Office of the General Counsel

RE: Mur 4862

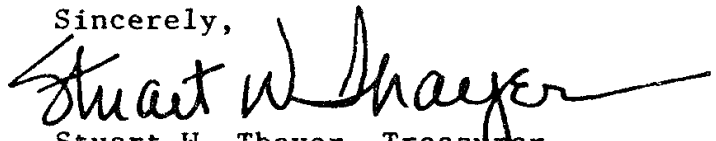

Dear Mr. Turley:

Your letter dated November 25, 1998 informing me of MUR 4862 was received on Tuesday, December 1, 1998, just prior to the due date for the post-election FEC report.

Subsequent to filing that report, B.O.B.S. PAC has begun a thorough review of our records with respect to all contributions to Chairez for Congress made during the 1998 election cycle, including how these donations were reported when disclosed to the Commission. So that our examination of these records may be complete, and our response to the Commission in this matter absolutely accurate, I am requesting an additional fifteen days in which to respond to your letter with respect to MUR 4862, which would set a due date for the response of December 31, 1998.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in dark ink, appearing to read "Stuart W. Thayer", with a long, sweeping horizontal line extending to the right.
