Re: MUR 6734 (David Boies)

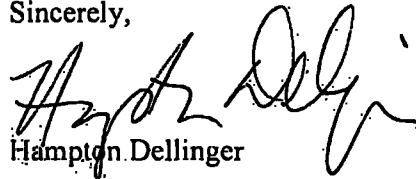

Dear Mr. Jordan and Ms. Hampton:

I write on behalf of the respondent to provide confirmation that the refunds necessary to ensure full compliance with the 2011-12 biennial limit have been received. As detailed in my letter of July 30, 2013, respondent requested that four candidate committees return donations in order to ensure his full compliance with the biennial limit. As you will see from the attached check copies, all four committees complied with the request. As a result of these refunds, respondent's 2011-12 candidate committee donations total \$44,900 and comply fully with the biennial limit in effect for that cycle.

In light of the compliance results detailed above, respondent respectfully requests that this matter be closed. Any failure to adhere to the biennial limit occurred without knowledge, intent or willfulness. Upon notice of the MUR, respondent took action to ensure full compliance and has achieved it through the refund process. In addition, respondent has taken steps to ensure that the aggregate of any future donations complies with all aspects of the operative biennial limit.

If you have any questions, I can be reached at [hdellinger@bsfllp.com](mailto:hdellinger@bsfllp.com) or 202-274-1152.

Sincerely,

  
Hampton Dellinger
