

RECEIVED  
FEDERAL ELECTION  
COMMISSION

2010 SEP 23 AM 11:23

OFFICE OF GENERAL  
COUNSEL

September 10, 2010

To the Federal Election Commission~

I must write you a second letter regarding File MUR 6345. God has really been convicting me. How can we ever hope to see God back in America until He is first in us!!

We did not handle the donation to Chris Nwasike right, whether legal or illegal. We have been trusting that returning that money took care of everything, and still are.

Any punishment the legal system could impose would pale in light of what God will do if I don't write this letter. Chris is young and full of passion, and truly like no one we've ever met. I am older, and need to be responsible to show him the way and hold our actions accountable.

God has given me strict warning, actually a crushing warning. That's all I know to my. I will never be the same.

Still wanting to Keep God In America more than anything,

*Jorgine Fields*
