Hello,

I received your mail regarding the donations to Rishi Kumar campaign contributions. I have reached out to the There were two errors that the campaign is correcting regarding the attribution of the contributions.

1) 1 Contribution of 2900 on 5/19/2022 for Primary Election

This contribution was incorrectly attributed to General Election. It was for the primary election. The campaign is filing an amendment for the same.

2) 2 Contributions of 2900 on 9/29/2022 for General Election

I made a contribution of 5800 on behalf of me and my wife Sailaja Vadrevu. The campaign has incorrectly attributed both to my name, Jay Vadrevu. The campaign is filing an amendment for the same.

With these corrections from the campaign, this should rectify the errors of reporting, Please let me know if there are any additional details I can provide.

Regards,
Jay
