To Whom It May Concern:

On behalf of the Engel for Congress Committee, P.O. Box 60, Bronx, N.Y. 10463, I am filing the following complaints against the Willie Colon for U.S. Congress Committee, P.O. Box 998 Cornell Station, Bronx, New York 10473 (FEC I.D. #C00295485).

1) In the October 15, Quarterly report filed October 15, 1994 under Schedule A page 5, (Exhibit A) Charles Hagedorn is listed as contributing a total of \$2,000 to the candidate's primary campaign in violation of the Federal financing law which limits such contributions to only \$1,000.

2) That the Willie Colon for U.S. Congress Committee did hire Johnson Survey Research a polling firm located at 850 Bronx River Road, Yonkers, N.Y., to conduct polls for his campaign (Exhibit B). In no financial reports filed to date does any expenditure to this vendor appear.

3) That the Willie Colon for Congress Committee had campaign literature printed which failed to have a disclaimer in violation of the law (Exhibit C).

4) That the Willie Colon for Congress Committee had campaign literature printed with the disclaimer "Labor Donated" (Exhibit D) which is in violation of the law.

5) That on April 21, 1995 the Willie Colon for Congress Committee held a fundraiser (Exhibit E). In no financial report filed by the Committee does a rental fee for the room in which the fundraiser was held appear. It is our belief that the fair market rental of the room would average \$1,000. If said room was given for free by the Riverbay Corporation 2049 Bartow Ave. Bronx, New York 10475 (which has ownership of the Dreiser Community Center in which the fundraiser was held), it would amount to a corporate contribution which is in violation of the law.

960474543

6) That on April 15, 1995 an ad advertising the above fundraiser appeared in the City News, a local weekly newspaper (Exhibit F). No expenditure for the ad appears in any financial statement filed by the Willie Colon for Congress Committee. Failure to pay for the ad amounts to a corporate contribution by Hagedorn Communications, 662 Main Street, New Rochelle, New York 10801, the owner of the City News. In addition no disclaimer appears in reference to the ad only to the event.

If you desire clarification of any of the above complaints, I can be reached at the Engel for Congress Committee, P.O. Box 60, Bronx, New York 10463.

Very truly yours,

Arnold Linhardt

Pollster: Colon's got a chance

By Brian Turmalty
Washington Bureau

The pollster for Willie Colon says his client has a shot at unseating Congressman Eliot Engel in the September Democratic primary because of Engel's low name recognition and weak support.

Engel, a Bronx Democrat from Co-op City, is being challenged in the primary by longtime New Rochelle resident Colon, a salsa musician and trombone player who grew up in the Mott Haven section of the South Bronx.

Willie Colon

Mount Vernon, New Rochelle and Pelham.

Though Johnson wouldn't talk about the results of his polling, he did tell a story about his recent dining experience at a restaurant where excited Latino waiters and bus boys temporarily stopped working upon learning that Colon was dining there.

"Latinos haven't had a person like this to vote for ever in New York City," Johnson said.

"It's like a shadow in the sand," said political pollster Bill Johnson of Bronxville, referring to Engel's base of support in a congressional district that spans parts of the Bronx, Yonkers,

An experienced congressional pollster, Johnson counts on his client list House members Nita Lowey, D-Harrison; Charles Rangel, D-Harlem; Gary Ackerman, D-Queens; Thomas Manton, D-Queens; and Nydia Velizquez, D-Brooklyn.

Colon, 44, has never run for political office.

But many of Colon's songs address social topics such as nuclear weapons, AIDS, homeless children and drug dealing.

"I've always been active in the community and community issues," Colon said. For example, Colon accompanied other dignitaries to the Washington Heights neighborhood of upper Manhattan to quell ethnic and racial tensions in the wake of controversial comments by former Mayor David Dinkins.

The September Democratic primary probably will decide who is elected in the November general election because the district is overwhelmingly Democratic. About 76 percent of registered voters are Democrats. In the 1992 presidential election, Democrat Bill Clinton outpolled Republican George Bush in the district 120,286 to 30,133.

Colon also is making a significant effort to gain support in the black community, which represents 42 percent of the district's population.

Rainbow Coalition leader Jesse Jackson and Democratic U.S. Senate candidate Al Sharpton may campaign in Westchester with Colon. Colon said he had talked to Jackson and Sharpton about the campaign, but they have not decided on making any joint appearances.

Sharpton is gathering petitions to qualify for a September Democratic primary against New York's senior senator Daniel Patrick Moynihan.

In certain mostly black neighborhoods of the Bronx, Sharpton and Colon have joint petitions.

As for Jackson, Colon has campaigned for his Rainbow Coalition in the past.

But, Colon pointed out: "Only the African-American community can decide who is going to lead them."

WILLIE COLÓN, DEMOCRATIC CANDIDATE FOR THE 17TH CONGRESSIONAL DISTRICT

THE DISTRICT

After the 1990 Census, the 17th Congressional district was redrawn into a "minority-majority" district in which over 75% of the population is minority. The demographics of the district call for a real coalition between African-Americans, Latinos and other minority communities. My campaign has been successful in building a strong alliance, having received endorsements from leaders of all sectors in the district. The incumbent has not and will never be able to forge a coalition representative of this district.

The 17th Congressional District is very diverse both racially and geographically. It covers four urban centers in the Bronx and Westchester County. In the Bronx, the district includes the neighborhoods of Highbridge, Morris Heights, Kingsbridge, Riverdale, Marble Hill, Bedford Park, Fieldston, Van Cortlandt, Woodlawn, Bronxville, Eastchester and Williamsbridge. I will use my campaign as a tool to bring people together on issues of mutual importance. I will use the campaign to link the Bronx with our neighbors in Yonkers, Pelham, Mount Vernon and New Rochelle.

6 0 4 7 4 5 4 8 7

MY EXPERIENCE

While this is the first time that I have ever run for elected office, I am not new to Democratic politics. I served as a national surrogate speaker for the National Democratic Party and the "Asílanste con Clinton" Presidential campaign. I had the honor of working with many of the new female congressional candidates during the "Year of the Woman," travelling to Illinois to work with Senator Carol Mosely Braun, to California to work with Senator Barbara Boxer, and here in New York

with the first Puerto Rican Congresswoman Nydia Velázquez and many other local candidates. Most recently, I campaigned vigorously for my very good friend Mayor Dinkins.

I serve on the board of the Hispanic Congressional Caucus Institute and have worked hard to bring immigration and citizenship classes in collaboration with the National Association of Latino Elected Officials (NALEO) to Westchester County. Locally, I was a member of former Mayor David Dinkins' Washington Heights Peace Delegation, the Task Force of Child Abuse Prevention and currently serves as the Chair of the Association of Hispanic Arts (AHA), and I am a member of the Mayor's Hispanic Advisory Board in New Rochelle.

WHY THE 17TH DISTRICT?

I was born, raised, and educated in the Bronx, and now reside in Westchester County with my wife

Julia and our three sons. The Bronx and Westchester area is the only home I know. I have worked hard for the last 15 years to try to improve the quality of life for all of the residents of our community. The people who know my music know that I have always used my art as a vehicle to decry social injustices and to present my political beliefs.

My music has always spoken about the socio-political conditions of our community and the need for strong leadership in government to tackle the many complex problems of

our society. Unlike the incumbent, I intend to be a full-time representative who is visible, accessible, and prepared to roll up his sleeves to tackle controversial issues.

MY POSITIONS

Youth We must encourage and financially support youth development and recreational programs. We need to invest in our children today for a better tomorrow.

Education More funding for education is necessary, but there also needs to be significant reform of the educational system. We must create innovative ways of educating our youngsters.

Crime Clinton's Crime Bill does not go far enough. More funding of crime prevention efforts and community policing are necessary if any tangible progress is to be made. Building more prisons has not been successful in reducing crime, nor is it ever likely to be. We must invest more money

in education and job creation, attacking the root of the problem and counteracting crime before it takes place.

Economic Development Because the demographic composition of the United States population is drastically changing, government must invest more to prepare the workforce to meet the challenges of the 21st century. Government has to stimulate business, especially small business, so that entry level positions are created.

Housing Investment in the infrastructure of the community is essen-

tial. More affordable housing development initiatives need to be supported. The federal government should provide more resources to community-based organizations that do development and provide a wide range of supportive services through

Community Development Block Grants (CDBGs). This allows non-profit agencies to develop and rehabilitate low- and moderate income housing. We need more Empowerment Zones that encourage responsible development and hire from within the communities in which developers build.

Healthcare I am a member of four unions and support the Healthcare reform package supported by Local 1199 and America's Healthcare Workers Coalition.

Abortion I am pro-choice. I believe government should aggressively fund early pre-natal care and parental education.

AIDS Increased funding of AIDS Education is vital. Our government is not providing enough funding for educational initiatives, research and healthcare for our community.

Welfare The Clinton Welfare reform plan needs to be discussed and hashed out. I don't believe that establishing an eligibility time limit is realistic, unless government can guarantee job training and the creation of entry level jobs. The issue of fingerprinting, while acceptable in principle, needs to be further examined. Fingerprinting should be instituted

all entitlement programs where the potential for fraud exists; welfare recipients should not be singled out.

Immigration Immigration privileges into the United States should not be based on color, ethnicity or medical condition.

Environment I have joined groups such as the Bronx Clean Air Coalition in protesting against the incinerator project in a residential area of the Bronx. As a member of the League of Conservation Voters, I have actively supported their public positions.

The positions outlined above are brief and only cover a limited number of issues. My committee and I will be releasing a full platform within the next few weeks.

Thank you for taking the time to review this information. I hope that you will join the thousands of supporters and become part of the Willie Colón for U.S. Congress movement!

I am writing to inform you of my candidacy for the 17th Congressional District in New York State. After the 1990 Census the district was redrawn into a "majority-minority" district in which over 75% of the district is minority. This gives a minority candidate an opportunity to win. The demographics of the district call for a real coalition between African-Americans and Latinos. My candidacy has been successful in building this coalition. The incumbent Eliot Engel has not and will never be able to forge a real coalition representative of his district.

Although not supported by the Democratic party machine, many elected officials have broken ranks to support my candidacy. Among them Assemblymen Larry Seabrook and Javier Nieves, who Co-chair the Black and Puerto Rican Caucus; Councilpersons David Rosado, Guillermo Linares and Larry Warden, whose districts and constituencies are within the Congressional District; and many grassroots activist and union delegates. I am committed to bridging the gaps between the minority community and working hard for all the people of the district.

As a Hispanic Congressperson, you know the importance of having more voices in the Congress. Through our participation in the Hispanic Congressional Institute, I know the great task you do, not only for the people of your district, but for Latinos across the United States. I wish to join you and the efforts of the Hispanic Caucus not only with my voice, but with an additional vote.

However, in order to run an effective campaign and get our message of hope to the people it will take nearly half a million dollars. The district is not poor, but clearly cannot finance our campaign. As you well know over 70% of the money raised, during a campaign, comes from fundraising calls and direct mail.

Therefore, I am reaching out to all of my friends and colleagues asking for their support. The response I am receiving has been very positive. I hope you will join the thousands of people who support my campaign with a financial contribution or with a public endorsement. Enclosed is some data on the campaign for your information.

Thank you very much for your support and I look forward to joining you in Congress.

COMMITTEE TO DRAFT WILLIE COLON FOR CONGRESS

Transmitted by
Jane Arce Bello

November 15th 1993

Dear _____

We are writing this letter to a select number of friends of Willie Colon. Several months ago a group of individuals gathered to discuss the feasibility of Willie Colon's candidacy for Congress. After deliberating with the idea, we approached Willie. While not totally decided, he agreed to let us begin a "draft" committee to seriously explore the possibilities and interest in his potential candidacy.

Those who know Willie, know of his life-long commitment toward justice, equality and true community empowerment - locally, nationally and internationally. Willie's efforts toward the creation of bridges among cultures spans from participation like the Nelson Mandela Rally at Yankee Stadium and the 20th Anniversary Earth Day Celebration to more discrete, behind the scenes local community initiatives.

We can go on and on describing the significant contributions he has made in addition to the impressive skills and abilities he possesses. Ultimately, however, there is no question that Willie is not only a good choice, but actually the RIGHT choice for Congress.

In order to conduct the necessary research and analyze the full spectrum of issues involved in a Congressional candidacy, we need some seed money. As a colleague and friend, we are asking you to join us in this venture by making a financial contribution. Your financial support is critical toward our achieving the next phase of this effort. More importantly, your financial support will serve as a symbol of your confidence and trust in his possible candidacy, and as an example for others to follow.

Willie Colon has never wavered in his struggle toward making a difference in the lives of all people. It is with tremendous pride and excitement about the possibilities which lay ahead that we look forward to your generous support during this critical exploration phase.

Sincerely

J. A. Bello

will be found.

The State believes the answer is rent increases.

Although the 1992 agreement does not stipulate that the state's contribution is contingent on increases, it said that rent hikes would be implemented "if necessary."

But the state's version of "necessary" differs from that of most board members, who contend that a rent increase is not necessary because the current Riverbay budget is balanced. They claim that the state should pay for all repairs because it was the state that built Co-op City.

"They put this place together with spit and glue,"

Baez often says.

In the letter from Holland the housing commissioner left little hope for any change of heart in the future.

"Given that its components (the 1992 Workout Agreement) were approved as the final agreement by the State Comptroller, the Attorney General, and the leaders of both houses of the State Legislature, unilateral discussions to reopen negotiations are not feasible."

Holland went on to say he would schedule a meeting with Baez after the 1995-96 state budget is approved (Approval could come any day). Bickering among state legislative leaders has delayed the budget past the April 1 due date.

"However," Holland said, "I would not want you to

meet as an indication that the State will consider any changes to the terms of the 1992 Workout Agreement

that would alter any agreed-upon financial responsibilities of either the State or Riverbay Corporation."

Community College to hold health fair

Spring Tune-Up 1995, the annual Bronx Community College Health Fair, will take place, 10 a.m. to 3 p.m. on Thurs., April 27, in the college's Colston Hall, University Avenue and West 181st Street. Admission and all tests are free. Both adults and children are welcome.

The Health Fair will offer testing for high blood pressure, podiatry problems, spinal curvature, hearing and more. Free mammography for women over 35 will be given in a mobile van. An appointment is necessary. For an appointment, call 4-800-564-6868.

Cancer screening exams for both men and women will take place in Loew Hall Health Service.

Preventative education is an important component of the Health Fair. Various

agencies are offering presentations on drug rehabilitation, crime prevention, nutrition, pest control, alcoholism, AIDS and many other areas.

Professor Ann Kelemen of the college's Department of Health, Physical Education and Wellness is the Health Fair coordinator. For additional information, call Professor Kelemen at 220-6407.

FEDERAL ELECTION COMMISSION

P.O. Box 60
Bronx, NY 10463

Dear Mr. Linhardt:

This is to acknowledge receipt on December 26, 1995, of your letter dated December 22, 1995. The Federal Election Campaign Act of 1971, as amended ("the Act") and Commission Regulations require that the contents of a complaint meet certain specific requirements. One of these requirements is that a complaint be sworn to and signed in the presence of a notary public and notarized. Your letter was not properly sworn to.

In order to file a legally sufficient complaint, you must swear before a notary that the contents of your complaint are true to the best of your knowledge and the notary must represent as part of the jurat that such swearing occurred. The preferred form is "Subscribed and sworn to before me on this ____ day of ____, 19__." A statement by the notary that the complaint was sworn to and subscribed before her also will be sufficient. We regret the inconvenience that these requirements may cause you, but we are not statutorily empowered to proceed with the handling of a compliance action unless all the statutory requirements are fulfilled. See 2 U.S.C. § 437g.

Enclosed is a Commission brochure entitled "Filing a Complaint." I hope this material will be helpful to you should you wish to file a legally sufficient complaint with the Commission.

Please note that this matter will remain confidential for a 15 day period to allow you to correct the defects in your complaint. If the complaint is corrected and refiled within the 15 day period, the respondents will be so informed and provided a copy of the corrected complaint. The respondents will then have an additional 15 days to respond to the complaint on the merits. If the complaint is not corrected, the file will be closed and no additional notification will be provided to the respondents.

To Whom It May Concern:

On behalf of the Engel for Congress Committee, P.O. Box 60, Bronx, N.Y. 10463, I am filing the following complaints against the Willie Colon for U.S. Congress Committee, P.O. Box 998 Cornell Station, Bronx, New York 10473 (FEC I.D. #C00295485).

1) In the October 15, Quarterly report filed October 15, 1994 under Schedule A page 5, (Exhibit A) Charles Hagedorn is listed as contributing a total of \$2,000 to the candidate's primary campaign in violation of the Federal financing law which limits such contributions to only \$1,000.

2) That the Willie Colon for U.S. Congress Committee did hire Johnson Survey Research a polling firm located at 850 Bronx River Road, Yonkers, N.Y., to conduct polls for his campaign (Exhibit B). In no financial reports filed to date does any expenditure to this vendor appear.

3) That the Willie Colon for Congress Committee had campaign literature printed which failed to have a disclaimer in violation of the law (Exhibit C).

4) That the Willie Colon for Congress Committee had campaign literature printed with the disclaimer "Labor Donated" (Exhibit D) which is in violation of the law.

5) That on April 21, 1995 the Willie Colon for Congress Committee held a fundraiser (Exhibit E). In no financial report filed by the Committee does a rental fee for the room in which the fundraiser was held appear. It is our belief that the fair market rental of the room would average \$1,000. If said room was given for free by the Riverbay Corporation 2049 Bartow Ave. Bronx, New York 10475 (which has ownership of the Dreiser Community Center in which the fundraiser was held), it would amount to a corporate contribution which is in violation of the law.

RECEIVED

6) That on April 15, 1995 an ad advertising the above fundraiser appeared in the City News, a local weekly newspaper (Exhibit F). No expenditure for the ad appears in any financial statement filed by the Willie Colon for Congress Committee. Failure to pay for the ad amounts to a corporate contribution by Hagedorn Communications, 662 Main Street, New Rochelle, New York 10801, the owner of the City News. In addition no disclaimer appears in reference to the ad only to the event.

If you desire clarification of any of the above complaints, I can be reached at the Engel for Congress Committee, P.O. Box 60, Bronx, New York 10463.

RE. MUR 4293

Dear Ms. Kapper:

As per our telephone conversation, I am hereby requesting a 15-day extension for the submission of my written response to the above referenced complaint.

I received the FEC's letter on February 3, 1996. Accordingly, a response is set for February 18, 1996. Given my full-time (non-campaign committee) work commitments, I am unable to devote weekday time to gathering the necessary documents in response to each of the points raised in the complaint. A 15-day extension until March 4, 1996 will provide me with the additional weekend time need to submit a detailed response.

I look forward to receiving a response from your office regarding this request for extension. In the meantime, thank you for your assistance.

Dear Ms. Taksar:

This letter is in reply to your letter of January 26, 1995 concerning the complaint that I may have violated the FEC Act of 1971.

I contributed two payments to the Willie Colon for U. S. Congress Committee in the fall of 1994. Each was for \$1000 to cover the primary and general election. The campaign committee accepted my personal checks to cover both elections and did not return the \$1000 which was for the general election which never took place when he lost the primary election.

The identification of me in the complaint as the president of Hagedorn Communications is incorrect. I am now 77 years old and have been retired for many years. Further, I was not at that time an employee of the company.

RE: MUR 4293

Dear Mr. Noble:

As Treasurer for the "Willie Colon for U.S. Congress" Committee (WC Committee), I hereby submit a response to the Federal Election Commission Act (FECA) violation allegations made by Mr. Arnold Linhardt, Congressman Engel's Chief of Staff and Campaign Manager of the Engel for Congress Committee (EC Committee) which were transmitted with the FEC letter dated January 25, 1996 and numbered as above.

I believe that an analysis of the relevant facts and circumstances will reveal that there were no willful violations of the FECA, and, that no action should be taken against the WC Committee or myself. I, and the WC Committee also believe that an analysis of the relevant facts and circumstances will demonstrate a bad faith filing by Mr. Linhardt and the EC Committee

Although effectively run, the WC Committee has been, and continues to be a grassroots operation. There have not been nor are there now any permanent, professional, political personnel. I, myself, have never served as a Treasurer in any election campaign, no less a Congressional election campaign. The WC Committee's lack of experience and lack of permanent professional personnel is the first relevant circumstance which needs to be taken into consideration. If there were errors, they were unintentional human errors and not malicious attempts at fraud nor deception.

If after reading this letter and the enclosed response there are additional or unanswered questions, I will be happy to respond in writing or verbally, as you deem appropriate

Sincerely,

Jane Arce Bello

Response of Jane Arce Bello, Treasurer Willie Colon for Congress Committee to
FEC's MUR 4293 dated January 25, 1996

Response to Complainant's: #1:

On September 12, 1994, the day before the primary, Mr. Charles Hagedorn made two \$1,000 contributions to the WC Committee. The contributions were earmarked as follows: \$1,000 for the primary election and \$1,000 for the general election. These contributions were properly recorded in the original October 15th quarterly report (Exhibit A). On a subsequent amendment, the entry regarding Mr. Hagedorn's \$1,000 contribution for the general election was inadvertently changed to primary which is assumedly the source of Mr. Lindhart's complaint (Exhibit B). A second subsequent amendment, again reports the Hagedorn contributions as in the original, and as intended (Exhibit C).

Response to Complainant's Allegation #2:

The WC Committee did hire the Johnson Survey Research Company to conduct polls for the Campaign. A disbursement of \$2,500 was made to the Company on May 27, 1994 (Exhibit D). The disbursement to the Company, was however, improperly entered into the computer program which I use to generate the quarterly report. As a result, the entry did not appear on the disbursement printout generated for the quarterly report for that period. As such, it was not included in the quarterly report. An amendment will be filed accordingly.

Response to Complainant's Allegation #3

Complainant has submitted photostatic reproductions (his Exhibits C) of literature used at various times during the campaign. To the best of my knowledge and recollection no literature was prepared and/or distributed without a disclaimer, (see our Exhibits E1 to E5). Furthermore, Complainant's exhibits are not only photostatic reproductions, but also reductions, which may have excluded the disclaimer.

Complainant's Exhibit C dated July 21, 1994 is a letter sent to members of Congress as a cover letter. The letter refers to "data enclosed" which I submit contained the required disclaimer. I request that the complainant produce an unredacted original of this letter with attachments for inspection.

My intent and the intent of the WC Committee has been to comply with the disclaimer requirement and all other FECA requirements. Assuming *arguendo* of the validity of the Complainant's allegations, there has been substantial compliance, if not technical compliance, with the disclaimer requirement on all of Complainant's submitted exhibits.

RECEIVED
FEDERAL ELECTION
COMMISSION
OFFICE OF
MAR 14 4 43 PM '96

Response to Complainant's Allegation #4

"Labor Donated" would be an FECA violation if in fact it represented an improper monetary contribution from a labor organization, or the improper use of the facilities of a labor organization. There were no contributions from any labor organizations, except those of reported, related PAC's, nor was there any use of a labor organization's facility by the WC Committee. The documents identified by Complainant in his fourth allegation were prepared in-house by volunteers. The "labor donated" disclaimer included in the materials acknowledges the free work of those volunteers.

Complainant's Exhibit D, the letter dated November 15, 1993, is from the Committee to Draft Willie Colon for Congress and not the WC Committee. It was used during the "testing the waters" stage and as such is not covered by the cited FECA requirement.

Response to Complainant's Allegation #5

Complainant's fifth allegation states that the WC Committee received an illegal corporate contribution because he found no financial report entry for the rental fee for the use of the Dreisser Community Center, Bronx, New York on April 21, 1995. The location in question was rented by the WC Committee. Exhibit F is a canceled check in the amount of \$749.00 made out to Riverbay Coop. The reporting problem here was identical to the circumstances described under response #2. An amended quarterly report will be filed accordingly.

Response to Complainant's Allegation #6

The disclaimers contained in both of Complainant's Exhibits F speak for themselves. The source of the ad and the activity are clearly identified. Complainant's allegation in this regard shows less than good faith. The ad itself was paid for by the candidate, Willie Colon, as an in-kind contribution to the committee. An amended report will be filed to clarify the circumstances.

Central Enforcement Docket
Federal Election Commission
Washington, D.C. 20463

Re: MVR 4293

Dear Ms. Taskar:

Thank you for your extending the time for Riverbay to respond to the above complaint. The complaint alleges that on April 21, 1995 Riverbay may have rented a room to the "Willie Colon for Congress Committee" for free.

I am enclosing Riverbay's agreement for the use of Auditorium B in the Dreiser Community Center. This room was rented out on April 21, 1995 to the Harry S. Truman Independent Club (a Co-op City community group) for \$749.00. This is the standard rental rate for this room. (See attached rate schedule) Two Hundred dollars was subsequently returned to the Harry S. Truman Independent Club because the Riverbay sound system was not used. Riverbay did not violate the Federal Election Campaign Act.

Please contact me if you need any further information.

Very truly yours,

Michael Murms
Senior Attorney

In the Matter of

Enforcement Priority

SENSITIVE

GENERAL COUNSEL'S REPORT

I. INTRODUCTION

In accordance with the objectives of the Enforcement Priority System ("EPS") adopted by the Commission in May 1993, the Office of the General Counsel has periodically recommended that the Commission not pursue cases that are stale or that, in comparison to other pending matters, do not appear to warrant the use of the Commission's limited resources. This General Counsel's Report recommends the Commission not pursue 43 cases that fall within these categories.

II. CASES RECOMMENDED FOR CLOSING

A. Cases Not Warranting Further Pursuit Relative to Other Cases Pending Before the Commission

A critical component of the Priority System is identifying those pending cases that do not warrant the further expenditure of Commission resources. Each incoming matter is evaluated using Commission-approved criteria and cases that, based on their rating, do not warrant pursuit relative to other pending cases are placed in this category. By closing such cases, the Commission is able to use its limited resources to focus on more important cases.

Having evaluated incoming matters, this Office has identified 24 cases which do not warrant further pursuit relative to other pending matters.¹ A short description of each case and the factors leading to assignment of a relatively low priority and consequent recommendation not to pursue each case is attached to this Report. Attachments 1-24. As the Commission has previously requested, we have also attached responses and referral materials where that information has not been circulated previously to the Commission. Attachment 25.

B. Stale Cases

Investigations are severely impeded and require relatively greater resources when the activity, and the evidence of the activity, are old. Accordingly, the Office of the General Counsel recommends that the Commission focus its efforts on cases involving more recent activity. Such efforts will also generate more impact on the current electoral process and are a more efficient allocation of our limited resources. To this end, this Office has identified 19 cases that

this Office believes are now too old to warrant the use of the Commission's resources

¹ These matters are: MUR 4227 (Wellstone for Senate) (Attachment 1); MUR 4273 (Jesse Wineberry) (Attachment 2); MUR 4290 (Lincoln Club of Riverside County) (Attachment 3); MUR 4292 (Congressman Ron Packard) (Attachment 4); MUR 4293 (Willie Colon for Congress) (Attachment 5); MUR 4294 (Alan Keyes for President '96) (Attachment 6); MUR 4299 (UAW-V-CAP) (Attachment 7); MUR 4312 (Sonoma County Republicans) (Attachment 8); MUR 4316 (Ross Perot) (Attachment 9); MUR 4318 (Patrick Combs for Congress) (Attachment 10); MUR 4324 (Buchanan for President) (Attachment 11); MUR 4325 (Dan Garstecki for Congress '96) (Attachment 12); MUR 4329 (Golden Door) (Attachment 13); MUR 4330 (Trice Harvey) (Attachment 14); MUR 4333 (WSB-TV) (Attachment 15); MUR 4334 (Cox Communications) (Attachment 16); MUR 4336 (WSB-TV) (Attachment 17); MUR 4339 (WSB-TV) (Attachment 18); MUR 4348 (Soglin for Congress) (Attachment 19); MUR 4359 (Francis Thompson for Congress) (Attachment 20); MUR 4360 (Weygand Committee) (Attachment 21); MUR 4363 (WSB-TV) (Attachment 22); MUR 4364 (Friends of Jimmy Blake) (Attachment 23) and Pre-MUR 328 (Department of the Interior) (Attachment 24).

96043745516

Because our recommendation not to pursue these cases is based on their staleness, this Office has not prepared separate narratives for these cases. we have attached responses and referral materials in those instances where the information was not previously circulated. Attachments 26-45.

This Office recommends the Commission exercise its prosecutorial discretion and no longer pursue the cases listed below effective September 3, 1996. By closing the cases effective that day, CED and the Legal Review Team each will have the necessary time to prepare closing letters and case files for the public record.

RE: MUR 4293

Dear Mr. Linhardt:

On January 22, 1996, the Federal Election Commission received your complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act").

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and to take no action against the respondents. See attached narrative. Accordingly, the Commission closed its file in this matter on September 3, 1996. This matter will become part of the public record within 30 days.

The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).

MUR 4293

WILLIE COLON FOR U.S. CONGRESS COMMITTEE

Complainant Arnold Linhardt, campaign manager of the Engel for Congress Committee, alleges that the Willie Colon for Congress Committee ("the Colon Committee"): accepted a contribution of \$2,000 from an individual, or \$1,000 in excess of limitations; failed to report disbursements for polling costs, for a newspaper advertisement, and room rental; failed to include a proper disclaimer on several pieces of campaign literature and a newspaper ad; and may have accepted corporate and/or labor contributions for the room rental, newspaper advertisement and campaign literature. These allegations relate solely to the 1993-1994 election cycle. In 1994, Mr. Colon lost his party's primary garnering 38% of the vote. According to FEC disclosure indices, Mr. Colon is again running for Congress in 1996.

In response to the complaint, the Colon Committee states that there were no willful violations of the FECA. The Committee and the individual contributor state that the contributor made two \$1,000 contributions, one earmarked for the primary and one for the general election. They explain that the contributions were inadvertently misreported as attributable to one election, and that an amendment has been filed to correct the record. The Colon Committee provided canceled checks showing payments to the polling firm and for room rental, and explained that a computer entry error accounts for the disbursements omitted from its reports. The Committee states that materials marked "Labor Donated" referred not to union activity but to the work of in-house volunteers who prepared the campaign materials. The Committee has amended its reports to disclose the unreported disbursements.

The Colon Committee treasurer states that to her knowledge, "no literature was prepared and/or distributed without a disclaimer," and provided certain campaign literature that contains a Colon Committee disclaimer. She asserts that it was the Colon Committee's intention to comply with the disclaimer regulation.

There is no evidence that these activities had a significant impact on the process and the respondents have taken some remedial action. Moreover, the matter involves insubstantial amounts of money.

WILLIE COLON FOR U.S. CONGRESS COMMITTEE

Complainant Arnold Linhardt, campaign manager of the Engel for Congress Committee, alleges that the Willie Colon for Congress Committee ("the Colon Committee"): accepted a contribution of \$2,000 from an individual, or \$1,000 in excess of limitations; failed to report disbursements for polling costs, for a newspaper advertisement, and room rental; failed to include a proper disclaimer on several pieces of campaign literature and a newspaper ad; and may have accepted corporate and/or labor contributions for the room rental, newspaper advertisement and campaign literature. These allegations relate solely to the 1993-1994 election cycle. In 1994, Mr. Colon lost his party's primary garnering 38% of the vote. According to FEC disclosure indices, Mr. Colon is again running for Congress in 1996.

In response to the complaint, the Colon Committee states that there were no willful violations of the FECA. The Committee and the individual contributor state that the contributor made two \$1,000 contributions, one earmarked for the primary and one for the general election. They explain that the contributions were inadvertently misreported as attributable to one election, and that an amendment has been filed to correct the record. The Colon Committee provided canceled checks showing payments to the polling firm and for room rental, and explained that a computer entry error accounts for the disbursements omitted from its reports. The Committee states that materials marked "Labor Donated" referred not to union activity but to the work of in-house volunteers who prepared the campaign materials. The Committee has amended its reports to disclose the unreported disbursements.

The Colon Committee treasurer states that to her knowledge, "no literature was prepared and/or distributed without a disclaimer," and provided certain campaign literature that contains a Colon Committee disclaimer. She asserts that it was the Colon Committee's intention to comply with the disclaimer regulation.

There is no evidence that these activities had a significant impact on the process and the respondents have taken some remedial action. Moreover, the matter involves insubstantial amounts of money.
