Dear Ms. Collins,

We are counsel to all Respondents in the referenced matter. Respondents' current deadline for responding to the Complaint in the referenced matter after an initial extension is November 3, 2014. Respondents are actively preparing their response, but respectfully request a 21-day extension of time such that their response would be due November 24, 2014. Respondents make this request based on the volume of purported evidence to which they must respond and the unavoidable press of other matters also requiring the timely attention of the undersigned.

Respectfully submitted,

Lewis K. Loss
Michael S. Steinberg
