar would keep the money.

Dear Mr. James:

I am writing in connection with the above-captioned complaint. The UFCW Active Ballot Club made a contribution to the Braun for US Senate Committee on June 30, 1992. This contribution was for the primary election and was so designated on the UFCW Active Ballot Club's report to the Federal Election Commission. See Attachment 1. In addition, the check sent to the Braun for US Senate Committee indicated that the contribution was for primary debt reduction.

The contribution of the UFCW Active Ballot Club was in accord with Section 110.2(b)(3)(i) of the FEC's Regulations.

If you have any additional questions, please contact me.

Re: MUR 3582

Dear Mr. James:

Enclosed is a Designation of Counsel form designating the undersigned as counsel for the American Federation of State, County and Municipal Employees, AFL-CIO (AFSCME) and its PEOPLE Committee in connection with the above-captioned matter. Please see that all correspondence and other communications with regard to this matter involving this respondent are directed to the undersigned.

The complaint in this matter was received by this respondent on August 26, 1992 and a response would ordinarily be due by September 10. However, since that is only three days after Labor Day, due to vacations and other commitments, it will be difficult to investigate the allegations of this complaint and prepare an appropriate response within that time period. Therefore, we are requesting that we be allowed an additional twenty days, to and including September 30, 1992, within which to respond to this complaint. Please advise the undersigned as soon as possible with regard to the action taken on this request.

Sincerely,

Larry F. Weinberg

Re: MUR 3582

Dear Ms. Klein:

This law firm represents the Carol Moseley Braun for U.S. Senate Committee (the "Braun Campaign") in connection with matters arising before the Federal Election Commission (the "Commission"). The candidate, Carol Moseley Braun, is the selected Democratic Party nominee seeking election to the United States Senate from the State of Illinois. We have been informed that your office has been supplied a fully executed Statement of Designation of Counsel prepared by Earl Wendell Hopewell, Campaign Treasurer.

On August 27, 1992, the Braun Campaign received your letter advising that the Commission had received a formal Complaint from a representative of the National Republican Senatorial Committee asserting various alleged violations of the Federal Election Campaign Act of 1971, as amended.

Your letter also included a summary consistent with the statutory framework, advising that the Braun Campaign may provide its written reply within fifteen (15) days after receipt of your letter.

The purpose of this correspondence is to request a brief extension of an additional period of twenty (20) days by which we may supply a written reply. The basis for this request is that our initial review reveals this Complaint consists of over seven (7)

allegations broadly summarized within five (5) pages, together with substantial Exhibits purporting to support the various allegations. It will be necessary for us to conduct an extensive review of records, consult with necessary personnel and contact certain of the organizations identified which incidently are located out of the State and finalize our reply.

The Braun Campaign is most interested in expeditiously resolving this matter. This request for extension is not interposed for purposes of delay as our response will be supplied on or before October 1, 1992.

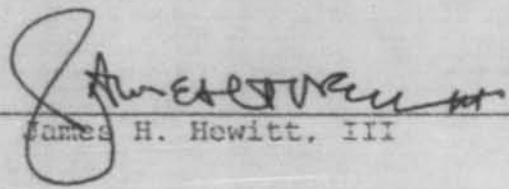

As in the past, please have Noriega James or any other member of the Commission's General Counsel staff confirm by telephone and in writing whether this request for extension has been authorized.

Thank you in advance for your favorable consideration regarding this request. You should direct further inquiry or correspondence regarding this MUR to our attention at the address and telephone number noted above.

Re: MUR 3582

Dear Mr. James:

The United Mine Workers of America - Coal Miners Political Action Committee (UMWA - COMPAC) and Secretary-Treasurer Jones deny all violations of the Federal Election Campaign Act of 1971 alleged in the Complaint filed by the National Republican Senatorial Committee (FEC Case MUR 3582).

Page four of the Complaint alleges that UMWA - COMPAC violated 11 C.F.R. 110.2(B)(1) Election Contribution Limits. Page thirty-eight of Schedule A, Itemized Receipts, filed with the FEC by the Carol Mosely Braun for U.S. Senate Committee shows a June 30, 1992 contribution by UMWA - COMPAC of \$2,500.00.

If Ms. Braun had outstanding primary debts, the \$2,500.00 would properly be listed on the primary contributions portion of her FEC report (11 C.F.R. 110.2(B)(3)(i)). If she did not have any outstanding primary debts, 11 C.F.R. 110.2(B)(3)(i) then directs a candidate's political committee to either return the remaining portion of the contribution or obtain a written redesignation from the contributor for another election.

Since UMWA - COMPAC has not violated the \$5,000.00 contribution limit imposed by 11 C.F.R. 110.2(B)(1), it is our position that the FEC should take no action against it or Secretary-Treasurer Jones.

Sincerely,

Robert H. Stropp, Jr.

This letter will confirm our conversation of September 2, 1992 in which I notified you that I would be representing the Association of Flight Attendants Political Action Committee (Flight PAC) in connection with the above-referenced MUR. I am enclosing a Statement of Designation of Counsel executed by the Treasurer of Flight PAC, Sharon E. Madigan.

This letter will also confirm that your letter dated August 21, 1992 enclosing the National Republican Senatorial Committee's ("NRSC") complaint against the Brown for Senate Committee was received by my client on August 25, 1992 as best they can determine. Accordingly, it is my understanding that a response is currently due on September 9, 1992. Unfortunately, the timing of your complaint makes a response by September 9, highly problematic. Due to pre-existing commitments, my clients and I have only today been able to meet to discuss this matter and the Labor Day holiday and necessity for me to be out of the country on business early next week necessitate a request for an extension.

As we believe the NRSC "Complaint" is more political than substantive and, as to our client, totally devoid of merit, we do not anticipate needing any more than a brief extension of time to prepare our response. Accordingly, I am requesting that we be permitted a five working-day extension, to and including September 16, 1992; although I am hopeful that our response can be made as early as late next week.

Re: MUR 3582

Dear Ms. Klein:

This replies to your letter of August 21, 1992, with which you transmitted a copy of complaint dated August 17, 1992, and Attachments, which Mr. Jay Valesquez, Legal Counsel, National Republican Senatorial Committee, sent to Chairman Joan Aikens. Mr. Valesquez believes the Braun for U.S. Senate committee may have received, and various PACs may have made, excessive campaign contributions to the Braun committee. Mr. Valesquez's complaint identified a number of PACs (not including ATLA PAC) which might have made excessive post-primary contributions. Mr. Valesquez does not specifically charge that ATLA PAC made excessive contributions either with reference to the primary election or the upcoming general election. Although your letter did not identify any possible excessive contributions ATLA PAC made with reference to those elections, you invited me to demonstrate why the Commission should not take any action against ATLA PAC or me, in my capacity as Treasurer of ATLA PAC.

ATLA PAC very carefully complies with the Act and the Commission's regulations in Title 11 CFR (as interpreted in Advisory Opinions) before it makes political contributions. After reviewing our records, it is my opinion ATLA PAC did not violate either the Act or the implementing regulations with reference to the contributions it made for the elections. The facts are simple. On June 4, 1992, ATLA PAC issued two checks, numbers 02100 and 02101, each in the amount of \$5,000 and each payable to the Braun for U.S. Senate Committee. The checks were apparently received on June 10, 1992. Check number 02100 was for the 1992 general election and it bore wording on its face that it was for the 1992 general election. Check number 02101 was intended to reduce the Braun Committee's deficit arising from the primary election and it bore wording on its face that it was to be used for that purpose. Thus ATLA PAC complied with the Commission's suggestion that contributions be designated for particular elections. 11 CFR 110.2 (b)(2)(i) and (b)(4)(i).

The Commission's regulations permit contributions to be made with reference to past elections (in this case, the primary election) to the extent that the political committee receiving the contribution has net outstanding debts (i. e., a deficit) resulting from that election at the time the contribution is received. 11 CFR 110.2 (b)(3)(i). If the contribution exceeds the net debts outstanding, the political committee receiving the contribution must either refund the excess or obtain a proper redesignation for another election. 11 CFR 110.2(b)(3)(i)(A) and (B). Responsibility for determining whether a net outstanding debt exists and the amount thereof at the time the contribution is received, is imposed upon the political committee receiving the contribution and not upon contributor. 11 CFR 110.2(b)(3)(ii).

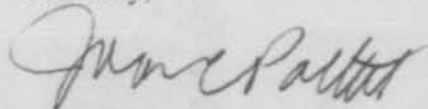

In addition to the designations on the checks, on page 2 of Schedule B of ATLA PAC's report, it is specifically stated that one contribution to the Braun for U.S. Senate Committee in the amount of \$5,000 is for the 1992 general election and another contribution in the amount of \$5,000 is to reduce the deficit the Braun committee incurred resulting from the primary campaign. Thus, the Braun Committee was aware that the \$5,000 contribution (check number 02101) was to be used solely to reduce any outstanding net debts (the deficit) arising from the primary campaign which were in existence at the time the check was received, and none of it was to be used for the general election campaign. Likewise, the Braun Committee was aware that the \$5,000 contribution made by check number 02100 was to be used solely for the 1992 general election.

The contribution made by check 02101 was the sole contribution made by ATLA PAC with reference to the primary election and the contribution made by check number 02100 was the sole contribution made by ATLA PAC with reference to the 1992 general election.

ATLA PAC is a multicandidate committee and thus may legally make properly designated \$5,000 contributions to the Braun Committee to reduce any outstanding net debts arising from the primary elections (even though made after the primary election,) 11 CFR 110.2(b)(3)(i) and also for the general election.

In my opinion, no violations of either the Act or the regulations occurred from the making of the primary deficit reduction contribution or from the 1992 general election contribution. Accordingly, I believe that the Commission would not be warranted in taking any action against either ATLA PAC or against me in my capacity as Treasurer. Rather I believe that the Commission should terminate MUR 3582 to the extent that it relates to ATLA PAC and myself.

Sincerely,

Joan C. Pollitt
Treasurer, ATLA PAC

Re: MUR 3582

Dear Mr. James:

Debra DeLee, Treasurer of the National Education Association Political Action Committee ("NEA-PAC"), has forwarded to me the complaint filed in the above-referenced MUR, together with the August 21, 1992 cover letter from Lisa E. Klein, Assistant General Counsel of the Federal Election Commission. I will be representing Ms. DeLee and NEA-PAC in this MUR, and a completed copy of the Statement of Attorney Designation is being submitted with this letter. Ms. Klein's letter indicates that my clients' response "must be submitted within 15 days of receipt of this letter." The letter was received by Ms. DeLee on August 26, 1992, which means that September 10, 1992 is the deadline date for said submission.

The complaint in MUR 3582 alleges that "numerous violations of the [Federal Election Campaign] Act have been committed by the Carol Moseley Braun for U.S. Senate Committee." Complaint at 1. Among these alleged violations is the following:

[T]he Braun Campaign's 1992 second quarter report of Itemized Receipts (also referred to as "FEC report"), a copy which is attached, reflects that the campaign is in violation of the Act by taking excessive contributions from numerous political committees. The Act and related regulations provide that a multicandidate political committee may contribute a maximum of \$5,000 per election to a candidate for federal office 2 U.S.C. 441a(a)(2); 11 C.F.R. 110.2(b)(1).

Included among the "unlawful contributions" referenced in the complaint is a \$5,000 contribution from the Illinois Education Association-NEA on June 30, 1992, which is designated

92 SEP 10 PM 3:20

RECEIVED
FEDERAL ELECTION COMMISSION
OFFICE OF GENERAL COUNSEL

for use in the general election (see attachment to complaint, SCHEDULE A, ITEMIZED RECEIPTS, at p. 20), and a \$5,000 contribution from NEA-PAC on June 30, 1992, which is designated for use in the primary election. (See, id. at p. 27)

The Illinois primary was held in March, 1992, and because, according to the complaint, "there is nothing in the Braun FEC reports to indicate that the campaign had net debts outstanding on the primary date" (complaint at p. 5), the complaint challenges the primary election designation of the June 30, 1992 NEA-PAC contribution, asserting that it is "in fact [a] general election contribution[]". (Id. at p. 4) The Illinois Education Association-NEA is an affiliate of NEA, and the two \$5,000 contributions are, therefore, combined for purposes of the contribution limit set forth in the Act. Accordingly, the complaint argues, NEA-PAC contributed \$10,000 to the Braun Committee for use in the general election, which is in excess of the \$5,000 statutory limit. Inasmuch as the foregoing are the only references to NEA-PAC that we find in the complaint, we assume that they are the basis for the statement in Ms. Klein's April 21, 1992 letter that Ms. DeLee and NEA-PAC "may have violated the" Act.

We note at the outset that the reference to a \$5,000 contribution from the "ILLINOIS EDUCATION ASSOCIATION-NEA" on page 20 of SCHEDULE A, ITEMIZED RECEIPTS, filed by the Braun Committee is in error. In point of fact, both of the \$5,000 contributions were made by NEA-PAC. Attached to this letter as Attachments A and B are copies of two NEA-PAC Disbursement Authorization Forms. These forms show a disbursement of \$5,000 to the Braun Committee on June 8, 1992 for use in connection with the "REGULAR" (*i.e.*, general) election, and a second disbursement of \$5,000 to the Braun Committee on June 17, 1992 for debt reduction in connection with the primary election. Copies of the two NEA-PAC checks in question, both of which were cashed by the Braun Committee on June 30, 1992, are attached to this letter as Attachments C and D. Also attached to this letter as Attachment E is a copy of the REPORT OF RECEIPTS AND DISBURSEMENTS for the period from June 1, 1992 through June 30, 1992 that NEA-PAC filed with the Federal Election Commission. This Report shows a \$5,000 NEA-PAC disbursement to the Braun Committee on June 8, 1992 for use in connection with the general election, and a \$5,000 disbursement to the Braun Committee on June 17, 1992 for debt reduction in connection with the primary election.

Although the latter disbursement was made subsequent to the date of the Illinois primary election, it would be allowable under the Act if the Braun Committee had net debts outstanding with respect to the primary election in excess of \$5,000 on the date that it received the disbursement. See 11 C.F.R. 110.2(b)(3)(i) and (ii). The complaint asserts that "there is nothing in the Braun FEC reports to indicate that the campaign

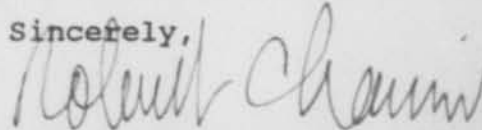

97043794333

had net debts outstanding on the primary date," Complaint at p. 5, but it was NEA-PAC's understanding that on June 17, 1992, the date the disbursement was made, the Braun Committee had an outstanding primary election debt that was well in excess of \$5,000. Attached to this letter as Attachment F is a letter, dated August 27, 1991, from Earl Hopewell, Treasurer of the Braun Committee, in which he "confirm[s] that as of March 18, 1992, the Carol Moseley Braun for U.S. Senate Campaign did, in fact, have an outstanding primary debt that exceeded \$100,000.00."

In sum, on June 8, 1992, NEA-PAC contributed \$5,000 to the Braun Committee for use in connection with the general election, and on June 17, 1992 NEA-PAC contributed an additional \$5,000 to the Braun Committee for use in retiring an outstanding primary election debt that was well in excess of \$5,000. Because these contributions were for two separate elections, NEA-PAC did not violate the contribution limit in the Act. Accordingly, the Commission should take no action against NEA-PAC in response to the August 17, 1992 complaint filed by the National Republican Senatorial Committee, and should close the file in this MUR.

If you have any questions about this letter, or if you desire any further information, please contact me.

Sincerely,

Robert H. Chanin
General Counsel

Dear Committee Treasurer:

You may have recently received notice from the Federal Election Commission of a complaint filed against the Carol Moseley Braun For U.S. Senate Campaign by our Republican senatorial opponent.

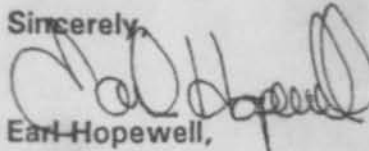

The complaint alleges, in part, that the campaign violated applicable laws by accepting contributions towards retirement of debts incurred during the primary election race.

This letter will confirm that as of March 18, 1992, the Carol Moseley Braun for U.S. Senate Campaign did, in fact, have an outstanding primary debt that exceeded \$100,000.00.

Our legal counsel will shortly forward to us a written analysis of the complaint and a detailed factual statement which will rebut all allegations in this regard. We will forward a copy of that analysis to you for your information.

We appreciate your contribution towards our outstanding primary debt and your continued support of our Candidate, Carol Moseley Braun.

Sincerely,

Earl Hopewell,
Treasurer

RE: MUR 3582

Gentlemen:

Please consider this letter as a response to the Complaint filed by Jay Velasquez on behalf of the National Republican Senatorial Committee in the above-captioned matter against the Multi-Issue Political Action Committee (MI-PAC).

I will not respond to all of the allegations contained therein because the vast majority of those allegations relate to complaints against the Carol Moseley Braun for U.S. Senate Committee and not against MI-PAC. The only indication in the Complaint filed against MI-PAC appears to be that MI-PAC made contributions to the Braun campaign for the purpose of retirement of debts incurred during the primary election race when according to the allegations, no such debts were in existence.

MI-PAC had been informed by the Carol Moseley Braun Campaign that there were debts outstanding from the primary campaign and therefore, MI-PAC in all good faith contributed toward retirement of that debt.

I am enclosing as an Exhibit a letter dated August 27, 1992 from the Treasurer of the Carol Moseley Braun Committee indicating, as they did at the time that the contribution from MI-PAC was made, that at that time the Carol Moseley Braun for U.S. Senate Committee did in fact have an outstanding primary debt that exceeded \$100,000.00.

If you have any further questions, please feel free to contact this office.

We have previously filed with you a statement of designation of counsel.

Very truly yours,

PELAVIN & POWERS, P.C.

Dear Mr. James:

On behalf of Sierra Club and Reid Wilson, as Treasurer, we request an extension of time to respond to the complaint filed by the National Republican Senatorial Committee. Due to the recent designation of Perkins Coie as counsel, we do not have an adequate opportunity to respond. An extension of time is necessary in order to review the record, have an adequate opportunity to discuss the issues with our client, collect factual information, and prepare a comprehensive response. Therefore we are requesting an extension until October 1.

Re: Association of Flight Attendants
Political Action Committee
MUR 3582

Dear Ms. Klein:

This law firm represents the Association of Flight Attendants Political Action Committee, FlightPAC ("AFA FlightPAC"), in connection with the above-referenced matter. On or about August 25, 1992, AFA FlightPAC received from you a letter dated August 21, 1992, stating that the Federal Election Commission ("FEC") had received a complaint which indicated that the AFA FlightPAC and Sharon Madigan, its treasurer, may have violated the Federal Election Campaign Act of 1971, as amended ("the Act"). As this response will show, this allegation is unfounded and the AFA FlightPAC and Ms. Madigan have, at all times, fully complied with the Act.

The complaint to which you referred in your August 21, 1992 letter, was brought by the National Republican Senatorial Committee ("NRSC") against the Carol Moseley Braun for U.S. Senate Committee ("Braun Committee"). The NRSC complaint alleged that the Braun Committee had committed numerous violations of the Act, including, inter alia, that the Braun Committee had accepted "excessive contributions from numerous political committees." In particular, the NRSC complaint alleged that the Braun Committee had received

97043794357

numerous PAC contributions in the amount of \$5,000 designated as "Primary" [which] are in fact general election contributions since the corresponding date of the contribution on the FEC report is post Illinois March primary. This when combined with a \$5,000 contribution from the same PAC designated as "General" constitutes an excessive, and therefore, unlawful contribution for the general election.

The complaint went on to list a \$5,000 contribution from AFA on June 30, 1992 as an example of a contribution designated as "Primary" although it was dated after the primary election. However, in spite of its marked references to contributions by political committees to both primary and general elections, the complaint did not, and could not, allege that AFA had made a general election contribution to the Braun Committee or had otherwise violated the contribution limitations imposed by the Act. In fact, the NRSC's own complaint indicated that the total contribution by AFA for the year to date was only \$5,000.

As you are aware, the Act prohibits contributions "to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$5,000." 2 U.S.C. 441a (a)(2)(A). This limitation applies separately to each election (2 U.S.C. 441a (a)(6)), therefore, a political committee may contribute \$5,000 to a candidate's campaign for the primary election as well as \$5,000 for the general election. As the NRSC complaint clearly indicates, however, AFA has not contributed in excess of \$5,000 to the Braun Committee in 1992. Thus, the complaint fails to even allege that AFA has violated the Act because it states on its face that AFA has not contributed in excess of \$5,000 to the Braun Committee.

The mere fact that the AFA FlightPAC contribution was made in June 1992 does not alter its lawfulness as a contribution to the Braun "primary" election campaign. The Act permits contributions to candidates after an election is over, "to the extent that the contribution does not exceed net debts outstanding from such election." 11 C.F.R. § 110.2(b)(3)(i). The AFA FlightPAC contribution was made on June 26, 1992, and was specifically and contemporaneously designated as a contribution

97043794358

for "Primary debt". (A copy of the cancelled check is attached to this letter.) As was confirmed in a September 4, 1992 telephone conversation with Braun Committee Treasurer, Earl Hopewell, the Braun Committee had outstanding primary debt significantly in excess of \$5,000 at the time the FlightPAC contribution was made.¹ Based on a conversation with FEC staff in this MUR, it appears that this representation is consistent with FEC filings and that the FEC does not contest that the Braun Committee had outstanding primary debt at the time the AFA FlightPAC primary debt retirement contribution was solicited or received. In accordance with FlightPAC's understanding that the funds were needed to retire primary election campaign debts, FlightPAC properly designated its contribution to that restricted use. Based on documents from the Braun Committee's FEC reports attached to the NRSC Complaint, the Braun Committee properly reported FlightPAC's restricted contribution. Accordingly, the contribution from the AFA FlightPAC was properly credited to the Braun primary election, and not the general election.

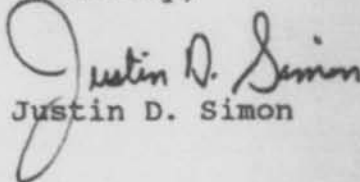

In conclusion, the AFA FlightPAC has acted at all times in a manner consistent with the Act. The NRSC's scatter-gun complaint, insofar as it pertains to the FlightPAC, shows no violation by FlightPAC, should never have been filed and should be dismissed as it pertains to FlightPAC. While we have no desire to become embroiled further in the NRSC's patently political attempt to retaliate against Braun Committee supporters, suffice it to say that had the NRSC chosen to make such baseless charges against FlightPAC in federal court

¹ In any event, even if the Braun Committee did not still have an outstanding primary debt in June 1992 when it received our client's contribution, it would have been incumbent upon the Braun Committee to either refund the contribution or obtain from the AFA FlightPAC a written redesignation of the contribution for the general election. 11 C.F.R. b(3)(i)(A) and (B). In the absence of either a refund or a request for redesignation, the AFA FlightPAC rightfully relied on the Braun Committee's earlier representation that it did indeed have outstanding primary debt. Needless to say, once a contribution has been made, the Act imposes no duty on political committees to police recipients to make certain that contributions are used in the particular manner designated by the contributor.

litigation, it would have properly been the subject of sanction under Rule 11 of the Federal Rules of Civil Procedure. While we would be willing to respond to any questions you may have, we trust that this submission is fully responsive and that FlightPAC can be spared the expense of any further involvement in these proceedings.

Sincerely,

Justin D. Simon

Re: MUR 3582
Fifth Horseman PAC and
Craig Kennedy as Treasurer

Dear Mr. Noble:

As counsel for the Fifth Horseman PAC and Craig Kennedy, as treasurer, this letter is submitted in response to a complaint filed by the National Republican Senatorial Committee ("NRSC") against the Fifth Horseman PAC regarding contributions it made to the Carol Moseley Braun for U.S. Senate Committee ("Braun Committee"). See Designation of Counsel. (Attachment 1) Specifically, the NRSC alleges that the Fifth Horseman PAC violated 2 U.S.C. § 441a(a) and 11 C.F.R. § 110.2(b)(1) because it made \$10,000 in general election campaign contributions to the Braun Committee.

Fifth Horseman PAC Properly Designated Contributions

The Fifth Horseman PAC, a qualified multi-candidate committee, did not violate 2 U.S.C. § 441a(a) because the contributions it made to the Braun Committee did not exceed the \$5,000 per election contribution limit. On May 4, 1992, the Fifth Horseman PAC contributed \$5,000 to the general election campaign of the Braun Committee. Since that contribution was made after the primary election, by operation of law, that contribution is attributable to the upcoming general election. 11 C.F.R. § 110.1(b). On June 29, 1992, the Fifth Horseman PAC contributed \$5,000 to the primary election campaign of the Braun Committee. The Braun Committee had outstanding debts from the primary election. Although the primary election contribution was made after

97043794363

Lawrence M. Noble, Esq.
September 14, 1992

March 17, 1992, the date of the primary election, it was expressly designated in writing to pay primary election debt. The June 29, 1992 contribution was accompanied by a contemporaneous statement and a notation on the contribution check that stated that the contribution was to be used to retire primary debt. (Attachment 2) Both the Fifth Horseman PAC and the Braun Committee reported the June 29, 1992 contribution as a general election contribution and the May 11, 1992 contribution as a primary election contribution. (Attachment 3)

Conclusion

Thus, under 2 U.S.C. § 441a and 11 C.F.R. § 110.2, the Fifth Horseman PAC, as a multicandidate political committee, made contributions within the contribution limit and properly reported the contributions.

For these reasons the Commission should find no reason to believe that a violation occurred.

Sincerely,

Kenneth A. Gross

Re: MUR 3582

Dear Ms. Klein:

This is in response to the complaint filed against the Machinists Non-Partisan Political League ("MNPL") in the above-referenced matter. It has been alleged that the MNPL made two \$5000 contributions to the general election campaign of Carol Moseley Braun. The allegation is factually untrue.

As the Braun campaign's report indicates, the MNPL made two \$5000 contributions to Moseley Braun, one for retirement of debt incurred in her primary campaign, and one for her general election campaign. See Report Schedule A at 23. The checks from MNPL, which are attached, corroborate the information on the Braun report: the April 16 check indicates that it is for "'92 general," while the June 22 check indicates that it is for "1992 Primary Deficit." Moreover, before the MNPL mailed the June 22 check, it was told by the Braun campaign that the campaign had a primary deficit.

Re: MUR 3582 -- Supplemental Response

Dear Ms. Klein:

Please find enclosed a copy of a September 18, 1992 letter from the Carol Moseley Braun for U.S. Senate Committee ("Braun Committee") to our client, the Association of Flight Attendants Political Action Committee, FlightPAC ("AFA FlightPAC"). The Braun Committee letter is being submitted as a supplement to the September 11, 1992 response of the AFA FlightPAC with regard to the above-referenced MUR. The Braun Committee letter confirms that at the time that the AFA FlightPAC debt-retirement contribution was solicited and the restricted contribution was made on June 26, 1992, the Braun Committee, in fact, had an existing primary election debt in excess of \$5,000. Accordingly, not only was the contribution lawfully made, it was properly designated as a contribution to the primary election.

We trust that this further submission amply demonstrates that the above-referenced MUR should be closed, insofar as it relates to our client.

Sincerely,

Justin D. Simon

Re: MUR 3582

Dear Madame Chairman:

This letter and the attached affidavit and documents are the response of the American Federation of State, County and Municipal Employees, AFL-CIO (hereinafter AFSCME) to the fifth allegation raised in the National Republican Senatorial Committee's complaint of August 17, 1992. The fifth allegation is that the Braun for U.S. Senate campaign accepted contributions to its general election campaign from AFSCME,¹ among others, in excess of the amounts permitted under federal law.

It is AFSCME's position that the allegation is entirely without merit. As detailed below, AFSCME/PEOPLE made two separate contributions to the Braun campaign. One contribution, a check in the sum of \$5,000, was designated on its face and in the accompanying writing for use in retiring primary campaign debt. A second contribution, a check in the sum of \$5,000, was designated on its face and in the accompanying writing for use in the general election.

It is perfectly legal for a multicandidate political committee to make a contribution to retire a candidate's campaign debt after the election if the purpose of the contribution is designated in writing. 11 CFR Sec. 110.2(b)(2)(i). The Commission's regulations state that the written designation may come in three forms. The regulations state:

1. Although the complaint refers to AFSCME, the contributions in question were made by AFSCME's registered multicandidate committee, AFSCME/PEOPLE.

For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if --

- (i) The contribution is made by check...which clearly indicates the particular election with respect to which the contribution is made;
- (ii) The contribution is accompanied by a writing, signed by the contributor, which clearly indicates the particular election with respect to which the contribution is made; or
- (iii) The contribution is redesignated in accord with 11 CFR 110.2(b)(5).

11 CFR 110.2(b)(4). In this case, the contribution was made by means of a check which stated on its face that it was for primary campaign debt retirement. (See affidavit of Linda Canan Stephens and attached document.) Thus, the contribution was proper under the standards set forth in 11 CFR 110.2(b)(4)(i). In addition, the contribution was accompanied by a letter, stating that it was to be used for primary debt retirement. (See affidavit of Linda Canan Stephens and attached documents.)²/ The general election contribution was designated as such in the same manner.

In addition, while the Republican Senatorial Campaign Committee claims that they are unaware of the existence of the Braun campaign primary debt (as if that were the standard), the Braun campaign has subsequently confirmed that it had over \$40,000 in outstanding debt at the time of the \$5,000 primary contribution in question. See attached Affidavit of Earl Hopewell.

2. While the checks and cover letter were prepared in mid-March, they were not delivered to the campaign until June 1, 1992. The delay was a result of difficulty in coordinating a meeting between the candidate and representatives of AFSCME.

97043794387

Ms. Joan Aikens
September 29, 1992
Page 3

For the reasons stated above, AFSCME believes that the contributions to the Braun for U.S. Senate campaign complied with all provisions of federal campaign finance law and that this complaint should be dismissed as to AFSCME.

Re: FEC MUR 3582

Dear Ms. Klein:

This letter constitutes the response of the American Federation of Labor and Congress of Industrial Organization Committee On Political Education's ("AFL-CIO COPE") to your letter dated August 21, 1992, notifying AFL-CIO COPE that the Commission had received a complaint alleging that AFL-CIO COPE may have violated the Federal Election Campaign Act of 1971, as amended ("the Act").

For the reasons stated below, the Commission should take no further action against the AFL-CIO COPE in this matter and should dismiss the complaint against AFL-CIO COPE.

The complaint alleges, inter alia, that the AFL-CIO COPE made "an excessive and therefore, unlawful contribution" to the Carol Mosely Braun for U.S. Senate Committee ("the Braun campaign"). This allegation is contrary to the facts and the law.

The facts are as follows. On March 26, 1992, the AFL-CIO COPE made a contribution of \$5,000 to the Braun campaign for the general election. This contribution was accompanied by a cover letter stating that it was for the general election and AFL-CIO COPE reported the contribution as a general election contribution on the AFL-CIO COPE's March 1992 Monthly Report. (See Attachments A and B)

On May 20, 1992, AFL-CIO COPE made a \$5,000 contribution to the Braun campaign as a primary deficit contribution. That contribution was accompanied by a cover letter stating that the contribution was designated for the campaign's 1992 Primary

97043794396

Deficit. (See Attachment C) AFL-CIO COPE reported the contribution as a primary deficit contribution on the AFL-CIO COPE's May 1992 Report. (See Attachment D)

The primary deficit contribution was made on the basis of information provided to AFL-CIO COPE by the Braun campaign indicating that the campaign had a primary debt. Moreover, as the attached affidavit of the Braun campaign reflects, the campaign did have a primary debt of \$49,416.29 on May 20, 1992, the day that AFL-CIO COPE's contribution was made. (See Attachment E)

Section 110 of the Commission's regulations provides, in relevant part, that:

A contribution designated for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election . . . 11 C.F.R. 110.2 (b) (3) (i).

AFL-CIO COPE's May 20, 1992 contribution to the Braun campaign, in the amount of \$5,000, was made on a date on which that campaign still had a primary debt, and that contribution was clearly designated as a "Primary Deficit" contribution. That contribution, therefore, was not a contribution for the general election, as alleged, and did not violate 2 U.S.C. §441a. Accordingly, the complaint against AFL-CIO COPE should be dismissed.

Sincerely,

Margaret E. McCormick

Re: MUR 3582 -- Sierra Club Political Committee
and Reid Wilson, as Treasurer

Dear Mr. Noble:

This letter constitutes the response of the Sierra Club Political Committee (the "Sierra Club Committee") and Reid Wilson, as Treasurer, ("Respondents") to the complaint filed by the National Republican Senatorial Committee on August 17, 1992. The complaint alleges that Carol Moseley Braun for U.S. Senate Committee (the "Braun Committee") accepted numerous contributions that were unlawful under the Federal Election Campaign Act, as amended, (the "Act"), 2 U.S.C. 431 et. seq.. These contributions were designated as primary contributions and made after the primary was held in March. The complaint further alleges that the Braun Committee FEC reports do not indicate that the campaign had debts outstanding after the primary date. Therefore, the complainant concludes that these contributions were not properly designated as primary contributions and must be attributed to the general election.

Contrary to these allegations, at the time Respondents made the contribution to the Braun Committee, the Braun Committee continued to have a debt from the primary election.

On May 27, 1992, Pam Goddard, Sierra Club Assistant Political Director, requested a check for the Braun Committee in the amount of \$2,000 specifically for the purpose of primary debt reduction. See Exhibit 1. The contribution was delivered to the Braun Committee on or around June 30, 1992, by a Sierra Club volunteer. At that time, it was the Sierra Club's understanding based on information from the Braun Committee that the Committee had a debt for the primary.

97043794404

Lawrence M. Noble, Esq.
October 1, 1992
Page 2

This understanding is confirmed by an affidavit of Earl Hopewell, the Treasurer of the Braun Committee. See Exhibit 2. The affidavit states that on June 30, 1992, the Braun Committee received a contribution from the Sierra Club to assist in retiring the Committee's remaining primary campaign debt. On this date, prior to the receipt of such contribution, the Braun for Senate Committee continued to have a net primary campaign debt outstanding in the amount of \$22,294. See Hopewell affidavit.

Therefore, the allegation that Respondent made and the Braun Committee accepted a contribution for the primary which was in fact a general election contribution is inaccurate and unfounded. The Sierra Club's contribution was intended to assist the Braun Committee in retiring its primary debt and was given at a time when that debt was still outstanding.

Sincerely,

B. Holly Schadler

Attn: Noriega E. James

Re: MUR 3582

Dear Sirs:

This letter should serve as formal response to your request to respond to the complaint filed in this matter.

The complaint alleges that the Committee on Letter Carriers' Political Education (COLCPE) has apparently violated the law by making a contribution to the Braun Campaign designated for the primary but made and received after the primary date.

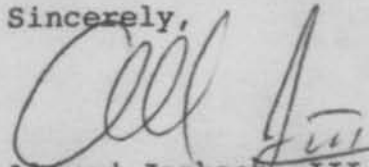

The contribution, made and received June 30, 1992, was made at the request of the Braun campaign. As of June 30, the campaign's representatives indicated that there continued to be a remaining net outstanding primary debt. COLCPE therefore designated its \$5,000 contribution for primary debt retirement.

I am in receipt of an affidavit, a copy of which is attached hereto, by Earl Hopewell, Treasurer, Carol Mosely Braun for U.S. Senate Committee.

In his affidavit, Mr. Hopewell confirms that the Braun for Senate campaign did indeed continue to have a net outstanding primary debt on the date of COLCPE's contribution to the Braun campaign. Such contributions to retire primary debts are allowed under 11 C.F.R. Section 110.1(b)(3).

Therefore, I urge the Commission to find that the Committee on Letter Carriers Political Education is without fault in this matter and has complied with all applicable laws and regulations.

Sincerely,

Re: MUR 3582

Dear Mr. James:

This letter is in response to Assistant General Counsel Lisa Klein's letter of August 21, 1992 to my client, the Service Employees International Union's Committee on Political Education ("SEIU-COPE"). The complaint mentions SEIU-COPE only briefly. However, as I understand, the allegation against SEIU-COPE is that it made a primary election contribution to the Braun campaign after the date of the Illinois primary. Of course, this is not necessarily a violation of the Federal Election Campaign Act since it is lawful to make primary contributions after the primary election provided that the contribution does not exceed the applicable contribution limit, and the contribution is used by the candidate's committee for the purpose of retiring debts incurred in connection with the primary election.

SEIU-COPE made two contributions to the Braun Committee in 1992. The first contribution was made by check dated April 13, 1992 and was designated as a contribution for the general election campaign. That contribution was reported to the FEC on SEIU-COPE's April 1992 report. A copy of the check and of the applicable page from the FEC report are enclosed. They are designated as Exhibits 1 and 2 respectively.

SEIU-COPE made a second contribution of \$5,000 to the Braun Committee by check dated May 20, 1992. The check was designated as a contribution to retire primary election debt. That contri-

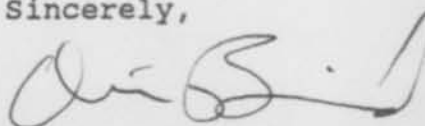

bution was reported to the FEC on SEIU-COPE's May 1992 report. A copy of the check and the applicable page from the FEC report are enclosed. They are Exhibits 1 and 3 respectively.

We have discovered that our May report indicates that the May contribution was designated on the FEC report as being for the primary rather than for the retirement of primary debt. This was an error and we have filed an amended report to reflect that the contribution was for the retirement of primary debts. The applicable page of the amendment is attached as Exhibit 4. As indicated above, the check itself indicates that the contribution was for the retirement of primary debt.

Subsequent to the filing of this complaint, we were informed by the Braun Committee that it did have primary debt sufficient to cover our contribution and that our contribution was applied to pay off that primary debt. An affidavit to that effect is attached as Exhibit 5. It has always been SEIU-COPE's understanding that there was a primary debt and that if SEIU-COPE's contribution was not needed to retire the debt it would have been returned to us.

If you have any further questions, please let me know.

Sincerely,

Orrin Baird

AFFIDAVIT OF THE TREASURER OF
CAROL MOSELEY BRAUN FOR U.S. SENATE COMMITTEE
AS TO THE CONTRIBUTION OF

TO ASSIST IN RETIREMENT OF PRIMARY DEBT

STATE OF ILLINOIS)

The undersigned, Earl Wendell Hopewell, being duly sworn,
hereby deposes and says:

1. That he is the duly designated Treasurer of the CAROL MOSELEY BRAUN FOR U.S.SENATE COMMITTEE (the "Braun for Senate Committee") and that he has served in such capacity at all times relevant to the matters referred to in this Affidavit;

2. That as of March 17, 1992, the day of the Illinois primary, the net outstanding campaign obligation of the Braun for Senate Committee was the aggregate amount of \$107,078.00, calculated on an accrual basis in accordance with 11 C.F.R. Section 9034.5, and as reasonably adjusted for congressional and senatorial primary campaign debt, as contemplated by 11 C.F.R. Section 110.1 (b) (3) (ii), Section 110.2(b) (3) (i) and Section 110.2(b) (3) (ii).

3. That on June 26, 1992, the Braun for Senate Committee received a contribution in the amount of \$ 5,000.00 represented by check number 3841 drawn on the date of May 20, 1992 from SEIU COPE FUND PCC to assist in retiring the remaining primary campaign debt of the Braun for Senate Committee, and on said date, prior to the receipt of such contribution, the Braun for Senate Committee continued to have a net primary campaign debt outstanding in the amount of \$ 56,794.00; and

4. Therefore, prior to the receipt of \$ 5,000 from SEIU COPE

on June 26, 1992, the Braun for Senate Committee continued to
experience a net primary debt to which such contribution was
applied.

Re: MUR 3582

Dear Mr. James:

This is in response to your letter of August 21, 1992 and the allegations contained therein regarding a Democratic Party of Illinois radio advertisement advocating the election of Carol Moseley Braun to the United States Senate. This response is limited to the sixth allegation of the National Republican Senatorial Committee complaint as this is the only allegation referencing the Democratic Party of Illinois. The Democratic Party of Illinois was not involved in, and therefore, cannot respond to the remaining allegations of the complaint.

A review of the text of the radio advertisement indicates that the advertisement should have contained a disclaimer regarding authorization as required by 11 C.F.R. 110.11. The staff members responsible for preparing the advertisement failed, due to an extreme time deadline, to adequately inquire as to the necessity of a disclaimer regarding authorization. This failure resulted as the Democratic Party of Illinois was beginning to expand its operation for the upcoming general election and the additional staff members were insufficiently aware of the internal procedures used by the Party to ensure compliance with the Federal Election Campaign Act and the corresponding regulations.

While the Democratic Party of Illinois admits a technical violation of 11 C.F.R. 110.11, we do not believe the Commission should expend additional resources in furtherance of this matter for several reasons. First, the radio advertisement was broadcast for a very short period of time; at most, over a two day period covering the weekend of August 1 & 2.

More importantly, however, corrective action has already been taken to ensure that the omission will not be repeated. The staff person principally responsible for preparing this advertisement is no longer involved with the Democratic Party of Illinois. Moreover, all campaign staff have been specifically instructed to obtain prior authorization from legal counsel before engaging in any campaign activity advocating the election or defeat of candidates for federal office.

Because the radio advertisement at issue in this matter was broadcast on an extremely limited basis and because corrective steps have already been taken to prevent similar occurrences, the Democratic Party of Illinois respectfully requests that the Commission take no further action regarding this allegation.

Thank you for your consideration. If you require any additional information, please do not hesitate to contact me.

92 OCT -2 AM 10:48

RECEIVED
FEDERAL ELECTION COMMISSION
OFFICE OF THE CLERK

Dear Mr. Noble:

This letter is filed on behalf of the American Federation of Teachers, Committee on Political Education ("AFT COPE") and Gregory A. Humphrey, as treasurer, in response to the Commission's notification in the above-referenced matter. This complaint filed by the Republican National Committee alleges that AFT COPE violated 2 U.S.C. 441 a(a)2 and 11 C.F.R. 110.2(b)(1) by making excessive contributions to the Carol Moseley Braun Campaign.

The complaint alleges that AFT COPE exceeded its contribution limit of \$5,000 per election as a multicandidate committee by contributing \$5,000 by check dated 4/9/92 and received on 4/16/92 (which was designated in writing to defray outstanding primary debt) and \$5,000 on 6/1/92 (which was made to support Ms. Braun's general election campaign). As the attached documentation confirms, AFT COPE properly designated these contributions and reported them in accordance with the FEC regulations. (See Attachment A.)

11 C.F.R. § 110.1 provides the rules for designation of contributions. Under 11 C.F.R. § 110.1(b)(3), contributions may be made after the date of an election if the recipient candidate has net outstanding debts and if the contribution is so designated in writing. Since the Braun Committee had net outstanding debts as of the date of receipt of AFT COPE's 4/9/92 contribution, and since the contribution was properly designated for primary debt, this complaint is utterly without merit. (See

97043794422

Lawrence M. Nobel, Esq.
October 1, 1992
Page 2

Attachment B - Affidavit of Earl Hopewell, Treasurer of Carol Moseley Braun campaign committee).

For these reasons, AFT COPE respectfully requests that the Commission find that there was no violation of 2 U.S.C. 441 a(a)(2) or 11 C.F.R. 110.2(b)(1) as the contribution was made in compliance with Federal Election Commission regulations governing contributions provided for the purpose of retiring primary debt at 2 U.S.C. (d)(3)(i) and 11 C.F.R. 102.2(4)(ii).

Please call me at (202) 463-4320 if you have any questions.

Re: MUR 3582
The Fund For A Democratic
Majority, and William C.
Oldaker, as Treasurer.

Dear Mr. Noble:

This letter is filed on behalf of the Fund For A Democratic Majority (the "Fund") and William C. Oldaker, as treasurer^{1/}, in response to the Commission's notification in the above-referenced matter. This complaint filed by the Republican National Committee alleges that the Fund violated 2 U.S.C. 441 a(a)2 and 11 C.F.R. 110.2(b)(1) by making excessive contributions to the Carol Moseley Braun Campaign.

The complaint alleges that the Fund exceeded its contribution limit of \$5,000 per election as a multicandidate committee by contributing \$5,000 by check dated 3/26/92 and received on 4/1/92 (which was designated in writing to defray outstanding primary debt) and \$5,000 on 6/3/92 (which was made to Ms. Braun's general election campaign). As the attached documentation confirms, the Fund properly designated these contributions and reported them in accordance with the FEC regulations. (See Attachment A.)

11 C.F.R. § 110.1 provides the rules for designation of contributions. Under 11 C.F.R. § 110.1(b)(3), contributions may be made after the date of an election if the recipient candidate has net outstanding debts and if the contribution is so designated in writing. Since the Braun Committee had net outstanding debts as of the date of receipt of the Fund's 3/26/92

^{1/} The FEC notification incorrectly names Cozette Washington as treasurer. William C. Oldaker is the current treasurer of the Fund For A Democratic Majority.

contribution, and since the contribution was properly designated for primary debt, this complaint is utterly without merit. (See Attachment B - Affidavit of Earl Hopewell, Treasurer of Carol Moseley Braun campaign committee.)

For these reasons, the Fund respectfully requests that the Commission find that there was no violation of 2 U.S.C. 441 a(a)(2) or 11 C.F.R. 110.2(b)(1) as the contribution was made in compliance with Federal Election Commission regulations governing contributions provided for the purpose of retiring primary debt at 2 U.S.C.(d)(3)(i) and 11 C.F.R. 102.2(4)(ii).

Re: MUR 3582

Dear Mr. James:

This is to confirm the details of our recent phone discussion in which you agreed, at our request, to an additional limited extension of fifteen (15) days by which Carol Moseley Braun; the Carol Moseley Braun for U.S. Senate Committee; and the Citizens for Carol Moseley Braun (the "Braun Respondents") may finalize its position paper in response to the allegations raised in MUR 3582.

You will recall that the ground for this extension is based on a variety of valid reasons. First, Allegation No. 1 within the Complaint asserts violation of the Federal Election Campaign Act for failure to report payroll tax expenditures under the obligation to report all disbursements required by 2 U.S.C. 434(b)(4). The Complaint asserts such "failure to report payroll tax expenditures" relate to approximately twenty five (25) current and former employees of the Carol Moseley Braun for U.S. Senate Campaign. A comprehensive effort is underway to supply the actual documentation supporting the status of these campaign workers. The evidence, once completed, will show that these individuals were either independent contractors or dedicated, committed, volunteers. This additional time is required in order to properly review personnel records and finalize this response.

You will further recall that another allegation within the Complaint concerns a radio ad that advocated the election of Carol Moseley Braun for federal office without the requisite

disclaimer. The Complaint as submitted by the National Republican Senatorial Committee failed to include copies of the script of the radio ad. After phoning your office, it was confirmed that the script of the radio ad had not been included within the original Complaint and was not supplemented by the FEC Docket Department. You conscientiously faxed a copy of this purported script to our office on September 23, 1992. Our initial review of the purported script has confirmed that text, while substantially similar, is not identical to the advertisement that was presented over the airways. Thus, more time is required to confirm these essential details and finalize our formal response.

You have advised of your intent to confirm this requested extension to respond to the Complaint filed in this matter. Accordingly, we expect that the Braun Respondents' formal reply is due by the close of business on October 15, 1992.

Thank you for your courtesy and cooperation.

Very truly yours,

Re: MUR 3582

Dear Mr. James:

On September 8, 1992, I sent you the response of my clients, the National Education Association Political Action Committee ("NEA-PAC") and Debra DeLee, Treasurer of NEA-PAC, in the above-referenced MUR. In that response, I explained that the \$5,000 contribution that NEA-PAC made to the Carol Moseley Braun for U.S. Senate Committee on June 17, 1992 was "for use in retiring an outstanding primary election debt that was in excess of \$5,000." With specific regard to the assertion in the complaint that "there is nothing in the Braun FEC reports to indicate that the campaign had net debts outstanding on the primary date," Complaint at p. 5, I attached to my September 8, 1992 response (as Attachment F) a letter, dated August 27, 1992, from Earl Hopewell, Treasurer of the Braun Committee. In his August 27, 1992 letter, Mr. Hopewell "confirm[s] that as of March 18, 1992, the Carol Moseley Braun for U.S. Senate Committee did, in fact, have an outstanding primary debt that exceeded \$100,000.00."

In supplementation of my September 8, 1992 response with regard to the latter point, I have attached to this letter an affidavit from Mr. Hopewell. In his affidavit, Mr. Hopewell affirms that on June 30, 1992, the date on which the Braun Committee received NEA-PAC's June 17, 1992 check for \$5,000, "the Braun for Senate Committee continued to have a net primary campaign debt outstanding in the amount of \$27,294.00," Hopewell Affidavit at ¶ 3, "to which [the NEA-PAC] contribution was applied." Re: MUR 3582

Dear Mr. James:

We have been requested to serve as counsel to the American Nurses Association PAC (ANA-PAC) concerning the above-captioned matter. Enclosed herewith is a Statement of Designation of Counsel.

Our review of this matter indicates that there has been no violation of the Federal Election Campaign Act of 1971 on the part of ANA-PAC or any of its officers or agents.

The notification letter of August 21, 1992 addressed to ANA-PAC by the Federal Election Commission does not set forth any specific alleged violations of the Act by ANA-PAC. Instead, the notice simply encloses a copy of the complaint letter, dated August 17, 1992, filed by the National Republican Senatorial Committee (NRSC). The matters concerning ANA-PAC appear to be set forth at page 4 of that letter. The general allegation is that numerous PACs had contributed amounts of \$5,000 designated as "Primary" contributions which were in fact general election contributions because they were received after the March primary date. It is then alleged that these primary contributions, when combined with general election contributions, constituted an excessive and unlawful contribution by the various PACs to the general election campaign.

It appears in the NRSC complaint letter, itself, however, that the only contribution made by ANA-PAC to the Braun campaign was a check in the amount of \$1,000 dated May 26, 1992. A copy of the check (both front and back) is enclosed. These facts have also been confirmed by the Affidavit of Earl Wendell Hopewell, Treasurer, Carol Braun for U.S. Senate Committee, a copy of which is also enclosed. Based on these documents, there does not appear to be any violation of the Federal Election Campaign Act for excessive campaign contributions by ANA-PAC as alleged in the NRSC complaint letter filed with the Commission.

We would appreciate being advised if there is any further information the Commission requires in order to determine that the ANA-PAC has not violated the Act in connection with its contribution to the Braun campaign.

Sincerely yours,

Nicholas S. McConnell

Re: MUR #3582, Fifth Horseman Political Action
Committee and Craig Kennedy, as treasurer

Dear Mr. Noble:

Enclosed please find an affidavit executed by Earl Wendell Hopewell, treasurer of Braun for U.S. Senate. The affidavit confirms that at the time the Fifth Horseman Political Action Committee made a contribution to Braun for U.S. Senate to retire primary debt, the Braun campaign had net debt outstanding.

This affidavit further substantiates that the Fifth Horseman Political Action Committee did not exceed the contribution limit in making two \$5,000 contributions to Braun for U.S. Senate. Accordingly, we reassert that the Commission should find no reason to believe that the Fifth Horseman PAC violated the law.

Respectfully submitted,

Re: MUR 3582

Dear Ms. Klein:

The purpose of this correspondence is provide to the Federal Election Commission (the "Commission" or the "FEC") the formal response of Carol Moseley Braun ("Ms. Braun" or the "Candidate"); the Carol Moseley Braun for U.S. Senate Committee, and Earl W. Hopewell, as Treasurer (the "Committee" or the "Campaign"); and Citizens for Carol Moseley Braun and Carol Moseley Braun, as Treasurer (the "State Committee") (hereinafter collectively referred to as the "Braun Respondents") to the Complaint numbered MUR 3582, submitted by the National Republican Senatorial Committee ("NRSC").

By letter, dated October 5, 1992, the undersigned attorneys for the Braun Respondents, received an extension to respond to the Complaint in this matter. Accordingly, this formal response is due by the close of business on October 15, 1992 and is being filed in accordance with this authorized extension.

The following explanatory information, and attached Exhibits, under oath, should demonstrate that no action should be taken by the FEC against any of the Braun Respondents as to any of the allegations contained in MUR 3582.

I. INTRODUCTORY STATEMENT.

A. The Procedure Utilized by the NRSC to Leak The Complaint (later identified as MUR 3582) to the News Media.

At the outset, we believe it useful to inform the FEC of the manner by which the Braun Respondents initially learned of this Complaint. As you are aware, 2 U.S.C. Section 437g(a)(4)(B) and Section 437g(a)(12)(A) contemplate that the Commissions' inquiry into any matter under review shall remain confidential. In obvious disregard for the integrity of this confidential process, on or about August 16, 1992, the Braun Campaign Press Secretary, David Eichenbaum, began receiving a series of questions from various media representatives inquiring about the allegations identified in the Complaint. It seems that copies of the Complaint, together with Exhibits, later identified and numbered MUR 3582, were left anonymously at the press table at the Republican National Convention in Houston, Texas. Since the FEC had not advised of its receipt of this Complaint and without being supplied a courtesy copy by members of the NRSC, the Complainant intended to use this as an opportunity to attempt to embarrass the Braun Respondents by disingenuously leaking these allegations among the many members of the print and electronic media covering the Republican National Committee Convention in Houston, Texas. Media inquiries have continued through the present date. However, we have advised our clients that information derived in connection with any MUR will not become public without the written consent of the Respondents and the Commission. See 2 U.S.C. 437g(a)(4)(B) and 437g(a)(12)(A). The Braun Respondents intend to abide by these provisions and therefore shall keep this matter confidential until such time as the appropriate portions of the file of this matter are ready for disclosure to the general public. We are completely confident that the FEC will scrupulously observe this important confidentiality requirement.

B. Essential Background regarding the Carol Moseley Braun for U.S. Senate Campaign.

On November 19, 1991, Carol Moseley Braun formally announced her intent to seek the senatorial nomination of the Democratic Party for the State of Illinois. At that time, scores of supporters, in and around Chicago and throughout the State of Illinois, began organizing for the Candidate and taking spontaneous initiatives in this support. Generally, these supporters were average Illinois voters who had not administered and who had not formally participated in activities relating to a Federal senatorial campaign, but were energized by Ms. Braun's candidacy.

Assistant General Counsel

Page 3

From the very beginning, Carol Moseley Braun, was given little, if any, real chance by established party leadership of earning the party's nomination. Faced with the grim reality of pursuing this effort, the Candidate was on the verge of withdrawing out barely a month after announcing her candidacy. With a campaign treasury that sometimes failed to reach four (4) figures, no media coverage, no formal campaign office and blunt dismissals from established party leadership, Carol Moseley Braun trotted out regularly at campaign appearances creating a ground swell of enthusiasm of her own -- in a style quite apart from traditional campaign methods. Nevertheless, the weekend before the primary, recognized establishment sources, having endorsed the incumbent Senator Alan J. Dixon, predicted he would win easily.

Then came election day, March 17, 1992. In a stunning upset, Carol Moseley Braun beat incumbent Senator Alan J. Dixon and was declared the Democratic party nominee for U.S. Senate in Illinois.

The view shared by many was that Carol Moseley Braun and her campaign for U.S. Senate defied conventional wisdom earning 38% of the vote beating Dixon's 35% and challenger Albert Hofield's 28% of the vote. Carol Moseley Braun, who ran an under funded campaign was declared the victor against two (2) rivals with multi-million dollar war chests.

In the paragraphs below, the Braun Respondents will provide verifiable background information and factual and legal analyses which challenge and negate the seven (7) allegations contained in the Complaint. Generally, as the NRSC, or the complainant, should have been aware from its review of the FEC filings of the Campaign, many of the assertions set forth in the Complaint have been remedied through amended filings with the Commission. For the following reasons and based on the record already before the Commission, the Braun Respondents respectfully urge the Commission to reject the allegations contained in the Complaint and close the file in this matter.

II. Discussion.

- A. The Complaint Alleges Violation of the Act for Misrepresentation of Employees as Consultants and the Failure to Report Payroll Tax Expenditures under the Obligation to Report all Disbursements As Required By 2 U.S.C. Section 434(b)(4) and 11 C.F.R. 104.3(b). (Cited as Allegation No. 1 of the NRSC Complaint).

The Complaint erroneously asserts that the Campaign is circumventing the reporting requirements by categorizing campaign staff salaries as consultant fees as evidenced by the filed FEC Reports. 11 C.F.R. 104.3(b) describes the obligation that "each Report shall disclose the total amount of all disbursements for the reporting period". The Campaign is fully aware that such categories of disbursements under 11 C.F.R. 104.3(b)(2) includes such payroll tax expenditures. Simply put, the Campaign has not violated its duty to disclose the total amount of all disbursements i.e. payroll taxes, as none have been deducted by the Campaign. A variety of good and lawful reasons support this conclusion.

During the early days of the Campaign effort, the Candidate, Carol Moseley Braun, asked for support from those willing to help her with the vision to win the Illinois Democratic Party senatorial nomination. With no real ability to seriously promise Campaign supporters generous compensation, Carol Moseley Braun, appealed to her supporters to be a part of an effort to help make history. The Braun supporters enthusiastically accepted this appeal and implemented their work, not as typically compensated Campaign supporters, but much like a grass-roots organized militia pursuing a crusade. Thus, the personnel identified in the Complaint may be separated into several categories. The first category relates to those individuals retained by the Campaign as independent contractor - consultants. The second category relates to individuals serving as volunteers who have received payments in the form of subsistence stipends. The third category involves a discussion of individuals who are actually commercial vendors which furnished political paraphernalia and/or printing services.

1. Independent Contractors

During the early Campaign days, because of limited finances, the absence of office space and a change in designation of Senior Campaign Consultants and Strategists, various groups of consultants, having significant Campaign experience, were contacted for assistance. Almost universally, many of the various consultants agreed to become (and were) affiliated with the Campaign with full understanding that their fees would be satisfied and their expenses would be reimbursed as revenues became available

Assistant General Counsel

Page 5

to the Campaign. Thus, it was understood that these consultants would be permitted to work for other entities or other campaigns, so long as no conflict of interest would develop. Some consultants withdrew from the Campaign with little, if any, advance notice (because of cash flow or other difficulties); and because there was no campaign office, consultants were permitted to establish their own hours, either at their own office or at temporary housing facilities. As the Campaign effort energized and greater financial support became available, the Campaign was able to establish a base of operations from which to function. This reality - did not take a solid foundation until January, 1992. Thus, most persons affiliated with the Campaign were retained as independent contractor-consultants. The amounts reflected in the Campaign's FEC Reports should reflect paid consultant fees and the reimbursement of expenses. No payroll taxes were deducted from these amounts as it is the National Treasurer's intention to prepare and give each consultant an IRS Form 1099. In fact, any consultant paid for services by the Campaign during 1991 has already received a Form 1099. Attached hereto under Exhibit A, is a summary of information for consultant services provided; affected time frame and consulting fees and expense reimbursements, paid by the Campaign during the first quarter, 1992 for the following individuals¹:

Janice Bell	Chris Long	Beverly Prather
Anita Bonds	Z. Kgosie Matthews	Barbara Samuels
Helene Colvin	Peter McLennon	Joan Shaw
Bruce Fisher	Alton Miller	Desiree Tate
David Gullo	Jamillah Muhommed	Robert Walsh
Rae Lewis	Sydney Faye Petrizzi	Velma Wilson.

2. Volunteers

As stated, many supporters, who lacked professional political skill or political experience, viewed themselves as part of a popular, state-wide groundswell movement and began to volunteer their services to help wherever possible. The policy of the Committee during the primary campaign period was to attempt to reimburse volunteers for meals, parking and travel costs, if the individual supplied 10 or more hours service to the Campaign. This reimbursement policy, in a very real, practical sense, took place only when sufficient, unencumbered funds were available.

¹The Campaign acknowledges that the FEC Reports as currently filed inadvertently characterize the payments for these individuals as salary. These references should be viewed as technical in nature which may be more accurately reflected in an amended report to be filed with the Commission.

Lisa E. Klein, Esq.
Assistant General Counsel
October 14, 1992
Page 6

Generally, the Committee made such subsistence reimbursements expense in accordance with 11 C.F.R. 116.5(b)(1) as expenditures for personal living expenses related to a particular individual traveling on committee business, such as food or lodging.

The listing of summary information for volunteers, including a description of the services provided and subsistence stipends provided during the first quarter of 1992 are attached under Exhibit B for the following individuals²:

Reggie Fisher
Augustus Fordham
Ralph Goodpasteur
Zandra Henry
L'Tayna Pegues.

3. Commercial Vendors

Finally, certain of the individuals identified in the Complaint are actually commercial vendors who furnished a variety of political paraphernalia and printing goods and services to the Campaign. During the early days of the Campaign, it appears that disbursements were made payable to the principals rather than to the actual vendor entity. A listing of the information for identified vendors, a description of the services provided and payments supplied during the first quarter of 1992 are attached under Exhibit C for the following individuals³:

Samuel Ackerman, Principal, Ackerman & Associates
Roger Lee d/b/a Roger Lee & Carol Beddo,
Incorporated.

* * *

For these reasons, the Braun Respondents respectfully request that the Commission find there was no violation of 2 U.S.C.

²The Campaign is in the process of amending its FEC Reports to more accurately reflect these payments as the actual description of disbursement - subsistence stipends.

³Again, the Campaign acknowledges that the FEC Reports as currently filed inadvertently characterize the disbursements for these individuals as salary. These references should be viewed as technical in nature which may be accurately reflected by an amended report to be filed with the Commission containing the name and address of the vendor, including the purpose of the disbursement.

Section 434 (b)(4) or 11 C.F.R. 104.3(b) as the Campaign reports disclose the total amount of all disbursements for the reporting period.

- B. The Complaint Alleges that the Carol Moseley Braun FEC Report Reflects Violation of the Act for Failure to Report the "Address" in Connection With The Expenditure as Required by 2 U.S.C. Section 434(b)(5) and (6) and 11 C.F.R. 104.3(b)(4) (cited as allegation No. 2 in the NRSC Complaint); and
- C. The Complaint Alleges that the Carol Moseley Braun FEC Report Reflects That There Exists Violation of the Act for Failure to Sufficiently Describe the Purpose of Certain Expenditures as Required by 11 C.F.R. 104.3(b)(4)(i) (cited as Allegation No. 3 in the NRSC Complaint).

As both of these allegations concern alleged failures to adhere to the Commission's reporting requirements for campaign expenditures, these matters will be jointly discussed under this section.

The NRSC letter claims that the Committee has failed to report and list the addresses on expenditures as required by 2 U.S.C. Section 434(b)(5) and (6) and 11 C.F.R. 104.3(b)(4). As purported examples, the letter lists numerous items including consultants and vendors. Further, the Complaint alleges that the "purpose" of the campaign expenditure has not been reported as required by 11 C.F.R. 104.3(b)(4)(i).

As the Commission is undoubtedly familiar, in enacting the Federal Election Campaign Act amendments of 1979, Public Law No. 96-8187 (the "Act"), Congress explicitly recognized the impossibility of requiring absolute compliance with the numerous reporting and recordkeeping requirements of the Act. This recognition is inherent in the "best efforts" expectation, which is embodied in 2 U.S.C. Section 432(i).

The best efforts test provides as follows:

- (a) When the Treasurer of a Political Committee shows that best efforts have been used to obtain, maintain, and submit the information required by this Act for the Political Committee, any report or any record of such Committee, shall be considered in compliance with Act...

October 14, 1992
Page 8

2 U.S.C. Section 432(i)(1976) (See also 11 C.F.R. Section 104.7(a)).⁴

The Complaint refers to the reporting of Campaign operating expenditures for the first quarter of 1992, which covers expenditures from January 1, 1992 through March 31, 1992. During this time-frame, two (2) FEC Reports were required to be filed. As Ms. Braun was a candidate in a primary election, the first report, due February 26, 1992, reflected activities for the period January 1, 1992 through February 26, 1992.

⁴The Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as Treasurer, pursued an aggressive internal program to insure maximum, feasible compliance with applicable law as well as the FEC regulations. These substantive efforts include, among other activities:

1. The Committee established its operational structure by designating a well-respected certified public accountant (licensed in Illinois, Michigan and Wisconsin) as Treasurer and by retaining legal counsel experienced in FEC matters, who, together established a system of internal operations and fiscal controls to be implemented through the office of the Treasurer on a daily basis;
2. The Treasurer and legal counsel developed policies and procedures to train staff to carry out key functions;
3. The office of the Treasurer developed a comprehensive financial control manual for organizational disbursement accounts, which manual comprehensively sets forth financial responsibilities regarding organizational accounting activities for disbursements. This comprehensive document served as an accounting procedures manual designed to provide full reporting and compliance information to volunteers. Moreover, in order to assist and educate those volunteers, who had been identified, in addition to providing the procedure's manual, telephone assistance and support were provided by representatives of the Committee.

Lisa E. Klein, Esq.
Assistant General Counsel
October 14, 1992
Page 9

A second report was due on March 31, 1992, reflecting activity for the period February 27, 1992 through March 31, 1992.

Significantly, both reports noted herein were timely filed by the Braun Campaign. In accordance with the process anticipated under the best efforts tests, both of these Campaign reports were amended, as clarifying information became available. Specifically, the February 26, 1992 report was amended on three (3) occasions. First, on March 11, 1992; next, on April 9, 1992; and finally, on April 26, 1992. The Campaign requests that the Commission acknowledge that no violation exists as these assertions have been remedied through amended filings.

Further, the March 31, 1992 report was amended once after it was initially filed. In fact, on April 14, 1992, on the eve the March 31, 1992 report was due, the National Treasurer contacted a FEC Senior Report Analyst to advise of sudden flood conditions which suddenly struck the Chicago, Illinois Loop business district area. The National Treasurer conscientiously followed the FEC recommendation to submit the summary reports which were complete with the understanding that an amended report would be forthcoming in the required regulatory format. Unfortunately, an Executive Order of Mayor Daley closed business and denied access to Campaign records for a seven (7) day period. See Exhibit D. Once electrical power was restored and professional activity resumed, the March 31, 1992 report was amended and filed with the FEC on July 16, 1992.

In an incredible fashion, the NRSC Complaint does not make any reference to the amended filings prepared by the Campaign. The Braun Campaign has filed and supplied this required information in complete compliance with the best efforts tests. Thus, any assertion that the Braun Campaign has failed to report either the "address" or the "purpose" in connection with certain expenditures is not well-founded.

- D. The Complaint Alleges That the Campaign FEC Report is in Violation of the Act for Failing to Report Certain Expenditures Within Their Appropriate Reporting Report as Generally Required by 2 U.S.C. Section 434 and 11 C.F.R. 104.3 (Cited As Allegation No. 4 in the NRSC Complaint).

The Braun Campaign utilized the professional services of a firm providing software to assist in its required reporting. The computer program developed by Grassroots Systems, Inc., an outside vendor based in Bethesda, MD, was designed to facilitate reporting

and control in compliance with the Act and related regulations. This program was utilized by the Braun Campaign as well as a variety of other federal campaigns. See Exhibit E.

Grassroots Systems, Inc. sold several programs to campaigns around the country which apparently had an error in the software. Grassroots Systems, Inc. corrected the error and sent out updated disks to all affected campaigns. The updated disks repaired the problem for everyone, but the Braun Campaign. This software program contained a flaw which prevented the proper reporting of expenditures. As a result, such expenditures were not readily or timely brought to the attention of the Braun Campaign Staff. Once apprised of the oversight, the Braun Campaign filed amended reports, as soon as feasible and practicable.⁵

Thus, the "best efforts rule" as acknowledged in the Act should have its most significant applicability where the Braun Campaign is obliged to provide information from persons wholly outside the Treasurer's or the Campaign's control. Individuals in a contractual relationship with the Braun Campaign cannot be considered to be within the Campaign's control only to the extent that they adhere to and are bound by the contractual relationship. Where the ability of the vendor falls short of the desired expectations, the Braun Campaign should not be held accountable for adverse sanctions under the Act. To hold the Braun Campaign responsible for any and all inadvertent errors would effectively abrogate the "best efforts" provision of the Act, a result Congress did not intend when it incorporated this section into the Act. Thus, there should be no reason to believe finding or no probable cause finding to believe that the Braun Respondents have violated 2 U.S.C. Section 434(b)(3)(B).

⁵Another reason for the delay in reporting this data was due to a power surge experienced by the computer system in April, 1992. When the Chicago Loop area infrastructure experienced a sudden flood, the electrical power within the Campaign offices was turned off without notice for purposes of safety, assessment and repair. When Campaign staff regained access, it confirmed that the data base had been damaged by a sudden surge of electrical power. Even so, Campaign workers have been diligently working towards reconstructing this data.

E. The Complaint Alleges that the Campaign Violated 2 U.S.C. Section 441a(a)(2) and 11 C.F.R. 110.2(b)(1) by Accepting Excessive Contributions From a Multi-Candidate Political Committee. (Cited As Allegation No. 5 in the NRSC Complaint).

The Complaint asserts that checks received from certain political action committees ("PACs") after March 17, 1992, listed as primary checks, are attempts to circumvent the \$5,000.00 per election PAC contribution limitation. As the Commission is familiar, the Act and related regulations provide that a multi-candidate political committee may contribute a maximum of \$5,000.00 per election to a candidate for federal office. 2 U.S.C. Section 441a(a)(2) and 11 C.F.R. Section 110.2(b)(1).

It is perfectly legal for any multi-candidate political committee to make a contribution to retire a candidate's campaign debt after the election if the purpose of the contribution is designated in writing. 11 C.F.R. Section 110.2(b)(4). The Commission's regulations state that the written designation may come in three different forms. The regulations state:

For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if --

(i) The contribution is made by check ... which clearly indicates the particular election with respect to which the contribution is made;

(ii) The contribution is accompanied by a writing signed by the contributor, which clearly indicates the particular election with respect to which the contribution is made; or

(iii) The contribution is redesignated in accord with 11 C.F.R. Section 110.2(b)(5).

11 C.F.R. Section 110.2(b)(4). In this case, each contribution was made by means of a check which stated on its face or was accompanied by a writing signed by the contributor which clearly designated the particular election with respect to which the contribution is made. In all instances herein, no contribution was received by virtue of a redesignation.

Attached hereto as Exhibit F is the Statement of Net Outstanding Primary Campaign Obligations as prepared by Earl W.

Hopewell, National Treasurer which summarizes that as of March 17, 1992, the day of the Illinois Primary, the net outstanding Campaign obligation of the Braun for U.S. Senate Committee was the aggregate amount of \$107,078.00. This sum was calculated on an accrual basis in accordance with 11 C.F.R. Section 9034.5 and as reasonably adjusted for congressional and senatorial campaign debt as contemplated by 11 C.F.R. Section 110.1(b)(3)(ii), Section 110.2(b)(3)(i) and Section 110.2(b)(3)(ii).

Treasurer Hopewell has further confirmed to each affected contributor that whenever a contribution was received from a multi-candidate political action committee, to assist in retiring the remaining Campaign primary debt, on the date of request and prior to the receipt of such contribution, the Braun for Senate Committee continued to have a net Campaign primary debt⁶. As such, there exists no readily discernable appearance of impropriety on the face of these contributions. The Braun Campaign's acceptance of these amounts were that they were both lawful and within prescribed statutory limits. Thus, the Braun Campaign's acceptance of these amounts should not be deemed as any violation of the Federal Campaign Act.

F. The Complaint Alleges That The Campaign Violated 11 C.F.R. 110.11(a)(1)(ii) for Failing To Properly Disclaim That A Radio Ad Paid For By The Democratic Party Of Illinois Was Authorized By The Carol Moseley Braun for U.S. Senate Committee. (Cited As Allegation No. 6 In the NRSC Complaint).

The Complaint alleges that a copy of the actual script of the purported radio ad was attached as an Exhibit to the Complaint. Through apparent inadvertence, the legal counsel for the NRSC neglected to supplement the Complaint by supplying the Commission with a copy of this Exhibit. Thus, after a telephone inquiry within the Office of the FEC General Counsel, a copy of this "draft radio ad" was supplied for our review.

Upon receiving this Exhibit, the Braun Campaign immediately undertook an investigation to confirm the validity of the statements contained therein. Further, since the Exhibit indicates that it is a "draft", it is doubtful that it is the actual script of a radio ad which was presented by the Democratic Party of Illinois on or about July 31, 1992. Indeed, our research has

⁶Treasurer Hopewell has further confirmed the specific amount of outstanding debt at the time of the primary contribution in question to each multi-candidate political action committee, by affidavit, copies of same are attached hereto under Exhibit G.

confirmed that while substantially similar, the text is different from the script of the actual radio ad. The thrust of the ad clearly reflects criticism directed toward George Bush in connection with a visit of the President to Illinois on this date. The ad attempts to highlight and promote Democratic values in general. Significantly, the ad only mentions the Candidate, Carol Moseley Braun, on one occasion in the third last line of the script. Presidential Candidate Bill Clinton is included on one occasion within the last line of the script. In closing, the ad states "Democrats put people first" and stated it was paid for by the Democratic Party of Illinois.

The Braun Campaign acknowledges that 2 U.S.C. Section 441(a)(2) and 11 C.F.R. 110.11(a)(1)(ii) provide that the ad should contain an appropriate disclaimer if it is, in fact, authorized by the Braun Committee. The Braun Committee was aware that the ad would be run and believed that the appropriate disclaimer would be included within the text of the script. You should be aware that the radio ad played for only one day on a limited number of radio stations in the Chicago area. Apparently, any reference that the ad was authorized by the Carol Moseley Braun for U.S. Senate Committee was not included within the text of the actual radio ad. With respect to this allegation, we ask that the Commission acknowledge that the absence of this disclaimer, was done without wilful or deliberate violation of the Act. While we acknowledge that this violation could be deemed to be technical in nature, in view of the limited nature of this violation and the proper ordering of Commission resources, we urge that no further action be taken at this time. Alternatively, the Braun Campaign is fully prepared to discuss this matter further through an attempt at pre-probable cause conciliation and resolution.

- G. The Complaint Alleges That The Campaign Has Violated The Act by Accepting An Excessive Contribution as Defined Under 2 U.S.C. Section 441a(a) And 11 C.F.R. 110.1(a) From The Citizens For Carol Moseley Braun, A Non-Federal State Committee. The Complaint Further Alleges That The State Committee Has Violated The Act By Making An Excessive Contribution to a Committee for a Candidate Seeking Federal Office. (Cited as Allegation No. 7 in the NRSC Complaint).

This allegation is premised on several news articles which report that Carol Moseley Braun has borrowed \$10,000.00 from the State Committee for "personal expenses".

Lisa E. Klein, Esq.
Assistant General Counsel
October 14, 1992
Page 14

By way of essential background, on February 4, 1992, Citizens for Braun, the State Committee for Carol Moseley Braun as Cook County Recorder, made a loan to Ms. Braun for certain personal reasons. Such loan is memorialized by a Promissory Note and requires interest at ten percent (10%), payable annually, and is expected to be paid in full on December 31, 1992. See Exhibit H. Under Illinois Campaign law, such loans are commonplace and are legally permissible.

Despite what was reported through media sources, the proceeds of this loan were used by Ms. Braun solely for personal purposes, unrelated to the Campaign. Through due diligence, the undersigned legal counsel have confirmed that Carol Moseley Braun, a lawyer, earns a respectable living as Cook County Recorder and was previously able to supplement her income by pursuing permissible outside consulting. Generally, her lifestyle is considered as comfortable, but by no means wealthy. She is a single parent raising a 15 year old son, Matthew. Given the time-consuming nature of any statewide campaign, Ms. Braun was unable to use her time and talents pursuing other consulting assignments and was not able to satisfy certain individual and family expenses for herself and educational related expenses for her son, Matthew. The Candidate, Carol Moseley Braun, has confirmed these facts by affidavit attached hereto as Exhibit I. Any suggestion that these funds were used to further her federal campaign effort or to keep in touch with members of her family during this campaign period were not accurate representations of the use of these loan proceeds. The Braun Respondents acknowledge that certain press reports suggest such uses as reported by the Campaign Press Secretary. It is believed that the Press Secretary inadvertently presented an explanation without fully consulting with the Candidate. Thus, on this basis, the Braun Respondents urge that no finding of any violation of federal campaign finance law has occurred.

III. CONCLUSION.

On behalf of our clients, Carol Moseley Braun, the Carol Moseley Braun for U.S. Senate and Earl W. Hopewell, as Treasurer, Committee and Citizens for Carol Moseley Braun and Carol Moseley Braun, as Treasurer, we urge the Commission to enter a finding that there is no reason to believe that the Braun Respondents have violated the Act; and find no probable cause to believe or take further action in MUR 3582.

Daley: Someone 'dropped ball' on leak

After being let out of work early Monday, a wave of commuters fills a Union Station platform. Extra trains were used to handle the rush.

Tunnel problem was spotted
some time ago, mayor says

By Robert Davis
and John Kass

The disastrous flood that hit downtown Chicago on Monday began as a small and seemingly harmless leak that was detected at least a week earlier by city workers.

The seepage was considered routine at the time it was spotted, and plans were made to make repairs from within the tunnel.

But before the work began, the leak grew into a flood that sent more than 250 million gallons of murky Chicago River water coursing through a turn-of-the-century underground tunnel system and up into the subgrade levels of buildings throughout downtown.

Early Monday, the seepage became a torrent that roared through a hole in the roof of the tunnel that runs beneath the river's bed. By the time stunned city workers lowered a sonar device into the river to measure the breach, the hole had grown to the size of an automobile.

City officials said that a South Side firm identified as Great Lakes Dredge and Dock had done work last year, between June and September, in the river near the site of the leak. But officials said they haven't determined whether that work was related to the seepage discovered by city workers in recent days.

Mayor Richard Daley on Monday night said that earlier construction work in the area was being considered as a possible culprit and acknowledged that city employees knew about the leak "a

number of days or a number of weeks" ago, adding that those employees had, as a reporter's question put it, "dropped the ball."

"The information was filed in the system," Daley said. "Each and every person who had information will be accountable to me." See Flood, pg. 12

Following efforts to seal the breach in the old freight tunnel system, workers will attempt to cut off the water flow by isolating the damaged area. Steel plates will be cut into the tunnel on land on both sides of the Chicago River sealing off the water's entry into the tunnels.

drifts into millions

By Steven Morris

The whirlpool that sucked water through a largely forgotten tunnel into the basements of Chicago's business district also created a financial undertow that will siphon off hundreds of millions of dollars in sales and profits.

The losses go far beyond the property damage, which will be substantial.

As thousands of Loop workers left for home early Monday, boxes of clothes and appliances in store basements were becoming water-logged, hotel rooms were emptying out, banks were unable to process transactions and potential travelers to the city were changing their plans.

For every 100,000 workers who were sent home, downtown business would lose \$80 million to \$106 million, said Samuel R. Mitchell, president of the Chicago Land Chamber of Commerce. State

employment records indicate that more than 200,000 people work in the flood-impacted downtown area south and east of the Chicago River north of Adams Street.

If by Tuesday the work stoppages are confined to the hardest-hit area between Adams and Washington Streets, which contain 50,000 workers, the direct economic impact should be down to \$40 million to \$53 million per day, Mitchell said.

Mitchell was handicapped in his attempts to keep track of developments Tuesday because his office is at 200 N. LaSalle St. "Even though we weren't taking any water, they notified us that they were shutting off the power. I've been working out of my pocket ever since."

A retail analyst estimated the stores on or near State Street would lose a total of \$1 million to

City faces torrent of problems

It may be weeks before life returns to normal downtown

By Stevenson Swanson and Laurie Goering

By the end of one of the most extraordinary days in Chicago history, a hole in the bottom of the Chicago River had been apparently plugged, but the Herculean task of returning life and business in the Loop to normal had barely begun.

And the work will go on for more than a week. A dramatic and unprecedented project to drain some 250 million gallons of flood

water out of the freight tunnel system by connecting it to the Deep Tunnel will take at least eight days to construct, an official of the Metropolitan Water Reclamation District said Monday evening.

Plans have not yet been made for what may need to be done inside the tunnels, which hold fiber-optic telephone lines and electrical cables, to deal with water damage and possible pollutants left behind.

Also, Commonwealth Edison Vice President Donald Perkus said late Monday that electricity could

be out for 24 to 48 hours in the area bounded by the Chicago River on the north, Adams Street on the south, Michigan Avenue on the east and Dearborn Street on the west. However, electricity had been restored to about 20 downtown buildings that had not been heavily flooded.

Peoples Gas spokesman Ed Joyce said 14 buildings had gas service cut off due to flooding, and reconnections will be delayed until

Evacuation order strikes Loop workers like day off from school

By Steve Johnson and Christine Hawes

After failing in her attempts to visit the Art Institute, the new Chicago public library and Carson Pirie Scott's State Street store, Jenice Barton approached a police officer helping with Monday's exodus from the Loop.

"Sir, I'm a visitor to this city," began the San Antonio resident. "Is this a normal thing?"

Many events that would be extraordinary elsewhere pass for everyday occurrences here. Monday's subterranean flood in the heart of America's third largest city was not one of them.

It was unusual because, except for a handful of janitors in building basements and those workers and onlookers who spent the day staring at twin whirlpools in the Chicago River, none of the hundreds of thousands affected by the

Great Chicago Flood of 1992 ever saw any water.

It was unusual because one of the country's densest urban areas, a domain of concrete and steel, was placed at the mercy of the forces of nature.

And it was unusual because an evacuation of the Loop—a business district that employs hundreds of thousands of people—proceeded in an orderly and sometimes even graceful fashion.

As the offices emptied, there was little sense of the alarm or panic usually associated with major disasters. Although there were some tense moments as office workers negotiated darkened high-rise stairways, and although bottom-line types at hundreds of businesses were moaning about lost productivity, more typical was the humor and even giddiness with which many greeted the unexpected holiday.

"I feel like a kid getting out of school because of snow," said Mary Shannon, an Illinois Bell employee from Oak Park waiting for a midday train at the packed North Western station. "This is great."

A few restaurants dispensed free food rather than let it spoil in refrigerators that had no power because of the electrical blackout. Transit authorities gave free rides.

Earl Hopewell
Carol Mosely Braun For Senate
36 W. Randolph
Suite 500
Chicago, IL 60601

Dear Earl:

I'm in receipt of your fax dated 5/2/92.

As I told Ira last week, we found that our latest FEC module had a bug last March. We sold several programs to campaigns around the country with this bug in the software. We fixed the bug and sent out update disks to all affected campaigns. The update disk fixed the problem for everyone else but you.

When we restored your program files, on our system, we thought you had given us a virus, because we immediately began experiencing flaky performance on our own machine. We ran virus detection software and found none. We did however, find the existence of hidden files that you were unaware of. Someone has tampered with your machine, and we are currently trying to discern exactly what they did to it. We are working with you despite the fact that you have not paid for the right to get support from us.

While we are willing to work with your campaign to fix this problem, I need to have the matter of your continued non-performance resolved.

We are crazy about your candidate. It is for this reason that we have been lenient regarding collection of the outstanding balance. Technically, your use license for THE ELECTION MACHINE® expired on March 18, and your continued use of it without renewal is unauthorized.

We would like for you to upgrade to our multiuser version, and are willing to grant you a 15 day evaluation period before the upgrade payment will become due.

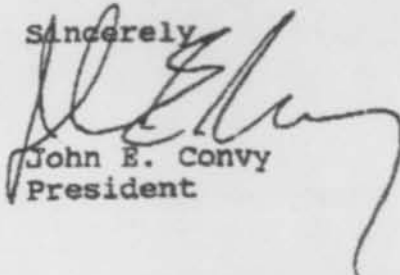

The matter of the outstanding \$1500. balance is a different case. Please understand that I insist on your fulfillment of that obligation immediately, no matter what you decide to do about a multiuser program, and will pursue collection by whatever means are necessary.

The 3rd problem that you list is caused by the existence of duplicates in your files. These must be merged before aggregates will work correctly.

If you decide to upgrade to our multiuser version, we need for you to purchase some basic training for your staff. It has become obvious to us that they have not read the manual, or even explored all the various capabilities of the software. It is important that they all understand some basic do's and don'ts. The creation of duplicates is a prime example of the pitfalls of "flying blind".

I have no doubt that we can resolve the sabotaged data problems. Technical staff at both the Democratic Senatorial & Democratic Congressional Campaign Committees have offered to assist us in this effort.

Sincerely,

John E. Convy
President

Dear Ms. Klein:

This is in response to your correspondence dated October 8, 1992 concerning MUR 3582 which was received by our office on October 13, 1992.

The Air Line Pilots Association Political Action Committee, ALPA-PAC, FEC ID# C-00035451, made its initial contribution to the Carol Moseley Braun for Senate Committee on May 26, 1992 in the amount of \$5,000, allocated to the 1992 general election. A partial copy of our May 1992 monthly FEC report is attached containing the pertinent pages.

Our Government Affairs Department was subsequently advised by the Braun staff that the Braun campaign had a primary debt in excess of \$100,000. A notarized statement from Earl Hopewell, the Braun Committee Treasurer, is attached which attests to this information.

Our Committee then made an additional donation to Ms. Braun's campaign to help repay that primary debt. The \$5,000.00 contribution was dated June 29, 1992 and was allocated to the 1992 primary debt. A partial copy of our June 1992 monthly FEC report is attached containing the pertinent pages, as well as a copy of the canceled check which was clearly directed to primary debt payment.

We believe these documents show that our committee was in full compliance with all FEC regulations and, further, that no action should be taken against our Committee.

If you have any questions, or need additional information, please contact me or Kelly Hardy of our staff at (202) 797-4033. We would appreciate a copy of the Commission's analysis of this MUR as soon as it is completed.

I. GENERATION OF MATTER

This matter was generated by a complaint filed by Jay
Velasquez, Legal Counsel for the National Republican Senatorial

97043794685

Committee, alleging violations of various provisions of the Federal Election Campaign Act of 1971, as amended (the "Act"), by Carol Moseley Braun for U.S. Senate and Earl W. Hopewell, as treasurer (the "Braun campaign" or the "Committee"), and implicating others, including the Illinois Democratic Party and Stewart R. Winstein, as treasurer.¹

The complaint alleges numerous reporting violations, receipt of excessive contributions, and failure to have a disclaimer on a radio advertisement, paid for by the Democratic Party of Illinois and authorized by the Braun campaign. Responses to the complaint have been received by the Braun campaign, see Attachment 1, and the committees that are alleged to have given excessive contributions.

We note that the Commission approved an audit of the Braun campaign on March 23, 1993. See 2 U.S.C. § 438(b). Although the Braun campaign has challenged the validity of the audit under FEC v. NRA Political Victory Fund, 6 F.3d 821 (D.C. Cir. 1993),

Other respondents notified because they were implicated in the complaint include: Air Line Pilots Association Political Action Committee, American Federation of State, County and Municipal Employees, American Federation of Teachers Committee on Political Education, American Nurses' Association Political Action Committee, Association of Flight Attendants Political Action Committee, Committee on Letter Carriers Political Action Fund, Fifth Horseman Political Action Committee, Fund for a Democratic Majority, Machinists Non-Partisan Political League, Multi-Issue Political Action Committee, Sierra Club Political Committee, Active Ballot Club, A Dept. of United Food & Commercial Workers International Union, United Mine Workers of America - Coal Miners Political Action Committee, Service Employees International Committee on Political Education Campaign Committee, National Education Association Political Committee, Association of Trial Lawyers of America Political Action Committee, AFL-CIO Committee on Political Education.

petition for cert. filed, -- U.S.L.W. --, (U.S. Jan. 18, 1994) (No. 93-1153), the Commission reconstituted itself on November 9, 1993 and then ratified its prior determination to audit the Braun committee.

II. FACTUAL AND LEGAL ANALYSIS

A. Reporting and Recordkeeping Violations

2 U.S.C. § 434(a) requires reporting of receipts and disbursements. 2 U.S.C. § 434(b)(4) requires the Braun campaign's reports to disclose the "total amount of all disbursements" for the reporting period and calendar year, including expenditures to meet candidate or committee operating expenditures. 2 U.S.C. § 434(b)(4)(A).

2 U.S.C. § 434(b)(5)(A) requires that each report filed under this section of the Act shall disclose the name and address of each person to whom an expenditure in an aggregate amount or value in excess of \$200 within the calendar year is made by the reporting committee to meet a candidate or committee operating expense, together with the date, amount, and purpose of such operating expenditure. 2 U.S.C. § 434(b)(6) further requires that an authorized committee report the name and address of each person who has received any disbursement not disclosed under 2 U.S.C. § 434(b)(5).

2 U.S.C. § 434(b)(5)(A) also requires the reports to list the purpose of an operating expenditure. 11 C.F.R. § 104.3(b)(4)(i)(A) defines "purpose" as "a brief statement or description of why the disbursement was made." The "purpose" of an expenditure would include "salary." Id. Statements or

97043794687

descriptions such as "advance, election day expenses, other expenses, expense reimbursement" would not meet the requirements of the regulations for reporting the purpose of an expenditure. Id.

2 U.S.C. § 434(a) details the filing requirements of receipts and disbursements. Specifically, 2 U.S.C. § 434(a)(2)(A)(iii) requires that the political committee file quarterly reports in any calendar year during which there is a regularly scheduled election.

When the treasurer of a political committee shows that best efforts have been used to obtain, maintain, and submit the information required by the Act for the political committee, any report or any records of such committee shall be considered in compliance with the Act. 2 U.S.C. § 432(i). Concerning receipts, the treasurer will not be deemed to have exercised best efforts to obtain, maintain, and submit the records unless he or she has made at least one written effort per transaction to obtain a duplicate copy of the invoice, receipt or canceled check. 11 C.F.R. § 102.9. With regard to contributions, the treasurer will not be deemed to have exercised best efforts to obtain the required information unless he or she has made at least one effort per solicitation either by a written request or by an oral request documented in writing to obtain such information from the contributor. 11 C.F.R. § 104.7.

1. Failure to Report Payroll Tax Expenditures

The complaint challenges the Committee's failure to report any payroll tax expenditures as a violation of 2 U.S.C.

97043794688

§ 434(b)(4) and 11 C.F.R. § 104.3(b). The complaint argues that the Committee is "circumventing the reporting requirements of the Act by categorizing campaign staff salaries as 'consultant fees'" in its reports. In support of its position, the complainant notes that in a sequential listing of Committee expenditures filed with the Commission, the Committee identifies many of the same expenditures as "salary" payments.²

Counsel for the Committee acknowledges that the Committee's sequential listing filed with the Commission inaccurately described payments to individuals as "salary" payments, and urges such references to be viewed as technical errors which "may be more accurately reflected in an amended report to be filed with the Commission." The Committee filed numerous amended reports in the 1991-92 cycle, and some amended reports identify disbursements to various individuals as, for example, "consultant fees." See Attachment 3.

In its response, counsel for the Committee classifies people working for the Committee into three categories: independent contractors, commercial vendors, and volunteers who received

2. The Braun campaign filed with the Commission a document labeled "Primary Expenditures-Checks By Sequential Listing From February 27, 1992 to March 31, 1992." See Attachment 2. According to the RAD Senior Analyst who analyzed the Braun Committee's reports, the sequential listing was filed in place of the first quarter disclosure report due on April 15, 1992 because a flood in Chicago prevented the Braun Committee from completing the required report. The sequential listing is incomplete in that it lacks some of the contents required under Section 434(b) of the Act. The sequential listing includes only the name of the payee, amount, date, and purpose as information about the expenditures. After receiving a Request for Further Information from RAD, the Braun campaign submitted the first of several amended reports on July 16, 1992.

97043794689

reimbursements. The Committee explains that the primary campaign was a grassroots effort and that the candidate's supporters responded to an appeal "to be part of an effort to help make history" rather than to serve as typically compensated campaign workers. The Committee claims that it did not have a payroll of campaign workers. Thus, the Committee maintains that it did not incur any payroll tax and none had to be disclosed on its reports.

The Committee inaccurately reported the "purpose" of expenditures as "salary" on the Committee's sequential listing, which was accepted instead of the first quarter report. The Committee clarified that these expenditures were "consultant fees" on the amended reports, but these amendments were not filed until months later. This Office recommends that the Commission find reason to believe that the Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 434(b)(4) for misreporting the purpose of expenditures.

2. Failure to Report Addresses and Purpose in Connection with Expenditures

The complainant has cited at least thirty names of persons to whom expenditures were made, but for whom no related address is listed. The complaint suggests that the thirty names lacking addresses were merely indicative of violations, and that there may have been other names of persons to whom expenditures were made for which no related address is listed. The complainant also alleges that the Braun Campaign failed to describe the purpose of expenditures made to the candidate as required under 11 C.F.R.

9704379469C

§ 104.3(b)(4)(i)(A), and cites as an example expenditures identified as "campaign expense - CMB."

The Committee claims that it cured these problems by amending its reports. The Committee in its response did not specify which of its 28 amended reports allegedly cured the defects, but this Office notes that the first amended report to include addresses on disbursement pages was filed April 10, 1992, after the primary election. Moreover, while the Committee provided the addresses for the disbursements in question in a report filed after the primary election, it still did not clarify the purpose of disbursements for many entries.

The respondent also argues that it used its "best efforts" to obtain the appropriate addresses as required by 2 U.S.C. § 432(i). However, it has not provided any evidence of those efforts either in its amended reports or in response to the complaint. There is no definition in the Act or the regulations of what constitutes best efforts specifically with regard to disclosing expenditures. In fact, the regulation concerning best efforts, 11 C.F.R. § 104.7, details steps to be taken to satisfy the best efforts requirement for contributions received by committees, but is silent with regard to disbursements. This may be attributable to the fact that contributions may be submitted to committees without the necessary information, whereas committees presumably have the requisite information on hand for its own expenditures. In any event, although the filing of amended reports to complete the public record may be considered a mitigating factor, it does not vitiate the violation.

97043794691

The Committee has not shown that it substantially complied with the disclosure requirements, nor has it attempted to explain its procedures for obtaining, maintaining, and submitting the required information. This Office, thus, recommends that the Commission find reason to believe that the Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. §§ 434(b)(5) and (6).

3. Failure to Report Expenses During Reporting Period

The complainant alleges that the respondent listed expenditures from the fourth quarter of 1991 in the first quarter of the 1992 reporting period in violation of 2 U.S.C. § 434(a)(2)(A)(iii). The Committee acknowledges that it disclosed its expenditures late, but contends that the delay was due to a computer software error. In this case, Grassroots Systems, Inc., the manager of the Committee's database, listed several reasons that the Committee's software malfunctioned in a letter to the Committee. See Attachment 4. As Grassroots explained in that letter, the software problem was due in part to the Committee's own mistakes and noted that the Committee had hidden files and duplicates in the files that it created. Additionally, Grassroots stated that it had become obvious that the campaign staff had "not read the manual, or even explored all the various capabilities of the software." Id. In light of the information provided by the Committee, its failure to report its 1991 fourth quarter expenditures does not appear to have been caused solely by a

97043794692

computer software problem beyond its control. In any event, even if the alleged software problem existed, it would not vitiate the reporting violation, but at best, mitigate it.

In short, it appears that Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 434(a)(2)(A)(iii) by filing disclosure reports containing activities outside the proper reporting period.³

B. Excessive Contributions

1. Excessive Contributions from Political Committees

2 U.S.C. § 441a(a)(2) prohibits multicandidate political committees from contributing more than \$5,000 per election to a candidate for federal office or his authorized political committee, and no candidate or political committee shall knowingly accept any contribution in violation of the provisions of 2 U.S.C. § 441a. 2 U.S.C. § 441a(f). Contributions may be designated for a particular election, and contributors are encouraged to designate their contributions in writing for particular elections. 11 C.F.R. § 110.1(b)(2)(i). "In the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made" is the election for which the contribution is considered to have been made. 11 C.F.R. § 110.1(b)(2)(ii). "A contribution designated in writing for a particular election,

3. The Committee again stated that it filed amended reports and complied with the "best efforts" requirement. As noted earlier, p. 7, the Committee has not provided any evidence of what efforts it undertook to comply with the requirement. Furthermore, the Commission has not applied the best efforts rule to reports of expenditures, only to reports of contributions.

but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election." 11 C.F.R. § 110.1(b)(3)(i). To determine the net debts outstanding for a particular election, the treasurer of the candidate's authorized committee shall calculate net debts outstanding as of the date of the election. 11 C.F.R. § 110.1(b)(3)(ii).

The complainant alleges that the respondent accepted contributions after the primary election which were actually directed toward the general election and therefore constitute excessive contributions when combined with other contributions received for the general election. The Committee acknowledges receipt of post-primary contributions which it contends were properly accepted and reported as primary election contributions since they were used to reduce the debt from the primary campaign.

The Committee has submitted statements of the amount of debt the Committee purportedly had as of the date of the receipt of each contribution at issue. In addition, the Committee's statement of debt, which is not notarized, shows the net outstanding primary campaign obligation as \$107,078.24 as of March 18, 1992. See Attachment 5. The Committee's Listing of Primary Related Disbursements by Expense Category states that the total PAC contributions to offset the primary debt was \$106,500, leaving a net remaining debt of \$578.24. See Attachment 6. The Committee also submitted affidavits from its treasurer that attested to the contributions of 18 PACs and averred that prior to the receipt of the contributions, the Committee continued to experience a net

97043794694

primary debt to which such contributions were applied.⁴ See Attachment 7.

97043794695

It does appear that many of the PACs actually designated the contributions in question for the primary election based on copies of canceled checks from various PAC respondents that were enclosed with their responses. However, it is still unclear whether other PAC contributions were made to reduce the primary deficit. Some of the PACs' disbursement schedules filed with the Commission plainly show "P" designations for their contributions to the Braun Committee while others do not. For example, in one affidavit, the treasurer of the Braun Committee averred that the Chrysler Political Support Committee, a multi-candidate political committee, contributed to reduce the primary deficit. However, the Chrysler Political Support Committee's disclosure reports show that the multicandidate PAC made two \$1,000 contributions to the Braun Committee and that both were designated for the general election. However, it appears that the Braun Committee applied one of these contributions to the primary debt without the written consent of the contributor.

4. The Committee submitted such statements for the contributions from the Air Line Pilots Association PAC, American Federation of State, County & Municipal Employees AFL-CIO, American Federation of Teachers, American Nurses Association PAC, Association of Flight Attendants, Association of American Trial Lawyers PAC, Chrysler Political Support Committee, Committee on Letters Carriers PAC, Committee on Political Education, Communication Workers of America COPE PCC, Drive Political Fund, Fifth Horseman PAC, Fund for a Democratic Majority, I.L.G.W.U. Campaign Committee, Kids PAC, Inc., Lawyers for a Better Government, Machinist Non-Partisan Political Committee, and Multi-Issue PAC. The total contributions are less than \$107,078.24, the alleged net outstanding primary debt.

97043794696
In yet another instance, the treasurer of the Braun Committee averred that the Lawyers for a Better Government made a contribution to retire the campaign's primary debt. The disclosure reports for this committee, however, show no contribution to the Braun campaign. Although the complainant suggests that these post primary receipts resulted in the acceptance of excessive contributions, the instances cited reveal that the actual problem may have been how the contributions were reported by the Committee. This Office therefore recommends that the Commission find reason to believe that Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 434(b)(2).

With regard to the contributing committees, this Office initially notes that whether the Braun campaign actually had an outstanding primary debt remains to be determined. If such a debt existed as represented by the campaign, the contributions lawfully could have been made as the aggregate individual PAC contributions were within the limits established by Section 441a(a)(2). Moreover, many of the contributing committees have responded that they relied on the Braun Committee's representation of outstanding debt in making their contributions. See Attachment 11. In MUR 3420, the Commission took no action against contributors who had relied on similar representations of the soliciting committee. Accordingly, this Office recommends that the Commission take no action as to the PAC contributors identified in the complaint and close the file as to them.

2. Excessive Contributions from Citizens for
Carol Moseley Braun

In addition to Section 441a(a)(2)'s limitations on multicandidate political committees, 2 U.S.C. § 441a(a)(1)(A) prohibits other persons from making contributions to any candidate and his or her authorized political committees with respect to any election for federal office which exceed \$1,000. Furthermore, any candidate who receives a contribution, or any loan for use in connection with the campaign of such candidate for election, shall be considered as having received the contribution or loan, as an agent of the authorized committee of such candidate. 2 U.S.C. § 432(e)(2).

The Act prohibits corporations and labor unions from making contributions or expenditures in connection with any election for federal office, and for any person or committee to knowingly accept any such contribution or expenditure. 2 U.S.C. § 441b(a). Political committees shall either (1) establish a separate federal account in which only funds subject to the Act's prohibitions and limitations may be deposited and which shall make all disbursements, contributions, expenditures and transfers in connection with federal elections; or (2) establish a single account for both federal and nonfederal activity which shall receive only contributions subject to the prohibitions and limitations of the Act. 11 C.F.R. § 102.5(a)(i) and (ii).

Any committee which makes expenditures aggregating in excess of \$1,000 during a calendar year is defined as a political committee, subject to regulation under the Act. 2 U.S.C.

97043794697

§ 431(4)(A). All committees shall file a statement of organization within 10 days after becoming a political committee within the meaning of Section 431(4). 2 U.S.C. § 433(a). 2 U.S.C. § 434 enumerates reporting requirements for treasurers of political committees, including a schedule of when reports must be filed and a list of the contents that must be disclosed.

All contributions made or received by more than one affiliated committee shall be considered to be made or received by a single political committee. 11 C.F.R. § 110.3(a).⁵ Affiliated committees sharing a single contribution limitation include all of the committees established, financed, maintained, or controlled by the same person or group of persons. 11 C.F.R. § 110.3(a)(2)(v).

Citizens for Carol Moseley Braun is the state committee for Carol Moseley Braun as Cook County Recorder, and as such is subject to Section 441a(a)(1)'s \$1,000 limit. The complainant alleges that Citizens for Carol Moseley Braun loaned the candidate \$10,000 to pay for personal campaign expenses and office equipment. The Committee does not dispute that a loan was made to the candidate from the nonfederal committee, but Respondents argue that the loan was only for personal expenses and not for the Senate campaign. To support this assertion, Respondents rely on an affidavit of the candidate, purportedly affirming that the candidate used the loan only for personal expenses. However, only

The Commission previously has considered whether funds contributed to a candidate during a campaign that are designated specifically for the candidate's personal (and family) living expenses would be subject to the limits and prohibitions of the Act and Commission regulations. The Commission has held that funds provided to a candidate to be used solely for personal living expenses and subsistence of the candidate and her family are contributions for purposes of the Act. See Commission Response to Advisory Opinion Request 1976-84 and Advisory Opinions 1978-40 and 1982-64. The Commission articulated several factors in support of its conclusion that the funds were contributions under the Act: receipt of funds for living expenses would free-up other funds of the candidate for campaign purposes, the candidate would have more time to spend on the campaign instead of pursuing his or her usual employment, and the funds would not have been donated but for the candidacy. Advisory Opinion 1982-64. Here, all three factors apply to candidate Braun. The candidate's response even admits that the candidate needed money because she was unable to pursue her usual employment. See Attachment 1 at 14.

According to the most recent reports on file with the Illinois State Board of Elections, covering the period ending June 30, 1993, Citizens for Carol Moseley Braun (State I.D. L1200)

9704379470C
has never been repaid for the \$10,000 it loaned the candidate.⁶ Given that a loan was made to the candidate during the height of her campaign and has yet to be repaid, and without any evidence of the actual use of the money, it is fair to assume that the loan was applied to subsidize living expenses. Moreover, given the affiliated committee status of the candidate's nonfederal and federal committees, contributions from contributors to both committees would need to be aggregated under 11 C.F.R. § 110.3. It is unclear whether contributions to these affiliated committees were aggregated, and if so, whether they were within Section 441a's limits. In addition, funds used by Citizens for Carol Moseley Braun to make the loan may have contained contributions from prohibited sources in violation of 2 U.S.C. § 441b(a) since Illinois law permits acceptance of unlimited contributions from corporations and labor organizations as well as unlimited contributions from individuals. Finally, it would appear that the nonfederal committee, Citizens for Carol Moseley Braun, became a federal political committee, and as a result, was subject to the registration and reporting provisions of the Act when it loaned \$10,000 to the federal Braun Committee.

6. The Illinois reporting requirements do not necessitate continuous reporting of debts and obligations owed to the state committee. There is an unitemized receipt of \$1,200 listed on the state committee's report of December 31, 1992 in the box where loan repayments received would be entered. Therefore, it is possible that the loan was partially repaid in 1992, but was definitely not fully repaid by December 31, 1993. In fact, according to the June 30, 1993 mid-year and December 31, 1993 year-end reports filed with the Illinois State Board of Elections, Citizens for Carol Moseley Braun did not list any receipts for the calendar year of 1993.

In light of the foregoing, this Office recommends that the Commission find reason to believe that the Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 441a(f) and 2 U.S.C. § 441b(a); that the candidate, Carol Moseley Braun, as an agent of the Committee, violated 2 U.S.C. § 441a(f); and that Citizens for Carol Moseley Braun and Carol Moseley Braun, as treasurer, violated 2 U.S.C. § 441a(a)(1)(A), 2 U.S.C. § 441b(a), 2 U.S.C. § 433(a), and 2 U.S.C. § 434.

C. Failure to Display a Disclaimer

2 U.S.C. § 441d(a)(2) requires that whenever a person makes an expenditure for the purpose of financing communications expressly advocating the election of a clearly identified candidate, such communication if paid for by other persons but authorized by a candidate, or its agents, shall clearly state that the communication is paid for by such other persons and authorized by such authorized political committee.

The complainant alleges that the Democratic Party of Illinois ("DPI") ran a radio ad that advocated the election of Carol Moseley Braun for Senate without the required disclaimer. The Committee and DPI acknowledge that the ad, which was paid for by DPI, lacked a disclaimer but contend that the lack of disclaimer was an inadvertent and technical violation of a limited nature. The Committee argues that the advertisement only ran one day on a limited number of stations. Similarly, the state party committee states that corrective action has already been taken to ensure that the omission will not be repeated, although it does

97043794701

not state specifically what actions were taken. In light of the foregoing, this Office recommends that the Commission find reason to believe that the Democratic Party of Illinois and Stewart R. Winstein, as treasurer, violated 2 U.S.C. § 441d(a)(2). In its response, the Braun campaign admitted a violation and requested preprobable cause conciliation on the disclaimer issue. However, because the Braun campaign did not finance the communication, this Office recommends that the Commission find no reason to believe that Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 441d(a).

This Office recommends that the Commission proceed with its enforcement of the complaint against the Democratic Party of Illinois for violation of 2 U.S.C. § 441d(a)(2). This Office will seek to ascertain the information that may facilitate preprobable cause conciliation, such as the frequency of giving the ad and the breadth of its dissemination, and make a recommendation later.

III. PENDENCY OF AUDIT

As noted, this Committee is currently being audited pursuant to 2 U.S.C. § 438(b). Among the problems identified in the RAD's Audit referral is the issue of post primary receipts in excess of primary debts. The referral also cites numerous mathematical discrepancies in the reports, the failure to provide supporting schedules, and the acceptance of apparent excessive and prohibited contributions. Given the overlapping nature of the Committee's acceptance and reporting of post primary contributions, and the type of reporting violations at issue here, this Office recommends

97043794702

that the Commission hold in abeyance this matter as it pertains to the Committees and Carol Moseley Braun pending conclusion of the ongoing audit. Such action would ensure a thorough examination of the underlying facts, and promote an efficient use of agency resources. This Office will proceed, however, to pursue the DPI with regard to the apparent disclaimer violation.

IV. RECOMMENDATIONS

1. Find reason to believe that the Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. §§ 434(a)(2)(A)(iii), 434(b)(2), 434(b)(4), 434(b)(5), 434(b)(6), 441a(f) and 441b(a).

RE: MUR 3582
The Honorable Carol Moseley Braun;
Carol Moseley Braun for
U.S. Senate Committee and
Earl W. Hopewell, as treasurer;
Citizens for Carol Moseley Braun and
Carol Moseley Braun, as treasurer

Dear Mr. Coaxum:

On August 21, 1992, the Federal Election Commission notified your clients, in the above-captioned matter, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your clients at that time.

Upon further review of the allegations contained in the complaint, and information supplied by you on behalf of your clients, the Commission, on March 3, 1994, found that there is reason to believe that the Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. §§ 434(a)(2)(A)(iii), 434(b)(2), 434(b)(4), 434(b)(5), 434(b)(6), 441a(f) and 441b(a). Additionally, the Commission found that there is no reason to believe that Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 441d(a). On March 3, 1994, the Commission took other actions relating to this matter; the Commission found that there is reason to believe that Carol Moseley Braun violated 2 U.S.C. § 441a(f) and the Commission voted to find reason to believe that Citizens for Carol Moseley Braun and Carol Moseley Braun, as treasurer, violated 2 U.S.C. §§ 441a(a)(1)(A), 441b(a), 433(a), and 434.

Two Factual and Legal Analyses, which formed a basis for the Commission's findings, are attached for your information. One Factual and Legal Analysis pertains to the Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, and Carol Moseley Braun. The second Factual and Legal Analysis pertains to Citizens for Carol Moseley Braun and Carol Moseley Braun, as treasurer.

FACTUAL AND LEGAL ANALYSIS

MUR: 3582

RESPONDENTS: Citizens for Carol Moseley Braun and
Carol Moseley Braun, as treasurer

I. GENERATION OF MATTER

This matter was generated by a complaint filed by Jay Velasquez, Legal Counsel for the National Republican Senatorial Committee, against Carol Moseley Braun for U.S. Senate and Earl W. Hopewell, as treasurer, and implicating others, including Citizens for Carol Moseley Braun and Carol Moseley Braun, as treasurer.

II. FACTUAL AND LEGAL ANALYSIS

A. The Law

2 U.S.C. § 441a(a)(1)(A) prohibits persons from making contributions to any candidate and his or her authorized political committees with respect to any election for federal office which exceed \$1,000. Furthermore, any candidate who receives a contribution, or any loan for use in connection with the campaign of such candidate for election, shall be considered as having received the contribution or loan, as an agent of the authorized committee of such candidate. 2 U.S.C. § 432(e)(2).

The Act prohibits corporations and labor unions from making contributions or expenditures in connection with any election for federal office, and for any person or committee to knowingly accept any such contribution or expenditure. 2 U.S.C. § 441b(a).

97043794713

Political committees shall either (1) establish a separate federal account in which only funds subject to the Act's prohibitions and limitations may be deposited and which shall make all disbursements, contributions, expenditures and transfers in connection with federal elections; or (2) establish a single account for both federal and nonfederal activity which shall receive only contributions subject to the prohibitions and limitations of the Act. 11 C.F.R. § 102.5(a)(i) and (ii).

Any committee which makes expenditures aggregating in excess of \$1,000 during a calendar year is defined as a political committee, subject to regulation under the Act. 2 U.S.C. § 431(4)(A). All committees shall file a statement of organization within 10 days after becoming a political committee within the meaning of Section 431(4). 2 U.S.C. § 433(a). 2 U.S.C. § 434 enumerates reporting requirements for treasurers of political committees, including a schedule of when reports must be filed and a list of the contents that must be disclosed.

All contributions made or received by more than one affiliated committee shall be considered to be made or received by a single political committee. 11 C.F.R. § 110.3(a).¹ Affiliated committees sharing a single contribution limitation include all of the committees established, financed, maintained, or controlled by the same person or group of persons. 11 C.F.R. § 110.3(a)(2)(v).

1. Effective July 1993, transfers of funds or assets from a candidate's campaign committee for a nonfederal election to his or her principal campaign committee or other authorized committee for a federal election are prohibited. 11 C.F.R. § 110.3(d). This regulation was not in effect at the time the alleged violations occurred.

B. Analysis

Citizens for Carol Moseley Braun is the state committee for Carol Moseley Braun as Cook County Recorder, and as such is subject to Section 441a(a)(1)'s \$1,000 limit. The complainant alleges that Citizens for Carol Moseley Braun loaned the candidate \$10,000 to pay for personal campaign expenses and office equipment. The Committee does not dispute that a loan was made to the candidate from the nonfederal committee, but Respondents argue that the loan was only for personal expenses and not for the Senate campaign. To support this assertion, Respondents rely on an affidavit of the candidate, purportedly affirming that the candidate used the loan only for personal expenses. However, only the first page of this affidavit was ever produced despite this Office's request that the Committee submit the full document.

The Commission previously has considered whether funds contributed to a candidate during a campaign that are designated specifically for the candidate's personal (and family) living expenses would be subject to the limits and prohibitions of the Act and Commission regulations. The Commission has held that funds provided to a candidate to be used solely for personal living expenses and subsistence of the candidate and her family are contributions for purposes of the Act. See Commission Response to Advisory Opinion Request 1976-84 and Advisory Opinions 1978-40 and 1982-64. The Commission articulated several factors in support of its conclusion that the funds were contributions under the Act: receipt of funds for living expenses would free-up other funds of the candidate for campaign purposes, the candidate

97043794715

would have more time to spend on the campaign instead of pursuing his or her usual employment, and the funds would not have been donated but for the candidacy. Advisory Opinion 1982-64. Here, all three factors apply to candidate Braun. The candidate's response even admits that the candidate needed money because she was unable to pursue her usual employment.

According to the most recent reports on file with the Illinois State Board of Elections, covering the period ending June 30, 1993, Citizens for Carol Moseley Braun (State I.D. L1200) has never been repaid for the \$10,000 it loaned the candidate.² Given that a loan was made to the candidate during the height of her campaign and has yet to be repaid, and without any evidence of the actual use of the money, it is fair to assume that the loan was applied to subsidize living expenses. Moreover, given the affiliated committee status of the candidate's nonfederal and federal committees, contributions from contributors to both committees would need to be aggregated under 11 C.F.R. § 110.3. It is unclear whether contributions to these affiliated committees were aggregated, and if so, whether they were within Section 441a's limits. In addition, funds used by Citizens for Carol

2. The Illinois reporting requirements do not necessitate continuous reporting of debts and obligations owed to the state committee. There is an unitemized receipt of \$1,200 listed on the state committee's report of December 31, 1992 in the box where loan repayments received would be entered. Therefore, it is possible that the loan was partially repaid in 1992, but was definitely not fully repaid by December 31, 1993. In fact, according to the June 30, 1993 mid-year and December 31, 1993 year-end reports filed with the Illinois State Board of Elections, Citizens for Carol Moseley Braun did not list any receipts for the calendar year of 1993.

Moseley Braun to make the loan may have contained contributions from prohibited sources in violation of 2 U.S.C. § 441b(a) since Illinois law permits acceptance of unlimited contributions from corporations and labor organizations as well as unlimited contributions from individuals. Finally, it would appear that the nonfederal committee, Citizens for Carol Moseley Braun, became a federal political committee, and as a result, was subject to the registration and reporting provisions of the Act when it loaned \$10,000 to the federal Braun Committee.

Therefore, there is reason to believe that Citizens for Carol Moseley Braun and Carol Moseley Braun, as treasurer, violated 2 U.S.C. § 441a(a)(1)(A), 2 U.S.C. § 441b(a), 2 U.S.C. § 433(a), and 2 U.S.C. § 434.

I. GENERATION OF MATTER

This matter was generated by a complaint filed by Jay Velasquez, Legal Counsel for the National Republican Senatorial Committee, alleging violations of various provisions of the Federal Election Campaign Act of 1971, as amended (the "Act"), by Carol Moseley Braun for U.S. Senate and Earl W. Hopewell, as treasurer, (the "Braun campaign" or the "Committee"), and implicating others, including the Democratic Party of Illinois and Stewart R. Winstein, as treasurer, Citizens for Carol Moseley Braun and Carol Moseley Braun, as treasurer, and numerous multicandidate political committees.

II. FACTUAL AND LEGAL ANALYSIS

A. Reporting and Recordkeeping Violations

2 U.S.C. § 434(a) requires reporting of receipts and disbursements. 2 U.S.C. § 434(b)(4) requires the Braun campaign's reports to disclose the "total amount of all disbursements" for the reporting period and calendar year, including expenditures to meet candidate or committee operating expenditures. 2 U.S.C. § 434(b)(4)(A).

2 U.S.C. § 434(b)(5)(A) requires that each report filed under this section of the Act shall disclose the name and address of each person to whom an expenditure in an aggregate amount or

97043794718

value in excess of \$200 within the calendar year is made by the reporting committee to meet a candidate or committee operating expense, together with the date, amount, and purpose of such operating expenditure. 2 U.S.C. § 434(b)(6) further requires that an authorized committee report the name and address of each person who has received any disbursement not disclosed under 2 U.S.C. § 434(b)(5).

2 U.S.C. § 434(b)(5)(A) also requires the reports to list the purpose of an operating expenditure. 11 C.F.R. § 104.3(b)(4)(i)(A) defines "purpose" as "a brief statement or description of why the disbursement was made." The "purpose" of an expenditure would include "salary." Id. Statements or descriptions such as "advance, election day expenses, other expenses, expense reimbursement" would not meet the requirements of the regulations for reporting the purpose of an expenditure. Id.

2 U.S.C. § 434(a) details the filing requirements of receipts and disbursements. Specifically, 2 U.S.C. § 434(a)(2)(A)(iii) requires that the political committee file quarterly reports in any calendar year during which there is a regularly scheduled election.

When the treasurer of a political committee shows that best efforts have been used to obtain, maintain, and submit the information required by the Act for the political committee, any report or any records of such committee shall be considered in compliance with the Act. 2 U.S.C. § 432(i). Concerning receipts, the treasurer will not be deemed to have exercised best efforts to

97043794719

obtain, maintain, and submit the records unless he or she has made at least one written effort per transaction to obtain a duplicate copy of the invoice, receipt or canceled check. 11 C.F.R.

§ 102.9. With regard to contributions, the treasurer will not be deemed to have exercised best efforts to obtain the required information unless he or she has made at least one effort per solicitation either by a written request or by an oral request documented in writing to obtain such information from the contributor. 11 C.F.R. § 104.7.

1. Failure to Report Payroll Tax Expenditures

The complaint challenges the Committee's failure to report any payroll tax expenditures as a violation of 2 U.S.C.

§ 434(b)(4) and 11 C.F.R. § 104.3(b). The complaint argues that the Committee is "circumventing the reporting requirements of the Act by categorizing campaign staff salaries as 'consultant fees'" in its reports. In support of its position, the complainant notes that in a sequential listing of Committee expenditures filed with the Commission, the Committee identifies many of the same expenditures as "salary" payments.¹

1. The Braun campaign filed with the Commission a document labeled "Primary Expenditures-Checks By Sequential Listing From February 27, 1992 to March 31, 1992." According to the RAD Senior Analyst who analyzed the Braun Committee's reports, the sequential listing was filed in place of the first quarter disclosure report due on April 15, 1992 because a flood in Chicago prevented the Braun Committee from completing the required report. The sequential listing is incomplete in that it lacks some of the contents required under Section 434(b) of the Act. The sequential listing includes only the name of the payee, amount, date, and purpose as information about the expenditures. After receiving a Request for Further Information from RAD, the Braun campaign submitted the first several amended reports on July 16, 1992.

9704379472C

Counsel for the Committee acknowledges that the Committee's sequential listing filed with the Commission inaccurately described payments to individuals as "salary" payments, and urges such references to be viewed as technical errors which "may be more accurately reflected in an amended report to be filed with the Commission." The Committee filed numerous amended reports in the 1991-92 cycle, and some amended reports identify disbursements to various individuals as, for example, "consultant fees."

In its response, counsel for the Committee classifies people working for the Committee into three categories: independent contractors, commercial vendors, and volunteers who received reimbursements. The Committee explains that the primary campaign was a grassroots effort and that the candidate's supporters responded to an appeal "to be part of an effort to help make history" rather than to serve as typically compensated campaign workers. The Committee claims that it did not have a payroll of campaign workers. Thus, the Committee maintains that it did not incur any payroll tax and none had to be disclosed on its reports.

The Committee inaccurately reported the "purpose" of expenditures as "salary" on the Committee's sequential listing, which was accepted instead of the first quarter report. The Committee clarified that these expenditures were "consultant fees" on the amended reports, but these amendments were not filed until months later. Therefore, there is reason to believe that the Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 434(b)(4) for misreporting the purpose of expenditures.

97043794721

2. Failure to Report Addresses and Purpose in Connection with Expenditures

The complainant has cited at least thirty names of persons to whom expenditures were made, but for whom no related address is listed. The complaint suggests that the thirty names lacking addresses were merely indicative of violations, and that there may have been other names of persons to whom expenditures were made for which no related address is listed. The complainant also alleges that the Braun Campaign failed to describe the purpose of expenditures made to the candidate as required under 11 C.F.R. § 104.3(b)(4)(i)(A), and cites as an example expenditures identified as "campaign expense - CMB."

The Committee claims that it cured these problems by amending its reports. The Committee in its response did not specify which of its 28 amended reports allegedly cured the defects, but this Office notes that the first amended report to include addresses on disbursement pages was filed April 10, 1992, after the primary election. Moreover, while the Committee provided the addresses for the disbursements in question in a report filed after the primary election, it still did not clarify the purpose of disbursements for many entries.

The respondent also argues that it used its "best efforts" to obtain the appropriate addresses as required by 2 U.S.C. § 432(i). However, it has not provided any evidence of those efforts either in its amended reports or in response to the complaint. There is no definition in the Act or the regulations of what constitutes best efforts specifically with regard to

97043794722

disclosing expenditures. In fact, the regulation concerning best efforts, 11 C.F.R. § 104.7, details steps to be taken to satisfy the best efforts requirement for contributions received by committees, but is silent with regard to disbursements. This may be attributable to the fact that contributions may be submitted to committees without the necessary information, whereas committees presumably have the requisite information on hand for its own expenditures. In any event, although the filing of amended reports to complete the public record may be considered a mitigating factor, it does not vitiate the violation.

The Committee has not shown that it substantially complied with the disclosure requirements, nor has it attempted to explain its procedures for obtaining, maintaining, and submitting the required information. Therefore, there is reason to believe that the Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. §§ 434(b)(5) and (6).

3. Failure to Report Expenses During Reporting Period

The complainant alleges that the respondent listed expenditures from the fourth quarter of 1991 in the first quarter of the 1992 reporting period in violation of 2 U.S.C. § 434(a)(2)(A)(iii). The Committee acknowledges that it disclosed its expenditures late, but contends that the delay was due to a computer software error. In this case, Grassroots Systems, Inc., the manager of the Committee's database, listed several reasons that the Committee's software malfunctioned in a letter to the Committee. As Grassroots explained in that letter, the software problem was due in part to the Committee's own mistakes and noted

97043794723

that the Committee had hidden files and duplicates in the files that it created. Additionally, Grassroots stated that it had become obvious that the campaign staff had "not read the manual, or even explored all the various capabilities of the software." Id. In light of the information provided by the Committee, its failure to report its 1991 fourth quarter expenditures does not appear to have been caused solely by a computer software problem beyond its control. In any event, even if the alleged software problem existed, it would not vitiate the reporting violation, but at best, mitigate it.

Therefore, there is reason to believe that Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 434(a)(2)(A)(iii) by filing disclosure reports containing activities outside the proper reporting period.²

B. Excessive Contributions

1. Excessive Contributions from Political Committees

2 U.S.C. § 441a(a)(2) prohibits multicandidate political committees from contributing more than \$5,000 per election to a candidate for federal office or his authorized political committee, and no candidate or political committee shall knowingly accept any contribution in violation of the provisions of 2 U.S.C. § 441a. 2 U.S.C. § 441a(f). Contributions may be designated for

2. The Committee again stated that it filed amended reports and complied with the "best efforts" requirement. As noted earlier, p. 7, the Committee has not provided any evidence of what efforts it undertook to comply with the requirement. Furthermore, the Commission has not applied the best efforts rule to reports of expenditures, only to reports of contributions.

97043794724

97043794725

a particular election, and contributors are encouraged to designate their contributions in writing for particular elections. 11 C.F.R. § 110.1(b)(2)(i). "In the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made" is the election for which the contribution is considered to have been made. 11 C.F.R. § 110.1(b)(2)(ii). "A contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election." 11 C.F.R. § 110.1(b)(3)(i). To determine the net debts outstanding for a particular election, the treasurer of the candidate's authorized committee shall calculate net debts outstanding as of the date of the election. 11 C.F.R. § 110.1(b)(3)(ii).

The complainant alleges that the respondents accepted contributions after the primary election which were actually directed toward the general election and therefore constitute excessive contributions when combined with other contributions received for the general election. The Committee acknowledges receipt of post-primary contributions which it contends were properly accepted and reported as primary election contributions since they were used to reduce the debt from the primary campaign.

The Committee has submitted statements of the amount of debt the Committee purportedly had as of the date of the receipt of each contribution at issue. In addition, the Committee's statement of debt, which is not notarized, shows the net

97043794726

outstanding primary campaign obligation as \$107,078.24 as of March 18, 1992. The Committee's Listing of Primary Related Disbursements by Expense Category states that the total PAC contributions to offset the primary debt was \$106,500, leaving a net remaining debt of \$578.24. The Committee also submitted affidavits from its treasurer that attested to the contributions of 18 PACs and averred that prior to the receipt of the contributions, the Committee continued to experience a net primary debt to which such contributions were applied.³ It does appear that many of the PACs actually designated the contributions in question for the primary election based on copies of canceled checks from various PAC respondents that were enclosed with their responses. However, it is still unclear whether other PAC contributions were made to reduce the primary deficit. Some of the PACs' disbursement schedules filed with the Commission plainly show "P" designations for their contributions to the Braun Committee while others do not. For example, in one affidavit, the treasurer of the Braun Committee averred that the Chrysler Political Support Committee, a multi-candidate political

3. The Committee submitted such statements for the contributions from the Air Line Pilots Association PAC, American Federation of State, County & Municipal Employees AFL-CIO, American Federation of Teachers, American Nurses Association PAC, Association of Flight Attendants, Association of American Trial Lawyers PAC, Chrysler Political Support Committee, Committee on Letters Carriers PAC, Committee on Political Education, Communication Workers of America COPE PCC, Drive Political Fund, Fifth Horseman PAC, Fund for a Democratic Majority, I.L.G.W.U. Campaign Committee, Kids PAC, Inc., Lawyers for a Better Government, Machinist Non-Partisan Political Committee, and Multi-Issue PAC. The total contributions are less than \$107,078.24, the alleged net outstanding primary debt.

committee, contributed to reduce the primary deficit. However, the Chrysler Political Support Committee's disclosure reports show that the multicandidate PAC made two \$1,000 contributions to the Braun Committee and that both were designated for the general election. However, it appears that the Braun Committee applied one of these contributions to the primary debt without the written consent of the contributor.

In yet another instance, the treasurer of the Braun Committee averred that the Lawyers for a Better Government made a contribution to retire the campaign's primary debt. The disclosure reports for this committee, however, show no contribution to the Braun campaign. Although the complainant suggests that these post primary receipts resulted in the acceptance of excessive contributions, the instances cited reveal that the actual problem may have been how the contributions were reported by the Committee. Therefore, there is reason to believe that Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 434(b)(2).

2. Excessive Contributions from Citizens for Carol Moseley Braun

In addition to Section 441a(a)(2)'s limitations on multicandidate political committees, 2 U.S.C. § 441a(a)(1)(A) prohibits other persons from making contributions to any candidate and his or her authorized political committees with respect to any election for federal office which exceed \$1,000. Furthermore, any candidate who receives a contribution, or any loan for use in connection with the campaign of such candidate for election, shall

97043794727

be considered as having received the contribution or loan, as an agent of the authorized committee of such candidate. 2 U.S.C. § 432(e)(2).

The Act prohibits corporations and labor unions from making contributions or expenditures in connection with any election for federal office, and for any person or committee to knowingly accept any such contribution or expenditure. 2 U.S.C. § 441b(a). Political committees shall either (1) establish a separate federal account in which only funds subject to the Act's prohibitions and limitations may be deposited and which shall make all disbursements, contributions, expenditures and transfers in connection with federal elections; or (2) establish a single account for both federal and nonfederal activity which shall receive only contributions subject to the prohibitions and limitations of the Act. 11 C.F.R. § 102.5(a)(i) and (ii).

Any committee which makes expenditures aggregating in excess of \$1,000 during a calendar year is defined as a political committee, subject to regulation under the Act. 2 U.S.C. § 431(4)(A). All committees shall file a statement of organization within 10 days after becoming a political committee within the meaning of Section 431(4). 2 U.S.C. § 433(a). 2 U.S.C. § 434 enumerates reporting requirements for treasurers of political committees, including a schedule of when reports must be filed and a list of the contents that must be disclosed.

All contributions made or received by more than one affiliated committee shall be considered to be made or received by

97043794728

a single political committee. 11 C.F.R. § 110.3(a).⁴ Affiliated committees sharing a single contribution limitation include all of the committees established, financed, maintained, or controlled by the same person or group of persons. 11 C.F.R. § 110.3(a)(2)(v).

Citizens for Carol Moseley Braun is the state committee for Carol Moseley Braun as Cook County Recorder, and as such is subject to Section 441a(a)(1)'s \$1,000 limit. The complainant alleges that Citizens for Carol Moseley Braun loaned the candidate \$10,000 to pay for personal campaign expenses and office equipment. The Committee does not dispute that a loan was made to the candidate from the nonfederal committee, but Respondents argue that the loan was only for personal expenses and not for the Senate campaign. To support this assertion, Respondents rely on an affidavit of the candidate, purportedly affirming that the candidate used the loan only for personal expenses. However, only the first page of this affidavit was ever produced despite this Office's request that the Committee submit the full document.

The Commission previously has considered whether funds contributed to a candidate during a campaign that are designated specifically for the candidate's personal (and family) living expenses would be subject to the limits and prohibitions of the Act and Commission regulations. The Commission has held that funds provided to a candidate to be used solely for personal

4. Effective July 1993, transfers of funds or assets from a candidate's campaign committee for a nonfederal election to his or her principal campaign committee or other authorized committee for a federal election are prohibited. 11 C.F.R. § 110.3(d). This regulation was not in effect at the time the alleged violations occurred.

97043794729

9704379473C

living expenses and subsistence of the candidate and her family are contributions for purposes of the Act. See Commission Response to Advisory Opinion Request 1976-84 and Advisory Opinions 1978-40 and 1982-64. The Commission articulated several factors in support of its conclusion that the funds were contributions under the Act: receipt of funds for living expenses would free-up other funds of the candidate for campaign purposes, the candidate would have more time to spend on the campaign instead of pursuing his or her usual employment, and the funds would not have been donated but for the candidacy. Advisory Opinion 1982-64. Here, all three factors apply to candidate Braun. The candidate's response even admits that the candidate needed money because she was unable to pursue her usual employment.

According to the most recent reports on file with the Illinois State Board of Elections, covering the period ending June 30, 1993, Citizens for Carol Moseley Braun (State I.D. L1200) has never been repaid for the \$10,000 it loaned the candidate.⁵ Given that a loan was made to the candidate during the height of her campaign and has yet to be repaid, and without any evidence of the actual use of the money, it is fair to assume that the loan

5. The Illinois reporting requirements do not necessitate continuous reporting of debts and obligations owed to the state committee. There is an unitemized receipt of \$1,200 listed on the state committee's report of December 31, 1992 in the box where loan repayments received would be entered. Therefore, it is possible that the loan was partially repaid in 1992, but was definitely not fully repaid by December 31, 1993. In fact, according to the June 30, 1993 mid-year and December 31, 1993 year-end reports filed with the Illinois State Board of Elections, Citizens for Carol Moseley Braun did not list any receipts for the calendar year of 1993.

97043794731
was applied to subsidize living expenses. Moreover, given the affiliated committee status of the candidate's nonfederal and federal committees, contributions from contributors to both committees would need to be aggregated under 11 C.F.R. § 110.3. It is unclear whether contributions to these affiliated committees were aggregated, and if so, whether they were within Section 441a's limits. In addition, funds used by Citizens for Carol Moseley Braun to make the loan may have contained contributions from prohibited sources in violation of 2 U.S.C. § 441b(a) since Illinois law permits acceptance of unlimited contributions from corporations and labor organizations as well as unlimited contributions from individuals. Finally, it would appear that the nonfederal committee, Citizens for Carol Moseley Braun, became a federal political committee, and as a result, was subject to the registration and reporting provisions of the Act when it loaned \$10,000 to the federal Braun Committee.

Therefore, there is reason to believe that the Carol Moseley Braun for U.S. Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 441a(f) and 2 U.S.C. § 441b(a).

C. Failure to Display a Disclaimer

2 U.S.C. § 441d(a)(2) requires that whenever a person makes an expenditure for the purpose of financing communications expressly advocating the election of a clearly identified candidate, such communication if paid for by other persons but authorized by a candidate, or its agents, shall clearly state that the communication is paid for by such other persons and authorized by such authorized political committee.

The complainant alleges that the Democratic Party of Illinois ("DPI") ran a radio ad that advocated the election of Carol Moseley Braun for Senate without the required disclaimer. The Committee and DPI acknowledge that the ad, which was paid for by DPI, lacked a disclaimer but contend that the lack of disclaimer was an inadvertent and technical violation of a limited nature. Because the Committee did not pay for the advertisement in question, there is no reason to believe that the Carol Moseley Braun for Senate Committee and Earl W. Hopewell, as treasurer, violated 2 U.S.C. § 441d(a).

RE: MUR 3582
Democratic Party of Illinois and
Stewart R. Winstein, as treasurer

Dear Mr. Kasper:

On August 21, 1992, the Federal Election Commission notified your clients, the Democratic Party of Illinois and Stewart R. Winstein, as treasurer, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your clients at that time.

Upon further review of the allegations contained in the complaint, and information supplied by you, the Commission, on March 3, 1994, found that there is reason to believe the Democratic Party of Illinois and Stewart R. Winstein, as treasurer violated 2 U.S.C. § 441d(a)(2), a provision of the Act. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

To further assist the Commission in its investigation of this matter, additional information regarding the radio advertisement at issue would clarify your response to the original complaint: 1) the total amount spent (with documentation) for the development, creation, and dissemination of the radio advertisement; 2) a complete explanation, with applicable documentation, of corrective steps taken to ensure that similar omissions of any necessary disclaimers will not be repeated.

You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of receipt of this letter. Where appropriate, statements should be submitted under oath. In the absence of additional information, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public.

FACTUAL AND LEGAL ANALYSIS

MUR: 3582

RESPONDENTS: Democratic Party of Illinois and
Stewart R. Winstein, as treasurer

I. GENERATION OF MATTER

This matter was generated by a complaint filed by Jay Velasquez, Legal Counsel for the National Republican Senatorial Committee, against Carol Moseley Braun for U.S. Senate and Earl W. Hopewell, as treasurer, and implicating others, including the Democratic Party of Illinois, and Stewart R. Winstein, as treasurer.

II. FACTUAL AND LEGAL ANALYSIS

A. The Law

2 U.S.C. § 441d(a)(2) requires that whenever a person makes an expenditure for the purpose of financing communications expressly advocating the election of a clearly identified candidate, such communication if paid for by other persons but authorized by a candidate, or its agents, shall clearly state that the communication is paid for by such other persons and authorized by such authorized political committee.

B. Analysis

The complainant alleges that the Democratic Party of Illinois ("DPI") ran a radio ad that advocated the election of Carol Moseley Braun for Senate without the required disclaimer. DPI acknowledges that the ad, which it paid for, lacked a disclaimer but contends that the lack of disclaimer was an

97043794735

inadvertent and technical violation of a limited nature. The state party committee argues that corrective action has already been taken to ensure that the omission will not be repeated, although it does not state specifically what actions were taken. Therefore, there is reason to believe that the Democratic Party of Illinois and Stewart R. Winstein, as treasurer, violated 2 U.S.C. § 441d(a)(2).

Dear Lisa:

I write on behalf of the Democratic Party of Illinois to provide the information you requested with respect to pre-probable cause conciliation in MUR 358.

On August 21, 1992, the Federal Election Commission ("FEC") notified the Democratic Party of Illinois ("DPI") of a complaint filed by Jay Valasquez, legal counsel for the National Republican Senatorial Committee alleging a violation of 2 U.S.C. §441d(a)(2). In essence the complaint alleged that DPI ran a radio advertisement that advocated the election of Carol Moseley Braun for Senate without the disclaimer required by 2 U.S.C. §441d(a)(2).

After receiving notice from the FEC of the complaint, DPI promptly responded to the FEC acknowledging that the advertisement lacked a disclaimer and explaining that omission was inadvertent and a technical violation of a limited nature.

On March 22, 1994 the FEC advised DPI that it had reason to believe DPI violated 2 U.S.C. §441d(a)(2). In its letter the FEC requested additional information relating to the scope of the radio advertisement transmission and asked if DPI is interested in pursuing pre-probable cause conciliation. In a letter dated April 8, 1994, I wrote that DPI is interested in pursuing pre-probable cause conciliation.

With respect to the scope of the transmission at issue, I provide the following information. The cost of the radio advertisement was \$11,000 (see the copy of the check ledger for that period and accompanying wire transfer confirmations attached as Exhibit 1). In researching the advertisement, Wendy Cohen, DPI's Executive Director spoke with David Ormsby who was DPI's press secretary at the time, and David Eychanbaum and Jeremy Karpatkin who were both with the Braun campaign. The collective recollection is that the advertisement aired for two days (probably August 1 and 2, 1992) in the Chicago media market. Given the high cost of the Chicago media market and the relatively low level of expenditure, it is unlikely the advertisement was extensively aired during this two-day period.

Please contact me after you have had a chance to review this letter so that we can discuss whether any further information is needed with respect to the pre-probable cause conciliation.

Sincerely,

Mark R. Taylor

SENSITIVE

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On March 3, 1994 the Federal Election Commission found reason to believe that the Illinois Democratic Party and Stewart R. Winstein, as treasurer, ("Respondents") violated 2 U.S.C. § 441d(a)(2) for failing to include a proper disclaimer on a radio advertisement.¹ Respondents were notified of the Commission's determination, and on April 8, 1994, Respondents' counsel requested an extension of time to respond and expressed an interest in pursuing pre-probable cause conciliation. On April 18, 1994, a response to the Commission's reason to believe finding was filed. Attachment A.

Counsel states the radio advertisement in question cost \$11,000. He has produced a copy of one page of the Illinois Democratic Party ("the Party") check ledger for the time period and two wire-transfer confirmations totaling \$11,000. Counsel for Respondents states that he consulted with the Executive Director of the Party, the then-Press Secretary, and two individuals

1. On March 3, 1994, the Commission determined to hold the remainder of MUR 3582 in abeyance pending completion of the ongoing audit of the Carol Moseley Braun for U.S. Senate Committee, the principal respondent of the MUR.

97043794762

associated with the Carol Moseley Braun for U.S. Senate Committee at the time of the advertisement. Their recollection was that the advertisement aired for two days ("probably August 1 and 2, 1992") in the Chicago media market. Their belief is based on "the high cost of the Chicago media market and the relatively low level of expenditure." Attachment A.

II. ANALYSIS

The Respondents acknowledge that the radio advertisement at issue in this matter lacked a sufficient disclaimer. Their contention that the omission was inadvertent and a technical violation of a limited nature does not vitiate their failure to include a sufficient disclaimer in the radio advertisement, as required by 2 U.S.C. § 441d(a)(2).

The disclosed cost of the advertisement (\$11,000) created some questions as to whether or not the ad constituted an excessive contribution. No multicandidate committee may make contributions to any candidate with respect to any election for Federal office which, in the aggregate, exceed \$5,000. 2 U.S.C. § 441(a)(2)(A). In examining the Party's disclosure reports and in consultation with the Reports Analysis Division Analyst assigned to the Party, a series of transactions was discovered that illuminated the circumstances surrounding the payment for the advertisement.

Disclosure reports filed by the Party indicate that the \$11,000 cost of the advertisement was allocated as a \$5,000 coordinated party expenditure on behalf of Democratic Presidential

97043794763

nominee Bill Clinton, a \$5,000 in-kind contribution to the Braun campaign, and a \$1,000 coordinated party expenditure on behalf of Braun.² This allocation, pursuant to 11 C.F.R. § 106.1(a)'s prescription for allocation of expenditures benefiting several candidates, appears to have prevented the Party from making an excessive contribution to the Braun Committee. Respondents disclosed no other contributions to Braun or coordinated expenditures on behalf of Braun.

The portion of the advertisement allocated to the Democratic Presidential nominee, however, was apparently not made in accordance with the Act and Commission regulations. The Act provides that notwithstanding any other provision of law with respect to limitations on expenditures or contributions, a national party committee may make certain limited "coordinated party" expenditures in connection with the General election campaign of any candidate for President who is affiliated with that party. 2 U.S.C. § 441a(d)(2).

The Act, however, does not include a similar provision for state party committees. Commission regulations at 11 C.F.R. §§ 110.7(a)(1) and (4) indicate that a national party committee

2. The Party reported receiving \$11,000 (\$5,500 each on July 30 and July 31) from the Braun for U.S. Senate Committee ("Braun Committee"). Of this amount, \$10,000 was refunded to the Braun Committee on September 30, 1992. The Braun Committee's reports disclose no payments to the Illinois Democratic Party. The Braun Committee does, however, disclose a \$10,000 debt owed to the Braun Committee by the Illinois Democratic Party labeled "refund of payment to support intended joint coordinated media buy." The results of the on-going audit of the Braun Committee should help clarify these transactions.

97043794764

may make such expenditures through a designated agent, including state party committees. Respondents, when reporting the allocation of the expenditures for the ad, failed to properly report the coordinated party expenditures on Schedule F, thereby omitting the necessary verification that the Party Committee was designated to make the coordinated expenditure by the national party. Pursuant to 2 U.S.C. § 441a(f), no political committee shall knowingly make any expenditure in violation of any limitation imposed on contributions and expenditures under 2 U.S.C. § 441a and no officer or employee of a political committee shall knowingly make an expenditure on behalf of a candidate in violation of 2 U.S.C. § 441a limitations. Therefore, this Office recommends that the Commission find reason to believe that the Illinois Democratic Party and Stewart R. Winstein, as treasurer, violated 2 U.S.C. § 441a(f).

III. DISCUSSION OF CONCILIATION AGREEMENT

97043794765

IV. RECOMMENDATIONS

1. Find reason to believe that the Illinois Democratic Party and Stewart R. Winstein, as treasurer, violated 2 U.S.C. § 441a(f).

2. Enter into conciliation prior to a finding of probable cause to believe.

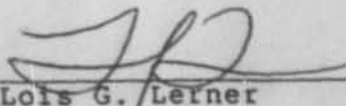

3. Approve the attached Factual and Legal Analysis, proposed conciliation agreement, and the appropriate letter.

RE: MUR 3582
Braun for U.S. Senate Committee

Dear Mr. Winstein:

On March 3, 1994, the Federal Election Commission found reason to believe that the Democratic Party of Illinois and you, as treasurer, violated 2 U.S.C. § 441d(a)(2). On August 11, 1994, the Commission additionally found reason to believe that the Democratic Party of Illinois and you, as treasurer, violated 2 U.S.C. § 441a(f). On the same date, the Commission also granted your request to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe.

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible.

If you have any questions or suggestions for changes in the agreement, or if you wish to arrange a meeting in connection with a mutually satisfactory conciliation agreement, please contact Andrea Low at (202) 219-3400.

FACTUAL AND LEGAL ANALYSIS

MUR: 3582

RESPONDENTS: Illinois Democratic Party and
Stewart R. Winstein, as treasurer

I. GENERATION OF MATTER

This matter was generated by a complaint filed by Jay Velasquez, Legal Counsel for the National Republican Senatorial Committee.

II. FACTUAL AND LEGAL ANALYSIS

97043794771

The Federal Election Campaign Act of 1971, as amended ("the Act"), provides that notwithstanding any other provisions of law with respect to limitations on expenditures or contributions, a national party committee may make certain limited "coordinated party" expenditures in connection with the General election campaign of any candidate for President who is affiliated with that political party. 2 U.S.C. § 441a(d)(2). The Act does not include a similar provision for a state party committee. Commission regulations, however, indicate that a national party committee may make such expenditures through a designated agent, including state party committees. 11 C.F.R. § 110.7(a)(4). Pursuant to 2 U.S.C. § 441a(f), no political committee shall make any expenditure in violation of any part of 2 U.S.C. § 441a and no officer or employee of a political committee shall make an expenditure on behalf of a candidate in violation of any limitation imposed on contributions and expenditures under 2 U.S.C. § 441a.

The Illinois Democratic Party paid for a radio advertisement expressly advocating the election of Bill Clinton, the 1992 Democratic nominee for President of the United States and Carol Moseley Braun, the Party's nominee for U.S. Senate. The advertisement cost \$11,000. The Illinois Democratic Party appears to have made an expenditure without statutory authority or authorization from the Democratic National Committee. Therefore, there is reason to believe that the Illinois Democratic Party and Stewart R. Winstein, as treasurer, violated 2 U.S.C. § 441a(f).

MEMORANDUM

TO: Lawrence M. Noble
General Counsel

THROUGH: John C. Surina
Staff Director

FROM: Robert J. Costa
Assistant Staff Director
Audit Division

SUBJECT: Carol Moseley Braun for U.S. Senate — MUR 3582

The Audit Division has completed an audit of Carol Moseley Braun for U. S. Senate (the Committee). Your office has been holding in abeyance MUR 3582 until completion of the audit to determine whether any additional information related to the MUR could be obtained. The audit was conducted pursuant to 2 U.S.C. Section 438(b) and followed the Commission's approved audit program. Following is summary of the issues raised in the MUR for which information was obtained during the audit.

1. Failure to Report Payroll Taxes

The complaint includes an allegation that the Braun Committee in its first quarter report violated 2 U.S.C. 434(B)(4) and 11 CFR 104.3(b) by not reporting employee payroll taxes. The law was circumvented by categorizing salary payments to employees as consulting fees. The complaint contains a list of 25 individuals who the Committee had reported as receiving consulting payments when in fact they were employees.

The Audit staff reviewed all contracts and agreements for both employees and consultants. The review revealed that of 25 individuals named in the MUR, 13 signed consulting agreements, letterhead reviewed indicated that 5 others were consultants, 2 individuals (Kgosie Matthews and L'Tanya Peques) signed employment contracts, and for the remaining 5 individuals only canceled checks were available. It appears that taxes were paid for L'Tanya Peques but there is no evidence that any taxes were paid for Kgosie Matthews. Mr. Matthews received approximately \$180,000 in payments during the period covered by the audit (1/1/92-12/31/93)

97043794785

2. Failure to Report Addresses

The complaint includes an allegation that the Committee did not report addresses relating to certain expenditures as required by 2 U.S.C. 434(b)(5)&(6) and 11 CFR 104.3(b)(4).

The Audit staff's review of committee expenditures revealed numerous disclosure errors including missing addresses. The Committee filed amended disclosure reports subsequent to the commencement of fieldwork which materially corrected the disclosure problems. (See final audit report Finding II.E.).

3. Failure to Report Purpose of Expenditures

The complaint includes an allegation that the Committee did not sufficiently describe the purpose of certain expenditures as required by 11 CFR 104.3(b)(4)(i).

As noted above the Committee filed amended disclosure reports which materially corrected the disclosure errors.

4. Expenditures Reported Outside of Reporting Period

The Complaint also includes an allegation that the campaign is in violation of the Act for failing to report certain expenditures within their appropriate reporting period as generally required by 2 U.S.C. 434 and 11 CFR 104.3.

The Audit staff's review of the Committee's reported expenditures did identify certain expenditures which were itemized on the committee's reports outside of their reporting period. However the amounts were immaterial and were not included in the overall reported totals. The amended disclosure reports filed by the Committee also corrected the reporting of these expenditures.

5. Receipt of Excessive Contributions from Political Committees

The complaint contains an allegation that the Braun campaign's second quarter report reflects that the campaign is in violation of the Act by taking excessive contributions from numerous political committees. Complainant states that contributions designated as "Primary" are in fact general election contributions since the corresponding date of the contributions on the FEC report is post the Illinois March primary.

This matter is addressed in Finding II B.1.b. of the final audit report.

97043794786

6. Failure to Provide Disclaimer

The complaint contains an allegation that the Democratic Party of Illinois ran a radio ad that advocated the election of Carol Moseley Braun for federal office without the required disclaimer.

This matter was addressed in MUR 3587. See General Counsel's report dated August 3, 1994.

7. Contribution from Citizens for Braun

Finally, the complaint contains an allegation that the Braun campaign is in violation of the Act for taking an excessive contribution from Citizens for Braun, a campaign committee apparently formed under state law.

The Audit staff reviewed all available bank receipt records to determine if this contribution was received and deposited into one of the Committee's accounts. No evidence was found that the contribution was deposited into any of the campaign committee's accounts. It should be noted that the review pertained to the campaign's accounts only; a review was not performed on the candidate's personal accounts.

GENERAL COUNSEL'S REPORT

EXECUTIVE SESSION

I. INTRODUCTION

On December 26, 1996, the United States Court of Appeals for the Ninth Circuit issued a decision in *Federal Election Commission v. Williams*, No. 95-55320 (9th Cir. Filed Dec. 26, 1996). That decision held, *inter alia*, that the five-year statute of limitations for filing suit to enforce a civil penalty established at 28 U.S.C. § 2462 applies not only to judicial proceedings to enforce civil penalties already imposed, but also to proceedings seeking the imposition of these penalties, including the Commission's law enforcement suits under 2 U.S.C. § 437g(a)(6).

As noted in the memorandum regarding the filing of a petition for rehearing, the Office of General Counsel believes that the Commission should accept the court's core application of 28 U.S.C. § 2462 to its enforcement suits as the current state of the law. See Memorandum to the Commission, *Petition for Rehearing, and Suggestion for Rehearing En Banc, In Federal Election Commission v. Williams*, dated January 10, 1997. As also noted, however, we have sought further review of the court's decision

relating to issues of equitable relief and equitable tolling.¹ *Id.* See also *FEC v. NRSC*, 877 F. Supp. 15, 21 (D.D.C. 1995).

This General Counsel's Report discusses the impact of 28 U.S.C. § 2462 on the Office of General Counsel's enforcement caseload.² This Report describes the active and inactive enforcement matters which are potentially affected by the application of the five-year statute of limitations under 28 U.S.C. § 2462, and makes recommendations for each of the potentially affected matters. This Report addresses all cases where the statute of limitations potentially expires, or partially expires, by the end of calendar year 1997 (December 31, 1997).

The Office of General Counsel is recommending that

18 matters be closed at this time. By doing so, this Office believes that it will be able to devote more resources toward more recent activity, particularly those matters that arose from the 1996 election cycle. To avoid potential statute of limitations problems in the future, this Office will track its cases against the relevant statute of limitations and will perform regular reviews of its caseload. In addition, this Office will be making periodic recommendations to the Commission with respect to matters that may be affected by the application of the five-year statute of limitations under 28 U.S.C. § 2462.

¹ Pending the court's decision, issues such as equitable relief, equitable tolling and ongoing violations, will remain open. In some instances, although issues such as equitable tolling and equitable relief may still be viable, this Office has cited other factors to support our recommendation to close the matter. See, e.g., cases involving apparent violations of 2 U.S.C. § 441a(f).

² This Report addresses enforcement matters assigned to the Public Financing, Ethics & Special Projects ("PFESP") and Enforcement areas.

RE: MUR 3582
The Honorable Carol Moseley Braun;
Carol Moseley Braun for U.S. Senate
and Billie Paige, as treasurer;
Citizens for Carol Moseley Braun and
Carol Moseley Braun, as treasurer

Dear Mr. Coaxum:

On March 22, 1994, the Federal Election Commission notified your clients, Carol Moseley Braun for U.S. Senate that it found reason to believe that your clients violated 2 U.S.C. §§ 434(a)(2)(A)(iii), 434(b)(2), 434(b)(4), 434(b)(5), 434(b)(6), 441a(f), and 441b(a), provisions of the Federal Election Campaign Act of 1971, as amended. On that same day, the Commission also found reason to believe that Senator Braun violated 2 U.S.C. § 441a(f) and that Citizens for Carol Moseley Braun and Carol Moseley Braun as treasurer, violated 2 U.S.C. §§ 441a(a)(1)(A), 441b(a), 433(a), and 434.

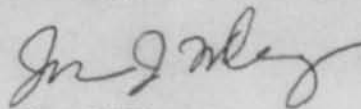

After considering all the facts and circumstances of this case, including but not limited to the fact that the statute of limitations may expire in the near future as to some or all of the activity described in the complaint, the Commission has exercised its prosecutorial discretion to take no further action in this matter. The Commission reached this determination objectively based upon the information on the record as a whole, the significance of the case relative to others, and other relevant factors. The Commission closed its file in this matter effective March 11, 1997.

The confidentiality provisions of 2 U.S.C. § 437g(a)(12) no longer apply; this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record prior to receipt of your additional materials, any permissible submissions will be added to the public record upon receipt.

MUR 3582 (Carol Moseley Braun for U.S. Senate)
(complaint generated) ('92 cycle)
PFESP Team I

On March 3, 1994, the Commission found reason to believe against the Committee for apparent reporting violations; acceptance of a loan; and failure to properly report contributions for primary. See 2 U.S.C. §§ 434(a)(2)(A)(iii), 434(b)(2), 434(b)(4), 434(b)(5), 434(b)(6), 441a(f), and 441b(a). The Commission also found reason to believe that Carol Moseley Braun, as an individual, violated 2 U.S.C. § 441a(f); and Citizens for Carol Moseley Braun and Carol Moseley Braun, as treasurer, violated 2 U.S.C. §§ 441a(a)(1)(A), 441b(a), 433(a), and 434, concerning the loan transaction. On that same day, the Commission voted to hold this matter in abeyance pending the completion of the ongoing audit.

On December 31, 1994, this matter was transferred to PFESP. On February 23, 1995, this matter was deactivated in PFESP pending the outcome of the audit. On May 6, 1996, the Commission approved the Final Audit Report, and this matter was subsequently activated on June 25, 1996. This Office has received additional information from the audit that provides support for taking no further action on the issues raised in this matter. Specifically, two of the three alleged reporting violations now appear to have been materially corrected: the Committee filed amended disclosure reports that corrected the problem of misreporting addresses and purposes in connection with expenditures, and the misreporting of expenditures outside of the reporting period. See Final Audit Report on Carol Moseley Braun for U.S. Senate, Finding II. E. The other reporting violation -- failure to report payroll taxes -- appears to involve approximately \$25,600 and only two individuals.

In addition, the audit reviewed whether primary election contributions were misreported as general election contributions as alleged in the complaint, but neither the Interim nor the Final Audit Report found this alleged violation to be significant enough to warrant an audit finding.⁵ The auditors also could not locate the actual funds comprising the \$10,000 loan made from Senator Braun's state committee for her personal use.

The dates of the misreporting occurred from March 1992, and the loan to Senator Braun occurred on February 4, 1992. Thus, the violations have occurred nearly or greater than five years ago. The amounts at issue are relatively small (\$10,000 loan, and

⁵ The auditors, however, made a finding that the Committee accepted contributions in excess of net primary debt. See MUR 4370 discussion.

\$25,600 misreporting of payroll taxes for two individuals), and because pre-probable cause to believe conciliation has not yet occurred, the likelihood of resolving this matter before the statute of limitations expires is slim. For these reasons, this Office recommends that the Commission exercise its prosecutorial discretion and take no further action in this matter and close the file. If the Commission adopts this recommendation, this Office will include admonishment language in the notification letter.

RE: MUR 3582

Dear Mr. Engle:

On August 17, 1992, the Federal Election Commission received your complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended (the "Act").

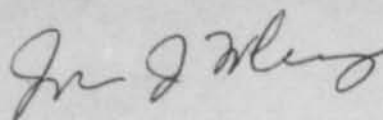

On March 3, 1994, the Commission found reason to believe that some or all of the respondents committed one or more violations of the Act. Investigation by our Enforcement Division followed. As the result of these investigative efforts, some respondents elected to settle these allegations with the Commission.

After considering all the facts and circumstances of this case, including but not limited to the fact that the statute of limitations may expire in the near future as to some or all of the activity described in your complaint, the Commission has exercised its prosecutorial discretion to take no further action in this matter. The Commission reached this determination objectively based upon the information on the record as a whole, the significance of the case relative to others, the amount of time that has elapsed, and other relevant factors. The Commission closed its file in this matter effective March 11, 1997. This matter will become part of the public record within 30 days.
