Dear Mr. Hampton,

Thank you for bringing this matter to my attention. As the campaign was winding down I lost communication with my former campaign manager, Chris Tolino, who handled all our incoming and outgoing mail and correspondence and it seems the post office box wasn't checked and the initial notice by mail didn't reach anyone.

On behalf of the Andrew Walter for Congress campaign, my staff, and myself we deny any involvement in any effort to circumvent law and Federal Election Commission regulations regarding coordinated communications.

My campaign, Andrew Walter for Congress, entered into a commercially reasonable contract with i360, LLC, for a software service to manage voter data. Over the entire duration of my campaign we spent a total of \$1,400 for these services. Andrew Walter for Congress did not receive information from anyone else and has no knowledge of anyone else receiving information from it.

Thank you for the opportunity to address this matter. Should you have any further questions, please don't hesitate to contact me.

Sincerely,

Andrew Walter
