Kim,

I just forwarded the MUR to the partner I work for and he asked if there is any way we can get a 45 day extension. It seems the MUR relates to an action that was litigated in federal court (and might still be) so the research is a little more extensive than we initially anticipated.

If that's possible, please let me know. Thank you for all your help!

Kim,

Now that the updated Form 1 has been entered into FEC.gov I went ahead and drafted a designation of counsel form for Chris Marston (Sue Lowden for US Senate's new treasurer). Please find it attached. Per our earlier conversations are you now able to send Chris (and me) the MUR that was filed against the committee?

We agreed on a 30 day response time from the day we receive the MUR, correct?

Thank you so much for all your help with this – I really appreciate it.

Please call or e-mail with any questions.

Lauren
