Re: MUR 4646

Dear Ladies and Gentlemen:

I have been asked by Amy Habie and Wallace Mark Walker to represent them in connection with the above-captioned file. You should have on file their Statement of Designation of Counsel verifying my representation.

In reviewing the description of preliminary procedures for processing complaints filed with the Federal Election Commission, I note that there is a conciliation procedure, however, it does not set forth the exact nature of the procedure. I would appreciate receiving further information with reference to the conciliation procedure in that it appears from a reading of the preliminary procedures that this may avoid filings and hearings and may bring this matter to an early conclusion without the parties expending time, money and energies in defending themselves.

Awaiting your notification, I have requested that Mr. Wallace hold off on filing any response, however, noting that Amy Habie has filed a previous affidavit in this action.

I thank you for addressing this and I look forward to hearing from you in connection with this matter.

Very truly yours,

MUCHNICK, WASSERMAN & DOLIN
