In re: MUR 5112 and 5383

Dear Ms. Taksar:

BULK FILE

On behalf of the Federer for Congress Committee ("Committee"), and Thomas M. Busken, as treasurer, we have reviewed the Commission's "Factual and Legal Analysis" which we believe contains many errors as more particularly set forth below.

1. The Committee's 1999 Year-End Report disclosed a total of thirty-four (34) disbursements, not twenty (20). The ten (10) disbursements to Hutchings only totaled \$22,455.95, and not \$76,968.97. The total disbursements for the 1999 Year-End Report was \$88,538.82, and not \$76,968.97.

The Committee filed an amended 1999 Year-End Report dated December 18, 2000, which was received by the FEC on December 28, 2000, and in which there were no references to the term "consulting".

2. With respect to the 2000 July Quarterly Report, it appears there were, of the sixteen (16) payments to Hutchings, nine (9) disbursements, and not eight (8) disbursements, which total \$41,739.12. The Committee filed an amended 2000 July Quarterly Report dated March 2, 2001, which was received by the FEC on or about March 7, 2001, and which did not contain any inadequate purpose descriptions of "consultant fees" or "services and supplies".
3. With respect to the 2000 Twelve Day Pre-Primary Report, which was amended February 8, 2001, and which was received by the FEC on February 13, 2001, there are no entries under the disbursement description of "consulting, manager, temp". The entries on the amended report state "office management, temp staffing and machine leasing".
4. With respect to the 2000 October Quarterly Report which was amended January

2003 OCT 14 A 11:30
FEDERAL ELECTION COMMISSION
OFFICE OF THE GENERAL COUNSEL
WASHINGTON, DC 20463

2003 OCT 14 A 11:30

3, 2001, and received by the FEC January 8, 2001, the Committee has amended said report, a copy of which is enclosed.

5. With respect to the 2000 Twelve Day Pre-General Report which was dated January 3, 2001, and received January 8, 2001 by the FEC, the Committee has amended said report, a copy of which is enclosed.
6. With respect to the 2000 Thirty Day Post-General Report which was amended March 5, 2001, and received by the FEC on March 9, 2001, the Committee has amended said report, a copy of which is enclosed.
7. With respect to the 2000 Year-End Report, and the four (4) disbursements to Hutchings, only two (2) total the sum of \$5,619.99. In addition, the total of the four (4) disbursements is \$11,319.99, and not \$5,619.00. The Committee has amended the report that was dated January 31, 2001, and received by the FEC on February 5, 2001. A copy of the amended report is enclosed.
8. Finally, the disbursements to Hutchings which are corrected by the four amended reports enclosed herewith are in the total sum of \$100,421.43, and not the sum of \$233,289.21.
9. With respect to the allegation of a corporate contribution by AM & PM, Inc. in violation of Section 2 U.S.C. 441(b), there is insufficient information in support of said allegation that would allow for the Committee to adequately defend itself and respond. For example, references are made to undated documents such as a Dickinson Press invoice and an invoice of AM & PM, Inc., which have not been furnished as part of the complaint. Suffice to say, at this point, according to the campaign records, the disbursements to AM & PM, Inc. included marketing expenses to purchase books used in soliciting contributions. The Committee has been unable to reach Mr. Matteucci regarding his alleged reported statement(s) and document(s) furnished to the FEC that purportedly form the basis of MUR Complaint 5383.

If you have any questions or would like to discuss any of the above-referenced matters further, please do not hesitate to contact me. Thank you.

Sincerely,

FEDERER & FEDERER, P.C.

Thomas M. Busken, Treasurer
Federer for Congress Committee
9705 Watson Road, Suite 301
St. Louis, MO 63123

JAN 30 2001

Identification Number: C00336677

Reference: Amended 30 Day Post-General Report (10/19/00-11/27/00), dated 1/8/01

Dear Mr. Busken:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your committee filed 48 hour notices reporting the following "last minute" contributions:

<u>Contributor</u>	<u>Date</u>	<u>Amount</u>
Richard J. Troche	10/20/00	\$2,000.00
Emma Griggs	10/20/00	\$1,000.00

These contributions do not appear on Schedule A of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies.

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-General report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that

FEDERER FOR CONGRESS COMMITTEE
PAGE 2

you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to provide concerning this matter will be considered. (11 CFR §104.5(f))

-Debt payments for this period (Schedule D) are greater than the payments itemized on Schedule B. Each expenditure to a person which in the aggregate is greater than \$200 for the calendar year must be reported on Schedule B. "Person" includes an individual, partnership, corporation, association, and public or private organization -- other than an agency of the United States Government. Please correct the discrepancies in the payments made to Catterton Printing, Inc. and file an amendment to your report. (11 CFR §§104.3(b)(4)(i)(A) and 100.10)

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the

FEDERER FOR CONGRESS COMMITTEE
PAGE 3

- reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-Schedule A of your report discloses contributions received after the General Election which are designated for the general. These contributions may be accepted to the extent that the committee has net debts outstanding from the general. (11 CFR §110.1(b)(3)(i))

A contribution is considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to have relinquished control over the contribution when it is delivered to the candidate, when it is delivered to an authorized committee of the candidate, or to an agent of an authorized committee of the candidate. A contribution that is mailed to any of the aforementioned recipients will be considered to have been made on the date of the postmark. Envelopes should be retained for the committee's records. (11 CFR §110.1(b)(6))

If the contribution(s) accepted exceeds the amount of net debts outstanding from the general election, you should refund the contribution(s) or seek redesignation of the contribution(s), in writing, from the contributor to the next election. The Commission should be notified if a refund is necessary. Refunds are reported on Line 20 of the Detailed Summary Page and on a supporting Schedule B of the report covering the period during which the refund is made. Redesignations are reported as memo entries on a Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR §104.8(d)(2))

Although the Commission may take further legal action, prompt action by you to refund or seek redesignation of the excessive amount(s) will be considered.

FEDERER FOR CONGRESS COMMITTEE

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). Richard J. Troche 48 hour notice \$ 2000.

Mr. Troche's check was received through a professional fund raiser. They sent us a notice on the contribution, we in turn sent this information on to the FEC on the FEC form 6. We were then notified that his check bounced about 3 day later. When we received the hard copies of the checks and files from the fund raiser, these items ^{were} ~~never~~ absent. This is how the contribution and bounced check were not picked up on our report.

Emma Griggs 48 hour notice \$1000.

Ms. Griggs notice appears to have been filed in error. In reviewing our records and having the professional fund raisers review their records we could not find a check or record of a check for \$1000. written by her. She wrote two checks for \$ 24. each.

Contributions received after the election are going for debt reduction of the election.
Contributions are limited to the general election limit of \$1000. per individual.

Ralph Work was refunded \$1000 on 11/8/00

Charlene Ammerman was refunded \$1000 on 10/20/00 and \$1000 on 1/22/01

James Gilman was refunded \$450 on 1/23/01

John Gordon was refunded \$1500 on 1/4/01

Cynthia Coyle shows that the donation she made was \$1000 on 10/26/00 and on 9/7/00 \$ 500. This amount was reattributed to her husband on 9/25/00.

Federer for Congress
Procedure for Requesting Contributor Information

I. Initial solicitation for information:

Request for contributions include the clearly visible statement that federal election law requires us to report the name, mailing address, name of employer and occupation of each individual whose contributions aggregate in excess of \$200 in a calendar year. \$1000 for the primary election and \$1000 for the general election is the most an individual is allowed to give by law. Contributions from corporations and foreign citizens are prohibited. Contributions are not tax deductible for income tax purposes.

Mr./Mrs./Ms./ _____
Street _____ Apt. _____
City _____ State _____ Zip _____
Occupation _____
Employer _____

II. Follow-up solicitation for information:

No later than 30 days after receiving a contribution from an individual who has given over \$200, a letter is sent out for the clear and conspicuous purpose of asking for the missing information. Contributors are informed that in order for us to comply with Federal Election Commission Reporting Requirements, federal law requires us to report the name, mailing address, name of employer and occupation of each individual whose contributions aggregate in excess of \$200 in a calendar year. \$1000 for the primary election and \$1000 for the general election is the most an individual is allowed to give by law. Contributions from corporations and foreign citizens are prohibited. Contributions are not tax deductible for income tax purposes. A pre-addressed, pre-stamped envelope is included in the letter sent to the contributor so they can reply easily. If no response is received, additional solicitations for information are sent out.

III. Reporting information:

When an individual responds by providing the missing information, that information is to be included in the next regularly scheduled report on an amended Schedule A listing the contributions for which additional information was received, or amendments to the original reports disclosing the contributions are to be filed before the next regularly scheduled reporting date.
