OFFICE

Dear Ms Hampton:

My Treasurer duties for the Jill Stein for President Campaign began in December of 2012. Until then I had played no role in the Campaign other than as a supporter of Jill Stein and Cheri Honkalas candidacies. I dont know what if anything I have to offer That would assist you in your investigation of the FEC Complaint filed by Richard Zitola, as the first I heard of him was when I received his complaint in March of 2013. I dont know Mr. Zitola and dont know that I've ever met the man.

When I received my copy of the Mr. Zitola's complaint, I contacted Campaign Manager Ben Manski to let him know and to ask him what it was about. Mr. Manski had just heard about the complaint as well, and he responded that he was drafting a response on behalf of the Campaign. I have read the response and have discussed the matter with Mr. Manski, but I cannot personally attest to the specifics involved as they all took place before I joined the Campaign.

Given the foregoing information, if there are any specific questions you'd like to ask, please go right ahead, but I'm almost positive that I'll be unable to answer them. Thank you for your patience with all the phone tag we were playing.

Sincerely,
