RE: MUR 5429

Dear Mr. Lerner:

As the enclosed correspondence reflects, on March 9, 2004, the Federal Election Commission found reason to believe that you violated 2 U.S.C. § 441a(a)(1)(A), a provision of the Federal Election Campaign Act of 1971. However, after considering the circumstances of this matter, the Commission also determined, at that time, to take no further action and closed its file as it pertains to you. The correspondence transmitting the notification of the Commission's action was, inadvertently, sent to the wrong address.

This correspondence is to advise you that the file in this matter has now been closed as to all other respondents and this matter is now public. Documents related to the case will be placed on the public record within 30 days. *See Statement of Policy Regarding Disclosure of Closed Enforcement and Related Files*, 68 Fed. Reg. 70,426 (Dec. 18, 2003).

If you have any questions, please contact me at (202) 694-1650.

Sincerely,

A handwritten signature in black ink, appearing to be "Beth N. Mizuno".
