Gentlemen:

I received your letter of February 23, 1976.

I stated in my Registration Form that at the present time, I am the only member of my Party and I do not have any other officer in the American Freedom Party at the present time.

I'm sure that to refuse my requests, because I have no other person to work with me is unconstitutional, as I can not force anyone to do so, so I must do everything myself. How you people can give everyone else, those thousands of dollars and refuse me a few pennies is typical of this corruption in Government.

Yours truly,

Larry B. Sargeant
