MUR # 6083

Dear Sir,

I am submitting this complaint to the Federal Election Commission (FEC) for a violation by MoveOn.org of its 527 organizational status.

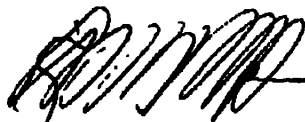

On Sunday, September 21, 2008 at 6:20 p.m. EST I received a phone call from Erin. Erin identified herself as a member of the Boston office of MoveOn.org. The number she was calling from was _____

Erin asked that I go to the Sarasota County Obama campaign office on September 28, 2008 and help with the Obama campaign. When I said that I would not be in town on September 28th she suggested that I go in and volunteer to work on either Tuesday, September 23rd or Thursday September 25th and "do whatever I felt comfortable doing for the Obama campaign". I asked her how things were going in the Boston MoveOn.org offices and she said great and they have lots of Obama supporters there. During the call I said I did not have the number for the Obama campaign office. Erin gave me the phone number of the Sarasota County Obama campaign headquarters - (941) 955-9415.

As I understand FEC rules and laws a 527 organization such as MoveOn.org is prohibited from directly soliciting for or directly supporting any political campaign.

I believe the Boston office of MoveOn.org is in violation of the law and I respectfully request the FEC investigate this potential violation and take appropriate action.

Sincerely,

Richard M. Swier
