## Comments:

Dear Ms. Broussard:

I have received the letter dated June 30, 2009 from the Federal Election Commission to Craig for US Senate and myself in my official capacity as Treasurer, former Senator Craig signed for it on Monday, July 20, 2009. The letter says that I have 15 days to submit a response. I request an additional 20 days to submit a response, (total of 35 days from 7/20/09).

I did not receive the November 18, 2008 letter referred to in the first paragraph of the June 30, 2009 letter. If I had received it, I would have responded to it. I would like to receive a copy of that letter to ~~review~~ review.

The additional time is needed to decide whether or not to retain counsel on behalf of Craig for US Senate ("Committee" and myself, as treasurer in my official capacity, and to formulate a response to the Factual and Legal Analysis enclosed with the June 30, 2009 letter.

The mailing address for the Committee is:  
P.O. Box 2271, Eagle, Idaho 83616-9114.  
This change was made several months ago in an amendment to statement of candidacy filed with the Federal Election Commission.

Thank you for your consideration.

Kaye O'Riordan for US Senate  
Treasurer, Craig
