RE: MUR 4934

Dear Mr. Noble:

On October 19, 1999, the Federal Election Commission notified your client, Mr. Angel Morey, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended.

On September 22, 2000, the Commission found, on the basis of the information in the complaint, that there is no reason to believe Mr. Morey violated the Act. Accordingly, the Commission closed its file in this matter. A copy of the General Counsel's Report is enclosed for your information.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record before receiving your additional materials, any permissible submissions will be added to the public record upon receipt.

If you have any questions, please contact me at (202) 694-1650.

Sincerely,

A handwritten signature in black ink, appearing to read "April J. Sands". The signature is fluid and cursive, with the first name "April" written in a smaller, more compact script than the last name "Sands".
