Re: MUR 5381 – America First Credit Union, Rex Rollo Treasurer

Dear Mr. Jordan:

Earlier this week, I spoke with Ms. Kim Stevenson of the General Counsel's docket department regarding the above-named Respondent's answer to the complaint in this matter.

As you know, the Respondents were ready to submit their Response on the agreed-upon due date of September 24, 2003. Respondent needed assurances, however, that certain exculpatory material containing private, personal financial data and confidential business practices would be kept under seal by the Commission throughout its consideration of this matter.

I am still awaiting a response from the General Counsel's office to this concern, and renew my request that the Commission take no action on this matter (other than a vote to dismiss) until it is agreed how our response will be handled.

Thank you for your attention to this matter.

Best regards,

Craig Engle
