RECEIVED  
FEDERAL ELECTION  
COMMISSION  
OFFICE OF GENERAL  
COUNSEL

SUBJECT: REFERRAL OF FRIENDS OF BARBARA BOXER.

Friends of Barbara Boxer ("the Committee") has failed to file 48-Hour Notifications for contributions totaling \$73,222.77 received prior to the 1998 General Election. According to the 1997-1998 Reports Analysis Division ("RAD") Review and Referral Procedures for Authorized Committees an examination by your office is required.

Barbara Boxer won the 1998 General Election for the Senate in California receiving fifty-three point two percent (53.2%) of the vote.

The following information will be helpful when reviewing this referral. In accordance with 11 CFR 102.17(c)(3)(iii), the date of receipt of a contribution by a participating committee is the date that the contribution is received by the fundraising representative. With respect to some contributions received from the joint fundraising committees, the Committee reports a receipt date which is different than the receipt date reported by the joint fundraising committees. Because it is not clear if these contributions should have been disclosed on 48-Hour Notices, they are included in the referral if the Committee's or joint fundraising committees' receipt date falls within the 48-Hour Notice window. These contributions are noted on the chart with an "x".

The Committee's 30 Day Post-General Report discloses seven (7) transfers totaling \$235,498.75 received from four (4) joint fundraising committees between October 23 and October 31, 1998. The contributions comprising these transfers would have required the submission of 48-Hour Notices by the Committee. Three additional transfers totaling \$59,063.78 from three (3) of these joint fundraising committees were received November 3, 1998. The contributions comprising these transfers would not have required the submission of 48-Hour Notices by the Committee. Based on the manner in which the Committee discloses the receipt of these contributions on its memorandum Schedule A, it is not possible to determine which contributions comprised a specific transfer from a specific joint fundraising committee (please note that the joint fundraising committees disclose the initial receipt of these contributions but do not disclose the composition of the funds for each transfer). For this reason, RAD used the receipt date rather than the date of the transfer to determine which contributions should have been disclosed on 48-Hour Notices. Furthermore, please note that some of the attachments (Schedules A) are from Senate reels, and therefore, may not be legible.

If you have any questions regarding this referral, please contact Peter Kell, Jr. at 694-1130.

## Failure to File Forty-Eight Hour Notifications

Friends of Barbara Boxer ("the Committee") has failed to file 48-Hour Notifications ("48-Hour Notices") for contributions totaling \$73,222.77 received prior to the 1998 General Election.

The candidate was involved in the 1998 General Election held on November 3, 1998. Prior Notice was sent to the Committee on September 30, 1998 (Attachment 2). The Notice includes a section titled "48 Hour Notices on Contributions". This section reads "Notices are required if the committee receives contributions (including in-kind gifts or advances of goods or services; loans from the candidate or other non-bank sources; and guarantees or endorsements of loans to the candidate or committee) of \$1,000 or more, during the period October 15 through October 31. The notices must reach the appropriate federal and state filing offices within 48-hours of the committee's receipt of the contribution(s)."

Schedules A of the original and amended 1998 30 Day Post-General Reports indicate the Committee has failed to file 48-Hour Notices for contributions received during the aforementioned period (Attachments 3A through 4D)<sup>1</sup>. The contributions for which 48-Hour Notices were not filed are listed on the Chart at page 4.

On January 19, 1999, a Request for Additional Information ("RFAI") was sent to the Committee (Attachment 5). The RFAI notes on an informational basis that the Committee may have failed to file one or more of the required 48-Hour Notices for "last minute" contributions of \$1,000 or more. The notice requests the Committee to review their procedures for checking contributions received during the aforementioned time period. In addition, the notice states that although the Commission may take legal steps, any response would be taken into consideration.

On February 12, 1999, the Reports Analyst telephoned Renita Smith, a Committee Representative, to inform her that the Committee failed to file 48-Hour Notices for contributions from individuals and political action committees (Attachment 6). Ms. Smith requested a list of contributors for which 48-Hour Notices were not filed so that she could determine the source of the problem. The analyst complied with her request and faxed a copy of the list.

On February 17, 1999, Renita Smith telephoned the analyst and stated that many of the contributions reported as being received during the 48-Hour Notice period were incorrectly dated. According to Ms. Smith, a miscommunication between the bank depositors and the data entry personnel resulted in the reporting of the deposit date rather than the receipt date. Ms. Smith stated that a response will be sent out immediately (Attachment 7).

---

<sup>1</sup> Schedules from the amended 30 Day Post-General Report are provided if the contribution was not reported on the original 30 Day Post-General Report, or, if the receipt date on the amendment was changed and fell within the required period for the filing of 48-Hour Notices.

On March 1, 1999,<sup>2</sup> the Committee submitted a response to the Commission regarding the missing 48-Hour Notices (Attachment 8). First, the Committee stated that contributions reported as being received during the 48-Hour Notice filing period were in fact received prior to the filing period; however, the Committee failed to provide the correct dates of the contributions in question. Second, the Committee stated that several contributions were not reported to the Committee until after the filing period had expired. Third, the Committee listed the names of contributions received from joint fundraising and stated that due to possible changes in allocation, the Committee may "under-report" or "over-report" 48-Hour Notices based on contribution limitations. Finally, the Committee listed several contributions where 48-Hour Notices were never filed. The Committee stated that these contributions are still being reviewed and an amendment reflecting the changes will be submitted shortly.

On March 9, 1999, the Committee filed an Amended 30 Day Post-General Report which clarified the receipt dates for some of the contributions. The amended dates disclose that some contributions, reported as received by the Committee and the joint fundraising committees on the same date, do not fall within the required 48-Hour Notice period (Attachment 9).

On March 15 and May 7, 1999, additional amendments were filed covering the 30 Day Post-General reporting period. However, they do not provide any information that further clarifies the Committee's failure to file 48-Hour Notices.

---

<sup>2</sup> The response was initially faxed to the Commission on February 24, 1999. The original paper copy was received on March 1, 1999.

## WHO MUST FILE

All 1998 general election principal campaign committees of congressional candidates (including unopposed candidates) who seek election in the November 3, 1998, General Election must file the Pre- and Post-General Election Reports. If the campaign has an authorized committee(s); in addition to the principal campaign committee, the principal campaign committee must also file a consolidated report on Form 3Z and attach the report(s) of the authorized committee(s).

## 48 HOUR NOTICES ON CONTRIBUTIONS

Notices are required if the committee receives contributions (including in-kind gifts or advances of goods or services; loans from the candidate or other non-bank sources; and guarantees or endorsements of loans to the candidate or committee) of \$1,000 or more, during the period October 15 through October 31.

The notices must reach the appropriate federal and state filing offices within 48 hours of the committee's receipt of the contribution(s). U.S. House candidates faxing 48-hour notices should transmit them to the FEC at 202/219-0174. Senate candidates should transmit them to the Secretary of the Senate at 202/224-1851. Note that 48-hour notices are the only FEC documents that may be faxed.

\*These dates indicate the beginning and the end of the reporting period. A reporting period always begins the day after the closing date of the last report filed. If the committee is new and has not previously filed a report, the first report must cover all activity that occurred before the committee registered.

\*\* Reports sent by registered or certified mail must be postmarked by the mailing date; otherwise, they must be received by the filing date.

FEDERAL ELECTION COMMISSION  
WASHINGTON, D.C. 20463

RQ-2

Michael Ohleyer, Treasurer  
Friends of Barbara Boxer  
P.O. Box 641751  
Los Angeles, CA 90064

JAN 19 1999

Identification Number: C00279315

Reference: 30 Day Post-General Report (10/15/98-11/23/98)

Dear Mr. Ohleyer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Commission Regulations define the term "purpose" to mean a brief statement or description of why a disbursement was made. Examples are "dinner expense", "media", "salary", "polling", "travel", "party fees", "phone banks", "travel expenses", "travel expense reimbursement" and "catering costs". Unacceptable descriptions include, but are not limited to "advance", "consulting", "contract labor", "election day expense", "expenses", "other expenses", "expense reimbursement", "miscellaneous", "outside services", "get-out-the-vote" and "voter registration". (11 CFR §104.3(b)(4)) Please amend Schedule B of your report to correct the descriptions which do not meet the requirements of the Regulations.

-You must attempt to obtain the occupation and name of employer for all individuals who contribute more than \$200 in a calendar year.

A committee may establish "best efforts" by providing the Commission with a description of its procedures for requesting the information. It is also in the best interests of the committee to provide a copy of its solicitation. In order to establish "best efforts", the committee must demonstrate that it makes at least one request for the information after the

21-04-405-0934

**FRIENDS OF BARBARA BOXER  
PAGE 2**

contribution is received. This one request must be made for any solicited or unsolicited contribution that exceeds the \$200 threshold and lacks the necessary information.

Each solicitation must include a clear and conspicuous request for the information. If a committee receives a contribution that exceeds the \$200 threshold but lacks contributor information, the committee must, within 30 days, make an additional written or oral request for the information. Please note that a written request may not include an additional solicitation or material on any other subject, other than thanking the contributor for the donation and must include a pre-addressed return post card or envelope for the contributor's response. An oral request must be documented in writing. Committees must also disclose information that was not provided by the contributor, but is available in any of the committee's records for that current election cycle.

If a committee receives contributor information after the contributions have been reported, the committee shall either a) file with its next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before its next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.3(a)(4)(i) and 11 CFR §104.7)

-Your committee filed 48 hour notices reporting the following "last minute" contributions:

<u>Contributor</u>	<u>Date</u>	<u>Amount</u>
D. Stuart Harrison	10/15/98	\$1,000
Suduha Pennatur	10/17/98	\$1,000
Denise Fong	10/22/98	\$1,000
Kathleen Barry	10/23/98	\$1,000
William Kelly	10/27/98	\$1,000
Robert Koch	10/30/98	\$1,000
Corinne Clifford	10/30/98	\$1,000

**FRIENDS OF BARBARA BOXER**  
**PAGE 3**

These contributions do not appear on Schedule A of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies.

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-General Report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to provide concerning this matter will be considered. (11 CFR §104.5(f))

-Schedule A of your report discloses contributions which appear to exceed the limits set forth in the Act. Copies of some, but not all, of the apparent excessive contributions are attached for your information. You should examine all of your contributions to check for additional excessives. The Committee's procedures for processing contributions should also be reviewed.

An individual or a political committee other than a qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of \$1,000 per election. A qualified multicandidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441a(a) and (f); 11 CFR §110.1(b), (e) and (k))

Should your review determine that contributions were not completely or correctly reported, you should amend your original report using the correct information. If the contributions exceed the limits, you should either refund

21.04.405.0936

**FRIENDS OF BARBARA BOXER  
PAGE 4**

to the donor the amount in excess or request a written redesignation and/or reattribution of the contributions from the donor. All refunds, redesignations, and reattributions must be made within sixty days of receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §104.8(d)(2), (3) and (4))

The acceptance of excessive contributions is a serious problem. Again, the committee's procedures for processing contributions should be examined and corrected in order to avoid this problem. Although the Commission may take further legal action, prompt action by you to refund or seek redesignation and/or reattribution of the excessive amount will be considered.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.

Subject: Missing 48-Hour Notices  
FEC Rep: Robert M. Yap  
Committee Rep: Renita Smith

I contacted Renita Smith to inform her that the Committee has failed to provide 48-Hour Notices for contributions from individuals and PAC's. I further stated that if the Committee fails to respond, the matter would be turned over to the Office of General Counsel.

Ms Smith asked me for the names of the contributors who are missing 48-Hour Notices and I faxed her a copy of the list.

She stated that she will contact me next week to follow up our conversation.

Subject: Missing 48-Hour Notices  
FEC Rep: Robert M. Yap  
Committee Rep: Renita Smith

Renita Smith called to inform me that she has discovered many errors relating to the reporting of 48-Hour Notices. She stated that many of the contributions that were flagged as missing 48-Hour Notices were incorrectly reported. According to Ms. Smith, the data entry personnel entered in the deposit date of the check and not the receipt date. Therefore, many of the contributions were received outside the notification period and did not require 48-Hour Notices.

I asked her to send in a response as soon as possible.

Re: Friends of Barbara Boxer

Dear Mr. Yap:

This will confirm our telephone conversation on February 17, 1999, in which we discussed the FEC's request for missing 48-hour notices for contributions made to Friends of Barbara Boxer. We offer the following explanations:

The following contributions were received prior to the 48-hour filing period and misreported on the General Post-Election Report and amendments will follow shortly to reflect the corrected information:

The following contributions were notified as received by this committee after the 48-hour filing reporting period:

Handgun Control PAC

Committee notified Friends of Barbara Boxer after the 48-hour period of in-kind contribution and it was reported as rec'd on 10/26.

Sandra Kaplan  
David Perry  
Laura Perry  
Michael Piuze

The following contributions were received during the 48-hour filing period and mis-reported on the General Post-Election Report and amendments will follow shortly to reflect the corrected information:

Jeff Bridges should have been reported as a joint contribution from Jeff and Susan Bridges attributing \$500 to each.

Bruce Dorfman - Should have been reported as two separate contributions of \$500 each.

The following contributions are Joint Fundraising contributions which were reported by those committees. The committees provided lists to Friends of Barbara Boxer, a determination of contribution limits were made and forwarded back to the committees.

The following contributions are *joint fundraising* contributions received by Friends of Barbara Boxer during the 48-hr reporting period. Upon receipt, these joint committee contributions require a determination as to the projected amount of the contribution, if any, which will in the future be allocated by the joint committee to the candidate committee. This situation may lead the candidate committee to over report (e.g. Sudaha Pennatur, Denise (Dennis) Fong and Kathleen Barry) or under report (e.g. Mary Miyashita) 48-hour notices because the ultimate allocation of funds may change by the time the money is distributed.
