Re: Longevity International Enterprises Corp./Maybelle Pang
MUR 4594

Dear Ms. Bell:

After discussing the matter with our respective clients, please be advised that with respect to your letter of November 19, 1997, our client will answer the interrogatories and produce documents with the changes set forth in your letter.

However, we are again requesting a 30 day extension from November 28, 1997 to December 28, 1997 to respond to the subpoenas served upon Longevity and Maybelle Pang. Longevity has started the process of gathering the information but our understanding is that it is still time consuming to research past files, gather up the information and make copies. Furthermore, as we had stated, with this week being Thanksgiving, there is a limited staff on duty that needs to take care of duties relating to the operations of the business in addition to dealing with this additional task. Therefore, the requested extension is not being sought to delay matters but due to legitimate problems in gathering this additional information.
