Attachment: Narrative

**MUR 4958**  
**PETER ROSKAM**

Jeff Shulem, Chief Financial Officer of Data + Imagination, Inc., alleged that the Roskam for Congress Committee terminated its reporting obligations without paying a \$3,353.61 debt owed to Data + Imagination, Inc. Moreover, he alleged that the committee failed to disclose this debt on its "termination papers."

Roskam for Congress did not respond to the complaint. The committee submitted a Termination Report on April 15, 1999, covering the period January 1, 1999 to March 31, 1999, with no debts and an ending cash balance of \$639. The committee amended its Termination Report on February 1, 2000 (the committee was notified of the complaint on January 13, 2000), disclosing a \$3,353 debt owed to Data + Imagination, Inc., and a zero ending cash balance. The committee's Termination Report was accepted as valid on May 14, 1999.

This matter involved a limited amount of money, the committee is now defunct, and the matter is less significant relative to other matter pending before the Commission.
