In re: MUR 4818
Jamie Benson

RESPONSE TO ANALYSIS OF FEC AND REQUEST FOR CONCILIATION

Jamie Benson acknowledges receipt of the factual and legal analysis of the FEC. Jamie Benson agrees that she did make the campaign contributions listed therein to the Walt Roberts Campaign. At no time did Gene Stipe or any member of the Stipe Law Firm request Jamie Benson to make a contribution to the Campaign or to her knowledge supply any funds for her to make any campaign donation. Jamie Benson at the time of the contributions to the Roberts' Campaign was and still is an employee of the Stipe Law Firm. Charlene Spears, another employee of the Stipe Law Firm, provided Jamie Benson with the funds to make the campaign contributions. Jamie Benson made the donations to the Roberts campaign at Charlene Spears' request. At the time of Benson's donation, Benson was unaware of any specific prohibition of the contribution, but has since learned that this contributions were improper. Jamie Benson requests pre-probable cause conciliation pursuant to the letter of October 13, 1999.

Dated this 9th day of December, 1999.
