Dear General Counsel:

I am greatly disturbed by a newspaper editorial just handed to me, a copy of which I enclose.

My opponent in the AL-2 congressional race has told a newspaper that is endorsing him that the FEC did not tell him about a dozen letters of warning the FEC sent him in 1992 because, says Everett, his bad employee did not tell him.

Even if that is true, which I doubt, the candidate has a personal responsibility to comply with all FEC laws, doesn't he, especially when Everett listed himself as Treasurer in early 1992 and never changed that designation.

Secondly, please look at the Amended Report signed 8/25/93 which supposedly answered some of the problems the FEC found. It is not signed by Mr. Everett. He either caused that or has allowed it to happen.

I request he be held accountable on this issue. Thank you.
If you can comment on this, please call me toll free 800-247-6035.

OUR VIEW

Public trust

The Issue:

FEC finds errors, but no wrongdoing, in U.S. Rep. Terry
Everett's campaign disclosures

Our Viewpoint:

Keep the congressman working for us in Washington

A FRESHMAN CON-
gressman quickly learns
that who you trust can mean the
difference between success and
failure.

U.S. Rep. Terry Everett of
Mississippi was schooled on
that point shortly after his elec-
tion. His campaign committee
had difficulties in following Fed-
eral Election Commission rules
when reporting on nearly
\$600,000 in bank loans used in
his 1992 campaign.

The congressman says he
wasn't told about the dozen let-
ters written to him by the FEC
from June to December 1992
warning that efforts to comply
with the disclosure law were
inadequate and could provoke
enforcement action.

Everett is entrusted that
responsibility to someone he
has never met who was suppos-
edly qualified to handle the fil-
ings.

Mr. Everett says his intent
has always been to comply with
the law and dispel any hint of
impropriety. He said the story
about his campaign finances
reported last week is old news
— about 15 months old — and
that the FEC did not take any
enforcement action after it
audited his 1992 campaign.

Auditors found that the cam-
paign overstated both its
receipts and expenditures in
1992 and never accurately
reported either the amount of
money borrowed from banks or
from Everett's personal funds.

Mr. Everett said those
records have since been updat-
ed and the FEC has not levied

rate and up to date on such
items as loan payments and
interest rates.

The congressman is not
packing blame for the inaccura-
cies cited by the FEC. He knows
that ultimately he is responsi-
ble, but is working to make sure
the same kinds of errors don't
occur again.

He's not like the character in
"Mr. Smith Goes to Washing-
ton," unaware of how things
work in our nation's capital. In
fact, he has enjoyed success in
working his way through the
legislative maze during his first
term.

As a freshman, he was
assigned to three House com-
mittees — agriculture, armed
services and veterans affairs —
that deal with interests vital to
his district.

He said if the peanut pro-
cessor is eliminated from the
exporting farm bill, the eco-
nomic blow to the region would
be staggering.

The unemployment rate
could reach 20 percent in some
areas, he said.

A reduction in Fort Rucker's
aviation role would have a simi-
lar impact because the money
generated by the Army base is
spent in almost every sector of
the local economy from auto-
mobile and retail sales to con-
struction and services.

As chairman of the Republi-
can Anti-NATO Task Force, he
worked, albeit unsuccessfully,
against free trade legislation
that he says encourages U.S.
businesses to move plants to
Mexico, leaving American facto-

26043744715

to pay on everything that was made on any date and the bank may not get the documentation to request until days later.

It's a job that requires specialized accounting skills. Mr. Everett says he has worked and is working with the FEC to ensure that his filings are accu-

in Dothan to provide for the 32,000 Wiregrass veterans he says are currently preserved.

Mr. Everett was picked up where U.S. Rep. Bill Dickinson left off in serving the interests of this region. That's why we endorse him for a second term.

Dear Mr. Dowling:

This is to acknowledge receipt on November 3, 1994, of your letter dated November 3, 1994. The Federal Election Campaign Act of 1971, as amended ("the Act") and Commission Regulations require that the contents of a complaint meet certain specific requirements. One of these requirements is that a complaint be sworn to and signed in the presence of a notary public and notarized. Your letter did not contain a notarization on your signature and was not properly sworn to.

In order to file a legally sufficient complaint, you must swear before a notary that the contents of your complaint are true to the best of your knowledge and the notary must represent as part of the jurat that such swearing occurred. The preferred form is "Subscribed and sworn to before me on this ____ day of ____, 19__." A statement by the notary that the complaint was sworn to and subscribed before him/her also will be sufficient. We regret the inconvenience that these requirements may cause you, but we are not statutorily empowered to proceed with the handling of a compliance action unless all the statutory requirements are fulfilled. See 2 U.S.C. § 437g.

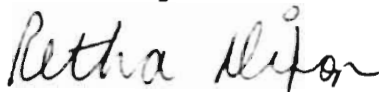

Enclosed is a Commission brochure entitled "Filing a Complaint." I hope this material will be helpful to you should you wish to file a legally sufficient complaint with the Commission.

Please note that this matter will remain confidential for a 15 day period to allow you to correct the defects in your complaint. If the complaint is corrected and refiled within the 15 day period, the respondents will be so informed and provided a copy of the corrected complaint. The respondents will then have an additional 15 days to respond to the complaint on the merits. If the complaint is not corrected, the file will be closed and no additional notification will be provided to the respondents.

If you have any questions concerning this matter, please contact me at (202) 219-3410.

Auditors found that the campaign overstated both its receipts and expenditures in 1992 and never accurately reported either the amount of money borrowed from banks or from Everett's personal funds.

Mr. Everett said those records have since been updated and the FEC has not levied

any fines, meaning it has not found reason to cite the campaign for wrongdoing.

That may be because it understands the difficulties inherent in a freshman trying to follow disclosure guidelines, and will work with those who try to comply with the rules.

The congressman said filling out the FEC forms can be complicated, especially when a line of credit is involved because loans against that line are not recorded until the bank learns about the transactions.

That can make reporting exact times difficult and confusing. For instance, an agreement to pay an advertising bill can be made on one date and the bank may not get the documentation to record it until days later.

It's a job that requires specialized accounting skills. Mr. Everett says he has worked and is working with the FEC to ensure that his filings are accu-

rate and up to date on such items as loan payments and interest rates.

The congressman is not passing blame for the inaccuracies cited by the FEC. He knows that ultimately he is responsible, but is working to make sure the same kinds of errors don't occur again.

He said if the peanut program is eliminated from the upcoming farm bill, the economic blow to the region would be staggering.

The unemployment rate could reach 30 percent in some areas, he said.

A reduction in Fort Rucker's aviation role would have a similar impact because the money generated by the Army base is spent in almost every sector of the local economy, from automobile and retail sales to construction and services.

As chairman of the Republican Anti-NAPTA Task Force, he worked, albeit unsuccessfully, against free trade legislation that he says encourages U.S. businesses to move plants to Mexico, leaving American factory workers unemployed.

In his role on the House agriculture committee and two of its subcommittees, he defended the peanut program by rallying support from other agricultural regions. He said opponents were attempting to weaken agricultural clout by killing off smaller programs before going after the bigger ones like cotton, dairy, wheat and feed grain.

He has pushed to maintain the legitimate rights of property owners, and have government compensate owners when laws deny them full, unhampered use of their property.

He is seeking funding for a Veterans Administration clinic in Dothan to provide for the 38,000 Wiregrass veterans he says are currently underserved.

Mr. Everett has picked up where U.S. Rep. Bill Dickinson left off in serving the interests of this region. That's why we endorse him for a second term.

Dear General Counsel:

There has been a repeated pattern of violations of FEC regulations by the Terry Everett For Congress campaign almost from the start in April 1992.

Everett has even dodged attempts by your office to allow him to correct the most serious errors and, in finally responding to some of the errors on 8/23/93, submitted a Form 3 with a forged signature. It does not contain the signature of Terry Everett as submitted.

Other of the most obvious and serious errors are detailed in the attached pages.

As an attorney for 18 years I have tried to be meticulous and clear. Your trained staff can take it from here.

I would like to be advised of the progress of this investigation if possible, and would testify if needed. Most of the violations are apparent from the public records, such as failure 19 times to timely file a 48 hour report, and the major problems with the bank and personal loans.

Sincerely,

Brian Dowling

Treasurer Problems

Mr. Everett designated himself as Treasurer at the start of his 1992 campaign. He does not appear to have filed an Amendment to designate anyone other than himself. Yet virtually all his reports are not signed by Mr. Everett.

Second, his 10/15/94 report is not signed by anyone.

Third, the 8/23/93 amendment after the FEC audit is not signed by Mr. Everett.

Fourth, the 1/28/94 report is not signed by Barbara Everett.

The required reports must be signed by the Treasurer and timely filed. Virtually all his public disclosures are, at least, late, and contain knowingly false signatures by Mr. Everett and his wife.

104.14(a) and (d) require the Treasurer to personally sign and file the originals, and makes the Treasurer "personally responsible for the timely and complete filing of the report or statement and for the accuracy." The attached newspaper article shows Mr. Everett is ducking his duty by blaming someone else. Everett flagrantly ignored the FEC audits and even submitted a false signature on the post-audit report dated 8/25/93. So did his wife.

U.S. Rep. Terry Everett of Enterprise was schooled on that point shortly after his election. His campaign committee had difficulties in following Federal Election Commission rules when reporting on nearly \$600,000 in bank loans used in his 1992 campaign.

The congressman says he wasn't told about the dozen letters written to him by the FEC from June to December 1992 warning that efforts to comply with the disclosure law were inadequate and could provoke enforcement action.

He says he entrusted that responsibility to someone he has since fired who was supposedly qualified to handle the filings.

Excessive Contributions Over \$1,000

FEC law and memorandum say each individual contribution over \$1,000 is "illegal on its face." Further, the excess was not refunded within 60 days.

\$2,000 by Jeffrey Yager, Charlotte, NC (10/5/92)

\$2,000 by Richard DeVos of Grand Rapids, Michigan by his making 2 \$1,000 contributions for the general election.

\$2,000 from Winton Blount III of Montgomery (9/11, 10/19)

2604374735

Excess Contributions from Non-multi-candidate PACs

1. Everett accepted more than \$1,000 from "Central Bank PAC" which the FEC told me by phone is not multi-candidate; therefore, the limit is \$1,000. Everett accepted, and retained, \$500 11/9/93 plus \$500 3/17/93 plus \$2,000 on 9/1/94.
2. Everett accepted \$1,500 from a Victory '92 Committee out of Birmingham, Alabama. The FEC tells me it is not a registered, multi-candidate committee.
3. Everett accepted more than \$1,000 from other PAC's which the FEC says are multi-candidate now. I'm wondering if they were multi-candidate at the time of their donations, namely Intergraph Corp., AmSouth PAC, American Sugarbeet, and UNG, Inc.

6604374736

Illegal Cash Contributions:

CFR 110.4(c) prohibits cash contributions over \$100. Everett had at least 5 and may have others if he merely stopped listing whether a donation was cash. The 5 are:

5/28/92 from Joe Paul Stewart, President of Coffee County Bank

6/23/92 from Karl Albright, a VP for Merrill Lynch

6/29/92 from John West, owner of Dothan Security

6/29/92 from Tom Leonard, homebuilder in Dothan

1/25/93 \$120 from an "unknown" [this is 2 violations because a candidate can not accept more than \$50 from anonymous donor]

Everett violated the law (a) by receiving them and (b) by failing to return the illegal cash contributions.

604374737

Violations of the 48 Hour Rule

- A. 104.5(f) requires all contributions and loans of \$1,000 or more received on or after 20 days prior to the election to be reported in writing to the FEC "within 48 hours of receipt." The FEC publication Record (Sep 94), page 4 says "The notice must reach the state and federal filing offices within 48 hours after a committee's receipt of contribution." Please refer to MUR 3816 where a \$20,000 penalty was assessed for 2 violations.

Of about 19 contributions of \$1,000 or more, for the general election, Everett failed to timely file any of them.

104. (e) says the date of mailing (postmark date) is used if the campaign uses registered or certified mail; conversely, if you use ordinary, first class mail, that Rule says the date is the date of receipt by the filing office. Everett sent all the 48 hour reports by ordinary mail so all were late.

This is a clear violation, 19 times, and helps to deprive the media and the public from knowing BEFORE the election of who is buying the candidate. Several major examples not timely reported:

\$2,000 listed on 10/16 by Winton Blount III, not reported until 10/22 (the FEC stamped filing date)

\$4,000 from Republican National Committee, listed as being made 10/22 but not FEC stamped until 10/27

\$1,000 from President of Crown Enterprises in Enterprise, Alabama, listed as being made on 10/23 but not reported until 7 days later

10/19 a \$60,000 bank loan not reported until 10/23 (FEC stamped filing date since ordinary mail was used)

Two \$1,000 made 5/19/94, reported 5/23. One PAC and one Montgomery doctor.

His \$9,595 loan or contribution to campaign on 5/21/94, reported 5/27.

May 18, 1994 was the cutoff date for June 7, 1994 Primary.

- B. I request the FEC get copies of the actual checks to see if they were made before the dates listed.

I also ask the FEC to investigate whether one check was signed by man and wife or were there 2 separate checks from

260437478

a Mr. and Mrs. Prince of WYOMING 10/30/92 which totalled \$2,000, filed 5 days later; and if this \$2,000 actually came from the father in Michigan who gave the \$2,000 maximum with his wife.

- C. Regarding the 48 hour violations and generally late reporting, Everett was late filing with the Alabama Secretary of State. A clerk told me 11/2/94 Everett filed no 48 hour notices.

2604374739

Personally Endorsed Bank Loans Without Reporting As a Contribution To His Campaign

FEC law requires candidate to publicly report each "guarantee or endorsement of a loan by a candidate." This applies to each contribution (100.7) and each expenditure (100.8). Everett failed to correctly list hundreds of thousands of dollars of bank transactions.

Footnote 1 in a recent FEC Record publication points out "endorsements and guarantees of bank loans are considered contributions." Everett seems to have personally endorsed most of his bank loans including e.g. the \$381,067 borrowed for his campaign from Central Bank of Dothan in 1992 (and in his FEC Report, he failed to list the Date Incurred, Date Due, the Interest Rate, and whether it was secured; those should have been on Schedule C) [he was either caught or realized his error because he filed these details two (2) months late.... I assume he was not reprimanded.]

In January '94 report, a \$30,000 loan from himself was not listed as a loan on Page 2, Line 13. It was listed as a contribution on Line 11(d) but now he claims it was a loan.

My opponent lent his campaign another \$9,595 on 1/21/94, trying to call it a loan in his April '94 report. But, it is not itemized as a receipt and, against, on Line 11(d) my opponent lists it as a Contribution, not a Loan.

Failed To List As A Debt Accrued Interest On Bank Loans

Everett's records appear to omit the interest due each reporting period for the huge \$600,000 bank loan. See MUR 3418 where the John Glenn campaign was cited.

2604374741

Are The Terms Of The Huge Bank Loans Legal, Or A Prohibited Contribution By A Bank?

Everett's huge debt appears to have started with a revolving loan of \$350,000 from Central Bank. It started in April 1992, at 6.5% interest, for 1 year, for about \$381,000. It quickly exceeded \$550,000.

The incumbent's latest report (Oct. 15) shows no payments.

I assure you, no one could borrow this much and not repay virtually anything except some of the interest.

Advisory Opinion AO 1991-10 by the FEC:

The August 1994 edition of RECORD put out by the FEC, p.6, said a bank, when making loans to federal candidates, may treat them differently from other customers "as long as the [treatment is] consistent with normal industry practice and the Bank's ordinary course of business with commercial customers. Otherwise, a prohibited corporation contribution would result."

The basic rule gleaned from earlier cases, suggests the FEC writer, is:

"if a political committee were to receive preferential treatment, a prohibited contribution would result."

2604374742

Misstated Campaign Debt On Virtually Every Report

Everett started as his own Treasurer. Then got his wife to do it; that's when big mistakes started. He flip-flopped the Treasurer's position many times. Examples:

FEC Report filed 10/22/92, omitted Line 10 which would have showed his debt as \$734,000.

FEC Report filed 12/7/92, reported debt at \$150,000 instead of the truth, which was debt of \$884,120!

FEC Report of 2/2/93 listed debt in Line 10 as \$10,000 instead of \$894,000!

Schedule C-1 to the October '92 FEC Report failed to have the treasurer and the bank sign about a \$100,000 bank loan I think that was cleared up much later by an "amendment." Same thing happened on that FEC Report to a \$50,000 loan.

30437473

Misstated Totals Of PAC Contributions

Everett would list different names for the same PAC (most notably ELECT-PAC and the Alabama Farm Bureau Federation which gave an illegal amount above \$5,000)

Everett's October '94 report repeatedly gives wrong YTD totals for PAC contributions, including wrong totals for:

AT&T
Central BancPAC
Conagra
Independent Bankers PAC
Lockheed
Intergraph

Example in detail: page 5 of Jan. 1994 FEC report says Intergraph PAC had given \$750 in 1993. Everett omitted to submit the true total of \$1250, which is comprised of

250 2/23/93

500 6/24/93

500 10/18/93

all marked as being given for the Primary.

6043744

Other Failures To Publicly Report Large Sums

100.8(a)(2) requires disclosure of each written contract, "including a media contract, promise or agreement to make an expenditure... as of the date such contract, promise or obligation is made." Examples may include:

1. Everett didn't report or pay for \$26,000 of pre-election advertising until after the election.
2. After the election, Everett paid \$10,125 to a Dothan CPA firm for work before the election.

These should have been publicly listed before the general election.

These were not detailed until Everett's December 1992 report, and included unbelievable sums of money.

He has continued this practice. Note that his October 1994 report list no debts. I'm sure his post-election report will show bills he should have listed.

2604374745

Everett Hid Contributions In 1992 To Make Believe He Was Not Taking PAC Money. 4 Large Examples:

The source of contributions must be separated and disclosed on page 2 of FEC Form 3. Block 11 is critical here. Starting with his first report, he failed to separate funding. He hid these as Individual Contributions:

- \$1,000 in July 1992 from Dickinson Campaign Committee
October 1992 report
- \$1,000 in August 1992 from National Republican Congressional Committee (for general election)
- \$1,000 in September 1992 from National Republican Congressional Committee (for general election)
- \$4,000 in October 1992 from National Republican Congressional Committee (for general election)
- * \$1,500 from Victory '92 Committee on 10/22/92 and 9/8/92 (an unregistered committee according to FEC)

Smaller examples Everett did not itemize before the 1992 election are:

- \$200 from Coffee County Republican Party (10/92)
- \$500 from Callahan for Congress Committee (10/19/92)

The practice continued into 1993, e.g. \$660.79 contribution by "Peanut PAC of Alabama" on 5/12/93 was hidden as an individual donation and listed on Line 11(a) with people, not as a PAC.

06043746

Serious Habit of Late Reporting To The FEC and Leaving Out
Important Lists of Pacs

He left out page 4 of 7 of the itemized list of PACs who gave him money in October 1993, and page 3 or 6 of the list of PACs who gave him \$500 each in June 1993.

A newspaper account by Associated Press details part of Everett's reporting problems

EVERETT'S CONGRESSIONAL REFORM VOTING RECORD

Everett voted against the Democrat's Campaign Finance Reform plan - a reform package supported by groups like the Chamber of Commerce and AFL-CIO. Included in this campaign finance reform package are provisions which set voluntary spending limits at \$600,000 per election and reward those who comply with \$200,000 in communications vouchers to be applied towards media, radio, or postage purchases. Also established were \$200,000 maximums for PAC contributions and large individual contributions.

Double Paying Mileage To A Staffer

On 12/20/93, Everett paid with public funds \$113.40 for his staffer Mike Lewis to drive back 850 miles to Washington after being on "official business" in Alabama. Six days later, Everett paid \$238 to the same staffer for what appears to be the same trip back. Perhaps it is a typographical or clerical error.

In 1992, Failed To Obtain Name Of Employer And Occupation Of Large Contributors As Required By FEC

FEC requires address and employer's name for contributors who give over \$200. 104.8, 100.12 definition.

9/30	Barbara Walding	\$1,000
9/30	Eileen Ellens of Michigan	\$1,000

10/9	Richard Merillat of Adrian, Mich.	\$1,000
10/12	Robert Haveman of Zeeland, Mich.	\$1,000

Everett collected \$93,000 for the 1994 primary, including money for after April 8 when no one could run against him in the Primary. His 1994 records disclose about 100 pages of contributions for the June '94 Primary after the April 8 deadline had passed and Everett knew there would be no Primary Election.

Never Revealed If His "Loans" To The Campaign Were From His Personal Funds

I received a letter dated 10/21/94 from ~~Ms. Slat~~ of the FEC staff that said the FEC requires separate listing and a clear statement that all loans by the candidate must be listed separately and disclose the source of the funds.

On Schedule C, Everett has always mixed "his" loans with bank loans.

Further, Everett has virtually never listed the Date Incurred of the larger loans of \$290,583 and \$584,120.

In his 10/15/94 report, the one unsigned by a Treasurer, Everett failed to list on Line 13(a) a \$9,595 loan from himself (listed on Schedule C as made 1/21/94).

Everett failed to list this \$9,595 loan as a Receipt when received 1/21/94.

Everett listed this on Line 11(d) as a Contribution in his April '94 report, not a Loan. So this amount should be disallowed as a Loan.

Double Paying Magnolia Clipping Service

Everett's official expenses with taxpayer's money show many payments to Magnolia Clipping Service, Tuscaloosa. Oddly, Everett has used campaign funds to pay Magnolia during many of the same months. Examples:

Official Expense Account

4/22/94 \$ 74.80 for March 1994

Paid Salaries To Employees Without Withholding Any Taxes:

He was paying salaries to key employees, plus expenses.

He listed their addresses at his address - 116 Main, Enterprise, Alabama

\$3,500 "salary" each month to Roy Washington

\$1,500 "salary" each month to Richard Willis (continued to be paid at least \$880 monthly "salary" into 1993)

\$1,500 "salary" each month to Edgar "Chip" Brown, Jr.

-- who are they? Everett lists their addresses as 116 South Main, Enterprise, which is his business; my guess is they are out-of-state pros

\$1,500 "salary" each month to Marcus Paramore

\$1,700 "salary" per month to a Steve Pelham plus \$850 monthly rent for an apartment in Montgomery

Everett started out paying them "contract labor" then put them on "salary" [Everett's reports]. Everett continues to pay employees without withholding, e.g. a Leigh Steltonpohl was paid \$530.70 in August 1994 and \$565.50 in September 1994.

2604374754

Treasurer must disclose what disbursements are for. Everett's records show persons first paid "contract labor" but then "salary." No withholding is shown on any of the employees.

Since this complaint is so voluminous and covers a three-year period, and since we are heavily involved in the organization of the 104th Congress, I respectfully ask that you please give us adequate time to digest Mr. Dowling's complaints.

Would you please consider giving us a 45-day extension on the time to respond?

Dear Ms. Taksar:

I am responding to your letter dated December 7, 1994 and received this date.

On Page 2 of the Complaint, Mr. Brian Dowling states, "I am wondering if they were multi-candidate at the time of their donations, namely Intergraph Corp., AmSouth PAC, American Sugarbeet and UNC, Inc."

The UNC Incorporated Public Responsibility Fund has been a multicandidate PAC for more than ten years and therefore was a multicandidate PAC when it made contributions to Terry Everett. These contributions were made on June 8, 1993 (\$500.00), September 28, 1993 (\$500.00) and March 1, 1994 (\$1,000.00).

Since these contributions were under the limit for multicandidate PAC's, we see no reason for any action to be taken against the UNC Incorporated Public Responsibility Fund or the undersigned.

He is the owner of a security system in Dothan, Alabama, and has four employees, he being the fifth person with responsibility in the company. During the election campaign that is material here, he did contribute a sum of \$95.00, to a worker in Congressman Everetts campaign. In addition to this contribution of \$95.00, his son, Gene B. West contributed a sum of \$55.00, and the following employees made the following contributions: Harry M. West, \$50.00, Jill C. West, \$50.00, Wayne Jackson, \$50.00, which totals \$300.00, and was delivered by Mr. John West to a campaign worker. RE: MUR 4146

Dear General Counsel:

This letter is in response to your inquiry on the above referenced matter as outlined in your letter of December 7, 1994, which was received on December 13, 1994.

I do not believe I have violated the Federal Election Campaign Act of 1991 as amended ("The Act").

During Mr. Everett's campaign for Congress a reception was held in May, 1992. At this reception I presented Mr. Everett with a \$200.00 cash contribution, consisting of a contribution for \$100.00 each from Joe Paul Stewart and T. E. Lee. I listed the names of the contributors, and amounts contributed on my business card which was presented at the same time as the contribution.

As confirmation of this, attached hereto is a sworn Affidavit from Mr. T. E. Lee.

I trust this statement will resolve your questions on this matter.

Sincerely,

Joe Paul Stewart, Affiant

Re: Complaint MUR 4146

Thank you for your council in our telephone conversation on December 14, 1994. In answer to those specific **allegations and complaints presented by Mr. Brian Dowling** mentioned in your letter of December 7, 1994 to me, John H. Dorrill, Jr., Treasurer, ELECT - The Political Action Committee of the Alabama Farmers Federation.

On July 9, 1994, I was advised by the Federal Election Commission in a letter RQ-5, Identification Number C00094573, in reference to the ELECT - Political Action Committee for the Alabama Farmers Federation, April Quarterly Report (1/1/94 - 3/31/94) that the Contribution(s) to the Campaign of Congressman Terry Everett (AL-2) exceeded the \$5,000 limit in the amount of \$250.

Following our instructions we discussed this matter with Congressman Everett, and concluded that the amount in excess of \$5,000 would be designated as a contribution to the "General Election Campaign." As a function of these talks, Mr. Everett provided us with a letter dated July 28, 1994 that he instructed us to designate the amount in excess to the "General Election Cycle."

Immediately upon receipt of the letter, ELECT - The Political Action Committee of the Alabama Farmers Federation filed a Schedule B in which we indicated that we were redesignating the contribution of \$250 from the primary to the General Election. Subsequent discussion with the Everett Campaign affirmed that they, too, had changed the designation of the \$250 Contribution from the Primary to the General Election Cycle. All documents in our possession are attached.

The reference on pp 18 and in the Documentation provided to support the allegation on pp 7, the use of the name Alabama Farm Bureau, is in error, but is an error which is commonly made. The Alabama Farmers Federation name is the legal title for the organization which founded and operates ELECT - The Political Action Committee of the Alabama Farmers Federation. Since

January 1, 1988, we have filed all Federal Election Commission Reports under that title. In January 1981, we severed our relationship with the American Farm Bureau Federation. We ceased using the Alabama Farm Bureau name, in December 1989. However, the memory of individuals outside of the organization may occasionally use the former name. I am certain that you will agree that we have no control over the use of the former name by another person. The reference to Alabama Farm Bureau in documentation for pp 7 of the Dowling Complaint, and the allegation on pp 18 must be viewed as a lapse of memory of the name change and not an effort to confuse the record.

I sincerely hope that you will view this complaint as an honest error which has been corrected and nothing more.

Dear Mr. Dorrill:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a multicandidate committee from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of \$5,000 and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the contributor. In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

5042764810

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Dear John:

The Feb. 24, 1994 contribution from your PAC in the amount of \$250 made payable to the Terry Everett For Congress Committee should be designated to the 'General Election cycle of 1994,' not the primary cycle.

The Terry Everett For Congress Committee has advised the FEC of this error and redesignation through an amendment to our recent return. You should file a memo to this effect with the FEC as well.

Thank you for your support. Please call if we can be of further service.

RE: MUR 4146

Dear Ms. Smith:

This is in response to your letter of December 7, 1994. The complaint of Brian Dowling enclosed with your letter questions whether the AmSouth PAC was a multi-candidate committee at the time it made a contribution to the Terry Everett for Congress Committee. As Treasurer of the AmSouth PAC, I hereby affirm that the AmSouth PAC was a multi-candidate committee as defined in 11 C.F.R. 100.5(e)(3) at the time such contribution was made and continues to be a multi-candidate committee.

Please contact me if you require any additional information from the AmSouth PAC regarding this matter.

Very truly yours,

John M. Gaffney
Treasurer

On this 15th day of December, 1994, John Gaffney personally appeared before me and, being duly sworn, executed this letter before me as true and correct to the best of his information and belief.

RE: MUR 4146

Dear Sir or Madam:

After searching through the attachments of your December 7, 1994 notification of complaint for any item pertaining to the American Sugarbeet Growers Association Political Action Committee (FEC I.D. #C00167684), the only reference I was able to find was on Page 10 of Mr. Dowling's attachment to his November 11, 1994, letter to the FEC.

This item questioned our status as a multi-candidate committee. The American Sugarbeet Growers Association PAC qualified as a multi-candidate committee on September 30, 1984.

This should demonstrate that no violation of the Federal Election Campaign Act of 1971, as amended, has occurred, and no action should be taken against the American Sugarbeet Growers Association Political Action Committee.

Thank you for your consideration. Please phone if you have further questions.

Sincerely,

Luther Allan Markwart
Treasurer

Contributions are not tax deductible.

The Federal Election Campaign Act prohibits any individual from contributing over \$25,000 with respect to federal elections in any calendar year. It is not necessary to report to the Federal Election Commission the names of those making political contributions totaling \$200 or less. However, the Committee must maintain records with the name, address, occupation and principal place of business of every person who does contribute.

A copy of our report is filed with the Federal Election Commission and is available for purchase from the Federal Election Commission, Washington, D.C.

Re: MUR 4146 - Karl Albright

Dear Ms. Smith:

This is in response to the complaint filed by Brian Dowling alleging that Karl Albright made an excessive cash contribution to Terry Everett for Congress ("Committee"). Attached is a completed Statement of Designation of Counsel. Mr. Albright did not give an excessive cash contribution to the Committee in that he gave the permissible amount, i.e., \$100 on behalf of himself and \$100 on behalf of his wife, Glenda Albright.

I. **THE FACTS**

Karl and Glenda Albright maintain that all their available funds are in joint accounts. See attached affidavits. While attending a fundraiser for the Committee, they each promised to make a contribution to the Committee. When a representative of the Committee subsequently came to Dothan, Alabama to collect contributions, Karl Albright gave that representative a \$100 bill on behalf of himself and another \$100 bill on behalf of his wife. See id. The contribution was made in the form of cash because Karl Albright did not have on his person the checkbook for his and his wife's joint checking account.

Ms. Alva E. Smith
December 22, 1994
Page 2

II. THE LAW

Under the Federal Election Campaign Act of 1971, as amended, an individual may make cash contributions to the campaign of a federal candidate as long as those contributions do not exceed \$100 in the aggregate per election. 2 U.S.C. § 441g. That contribution limit applies separately to each spouse.

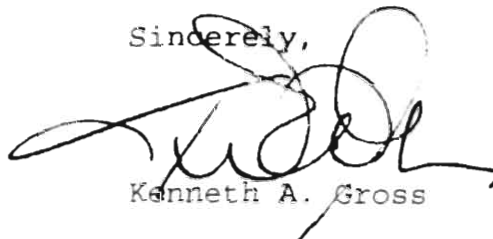

III. CONCLUSION

The two \$100 bills constituted contributions from both Karl and Glenda Albright. Funds of both spouses are held in a joint checking account. Also, during a fundraiser, Glenda along with Karl promised to make a contribution. Indeed, Glenda specifically told Karl about her wish to make a contribution to the Committee. See attached affidavit.

Having made such contributions, neither Karl nor Glenda Albright exceeded their contribution limit of \$100. Karl Albright purposefully gave a \$100 bill for himself and another \$100 bill for his wife. See id.

In that the limit for cash contributions was not exceeded, the Federal Election Commission should dismiss this complaint against Karl Albright.

Sincerely,

Kenneth A. Gross

RE: MUR 4146

Dear Ms. Taksar:

I received your December 7, 1994 letter regarding complaint MUR 4146 on December 15, 1994. The only portion of the complaint that relates to me is that I supposedly contributed over the limit of \$1,000 per individual. If that did happen, it was inadvertent and Mr. Everett's campaign refunded \$1,000 to me with a letter explaining that they could not accept the second contribution. I am checking my records to confirm that two checks were written.

I have requested a copy of the refund check from Mr. Everett's staff and they have assured me they will forward this to me as soon as possible. There should be a listing under expenditures for this refund on your campaign reports for Terry Everett.

If you need further information from me, please let me know.

Yours truly,

RE MUR 4146

RESPONSE OF THOMAS F. LEONARD

COMES NOW, Thomas F. Leonard, by and through his undersigned Attorney-in-Fact, and for response to the Complaint filed by Brian Dowling, as amended, and says as follows:

1 That he is a resident citizen of Dothan, Houston County, Alabama. He and other members of his family are engaged in the housing industry in Southeast Alabama, Southwest Georgia, and Northwest Florida.

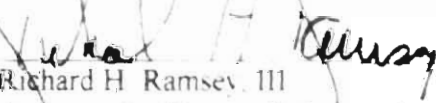

2 That he is familiar with Congressman Terry Everett, and has personally known him for several years. Congressman Everett is and has been for a number of years a friend of the homebuilding industry, and the stated Thomas F. Leonard is well aware of his constant assistance in regards to prospective legislation in connection with the homebuilding industry.

3 Thomas F. Leonard acknowledges that on or about June 29th, 1992, he and other members of his family made direct cash contributions of \$100.00 each to the Everett campaign. These were token contributions to recognize Congressman Everett's attention and assistance to the homebuilding industry. These token contributions were given to a representative of Congressman Everett, and no receipt was requested. See Affidavits attached hereto marked Exhibits "A", "B", and "C".

4 The stated Thomas F. Leonard, et al. thus have no personal knowledge of any alleged violation of the Federal Election Campaign Act of 1971, as amended, and specifically deny any violation of CFR 110.4 (c).

WHEREFORE, the stated Thomas F. Leonard having filed his written response hereto, with Exhibits attached, he respectfully requests that said alleged violation be dismissed as being uncorroborated and untrue. The stated Thomas F. Leonard further feels that said Complaint was made willfully and wantonly, without due investigation or prudent inquiry. He therefore suggests that such fine or penalty be assessed against the Complainant as the Federal Elections Commission deems meet and appropriate. It has been noted that the Complainant contends that he has been an attorney for 18 years, and that he always tries to be meticulous and clear. This certainly does not appear to be the facts upon due and proper investigation of the true circumstances.

Respectfully submitted,

Richard H. Ramsey, III

RE: MUR 4146

Dear Ms. Taksar:

I am the General Counsel for Compass Bancshares, Inc. and Compass Bancshares Political Action Committee, a/k/a Compass BancPAC and formerly known as Central BancPAC. Central BancPAC received on or about December 12, 1994 your letter of December 7, 1994 regarding the above matter. It is not exactly clear what response you are seeking with respect to this matter. Compass BancPAC is and has since its initial registration been a multi candidate political action committee. The original statement of organization for Central Bancshares of the South political action committee (Central BancPAC) was filed in 1981 and has the FEC identification number C00142596. Your records should reflect that Compass BancPAC has from its inception been a multi candidate committee. Please advise if we need to provide any additional information other than our filings with the Federal Election Commission over the last 14 years to establish our status as a multi candidate political action committee.

Page 16 of the attachment to Brian Dowling's letter of November 11, 1994 includes a reference to a bank loan from Compass Bank to Representative Everett. We cannot determine whether Mr. Dowling is suggesting that the loan from Compass Bank, formerly known as Central Bank, was made on preferential terms. As you know Compass Bank has no reporting obligation regarding a loan made to Mr. Everett in the ordinary course of its business. Our obligation is simply to certify information that Mr. Everett presents to us in connection with his filings with the FEC and other agencies. I am sure Mr. Everett's response to this issue should clearly disclose the terms and conditions of these loans.

It is not clear whether you are seeking any information from Compass Bank regarding these loan transactions. Since Compass Bank is a financial institution it is quite familiar with the rules and advisory opinions of the Federal Election Commission regarding loans to political candidates and does not and in this case has not made a loan to Representative Everett on a preferential basis. Please let me know what information, if any, you may require of Compass Bank to support this response.

Re: MUR 4146

Dear Ms. Taksar:

Enclosed you will find an authorization of Richard M. DeVos, Jr. to respond on his behalf to an original Complaint and Amendment forwarded by your letter of December 7, 1994. That letter was not received by Mr. DeVos until December 19, 1994 due in large part to his absence from the country.

We have investigated this matter and find that Mr. DeVos' contribution complies with the 2 USC 441a(1)(A). I am enclosing a photostatic copy of a check made payable to Everett for Congress, dated September 9, 1992, on the account of Richard M. DeVos, Jr. and Elizabeth D. DeVos in the amount of \$1,000. The contribution which has confused this issue is that contribution which is reflected by Mr. DeVos' father's check, payable to Everett for Congress, dated October 1, 1992, on the account of Richard M. DeVos and Helen J. DeVos in the amount of \$1,000. A photostatic copy of that check is also enclosed.

Accordingly, we request that the Commission find no reason to believe that the complaint of Brian Dowling, as to the Richard M. DeVos, Jr. contribution, sets forth a possible violation of the Federal Election Campaign Act. We feel that the Commission should close this matter and that no additional action be taken. We would sincerely appreciate, however, an apology from either or both the Federal Election Commission or Mr. Dowling, who initiated the Complaint.

Very truly yours,

Re: MUR 4146

Dear Ms. Smith:

As we discussed on the telephone last week, we have just received the letter to Jeffrey S. Yager from Mary L. Taksar dated December 7, 1994. We are in the process of reviewing the complaint, the amendment, and the attached procedures. Based on an initial review of the documents, however, we could not tell what law Mr. Yager has allegedly violated. Other than a single reference to a contribution in 1992, there appears to be no other mention of Mr. Yager in the complaint. Please provide us with more information regarding the allegations against Mr. Yager and the 1992 contribution so that we can be better prepared to discuss this matter with you.

Upon information and belief (based upon an examination of his records) our client denies violating any election or campaign law. If the contribution referred to was made, it was certainly done inadvertently and with no knowledge or intent to violate any law.

Please refer this case to someone in your legal department so that we can discuss directly with them any laws that have allegedly been violated. It is our understanding that we will need to deal directly with your legal department to allow them to make a recommendation to the Commission.

If we can be of further help, please do not hesitate to contact us.

Sincerely yours,

Paul M. Hattenhauer

RE: MUR 4146

Dear Ms. Smith:

This correspondence is in response to your letter of 7 December 1994 which addresses possible violations of the Federal Election Campaign Act of 1971 in relation to MUR 4146.

In the course of the political cycle in 1993, Intergraph PAC, of which I am Treasurer, supported Representative Terry Everett on three separate occasions in the amounts of \$250 on 2/16/93, \$500 on 6/14/93 and \$500 on 10/11/93. (Copies Attached). Those contributions are correspondingly reflected in the Intergraph PAC submission of the 1993 mid-year and year-end Reports of Receipts and Disbursements. (Copies Attached).

As to the Intergraph PAC multicandidate status, Intergraph PAC's multicandidate status was clearly established by the FEC in December 1993 in correspondence signed by the Deputy Assistant Staff Director of the FEC Information Division. (Copy attached). In conformance with direction provided in that correspondence, Intergraph took retroactive action to notify all recipients first by correspondence (Specimen attached) of its multicandidate status and thereafter, by notation on individual remittances in support of candidates as recommended in the FEC letter of December 1993. (Specimen attached).

Should you require further corroboration of records in this matter please contact me in writing or at (703) 264- 5644.

Sincerely

E.A. Wilkinson

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20541

December 1993

Dear Treasurer:

New regulations, at 11 CFR 102.3 and 110.2, effective January 1, 1994, require political committees to notify the Commission, by filing FEC Form 1M, that they have achieved multicandidate status. In addition, committees must give notice of this status to recipient candidates and committees when they make a contribution. The purpose of this letter is to advise you of these new regulations and to explain how they pertain to your committee.

Our records show that your political committee has already satisfied the requirements for multicandidate status. Therefore, you need not file FEC Form 1M. However, beginning with your next report, you must check box three (3) on FEC Form 3X, to indicate that your committee is a multicandidate committee. This should be done each time you file Form 3X. Your committee may also wish to note on the form that it satisfied the criteria of multicandidate status prior to January 1, 1994.

In addition, when you make contributions, your committee must inform all recipient candidate committees, in writing, that it has qualified as a multicandidate committee. You may have this information preprinted, typed or handwritten on checks or stationery or included in the body of a letter accompanying a check.

The Federal Register Notice containing the revised regulations has been provided for your convenience. If you have any questions regarding these rules or the additional requirements of your committee, please contact the Information Division at 1-800-424-9530 or 202-219-3420.

Sincerely,

A handwritten signature in cursive script, reading "Bobby Werfel", is written over the typed name.

RESPONSE TO THE COMPLAINT DOCKETED AS MUR 4146

On November 11, 1994, the Federal Election Commission received a Complaint from Mr. Brian Dowling wherein Mr. Dowling alleged that the Terry Everett for Congress Committee had violated several FEC regulations during the 1992 and 1994 election cycles.

Submitted herein is the Committee's Response to each allegation contained in the Complaint. Where appropriate, the Committee has included attachments which are tabbed accordingly (an Index is included). References to page numbers correspond to the Complaint.

PAGE 1

Complaint: Several of the Committee's reports are either not signed, or are signed by someone other than the Treasurer.

Response: The Committee's original Statement of Organization (Tab 1) designates Terry Everett as the Treasurer of the Committee. In this same block (#8), Barbara Everett is designated as the Chairman. It was the Committee's intent that Ms. Everett serve as Assistant Treasurer, however, it did not use the correct title, instead titling her as Chairman. Ms. Everett was also designated as the custodian of the Committee's records.

Complaint: The Committee's 10/15/94 report is not signed by anyone.

Response: Mr. Dowling is correct in pointing out that this report is not signed. A copy of an amended report filed this same day is attached (Tab 2).

Complaint: The Committee's 8/23/93 report is not signed by Barbara Everett.

Response: Barbara Everett expressly authorized the inscription of her signature on her behalf on these forms, therefore, by definition, where a signature is authorized there can be no forgery. Ms. Everett's affidavit is attached (Tab 3).

Complaint: The Committee's 1/28/94 report is not signed by Barbara Everett.

Response: Barbara Everett expressly authorized the inscription of her signature on her behalf on these forms, therefore, by definition, where a signature is authorized there can be no forgery. Ms. Everett's affidavit is attached (Tab 3).

Complaint: Virtually all of the Committee's public disclosures are, at least, late, and contain knowingly false signatures by Mr. Everett and his wife.

Response: 11 CFR § 104(e) states that, "[a] designation, report or statement sent by registered or certified mail shall be considered filed on the date of the U.S. post mark" The Committee's quarterly reports have either been hand delivered or, in most instances, sent by certified mail and have been timely filed. As to the alleged forgeries, both Terry Everett and Barbara Everett expressly authorized the inscriptions of their signatures on their behalf. Mr. Everett's affidavit is attached (Tab 4).

PAGE 7

Complaint: ELECT-PAC contributed \$5,250 to the Committee for the '94 primary.

Response: ELECT-PAC contributed \$2,000 to the Committee on 3/26/93 for the primary; \$2,000 on 6/25/93 for the primary; \$1,000 on 10/12/93 for the primary; and \$250 on 2/16/94 for the primary. This latter contribution of \$250 was re-designated for the general election on July 28, 1994 (Tab 5).

PAGE 9

Complaint: The following individuals contributed \$2,000 to the Committee: Jeffrey Yager, Richard DeVos and Winton Blount, III.

Response: The contribution of \$2,000 from Jeffrey Yager was re-designated to correctly show a contribution of \$1,000 from Dexter Yager and \$1,000 from Birdie Yager (Tab 6). Richard DeVos did not contribute \$2,000, he contributed \$1,000. His son, Richard M. DeVos, Jr. also contributed \$1,000 (Tab 7). The Committee refunded the entire amount, \$2,000, to Winton Blount on June 30, 1993 (Tab 8).

PAGE 10

Complaint: The Committee accepted more than \$1,000 from "Central Bank PAC" which Mr. Dowling alleges is not a multicandidate committee.

Response: The Central Bank of the South is now Compass Bankshares, Inc. (Tab 9). The Bank's separate segregated fund qualified as a multicandidate committee on July 28, 1982. Therefore, it may contribute up to \$5,000 per candidate per election.

Complaint: The Committee accepted \$1,500 in 1992 from "Victory 92" out of Birmingham, Alabama, which is not a multicandidate committee.

Response: Victory 92 is actually the Shelby County Republican Party Committee in Alabama, and is registered with the FEC as an affiliate of the Alabama Republican Party. The Alabama Republican Party is a multicandidate committee. A copy of Shelby County's Statement of Organization is attached (Tab 10).

Complaint: Mr. Dowling alleges that the following PACs may not have been multicandidate committees in 1992: Intergraph Corp.; AmSouth PAC; American Sugarbeet; UNC, Inc.

Response: According to the FEC's records, Intergraph PAC became a multicandidate committee on 7/21/86; AmSouth PAC on 7/15/83; American Sugarbeet PAC on 9/30/84; and UNC, Inc. PAC on 3/31/88. Therefore, the Committee's acceptance of contributions in excess of \$1,000 were legal.

PAGE 11

Complaint: The Committee accepted illegal cash contributions (over \$100.00) from Joe Paul Stewart, Karl Albright, John West, and Tom Leonard. In addition, the Committee accepted an illegal (over \$50.00) anonymous contribution in the amount of \$120.00.

Response: The cash contribution of \$200.00 from Karl Albright was a contribution of \$100.00 from Mr. Albright and \$100.00 from his wife, Glenda Albright. Copies of their affidavits are attached (Tab 11). The cash contribution of \$300.00 from John West was a contribution of \$95.00 from Mr. West, \$55.00 from Gene West, \$50.00 from Harry West, \$50.00 from Jill West and \$50.00 from Wayne Jackson. A copy of the response from Mr. West's attorney, Jack Smith, is attached (Tab 11). The cash contribution of \$300.00 from Thomas F. Leonard was a contribution of \$100.00 from Mr. Leonard, \$100.00 from Thomas M. Leonard, and \$100.00 from Wynell Leonard. Copies of their affidavits are attached (Tab 11). The cash contribution of \$200.00 from Joe Paul Stewart was a \$100.00 contribution from Mr. Stewart, and a \$100.00 contribution from T.E. Lee. Although a copy of Mr. Stewart's affidavit is not attached, it is the Committee's understanding that it has been filed with the FEC in response to a separate inquiry. The Committee will file an amended report which correctly attributes these contributions.

As to the \$70.00 excessive anonymous contribution, the money has been given to charity for a non-campaign related purpose (Tab 11).

PAGE 12

Complaint: In 1992, the Committee failed to timely file a 48-Hour Notice with respect to contributions from the following individuals: Winton Blount, III; the Republican National Committee; Jerry Meadows; and a bank loan to the Committee.

Response: 1992 was the first year the Committee was in existence. The notices complained of were filed either by G. Ross Kennedy, a member of the Committee's CPA firm at the time, or by Roy Washington, the Congressman's campaign manager. As is evidenced by copies of the notices, both Mr. Kennedy and Mr. Washington mailed the notices within the prescribed time (Tab 12). Unfortunately, they were unaware of the FEC's rule regarding regular mail. They were in no way attempting to circumvent the FEC's rules.

Complaint: In 1994, the Committee failed to timely file a 48-Hour Notice with respect to contributions from the following individuals: the Florida Sugar Cane League PAC; Dr. Edward E. Palmer, Jr.; and with respect to a loan from Terry Everett.

Response: The Florida Sugar Cane League PAC and Dr. Edward E. Palmer, Jr. both contributed to the Committee on May 19, 1994, which was a Thursday. The Committee did not file the 48-Hour Report the following Friday as it should have done, and had to fax it first thing Monday, May 23, 1994. Similarly, the loan from Terry Everett was made on Saturday, May 23, 1994. Had the Committee faxed the 48-Hour Report on Monday, May 23rd, it would have filed within the 48-hour time limit. Unfortunately, the report was sent by regular mail on the 23rd.

Complaint: No 48-Hour Notices were filed with the Alabama Secretary of State in 1994.

Response: The State of Alabama does not have a 48-Hour Notice requirement, although the Secretary of States Office has received and continues to receive copies of all the Committee's reports as required by the FEC.

PAGE 14

Complaint: The Committee failed to properly list a \$30,000 loan and a \$3,595 loan from Terry Everett.

Response: The Committee made the necessary amendments regarding these loans as requested by the Commission Tab 13.

PAGES 15, 16 & 17

Complaint: The Committee failed to report interest due on a \$600,000 bank loan and misstated its debt in 1992. Mr. Dowling also questions the legality of the Committee's bank loans.

Response: As the Commission is aware, the Committee's 1992 activity was the subject of an FEC audit in 1993. At that time, the auditors made several recommendations regarding the Committee's debts and obligations. As a result, the Committee filed a comprehensive amendment on August 23, 1993, (Tab 14), and has been reporting debts and obligations as outlined in the Auditor's report. Any subsequent reporting errors have been amended.

With regard to the validity of the loans, there have been no illegal contributions from any lending institution. A complete summary of the loan history, prepared by Compass Bank (formerly Central Bank of the South), is attached (Tab 15).

PAGE 18

Complaint: The Committee listed different names for the same PAC (most notably ELECT-PAC and the Alabama Farm Bureau Federation).

Response: To the best of the Treasurer's knowledge, no PAC has been listed incorrectly. Although Mr. Dowling's allegation is not clear, it appears that, with respect to ELECT-PAC, he is referring to the fact that the Alabama Farm Bureau is now known as the Alabama Farmers Federation.

Complaint: The Committee incorrectly reported year-to-date totals for the following PACs in its October 1994 report: AT&T; Central BancPAC; Conagra; Independent Bankers PAC; Lockheed; and Intergraph.

Response: The Committee failed to carry forward the correct year-to-date totals for contributions from these PACs in its 1994 October 15 Quarterly Report as follows: AT&T reported as \$1,000 y-t-d should be \$1,500; Central BancPAC reported as \$2,000 y-t-d should be \$2,500; Conagra reported as \$500 y-t-d should be \$1,000; Independent Bankers PAC reported as \$500 y-t-d should be \$1,000; Lockheed reported as \$500 y-t-d should be \$1,000; Intergraph reported as \$500 y-t-d should be \$1,000. The Committee has filed an amended Quarterly Report for the period July 1, 1994 through September 30, 1994. Tab 16.

Complaint: The Committee incorrectly reported year-to-date totals for Intergraph in 1994.

Response: The Committee failed to carry forward the correct year-to-date total for contributions from Intergraph in 1993. The correct total should be \$1,250.00. The Committee has filed an amended Year-End Report for 1993 (Tab 17).

PAGE 19

Complaint: The Committee failed to report expenditures for advertising and accounting services until after the 1992 general election.

Response: These issues were covered in the FEC's 1993 audit.

PAGE 20

Complaint: The Committee hid PAC contributions in 1992.

Response: Mr. Dowling refers to 5 committees as PACs in this complaint - Dickinson Campaign Committee; The National Republican Congressional Committee; Victory '92; The Coffee County Republican Party; and The Callahan For Congress Committee. These five committees are not PACs. The Committee never hid contributions from these groups, or from any other political committee. All contributions regardless of their source were reported. In 1992, because the Committee had just organized, contributions from political party committees may not have been reported on a separate Schedule A for line 11(b).

PAGE 21

Complaint: The Committee left out lists of PAC contributions in 1993, specifically page 4 of 7 of line 11(c) contributions (for October 1993), and page 3 of 6 of line 11(c) contributions (for June 1993).

Response: The Committee inadvertently left these pages out when it filed the respective reports, however, the Committee filed amended reports inserting the missing pages (Tab 18).

PAGE 23

Complaint: Congressman Everett used public funds to pay travel expenses of one of his staff members.

Response: The expenses complained of were not related to the Congressman's campaign, and were not paid for by his campaign Committee.

PAGE 25

Complaint: The Committee failed to obtain information relating to the occupation of five contributors: Barbara Walding, Eileen Ellens, Monica Mylod ("another woman in Michigan"); Richard Merrilat; and Robert Haveman.

Response: For each individual listed above, the Committee reported his or her address. The Committee was unable to obtain any additional information regarding employment. The Committee is aware of the FEC's rules regarding best efforts, effective March 1994.

Complaint: The Committee collected \$93,000 for the 1994 primary even though Congressman Everett ran unopposed.

Response: The Committee is aware of no FEC rule precluding candidates from receiving contributions earmarked for a primary in which they are unopposed.

PAGE 26

Complaint: The Committee never revealed if its loans were from Terry Everett's personal funds.

Response: The Committee has filed the proper amendments regarding loans from the Congressman's personal funds (Tab 13).

Complaint: The Committee failed to properly list a \$9,595 loan from Terry Everett.

Response: The Committee has filed the proper amendments regarding this loan from the Congressman's personal funds (Tab 13).

PAGE 27

Complaint: The Committee "double payed" the Magnolia Clipping Services.

Response: The Magnolia Clipping Service provides clippings related to the Congressman's campaign as well as to his work as a Member. Only those clippings provided which relate to the campaign are paid by the Committee. An example of a report showing campaign-related clipping expenses is provided at Tab 19. At no time has the Committee paid twice for these expenses.

PAGE 28

Complaint: The Committee pays salaries to employees without withholding taxes.

Response: The Committee properly reports to the FEC payments for services provided by individuals to the Committee. The individuals listed in the Complaint are contract employees for the campaign, and are not salaried as that term is commonly used.

PAGE 37

Complaint: The Congressman omitted huge amounts of assets in his Financial Disclosure Statement.

Response: The FEC does not require candidates to file financial disclosure statements. This Complaint is outside the jurisdiction of the FEC.

Dear Mr. Anderson:

A contribution of \$250 to the Terry Everett for Congress Committee from Elect, the Political Action Committee of the Alabama Farmers Federation dated Feb. 24, 1994, should be designated for the 1994 General Election cycle, not the Primary cycle as reported in our recent report.

We regret the error and ask that you note the redesignation. An amended statement from our accountant will follow.

RE: MUR 4146

Madams and Sirs:

In reference to yours of December 7, 1994, addressed to my client, John West, of 1802 Haisten Drive, Dothan, Alabama. We wish to respond to the allegations that Mr. West violated the provisions of 110.4C Code of Federal Regulations. To such allegations, Mr. West responds as follows.

He is the owner of a security system in Dothan, Alabama, and has four employees, he being the fifth person with responsibility in the company. During the election campaign that is material here, he did contribute a sum of \$95.00, to a worker in Congressman Everetts campaign. In addition to this contribution of \$95.00, his son, Gene B. West contributed a sum of \$55.00, and the following employees made the following contributions: Harry M. West, \$50.00, Jill C. West, \$50.00, Wayne Jackson, \$50.00, which totals \$300.00, and was delivered by Mr. John West to a campaign worker. We trust that this answers the question raised here, and we are glad to respond to your inquiry.

Sincerely,

Jack W. Smith

RE: MUR 4146

WASHINGTON, DC 20461)

RESPONSE OF THOMAS F. LEONARD

COMES NOW, Thomas F. Leonard, by and through his undersigned Attorney-in-Fact, and for response to the Complaint filed by Brian Dowling, as amended, and says as follows:

1. That he is a resident citizen of Dothan, Houston County, Alabama. He and other members of his family are engaged in the housing industry in Southeast Alabama, Southwest Georgia, and Northwest Florida.

2. That he is familiar with Congressman Terry Everett, and has personally known him for several years. Congressman Everett is and has been for a number of years a friend of the homebuilding industry, and the stated Thomas F. Leonard is well aware of his constant assistance in regards to prospective legislation in connection with the homebuilding industry.

3. Thomas F. Leonard acknowledges that on or about June 29th, 1992, he and other members of his family made direct cash contributions of \$100.00 each to the Everett campaign. These were token contributions to recognize Congressman Everett's attention and assistance to the homebuilding industry. These token contributions were given to a representative of Congressman Everett, and no receipt was requested. See Affidavits attached hereto marked Exhibits "A", "B", and "C".

4. The stated Thomas F. Leonard, et al, thus have no personal knowledge of any alleged violation of the Federal Election Campaign Act of 1971, as amended; and specifically deny any violation of CFR 110.4 (c).

WHEREFORE, the stated Thomas F. Leonard having filed his written response hereto, with Exhibits attached, he respectfully requests that said alleged violation be dismissed as being uncorroborated and untrue. The stated Thomas F. Leonard further feels that said Complaint was made willfully and wantonly, without due investigation or prudent inquiry. He therefore suggests that such fine or penalty be assessed against the Complainant as the Federal Elections Commission deems meet and appropriate. It has been noted that the Complainant contends that he he has been an attorney for 18 years, and that he always tries to be meticulous and clear. This certainly does not appear to be the facts upon due and proper investigation of the true circumstances.

Respectfully submitted,

Richard H. Ramsey, III

Attorney for Thomas F. Leonard

Re: MUR 4146

Dear Ms. Taksar:

This letter is in response to the letter received by Jeffrey S. Yager on December 7, 1994 which alleges a violation of the Federal Election Campaign Act of 1971, as amended (the "Act"). As attorneys for Mr. Yager a Designation of Counsel statement, a copy of which is enclosed herewith, should already be on file with your office.

Upon information and belief (based upon an examination of his records), Mr. Yager denies violating the Act or any other election or campaign law. If the contribution referred to was made, it was certainly done inadvertently and with no knowledge or intent to violate any law.

We have enclosed a copy of a canceled check made payable to Everett for Congress which represents a campaign contribution of Mr. Yager's parents. This is not a campaign contribution of Mr. Yager. The check was drawn on their account and was simply signed by Mr. Yager on behalf of his parents. We trust this resolves the allegations made against our client.

It is our understanding that the above-referenced matter will be assigned to a staff member for a factual and legal analysis and that when completed a recommendation will be made to the full Commission as to whether there is probable cause to believe that a campaign law violation has occurred. If we can be of further assistance during this period of investigation, please do not hesitate to contact us.

Sincerely yours,

RE: MUR 4146

Dear Ms. Smith:

This correspondence is in response to your letter of 7 December 1994 which addresses possible violations of the Federal Election Campaign Act of 1971 in relation to MUR 4146.

In the course of the political cycle in 1993, Intergraph PAC, of which I am Treasurer, supported Representative Terry Everett on three separate occasions in the amounts of \$250 on 2/16/93, \$500 on 6/14/93 and \$500 on 10/11/93. (Copies Attached). Those contributions are correspondingly reflected in the Intergraph PAC submission of the 1993 mid-year and year-end Reports of Receipts and Disbursements. (Copies Attached).

As to the Intergraph PAC multicandidate status, Intergraph PAC's multicandidate status was clearly established by the FEC in December 1993 in correspondence signed by the Deputy Assistant Staff Director of the FEC Information Division. (Copy attached). In conformance with direction provided in that correspondence, Intergraph took retroactive action to notify all recipients first by correspondence (Specimen attached) of its multicandidate status and thereafter, by notation on individual remittances in support of candidates as recommended in the FEC letter of December 1993. (Specimen attached).

Should you require further corroboration of records in this matter please contact me in writing or at (703) 264- 5644.

Sincerely,

E.A. Wilkinson

Treasurer, Intergraph PAC

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20541

December 1993

Dear Treasurer:

New regulations, at 11 CFR 102.3 and 110.2, effective January 1, 1994, require political committees to notify the Commission, by filing FEC Form 1M, that they have achieved multicandidate status. In addition, committees must give notice of this status to recipient candidates and committees when they make a contribution. The purpose of this letter is to advise you of these new regulations and to explain how they pertain to your committee.

Our records show that your political committee has already satisfied the requirements for multicandidate status. Therefore, you need not file FEC Form 1M. However, beginning with your next report, you must check box three (3) on FEC Form 3X, to indicate that your committee is a multicandidate committee. This should be done each time you file Form 3X. Your committee may also wish to note on the form that it satisfied the criteria of multicandidate status prior to January 1, 1994.

In addition, when you make contributions, your committee must inform all recipient candidate committees, in writing, that it has qualified as a multicandidate committee. You may have this information preprinted, typed or handwritten on checks or stationery or included in the body of a letter accompanying a check.

The Federal Register Notice containing the revised regulations has been provided for your convenience. If you have any questions regarding these rules or the additional requirements of your committee, please contact the Information Division at 1-800-424-9530 or 202-219-3420.

Sincerely,

A handwritten signature in cursive script, reading "Bobby Werfel", is written over the typed name.

In the Matter of

Enforcement Priority

SENSITIVE

GENERAL COUNSEL'S REPORT

I. INTRODUCTION

In accordance with the objectives of the Enforcement Priority System ("EPS") adopted by the Commission in May 1993, the Office of the General Counsel has periodically recommended that the Commission not pursue cases that are stale or that, in comparison to other pending matters, do not appear to warrant the use of the Commission's limited resources. This General Counsel's Report recommends the Commission not pursue 43 cases that fall within these categories.

II. CASES RECOMMENDED FOR CLOSING

A. Cases Not Warranting Further Pursuit Relative to Other Cases Pending Before the Commission

A critical component of the Priority System is identifying those pending cases that do not warrant the further expenditure of Commission resources. Each incoming matter is evaluated using Commission-approved criteria and cases that, based on their rating, do not warrant pursuit relative to other pending cases are placed in this category. By closing such cases, the Commission is able to use its limited resources to focus on more important cases.

B. Stale Cases

this Office believes are

These matters are: MUR 4227 (Wellstone for Senate) (Attachment 1); MUR 4273 (Jesse Wineberry) (Attachment 2); MUR 4290 (Lincoln Club of Riverside County) (Attachment 3); MUR 4292 (Congressman Rorr Packard) (Attachment 4); MUR 4293 (Willie Colori for Congress) (Attachment 5); MUR 4294 (Alan Keyes for President '96) (Attachment 6); MUR 4299 (UAW-V-CAP) (Attachment 7); MUR 4312 (Sonoma County Republicans) (Attachment 8); MUR 4316 (Ross Perot) (Attachment 9); MUR 4318 (Patrick Combs for Congress) (Attachment 10); MUR 4324 (Buchanan for President) (Attachment 11); MUR 4325 (Dan Garstecki for Congress '96) (Attachment 12); MUR 4329 (Golden Door) (Attachment 13); MUR 4330 (Trice Harvey) (Attachment 14); MUR 4333 (WSB-TV) (Attachment 15); MUR 4334 (Cox Communications) (Attachment 16); MUR 4336 (WSB-TV) (Attachment 17); MUR 4339 (WSB-TV) (Attachment 18); MUR 4348 (Soglin for Congress) (Attachment 19); MUR 4359 (Francis Thompson for Congress) (Attachment 20); MUR 4360 (Weyand Committee) (Attachment 21); MUR 4363 (WSB-TV) (Attachment 22); MUR 4364 (Friends of Jimmy Blake) (Attachment 23) and Pre-MUR 328 (Department of the Interior) (Attachment 24).

Because our recommendation not to pursue these cases is based on their staleness, this Office has not prepared separate narratives for these cases. we have attached responses and referral materials in those instances where the information was not previously circulated. Attachments 26-45.

This Office recommends the Commission exercise its prosecutorial discretion and no longer pursue the cases listed below effective September 3, 1996. By closing the cases effective that day, CED and the Legal Review Team each will have the necessary time to prepare closing letters and case files for the public record.

RE: MUR 4146

Dear Treasurer:

On December 7, 1994, the Federal Election Commission notified you of a complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended. A copy of the complaint was enclosed with that notification.

After considering the circumstances of this matter, the Commission exercised its prosecutorial discretion to take no action against you and Victory '92. This case was evaluated objectively relative to other matters on the Commission's docket. In light of the information on the record, the relative significance of the case, and the amount of time that has elapsed, the Commission determined to close its file in this matter on September 3, 1996.

The confidentiality provisions of 2 U.S.C. § 437g(a)(2) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record prior to receipt of your additional materials, any permissible submissions will be added to the public record when received.

If you have any questions, please contact Alva E. Smith at (202) 219-3400.

Sincerely,

RE: MUR4146

Dear Ms. Sealander:

I find the words and the innuendo in your letter of September 6, 1996 highly objectionable. Instead of saying clearly that the facts prove that there was no violation of campaign laws, you say that "the Commission exercised its prosecutorial discretion to take no action against you." Further you imply, even though the facts are clear, that this is being dismissed due to insignificance or amount of time elapsed.

What about simple English? The facts are clear, there was no violation of the Federal Election Campaign Act of 1971.

I enclose your letter of September 6, my reply of December 20, 1994, and the Everett FEC report from January 1, 1993 to June 30, 1993 that I insist be made part of public record. This information clearly shows that if there had been an inadvertent contribution, that it was refunded.

In case you fail to understand why the American people are so angry at their government and want to shut down many functions, I suggest you reread this letter.

Sincerely,

cc: Tommy Mancuso

RE: MUR 4146

Dear Ms. Taksar:

I received your December 7, 1994 letter regarding complaint MUR 4146 on December 15, 1994. The only portion of the complaint that relates to me is that I supposedly contributed over the limit of \$1,000 per individual. If that did happen, it was inadvertent and Mr. Everett's campaign refunded \$1,000 to me with a letter explaining that they could not accept the second contribution. I am checking my records to confirm that two checks were written.

I have requested a copy of the refund check from Mr. Everett's staff and they have assured me they will forward this to me as soon as possible. There should be a listing under expenditures for this refund on your campaign reports for Terry Everett.

If you need further information from me, please let me know.

Yours truly,

Winton Blount III
