RE: MUR 6850  
Jeremy Johnson

Dear Mr. Johnson:

On July 3, 2014, the Federal Election Commission notified you of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time.

Upon further review of the allegations contained in the complaint, the Commission, on November 18, 2014, found that there is reason to believe you violated 52 U.S.C. § 30116(a) (formerly 2 U.S.C. § 441a(a)) and 52 U.S.C. § 30122 (formerly 2 U.S.C. § 441f), provisions of the Act. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Statements should be submitted under oath. All responses to the enclosed Order to Answer Questions and Subpoena to Produce Documents must be submitted to the General Counsel's Office within 30 days of your receipt of this letter. Any additional materials or statements you wish to submit should accompany the response to the order and subpoena. Also enclosed is a Deposition Subpoena for you to appear for a deposition to be taken on January 27, 2015, at the Commission's offices in Washington, D.C. In the absence of additional information, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

Please note that you have a legal obligation to preserve all documents, records and materials relating to this matter until such time as you are notified that the Commission has closed its file in this matter. See 18 U.S.C. § 1519.

You may consult with an attorney and have an attorney assist you in the preparation of your responses to this order and subpoenas. If you intend to be represented by counsel, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notification or other communications from the Commission.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. *See* 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you have any questions, please contact Michael Columbo, the attorney assigned to this matter, at (202) 694-1341.

### **QUESTIONS AND DOCUMENT REQUEST**

The Federal Election Commission is investigating an allegation that you concealed your June 2010 contributions to Friends of Mike Lee ("Lee Committee") by funding a set of contributions made by others in their names. This allegation is based in part on your admission to Agent Scott Nesbitt of the Utah Department of Public Safety that you made \$50,000 in contributions to the Lee Committee through contributions disclosed in the names of others at the request of John Swallow. You indicated that several of the intermediaries' contribution checks bounced because they were deposited by the Lee Committee before the conduits deposited their

reimbursement checks, a fact which matches the information indicated in disclosure statements filed by the Lee Committee.

**I. QUESTIONS:**

Please submit answers to the following questions:

1. What was your relationship with the Lee Committee in 2010?
2. Did John Swallow ask you to make a contribution to Friends of Mike Lee in advance of the June 2010 primary election?

If so:

- a. When did he make this request?
  - b. Where did he make this request?
  - c. How (in person, by phone, etc.) did he make this request?
  - d. Identify any other persons who were present or became aware that he made this request.
  - e. How much did he ask you to contribute?
  - f. Did he ask, direct, suggest, or imply that you should make contributions in the names of others by, for example, funding or reimbursing other persons' contributions?
    - i. If so, did he also indicate that making contributions in the names of others would avoid the appearance that you were making a contribution in excess of the lawful limit?
3. Did you provide anyone with funds or anything of value, for example, an advance, bonus, gift, or reimbursement, for making a contribution to the Lee Committee in their name?

If so:

- a. List all persons to whom you provided funds or something of value for their contributions to the Lee Committee.

- c. Describe the circumstances under which you provided payment for the contributions, including all other persons involved and any meetings, discussions, phone calls, emails, other communications, checks, payments, and funds exchanged.
- d. Who else knows about your contributions in the names of these other persons?
- e. At the time you made the contributions in the names of these persons, were you aware that it was unlawful to do so?

4. A June 21, 2010 email chain involving you, Swallow, and Dan Hauser, the Deputy Campaign Manager and Finance Director of the Lee Committee in 2010, informed you that contribution checks to the Lee Committee submitted by persons associated with you had been declined for insufficient funds, and that you pledged to “get it fixed,” and that you asked Swallow to identify the contributors whose checks bounced.

6. List the dates, manner of communication, person with whom you communicated, and a summary of the communication for any instances in which you communicated with the Lee Committee or anyone associated with it or acting on its behalf regarding the reimbursed contributions.

7. List the dates, manner of communication, and a summary of the communication for any instances in which you communicated with Swallow or anyone associated with him or acting on his behalf regarding the reimbursed contributions to the Lee Committee.

**Required Oath or Affirmation:**

Please submit the following oath or affirmation with your answers to the above questions, followed by your signature: “I swear or affirm under penalty of law that that my answers to these questions are true.”

**II. DOCUMENT REQUEST:**

**I. INTRODUCTION**

The Complaint alleges that Jeremy Johnson — at the request and direction of John Swallow, former Utah Attorney General — contributed \$50,000 in the names of others to Friends of Mike Lee (the “Lee Committee”) for Senator Lee’s June 2010 primary election. As a basis for the allegations, the Complaint relies on a Utah law-enforcement agent’s search warrant affidavit, which recounts that Johnson admitted to making \$50,000 in reimbursed contributions to the Lee Committee at Swallow’s request, as they had done for a prior U.S. Senate candidate. The Complaint further alleges that Arvin Lee Black, Atia Black, and Matthew Black — reportedly associates of Mr. Johnson — allowed their names to be used for Johnson’s contributions.

A Special Investigation Committee of the Utah House of Representatives also identified the Blacks as three of Johnson’s potential conduits. The available information includes 15 potential contributors who may have been conduits for Johnson’s contributions. None of those donors would agree to certify that their contributions were made with their own funds, and one has stated that she had been reimbursed by “Mr. Black.” Johnson has not responded to the Complaint.

For the reasons described at greater length below, there is reason to believe that Johnson violated 52 U.S.C. § 30122 (formerly 2 U.S.C. § 441f) by making contributions in the name of another, violated 52 U.S.C. §30116(a) by making excessive contributions.

1     **II.     FACTS**

2             **A.       Swallow's and Johnson's \$50,000 Straw-Donor Contributions**

3  
4             In 2009, Swallow served as the Chief Deputy to, and chief fundraiser for, then-Utah  
5     Attorney General Mark Shurtleff. *See* Utah House of Representatives, Rpt. of the Special  
6     Investigative Committee at 5 (Mar. 11, 2014) (available at [http://le.utah.gov/investigative/](http://le.utah.gov/investigative/final_report_simple.pdf)  
7     [final\\_report\\_simple.pdf](http://le.utah.gov/investigative/final_report_simple.pdf)). In addition to serving as Utah Attorney General from January 2001 to  
8     January 2013, Shurtleff was also a Senate candidate in 2009. Swallow met Johnson in  
9     connection with Swallow's fundraising efforts for Shurtleff. Shurtleff withdrew from the Senate  
10    race in November 2009. In early 2010, then-candidate Mike Lee entered the U.S. Senate race  
11    and later won the general election for the U.S. Senate. In 2012, Swallow ran as a candidate for  
12    and was elected to the position of Utah Attorney General and began his tenure in January 2013.

13            During the course of the 2010 Utah Senate election cycle, Swallow and Johnson  
14    apparently engaged in a scheme to use straw donors to contribute to Shurtleff's and Lee's  
15    campaigns. According to a report of the Special Investigative Committee of the Utah House of  
16    Representatives ("Special Committee"), "Swallow enlisted Mr. Johnson in an effort to raise  
17    money for the U.S. Senatorial campaign of a political ally of Mr. Swallow's, now-Senator Mike  
18    Lee," before the June 22, 2010, primary election in which Lee was participating. *Id.* at 55.  
19    Further, Agent Scott Nesbitt of the Utah Department of Public Safety averred in a search warrant  
20    affidavit that Johnson admitted to him that he made approximately \$50,000 in contributions to  
21    Sen. Lee's campaign in the names of straw donors at Swallow's direction. Aff. of Scott Nesbitt  
22    ¶ 116 (Feb. 12, 2014) (Compl. Ex. A).

23            This was not the first time that Swallow and Johnson arranged for Johnson to make  
24    federal contributions in the names of others. Nesbitt's affidavit also recounts that Johnson first

1 admitted that Swallow told Johnson that Shurtleff needed \$100,000 for his Senate race in 2009.  
2 *Id.* ¶ 116. Johnson offered to contribute \$100,000 to Shurtleff. *Id.* Swallow informed Johnson  
3 that contributions were limited to \$2,500, however, and “told [Johnson] that he could gift money  
4 to other individual[s] who could then make a contribution.”<sup>1</sup> *Id.* In fact, Johnson told Nesbitt  
5 that “he did donate money to Mark Shurtleff’s campaign in behalf of other individuals.” *Id.*

6 Later, “Swallow asked [Johnson] to do the same thing for Mike Lee’s campaign for  
7 United States Senate, and he did so in the amount of about \$50,000.” *Id.* Johnson told Nesbitt  
8 that “he gave money to other individuals who then wrote checks donating to either Mark  
9 Shurtleff or Mike Lee’s campaign.” *Id.* ¶ 117. But “Swallow had some of the checks cashed so  
10 quickly that they bounced because the money he (Jeremy Johnson) had given the donors to  
11 donate had not been deposited yet.” *Id.*

12 In an e-mail chain dated June 21, 2010 — the day before the primary in which Lee would  
13 be nominated — Swallow wrote to Johnson: “We are working hard and tomorrow is the big  
14 day.” Special Committee Report, Appendix III, Ex. 22 [p. 918] (“Swallow June 22 E-mail”); *see*  
15 *also* Nesbitt Aff. ¶¶ 117, 119 (describing this e-mail as one that Johnson provided to him).  
16 Swallow also informed Johnson that “4 [o]f those checks bounced. I’ll forward you the names.”  
17 *Id.* In reply, Johnson stated “I am really sorry about the checks. I will get it fixed ASAP! Let  
18 me know whos [*sic*] bounced. I was in a mad rush to get those so maybe I pushed a few people  
19 too hard.” *Id.*

20 Swallow forwarded his e-mail exchange with Johnson to “a member of the Lee campaign  
21 staff,” Special Committee Report at 55, with the e-mail address “dan@mikelee2010.com.” That  
22 e-mail address appears to belong to Dan Hauser, the Deputy Campaign Manager and Finance

1 Director of the Lee Committee in 2010. The Available information indicates that Hauser  
2 received information from Swallow that Johnson was interested in helping raise money for the  
3 Mike Lee campaign. Hauser had never met Johnson and therefore conducted his own  
4 independent research into Johnson before the Lee Committee agreed to allow Mr. Johnson to  
5 raise money for the Mike Lee campaign. After vetting Mr. Johnson as best it could, the Lee  
6 Committee agreed to accept Mr. Johnson's offer to raise funds. The Lee Committee received a  
7 number of checks from Southern Utah in June 2010, and it was advised that these were the  
8 contributions solicited by Mr. Johnson.

9       The Special Committee attempted to identify the potentially reimbursed contributions.  
10 Based on the evidence that some of the straw donors' checks bounced, and other evidence such  
11 as the Lee Committee's Commission disclosure reports, the Special Committee concluded that  
12 three of the conduits were Arvin Lee Black, Atia Black, and Matthew Black, individuals that the  
13 Special Committee determined had ties to Mr. Johnson based on unspecified "court documents."  
14 Special Committee Report at 55 n.39; *see also* Report of Receiver's Financial Reconstruction at  
15 6, 8, 12-15, 51-63, *FTC v. Jeremy Johnson*, et al., No. 10-cv-2203 (D. Nev. Jan. 31, 2012) (ECF  
16 Docket No. 464) (describing Arvin Lee Black's alleged role in concealing assets for Johnson in  
17 advance of an FTC action against Johnson and containing excerpts of a deposition of Black that  
18 the Receiver concluded "lacks any credibility").

19       The Commission has information that contributions made at the same time, in the same  
20 bank deposit at a Southern Utah bank branch, and by the same campaign volunteer as the deposit  
21 that contained Mr. Johnson's contribution check also contained the contribution checks of 17

donors (including Johnson) and two of those contribution checks were redeposited on June 22, 2010.<sup>2</sup>

The Commission also has information that donors were asked to certify that they contributed their own funds and were not reimbursed. No donors returned the certifications and four letters were returned indicating that the donors moved without forwarding addresses. However, one of the suspected conduits stated that “Mr. Black” was a person for whom she had been working at the time of her contribution and that he had asked her to write a check to the Lee Committee and reimbursed her contribution.<sup>3</sup> Three of the donors have also been identified as relatives of Johnson.<sup>4</sup> Report of Receiver’s Financial Reconstruction at 8, 17-19, *FTC v. Jeremy Johnson*, et al., No. 10-cv-2203 (D. Nev. Jan. 31, 2012), ECF No. 464.

#### **B. Swallow’s and Johnson’s Criminal Prosecutions**

On July 3, 2013, six months after Swallow became Attorney General of Utah, the Utah House of Representatives established the Special Committee to investigate and report on

<sup>2</sup> The June 12, 2014, deposit contained the contributions of seventeen individual donors but checks for two of the seventeen donors did not clear. Accordingly, Johnson’s statement to Agent Nesbitt and the evidence that four conduit checks bounced is consistent with the information that four checks bounced initially and two were later successfully redeposited, for a total of 15 disclosed contributions. The list of 15 potentially reimbursed contributions includes Johnson, the alleged true donor, and Atia Black, but it does not include either Arvin or Matthew Black’s contributions, which were identified by the Utah Special Committee as likely conduit contributions. (Matthew Black does not appear to live in Southern Utah and therefore his check may not have been included in the deposit with the other checks.)

<sup>3</sup> It is probable that the conduit was referring to Arvin Black, reportedly one of Johnson’s associates and one of the contributors to the Lee Committee identified by the Utah House Special Committee as a likely conduit. (The other potential male conduit with the same last name, Matthew Black, appears to have an address that is far from the town in which the donor appears to live, whereas Arvin Black appears to have lived much closer to the donor.) On December 20, 2013, Arvin Black was charged in the District Court for the District of Utah with wire fraud and money laundering in connection with a ponzi scheme he operated between 2007 and 2012 in which he victimized approximately 50 persons. Information, *United States v. Arvin Lee Black*, No. 2:13-cr-00836 (D. Utah Dec. 20, 2013). On January 10, 2014, Black pleaded guilty to both charges and on May 9, 2014, the Court sentenced him to 60 months of incarceration and ordered him to pay \$13,793,626.55 in restitution. According to the Bureau of Prisons, Black is presently incarcerated.

<sup>4</sup> Sharla Johnson is identified as the Respondent’s wife, *id.* at 8, and Kerry and Barbara Johnson (who asserted their Fifth Amendment rights in their depositions) are identified as the Respondent’s parents and allegedly facilitated concealment of his financial transactions. *Id.* at 8, 17-19.

4 veritable ‘for sale’ sign on the [Attorney General’s] Office door that invited moneyed interests to  
5 seek special treatment and favors.” *Id.* at 2.<sup>5</sup>

6 On July 14, 2014, Swallow and Shurtleff were arrested and charged with 23 counts in

8 As for Johnson, the Federal Trade Commission filed a Complaint in the District Court for the  
9 District of Nevada on December 21, 2010, and a Motion for Preliminary Injunction on January  
10 12, 2011, alleging that Johnson, nine other individuals, and 61 corporations acted as a common  
11 enterprise to conduct an unlawful internet-based scheme that deceptively induced customers to

<sup>5</sup> The Special Committee’s investigation also revealed that “a significant amount of Mr. Swallow’s email” and “a large quantity of other data and data devices belonging to Mr. Swallow had also gone missing.” *Id.* at 3. In addition to concerns that this information and device loss was “intentional,” the Special Committee “came to understand that certain documents presented by Mr. Swallow in response to a Committee subpoena were fabricated well after the events they purported to record.” *Id.* The Special Committee concluded “that Mr. Swallow intentionally endeavored to obstruct inquiry into his conduct.” *Id.* Mr. Swallow refused to talk with the Special Committee despite its request to do so. *Id.*

### III. ANALYSIS

The Complaint alleges that, at Swallow's request and direction, Johnson contributed approximately \$50,000 to the Lee Committee in the names of other persons.<sup>6</sup> The Act provides that no person shall make contributions to any candidate and his or her authorized political committees with respect to any election for federal office that, for the 2010 election cycle, exceed \$2,400 in the aggregate. 52 U.S.C. §30116(a)(1)(A) (formerly 2 U.S.C. § 441a(a)(1)(A)); FEC, *Record* at 9 (Mar. 2009). Candidates and political committees also may not accept contributions that exceed the statutory limitations. 52 U.S.C. §30116(f) (formerly 2 U.S.C. § 441a(f)). The Act further provides that no person "shall make a contribution in the name of another person." 52 U.S.C. § 30122 (formerly 2 U.S.C. § 441f). That prohibition extends to knowingly permitting one's name to be used to effect the making of a contribution in the name of another, or to knowingly helping or assisting any person in making a contribution in the name of another. 11 C.F.R. § 110.4(b)(ii), (iii). The Commission has explained that "knowingly helping or assisting" a false-name contribution would reach the conduct of "those who initiate or instigate or have some significant participation in a plan or scheme to make a contribution in the name of another." Explanation & Justification for 11 C.F.R. § 110.4, 54 Fed. Reg. 34,098, 34,105 (Aug. 17, 1989).

According to the sworn affidavit of Agent Nesbitt, Johnson admitted that he made \$50,000 in contributions to the Lee Committee in the names of others in 2010. Nesbitt Aff.

<sup>6</sup> We note that the Complaint also contains allegations regarding contributions to Shurtleff's U.S. Senate campaign. Because those contributions were beyond the statute of limitations, we do not address them.

¶ 117.<sup>7</sup> Johnson's statements to Agent Nesbitt, though potentially motivated by a desire to curry favor with the government, are corroborated by objective contemporaneous evidence as well as information ascertained by the Lee Committee in the course of its subsequent internal review.

*First*, as Johnson told Agent Nesbitt, contemporaneous e-mails show that Johnson, Swallow, and the Lee Committee communicated about the fact that some of the conduits' contribution checks bounced — a very specific detail. Swallow June 22 E-mail; Nesbitt Aff ¶¶ 117, 119. *Second*, the Lee Committee's FEC disclosure reports also corroborate the fact that some contributors' checks bounced. Specifically, the reports show that contributions checks purportedly from Arvin Black (disclosed as "A Lee Black"), Atia Black, and Matthew Black were drawn on accounts that had insufficient funds for the checks to clear. *See* Friends of Mike Lee July 2010 Quarterly Report at 15, 121-122. *Third*, the bounced contribution checks included one from Atia Black, a person who the Utah House Special Committee and the available information indicates is a likely conduit for Johnson's contribution. Utah House Committee Special. Rpt. at 55 n. 39. *Fourth*, the Utah Special Committee determined that Arvin, Atia, and Matthew Black were associates of Johnson, providing further reason to believe that their contribution were connected to the alleged reimbursement scheme. Utah House Committee Special. Rpt. at 55 n. 39. *Fifth*, none of the 15 donors who were contacted to verify that they used their personal funds did so. Indeed, the only person who responded to the Lee Committee confirmed that she was reimbursed by "Mr. Black," *id.* ¶¶ 17-22, who appears to be Arvin Lee Black.

<sup>7</sup> Johnson's contributions in the names of others to the Lee Committee were preceded by \$100,000 that Johnson contributed in the names of others to Mark Shurtleff's Senate campaign before Shurtleff dropped his candidacy. Nesbitt Aff. ¶ 116. Johnson's contributions to Shurtleff are beyond the statute of limitations and we are therefore not making reason to believe findings as to those contributions.

When taken together, these factors provide a reasonable basis to conclude that Johnson reimbursed contributions to the Blacks and others, as Johnson himself stated to Nesbitt. And without a denial from Johnson, who did not respond to the Complaint, the available information provides a reasonable belief that Johnson made contributions in the names of others.

Consequently, the Commission finds reason to believe that Jeremy Johnson violated 52 U.S.C. §30116(f) (formerly 2 U.S.C. § 441a(f)) and 52 U.S.C. § 30122 (formerly 2 U.S.C. § 441f) by making excessive contributions in the names of others to Friends of Mike Lee.

Furthermore, the information presented also raises the question of whether any such violations were knowing and willful.<sup>8</sup> According to Nesbitt's search warrant affidavit, Johnson resorted to reimbursing contributions only when, with respect to earlier contributions to Shurtleff in the same cycle for the same election, Swallow informed him that the legal contribution limit was \$2,500 and directed him to circumvent that limit by reimbursing contributions made by other persons. Nesbit Aff. ¶ 116. Should the Commission ultimately conclude that any violation of the Act was committed knowingly and willfully, the Act permits the Commission to require the payment of heightened monetary penalties for that violation of law. *See* 52 U.S.C. §§ 30109(a)(5)(B), 30109(d) (formerly 2 U.S.C. §§ 437g(a)(5)(B), 437g(d)).

<sup>8</sup> A violation of the Act is knowing and willful if the "acts were committed with full knowledge of all the relevant facts and a recognition that the action is prohibited by law." 122 Cong. Rec. 12,197, 12,199 (May 3, 1976). But this does not require proving knowledge of the specific statute or regulation the respondent allegedly violated. *United States v. Danielczyk*, 917 F.Supp.2d 573 (E.D. Va. 2013) (quoting *Bryan v. United States*, 524 U.S. 184, 195 & n.23 (1998) (holding that, to establish a violation is willful, government needs to show only that defendant acted with knowledge that conduct was unlawful, not knowledge of specific statutory provision violated)). Instead, it is sufficient to demonstrate that a respondent "acted voluntarily and was aware that his conduct was unlawful." *Id.* (citing jury instructions in *United States v. Edwards*, No. 11-61 (M.D.N.C. 2012), *United States v. Acevedo Vila*, No. 08-36 (D.P.R. 2009), *United States v. Fieger*, No. 07-20414 (E.D. Mich. 2008), and *United States v. Alford*, No. 05-69 (N.D. Fla. 2005)). This may be shown by circumstantial evidence from which the respondents' unlawful intent reasonably may be inferred. *Cf. United States v. Hopkins*, 916 F.2d 207, 213 (5th Cir. 1990) (quoting *United States v. Bordelon*, 871 F.2d 491, 494 (5th Cir. 1989)). For example, a person's awareness that an action is prohibited may be inferred from "the [person's] elaborate scheme for disguising their . . . political contributions." *Id.* at 214-15.
