RE: MUR 3774  
Free Congress Foundation/  
National Empowerment Television

Dear Mr. Harrison:

On May 20, 1993, the Federal Election Commission notified your clients, the Free Congress Foundation and its subsidiary National Empowerment Television of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). On March 6, 1995 you were notified that an amendment to the complaint had been filed alleging similar violations of the Act.

On August 1, 1995, the Commission found that there is no reason to believe the Free Congress Foundation or National Empowerment Television violated the Act based on the complaint filed in MUR 3774. Accordingly, the Commission closed its file in this matter as it pertains to the Free Congress Foundation and National Empowerment Television.

This matter will become a part of the public record within 30 days after the file has been closed with respect to all other respondents involved. The Commission reminds you that the confidentiality provisions of 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) remain in effect until the entire matter is closed. The Commission will notify you when the entire file has been closed.

Sincerely,

Lawrence M. Noble  
General Counsel
