RE: MUR 4378

Dear Ms. Wittmer:

As per our telephone conversation earlier today, I am enclosing the original transcript of a deposition taken by the Office of the General Counsel of the Federal Election Commission in the above-cited administrative enforcement matter, together with blank errata sheets provided by the reporting company here in Washington, DC. We ask that you arrange to have the deponent examine the transcript in your office and that you then return it, together with any errata sheets utilized, to this Office.

The deponent is Dennis R. Rehberg, who may be reached through his counsel, Janice L. Rehberg, at Crowley, Haughey, Hanson, Toole & Dietrich, 500 Transwestern Plaza II, 490 N. 31st Street, Billings, MT. (406) 255-7239.

As we agreed during our conversation, you will require the deponent to review the transcript only at your office and you will not permit any copies to be made. You will also submit an invoice for your firm's services when you send back the transcript to us.

Thank you very much for your assistance in this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Anne A. Weissenborn", is written over a horizontal line.
