### GENERAL COUNSEL'S REPORT

On November 12, 1997, the Commission denied the Motion to Quash of Longevity International Enterprises Corporation ("Longevity") and granted this Office contingent suit authority to file a civil suit to enforce the Commission's Subpoena and Order to Longevity. On November 20, 1997, the Commission denied the Motion to Quash of Maybelle Pang. And, on December 9, 1997, the Commission denied the Motion to Quash of China Airlines, Ltd. ("CAL") and granted the Office of the General Counsel contingent suit authority to file a civil suit to enforce the Commission's Subpoena and Order to CAL, as well as Louis C.L. Chang, Karl C. P. Wang, Maybelle Pang, Robert C. Hastings, Jr., Salvador Fasi, and Frank Fasi.

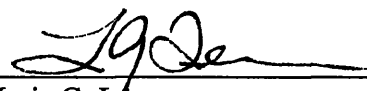

Since that time, all respondents and non-respondent witnesses have responded to the Subpoenas and Orders. Based upon the responses received, documents produced, and a consideration of resources available to the Commission at this time, this Office determined not to pursue subpoena enforcement through civil suit for any of the aforementioned parties.

21-04-402-4890

Accordingly, this Office is currently concluding its investigation and will draft probable cause briefs to be sent to respondents.
