MUR # 5970

I, Lori Sherwood, of [REDACTED] Rockville, Maryland 20853, am an adult citizen of the State of Maryland. I am filing the within Complaint with your office as it is my belief that violations of the Federal Election Campaign Laws and Commission Regulations have occurred.

Based on my examination of various records and documents I believe the Donna Edwards for Congress Committee ("Edwards Campaign") has received substantial assistance by way of unreported, in-kind contributions from organizations who profess to have operated independently of the Edwards Campaign.

More specifically:

1. I have learned that in her capacity as Executive Director of The Arca Foundation, Donna Edwards is responsible for administering and overseeing grants that are awarded and distributed by Arca. *See Exhibit 1*

2. a) By way of example and not limitation, the Arca Foundation contributed \$100,000.00 in grants to the League of Conservation Voters ("LCV") from 2004-2006. *See Appendix 1*

b) That after having been intimately involved in the award of an Arca grant to LCV, Donna Edwards was appointed to the Board of Directors of the League of Conservation Voters. After receipt of grant money from Ms. Edward's group and her appointment to the LCV Board, LCV endorsed Donna Edwards for Congress in 2006 and 2008. *See Exhibit 2* LCV and its principals contributed over \$15,000.00 to the Edwards Campaign through its board members, employees, and the LCV PAC. *See Appendix 2* Ironically, Congressman Albert Wynn who received a "scorecard rating" of 92 from the LCV was not endorsed by LCV. The difference may lie in the fact that Congressman Wynn was in no way involved in channeling \$100,000.00 to LCV prior to LCV's endorsement of Ms. Edwards, nor was Congressman Wynn the recipient of \$15,000.00 after grant monies were given to LCV by Arca.

3. Similarly, in 2006 the Arca Foundation contributed \$35,000.00 in grants to another not for profit known as the Friends of the Earth. *See Appendix 1*

4. Thereafter, Friends of the Earth endorsed Donna Edwards in 2006 and contributed over \$5,000 to her campaigns through their board members, employees, and its PAC. *See Appendix 2*

5. All told, the Arca Foundation awarded \$ 4,289,640.00 in grants to 39 organizations from 2002-2006. *See Appendix 1*

6. The scenario involving LCV and Friends of the Earth has been repeated with 37 other organizations all of whom received monies from Arca and had persons aligned with each group make campaign contributions to the Edwards Campaign. In total, the 37 other organizations contributed over \$75,000.00 to the Edwards Campaign including monies from board members and employees.

7. In the course of my examination of records I also reviewed campaign literature bearing an authority line, "Paid for by 1199 SEIU Federal PAC and not authorized by any candidate or candidate's committee". *See Exhibit 3.*

8. Each piece of literature in *Exhibit 3*, together with the expenditures made to produce the same, were paid for by 1199 SEIU. Despite the express language of the authority line, it appears that these examples of campaign literature were not produced independently from the candidate's committee, but rather were the direct result of collaboration between the Edwards Campaign and SEIU. As such, the literature distributed by SEIU appears to inaccurately and incorrectly reflect independence from the Edwards Campaign. If SEIU has collaborated with the Edwards Campaign, the expenditures of money made by SEIU to benefit the Edwards Campaign would circumvent the clear prohibitions contained in the federal election laws.

9 In reviewing available information, I have learned that according to SEIU's website, Anna Burger, is the overseer of SEIU's national political operations. *See Exhibit 4.*

10. Moreover, I have learned that Anna Burger, as Secretary/Treasurer of SEIU International is a co-founder and collaborator with Donna Edwards in a corporation chartered in the District of Columbia known as "THEY WORK FOR US." The corporation formed on February 12, 2007 listed Anna Burger and Donna F. Edwards as two of the five (5) Directors of "THEY WORK FOR US, INC." *See Exhibit 5*

11. "THEY WORK FOR US, INC." was purportedly formed as a nonprofit corporation in the District of Columbia for the purpose of "providing informal public policies and legislation that reflect a progressive populist agenda on economic and related issues." *See Exhibit 5.*

12. However, it appears that contrary to the stated purposes listed in the Articles of Incorporation of THEY WORK FOR US, INC., the entity has become a conduit for campaign contributions to the Edwards Campaign and a vehicle to openly

2904422658

engage in campaign activities designed, intended and directed to oppose her opponent, Albert Wynn.

13. **THEY WORK FOR US** has apparently facilitated placement of political advertising in conjunction with SEIU on radio stations in the Washington Metropolitan Area which support Donna Edwards and oppose Albert Wynn. *See Exhibit 6*

14. As Board Members of **THEY WORK FOR US** Donna Edwards and Anna Burger have effectively coordinated efforts of **THEY WORK FOR US** and SEIU in the purchase of radio and television access for the express purpose of promoting the candidacy of Donna Edwards. If proven this concerted action would constitute a violation of laws and regulations prohibiting the coordination of efforts by those who purportedly exercise independence from campaign committees of candidates.

15. In addition, the Edwards Campaign and another ostensibly independent, political organization, Emily's List have clearly joined forces. The Edwards Campaign, has utilized Emily's List funds and strategies to promote the candidacy of Donna Edwards and to oppose Albert Wynn.

16. In support of the foregoing, I learned that on January 22, 2008 the Edwards Campaign and Emily's List expressly collaborated, sending campaign messages to Emily's List supporters. The email, sent as a fund raising device was approved and expressly authorized by the Edwards Campaign. *See Exhibit 7*

17. Thus, it is clear that the fund raising apparatus and campaign efforts of Emily's List, together with the expenditure of funds and resources to promote the candidacy of Donna Edwards constitutes an ongoing, joint collaborative effort between the candidate's campaign and Emily's List. This type of coordination and collaboration could violate federal campaign finance law.

18. As noted above, in her position as Executive Director of Arca, Ms. Edwards has the ability to direct and influence decision making within these political organizations. Thus, the expenditures made by the SEIU, Emily's List and others to her campaign can in no way be called independent. To the contrary, the expenditures and the activities undertaken by these organizations are interdependent, with SEIU, Emily's List and others involved in a coordinated effort with the Edwards Campaign all undertaken to avoid federal campaign contribution limitations.

19. There are other relationships between Ms. Edwards and her contributors which are potentially questionable. For example, in her capacity as the Executive Director of the Arca Foundation where she oversees the award and distribution of substantial monies to organizations who profess to be not for profit, I identified evidence of what appears to be campaign expenditures by grant recipients without any attribution in campaign finance records of the Edwards Campaign for campaign services provided by groups receiving Arca money.

29044222659

29044222660

20. By way of example, the League of Conservation Voters has committed staff, retained canvassers, hired automated telephone messaging services for voter contact, promoted her campaign on the LCV website, sent mailings on behalf of Donna Edwards which support would well exceed any statutory limitations on campaign contributions. Given the intimate relationship of Ms. Edwards to this organization, her capacity as a member of its Board, and the overseer of grant monies funneled from Arca to LCV, there is at least the appearance of coordination from groups who are supposedly independent. This involvement raises serious questions about the presence of a highly sophisticated and intricate level of coordination by the groups and the campaign. Given what appears to be well developed and significant collaboration, the question that arises is whether the Edwards Campaign is engaged in an effort to skirt campaign federal laws by virtue of the failure of the Campaign to reveal campaign efforts, activities and expenditures undertaken by organizations aligned with her campaign. *See Exhibit 8*

21. Another of the relationships which raises questions and causes concern involves allegedly independent expenditures by a 527 organization known as "Communities Voting Together" ("CTV") which is located at 1024 Elysian Fields, New Orleans, Louisiana.

22 1024 Elysian Fields is also the address for "SEIU Local 100", the Association of Community Organizations for Reform, Now ("Acorn") and The Elysian Fields Corporation. *See Exhibit 9.*

Wade Rathke, President of Elysian Fields Corporation is also the Chief Organizer for SEIU Local 100, Founder of Acorn, and a member of the Board of Directors of Tides Center and Tides Foundation. *See Exhibit 10* Tides Received \$245,000 in grant money from Arca Foundation between 2002-2006. *See Appendix 1*

23. Donna Pharr is the Custodian of Record for "Communities Voting Together", the Assistant Treasurer for Acorn, and Deputy Treasurer for the American Institute for Social Justice and Voting for America, Inc. Both of these organizations received a combined total of \$230,000 in grants from Arca between 2003 and 2006. *See Appendix 1*

24. Recently, the group known as "Communities Voting Together" of 1024 Elysian Fields Avenue, New Orleans, Louisiana printed and distributed thousands of handouts attacking Congressman Wynn. *See Exhibit 11* Members aligned with the group were attempting to hire canvassers to assist the Edwards Campaign. As was the case for the three groups identified above, there was no attribution of any campaign contributions from "Communities Voting Together," to the Edwards Campaign, despite the fact that the "Communities Voting Together" name appeared on the authority line for the literature. "Communities Voting Together" was also active in the 2006 primary mailing at least 3 pieces of direct mail to voters in the 4<sup>th</sup> Congressional District.

25. In an attempt to gain an understanding about this group which uses a New Orleans address, I learned that in addition to "SEIU Local 100", "Acorn" and "Elysian Fields Corporation" (the latter 2 purport to be not for profit) that the Edwards Campaign has a link to another not for profit, Citizens Services, Inc. ("CSI"), a Louisiana corporation formed on January 7, 2005. Like the other entities, its address is reported to be at 1024 Elysian Fields, New Orleans, Louisiana. *See Exhibit 12.*

26. I learned that Citizens Services, Inc. qualified to do business in Maryland as a foreign corporation and gave a registered agent address of 11 East Chase St., in Baltimore. In checking to verify the address, I learned that there is no record of Citizen Services, Inc. actually having an office in Baltimore. According to recent records from the Maryland State Department of Taxation and Assessments Citizens Services, Inc.'s ability to do business in Maryland was forfeited less than 2 months after the 2006 primary. *See Exhibit 13*

27. Notwithstanding, the fact that Elysian Fields Corporation, Acorn, and Citizens Services Inc., claim to be not for profit; they have been actively involved in making what purport to be independent expenditures, in support of the Edwards Campaign. I have identified at least three separate instances where the Edwards Campaign has collaborated with these ostensibly independent groups.

28. Specifically the Edwards Campaign paid Citizens Services, Inc. C/O of 16 West 25<sup>th</sup> Street, Baltimore, Maryland 21218 a total of \$76,866.80 in three separate payments, all purportedly for "Door to Door Get Out The Vote" activities. This information comes directly from Edwards Campaign reports. *See Exhibit 14*

29. Having previously learned that Citizens Services, Inc., did not actually have an office in Baltimore, I learned that Acorn is the business located at 16 West 25<sup>th</sup> Street, Baltimore, Maryland. In looking at the Edwards Campaign reports, I saw that the checks were made payable to Citizens Services Inc, but sent to Acorn at 16 West 25<sup>th</sup> Street, Baltimore, Maryland. *See Exhibit 15.*

30. However, what was not revealed in the Edwards Campaign reports was the fact that all of the organizations supporting the Edwards Campaign are domiciled in the same office at 1024 Elysian Fields Avenue and, that all had roles which were allegedly independent of the Edwards Campaign.

31. The efforts of these well heeled groups in promoting the Edwards Campaign raise serious questions about the involvement of corporations which have applied for and sought not for profit status but are receiving monies from a candidate for services. At the same time these groups are actively engaged in a coordinated effort to assist the Edwards Campaign. That assistance is not reflected in campaign finance reports which may violate federal reporting requirements.

32. Arca Foundation is a 501(c) (3) organization, and as such, is prohibited from engaging in partisan political campaign activity, yet public records and filings reveal that Arca's grant money was followed by campaign contributions made from grant

29044222661

recipients and those closely aligned with these organizations to Donna Edwards, the Executive Director of Arca.

33. Under the Internal Revenue Code, all section 501(c)(3) organizations are absolutely prohibited from directly or indirectly participating in, or intervening in, any political campaign on behalf of (or in opposition to) any candidate for elective public office. Contributions to political campaign funds or public statements of position (verbal or written) made on behalf of the organization in favor of or in opposition to any candidate for public office clearly violate the prohibition against political campaign activity. Violation of this prohibition can result in denial or revocation of tax-exempt status and the imposition of certain excise tax. ([www.irs.org](http://www.irs.org))

34. Not for profit groups are prohibited from engaging in advocacy for candidates which is coordinated with a candidate's campaign committee. The evidence attached herewith suggests that improper coordination and concerted action exist between the Edwards Campaign and groups outside of Maryland.

It is respectfully submitted that the Federal Elections Commission determine whether the Edwards Campaign and its contributors have exceeded campaign finance limitation; whether they have failed to properly make known the sources of monies and support; whether organizations granted §501(c)(3) status actively engaged in prohibited activities; and whether the Edwards Campaign failed to properly attribute funds to contributions in a manner consistent with federal law.

Respectfully submitted,

# **The League of Conservation Voters Endorses Donna Edwards For Congress**

## **Edwards Provides Clear Alternative to Incumbent on Environmental Policy**

TEMPLE HILLS, MD – July 19, 2006 – The League of Conservation Voters (LCV) announced their endorsement of Donna Edwards in her bid to unseat 7-term incumbent Albert Wynn in the Democratic primary in Maryland's 4th District. LCV, the independent political voice for the environment, was impressed with Edwards' commitment and proven leadership on behalf of numerous environmental causes.

"Environmental protection goes hand-in-hand with sound economic development," said Edwards. "We have spent decades doing the research and the results are indisputable: we need to take action now. As we advance through the 21st Century, we need leadership for environmental policies that are bold and visionary. Instead of providing that leadership, the incumbent voted with President Bush on the energy bill that gave the oil companies over \$25 billion in tax breaks while energy costs have soared. In Congress I will champion policies for renewable energy sources, expanding Metrorail across the Wilson Bridge and the Inner Purple Line. I will be an advocate for real solutions in our communities for clean air and water. I am honored to have earned LCV's endorsement."

Ms. Edwards has provided leadership on various environmental issues during her career. She has worked to protect the Potomac River shoreline and watershed in the face of intense development. She is a strong supporter of increased mass transit and transit oriented development. By contrast, the incumbent has on a number of occasions voted against key environmental legislation. In addition to voting with the Bush administration on the energy bill, he also voted to weaken the Endangered Species Act and against raising car mileage standards.

"LCV is proud to endorse Donna Edwards. We see her as an unabashed environmental champion in the United States Congress," said LCV President Gene Karpinski. "She knows well that the key to reinvigorating America's economy is the protection of our existing resources and a sustained effort to develop and market new and renewable forms of energy. She knows it's American ingenuity and the American work ethic that will solve our energy challenges."

## Anna Burger

CHAIR, CHANGE TO WIN;

INTERNATIONAL SECRETARY-TREASURER

SERVICE EMPLOYEES INTERNATIONAL UNION, CLC

Hailed by *Fortune Magazine* as "the most powerful woman in the labor movement" and named as one of *Washingtonian's* 100 Most Powerful Women in 2006, Anna Burger is both a top ranking officer at SEIU, the nation's largest and fastest growing union, and the first chair of America's newest labor federation, Change to Win.

Founded in September 2006 by SEIU and six other major unions representing six million workers, Change to Win is developing joint industry-based organizing campaigns aimed at ensuring that workers, not just CEOs, benefit from today's global economy.

The 1.5-million member SEIU is focused on uniting workers in three key sectors to improve their lives and the services they provide. It is the largest union of health care and property service workers and second-largest public employee union in North America. Since Burger's election as Secretary-Treasurer in 2001, half a million workers have united in SEIU.

A longtime strategist who oversees SEIU's national political operations, Burger directed the grassroots member action program that helped pro-worker candidates win both majorities in Congress in 2006, and the largest mobilization by any single organization in the history of U.S. politics in 2004. During this cycle, SEIU members built the largest labor PAC in the country by voluntarily raising more funds than any other union.

Her focus on organizing helped lead to a dramatic shift in "new" labor's priorities: SEIU now spends half of its resources to help more workers unite together to achieve the American Dream.

Breaking with tradition is nothing new for Burger; in the 1970-'80's she was out front on picket lines, anti-war protests and feminist rallies. She played a significant role in SEIU's recognition of choice as a key issue for women's health, and most recently, has been a passionate advocate for comprehensive immigration reform. Throughout her career, she has pushed labor to deepen its commitment to equality for all. Today, SEIU is the most diverse union in America, with a leadership that reflects its ranks: more than half of SEIU members are represented by local unions led by women or people of color.

Subj: Three weeks to go for Donna Edwards!

Dear Mary Ann,

There are three things you need to know about the race in Maryland's fourth congressional district.

First, the more voters in this district learn about incumbent Albert Wynn -- that he's taken \$420,000 from big oil, gas, and electric companies ... voted with Dick Cheney to give them huge tax breaks ... supported the White House-backed energy bill ... taken over \$32,000 worth of privately funded travel to places like Jamaica, San Juan, and Florida ... voted for the resolution authorizing the Iraq war -- the more they move to Donna Edwards, his dynamic, energetic challenger in the Feb. 12 primary.

Second, Donna Edwards is poised to beat Wynn. She nearly did it in 2006, and she is running even stronger in 2008.

The third thing? Donna Edwards needs your immediate help. She can't oust this entrenched incumbent without it. With just three weeks to go, every dollar will enable her to compete with Wynn's war chest and mobilize her voters on election day.

**Make an online contribution to Donna Edwards today!**

Donna Edwards is the only truly progressive Democrat in this race. She is running a strong grassroots campaign, winning important endorsements from SEIU, National Organization for Women, League of Conservation Voters, Democracy for America, Clean Water Action, Sierra Club, and more. And she's done it all on a shoestring budget!

But to win on Feb. 12, she needs to raise \$57,000 a week for the final three weeks to get her message out to voters on TV in the competitive D.C.-area media market -- and get them to the polls on election day.

**You can make an immediate impact for Donna Edwards by contributing online to her campaign today.**

Thanks for your swift response.

Warmest regards,

Ellen L. Malcolm  
President

P.S. If you and other EMILY's List members send Donna Edwards the most generous contribution you can afford today, we can overcome Wynn's corporate special interest backers and send this promising lawyer, community activist, and progressive voice for change to Washington. **Please support Donna Edwards today so she can win on Feb. 12!**

# HELP ELECT DONNA EDWARDS!

Dear Supporter

This year – more than ever – it's time for a change. And change can begin with Maryland's congressional primary election on Tuesday, February 12<sup>th</sup>.

The League of Conservation Voters has endorsed Democrat Donna Edwards for Congress because she will tackle the challenge of global warming and be a leader for clean energy solutions.

Click here to volunteer: <http://www.lcv.org/HelpElectDonna>

Every Saturday, from now until the February 12<sup>th</sup> primary, LCV volunteers will be going door-to-door in Montgomery County encouraging targeted Democratic primary voters to support Donna Edwards for Congress. This race may be decided by just a handful of votes and each face-to-face contact we make brings us close to a Donna Edwards victory on February 12<sup>th</sup>.

Click here to volunteer: <http://www.lcv.org/HelpElectDonna>

Can't join us for a weekend canvass? Sign up to make phone calls from the comfort of your own home. We'll e-mail you a list of targeted voters in the district, as well as a script and talking points. In close elections, every voter we engage can help make the difference.

Click here to volunteer: <http://www.lcv.org/HelpElectDonna>

The incumbent, Al Wynn, has taken hundreds of thousands of dollars in campaign cash from PACs like Constellation Energy, the Nuclear Energy Institute and FirstEnergy Corp. They're funding Wynn because he votes with them and against the environment, like his vote with Republicans for the Bush-Cheney energy bill that gave billions to Big Oil.

Elections have consequences. This February, we can elect a candidate to Congress who will make solving global warming a top priority. Get involved. Help elect Donna Edwards!

Sincerely,  
Mike Palamuso  
National Campaigns Director

# When it Comes to Solving Global Warming and Promoting Clean Energy Donna Edwards Will Never Drop the Ball

For too long, we've had a congressman whose votes don't mirror our values on critical issues like global warming

and clean energy. Let's resolve to

make 2008 the year we elect someone who cares about these issues—the most pressing of our generation.

Meet Democrat Donna Edwards.

## The Most Important New Year's Resolution: Stop Global Warming

For Donna Edwards, protecting our environment isn't just this year's resolution—it's a lifelong commitment, demonstrated by 20 years of hard work. As more

and more of us realize that global warming is the challenge of our generation, we finally have the chance to do something concrete about it: elect Donna Edwards to put clean energy issues at the top of the agenda in Congress.

## Donna Edwards: A Leader for Environmental Issues

To make real change, we need a representative who will do more than just vote for the environment. We need a leader like Donna Edwards, who has a specific, common-sense plan to create new, "green-collar" jobs, reduce energy costs and improve gas mileage. And she'll never drop the ball by voting for oil company profiteering over

clean energy  
investment.

## Mission and Programs

### Mission

ACORN Institute addresses problems in low-to-moderate income communities identified in years of community organizing by ACORN, the Association of Community Organizations for Reform Now, and the housing development and loan counseling of ACORN Housing Corporation. ACORN Institute is currently focused largely on the needs of the low-to-moderate income New Orleans residents devastated by Hurricane Katrina.

### Programs

After Hurricane Katrina devastated New Orleans and the Gulf Coast, ACORN Institute immediately began the ACORN Hurricane Recovery and Rebuilding program. This program is organizing for the right to return and rebuild and providing a national voice for displaced families through the national ACORN Katrina Survivors Association. Also under this program the ACORN Home Clean-Out Project is gutting and preserving homes in low-to-moderate income New Orleans neighborhoods.

ACORN Institute sponsors community education programs that include partnerships between community organizations, service providers, and others, to help low and moderate homeowners avoid the tactics of predatory lenders and promote financial literacy.

The ACORN Institute, along with the American Institute for Social Justice (AISJ) and the Organizers' Forum, publish Social Policy magazine.

ACORN Institute also supports ACORN International which helps improve the lives of low-to-moderate income families and sustains grassroots organizing in countries throughout the world.

#### Balance Sheet: Fiscal Year Ending December 31, 2005

##### Notes

The balance sheet gives a snapshot of the financial health of an organization at a particular point in time. An organization's total assets should generally exceed its total liabilities, or it cannot long survive, but the types of assets and liabilities also must be considered. For instance, an organization's current assets (cash, receivables, securities, etc.) should be sufficient to cover its current liabilities (payables, deferred revenue, current year loan and note payments). Otherwise, the organization may face solvency problems. On the other hand, an organization whose cash and equivalents greatly exceed its current liabilities might not be putting its money to best use.

## **COMMUNITIES VOTING TOGETHER**

### **FACT SHEET**

**This fact sheet shows that the Donna Edwards campaign is engaging in coordinated activity with an "independent" 527 organization that is launching negative attacks against Congressman Wynn. Donna Edwards is connected to the 527 through her relationships with key people involved as well as shared consultants and an organization called Citizens Services Inc. that is a subsidiary of ACORN.**

**Congressman Wynn was attacked in a series of mailings during the waning days of the 2006 campaign by a 527 called "Communities Voting Together" that is based out of 1024 Elysian Fields, New Orleans, Louisiana.**

**CVT is also active in the 2008 primary against Congressman Wynn handing out flyers and recruiting paid canvassers.**

**A closer examination of CVT reveals a close relationship with Donna Edwards' campaign and Arca Foundation.**

#### **ACORN**

- **CVT shares office space in New Orleans with the Louisiana branch of ACORN, an organization which endorsed Donna Edwards' campaign in 2006.**
- **Arca Foundation gave a \$10,000 grant to the ACORN Institute in 2006**
- **Donna Pharr, who is listed as the official custodian of records for CVT, also works with ACORN in Louisiana as Assistant Treasurer and also happens to be the Deputy Treasurer for the Minnesota ACORN Political Action Committee.**
- **Donna Pharr additionally serves as the Deputy Treasurer for the American Institute for Social Justice and Voting for America, Inc. Both of these organizations received a combined total of \$230,000 in grants from Arca Foundation between 2003 and 2006.**

#### **ELYSIAN FIELDS CORPORATION**

- **1024 Elysian Fields Ave in New Orleans, where the Communities Voting Together and ACORN is located, is owned by the Elysian Fields Corporation.**
- **The President of Elysian Fields is Wade Rathke who is also the founder and chief organizer of ACORN, which owns the Elysian Fields Corporation.**
- **Wade Rathke is also a longtime member of the Tides Foundation Board of Directors, and Board Chair of the Tides Center. The Arca Foundation contributed \$245,000 to the Center from 2002-2006.**

29044222737

## **CITIZENS SERVICES INC.**

Citizens Services Inc., is a nonprofit corporation permanently domiciled at 1024 Elysian Fields, New Orleans.

- Citizens Services, Inc. of 1024 Elysian Fields New Orleans filed to do business in the state of Maryland as a foreign corporation in May 2005. The only address listed is for the resident agent located on 11 East Chase Street, Baltimore, Md.
- Donna Edwards campaign paid Citizens Services Inc., over 76,000 for "Get out the Vote services". However, these checks were sent c/o 16 West 25<sup>th</sup> Street, Baltimore, Md.
- ACORN of 16 West 25<sup>th</sup> Street Baltimore, requalified as a foreign corporation to do business in MD on 3/10 2006. The address of the registered agent is 11 East Chase Street, same as CSI. The address of the corporation is given as 1024 Elysian Fields, New Orleans.
- 11/16/2006 ACORN based at 16 West 25<sup>th</sup> Street, Baltimore MD failed to file property returns with the State Department of Assessments and Taxation for 2006 and ACORN forfeited their right to do business in Maryland unless they requalify.
- 11/16/2006 CSI failed to file property returns with the State Department of Assessments and Taxation for 2006 and CSI forfeited their right to do business in Maryland.
- Communities Voting Together also gave Citizens Services, Inc., of 1024 Elysian Fields, New Orleans a \$60,000 contribution.
- Rosalie Leon, a member of the board of directors of CSI is the Executive Director of California ACORN.

## **SHARED CONTRIBUTORS BETWEEN CVT/EDWARDS**

A review of the contributors to both Donna Edwards' campaign and the Communities Voting Together show 3 contributors to both. The contributors are listed below:

<b>Donor</b>	<b>Edwards Campaign</b>	<b>527</b>
<b>Michael Kieschnick</b>	<b>\$2,500</b>	<b>\$80,000</b>
<b>John Hunting</b>	<b>\$2,000</b>	<b>\$100,000</b>
<b>Amalgamated Life/UNITE HERE</b>	<b>\$5,000</b>	<b>\$65,000</b>

**John Hunting is a member of the Board of League of Conservation Voters who endorsed Edwards in 2006. Hunting is a Trustee for the Beldon Fund and was a major contributor to America Coming Together.**

**Unite Here Endorsed Edwards in 2006 and in 2008. Amalgamated Life donated directly to the Donna Edwards campaign.**

**This evidence strongly suggests that CVT, ACORN, CSI and the Donna Edwards Campaign engaged in coordinated activity in their effort to defeat Congressman Wynn in the 2006 and 2008 campaign.**

**DONNA EDWARDS AND THEY WORK FOR US  
FACT SHEET**

**The Donna Edwards Campaign and They Work For Us are engaged in coordinated campaign activity against Congressman Al Wynn.**

**\* According to official public records, and several news articles, in January 2007, Donna Edwards, Steve Rosenthal, SEIU, MoveOn.org, and others formed an alleged 501 (c) (4) lobbying wing called They Work For Us and an associated PAC called Working for Us in order to target certain incumbent Democrats.**

**\* Working for Us Pac immediately lists Al Wynn on its website as one of its top three offenders.**

**\* SEIU COPE, MoveOn and Donna Edwards each gave contributions to the Working for Us PAC in 2007.**

**\* The PAC paid They Work for Us money for rent and overhead in 2007 (\$3,981.56)**

**\* Working for US PAC paid \$6284.55 to Lake Research for polling in 2007. Lake Research served as the pollsters for Donna Edwards in 2006 and possibly for 2008 but that data is not yet available.**

**\*The attorney for Working for US PAC is Laurence Gold. He is the law partner to Michael Trister who is General Counsel to Arca Foundation. Holly Shadler another partner from Lichtman Trister and Ross is a trustee to the Beldon Fund and counsel to Sierra Club. Both organizations with strong ties to Donna Edwards campaign and Arca foundation.**

**\* Gary Gruver, custodian of records for Working For Us PAC is the CFO of Catilist, Harold Ickes company. Ickes founded the 527 called America Coming Together.**

**\* They Work For Us also shared office space at 888 16th Street, Suite 450 NW, Washington, D.C. with America Voting Together.**

**\* Steve Rosenthal is the Treasurer of Working for Us PAC and also served as Treasurer of America Voting Together until it was fined \$750,000 by the FEC for violating campaign finance laws and disbanded in mid 2007.**

**\* Ellen Malcolm of Emily's List, Carl Pope of Sierra Club and Steve Rosenthal served as members of the Board of Directors of America Voting Together. Emily's List and Sierra Club are organizations that endorsed Donna Edwards for Congress campaign.**

**\* In January of 2008, They Work for US, started running radio attack ads against Al Wynn to the benefit of Donna Edwards. These ads were purchased in conjunction with**

the SEIU media buy. The tag line on these ads is the They Work for Us, 501 ( c ) ( 4 ) organization that Donna Edwards serves as a principal board member "They Work for Us" rather than the Working For Us PAC.

**This evidence strongly suggests that Donna Edwards campaign and They Work for US are engaged in coordinated campaign activity.**
