RE: MUR 6303

In response to your letter received 6/18/10, I would like to demonstrate that no action should be taken against Jacob Lawrence in this matter.

Jacob is my 17-year-old son, who for the past four weeks has made occasional entries on the blog entitled "bungalowbillscw.blogspot.com." The blog covers local politics, sports, and miscellany. Jacob has not been paid in any way for his work, nor has he contributed any money to the blog. He is listed on that blog as a contributor, referring to his written contributions, not to any monetary contributions.

Additionally, Jacob has not been in any way involved in the "Long Is Wrong" blog or PAC, either financially or in writing stories for that blog. We believe that Jacob was named in this complaint erroneously, because of his writing for the "bungalow bill" blog.

Thank you for this opportunity to clear up this matter as it applies to Jacob. Please feel free to contact me if you have further questions.

Sincerely,

Ted Lawrence
