

To the Federal Election Commission:

I received this correspondence from the Commission and am responding to your letter. I am no longer serving as Treasurer of the Orange County Republican Executive Committee. I served in an unpaid volunteer capacity.

The first time I was aware of any issue in the 2021 Year End Report was when I was contacted by phone from Mr. Beckman on June 13, 2022. As indicated your correspondence, within 30 days of the June 13<sup>th</sup> phone call, the Commission's concerns were remedied. Had I been contacted sooner, action would have been taken more quickly.

If the Commission believes that a possible violation occurred, I would encourage the Commission to find that this was a de minimis violation and/or offer a conciliation to resolve this matter.
